ANNUAL LYNTEGAR PICNIC - Lyntegar Electric Cooperative Inc. held its annual meeting of members and barbecue at the Tahoka football stadium Tuesday night with 3,032 persons served. Shown here is part of the crowd enjoying the festivities.

Lyntegar Annual Meeting, Barbecue Held Tuesday

Lyntegar Electric Cooperative, Inc. had its annual barbecue and meeting of members at the Tahoka High School football field Tuesday night, with a total of 3,032 people present for the event.

Two incumbents were re-elected as directors of the cooperative, with Earl J. Brown, Jr. re-elected to District 2 and Marlin Hawthorne re-elected to District 5.

The annual report to members indicated that total revenue for the calendar year 1993 was \$26,686,621, total expenses were \$24,871,557 and operating margins for the year totaled \$1,815,064.

This year, the cooperative issued \$489,765.52 in capital credit refunds, bringing the total capital credit refunds to members to \$12,069,409.36.

Grasshoppers Are Threat To Crops

Grasshoppers! That's the newest threat to Lynn County's 1942 crops. Millions of them are reported to be hatching out. Many farmers are already poisoning, and many more will start next week ...

A mixing station [for the poison] has been established in the Cade building on the south side of the square, where the poison is being mixed with bran, or bran and sawdust, or bran and hulls, and water ...

[County Agent Don] Turner says the hopper infestation is worst in the northeast quarter of the county and around Dixie and New Home. However they are bad in other portions. Just what effect they will have on the crop is not known. In places, they have already wiped out or badly damaged crops that are up.

Interesting Letter:

From Mingus, Texas, July 5, 1909
To Editor News, Tahoka, Texas

About half past nine last Friday morning we left Tahoka in car no. 22 Jim Elliott driver for Snyder to catch the train for a trip down East. On the car besides myself were Misses Minnie and Effie Proffer and Miss Eddie Dellis. Everything went very smoothly until we got below the Cap Rock and then we "had a time" - the first incident that occurred we ran on to a grub and broke the chain and it wound up around the front sprocket and made considerable racket striking the pan underneath, and Misses Eddie and Effie did not know that autos had doors for they went out over the top of them. I might have gone too, but there was a trunk tied on my side of the car and it had me barred in. After getting the chain fixed, we started on our way, rejoicing. But lo! Our rejoicing did not last long - after going about three miles, there had been a regular down-pour of rain and we bogged down, all of we girls had to wade out, and Jim had to dig out with a spade. Well with several bog downs and wade outs and walk arounds we arrived in Snyder in time for supper, but not in time to catch the train!

- Wm. M. Moore

Officers Check Varied Offenses, Clear Some

A collision in Tahoka which injured two persons, cases of criminal mischief, arson, a stabbing and thefts were among incidents investigated by law enforcement officers in Lynn County during the last week. In addition, sheriff's officers reported clearing up five thefts from tractors, another theft and a welding shop burglary with the arrest of four juveniles from O'Donnell during the week.

Owner of the welding shop was listed as Joe McCallico; the owner of welding equipment stolen from a trailer north of O'Donnell is James Williams.

In the 1100-block of Ave. J Sunday a 1994 Ford Ranger pickup driven by Gregory Doyle Smith, 17, of Tahoka, and a 1972 Pontiac LeMans driven by Rosita Maria Lee, 34, also of Tahoka, collided.

Smith remained hospitalized early this week for treatment of a possible neck injury, and the driver of the Pontiac reportedly was released after treatment for a broken leg. Two passengers in the Pontiac and one in the Ford were taken to the hospital by private vehicles and checked for possible injuries.

A 26-year-old O'Donnell man reportedly threw a tire jack through the back window of a 1982 Chevrolet owned by a 31-year-old O'Donnell man, who retaliated by throwing rocks through the back window of a 1982 Subaru occupied by the 26-year-old. No charges had been filed in the Friday night incident.

An alternator valued at \$180 and

tail light lenses were reported stolen off a 1981 Dodge Ram pickup early Friday near O'Donnell. Owner of the vehicle is Frank Pugh of O'Donnell.

Another O'Donnell resident, Lupe Ramirez, reported a pipe threader, breaker box and pipe wrench puller, total value \$155, stolen from his residence on Old Rodeo Road July 30.

Fabian Villanueva of O'Donnell reported that someone had set his 1984 Buick on fire, damaging the car and the garage July 31. An O'Donnell woman also complained that clothing on a line at her home had been set on fire, with an estimated \$50 loss around 3:30 a.m. July 31.

A 57-year-old woman was treated for a stab wound in the throat following a family altercation north of Tahoka Sunday. Several persons were involved; no charges had been filed as of Wednesday morning.

In Lynn County jail during the last week was one person arrested on warrants of speeding and no insurance from Callahan County, speeding and failure to appear from Parker County, and speeding and failure to display drivers license from Ector County. Three others also were jailed, one for application to revoke probation on charges of aggravated assault, one for driving while intoxicated third offense plus evading arrest, resisting arrest and no liability insurance, and one for application to revoke probation on charges of theft over \$750 and under \$20,000.

Wilson Walking Track To Be Paved August 17

Paving of the walking track in the Wilson City Park has been set for Aug. 17. Watch for details from the Wilson Chamber of Commerce on the grand opening of the track.

Membership to the Wilson Chamber of Commerce was brought up at the regular monthly meeting and the group wanted to remind people that at this time there are no membership dues. The requirement for membership is to attend meetings and participate in any projects to better the community.

Election of officers was held with Carolyn Klaus elected president, Lynda Williams, vice-president; and Sharon Isham, secretary/treasurer.

The annual Fall Festival has been set for Oct. 29. Chairman of the planning committee is Bob Williams with committee members being Donald Klaus and Lynda Williams. Anyone wishing to participate with any type booth at the festival should contact one of the committee people.

Park clean-up has been set for Saturday, Aug. 13, to encourage a united effort with another clean up at the school. There will be a list posted of things needing to be accomplished and all citizens are encouraged to go down to the park any time during that day or the night before and mark off the jobs which they complete. Most of the cleaning will be picking up trash and trimming or hoeing weeds.

Adopt a flower bed down by the Green Building. The flower beds beside the Green Building need help. They are currently filled with irises that need to be separated and something more added to the beds to provide more year round color. Any interested groups should contact Carolyn Klaus if they are willing to adopt one of the beds and plant some new seedlings and maintain the bed.

"We are encouraging clubs, church groups, FFA, FHA, 4-H, or interested citizens to take on the project. The group will be responsible for the plantings and then there would be maintenance, including

watering the bed," said one sponsor.

The September meeting has been changed to the second Saturday because of the Labor Day weekend. All those interested in the community are asked to attend the Sept. 10 Wilson Chamber of Commerce meeting.

