Dogs Chew Up Rabbits, Take This Week Off

Tahoka freshman running back Steve Wiseman did what might be a whole year's worth of running for most freshmen last Friday night at Ralls, as Tahoka beat the Jackrabbits 29-18 in a district 4-AA and Wiseman was most of the offense.

Wiseman hurled his 163 pounds at the Ralls defense 31 times, gaining 193 yards and scoring four touchdowns, one in each quarter, on runs of 12, 13, 15 and 25 yards.

He was playing in the place of sophomore runner Dustin Burleson, who has been averaging close to 100 yards per game for Tahoka this season, but who was injured before last Friday's game. Coach Tooter Draper said this week that Burleson should be ready to play against Sundown next week. Tahoka has an open date this week.

Tahoka took the lead in the first quarter on a damp, cool night at Ralls, taking the opening kickoff and driving 84 yards, topped off by Wiseman's 12-yard scoring run. Gerald Cantu kicked the point to make it 7-0.

In the second quarter, Ralls came back with a couple of touchdowns from Oscar Martinez, but Wiseman's 13-yard run and then a 2-point run by

Wiseman put the Bulldogs up 15-12 at halftime.

In the third, Wiseman scored on a 15-yard run and a pass for extra points failed. Martinez of Ralls answered with a 50-yard run, but the point try was blocked and it was 21-18 Tahoka ending the third.

Wiseman ran 25 and then for two more points in the fourth to ice the game.

Tahoka had 21 first downs to 12 for Ralls, and led in penetrations, 6-3. Tahoka's total offense was 265 yards; Ralls had 203.

In addition to Wiseman's 193 yards, Matt Garcia gained 49 on 9 carries. Wes Solomon hit 6 of 13 passes for 67 yards, with no interceptions, and Chris Rodriguez caught two of those for 40 yards.

Coach Draper commended the entire offensive line for a good job, and singled out Mike Rodriguez, Cantu, Victor Herrera and Oscar Garcia for special mention.

On defense, linebacker Jesse Perez led tackling, followed closely by defensive end Reggie Moore and lineman Bobby De La Cruz. In the secondary, Clay Taylor turned in a good game.

Burglary, Forgery Reported

A barn burglary in which an O'Donnell area resident reported \$1,343 worth of tools and equipment stolen led the list of offenses investigated by law enforcement officers in Lynn County during the last week.

Ken Dyer of Rt. 2, O'Donnell, told officers that sometime between Oct. 8 and Oct. 12 the tools were taken from his barn near the vicinity of FM 2053 and FM 3112. Most expensive item stolen was a Miller welder and leads.

Tahoka Police officers said charges will be filed against a 32-year-old Tahoka woman accused of substituting her name as payee on two checks which she then cashed at a store in Tahoka Tuesday. The checks were for \$41.50 and \$46.50, drawn on accounts at Lamesa and Tahoka banks. The suspect said she found the checks.

Two men age 24 and 46 were jailed on charges of theft after being detained by employees at Thriftway Supermarket in Tahoka. The employees had observed the pair taking a carton of cigarettes valued at \$19 and salt and pepper shakers valued at \$2.

Mike Cranford, owner of C Bar C Barbecue, reported a cord of wood valued at \$100 stolen from his business during the last week.

In addition to the suspects in the shoplifting and forgery cases, six persons were jailed during the last week, on charges including deadly conduct, possession of marijuana under two ounces and possession of paraphernalia, failure to identify to a peace officer and speeding plus failure to appear (for Reagan County), driving while intoxicated and possession of marijuana.

David Counts To Meet With Constituents

Wilson ISD Sets Bond Election To Build New Gymnasium

The Wilson Independent School District Board of Trustees Thursday night passed a resolution calling for a bond referendum election to be held on Tuesday, Dec. 6, 1994, in the Wilson High School Auditorium. The amount of the bond election will be for \$500,000, and if passed, would help to finance building improvements for Wilson ISD, including a new high school gym.

