WONDERFUL RAIN DELAYS WORK BRIEFLY

Wheat, Barley Harvest Begins, Good Quality Grain Coming In

THE FIELD IS RIPE unto the harvest. As wheat harvest began The Journal photographer snapped this picture of a field of wheat in the Muleshoe area that seems to promise a fine yield. Harvest is delayed by rain now but will begin in earnest when things dry out.

Rain!

Crops were greatly benefited by a slow falling, general rain Wednesday night. Much of Bailey County and the Muleshoe area were covered by the wonderful fall, which came just at the right time for crops especially in the unirrigated sections.

In Muleshoe R. J. Klump, the weather recorder, reported his gauge registered 1.45. Apparently the rainfall was much heavier in other parts of the territory. The city had a rain of .90 last Friday night.

The Journal learned that Maple had a 3 inch rain, south of Maple 4 inches, and north of Maple around 1 inch. Goodland had 3 inches. At Enochs two inches of rain fell in a shower during the day and another Wednesday night. These are in areas where considerable "dry" farming is done.

Woodrow Couch reported rain amounting to two inches. The skies remained cloudy today, giving promise of more rain.

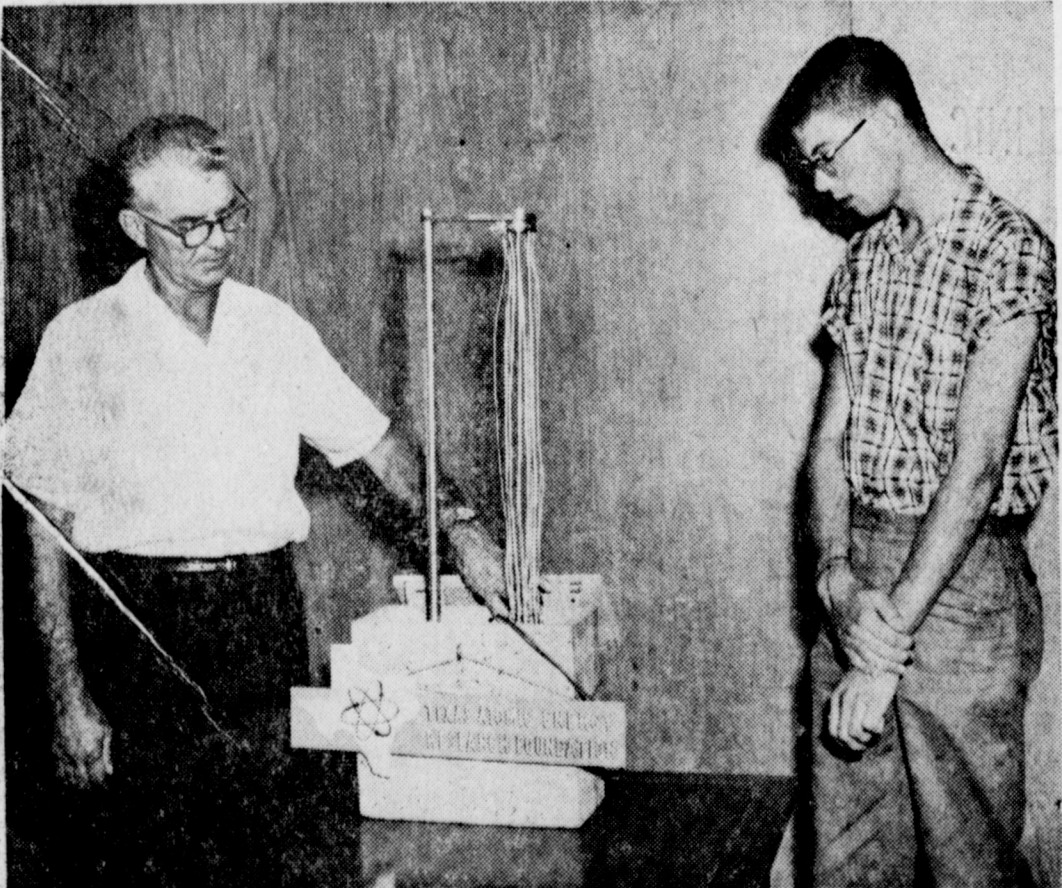

450 Area Residents Attended Barbecue

Some 450 area residents attended the annual barbecue given by the Muleshoe State Bank and Cornell Oil Co., Saturday, June 10, at Cornell Camp near Denver City, Texas.

Norman Thomas of the Bank said that everyone reported that they had an enjoyable afternoon, visiting and eating.

Several tours of the oil fields were made during the afternoon.

Teacher And Student At Science Symposium

Marion Harris, Muleshoe High School instructor and David Douglas, Muleshoe High School student, observe a nuclear demonstration unit at the Texas Nuclear Science Symposium for High Schools held in Austin June 11-14. Harris and Douglas were guests of Southwestern Public Service Company and the program was presented by the Texas Atomic Energy Research Foundation and the University of Texas. Some 400 selected high school science students and teachers from all over Texas attended the four day meeting.

Second Cutting Of Alfalfa Hay Began In Local Fields Monday

Harvest of alfalfa is well underway in the Muleshoe area here reports Dean Bishop, plant manager said the second cutting began here Monday morning and this hay promises to be somewhat better than the first cutting, which was damaged by greenbugs and pestered by dry weather.

The mill is running with one crew on a 12-hour basis. Only about 10 men are employed at the mill and in the field at this time.

In former years more persons were employed but this year, due to the fact that the hay is being pelleted, less help is needed.

Largely, the pelleted hay is taken to Plainview for gas storage, but many tons are stored here at all times to meet the needs of feed lots and other feeders from time to time.

Meanwhile many hay growers are bailing their hay and selling it to truckers who come here from all directions to buy the Muleshoe product.

129 Pupils In Summer School

A total of 129 students are attending summer school classes in the Muleshoe Schools.

Mrs. Sanders teaches primary and elementary remedial reading and has an enrollment of 14.

In Jr. high, a total of 9 students are taking Math under Mr. Harold Hurd and remedial reading under Mrs. R. E. Everett.

Drivers Education is being taught by Mr. R. E. Bratcher and has an enrollment of 16.

The Home making class, taught by Mrs. Rosie Hurd and Mrs. Dean Bradley has 73 students plus an adult enrollment.

Osborn Speaker For Rotary Club

State Representative Jesse M. Osborn was the guest speaker at the regular weekly meeting of the Muleshoe Rotary Club Tuesday, June 13. Representative Osborn outlined the problems the State Legislature was having in passing a suitable tax bill.

Osborn said that the state is now running in the neighborhood of a \$63 million deficit and that in his opinion something would have to be done on a general sales tax bill to erase the present deficit.

The representative also stated that the Texas Research League had studied the problem of federal aid to the aged and sick in the state and their findings were if the Federal government helped on the program it would cost eight million a year but if the state could handle it they could do the same job for two million dollars, Dr. W. F. Birdsong was the program Chairman.

Local Ladies Win In Artesia Tourney

Ces Holt went to Artesia, N. M., last Wednesday for the Ladies Invitational Golf Tournament held at the Artesia Country Club.

They played in the Pro-Am on Thursday and qualified, then played their matches on Friday and Saturday.

Mary Frances was the winner of the second flight and Marie the winner of the third flight.

They returned to Muleshoe after their match Saturday, bringing with them two beautiful silver trophies.

DONNY ALMOST MADE IT

Donny Taylor, who is completing his first year at the Naval Academy, writes his parents, Mr. and Mrs. Don Taylor, that he nearly made the superintendent's list this year. Donny missed by .08 of a point. He'll be home for a vacation in August.

Guthrie Allen Dies In His Abilene Home

Word has been received by friends here of the death of Guthrie Allen, a former Muleshoe man. Mr. Allen died, apparently of a heart attack May 2 in his home in Abilene, Texas. He had been watching TV and the body was found by his wife when she came home from work.

He formerly was pharmacist at Damron Drug. Many years ago he was with this firm, then for some time had a drug store in Sudan.

Recently he has been employed by the West Chemical Co., and Mrs. Allen worked for the same company. Burial was in Abilene.

New Pastor For Nazarene Church

REV. CROSLY

Rev. Ronald D. Crosley has recently moved to Muleshoe to assume the duties as pastor of the Church of the Nazarene. Rev. Crosley comes here, along with his wife, Barbara, from Bethany, Okla., where he recently graduated from Bethany Nazarene College with Bachelor of Arts and Bachelor of Theology degrees.

The Crosleys are not strangers to the Western Plains life, as both were reared in the Southwest High Plains country around Elkhart, Kans. This Sunday will be their third Sunday in Muleshoe and they said already they feel very much at home in their church and our community.

Rev. Crosley succeeds Rev. Livly Crawford, who has been the pastor in Muleshoe, but recently returned to his home state of California.

Thirty Enter Talent Contest

Nearly thirty persons in the Muleshoe trade area have entered the giant talent competition for \$500 in cash prizes to be won during the fabulous Fourth of July celebration being staged in Muleshoe by the retail division of the Chamber of Commerce.

Roger Albertson, in charge of the talent show announced the following entries of this date:

Mrs. Bobby Fender, vocal and Maxine Copley and Sharon Dalrymple, vocal; Larry Nigh and Dwayne Calvert, combo; Michael Stone, vocal; The Vibra-Tones, instrumental group consisting of Leslie Fine, Virgil Thomas, Bobby Carlisle and Sammy Sowerder; Fran Powers, vocal; Bob Noblett, vocal; Sonia Bass, instrumental; The Imperial Chords, barbershop quartet composed of Tye Young, Jack Young, Bob Harvey, and Doyle Trapp, accompanied by Dean Spraberry; Rex Bristow, vocal; Noblett Quartet, vocal; Delton Bass, vocal; Cindy Phillips and Diane Avery, vocal; Jewellene Braekman, vocal; and Virgil Thomas, vocal.

Albertson noted that June 19 is the final date on which persons may enter the free talent

Rev. Gilbert Davis, Jr., minister of the First Christian Church of Hereford, is the preacher for a week of preaching at First Christian Church here. The series of services will end Friday.

CC Committee Reviews Work

The Program of Work committee of the Muleshoe Chamber of Commerce met at 7 a.m., June 14, for a mid-year appraisal of the yearly program set out at the beginning of the current year.

Members of the committee who took a look at what they set out to accomplish, and how well they have been done, are: Robert Alford, W. B. LeVeque, Gil Lamb, Alex Williams, Bill Wimberly, James Jennings and Frank Ellis.

Among the attainments so far this year are: passage of a \$250,000 bond issue to widen US highways 70-84 west, adult education and training classes in salesmanship, adoption by the city of a sanitary garbage ordinance, planning of two major retail promotions, preparation of a land use map for the city, work toward better government on all levels, presentation of certificates to students working with the city council, school board and commissioner's courts for various projects in the public interest.

The committee urged continued action toward obtaining a new city park, improved courthouse and jail facilities, and industrial development as well as membership retention and increases during the remainder of the current year.

Prizes will be awarded as follows:

Professional division — 1st prize, \$50 and second prize, \$35. Amateur division — 1st, \$150, 2nd \$100, 3rd \$75, 4th \$50, 5th \$25, 6th \$15.

In addition to the talent show, which begins at 7 p.m., and which will be emceed by Odis Echols, the Fourth of July Celebration will feature a picnic lunch for all families caring to bring their meal to the football stadium at 5 p.m., and the day will be climaxed with a stupendous fireworks extravaganza at 9 p.m.

It's all free, courtesy of Muleshoe Chamber of Commerce.