Tahoka ISD Announces Substitute In-Service

Tahoka ISD In-Service for persons interested in substituting in the Tahoka Elementary school will be held Thursday, Aug. 11 (today) at 3:30 p.m. in the high school library.

In-service for high school substitutes will also be held today at 3:40 p.m. in the library.

For more information contact the school.

TOWN CRIER SAYS IT ALL - The Tahoka Town Crier sign welcomes home Wayne Huffaker, a heart transplant recipient who returned home to Tahoka this week following a five-month stay in a Lubbock hospital and a successful heart transplant operation. (LCN PHOTO)

County To Buy Maintainer

Lynn County Commissioners met Monday to conduct routine business and work on a budget for the upcoming year, and opened bids for a maintainer for Precinct 1, accepting a bid from Caterpillar.

County bills and reports were approved, and commissioners discussed road and map signs for the 9-1-1 rural roads, and approved moving a fax machine to the clerk's office from another county office.

Discussion on the county budget followed, and the court recessed at noon until Tuesday afternoon to continue the budget session.

A googol is the number written as 1 followed by a hundred zeros, or 10¹⁰⁰.

The NEW HOME News
by Karon Durham
924-7448

Rebecca Lisemby Lowry was honored with a bridal shower on Aug. 6 in the home of Georgia Clem. Rebecca and Jeff Lowry were married July 30 in Ruidoso, NM. They live in Plains.

Kary Durham recently won the Lynn-Garza County Talent Find sponsored by the Farm Bureau. She will compete at the District level in the fall. Kary played "Ground" written by Bach on her violin. She will begin her 14th year of violin studies in the fall.

An ice cream fellowship was enjoyed by the Methodist and Baptist churches of New Home on Aug. 3. Ice cream, fellowship, and music were enjoyed by everyone attending.

Anyone interested in working toward their GED should contact Karon Durham at the High School Library after Aug. 19. There is a computer program available for adults to review for the GED exam. "You must be at least 18 years old and dedicated to setting your goals high and working toward them," said Mrs. Durham.

STORK REPORT

Aug. 12: Tahoka Sr. Citizen, 9:30-12 noon; O'Donnell Sr. Citizen, 10-12 noon.
Aug. 14: Tahoka Center, 10-12 noon.
Aug. 18: Baptist Mission O'Donnell, 10-12 noon.

MRS. MICHAEL DORMAN (nee LORI TAYLOR)
Taylor-Dorman Vows Exchanged July 23

Lori Michelle Taylor and Michael Shane Dorman exchanged wedding vows in a double ring ceremony at 7 p.m. on Saturday, July 23, 1994 at the First Baptist Church of Post. The Reverend Kerry Hurst, pastor of the First United Methodist Church of Childress, officiated.

Parents of the bride are Mr. and Mrs. David Nichols of Post, Doug Taylor of Tahoka and Deryn Gordon, step-mother of Lubbock. Grandparents of the bride are Mr. and Mrs. B.R. Taylor of Tahoka; and Mr. and Mrs. Martin Nichols of Post.

Parents of the groom are Michael Dorman of Dallas and the late Anita Dorman. Grandparents of the groom are Mr. and Mrs. Glynn Edwards of Post.

The wedding was performed before a bridal archway decorated with greenery and flowers along with four candelabras and two fresh flower arrangements carrying out the bride's colors of purple, pink, yellow and green. The wedding aisle was entwined with candlelight tulle and ribbon. The pews were accented with pew candelabras.

The bride was given in marriage by her father. She wore a romantic gown of white satin and alencon lace. The bodice featured a sweetheart neckline pof, lantern sleeves and a deep basque waist. The sheath skirt was highlighted with beaded and sequined lace appliques. The back of the dress was accented with a bow and flowed to an ornately decorated cathedral train. To complete her attire, the bride wore a pearl wrapped crown train accented with a silk illusion fingertip veil.

She carried a descending bouquet of yellow lilies, pink tulips, purple daisies, and clusters of hot pink kalonche surrounded by greenery. Jennifer Keim of Spearman served as Matron of Honor. Bridesmaids were Rachel Dunn of Lubbock, Monica Stephens, cousin of the bride, of Tahoka and Megan Bush of San Angelo. They wore Shantung suits of purple, hot pink, yellow and green featuring a sculptured neckline and back with straight tea length skirts made by the mother of the bride, Karen Nichols. They carried bouquets of yellow lilies, pink tulips, purple daisies, and clusters of hot pink kalonches.

Best man was Robbie Gee of Lubbock; Groomsmen were Lee Schoolcraft, Brad Hagood, and Terry Mooney, all of Lubbock.

Tatum Gun of Lamesa was the flower girl. She wore a floral tea length dress accented with white bows on the sleeves. She carried a white basket.

Blake Nichols, brother of the bride, was ring bearer. The ushers were Craig Taylor of Tahoka, brother of the bride, and Matt Taylor of Tahoka, cousin of the bride, of Tahoka.

The bride's aunt, Gilda Taylor, was the pianist and Jennifer Berg played the organ for the ceremony.

Radley Nichols, brother of the bride, sang several musical selections entitled, "I Will Whisper Your Name," "I Never Knew Love," and "I Swear." Nichols and Tonya Harp sang "Always" and "When I Fall in Love."

The guests were registered by Kendra Perez of Post. A reception followed the ceremony at the Chaparral Steak House. The bride's table featured a four-tiered wedding cake with seed pearls and flowers. A fresh flower arrangement completed the table. Punch, nuts and mints were also served.

The groom's table featured a strawberry cake, coffee, tea, nuts, mints, and a fresh flower arrangement.

The food table featured a picture of the bride. White chocolate dipped strawberries, tortilla roll ups, and a meat and cheese tray were also served. Servers were Tyra Hart of Lubbock, Kendra Perez of Post, Paula Payne of Lubbock and Reshea Perez of Post. Completing the house party were Dorothy McCook, Carol McDonald and Martha Baker.

After a wedding trip to the Bahamas, the couple will reside in Lubbock.

The bride will attend South Plains Radiology School in the fall. The groom is employed by GNC in Lubbock.

MRS. SHANNON STEPHENS (nee DEENA LAWSON)

Couple Wed July 16 In Canyon

Deena Lawson of Tahoka and Shannon Stephens of Shallowater were wed Saturday, July 16, 1994 at 7 p.m. in the J.A. Hill Chapel in Canyon. James Burks of Pampa officiated the ceremony.

The bride is the daughter of Karen and James Taylor and Tommy and Judy Lawson, all of Lubbock. The groom is the son of Mr. and Mrs. Steven Wright of Shallowater and John Stephens of Hurst.

The bride, escorted by her father, wore a bridal gown of satin sheath, featuring a pleated and beaded portrait neckline. The bodice was heavily hand-beaded Alencon lace. The skirt featured Alencon lace and a detachable semi-cathedral train with double-pleated bow at the back waist.