The proposed gymnasium would meet ADA (Americans with Disability Act) accessibility requirements for access to the gym bleachers, restrooms, dressing rooms, and concession area. The site for the gym has not been determined, but it could also serve as the dressing rooms for football games. The concession area could serve for football games as well if the gym is located near the present concession area at the football stadium. Wilson's present football concession stand does not meet health department standards nor ADA accessibility standards for the restrooms, according to Superintendent Nancy Templeton.

Other building improvements would include renovating the elementary gym into additional learning centers for the elementary school. "At the present time, all classroom space in the elementary is in use. If the district continues to experience growth, there will be no room for any additional classes,"

Wilma Hogan To Visit Here Monday

Wilma Hogan, Republican candidate for State Representative, will visit in Tahoka Monday, Oct. 24.

A reception will be hosted at the First National Bank Community Room from 10 a.m. until 12 noon. Everyone is invited to come by and visit with Mrs. Hogan.

said Supt. Templeton, noting that the extra space would allow for classes for students with disabilities.

The building program would allow the district to complete the adaptations necessary for ADA accessibility for persons with disabilities and would provide a positive environment for enhanced learning for all students in the Wilson schools, according to the superintendent. Improvements in the library and cafeteria are also being considered.

The Board will be conducting voter information meetings in the upcoming month. Questions and additional information may be addressed to board members, campus principals, or Supt. Templeton.

In other business, trustees approved a request by the FFA to attend the National Convention in Kansas City in November.

The Board voted to leave the board position created by the resignation of Tony Villarreal vacant. The position will be filled at the next regular election of school board members in May 1995.

Citizens Urged To Adopt Low-Fat Eating Plan

Lynn County citizens will get the chance to learn how to help prevent heart disease by adopting a low-fat eating plan at Heart Fest, an educational event held at Thriftway and this year at the Senior Citizens Club, Oct. 22-29. The Lynn County 4-H group will help with this event.

Heart disease is the number one killer of Hispanics, African-Americans have almost twice as many strokes, 10-18 times more kidney failure and three to five times more heart failure. "Learn how you can help reduce your risk," said a spokesperson.

Mock Wreck To Be Staged Here Monday Morning

A group of Tahoka High School students want to show their peers the dangers of drinking and driving, and come Monday morning, students and other interested citizens will have a first-hand dramatic view of the consequences of a wreck caused by a drunk driver.

A "mock wreck" will take place at approximately 7:30 a.m. on the corner of North 4th and Ave. P just north of the high school, and will show a simulation of a drunk driving wreck with students involved, in a coordinated effort between the school, Lynn County EMS, Tahoka Police Department and the Texas Department of Public Safety.

The event is being sponsored by the "THS Natural Helpers," a group of high school students under the sponsorship of Patti Rambo, high school home economics teacher.

"We're trying to make a positive impact on our students to not only refrain from drinking and driving, but to refrain from drinking alcohol at all," said THS Principal Bill Alcorn, noting that students and parents were being informed of the mock wreck through letters sent home with students.

Lynn County Receives More In Tax Rebates

John Sharp, State Comptroller, delivered \$134.4 million in sales tax rebates to Texas cities and counties, a 9.7 percent increase from a year ago.

Texas cities received \$120.9 million, up 10.3 percent from the \$109.6 million they received last October. Counties received a total of \$13.4 million, a 4.6 percent increase over their October 1993 rebates of \$12.8 million.

Lynn County received \$6,159.21 in rebates for October. This is a 25.93 percent increase over last year's payment of \$4,890.60.

O'Donnell received \$924.48 for October 1994 but did not receive any for October 1993.

Tahoka received \$4,683.27, down 4.23 percent from last year's payment of \$4,809.60.

Wilson received \$551.46 in rebates but did not receive any for October 1993.