\$425,000 ADVANCE PAYMENTS

77% Farmers Sign To Divert Grain Acres

Compliance by farmers with the new feed grain law ran to 77 per cent, the ASC office here reports.

Involved in the sign up were about 48,000 acres which will be diverted to other crops from

feed grain in this county. ASC officials said to date checks totaling \$425,000 have been written payable to those farmers who will divert feed grain acres. This represents a 50 per cent advance payment on the diversion agreements.

Bailey County Stronger Market

NEW YORK — Bailey County stood out as a stronger market than most during the past year, with a level of income and spending above that found in most parts of the United States.

Its relative position, in terms of business activity, is brought out in a new, copyrighted "Survey of Buying Power," produced by Sales Management. The 762-page survey reveals, for every county in the nation and for many of its cities, what their earnings and their retail sales amounted to in 1960.

It shows that consumer spending in Bailey County, despite the half year of business slump that prevailed generally, was on a big scale.

Local retail stores, as a result, had a sales volume of \$14,288,000, an increase over the prior

year's \$13,920,000.

For a community of its size, this was more than might have been expected. Retail business locally should have amounted to .051 percent of the national, on the basis of population. It exceeded that quota, however, producing .0665 percent of the total.

The economic conditions that existed during a large part of last year had its effect on the consuming public. It was noted in the way they altered their spending pattern.

There was a shift away from hard goods and in the direction of soft goods and services. The survey suggests that the trend also indicates a change that is occurring in family needs, with the post-war baby crop now reaching the teen years.

The bigger spend in Bailey County stores is attributable to the fact that local residents had more money available to them.

The report shows that the community's effective buying income, which is the money remaining in consumer hands after payment of all Federal, state and local taxes, amounted to \$15,885,000 in 1960.

This total, divided arithmetically by the number of households in the county, gives \$6,611 as the average net income per household.

Just how well individual communities compare with others in business vitality, taking into account population and rate of consumer buying, is shown through an "index of sales activity."

Bailey County is given an index rating of 127, or 27 percent higher than the national average.

The Weather

Weather for June so far has been characterized by the customary June hot weather. High for the month so far was recorded June 11, at 98 degrees, but on most days of this month the mercury crept into the nineties.

The city received a shower of .90 inch Friday night, and the total for the month is now 1.13 inches, counting a shower of .14 received on the 4th and .09 which fell on the 10th.

Temperatures the last few days:

Days:	H	L
June 8	94	57
June 9	90	56
June 10	95	58
June 11	98	62
June 12	90	60
June 13	94	66

Partly cloudy skies prevailed

Handsome Newlyweds Feted Here

This week's tourist of the week was Mr. and Mrs. Ben Lanford of Albuquerque New Mexico. Mr. and Mrs. Lanford were newlyweds of three days on their way to Albuquerque from Houston, when they were stopped this Monday by city patrolman Dennis Wrinkle far left and Coy Garrett, local Jaycee.

The Tourist of the week program is sponsored locally by the Muleshoe Junior Chamber of Commerce. Mr. and Mrs. Lanford will receive an Honorary membership in the local Junior Chamber club.

LONGHORN VAIN?

At Gonzales, Texas, they have the most unique weather vane in the state. It is perched atop the firehouse where all can see it.

Residents of this Central South Texas town are ready, willing and able to tell you about the vane and the impressive history behind it and the T41 brand.

What makes this weather vane so different from others?

In the first place it's made of gold-plated copper. Second, it's the same size, shape and weight of a real Texas longhorn steer.

For further realism, this 2,000

CARD OF THANKS

We want to thank all our friends and neighbors for all the many kind things done for our mother, Mrs. Curtie Waggon in life and for the many flowers, food and words of comfort at the time of her death.

The R. M. Keetch Family
The Buck Witt Family

pound longhorn vane always faces into the wind, just as did the real longhorns in their trips from Gonzales up the Chisholm Trail.

Doris Ann Gilbreath Weds Neal Eubanks In Amarillo Ceremony

Mrs. Neal Eubanks

Wedding vows were spoken May 26 at the First Baptist Church in Amarillo by Miss Doris Ann Gilbreath and Mr. Neal E. Eubanks.

The Rev. J. R. Stroble performed the double-ring ceremony.

The former Miss Gilbreath is the daughter of Rufus Gilbreath and Mrs. Wilma Gilbreath. Mr. Eubanks is the son of Mr. and Mrs. L. G. Eubanks all of Muleshoe. Doris Ann is a 1961 graduate of Muleshoe High School. Neal is a 1954 graduate of Olton High School, and recently served a six months tour of duty with the United States Army.

Following a wedding trip to Yellow Stone National Park, the couple is temporarily at home at 619 West Seventh Street.

Artists Planning Show In September

The Muleshoe Art Association is sponsoring its second annual membership show on September 1. Mrs. Blanche Lenderson told The Journal.

She listed these qualifications for entries: Paintings must be originals, no copies, with no supervision from instructors.

Three cash prizes will be offered and in addition there will be several awards. The show again will be held in the lobby of Muleshoe State Bank. Present members of the association will pay no entry fee, and membership fee is \$3.00. Everyone in the Muleshoe trade territory is invited to show a picture.

Mrs. Lenderson asked The Journal to print this early notice so that everyone can "get busy".

News FOR Women

Anonie Hightower And Benny Dunlap Married June 2

Anonie Hightower, daughter of Mr. and Mrs. C. B. Hightower of Goodland, and Benny Dunlap, son of Mr. Andy Dunlap, Muleshoe, were married Friday, June 2, in Clovis, N. M. The double ring ceremony was read by a Justice of the Peace.

The bride was attired in a blue and white, street length dress with fitted bodice and a soft pleated skirt with white accessories.

The bride is a graduate of Three Way high school and attended South Plains College in Levelland before accepting a secretarial position in the County Attorney's office, where she is presently employed.

The groom is a graduate of Morton high school and is now engaged in farming in the Progress community.

After a wedding trip to Ruidoso, the couple are at home at 307 W. Avenue E.

Janice Darling, Darell Thompson To Wed Aug. 13

Janice Darling

Mr. and Mrs. Duane Darling of Lazbuddie are announcing the engagement and approaching marriage of their daughter Janice, to Darell Thompson, son of Mr. and Mrs. John S. Thompson of Friona.

Vows will be exchanged August 13 at 3:00 p.m. in the Church of Christ at Lazbuddie.

All friends of the prospective bride and bridegroom are cordially invited to attend.

After a short honeymoon, the couple will be at home near Friona. The bride-to-be plans to finish her Senior year in the high school in Friona.

CANTON AND AUXILIARY MEET AT IOOF

Auxiliary met Friday, June 9, at IOOF hall with eight members and one visitor present.

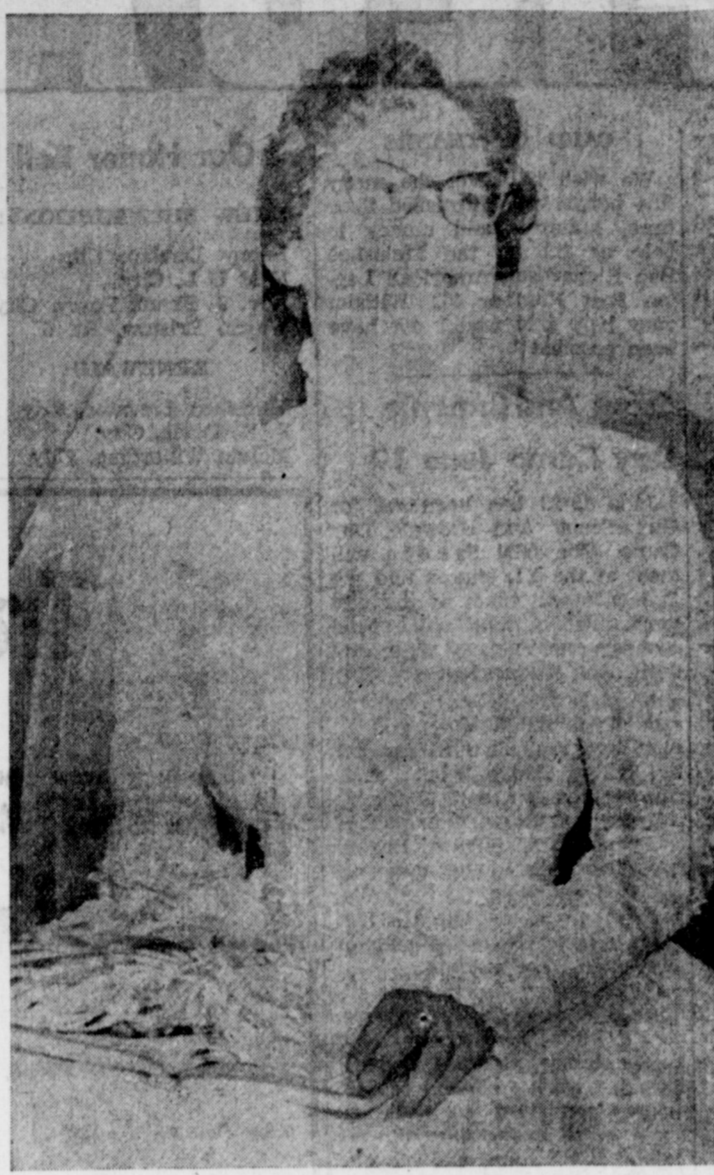

The president asked that all members attend the next meeting on July 14.

Those present were Frank Snyder, Charles Stewart, Tom Berry, Ona Berry, Stella Edwards, Florence Holmes, Daisy Stewart and Ina Owens.

The visitor was the granddaughter of Daisy Stewart, A. freda Schriber, who will have her official visit at Brownfield on June 26.

All Rebekahs of this district are asked to attend our meeting June 20, and be on time so that anyone wishing to attend the social held at Littlefield may go after the meeting.

Zona Millen And J. C. Gatewood Wed In Y. L. Church Ceremony

Mrs. J. C. Gatewood

Wearing the bridal gown of her paternal grandmother, Zona Millen was escorted to the altar of the Y. L. Methodist Church to become the bride of J. C. Gatewood at 4 p.m. Sunday, June 11.

The bride is the daughter of Mr. and Mrs. W. T. Millen and the bridegroom's parents are Mr. and Mrs. L. A. Gatewood, all of Muleshoe.

The Rev. D. C. Read read the double ring ceremony as the former Miss Millen was given in marriage by the father in a setting of orchid and white mums and gladioli, backed by an entwined archway of greenery flanked by candelabras. Orchid satin bows marked the family pews.

"Because", "I Love You Truly", and "The Wedding Prayer" were the traditional wedding music by June Burman, Pianist, and Sonny Kirklen, soloist. The couple knelt in the archway on a white satin kneeling bench while Kirklen sang "The Wedding Prayer".

The bride's dress is a family heirloom worn by her grandmother in 1909. It is made of white French lawn with inserted lace and fashioned with a semi-full skirt and long sleeves and a high neckline bordered with lace. The chapel train was added to the gown in 1959 for the marriage of the bride's sister. Another sister wore it in 1960.

Something old was her wedding dress and something new, the wedding crown. She carried a white Bible for something borrowed and something blue was a garter.

Sharon Millen, sister of the bride was maid of honor. Bridesmaids were Rose Lee Powell, Amarillo, and Linda Hall of Muleshoe, both sisters of the bride, and Karen Stephens of Muleshoe.

The attendants were dressed in identical styled dresses of orchid cotton, designed in sheath fashion with silk organza overdress, featuring bouffant skirts. Their headresses were white circular nose veils falling from white clips. They carried Fernch bouquets of orchids.