The bride carried a cascade of champagne roses, red roses, baby's breath, stephanotis, with accents of pearl sprays, tulle, and statice and dark green ivy with ivory streamers.

Matron of Honor was Carrie Warren of Wellington. She wore a flower print cotton knee length dress with a portrait neckline.

Best man was Dean Wright, brother of the groom, of Shallowater.

Ushers were Doug Lawson, brother of the bride of Temple, and Rusty Lawson, brother of the bride of Lubbock.

Tanner Lawson, cousin of the bride of Lubbock, handed out programs. Candlelighters were Clay

Lawson and Ann Marie Lawson, cousins of the bride of Lubbock. Ann wore a floral print cotton knee length dress with a portrait neckline.

Musical selections included "Ava Maria," "Evergreen," and "Through the Eyes of Love."

The bride had her great-grandmothers' wedding ring attached to her bouquet for something old. Something borrowed and blue was her garter that was made for her matron of honor. Something new was her wedding gown.

A reception was held in the Kappa Alpha Lodge in Canyon. The bride's cake was a four tier ivory cake garnished with fresh greenery, lilies and champagne roses. Serving at the bride's table were Sharla Askew and Sonya Beauchamp.

The groom's cake was a chocolate cake garnished with hot chocolate sauce and fresh strawberries. Lyndi Thomas, cousin of the groom served at the groom's table.

Katie Petersen of Amarillo registered guests.

Following the reception was a dance honoring the bride and groom.

The couple reside in Canyon.

The groom is a graduate of Clarendon College, attends West Texas A&M University and is employed by Lone Star Feedlot. The bride is a graduate of Texas Tech University and is employed by Grandview-Hopkins ISD.

BRENT FOWLER and JENNIFER BINGHAM Couple Announce Engagement

Mr. and Mrs. Kenneth Treadwell of Brownwood and Mr. and Mrs. James Bingham of Tahoka, announce the engagement and approaching marriage of their daughter, Jennifer Bingham, to Brent Fowler. He is the son of Mr. and Mrs. Pete Fowler of Lamesa.

The couple will wed Saturday, Aug. 13, 1994 at the First Baptist Church in Lamesa.

Jennifer is employed as a bookkeeper at Thrifty Nickel in Lubbock. Fowler is employed as Parts Manager at Marine Electric in Lubbock.

After a honeymoon in San Antonio, they will live in Tahoka.

If the students have questions, or schedule changes, they need to come by the high school office between 9 a.m. and 12 noon on Tuesday, Aug. 16. Wilson Jr. High and High School classes begin on Monday, Aug. 22 and are held 8:05 a.m.-3:40 p.m.

The Wilson News

by Buster Abbe • 628-6368

School is just around the corner and all the pre-school activities are in full swing. Last minute repairs and cleanup activities are just about complete in the school. The buses are clean and mostly ready to go and the teachers are busy with their planning for the new year. Football coaches and players are involved with two-a-days and other activities in preparation for football season.

Parents and students are reminded of the new parking and marking on the school parking lot, especially the areas design-

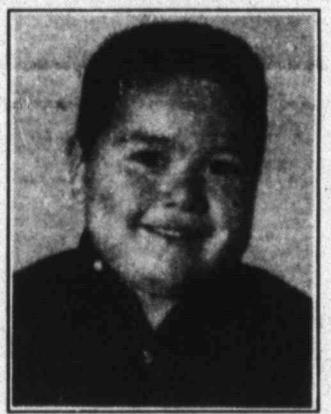

ated for handicapped parking. This applies to the newly paved and marked area just outside the back door of the home-making building.

The Wilson Mustang Booster Club will have their first meeting of the year Aug. 28 at 8 p.m. in the cafeteria. New officers will be elected and upcoming activities and events will be discussed. Sign-ups for concession stand and chain gang duty for the home games will be available. Membership in the Mustang Booster Club is open to anyone interested in supporting Wilson students and their UIL activities. Dues are \$10 per family and \$5 for individuals.

The Booster Club will also sponsor the annual "Meet the Mustangs" night following the Wilson vs. Loop scrimmage on Aug. 26. Light refreshments will be served.

Sunday, Aug. 14 will be the annual BBQ benefit for the Lutheran Home of West Texas. The benefit will be at Luther and Lillian Rose Foerster's barn which is located 5 miles west and 1 1/2 miles south of New Home. Activities begin at 5:30 p.m. and area residents are invited to attend. (See prior columns for more information.)

Happy 35th Birthday!

Love, Mom & Dad

Your HEALTH TIP

Lyme's Disease Prevention

Though Lyme's disease is harder to catch than a cold, it can also be difficult to cure if not caught early. The best cure is prevention. When going into wooded or grassy areas, tuck your shirt in your pants and pants in your socks. Insect repellent with DEET works well to prevent ticks, but you should be cautious about using it on your skin and never use it on children under two. DEET can cause skin and nerve problems. Look for ticks, because they must stay on the body 24-36 hours to transmit infection.

Hospice of Lubbock Seeks Volunteers

Hospice of Lubbock is currently recruiting volunteers for its fall volunteer training to be held in September at Christ Lutheran Church, Indiana Avenue and 78th street in Lubbock.

Hospice of Lubbock is a non-profit agency that provides care and support for the terminally ill and their families during the last phases of a patient's illness. The goal of Hospice of Lubbock is to enable the patient to live as fully and comfortably as possible in their final days, at home in the loving environment of family and friends. Volunteers are a vital part of this care and support.

After completion of the training, which consists of 36 hours of hospice education and bereavement training, volunteers are asked to provide one year of service to the organization. Men and women of all ages are encouraged to become involved. There is a \$20 fee for the classes and scholarships are available. Applications for classes will be taken in August and early September.

Hospice of Lubbock provides care through an interdisciplinary team that includes the patient's physician, hospice medical director, nurses, social workers, chaplains, certified home health aides, trained volunteers and others. The organization serves Crosby, Dawson, Floyd, Garza, Lynn, Terry, Hockley, Lamb, south Hale and Lubbock counties.

Wilson's latest claim to fame is that the "world's champion" skunk roper lives nearby. (Downwind hopefully.) The big stinker said not to list his name, so in honor of that agreement, which was made in the presence of he and his banker brother, his name is omitted.

Wilson elementary students are reminded that Monday, Aug. 22 is the first day of school and that day is also registration day for elementary students. Element-

ary students who are new to the Wilson school system should bring their birth certificate, social security card, and immunization record on the first day of school.

The elementary office will open at 7:30 a.m. on the first day of school to help parents and children get situated.

Students previously enrolled in Wilson Jr. High and High School have received their fall and spring schedules. If

Anyone may refer a patient to Hospice of Lubbock by calling the office at 795-2751. The staff will contact the patient's physician and determine if the patient meets the admission criteria.

To register for classes or for more information about Hospice of Lubbock, contact Mary Ann White at (806) 795-2723 or (800) 658-2648.