SARAH McLAUGHLIN, who writes a column in the Lubbock newspaper when she's not teaching English classes at Tech, and who is related to my neighbor lady in Tahoka, stole my stuff when she wrote in Monday's column about the dumb automated phone systems employed by so many large companies and even government offices.

I was going to write about that sometime.

Come to think of it, I may already have written about it. Memory is the first thing to go, and I can't recall the second. Anyway, I like Sarah's columns, and I think she gets a bad rap from some A-J readers with no sense of humor.

I agree that it's maddening to call some company and get a recorded message to punch 1 now or later and have to listen to all that garbage before you finally figure out which number to punch. Only to hear an entire different menu this time, and would you please punch "pound" and 4 if you want still a third menu.

If you are desperately trying to reach a human person, you may eventually get an answering machine: "At the sound of the tone, please leave a message, and if you're incredibly lucky, we'll get back to you in a week or two."

The first time I ever was advised to punch "pound", it took me awhile to figure out where it was on my phone. Finally I located a little "tic-tac-toe" emblem which turned out to be it.

Well, actually, the first time I ever tried to find the pound emblem I was calling from a rotary phone and what I really wanted to punch was somebody in the mouth. People who use those stupid number-punching systems are always aghast to learn that some places still don't have touch-tone phones. Around here we still ring up central with the little handle on the side of the phone box when we have problems.

Government offices often use the same dumb system, only it's even harder to reach them, because the original number is often an 800 number (meaning you have to dial it 800 times before you don't get a busy signal).

If you really need to know something in a hurry from your mortgage company, insurance company, or investment company, just dial 1-800-ASININE. But keep a light lunch in reaching distance of the phone, because you're going to be there awhile.

I HEARD recently that many fish are threatened with extinction because there are too many fishermen. When someone told me that, I suggested that many more people need to fish like I do, which means not catching anything, and then the fish would be safe. I also read in the A-J Monday that a little fish called a "fountain darter" was endangered in South Texas (I think) by some kind of snail which is eating the eggs, or larvae, or whatever it is that causes fish to reproduce. I never heard of a fountain darter, so I suppose I won't miss them even if they become extinct. I thought a fountain darter was an office worker who continually makes trips to the water cooler. . . A mutual funds company with which I have had some correspondence sent me an annual report saying they now have \$747 million dollars in assets, of which about \$86 is mine.

City Accepts Bid For Fire Dept. Building

The Tahoka City Council Monday night approved the lower of two bids for material to build a new fire hall and decided to borrow money from the city's own coffers to fund the construction project.

A bid from Mueller Supply Company for \$19,061.50 in building materials was unanimously approved by the council for a new fire hall to house the city's fire trucks. Partial funding for the project is coming from the \$3 per month volunteer contributions on city water bills. The remainder will be borrowed from the city's own general fund, with a stipulation to pay back the funds at the rate of interest required by law and a review every 12 months. Councilmen approved the funding process unanimously.

In other business, City Manager Barry Pittman told the council that no bids had been submitted legally for water tower improvements, and the board voted unanimously to not accept any bids. Pittman told *The News* that only one bid was submitted for the project and that it was faxed to the city offices, a process which is not legal for submitting bids which are to be opened at a designated time. He said that city officials would continue to look into the water tower improvement project for other options.

Present for the one-hour meeting were councilmen Mike Mensch, Ray

Don Box, Wayne Huffaker and Jay Dee House; Pittman; and Mayor Jim Solomon. Councilman Todd Henry was absent.

Booth Space Available For Cancer Craft Fair

The Lynn County Chapter of the American Cancer Society is hosting their annual Craft Fair on Saturday, November 19 in Tahoka. Booth space is \$20 for an 8' x 10' space or \$35 for a double-size space. Reserve space by calling Mern Lewis at 998-5371, Vondell Elliott at 998-4888, or Rebecca Dimak at 998-4157. Deadline to reserve booth space is November 15th.