Linda Gatewood, sister of the groom, was flower girl and Ted Millen, brother of the bride was ring bearer.

Ingle Gatewood of Abilene served his brother as best man.

For her daughters wedding, Mrs. Millen chose a dress of mist blue travelers broadcloth, accented with white accessories and an orchid corsage. The mother of the groom wore a dress of blue with white accessories and an orchid corsage.

Ushers were Kenneth Jewell, Amarillo; Mack Hall and Donald Shanks of Muleshoe.

A reception followed the ceremony in the home of the brides parents.

The serving table was covered with a white lace cloth over orchid, with silver and crystal appointments.

Guests were registered by Virginia Hickman, Darlen Burman and Annamary Elrod served the guests. Out-of-town guests were from Abilene, Amarillo and Clovis, N. M.

For traveling, the bride wore a suit of beige dacron, featuring a crop jacket with a pleated skirt. White accessories completed her ensemble.

After a wedding trip to points of interest in New Mexico, the couple will be at home in Muleshoe where the groom is employed as a printer for the Muleshoe Journal.

Jarman-Neel Wedding July 12

Mr. and Mrs. Jo Deane Jarman announce the engagement and approaching marriage of their daughter, Jo Deane, to Merlyn Neel, son of Mr. and Mrs. Harvey Neel of Spade, Texas.

The couple plan to be married July 22 at 8 p.m. in the Church of Christ in Muleshoe. All relatives and friends of the couple are invited to attend.

T E L SUNDAY SCHOOL CLASS MET TUESDAY

The T E L Sunday School class of the First Baptist Church met in the home of Mrs. Lois Shook on Tuesday, June 6.

The meeting was called to order by Myrtle Alsup and the program was begun with a prayer by Mrs. Effie Bray.

A very inspirational devotional was given by Mrs. Maude Harvey on the theme, "Who Is Jesus".

During the business session a motion was made and carried to postpone quilting until cooler weather. Lovie Benson, Martha Byers and Bula Motheral were appointed the nominating committee to recommend officers for the coming year.

There was 13 members present and one visitor, Nancy Holly, from Enid, Oklahoma.

The meeting was dismissed by a prayer. Refreshments were served by the hostess and then they enjoyed a social hour directed by Lucille Perkins and Maude Harvey.

Men's prayer meeting group at the Baptist Church had a guest speaker for the evening, a former church member, Rev. I. N. Leonard, now of Portales.

Jodie Snitker, small son of Mr. and Mrs. Curtis Snitker, was bitten by a snake last week, but since it was not a poisonous snake, he wasn't hurt badly. Later he narrowly escaped being bitten by a rattlesnake, which was near his home. He was saved by the quick thinking of a Mexican hired hand who was nearby.

Later in the week Jodie had his tonsils removed. It was a busy week for Jodie.

5 Rural Accidents Are Investigated

ed five accidents on rural highways in Bailey county during the month of May, according to Sgt. D. S. Lawson, highway patrol supervisor of this area.

These wrecks accounted for four persons injured, and a property damage of \$3,250.00.

This brings the total for the first five months of 11 in this county to 19 rural traffic crashes resulting in one person being killed, 19 injured, and a combined property damage amounting to \$13,100.00.

After noting the accident picture for this county for the first five months of this year, the Sergeant pointed out another significant fact. As summer approaches with longer days and additional good driving weather, the driver should be especially aware of the danger period at dusk. Many accidents happen during this period.

One cause of this is that the driver fails to turn his lights on soon enough. Although the law sets out when lights must be turned on, the driver should also use his own good judgement. Any time a driver cannot see an unlighted object approximately one-half mile away, he should turn his lights on. He may be able to see the other driver, but can the other driver see you?

Henry C. Holt Funeral Held Here Tuesday

Henry C. Holt, 81, Dora, N. M., died at 4:25 a.m., Monday at West Plains Hospital in Muleshoe after an illness of several months.

A retired farmer, he had lived in Dora 11 years, moving there from Stegall in 1927.

Funeral services were at 3 p.m., Tuesday at the First Baptist Church in Muleshoe, with the Rev. J. E. Moore of Abilene officiating.

Burial was in Morton Cemetery in Morton under direction of Singleton Funeral Home in Muleshoe.

He is survived by his wife, Melissa; four sons, John, Dora, Elmer, Muleshoe; Marvin, Goodland; and Bill, Levelland; three daughters, Mrs. Carl Pollard, Goodland; Mrs. Jack Knowlton and Mrs. Glen Williams, both of Muleshoe; 24 grandchildren and 15 great-grandchildren.

Pallbearers were Omer Kelson, Orby Phillips, Rodney Jarvis, L. D. Sanderson, Tom Watson, C. G. Locke. Honorary pallbearers were C. L. Taylor, W. R. Byers, W. Q. Casey, Claude Farrell, A. J. Shafer, M. L. Carpenter, Jesse M. Osborn.

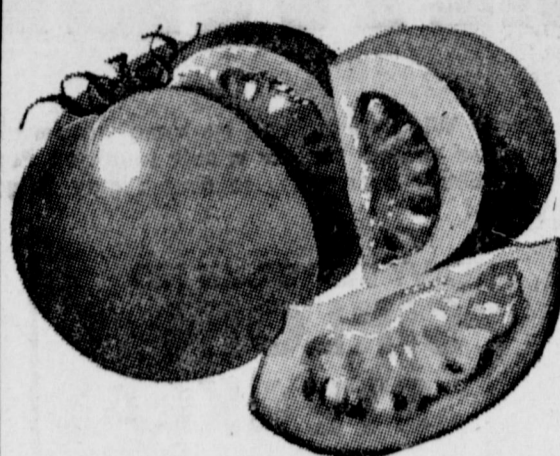

Sponsor Talent For Show

Muleshoe Study Club is sponsoring Susan Birdsong and Debbie Wagnon in Muleshoe's Fourth of July Talent Contest. Susan, the 14-year-old daughter of Dr. and Mrs. W. F. Birdsong, of Muleshoe, is going to do an imitation of Liberace at the piano. Debbie is the 6-year-old daughter of Mr. and Mrs. Joe Pat Wagnon of Big Spring, and the granddaughter of Mr. and Mrs. Thurman White of Muleshoe. Debbie will sing and tap dance.

Muleshoe Study Club, under the leadership of Mrs. W. Q. Casey as president, has just completed a most successful club year. Outstanding programs on public affairs have been presented, and club members have shown an interest in and taken part in public affairs both individually as good citizens and collectively as a civic club of our community.

The Club participated in the Shoppers' Mall last August, had a float which won first prize in the Christmas Parade, sponsored a water conservation program for the public, contributed to local Red Cross, Cancer, Heart and Muscular Dystrophy funds, participated in a Latin-American scholarship fund, presented its second annual scholarship to a local graduate, contributed to local Girl Scouts and contributed to the West Plains Recreation Association.

Redwine Reunion Held At MacKenzie

A Redwine reunion was held Sunday, June 11, at McKenzie State Park in Lubbock. It was held in the observance of Mr. and Mrs. J. J. Redwine's 49th wedding anniversary, which will be June 16.

Only one of the thirteen children of Mr. and Mrs. J. J. Redwine, Mr. and Mrs. J. J. Redwine, Jr. and Mrs. J. J. Redwine, were present.

Those attending were: the parents, Mr. and Mrs. J. J. Redwine, Muleshoe; Mr. and Mrs. J. L. Redwine, Sr. and Jackie, Muleshoe; Mr. and Mrs. A. E. Redwine, Donna and Bobby, Muleshoe; Mr. and Mrs. D. L. Redwine, Jerry and Connie, Muleshoe; Mr. and Mrs. Homer Redwine, Vicki and Gayla, Muleshoe.

Mr. and Mrs. J. C. Redwine, Clyde, Harold, and Carrol, of Bovina; Mr. and Mrs. Burrell Redwine, Patricia and Wayne, Lubbock; Mr. and Mrs. Jerrel Redwine, Leona, David, Beverly, Brenda and Mark, Lubbock; Mrs. G. E. Redwine, Kenneth, Charles, Wanda, and Jimmy, of Farwell; Mr. and Mrs. J. B. Snead, Hereford; Mr. and Mrs. Truman Brooks, Steve and Cathy of Snyder.

Mr. and Mrs. Dallas McCurry, Denese and Eddie, Littlefield; Mrs. Billy Boatman, Terry and Sherry, Hereford; Mr. and Mrs. Otis Ashmore, and Ruby Nell, New Deal; Mr. and Mrs. Elmer Downing, Muleshoe; Mr. and Mrs. Robert Hunt, Sheila Renae, Muleshoe; Mr. and Mrs. Doyle Henry and Bobby Don, Lubbock; Mr. and Mrs. J. L. Redwine, Jr., Leslie and Sharalette, Hart;

Oral Gully, Debbie and Robin, Bovina; Mrs. Pat Ferguson and Jay, Hereford; Mr. and Mrs. Jenny Snead, Abilene.

Mr. and Mrs. Harold Wayne Williams, Abernathy; Mr. and Mrs. Sonny Ashmore, Lubbock. Guests were Kay Davis, Jerry

Don Glover, Janie Sanders and Norman Branteley, all of Muleshoe.

Other relatives who were unable to attend were: Mr. G. E. Redwine, Farwell; Mr. Pat Ferguson and Billy Boatman, both of Hereford.

Mrs. Barnett Funeral Monday

Mrs. Donald Barnett, 30, died Friday at 7 a.m. at her home in Neosho, Missouri.

She is survived by her husband and four children soot of the home. Also surviving her are her parents and grandparents of Hale Center, Texas.

Relatives from Muleshoe who attended the funeral Monday are Mr. and Mrs. Charlie Barnett, Mr. and Mrs. Richard Puckett and Mr. and Mrs. Charles Stewart. Richard Barnett, brother of Donald Barnett flew from Houston to Neosho Monday.

A number of relatives also at Barnett was the daughter-in-law tended from Hale Center. Mrs. of Mr. and Mrs. Charlie Barnett of Muleshoe. The Barnetts are still in Missouri, where Mrs. Barnett plans to stay for about a month. Mr. Barnett will return to Muleshoe this weekend.

Murphy's Record

Outdoor action screen star Audie Murphy, youthful veteran of 28 motion pictures, and currently starring in "Posse From Color Adventure" also starring John Saxon, and now at the Palace Theatre, has a unique distinction in Hollywood.

Audie set an unparalleled mark of achievement in the film capital several years ago by playing himself in his autobiography as U-I filmed a CinemaScope version of "To Hell and Back." This was from his own best-selling book of the same title which detailed his when he won 24 decorations to become America's greatest war hero of World War 2.

ENTERS DRAUGHON'S

Miss Patricia Burkhardt, daughter of Mr. and Mrs. Marvin H. Burkhardt, Star Route, Earth, Texas has entered Draughon's Business College, Lubbock, Texas at the beginning of the summer semester. Miss Burkhardt is a 1961 graduate of Muleshoe High School, and is majoring in Secretarial work at Draughon's. In high school Patricia was active in the Pep Club and F.H.A.

ENTERS DRAUGHON'S

daughter of Mr. and Mrs. D. O. Burelsmith, Route 2, has entered the summer semester at Lubbock, Texas, where she is majoring in Secretarial work. Miss Burelsmith is a 1961 graduate of Muleshoe High School. In high school Miss Burelsmith was Football Queen for the 1960-61 season, and was active in FHA and FTA activities.

THE PRIVATE EYE

by J. R. HANEY

This is a new column that will appear from time to time in the journal and we hope it will be informative to our new friends here in Muleshoe. The Wife (Faye) and I have found Muleshoe one of the most friendly towns we know of.