New Housing Developments May Hold Abandoned Well Dangers

Open, abandoned water wells are often thought to be a problem associated with rural areas. However, as residential development on the Texas High Plains makes its way onto land formerly used for agriculture, it is extremely important for landowners and developers to inspect their property for these open wells, says sources at High Plains Underground Water Conservation District No. 1.

On July 8th, an abandoned irrigation well was found on property located one block west of Frankford Avenue in Lubbock.

This well was abruptly discovered by a contractor blading the lot to prepare it for construction. When a piece of rusty, crumbling sheet metal was scraped away, an open hole at least 3 feet in diameter and 158 feet deep was uncovered.

The old well was located in the middle of the lot and about 40 feet away from houses on each side. Children live in both of these houses. An elementary school and a church are nearby.

According to High Plains Underground Water Conservation District records, the well was drilled in 1955 and completed with a 16-inch diameter casing. After the well was developed, it produced less water than the driller wanted, was considered to be a "dry hole," and the well was abandoned.

The open well was improperly covered by a piece of sheet metal with dirt mounded over the top of it. Upon later inspection, Water District personnel believed the well had been destroyed because there was no longer any surface evidence suggesting the presence of a well site.

The old well has now been properly destroyed and no longer poses a threat to people, animals, or ground water quality.

Water District records indicate there are many other wells in this vicinity — both destroyed and in current use. This area is also close to farmland still in production. As the city continues to grow into rural areas, more abandoned wells are likely to be found.

State law and Rule 16 of the High Plains Underground Water Conservation District details the conditions under which open or uncovered wells are to be covered:

"Every owner or operator of land within the District upon which is located any open or uncovered well, and shall be, required to close or cap the same permanently with a covering capable of sustaining weight of not less than four hundred (400) pounds, except when said well is in actual use by the owner or operator thereof and no owner or operator shall permit or allow any open or uncovered well to exist in violation of this requirement."

If the well is to be capped temporarily, the District recommends that a cap either be welded or bolted to the casing or that the cap have a permanently attached weighted pipe that extends no less than three feet into the well casing. The weighted pipe should be no more than two inches smaller than the diameter of the well casing to assure that no opening appears when the cap is shifted from side to side.

Well sites can be destroyed by removing the pump base and casing. State law requires that the hole be filled with heavy mud and capped with a layer of cement from 10 feet below land surface to within two feet of the land surface. The site is then to be topped and mounded with soil.

District officials also urge occupants of newly-developed residential areas to watch for wells formerly used with windmills. These "windmill holes," much smaller than a 16-inch diameter irrigation well, are more likely to be found throughout the area since they were the primary water supply for both rural and city residents in earlier years. If not properly covered, these wells can also jeopardize ground water quality.

A brochure discussing the proper closure of open, abandoned irrigation wells is available free of charge to residents within the 15-county Water District service area. Anyone who discovers an aban-

doned well should contact the High Plains Underground Water Conservation District No. 1, 2930 Avenue Q, Lubbock, TX 79405 or call (806) 762-0181. District personnel will make sure that the well is properly covered and the hazard eliminated.

July Weather Was Warmer, Wetter

The weather across the Texas South Plains during the month of July turned out to be warmer than normal with slightly above normal precipitation, according to the National Weather Service, Lubbock office.

Temperatures averaged one degree above normal and ranged from 3.2 degrees above normal at Seminole to 0.2 degrees below normal at Paducah.

Maximum temperatures averaged 1.8 degrees above normal and ranged from 4.9 degrees above normal at Post to 0.3 degrees above normal at Paducah and Plainview. The highest temperatures was 109 at Snyder on July 8.

Minimum temperatures averaged 0.2 degrees above normal and ranged from 2.4 degrees above normal at Seminole to 1.5 degrees below normal at Abertathy. The lowest temperature reported during the month was 55 degrees on July 29 at Diinmitt.

Precipitation averaged 0.06 inch above normal and ranged from 2.61 inches above normal at Tulia to 1.92 inch below normal at Post.

Lynn County Merchants Appreciate Your Business!

Organ/Tissue Donors Can Save Lives Of Many

Over 30,000 men, women, and children are on the National Waiting List for a donor organ.

Statistically, about 7,500 of them won't get that donor organ in time.

Since 1968, The Living Bank has been working to educate and motivate organ and tissue donors, and to facilitate actual donation.

In person and through the media, they inform people about the philosophy and procedure of organ and tissue donation.

They distribute donor forms, register donor data for easy retrieval, and issue the unique Living Bank Donor Card to carry.

There are more than 300,000 willing donors on the computerized rolls of The Living Bank. So why do they need more donors? Because an actual, completed vital organ donation is a rare event.

An actual donor must be (a) a patient in a hospital, (b) stabilized on a respirator, (c) declared by a neurologist to be brain dead. The donor's next of kin's permission must be obtained. Organs must be medically acceptable.

This sequence was completed with fewer than 5,000 donors a year for the past three years, so the number of registered donors available must be high.

LUBBOCK, Friday, August 5, 1994
By Shawn Wade

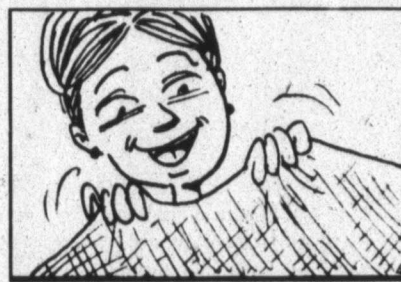

The release of the August 11 crop production estimate will provide the first glimpse of what the future might actually hold for the 1994 High Plains cotton crop.

According to Lubbock-based Plains Cotton Growers (PCG) the August estimate should reflect the state of the area crop after July 22, the date when enumerators from the Texas Agricultural Statistics Service began collecting crop data.

The rapidly maturing High Plains crop is still keeping most crop observers in the dark about how things will turn out. With the area's planted acreage placed at 3.27 million acres the potential still exists for a 1994 crop in the neighborhood of 2.5 to 2.75 million bales, although some estimates are well below these figures.

The biggest question mark remains the area's dryland acreage. The dryland crop has struggled throughout the season from a lack of both in-season rainfall and subsoil moisture. Significant acreage is still characterized as having little yield potential and prospects for the remainder of the dryland crop will hinge on August and September weather.

Kater Hake, cotton specialist at the Texas A&M Agricultural Research & Extension Center at Lubbock, notes that the 1994 crop is such a mixed bag that no matter what the weather does it will be good for some and bad for others. He notes that there are some dryland fields,

Taffeta cloth is so-called from the Persian word *taffah*, meaning "twisted" or "woven."

generally those that were planted in late May or early June, that are in better shape than earlier planted fields.

Hake attributes this difference to the fact that some of the later planted dryland fields are just now beginning to bloom and did not suffer as much during June and July.