The fair will be held from 9 a.m. to 5:30 p.m. at Tahoka School Cafeteria, 2123 N. 3rd Street. A concession stand will sell home-baked goods of red beans and cornbread, tea, coffee and soft drinks, and pies. Door prizes will be given away, but attendees must purchase a \$1 raffle ticket to be in the drawing and must be present to win.

Proceeds from the raffle, booth costs and the concession stand will go to the American Cancer Society. Admission is free.

BPA Chapter Committees Now Active

The Tahoka High School Business Professionals of America Chapter, sponsored by Barbara Jaquess has begun their committee work for the 1994-95 school year.

For Fire Prevention Week, Oct. 9-15, Micah Smith chaired the Safety Committee as they sponsored a coloring contest for all 4th grade students in Tahoka Elementary. Committee members were Conner Krey, Shannon Garvin, Wes Solomon, and Jeremy Brandon. The committee also distributed a fire prevention pamphlet, Sparky's Inspection Checklist, to the students.

Abby Wells headed the School Spirit Committee as they worked on various activities for the football, volleyball, and cross-country teams. Robin Martin, Micah Smith, Amy Draper, Wes Solomon, and Abby Wells made signs to help promote spirit for the homecoming football game. Varsity volleyball locker tags were made by Clay Taylor and Felicia Davis while JV volleyball locker tags were made by Blanda Miller and Stephen Rodriguez.

Shayla Brandon and Jesse Perez made freshman volleyball locker tags. All cross-country members received locker tags from Bonnie Stennett, Regina Resendez, Jennifer Sepeda, and Elizabeth Solorzano.

"This year we have 32 members in BPA," said Mrs. Jaquess. "They are already participating and working hard in order to reach the different levels of recognition for the Torch Award program. It is always exciting and thrilling to see students actively involved in school and community projects," she added.

Couple Wed Oct. 8 In Double Ring Ceremony

Tracye Lynn Scott of Lubbock and Cody Dean Swafford of Lamesa were wed Saturday, Oct. 8, 1994 at 3 p.m. in the First United Methodist Church of Tahoka. Rev. Danny Williams, of Snyder, officiated the double ring ceremony.

The bride is the daughter of Ms. Lacye Walker Scott of Lubbock and Kenneth Scott of Tahoka. The groom is the son of Mr. and Mrs. Jerry Swafford of Lamesa.

The altar was decorated with two candelabras with English ivy and black and white candles. White vases accented with white and black floral arrangements stood on columns. Rope love knots adorned each pew.

The bride was escorted by her father and her brother, Trent Scott. She wore a gown of white peau de soie satin with a V-neckline and a V-back. The bodice was enhanced with beaded and sequined appliques with a princess style waistline. The fitted sleeves came to a point and were adorned with appliques. The hem of the dress was edged in lace and a candy-box bow accented the back. The dress was made by the bride's grandmother, Ruth Walker of Lubbock.

She carried a cascading bouquet of red roses.

Amy Daws of Lubbock was Maid of Honor. Bridesmaids were Dana Gregory of Petersburg, Susan Spivey of Lubbock, and Shelly Hale of Miami. They wore straight, black, short sleeved dresses with a V-back accented with a bow. They each carried a long-stemmed red rose.

Shanon Swafford, brother of the groom, of Denton was Best Man. Groomsmen were Chris McGee and Heath Mitchell of Lamesa, and Stevie Scott of Conroe.

Ushers were Micheal Raney, Brian Wilkie, and Jimmy Addison, all of Lamesa, and Trent Scott, brother of the bride of Tahoka.

Gilda Taylor of Tahoka was pianist. Margaret Carter of Tahoka was organist.

A reception followed in the Fellowship Hall of the Methodist Church.

The bride's table was covered with a white linen table cloth and held a two-tiered heart shaped white cake with two satellite heart shaped cakes, decorated with fresh red roses.