One of the most important things in a town's chance for growth is a desire by the local merchants to get along together working in the same direction.

One of the things that will be of local interest in the next few weeks is our chamber has promoted a deal to put a statue of a mule in town. We understand plans are pretty indefinite yet, but we think it's a good idea as the town can get a lot of good publicity from such a venture and it would also be a good tourist attraction.

Part of the local staff took a trip to Hereford last Sunday to an open house of the Hereford Brand, on the way back we drove down the farm roads looking at the wheat fields and what we saw was good. One man this side of Hub stated that with a little luck they would cut some good sixty and seventy bushel grain. This will mean a boost to the area economy which will mean more business for everyone.

All in all we wouldn't trade Muleshoe, Texas, for Kansas City, Mo. It's sure good to be on home base again. 10-4.

Leon Jamison Is Promoted To Sergeant

Leon Jamison, son of Mr. and Mrs. Vernon Jamison, of Lariat, recently has been promoted to Sergeant. Sgt. Jamison has been assigned to the 298th Signal Company in the Army for the past 10 months.

His wife, the former Wilma Norton, is in France with him. They will return to the States sometime in August.

Concrete Pipelines Save Water

INSTALLATION of cement abestos on Arie Woodfin farm east of Baileyboro for sprinkler system use.

Have you noticed how many rows you can irrigate out of a ditch when you're near the well as compared to the far side of the field? Research has shown that for every 1/2 mile of open ditch, your available water is decreased by 1/3 on soils in Bailey County. If you start with 900 gallons at the well and water 1/2 mile, only 600 gallons are available for watering crops.

When you figure the cost of pumping the unused gallons, you will find that you can afford some type of carrier line. Aluminum is probably the cheapest as it can be moved from place to place as needed. However, the inconvenience sometimes caused by "double" turn rows is a disadvantage.

Ordinary concrete lines overcome this disadvantage, but cannot be moved. Plastic pipe can also be used. All of the ma-

terials mentioned are for surface watering systems. Aluminum, steel, or cement abestos are all very good for sprinkler systems. Over 185 miles of various types of underground pipe have been installed in the Blackwater Valley Soil Conservation District over the past several years.

For a more efficient system, plan to install pipe on your farm.

(Items from the June 12, 1941 issue of The Journal).

—1941—
George Provence has accepted a position with Fry & Cox Bros., beginning his duties this week.

—1941—
Mrs. Clay Beavers and sons, Spencer and Billy, returned to Muleshoe Thursday after a ten day trip to eastern and south Texas, arriving here just in time to beat the high rise of water which a few hours later cut off many returning visitors.

Mrs. Beavers and sons visited in Vernon and went from there to Dallas and Waxahachie. At the latter place they attended high school commencement exercises in which Mrs. Beavers' nephew was a member of the graduating class.

From Waxahachie they drove to Austin, Corpus Christi and Houston.

—1941—
Mrs. Noel Woodley and daughter of Memphis, arrived in Muleshoe last week, where they will make their home. Mr. Woodley has been here for the past two weeks, having assumed his duties as secretary-treasurer of the Western National Farm Loan Association.

8 Attending WT Summer Session

CANYON — Eight persons from Muleshoe are attending the first summer session at West Texas State College. The first term ends July 7, and the second term begins July 11.

They are Bennie Bickel, Mrs. Elaine Davis, Jack DeShazo, Wayland Ethridge, Jack Jones, Kenneth Landers, Sally Lou McSplawn.

Bickel, son of Mr. and Mrs. B. H. Bickel, Route 4, is a senior physical education major. He is a member of Alpha Tau Omega fraternity.

Mrs. Davis is a junior elementary education major.

DeShazo, son of Mr. J. J. DeShazo, is a senior business administration major. Ethridge, son of Mr. and Mrs. R. E. Ethridge, Route 5, is a senior business education major. He is a member of Buffalo Bills, Alpha Kappa Psi, Phi Omega Psi and Student Education Association.

Jones, a senior, is a member of Kappa Alpha Order. Landers, son of Mr. and Mrs. Henry Landers, Route 2, is a senior secretary education major. He transferred from Texas Tech.

Miss McShan, daughter of Mr. and Mrs. C. L. McShan, Route 2, is a sophomore secretary science major. Splawn, son of Mr. and Mrs. H. K. Splawn, is a sophomore insurance major.

Off the Runways

Doings At Muleshoe Airport
By MRS. NOAH KINSER

Ground school students at the Muleshoe Flying Service will now receive the most modern advanced training available.

A visual aid film has been purchased by Morgan Locker to be used in the school.

The 40 hour color film will show details of all phases of flying and aircraft operations, weather and radio and will be shown by ground school instructor, Fred Boyd, in conjunction with his regular method of teaching.

A product of the Piper Corp.

The film is being used in larger cities, and with the number of students taking flight training here equalling those of larger cities, a representative was sent to demonstrate the film.

Both Locker and Boyd believe the film will be beneficial to students in learning faster and more thoroughly.

Two Morton men, Jess Tyson and Noel Crow landed here in their Comanche last week to begin 20 hours of dual training under instructors Morgan Locker and Fred Boyd.

Tyson accompanied by Boyd flew cross-country to Wichita Falls, then Crow and Locker made a flight over Tucuman and Ft. Sumner. The remainder of the hours have been flown locally, covering degree turns,

pattern flying and shooting touch and go landings.

Tyson and Crow are both licensed pilots, but in accordance with insurance regulations for aircraft, pilots must have 20 hours dual training in the larger plane.

Bob Gage started his training as a student pilot Sunday. Gage made 90, 180, and 360 degree turns along with rectangle and pattern flying. Instructor Morgan Locker said that Gage is another very promising student that has advanced rapidly in a short time.

Gage is the owner of Gage Carpet Co. Gage is the owner of Gage Carpet Co. Gage is the owner of Gage Carpet Co. Gage is the owner of Gage Carpet Co.

On the flight with them was Gail Locker and Mr. and Mrs. Noah Kinser.

Kinser, piloting the plane by Omni radio to Enid, skirted thundershowers on the route from near the Texas line to Enid. On two occasions rain was falling just on the left wing tip, however, there was no turbulence or lightning, so the flying was pleasant.

Radio contact was made with the Gage weather bureau by Kinser as he approached the station for a report, then flying on toward Enid, was requested by the Gage station to give his position and weather conditions at intervals for the duration of the flight.

They were met at the Enid airport by relatives of the Kinser. Then Mrs. Locker and Gail took off from the airport there at 9 a.m. flying on to Newton, Kansas, where she had a business engagement.

While there they were shown through a furniture factory, where Gail was fascinated by the large machines and the construction of furniture.

By the time the Lockers returned to Enid that afternoon

the weather bureau was reporting severe turbulence on the flight path back to Muleshoe, so Mrs. Locker hangered the plane and the group were or night guests in the homes of the Floyd Kinser and R. T. Riddles. They returned to Muleshoe early Friday morning and had nice flying weather.

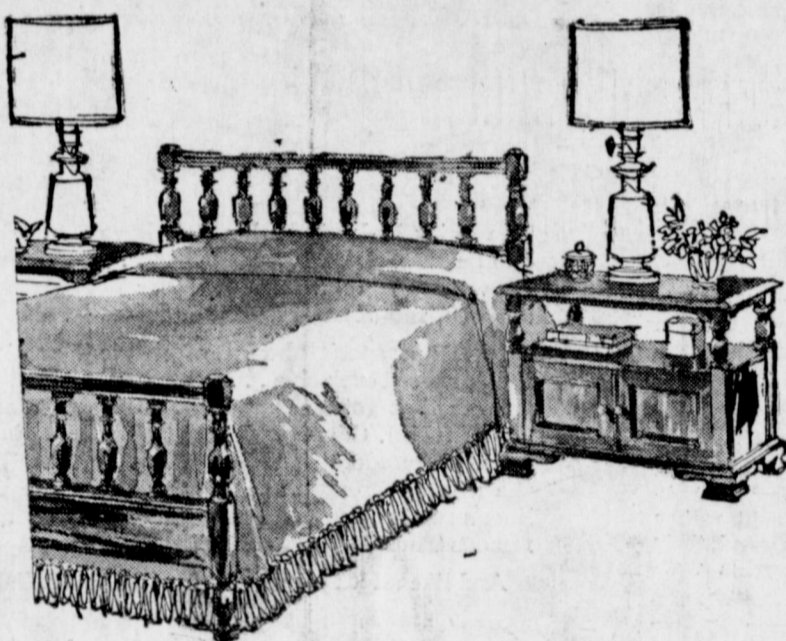

PARENTS VISIT SMITHS

Weekend guests in the Leslie Smith home were Mrs. Smith's parents, Mr. and Mrs. U. O. Barry from Sundown.

Comes Today's Biggest
And Most Beautiful
New Collection Of Americana

American Treasury
by Drexel
The most trusted name in furniture

You'll find fresh, new flavor in famed designer Robert Bergelin's imaginative approach to America's furniture period! It's alive with the drama of native American woods . . . figured cherry, maple clusters, knotty pine and sturdy pecan. It's ablom with the beauty of authentic American design elements . . . skillfully scaled and interpreted for today's needs. A huge "patriarch" dining chair will catch your eye . . . a cunningly detailed open-shelved cupboard, scroll-framed and brass-hinged, will win your heart. And wait until you see the wealth of wonderful table, chair and buffet designs. The chairs is as wide as America itself — and just as beautiful. Over ninety notable pieces for dining, living and bedrooms await your pleasure. Because every last, lovely piece is by Drexel, you know they're as admirably crafted as they are authentically styled. Come rediscover America in all its charm . . . with American Treasury by Drexel.

4 3/4 MILLION PEOPLE OWN RURAL ELECTRICS

more than any other business

America's Rural Electric Systems are outstanding examples of free enterprise. More than 4 3/4 million shareholders have accepted the obligation of supplying themselves with electricity. No other business in the U.S. is owned by so many individuals.

Necessity forced these rural folks into the electric business. Established electric utilities shunned the job of serving these widely scattered rural users as unprofitable. As a result, the people organized themselves into non-profit groups—usually cooperatives—borrowed money from the Rural Electrification Administration, and built their own electric systems. Best of all, they've kept their credit good.

Since 1935, nearly 1,000 locally-owned and managed rural electrics have repaid almost \$1 1/2 billion in principal and interest on over \$3 1/2 billion REA loans.

We are proud to have played a part in this enviable record of free enterprise coupled with sound business management. Our rural electric cooperative, owned by 4,100 member-consumers, has already repaid \$2,112,955. in principal and interest on our REA loans.

Today we are busy increasing capacity of our lines to keep pace with our member-consumers' ever-growing demand for electric power.

Sandhills Philosopher Tries His Hand At Writing A Speech For '61 Graduates, But Gives Up

Editor's note: The Sandhills Philosopher on his Johnson grass farm meets a difficult problem this week, and then distastes.

Dear editor:

A friend of mine who didn't have much to do and less on his mind stopped by out here the other day and after complaining about the weather and high taxes said: "Say, if you were making a speech to a class of graduating students, what would you say?"

This is like asking somebody who has just gone bankrupt how he would pay off the national debt, and I ignored the question, but after he left I got to thinking about it.

Later on in the day I read a newspaper account of a speech a man made to a bunch of university graduates, and he painted the picture of the world as so serious, so grave, so fraught with dangers and momentous uncertainties, so filled with the possibilities of the destruction of man if the wrong decisions are made, that for a moment my advice to anybody graduating from school this spring was:

Don't do it. Get back in school. It's too dangerous out here in the world.