Most irrigated fields continue to look good and should produce average or better yields provided the weather and insects cooperate.

The Texas Department of Agriculture has issued a Section 18 crisis exemption for the insecticide Furadan 4F to control cotton aphids. The exemption only applies to certain counties and crop reporting districts in west Texas.

The counties included in the Section 18 exemption are: Deaf Smith, Farmer, Castro, Swisher, Hale, and Floyd in Crop Reporting District 1N; Crop Reporting Districts 1S, 2N, and 2S; the counties of Clay, Archer, Young, Throckmorton and Shackelford in Crop Reporting District 3; the counties of El Paso, Hudspeth, Reeves and Pecos in Crop Reporting District 6; and the counties of Upton, Reagan, Tom Green, Schleicher, Concho and McCulloch in Crop Reporting District 7. Furadan 4F can not be applied in any other Texas counties.

Extra restrictions apply to the use of Furadan 4F, in addition to the restrictions and precautions included on the EPA label. For more information about these restrictions contact your county agent or the Texas Department of Agriculture.

The crisis exemption issued by TDA will remain in effect allowing growers to use this product until EPA renders a decision on a specific exemption application made by TDA.

CONTEST CORNER

(NAPS)—Contac 12 Hour Allergy non-prescription medication is sponsoring a contest in which contestants complete in 100 words or less, the statement "Contac 12 Hour Allergy Saved My Day, because..." Entries can be mailed to Contac Allergy "Saves The Day" Contest, 445 Park Avenue, 12th Floor, New York, NY 10022.

NOTICE

Wilson ISD offers career and technology education programs in Agricultural Science and Technology, Home Economics, Office and Business Education, and Multiple Occupations Cooperative Training. Admission to these programs is based on student interest and where applicable, grade level/classification.

It is the policy of Wilson ISD not to discriminate on the basis of race, color, national origin, sex, or handicap in its vocational programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

It is the policy of Wilson ISD not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices as required by Title VII of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

Wilson ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For more information about your rights or grievance procedures, contact the Title IX Coordinator, Nancy Templeton, at Box 9, Wilson, TX 79381, (806) 628-6271.

Wilson ISD ofrece programas de educacion de carrera y tecnologia en Ciencia y Tecnologia Agricola, Economia de Hogar, Oficina y Educacion de Negocio, y Entrenamiento Cooperativo de Ocupaciones Multiple. La admision a estos programas es basada en interes de estudiante y donde sea aplicable, nivel escolar/clasificacion.

Es norma de Wilson ISD no discriminar por motivos de raza, color, origen nacional, sexo o impedimento, en sus programas, servicios o actividades vocacionales, tal como lo requieren el Titulo VI de la Ley de Derechos Civiles de 1964, segun enmienda, el Titulo IX de las Enmiendas en la Educacion, de 1972, y la Seccion 504 de la Ley de Rehabilitacion de 1973, segun enmienda.

Es norma de Wilson ISD no discriminar por motivos de raza, color, origen nacional, sexo, impedimento o edad, en sus procedimientos de empleo, tal como lo requieren el Titulo VI de la Ley de Derechos Civiles de 1964, segun enmienda, el Titulo IX de las Enmiendas en la Educacion, de 1972, la Ley de Discriminacion por Edad, de 1975, segun enmienda, y la Seccion 504 de la Ley de Rehabilitacion de 1973, segun enmienda.

Wilson ISD tomara las medidas necesarias para asegurar que la falta de habilidad en el uso de la lengua inglesa no sea un obstaculo para la admision y participacion en todos los programas educativos y vocacionales.

Para informacion sobre sus derechos o procedimientos para quejas, comuniquese con el Coordinador del Titulo IX, Nancy Templeton, en Box 9, Wilson, TX 79381, 806/628-6271, y/o el Coordinador de la Seccion 504, Nancy Templeton, en Box 9 Wilson, TX 79381, 806/628-6271.

You Need To Know...

by PATSY SANDERS of O'Donnell

(Editor's Note: Patsy Sanders of O'Donnell is a representative of Communicating for Agriculture (CA), a national organization of farmers and ranchers. She is concerned about the plight of rural America.)

The solution to America's health care system is inside each and everyone of us as a rural American - I can! I can make a difference...if I let my representatives know how I feel it will affect me, my family, our farming operation, our business, and our farm hands.

Remember, for any proposal to be enacted in congress, it must survive committee and floor debates and win the majority in both the Senate and House. Our members of congress need to know where we are coming from on this issue and how we believe it will affect the lives of each of us.

We here in Lynn County should be concerned as to what reform would mean for "jobs?" In our area the Lynn County hospitals play a big part in city government and our economy. They have one of the largest payrolls with the most employees.

We are proud of the Lynn County Hospital facilities that our county provides us, and as we use the services and physician, the dollars spent at home affects our whole county as it multiplies six to eight times creating more "jobs." There is indeed a "great sucking sound" - the sound of health care leaving our local communities and closing down our "hometown" hospitals, says Jeff Smedsrud of Communicating for Agriculture. Small is beautiful and local can be powerful.

Another justifiable fear concerning rural American "jobs" is the likelihood of people being laid off due to the threatened employer mandate proposed by the Clinton plan. Small business farmers and ranchers all across the country are sounding warnings of the necessity of employee cut backs should they be required to provide insurance. An estimate was made by Pat Roperts, representative from Kansas, that possibly 1.2 million Americans would lose their jobs if employers were required to provide insurance for all workers.

"We shouldn't trade unemployment for unemployment," he said.

Below are some suggestions to help you in trying to make a difference in the health care debate.

1. Let your voice be heard in Washington. If you don't know the address of your congressman, call 1-800-335-Choice for assistance.

2. Write your letter and express your views. Remember, this is how they know how to vote. What do you say?

A. Tell them about yourself. For example, I am a farmer, a self-employed individual, etc...who purchases insurance on my own, etc...

B. Tell them where you live and how the reform stands to affect you and your community.

C. Tell them about reforms that will work - like tax deductibility for all Americans who buy their own insurance, medical savings accounts, and risk pools for the uninsured.

D. Thank them for considering your views.

E. Remember to give your name and address, so they can respond to your letter.

Your voice is very important and can make a difference in how your legislators vote.

I hope the information given over the past four "You Need To Know" columns has helped shed light on the impact of the issue of health care. I can make a difference.

Next week we will look at another issue concerning our freedoms in rural America.

Letter To The Editor

Dear Editor,
It is nice to see, "You Need to Know...by Patsy Sanders" in your publication. Your readers hopefully appreciate the opportunity you give them to express their opinions. I feel that the mass media is failing to provide the public with all the information it needs to succeed and prosper as a society.

While the United States may have a free press and the most sophisticated communications system in the world, unfortunately a free press and high technology do not guarantee a well-informed society.