Serving at the bride's table were Jodie Waters, Dawn Gray, and LaTisha Atwood.

The groom's table was covered with a white cloth with a bandana overlay. It held a sheet cake with a cowboy on horseback roping a steer with the words "Great Catch, Cody"

O'Donnell Rips Whiteface 42-6

The O'Donnell Eagles continued their winning ways last Friday, bombing Whiteface 42-6 as Ramiro Rodriguez scored four touchdowns and rushed for 192 yards on just 10 carries.

Rodriguez ran 89 yards for a touchdown in the first quarter, then scored in the second on runs of 48 and 24. He added a 15-yard scoring run in the third, and James scored twice for the Eagles.

written on the cake. Serving at the groom's table were Caprice Tabor, Krisha Tabor, and Shelly Shaw.

Jodie Waters of Pampa registered guests.

Nick Bingham, Hannah and Ivy Walker, all of Lubbock, handed out bird seed bags.

After a honeymoon to New Orleans, the couple will live in Lubbock.

The groom attends Texas Tech University and is engaged in ranching in San Angelo.

The bride is self-employed teaching gymnastics in Hale Center, Olton, and O'Donnell.

THS Junior Class Wins Homecoming Float Competition

The junior class won the float competition in the Homecoming parade.

This is the second year the class of '96 has won first.

The theme was "Shake, Rattle, and Roll the Eagles." Their float featured a jukebox and a Cushman Scooter.

The freshmen placed second with "Fish Say Sink Seagraves." The float was decorated like a large brown boat equipped with a flapping sail.

The sophomores' "Send Them Packin'" float won third. Seagraves players were packed and ready for mail in a large mailbox.

The sophomores took first place in the run-through sign competition sponsored by the cheerleaders. Their sign read "Step Aside, Bulldogs Inside."

The juniors' "Tahoka Magic" placed second.

The seniors' won third with Tahoka Bulldogs "Bustin Through After You."

SPS Honors Tahoka Employee

Doyle Webb, Southwestern Public Service's Tahoka manager, was honored Thursday, Oct. 13, for his 35 years of service to electric customers in the South Plains.

The banquet honored 111 employees who work in the company's Southern Division, as well as in power plants in the area.

Other banquets have been recognizing employees in other work locations throughout the company.

SPS is a regional electric utility that primarily provides electric service to a population of about one million people in a 52,000-square mile area comprising eastern and southeastern New Mexico, the South Plains and Panhandle of Texas, the Oklahoma Panhandle and southwestern Kansas.

Your HEALTH TIP

Store Bottled Water Properly

If you are buying bottled water, be sure you are taking proper care of it. Don't buy so many bottles that they sit around for months. Keep bottles in a cool, dark spot and store in the refrigerator when opened. Most gallon bottles are made of high-density polyethylene, and vapors easily travel through the bottle and get into the water. Be careful what you store your water next to. For more information write to: International Bottled Water Assoc., 113 N. Henry Street, Alexandria, VA 22314.

Hunter Education Class Set Here

A course in hunter education has been scheduled for Oct. 22-23 from 8 a.m.-4 p.m. in Tahoka Community Center. Keith Pascal will be the Hunter Education Instructor.

"According to the Texas Parks and Wildlife Department's mandatory requirements, starting Sept. 1, 1989, those persons whose date of birth is during the period Sept. 2, 1971 through Aug. 31, 1973, must have successfully completed the course in order to hunt in Texas. Effective Sept. 1, 1990, the age group affected are those whose date of birth is during the period Sept. 2, 1971 through Aug. 31, 1974 - and so on. By Sept. 1, 1993, all hunters born on or after Sept. 2, 1971, must have successfully completed the course to hunt in Texas. However, any individual may take the course on a voluntary basis and is encouraged to attend regardless of requirements," stated Ralph Huffaker.