You'd think somewhere, sometime a speaker would tell a graduating class: "This is a fine, wonderful world we've ar-

ranged for you. Be sure to take care of it," but so far none of them has had the nerve. They just warn em what's out there, then duck.

But then I got to thinking. If the present world, under the type of management us adults have been giving it, hasn't blown up, it ought to be safe for graduates to come out and see what they can do with it.

Of course it won't be much, but then the standards already set aren't too high anyway.

Personally, I have never felt uneasy about turning over the world to a new set of graduates. In the first place, they don't have nearly the effect on the world as they figured they would. Doesn't make any difference how much education a graduate has, the world just doesn't seem too impressed at the start, and frequently not at the finish.

When it comes to giving advice to graduates, I shut the gate and retire to the back side of this Johnson grass farm.

Yours faithfully,
J.A.

POST BINDERS, ledger sheets, columnar sheets at The Journal.

BABSON DISCUSSES

Farm Prices

First let me say that farm prices affect everyone, not simply the farmer. They affect every consumer who reads this column. We all have to eat and indirectly we pay what the farmer gets for his crops.

PRESIDENT KENNEDY'S REPORT TO THE NATION

AS I have time to reflect upon President Kennedy's recent radio-TV report on his meeting with Mr. Khrushchev, it boils down to this—Mr. Khrushchev does not want war and is willing to cooperate on negotiations for disarmament, but he feels that Communism will gradually sweep over the world and will win without war. Of course, President Kennedy in a manful manner said "We will not allow this". There it ended in a peaceful tie.

After he talked with Macmillan in London, they concluded that the only way to stop this Communist "glacier" would be by providing the backward nations with something better than Khrushchev could offer. Furthermore, to be effective, we must not only do it as free nations, but do it first, with the United States carrying the burden of the load.

WHAT THE BACKWARD NATIONS NEED

President Kennedy refers to the need for education, new industries, more healthful living conditions, and food; but this is looking ahead ten or more years. The people in these poor countries which Communism plans to take over, one by one, cannot wait for food. Therefore, the fight between Communism and freedom will depend largely upon which side will first supply these poor people with food and the ability to immediately raise more crops.

In short, it seems that this cold war will be fought by farm products rather than by missiles, submarines, or men. It further seems that Congress will heartily back this new program. Most Congressmen are glad to help the farmers, and all Congressmen know that American mothers would rather be taxed more than send their sons to fight in guerrilla warfare.

FARM PRICES AND PROSPERITY

A study of economic history shows that general prosperity including stock prices is basically determined by the condition of the farmers. The farmers' prosperity is usually determined by the price which they

receive for their crops, provided the weather is normal. This means that a greater demand for farm products should mean higher prices and greater prosperity for all.

Farm prosperity benefits the railroads, the harvester com-

panies, and a host of other industries. From the time the farmer plows his ground until he reaps his crops, he is spending money. The higher the prices he receives, the more the farmer spends to the benefit of all concerned. Even the weather is not the factor it used to be, due to the use of improved seeds and methods of cultivation.

FARM PROBLEM TAKES A NEW TURN

Up to the present time, the discussions in Congress as to how best to aid the farmer have

been very controversial. The West have fought for greater appropriations for the farmer; while the Congressmen from the East, the section which pays most of the taxes, have fought for some more realistic plan than President Kennedy has heretofore proposed. Now, if the President carries out his program to help these poor nations, the farm problem will become a national affair and be classified under Defense.

Therefore, let me summarize

(1) President Kennedy has been told by Krushchev that Communism will win by helping the poor nations and by using guerrilla warfare when necessary. (2) The immediate help which the poor nations need is food and the ability to grow crops on their own soil. (3) This means that the side which is to be the most successful will be the one which acts first. Mr. Krushchev as a dictator can act quickly, while President Kennedy will be handicapped by committees, politics, and Congressmen. This thought is not so optimistic. (4)

When President Kennedy left on his trip, he was being advised to "freeze prices and wages"; but since his return, he asks only to be dictator to the extent of carrying out the above proposals as a part of the Defense Program.

MAX GARDNER VISITS HOME

Max Gardner, of Tampa, Florida has been visiting here for the past week in the home of his parents, Mr. and Mrs. A. J. Gardner, and Don.

Max is with The Travelers Insurance Company in Tampa.

ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

America's National "Open" champ is mighty like a Thunderbird!

One quick look at the beauty above . . . then one quick trick behind the wheel . . . and you'll know why the '61 Ford Sunliner is America's all-time, top-down, favorite convertible.

Here's a special brand of magic-in-motion that's a Ford exclusive . . . yours to command in the car that got its thunder from the fabulous Thunderbird. Caged under that sleek hood is a mighty Thunderbird V-8 engine . . . created by the world's foremost maker of V-8's. The Sunliner's road-ruling punch is equaled only by the famous Thunderbird itself.

And like all '61 Fords, the fun-loving Sunliner

is beautifully built to take care of itself. It goes 30,000 miles between chassis lubrications—4,000 miles between oil changes, its brakes adjust automatically . . . because the '61 Ford gives you features today that most other cars can only plan for the future.

Got an urge to surge ahead this summer . . . but saddled with a sluggish car? Then, it's time to STOP wasting money on tired transportation. SWAP your present car for a bustling new '61 Ford (and do it now while sales are at a 32-year high and trade-ins are way up). Start to SAVE tomorrow with the car that's built to take care of itself—the '61 Ford! FORD DIVISION, Ford Motor Company.

Today's Meditation

Read Luke 12:41-48
The Lord said, Who then is that faithful and wise steward, whom his lord shall make ruler over his household, (Luke 12:42).
If we are not experiencing the blessings of Christian stewardship, we have missed the essence of Christianity. Jesus instructs us in becoming better stewards.
I recall seeing a woman so crippled that she had great difficulty getting about. I saw her sweeping snow from the church walks. Here was a person who loved the Lord so much that despite her handicap, she offered her willing hands in service.
This is the kind of dedication which will be rewarded. The sacrificial gift is the one most precious in God's sight.
This type of steward will be the one of whom the Lord says, "Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."

PRAYER: Dear Lord, we thank Thee for the blessed opportunity of stewardship. Help us joyfully to fulfill our responsibility as Christians. In the name of Jesus, who taught us to pray, "Our Father who art in heaven . . . Amen."

THOUGHT FOR THE DAY
Being good stewards is the essence of Christian living.
Jeanne Roberts, Columnist (California)

DOWPON controls cattails and problem grasses along ditches

A regular spraying program with DOWPON* puts an end to the continual expense and hard work of burning, chopping or cultivating Johnson or Bermuda grass out of crop lands and cattails out of ditches. In headlands and along fence lines, too, Dowpon eliminates grass—for it kills the deep roots as well as tops. Through cumulative action, this program becomes less costly each year. You'll find Dowpon cheaper than chlorates or borates, less messy than oiling. Simply mix Dowpon with water, and spray.

Lazbuddie News

Mr. and Mrs. Joe Pattie from Amarillo and Morris Bruns from Smiley Wilson, Lubbock, visited over the weekend with their mother, Ruby Bruns.

Some of the ladies trained recently as adult leaders in 4-H work are Mrs. T. O. Lesly, Mrs. Davis Guley, and Mrs. Ben Koelzer of Lazbuddie district.

The Lazbuddie HD Club met Thursday afternoon, June 8 in the home of Mrs. Ben Foster, Jr. After the business meeting, Mrs. Scotty Windham and Mrs.

Ralph Broyles gave a demonstration on conjealed salads. The salads, crackers, soft drinks, and coffee was served to 10 members. The next meeting will be in the home of Mrs. Albert Clark Thursday afternoon, June 22. The program will be given on the cleaning of furniture, upholstery, and rugs.

Friends of Mrs. Les Bruns will be glad to know she is improving some at this writing. Mrs. Bruns is confined to her bed with walking typhoid fever. Mrs. Bruns is the vice-chairman for the Republican party in Bailey County.

Billy Hardage, son of the Lacy Hardages, a '61 graduate of Lazbuddie High School, has signed a three-in-one enrollment

letter with Hardin-Simmons University, Abilene. Hardage is 6 ft., 1/2 in., 175 lb. All-Star full-back and won State Class B in track in 440-yard dash, and 440-relay. Hardage will participate in both football and track in college.

Judy Jones from Slaton, is a guest in the Raymond Houston home this week.

Marie Houston is on vacation

Marie Houston is on vacation in Peorio, Ill. She will return the last of the week, accompanied by Mr. and Mrs. Kenneth Henry, who are moving back here from Peoria.

Mr. and Mrs. Demp Foster celebrated their wedding anniversary Saturday, June 10.

Denton Thomas of Clovis, Calif., is teaching a singing school in the Lazbuddie Church of Christ this week. Services are 10 a.m., and 8:30 p.m.

The ladies Bible Class of the Church of Christ has been changed from 2:10 to 3:30 each Tuesday p.m.

The Bible School of the First Baptist Church ended Friday night, with commencement.

Benny Watson visited two days last week with his sister and family, the Preston Cargiles of Lariat.

Mr. and Mrs. C. B. Watkins and Coretta returned Tuesday from several days visit with their son and family, the Sike Watkins of Colby, Kans.

Mr. and Mrs. Kenneth Stone of Lovington, N. M., visited last weekend with Mrs. Stones' parents, the J. B. Wrights. They were on their way to Montana, where Mr. Stone will attend school this summer.

Visiting the E. D. Chitwoods recently were Mrs. Chitwoods' parents, the Myron Grosses from West Hollywood, Fla. They, with the Chitwoods, attended the graduation of their son, William, receiving his BS degree at A. & M.

Mr. and Mrs. Jack Black moved to Portales over the weekend. Mr. and Mrs. Black plan to attend school at ENMU this summer.

Mr. and Mrs. Raymond Treider of Lazbuddie, accompanied by Mr. and Mrs. Charles Vaughn and Bruce of El Paso, enjoyed several days visit in California, going to Sequoia and Yosemite Parks, to San Francisco, and then to Santa Barbara to visit the Treiders' daughter, Mrs. Willie Kaiser.

Mr. and Mrs. J. E. Williams visited Littlefield Sunday and picked up Mrs. Vallie Williams and then to Tahoka, to visit friends and relatives there.

A welcome party was given Sunday in honor of the Williams' niece and family, the Neil Clarks, from Phoenix, Ariz., in the home of the J. A. Pebbworth.

Mr. and Mrs. Elwin Haskins of Lubbock enjoyed several days vacation in his parents home, the George Haskins, last week. This week little Jerry Don Haskins, from Muleshoe, is visiting his grandparents, the George Haskins.

Mr. and Mrs. Jack Smith, Katherine, and Beverley, and Mrs. M. M. McCurdy shopped in Amarillo Wednesday and visited Mr. Smith's sister, Mrs. W. E. Pugh.

Mrs. Roy Farley and children, LeAnn, Susan, and Scotty, returned Sunday from a visit in

Lone Star Agriculture

JULY: A GOOD TIME TO ENJOY THE GOLDEN GOODNESS OF TEXAS EGGS

July is "Golden Goodness" month in Texas—a time to appreciate, buy and enjoy the natural "Golden Goodness" of Texas High Quality Eggs.

A more appropriate observance of a farm product of our state would be hard to find, because the Texas egg industry has made phenomenal strides in the last few years. And the best testimonial to this advance in production, care and quality is the glow of goodness in healthful golden-yolked Texas eggs. Texans will be seeing and hearing a lot about the splendid nutritional value of high-quality Texas eggs—an important fact too often taken for granted.