The problem is not the quantity of information, which sometimes reaches an overload level, but the quality of information. For example, when something starts to go wrong in your personal life, there generally are some warning signals that alert you to the problem. If you are a rational person, you normally would act upon that information in an effort to solve the problem.

So too, it is with a society. When a problem arises, there should be a warning signal - information - that alerts the citizens that something is wrong which needs attention and resolution. An aware and informed populace could then influence its leaders to act upon that information in an effort to solve the problem. This, unfortunately, is not the case in the United States as we are becoming abundantly aware during these times.

To understand how this situation has come about in a society with a free press that mass produces information, we must understand how the flow of information is controlled. In totalitarian societies, we find outright, overt censorship. The state, through its bureaucracy, determines what can or can not be printed and maintains its control of the information flow through a monopoly on the means of production of the information industry.

In societies perceived as free, we find the information output determined by economic pressures to produce corporate profits, by a systematic distribution of "punishment and

reward" to workers in the media, and by a less obvious, but none the less effective, control of the means of production of the information industry.

In both cases, the efforts to manipulate and control the flow of information are successful - whether by overt censorship or by covert censorship. The crucial difference is that the citizens in a totalitarian society are aware that their information is controlled and manipulated and they conduct their lives with that knowledge.

However, the citizens of a free society, such as the United States, want to believe the mass media provide them with a fair, objective, and uncensored report of what is happening in the world around them and are often lulled into a false sense of being well-informed.

I honestly believe that National Health Care, as well as the General Agreement On Trade and Tariffs are steps towards World Government. It's obvious that the elite in these United States like both of these ideas.

David Rockefeller and his power group instructed the White House to renew Most Favored Nation trade status and not link it to "Human Rights." Further it was said that China should be a charter member of GATT, as well as the new World Trade Organization (WTO).

The WTO will play a powerful role in the economies of the world by regulating the flow of capital and goods. Further, the United Nations has outlined plans for world gun control and for disarming the average citizen.

The U.N. also proposes that citizens of the world earning above \$10,000 yearly will pay tax to them, in addition to present Federal, State and Local taxes.

Interested readers may find these items using computer retrieval with programs such as: Dialog, I-Quest, Lexis, AP or UPI. If a computer is not available use the Readers Guide To Periodical Literature at a library. I seriously doubt you will see it on the News, or read it in a major newspaper.

More than half the world's total is produced in the United States: over five billion pounds a year.

WHERE DID WE GO WRONG?

I've lived long enough now to be qualified to give a commentary on the state of American culture. I'm old enough to remember when it was socially acceptable to openly advocate the ethical standards as taught in the Word of God.

Today those standards are scoffed at and ridiculed. God is openly mocked. No wonder we see a society with a lack of respect for the personhood of others and for authority. We have closed our eyes to the reality of accountability to our Creator.

As I said, "Things have changed, but not for the better." If things have changed, why can't we change back? We had better. Scripture says, "Be not deceived, God is not mocked; for whatever a man sows, this he will also reap. For the one who sows to his own flesh shall from the flesh reap corruption, but the one who sows to the Spirit shall from the Spirit reap eternal life" (Galatians 6:7-8).

There is a choice to be made. We cannot make the choice for our entire society but we each can make a personal choice. Let's be like Joshua of old who said, "...choose you this day whom you will serve ... As for me and my house, we will serve the Lord" (Joshua 24:15).

We invite you to come worship with us. We are a group of Christians who endeavor to live by God's Word.

Notice of Public Hearing on Tax Increase

The NEW HOME ISD will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1993 by 3.75689 percent. Your individual taxes may increase at a greater or lesser rate or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on August 22, 1994 at 8:30 a.m. at New Home ISD, New Home, Texas.

FOR the proposal: LELAND ZANT ALLAN NETTLES
ANDY FILLINGIM STACY GILL
DAVID FORESTER MARK CLEM

AGAINST the proposal:
PRESENT and not voting:
ABSENT: RUSSEL BARNETT

The statement above shows the percentage increase the proposed rate represents over the EFFECTIVE tax rate that the unit published on August 5, 1994. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$34,780.00	\$34,920.00
General exemptions available (amount available on the average home, not including senior citizens' or disabled person's exemptions)	\$5,000.00	\$5,000.00
Average taxable value	\$29,780.00	\$29,920.00
Tax rate	1.35000 / \$100	1.39000 / \$100 (proposed)
Tax	\$402.03	\$415.89 (proposed)

Under this proposal taxes on the average home would INCREASE by \$13.86 or 3.44700 percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would INCREASE by 0.04000 per \$100 of taxable value or 2.96296 percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

32-11c

OBITUARIES

Arnie "Pete" Todd

Services for Arnie "Pete" Todd, 76, of Tahoka will be at 2 p.m. Thursday, Aug. 11, in Tahoka Church of Christ with Ron Fant, minister, officiating.

Burial in Tahoka Cemetery will be directed by White Funeral Home.

Todd died Tuesday, Aug. 9, 1994 in Methodist Hospital in Lubbock.

He was born on March 4, 1918, in Byars, Okla. He attended Draw and O'Donnell schools and married Ravenell Gregory on July 29, 1939, in Post. He was a U.S. Army veteran of World War II and was a member of the Church of Christ.

He farmed at Morton and Levelland and was retired from the Texas Highway Department.

Survivors include Ravenell Todd; three daughters, LaQuita Coursey of Levelland and LaNell Wise and LaJuana Holland, both of Amarillo; two grandchildren; and a great-grandchild.

Pallbearers will be Dewey Engle, Gerald Drager, Rudy Tejada, Judge Melvin Burks, Welch Flippin and Roy "Dob" Jolly.

Bernice Shepherd

Services for Bernice Gary Shepherd, 89, of Tahoka were at 2 p.m. Tuesday, Aug. 9, in First United Methodist Church with the Rev. Marvin Gregory, pastor, officiating.

Burial in Grassland Cemetery was directed by White Funeral Home.

Mrs. Shepherd died Saturday, Aug. 6, 1994, in Lynn County Hospital.

She was born on Jan. 6, 1905, in Panola County and was a graduate of Tenaha High School. She was married to A.L. Shepherd in June 1923 in Shelby County. He died on April 10, 1978. The couple moved to Lynn County from Garza County in 1925. She was a homemaker and a member of the Order of the Eastern Star and of First United Methodist Church.

Her survivors include a son, John Lovic Shepherd of Lubbock; three daughters, Margie Conway of Littlefield, Beth Chapman of Brownfield and Jane Williams of Seagraves; two brothers, Marvin Gary of Petersburg and Alvis Gary of Silver City, N.M.; a sister, Bonnie Mims of Lubbock; 10 grandchildren; 16 great-grandchildren; and two great-great-grandchildren.

Grandsons and great-grandsons were pallbearers.

Guadalupe Mendoza

Guadalupe Mendoza, 73, of Olton, mother of Jr. Mendoza of Tahoka, died at 8:45 p.m. Tuesday at St. Mary's Hospital in Lubbock.