"The course is open to adults and youngsters and will include instructions in rifle, shotgun and bowhunting handling and safety; outdoor responsibility and ethics; laws and regulations; conservation; hunting traditions; wildlife identification; field care of game; wilderness first aid and survival," B.L. Miller said.

Students 12 years of age or older successfully completing the course will be issued a hunter education certificate from the Texas Parks and Wildlife Department. Those younger than 12 will receive a certificate of

attendance, but must take the course again for proper certification.

More than 160,000 Texans have completed the hunter education course which is mandatory in 39 states.

For more information, contact Melvin Edwards at 998-4343 or the Texas Parks and Wildlife Department's Hunter Education section in Austin at 1-800-792-1112 or at 512/389-4999.

NOTICE OF PROPOSED GAS RATE CHANGE

On September 20, 1994 Energas Company filed Statements of Intent to change its gas rates and service charges with the Texas Railroad Commission and each incorporated city listed below. The proposed changes will take effect no sooner than 35 days after filing.

The Company proposes to increase its customer charge by 89 cents per month with no other changes to its gas rate schedules. The change would apply to General Service (residential and commercial) and Small Industrial Service. The Company also proposes the following increased service charges:

	During Business Hours	After Hours
Turn on new service with meter set	\$23.50	\$35.25
Turn on service (shut-in test required)	19.00	28.50
Turn on service (meter read only required) and miscellaneous service calls	10.50	15.75
Reconnect delinquent service or service temporarily off at customer's request	29.50	39.00
Dishonored check charge	25.00	

The proposed changes are expected to increase the Company's annual revenues by approximately 1.9% and therefore do not constitute a "major change." The proposed changes could affect approximately 217,000 gas consumers in the following communities and surrounding rural areas:

Abernathy	Hart	O'Donnell	Southland
Amherst	Hereford	Olton	Springlake
Anton	Idalou	Opdyke West	Stanton

Copies of the filing are available at the Energas Office at 5110 80th Street, Lubbock, Texas 79408-1121, and your local Energas Office. Affected persons whose gas rates are subject to the original jurisdiction of the Railroad Commission may file in writing comments or a protest concerning the proposed changes with the Docket Services Section of the Legal Division, Railroad Commission of Texas, P.O. Box 12967, Capitol Station, Austin, Texas 78711-2967, at any time within 30 days following the date on which the change would or has become effective.

"Snow White" Will Show In Tahoka

The English Theatre will be the first theater on the South Plains to show the new feature-length Walt Disney "Snow White and the Seven Dwarfs." The picture will be here Saturday, Sunday and Monday.

"Snow White," though an animated cartoon in technicolor, is said to be one of the greatest pictures ever made, and is breaking attendance records everywhere it is shown over the nation...

Walt Disney's "Snow White and the Seven Dwarfs," which runs well over an hour, is composed of over 250,000 drawings, with a musical background provided by an orchestra of 80 musicians.

As many as 750 artists worked on the production, which has been in the making since 1934. These consisted of 32 animators, 102 assistants, 167 in-betweens (at filling in bits of action), 20 lay-out artists, 25 artists doing water color backgrounds, 65 effects animators (those who draw smoke, water, clouds, etc.) and 158 young women adept at inking and painting the Disney figures on transparent celluloid sheets.

Trustees Approve School Trips, Audit; View New Science Lab

by JUANELL JONES

Upcoming school trips for high school and elementary students were approved, the Tahoka Independent School District's annual financial audit was presented and approved, and the Board of Trustees viewed the new high school science lab, among other routine business at Monday night's regular meeting.

Trustees gave a nod of approval for several overnight trips involving Tahoka elementary and high school students, and approved monthly bills. Joe Hays of Love Hays & Reeger presented the district's audit report for the year ended Aug. 31, 1994, and told trustees the district was in "good shape" financially. Trustees unanimously approved the audit as presented.