The Texas Egg Council, which deserves much credit for its efforts today, in cooperating with other related industries to tell this story in a big way.

COOL SATISFACTION FOR SUMMER MEALS

The "Golden Goodness" message will be everywhere—on billboards, in grocery stores, even on the apron pockets of pretty Texas misses who will hand out samples of delectable hard-cooked eggs in parts of the state.

The hard-cooked egg (put cool eggs into warm water, lift with spoon into boiling water, reduce heat and simmer 20 minutes, cool eggs promptly in cold water) is a wonderfully satisfying food, especially during light-eating summer days. The Morton Salt Company believes this too, as evidenced by their part in "Golden Goodness" month when thousands of specially-designed salt-and-egg posters reading "Pep-up Summer Meals—Enjoy the Golden Goodness of Texas High Quality Eggs" will be seen in stores throughout the state.

Texas eggs are always good, and "Golden Goodness" month is the right time to celebrate—by taking home an extra dozen or two high quality Texas eggs.

Attends Meeting Of Chiropractors

Dr. Brooks Green of Muleshoe returned home this week after attending the 46th annual convention, attended by more than 500 chiropractors from all parts of the state, was a refresher and post-graduate course that enabled practitioners to learn the latest developments that research has produced in the field of healing.

Greenwood, Ark., where they visited relatives and friends.

Cynthia Harvey, daughter of the James Harveys, returned Sunday from a two weeks stay with her grandparents, the H. A. Harveys of Plainview.

The West Plains Garden Club met June 9 in the home of Mrs. J. A. Young.

The meeting was called to order and the roll call was answered with a report on clean-up and plant week.

The social for next meeting was discussed and planned.

The program on Leaf Analysis was given by Mrs. R. L. Foester.

Those present were Mrs. F. A. Grimsley, Mrs. R. L. Foester, Mrs. J. M. Pruitt, Mrs. Henry Bass, Mrs. J. A. Young, Mrs. Roy Farley, and one visitor and former member, Mrs. E. C. Seifert.

The next meeting will be at Oklahoma Lane community center.

Parmer Co. Farm Bureau News

We are all prayerfully concerned for the welfare of Mary Ann Stacy who was our last Farmer County Farm Bureau Queen in 1958. Reports are encouraging, and we look forward to her being back home in good health within as short a time as possible.

Mr. Farmer, whether you are a Farm Bureau member, a member of another farm organization, or a member of no organization, here is a subject of vital importance to you: There is a bill, S. 1945 which will be under consideration in Washington soon. It is a bill amending the present provisions of public law 78 which has been passed by the House for a two year extension with the urgent insistence of Farm Bureau.

Those who opposed extension of the Bracero law have almost unanimously blamed Farm Bureau for its passage. Now that the Senate is considering the extension, it is important that the above mentioned amendment not be allowed to attach itself to Public Law 78.

Here are some of the things it would do: 1. Limit the number of Mexican Nationals to be employed by any one employer. 2. Require employers of Mexican Nationals to provide written contracts, work guarantees, subsistence payments, free housing and transportation (or monetary allowance therefore) and workmen's compensation to the domestic workers they employ.

3. Mexican Nationals could be employed only for "temporary or seasonal occupations".

4. Mexican Nationals could not be employed in the "operation of power driven machinery".

5. Wages to Mexican workers on any farm (and therefore to

domestic workers as well) would be required to be increased each year by the lesser of: a. 10 cents an hour. b. by an amount to bring the wage paid to the average farm wage in the state. c. by an amount to bring the wage paid to the national farm average wage.

We have, of necessity, abbreviated the points in the proposed amendment. We have for your inspection more detail on the proposed change in the office. It is urgently necessary that many farmers write their senators opposing the above amendment.

There is another bill called "Farm Stabilization Act of 1961" that needs your immediate at-

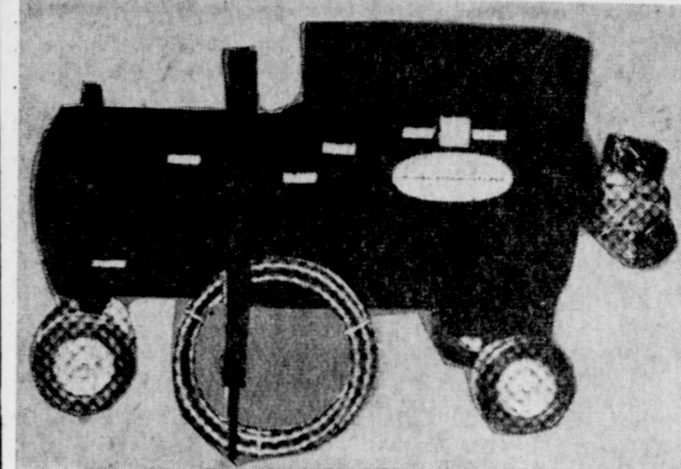

tention and written opposition. It is actually a farm labor bill that would completely regulate your hiring and paying of farm labor. It is Senate Bill 1129 by Senator Williams of New Jersey and House Resolution 5290 by Congressman Selenko of New York. It is a very one-sided proposal because the farmer would have to accept major responsibilities for the benefit of the laborer, such as guaranteeing not less than 160 hours of work for each four week period at "prevailing hourly wage rate" for similar work in the area, while there would be no enforceable responsibility on the part of the laborer.

The program is referred to a voluntary, but as we see it, is about as voluntary as your decision as to whether or not to pay your income tax. We hope to see individual farmer taking an active interest in these laws being proposed. Please come in and read some of the details and see if you care spare a minute or two to write your Congressman and Senators.

CONSIDER THIS: He that bleareth his friend with a loud voice, rising early in the morning, it shall be counted a curse to him. Prov. 27:14.

LEGAL NOTICE
THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas—

GREETING:
You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Bailey County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: CURTIS QUINN, Defendant,

dant, Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable 15th District Court of Bailey County at the Court-house thereof, in Muleshoe, Texas, by filing a written answer at or before 10 o'clock A.M., of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 17th day of July A.D., 1961, to Plaintiff's Petition filed in said court, on the 24th day of October, A.D., 1960, in this cause numbered 2399 on the docket of said court and styled Dorothy Nell Quinn, Plaintiff, vs. Curtis Quinn, Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

SUIT FOR DIVORCE
as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Muleshoe, Texas, this the 29th day of May A. D., 1961.

ATTEST:
Hazel Gilbreath, Clerk,
District Court
Bailey County, Texas

By Nelda Merritt, Deputy
(SEAL) 22-4tc.

of said Clifton W. Countryman, to-wit:
Vol. 25, Patent No. 162, Abstract No. 356, date May 25, 1891, and further described as the South 184½ acres of Tract Number Twelve (12), League Number One Hundred Eighty-seven (187), Swisher County School Lands, in Bailey County, Texas, lying about eleven (11) miles South of Muleshoe, Texas, and generally known as Countryman land,

and on the 1st day of August, 1961, being the first Tuesday of said month, between the hours of 10 o'clock a.m. and 4 o'clock p.m. on said day, at the court-house door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Clifton W. Countryman in and to said undivided one-half (½) interest in and to said property in satisfaction of said judgment in the sum of \$4,528.24, with interest thereon at the rate of 8 per cent. per annum from the date of the rendition of said judgment until paid; and the further sum of \$24.15 costs of suit and the further costs of executing this writ.

Dated at Muleshoe, Texas, this the 9th day of June, 1961.
DEE CLEMENTS
Sheriff of
Bailey County, Texas. 24-3tc

THE STATE OF TEXAS:
COUNTY OF BAILEY:

NOTICE OF EXECUTION SALE

By virtue of an execution issued out of the District Court of Tarrant County, Texas, on a judgment rendered in the District Court of Tarrant County, Texas, for the 96th Judicial District, on the 8th day of December, 1960, in favor of The Penn Mutual Life Insurance Company and against the said Clifton W. Countryman, in the case of The Penn Mutual Life Insurance Company against Clifton W. Countryman, No. 17883-C in such court, I did on the 9th day of June, 1961, at 10:00 o'clock a.m. levy upon an undivided one-half (½) interest in the following described tract and parcel of land situate in the County of Bailey, State of Texas, as the property

Lt. Billy Wiseman Completes Course
FORT SAM HOUSTON, TEX.—Second Lt. Billy R. Wiseman, 24, son of Mrs. Archie C. Wiseman, Sudan, completed the eight-week officer orientation course at Brooke Army Medical Center, Fort Sam Houston, June 2.

The course is designed to familiarize newly-commissioned officers with the duties and responsibilities of a Medical Corps officer. During the course, he received instruction in the treatment of battle injuries, supply, administration and preventive medicine techniques used to detect health hazards.

Lt. Wiseman was graduated from Sudan High School in 1955, Texas Tech College in 1959 and from Kansas State University in Manhattan his year.

He is a member of Alpha Zeta, Gamma Sigma Delta, Sigma Xi and Phi Kappa Phi fraternities.

Maple News

by Mrs. Oran Reaves

Guests in the Guy Smyer home over the weekend was her nephew and family, Mr. and Mrs. Henry Fulkerson and Gerald of Fullerton, California.

Mr. and Mrs. Allen of Crosbyton visited in the home of their daughter, Mr. and Mrs. Albert

Mr. and Mrs. Foy Lewis and children visited in the home of his aunt, Mr. and Mrs. W. T. Eubanks of Muleshoe Sunday afternoon.

We wish to express our sympathy to the Marvin Holt and Carl Pollard families in the death of their father, Mr. Holt who passed away Sunday night.

Miss Karen Eubanks of Lubbock spent the week end in the

Mr. and Mrs. Roberson and children of Wichita Falls visited in the homes of her parents, Mr. and Mrs. John Tyson and her sister, Mr. and Mrs. R. L. Davis the first part of last week.

Mrs. Cass Stegall underwent surgery in Lubbock Thursday. She is doing as well as can be expected at this time. Mr. and Mrs. Gaddy of Portales, New Mexico, are staying with the Stegall children while Mrs. Stegall is in the hospital. Mr. and Mrs. Gaddy are the parents of Mrs. Stegall.

Covie and Dargen Wall are spending this week in Portales, New Mexico, with their grandparents, Mr. and Mrs. M. O. Wall.

Mr. and Mrs. Oran Reaves and children visited Mr. and Mrs. Jessie Stancell of West Camp, Monday afternoon.

Mr. and Mrs. Lawrence Taylor visited in Morton Sunday afternoon with her parents Mr. and Mrs. Henry Chessir.

Mr. and Mrs. R. L. Davis spent Saturday night with his mother, Mrs. Davis, who is in the Hale Center Hospital. Mrs. Davis seems to be much improved at this time.

Mr. and Mrs. C. L. Taylor visited his sister, Mrs. W. C. Galven of Portales, New Mexico, in the hospital at Morton, Sunday afternoon. Mrs. Galven lived in this community for several years before moving to Portales in January.

Mr. and Mrs. Vurlems Wall visited his parents, Mr. and Mrs. M. O. Wall of Portales, N. M., Saturday.

Mr. and Mrs. Albert Smyer were shopping in Lubbock one day last week.

Progress News

Baptist Church News
Rev. Earl Hord will be leaving Sunday for College Station for a weeks conference on Rural Church.

Cooper Young will bring the evening message Sunday night in the absence of the pastor. Cooper is the son of Mr. and Mrs. J. B. Young. He is a young servant of the Lord and needs each of you to come out and give him your support.

Larry Nigh and Clay Mick will have charge of the Wednesday night services while their pastor is away. Be present Wednesday night and give them a helping hand.