Services were pending Wednesday with Foskey Funeral Home in Olton.

Wade Ray

Services for Wade Hampton Ray, 90, of Post were at 3 p.m. Monday, Aug. 8 in Post Church of Christ with Paul Jones, minister, officiating.

Burial was in Tahoka Cemetery. Ray died Friday, Aug. 5, 1994, in Golden Plains Care Center in Post.

He was born May 25, 1904, in Wise County. He married Thelma Stevens on Sept. 22, 1923, in Post. She died Aug. 3, 1986. He was a member of the Church of Christ. A son, Warren Ray, died Dec. 14, 1932.

He was a retired farmer. Survivors include two sons, R.C. of Post and Weldon of Pecos; a daughter, Mattie Perry of Chandler, Ariz.; two brothers, H.F. of Flora Vista, N.M., and J.P. of Post; a sister, Evie Mason of Tahoka; 10 grandchildren; 19 great-grandchildren; and three great-great-grandchildren.

YARD OF THE MONTH- Tahoka Garden Club named the yard of Mr. and Mrs. Jim Solomon, 2429 N. 1st, as Yard of the Month for August.

Research Statistics Released On School District Budgets Statewide

School tax rates increased only a penny last year statewide, and property values were up one percent, but school tax revenue increased by \$500 million. Homeowners had to pay an additional \$398 million from the loss of the 20% exemption by county education districts. The tax on an \$80,000 homestead increased by \$108 or 12.6%.

These figures come from the latest issue of *Bench Mark 1993-94 School District Budgets in Texas*, an annual publication of the Texas Research League, an Austin-based, educational corporation engaged in governmental research.

School budgets were increased \$396 million last fall to a total of \$18.9 billion. However, capital outlay was cut by \$425 million making an additional \$821 million available for current operations. Classroom teachers received two dollars in five of the additional spending. Schools added 14,447 employees - an average of one new employee for each 5.2 additional students.

An average of \$4,403 per student for current operations plus \$332 for repayment of debt and another \$513 for capital outlay was budgeted last year.

Tahoka Independent School District's (TISD) budget provided \$4,921 per student for current operations, \$0 for debt service, and \$116 for capital outlay based on 764 students enrolled in October 1993.

Wilson ISD's (WISD) budget provided \$5,375 per student for current operations, \$0 for debt service, and \$388 for capital outlay based on 247 students enrolled in October 1993. New Home ISD's (NHISD) budget provided \$6,506 per student for current operations, \$57 for debt service, and \$214 for capital outlay based on 220 students enrolled in October 1993. O'Donnell ISD's (OISD) budget provided \$6,058 per student for current operations, \$715 for debt service, and \$636 for capital outlay based on 446 students enrolled in October 1993.

The average base salary for classroom teachers paid by Lynn County school districts in October 1993 was \$24,801 in TISD, \$24,112 in WISD, \$26,007 in NHISD, and \$28,324 in OISD, plus supplements for the career ladder.

The average for administrators was \$42,983 in TISD, \$36,215 in WISD, \$41,000 in NHISD, and \$53,776 in OISD; and for other professional support employees (librarian, counselors, nurses, supervisors, etc.) was \$30,564 in TISD, \$25,524 in WISD, \$26,420 in NHISD, and \$27,306 in OISD.

Statewide, four dollars in each five were spent for salaries, and payroll expense averaged \$3,551 per student, as compared to \$3,755 in TISD, \$3,889 in WISD, \$4,293 in NHISD, and \$4,296 in OISD. Payroll expense is determined by salary levels and staffing patterns.

Taxpayers provided one teacher for 12.5 students in TISD, for 11.5 students in WISD, for 11.2 students in NHISD, and for 13.0 students in OISD, while the statewide pupil-teacher ratio was 15.9 to one.

School districts imposed a property tax at the rate of \$1.425 per \$100 of appraised value, or 97.9% of market value (selling price). The "true tax rate" was \$1.396 (\$1.425 times 97.9%) statewide. Locally, the TISD

imposed a rate of \$1.15, \$1.39 in WISD, \$1.35 in NHISD, and \$1.20 in OISD. Property was appraised at 100% of its market value making the true rate \$1.15 in TISD, at 95.4% making the true rate \$1.20 in WISD, at 88.9% making the true rate \$1.20 in NHISD, and at 101.6% making the true rate \$1.219 in OISD. The report points out that the calculation of a true tax rate based on market value rather than on appraised value is necessary to make a valid comparison of tax levels with other schools.

The tax on a house that would sell for \$80,000 would have been \$918 in TISD, \$982 in WISD, \$907 in NHISD, and \$1,029 in OISD. If the homeowner were eligible for homestead exemptions, the tax would have been \$860 in TISD, \$913 in WISD, \$839 in NHISD, and \$969 in OISD. That compares with statewide average tax bills of \$1,090 and \$962 respectively for an \$80,000 house.

Last year, TISD's revenue from the property tax decreased by 24.6% for 1993-94, by 36.5% in WISD, by

21.6% in NHISD, and by 37.1% in OISD, as compared to a 6.8% increase statewide.

The state and local share of the foundation program averaged \$3,038 per student last year and was \$3,890 in TISD, \$3,777 in WISD, \$4,542 in NHISD, and \$4,647 in OISD. Local school districts can levy property taxes to enrich the foundation program. Enrichment last year averaged \$1,025 per pupil to which the state added an average of \$358 per student to guarantee the tax yield in property-poor districts. Enrich-

Offer Expires Aug. 31, 1994 (Delivery Charge Extra)

REMEMBER WHEN A HANDSHAKE WAS GOOD ENOUGH? WE DO.

No Long-term Contracts. No Hassles. No Problem.

If the only thing holding you back from experiencing the convenience of cellular phone service is the fact that you have to sign a long-term contract, then Digital Cellular is for you! Just tell us what type of service you want, and we'll get you started! No long-term

contract is required. You can take advantage of Digital Cellular's many features and services just as long as you want, and not as long as we want, like other cellular companies. And what a line-up of great, convenient services! Just take a look!

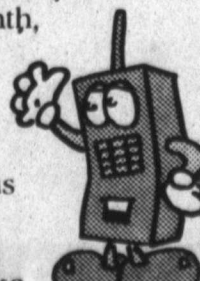

TOLL-FREE CALLING

With Digital Cellular, you can call anywhere in Texas, New Mexico or Oklahoma from Digital Cellular's home service area without paying any long distance charges! You pay only the regular airtime rates applicable! So whether you are on a tractor near Tahoka or in a car close to Cone, Digital Cellular puts you on the line to family, friends or business associates in all three states for just pennies a minute! Toll-free calling is available to all callers, including non-Digital Cellular customers.