All seven trustees, as well as Superintendent David Hutton, high school science teacher Cathy Box, and several other district staff, toured the newly-renovated science lab to view the new lab stations. Mrs. Box thanked trustees for providing the new lab, and said, "The district should be very proud of these new lab stations — the students are excited about doing lab experiments, and these new work stations are great." The lab renovation, approved last May, cost the district approximately \$25,000.

The board approved a textbook committee composed of several district teachers to review new textbooks up for adoption for the 1995-'96 school year, including such subjects as accounting, economics, public debate, art, music, math, science and geography.

Trustee Clint Gardner was named district representative to the Regional Advisory Committee of Edu-

cation Service Center-Region 17, with trustee Brad Hammonds named as alternate.

The district received an additional \$9,966 in federal funds, and trustees approved a budget amendment to expend the funds in staff development, administrative supplies, nurses supplies, staff travel, and payroll.

Board members received information sheets detailing each trustee's training hours, and the superintendent reported that several projects had been completed at the district, including new fences and sidewalks on the elementary campus, bus lot paving and fencing, air conditioning in the high school gym, and the renovation of the science lab. Tucking (structural repair) will be completed in November on the high school auditorium, junior high building, and the elementary gym. He noted that the district had begun teacher evaluations, and that several students would be taking their exit level TAAS tests this week.

Superintendent Hutton presented a superintendent evaluation form for trustees to consider, and also provided committee minutes from the district's site-based decision making committees for informational purposes.

All seven trustees were present for the two-hour meeting. The next meeting was set for Nov. 10 at 7 p.m.

THE \$51 PER BALE ADVANTAGE FOR COTTON PRODUCERS

More than \$51 per bale paid in cash for the 1993 crop.

Your local and regional cotton cooperatives offer a vertically integrated system that takes your cotton from the field to the textile mill. It's a system that adds valuable income to your farming operation. Ginning, warehousing, marketing, textile manufacturing, and cottonseed processing all work to increase the value of your cotton crop every step of the way. For the 1993 cotton crop, combined cash payments from the local and regional cotton cooperatives averaged \$51.62 per bale, over and above the value of your lint cotton. Thus, the more cotton you send through the cooperative system, the more you can add to your net profits. Consider the cooperative advantage for your cotton crop. From your local cooperative gin to the warehouses, the oil mill, the marketing association and the denim mill — it's just good business. See your local or regional cotton cooperative today.

AUDRA YOUNG Young To Perform With National FFA Band

Audra Young of Wilson has been selected as one of FFA's official music makers in the National FFA Band. The more than 100-member marching and concert band will play throughout the organization's 67th National FFA Convention, Nov. 10-12 in Kansas City, Mo.

Miss Young is a member of the Wilson FFA chapter. She is the daughter of Lowen and Terry Young of Wilson.

FFA band members are nominated by their state associations and final selection is made from more than 300 applications. The young musicians will arrive in Kansas City three days before the convention to rehearse. They will then perform for FFA members and guests as the featured entertainment at many convention sessions.

The National FFA Band is directed by Gene Englerth, current director of the Michigan State FFA Band and former assistant director of the National FFA Band. The band is co-sponsored by Ford Division-Ford Motor Company of Detroit, Michigan and Landmark Genetics, Inc., of Los Angeles, Calif., as a special project of the National FFA Foundation.

The 2nd annual 2 Alarm Chili Bowl Chowdown, sponsored by the Wilson Volunteer Fire Dept. will be Friday, Oct. 21 from 5-7 p.m. in the school cafeteria. Prices are \$3 for adults, \$2 for children 6-12, and children under six are free.

The Fire Dept. is also planning a fire prevention program for the elementary school Friday, Oct. 21 from 8:15-9 a.m. They will have demonstrations and hands-on activities for the children. Parents and others are invited to attend and bring their cameras.

The annual Wilson Fall Festival will be Saturday, Oct. 29, 6-9 p.m. in the high school gym. Various groups and individuals have signed up for booths including foods, games, crafts, and others. For more information or to reserve a space, call Lynda Williams at 628-6307.