W. M. U. Meeting
Tuesday at 3:30 the ladies met for Bible study. These studies are always good, and deserves the attendance of all ladies of the church.

Wedding Vows
Miss Jeanne Gray and Mr. Jessie Williams were married Saturday at 5 o'clock in the Progress Methodist Church by the Rev. Tommie Gleason. Mrs. Williams is the daughter of Mr. and Mrs. Cleburn Gray and Jessie is the son of Mr. and Mrs. Virgil Williams of Muleshoe.

Mrs. Sam Blackwell visited Monday with Mr. Blackwell's parents and sister in Littlefield.

Mr. and Mrs. Hillis Duncan and daughter of Big Spring visited this past weekend with his parents, Mr. and Mrs. W. E. Duncan.

Mr. and Mrs. W. H. Kennedy of Grady, N. M., visited

recently with Mr. and Mrs. Whitt Barber and family.

Extended Sympathy
Mr. Waters of Whitharrel is visiting his daughter and family, Mr. and Mrs. A. R. Hill and Raymond.

We wish to take this means of extending sympathy to Mr. and Mrs. Joe Wheeler in their loss of their little son, Jesse Joe. He was one week old. Burial was in the Muleshoe Cemetery with Rev. Earl Hord officiating at the graveside services.

BULA NEWS BRIEFS

Mrs. D. T. Johnson of Littlefield, Rt. 1, was hostess Tuesday afternoon at 2:30 to the Bula WSCS Circle. Mrs. Johnson was a member of the Circle until about three months ago. Fourteen ladies and two visitors were present.

This being their regular meeting day and also time for the installation of officers.

Mrs. Jimmy Cannon had charge of the lesson, and also acted as installation officer. Lesson topic entitled "Homes for the Homeless". Other ladies assisting Mrs. Cannon with the lesson were Mrs. George Bahlman, Mrs. L. H. Medlin, Mrs. W. B. Gage, and Mrs. Paul Young. Giving the devotional were Mrs. F. L. Simmons and Mrs. B. L. Blackman.

After the program and installation of officers, names for secret pals for another year were drawn, and also secret pals for the past year were revealed.

The hostess, Mrs. Johnson, served refreshments of Ritz cracker sandwiches, cookies, olives, potato chips, and punch to the group.

Attending were Mrs. Roy Young, Mrs. Paul Young, Mrs. Jimmy Cannon, Mrs. L. H. Medlin, Mrs. W. B. Gage, Mrs. B. L. Blackman, Mrs. F. L. Simmons, Mrs. C. K. Holt,

Mrs. George Bahlman, Mrs. W. L. Clawson, Mrs. W. E. McQueen, Mrs. C. L. Cox, and visitors, Mrs. Raymond Lancaster and daughter, Gale.

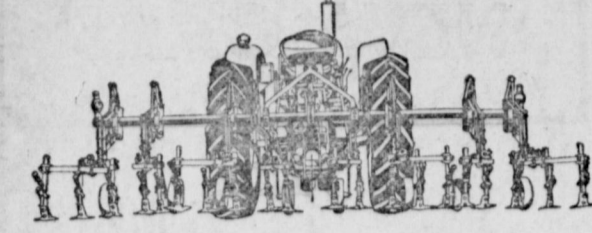

1st. Lt. Allan Corder, stationed at the Air Force Base in Ft. Worth, spent two days of last week with his grandmother, Mrs. Lula Harlen. John Allen is the son of Mr. and Mrs. James Corder, of Albany, Ore.

The new Methodist minister, the Rev. Jack Thompson of Lamesa, had a good attendance Sunday at both services for his first sermons with the Bula congregation.

The Rev. W. E. McQueen former pastor, moved Thursday of last week to Tell, Texas, where he will be the pastor of the Methodist church there.

Three Way News

Hail damaged crops Thursday at Maple and Goodland. From 1/2 inch to 1.75 inch rain fell in the same vicinity Sunday. Jack Ferguson's field just over the state line in N. M. near Causey was damaged by hail Sunday. The north side of the Three Way Community has received only a trace of rain in the past three weeks.

Mrs. Cass Stegall underwent major surgery at West Texas Hospital in Lubbock Friday.

Mr. and Mrs. Frank Griffith visited relatives at Shallowater Saturday.

Guests in the home of Mrs. Carrie Huff Sunday were Mr. and Mrs. Leon Huff and Mr. and Mrs. Roy Kelly and boys of Toyko, Texas.

Mrs. Thurl Lemmons and Mrs. Adolph Wittner went to Lubbock, Tuesday to be with the Amos Sedgwick family while their daughter, Joyce, underwent surgery on her ear. The Sedgwicks formerly lived at Goodland.

Mr. Holt, the father of Marvin Holt and Mrs. Carl Pollard, died Sunday after a long illness. The funeral will be in Muleshoe and burial in the Morton cemetery.

The Doss Terrell family and J. L. Lemons spent the weekend at Alamogordo Lake.

Mrs. Earl Bowers and girls returned home Friday from a visit with relatives in Wisconsin.

Mrs. Jack Ferguson and children returned home Friday from Leonard, Texas, where they had been visiting Mrs. Ferguson's parents.

Guests in the Frank Griffith home Sunday were Mr. and Mrs. J. L. Bateas and girls of Farwell, Mr. and Mrs. Kenneth Paul of Postales and Mr. and Mrs. S. L. Yound of Plainview.

Mr. and Mrs. Buck Ragsdale

R. C. says your looks are important to you where ever you are... Have It Improved At Keltons Barber Shop 215 E. Ave B.

went to Canyon, Texas, Monday. The Hicks Chapel Baptist Young people were entertained with a hay ride and weiner roast Friday evening. W.S.C.S. of the Three Way Methodist Church met Monday morning for a program, "Home For The Homeless". Those on the program were Mesdames: John Tyson, Leon Reeves, Cecil Cole, and Rayford Masten.

"Christ For West Africa" was the Royal Service program given Monday afternoon at the Three Way Baptist Church when the W. M. U. met. Attending were Mesdames: Gene Kenley, D. P. Brinker, Andrew Wittner, Byron Hardgrove, Morris Gant, Jack Lue and one visitor, Mrs. Manning of Idalou.

PLEASANT VALLEY

The Pleasant Valley 4-H Club met Wednesday, June 7, in the community center. The meeting was called to order by Carolyn Allison in the absence of our president and vice president. Lynn Pitts led the pledge. The minutes of the last meeting and roll call were read by the secretary Patsy Angeley. Members were reminded of important 4-H days to remember. Patsy Angeley and Carolyn Allison gave a safety demonstration on how to spend a safe 4th of July. There will be another safety demonstration at the next meeting. 4-H cooking girls were reminded that they will have cooking next Wednesday, June 14 in the home of Mrs. Oscar Allison at 9:30 a.m. The girls should have their Favorite Foods table setting at this meeting. The Favorite Foods Show will be given Thursday, June 15, at 4:00 p.m. for the Home Demonstration Club.

Refreshments were served by Kenny Kendrick and Ricky Stevens.

Sheryl Stevens and Veta Allison left from Lubbock, June 6 by chartered bus to attend the annual State 4-H Roundup at A. & M. College. On June 7 they represented the Lubbock District by giving a dairy foods cheese sandwich, which they titled "A Snappy Snack". While at the roundup they bowled, went to a chuckwagon supper and did many other interesting things. They returned home June 8. They felt this was a very interesting and informative trip and they had a lot of fun.

Mr. and Mrs. Harold Allison, Veta and Carolyn Allison and Mr. and Mrs. W. A. Hardin, Donna and Sandra attended the wedding of Kylene Hodges in Hereford, Sunday afternoon. Kylene is the daughter of Mr. and Mrs. Norman Hodges former residents of Pleasant Valley.

Expertly designed for outdoor living is this handsome Arrow sportshirt of Sanitized cotton. Noteworthy details are the cuffed sleeves, patch pockets and permanent collar stays.

Cropping System Good Practice

A conservation cropping system is the growing of crops in combination with essential cultural and management measures. Cropping systems may include the use of grasses and legumes in the rotation for soil improvement or the proper sequence of management and cultural practices which will provide the desired benefits resulting from the use of grasses or legumes. Crops such as cotton or sesame deplete the soil of organic matter and humus. When soil is depleted of organic matter and humus it becomes subject to severe losses by erosion. To prevent this condition it is necessary to rotate the acreages planted to such soil depleting crops with crops such as grain sorghums which produce large amounts of residues. These large amounts of residues protect the soil and replace the organic matter. Crops also need systematic rotation to help in the control of weeds, insects and diseases. The rotation must also provide an economic return to the farmer. Our soil is one of our most valuable natural resources and must be treated with care if it is to continue to support our growing population. A conservation cropping system is an absolute necessity in meeting the needs of the land and maintaining its fertility and condition.

MRS. WIMBERLEY TO UNDERGO SURGERY Mrs. J. A. Wimberley is scheduled to undergo surgery Thursday morning in the Methodist Hospital at Lubbock.

LOCAL BUSINESS

By CAL SNYDER Denver City Press A retailer who handles a variety of products can waste advertising and promotion funds unless he realizes that each product should be treated differently in advertising.

A few words constantly repeated may help to implant the name of a beverage in the consumer's mind. Such advertising could cause the consumer to make an unconscious decision in favor of a particular product.

However, when a more important purchase is made, impulse is not enough to effect a sale. The consumer uses his conscious mind before he spends a significant amount of money.

For this reason printed media became more important to the advertiser as the product value increases.

Albert Lasker, famed advertising genius, put it this way, "Nobody will read a thousand words about a box of matches, but for an automobile 1,000 words might not be enough."

There are only a few ways in which a 1,000 words or even 500 words may be presented to a consumer in a manner in which it may be digested and studied.

Not even the salesman in a store can do the job completely. The man is likely to pass over important points. The prospect is even less likely to hear or remember all the salesman has to say.

Thus, for competitive selling as well as pre-selling, of any product which requires a consumer decision the local newspaper is the most adequate sales tool.

NEW 1961 FORD PICKUPS and TRUCKS

BIG STOCK MORE COMING V-8's and 6's With Short and Long Wheel Base

The month of May was the biggest for Ford Car Sales in 32 years - Since the heyday of the hot model "A" in 1929. More than 143,000 Ford cars were sold.

This means that every six second of every eight-hour day, someone bought another Ford, Falcon, Thunderbird, or Ford Wagon.

WHY? Perhaps those 143,000 Americans found out something you should know. They did all the shopping, Dealer by Dealer; They made all the comparisons, Car by Car. But They Bought Fords! WHY?

Sooner or later you'll get a new car. When you do, try your Ford Dealer First - He will give you an absolute yardstick of value in every price range from a tudor Falcon to a Thunderbird Convertible.

Here's what to look for. In the Galaxie price range, Don't settle for less than a car that's beautifully built to take care of itself... That goes 30,000 miles between chassis lubrications... 4,000 miles between oil changes... Whose brakes adjust themselves automatically... Whose muffler is built to last three times as long as ordinary ones... Whose body is specially treated to resist rust and corrosion... Whose finish never needs waxing.

If you want record economy look to the Falcon... This is the absolute run-away best seller of all compact cars... with the gas mileage record of 32.6 miles per gallon, proven by an expert driver in a Falcon with standard shift, under the cross-country test conditions of this year's Mobilgas economy run.

Or combine economy with a touch of the Thunderbird, in the elegant new Falcon futura... Bucket seats and all.

Take a look at the twelve Ford Wagons, every one is designed and built to give you more solid room-per-dollar, Power-per-dollar or Style-per-dollar value than other wagons. See them all - from the crisp smartness of the Falcon Wagon, All the way up to the inimitable Ford Country Square.