OPTION 2 RATE PLAN

If you use your cellular phone regularly then Option 2 could be just the thing for you! With Option 2, after you have talked just 120 minutes from your home system in a given month, every home minute for the entire month, from the first minute to the last, is charged to you at only 25¢! That's big savings to you if you use your cellular phone as little as 2 hours a month. You also get all of Digital Cellular's free services, like 6-Second Billing (one minute minimum on completed calls), Detailed Billing, Call Forwarding and Call Waiting, 3-Way Calling, and

3-Way Calling, and Incoming and Outgoing Call Restriction. Plus, Option 2 customers get Voice Mail free! Some other cellular phone companies charge for services like these, but they're FREE from Digital Cellular. Also free to Option 1 customers are 6-Second Billing, Call Forwarding and Call Waiting, and 3-Way Calling!

EXTENDED COVERAGE

We've extended our call delivery area to include most of the South Plains and part of West Texas. You can receive calls throughout the entire Digital Cellular Coverage Area, without having to activate or pay for any special roaming services, while traveling in the extended coverage area.

cooking

DELICIOUS DIFFERENT SALADS

the microwave way

(DM)—Finding delicious and different side dishes often presents a greater challenge in meal-planning than deciding on the main dish. For an alternative to tossed greens or fruit gelatin, Whirlpool Corporation home economists suggest Summery Orange Rice Salad to serve with grilled chicken or broiled fish. It is prepared ahead and chilled, allowing the cook time to attend to other meal preparation details.

Brown rice, with added dates, dried cranberries or cherries, is conveniently prepared using the microwave oven, then flavored with lemon and honey. Tangy mandarin orange segments and creamy whipped topping are stirred in just before chilling. Easy, fast, delicious and different, this salad would also make a good choice for a get-together when the occasion calls for a dish to pass.

- SUMMERY ORANGE RICE SALAD**
(6 servings)
- 1 cup instant brown or white rice
 - 1/2 cup chopped dates or dried cranberries or cherries
 - 1 can (11 oz.) mandarin orange segments, drained, reserving syrup
 - 2 tablespoons lemon juice
 - 1 tablespoon honey
 - 3/4 cup whipped topping

1. Combine rice and dates in 1 1/2-quart glass casserole. Add water to reserved orange syrup to measure 1 cup. Stir into rice mixture. Cover and microwave at HIGH (100%) for 4 minutes or until mixture comes to full boil. Let stand 5 minutes.
2. Combine lemon juice and honey and stir into rice mixture. Cover and refrigerate until cooled, 1 to 2 hours. Gently stir in mandarin oranges. Fold in whipped topping. Chill until serving time.

INDIVIDUAL NOTICE OF AVAILABILITY OF FREE OR PART PAY MEDICAL CARE
LYNN COUNTY HOSPITAL DISTRICT
2600 Lockwood Tahoka, TX 79373

Lynn County Hospital District will provide at least \$25,000.00 of free and part pay care this fiscal year, October 1, 1993 - September 30, 1994. This care is available to individuals who cannot afford to pay for their medical care.

Uncompensated services for Lynn County Hospital District are limited to all inpatient services, all day surgeries, all outpatient diagnostic and radiologic examinations, all emergency room services, and all ambulance services performed by Lynn County Hospital employees at Lynn County Hospital.

To determine eligibility of this care, Lynn County Hospital District uses maximum levels of income, for the appropriate family size, which are established by the HHS Income Poverty Guidelines. The current maximum levels of income are given below: (effective April 15, 1994)

Family Size	Income Guidelines
1	\$7,360
2	9,840
3	12,320
4	14,800
5	17,280
6	19,760
7	22,240
8	24,720

For family units with more than 8 members, add \$2,480 for each additional member. The services will be provided to those who first request it until the compliance level is met for this fiscal period.

To make a request for uncompensated services, please contact the administrator or financial officer in the business office. This staff member will make a written determination of your eligibility or non-eligibility for the services with two working days of your request.

Lynn County Hospital District

NOTICIA INDIVIDUAL DE APLICABILIDAD DE PARTE DEL PAO DE CUIDADOS MEDICOS LIBERS
LYNN COUNTY HOSPITAL DISTRICT
2600 Lockwood Street Tahoka, Texas 79373

Lynn County Hospital District proveer al menos \$25,000.00 de parte de pago de los cuidados gratis de este ano fiscal, Octubre 1, 1993 - Septiembre 1994. Este servicio es aplicable a aquellos individuos que no pueden pagar la cuenta de sus cuidados medicos.

Para determinar elegibilidad (eleccion) por este servicio, Lynn County Hospital Distrito usa maximos niveles de sueldo tamaño apropiado de la familia, el cual esta establecido por la HHS Income Poverty Guidelines. El corriente (comun) nivel de sueldo son dados de la siguiente manera: (efectivo Abril 15, 1994)

Tamaño de la Familia	Niveles de Sueldo
1	\$7,360
2	9,840
3	12,320
4	14,800
5	17,280
6	19,760
7	22,240
8	24,720

Para familias de unidad con mas de 8 miembros, agregar \$2,480 por cad miembro adicional. Este servicio sera provisto a aquellos que primero lo requirieran hasta el nivel requerido a llenar por este periodo fiscal. Para hacer un requerimiento por servicios no comensados, por favor pongase en contacto con administrador or ministro de credito en la oficina de la negociacion. Este miembro del equip hora un escrito determinado de us requerimiento.

Lynn County Hospital District

BBB News
Better Business Bureau

Congratulations, you have just been notified that you have won a prize! BBB warns that your "free" prize may turn out to be quite costly. As many disappointed "winners" have found, the value of the actual prize may be greatly overrated. You may be required to pay a "redemption charge" or other fees which exceed the market value of the prize. In some cases the prize may never arrive, and neither does a refund, if the company closes up and skips town. Recently, BBBs have heard from consumers across the country who have received official-looking letters stating they won \$5000. Those that sent a fee to cover postage and handling are still waiting to collect their winnings. Prize giveaways also may be lures used by some companies to get you to purchase their products, such as vitamins, water purifiers or vacation packages. In many cases the products are poor quality and greatly inflated in price. Give us a call and check it out first - 763-0459.

Although the Better Business Bureau's main function is to issue reliability reports, the Bureau also assists in the resolution of disputes between business and its customer. BBBs have a national reputation for fairness because they remain neutral in these disputes. BBBs do not take sides, but work to get the problem settled as quickly as possible. In certain cases where the customer is not satisfied with a company's response, both parties are offered arbitration. If they both agree, then the Bureau will set up a hearing for both parties to tell their sides to a volunteer arbitrator who then makes a decision in the case - much like a judge in a court of law. The decision in these arbitration cases is legally binding on both parties. Customers and businesses that have been through an arbitration hearing have indicated that they believe it is not only fair, but cheaper and quicker than going to court. For more information about arbitration, give us a call at 763-0459.

If the present rate of population growth continues, the number of people on earth will double by the year 2026.