For pure pleasure, See the sensational new Thunderbird for 1961, unique in all the world - A car that becomes more desirable each month as the imitations come out. As other cars copy its famous roofline, its four-seat interior, its console - Yet Miss the secret of the Thunderbird spirit.

The thing that sells Fords is simply the product - It starts when you take a close look at features other cars are only dreaming about. It gets convincing when you see and feel the honest quality of its craftsmanship - And it's all over when you learn the price.

Those Thousands of Americans who bought a Glittering new Ford every six seconds in May really did know something you should know - That now is the time to stop in, swap, and save plenty at your Ford Dealer's Swapping Bee.

See Texas First

BUFFALO CLOVER FESTIVAL

Buffalo Clover is what the old settlers called it. Now it's known as the state flower of Texas.

Most likely you prefer the modern name of this beautiful lupine plant for it does look more like what it is now called . . . the bluebonnet.

You haven't seen much of Texas either if you haven't seen the fields of sky-blue bluebonnets.

Every April the town of Marlin in Central Texas (Falls County) holds a "Bluebonnet Festi-

val". Beautiful models are provided to pose for the amateur photographers who travel from all over the nation to see the festival and to compete in the annual photo contest.

SIDE-WHEELERS AT JEFFERSON

Old side-wheeler boats used to churn up from New Orleans to Jefferson, Texas, in the northeast part of the state.

In 1874 a natural barrier in the Red River was removed. This resulted in a lowering of the water level seven feet in Cypress Bayou, thus making it un-navigable for boat transportation.

This ended Jefferson's stand-

ing as the principal river port and gate-of-entry to Texas.

RICHMOND HONORS FIGHTING SECRETARY

An impressive statue of Mirabeau Buonaparte Lamar, valiant military hero and acclaimed Father of Education in Texas, stands in Richmond, Texas, southwest of Houston.

Lamar served as Secretary of War and was the commander of the cavalry at the Battle of San Jacinto.

He was well known for his service both as President and Vice-President of the Republic of Texas and was instrumental in securing a public endowment for Texas schools.

WEATHERFORD WALLS BULLET SCARED

A double log cabin stands at Holland's Lake just a few miles east of Weatherford, Texas, west of Fort Worth.

Its east room is where George McCleskey was killed by Indians in 1873. This room still contains its bullet-scarred walls.

The cabin was a popular spot for old settlers reunions. Now it is a monument to the pioneers of Parker County.

NACOGDOCHES WAS BATTLEGROUND

You could write a book about the battles that were fought for Nacogdoches. Also one about the armies and expeditions that captured this East Texas town.

Two expeditions bent on freeing this land from the Spanish were those of Magee-Gutierrez and Dr. James Long. Both were ill-fated excursions.

As a reminder of this stormy history, one of the oldest of the many historic homes still in Nacogdoches today is that of Adolphus Sterne, the Alcalde at the city when it was under Spanish rule.

Sam Houston once lived in this same house.

ONLY ALTO SITE REMAINS

Texas expelled the Neches Indians from the state in 1839.

The site of one of their old villages is just five miles southwest of Alto, in Cherokee County, in the central portion of East

Texas, near Rusk.

This village was active in the lives of the Neches at the beginning of the 18th Century.

The Neches River was named for these Indians, as was a nearby mission established by the Cherokee Indians, the Mission San Francisco de los Neches.

HOT BRINGS COLD

Hot water heaters are used to cool water in Smiley, Texas.

Sounds outlandish to say the least, doesn't it?

This happy sounding town in Gonzales County, in the central part of South Texas, has a powerful artesian well that pours forth its own hot water.

The town of Smiley pipes this hot water right into the homes. These fortunate Texans have all

the hot water they need. But the residents use hot water tanks, not connected for heating purposes, to store the water long enough for it to cool for drinking purposes.

So, when in Smiley, remember to turn on the hot water faucet for a cold shower.

HIGH AND MIGHTY

Naturally it's taller The Texas State Capitol at Austin is taller than any other state Capitol and reaches higher into the atmosphere than the capitol building in Washington, D. C.

Next time you're in Austin, be sure and make a trip through this majestic domed granite capitol. You'll notice something different on every visit.

Take a look at the door hing-

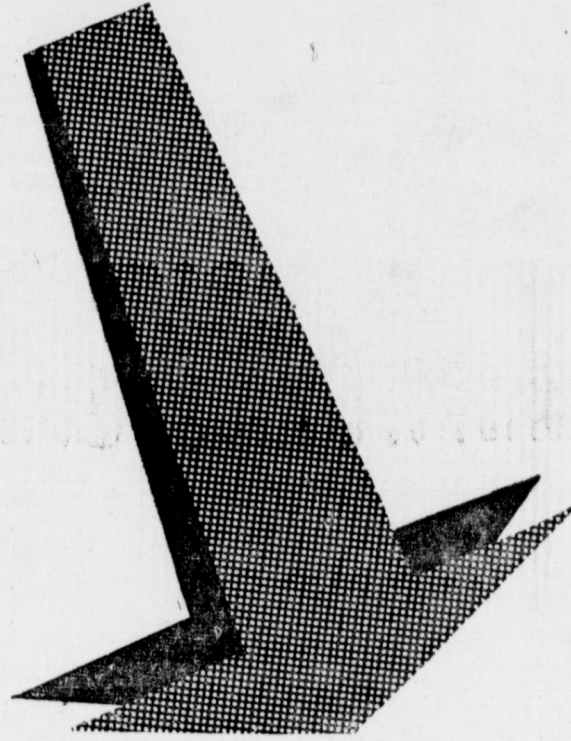

es, for example, and the interior flooring. They were made especially for this building, but ten are overlooked by many of the visitors to this great capitol.

Austin is quite a recreation center too; so you'd better plan for a long stay at this Central Texas beauty spot.

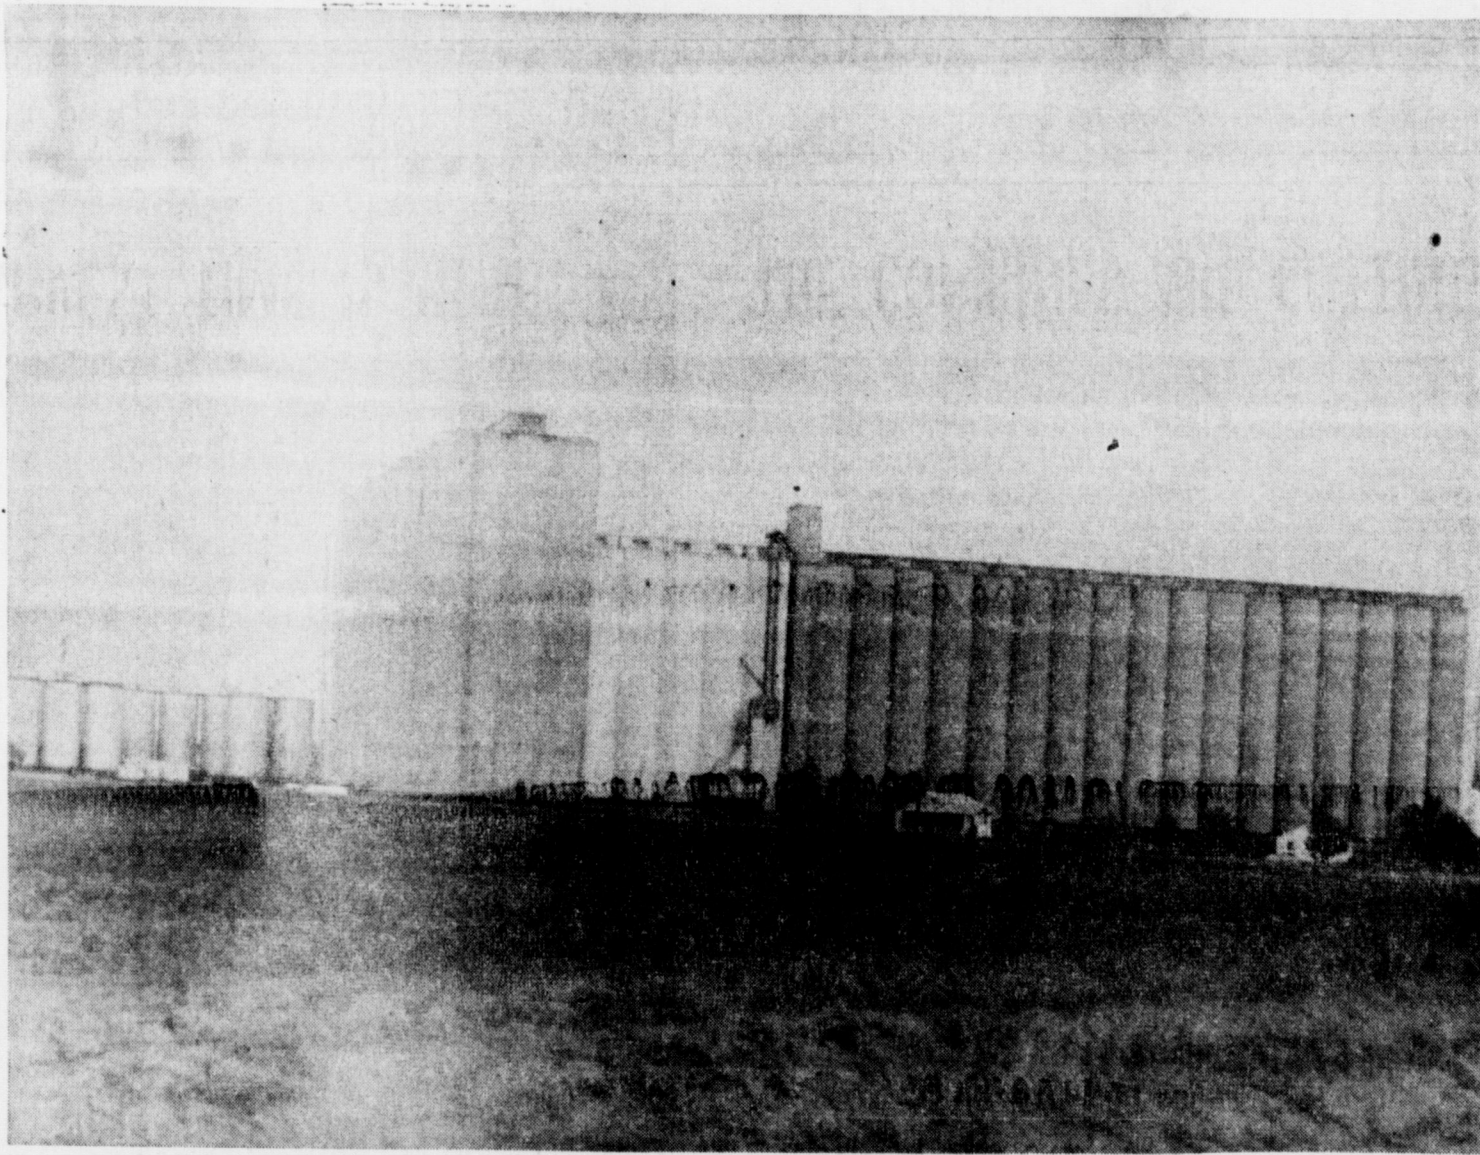

CADETS TAKE TRAINING

LUBBOCK — Thirty-three Force ROTC cadets from Texas Tech will report for a month summer training at Air Force bases in Texas and California June and July.

Two Muleshoe boys are among those reporting. They are James C. Browder and Tom L. Laney.