The Wilson Mustang Booster Club meets Tuesday nights at 8 p.m. in the school cafeteria. The group is selling seat cushions and caps at the home football games and at other times by contacting a member.

The Booster Club will have a drawing for a 19" color TV with remote during the Fall Festival. Tickets can be purchased from any Booster Club member or during the Fall Festival. Tickets are \$2 each or six for \$10.

The Booster Club needs volunteers for the concession stand and chairs for the two home football games. Contact Sheri Gickhorn or Arthur Castillo to volunteer.

A drawing will be held during the halftime of the Meadow game Friday, Oct. 21 for the game ball. Tickets are \$1 and can be purchased from any Booster Club member until the beginning of the halftime activities.

The Wilson Band earned two division 2 ratings and a division 3 rating for their performance in the Texas Tech Band Contest. The band will participate in the UIL contest at Tech on Tuesday, Oct. 25. Practice has been rescheduled for Monday night, Oct. 24 from 6:30-8:30 p.m.

The Wilson Lions Club will meet Thursday, Oct. 20 at 7 p.m. in the school cafeteria. District 2-T2 governor, Robert Becker of Brownfield, will visit.

A team from the Wilson FFA Chapter will compete in the District FFA Leadership Contest on Saturday, Oct. 2 at 9 a.m.

The Wilson Quarterback Club meets Saturdays at 9 a.m. in Coach Lane's room in the Jr. High building.

St. John Lutheran Church will be involved in the Fall Festival. They will serve beans and cornbread at one booth and they will be taking donations to update the heating and air conditioning system at the church. In exchange for the donation, individuals will be given tickets to a drawing for a quilt. Tickets are \$1 each or six for \$5.

The quilt top was pieced by Emma Maeker of Slaton and quilted by the St. John Lady Quilters.

Tickets may be obtained from Cheryl Donathan, Tonda Freitag, Clyde Wilke, Ray Ehlers, Betty Ehlers, Russell Bingham, Eileen Schultz, or at the Festival.

SENIOR SUPPORT — Tahoka Care Center residents, Rosa Riojas, left; Juanita Chambers, center; and Mozelle Banks, right, rode on the Care Center float in the Homecoming parade.

**News From The
Tahoka Care Center**

by Sara Alvarado
The residents and staff would like to welcome new resident, Nonette Davis of O'Donnell.
Flu shots were to be given to residents on Oct. 18.
The Care Center had the van and a Hawaiian float "Roast the Eagles" in the Homecoming parade. Residents wore hats and leis and enjoyed the parade. Six residents rode on the float and seven residents rode in the van with Lisa Lehman and Missy Segovia.
Tahoka Middle School cheerleaders came to the Center on Friday morning to do some cheers and have a pep rally for the residents. Josephine Johnson showed her Bulldog spirit by cheering with them. The residents wore Bulldog tags on Friday to show their support. Cookies and punch were served.
There was good attendance at gospel singing on Monday afternoon and on Tuesday afternoon residents went on a van ride.
Tahoka FHA came to the center on Wednesday to decorate for Halloween.
Special thanks to the FHA students, TMS cheerleaders, Tino DeLeon for loan of trailer and pickup, Herbert Watson for the tomatoes, Elna Martinez for the peppers, Mary Elrod and Dee Dee Harper for candy and

popcorn. Thanks to staff members Lisa Lehman and Linda Hood for driving the van and pickup and the parade and the other staff that helped.
A birthday party was held Oct. 18 by Sweet Street Church.
Linda Hood and Gertrude Potts had perfect attendance for September.
Joy Morad-Ali, DON, is attending a seminar in Austin this week.

**Sheriff Diggs Announces
Associate Member Program**

Lynn County Sheriff Jake Diggs has announced that citizens who would like to join law enforcement officials in the fight against crime now have a way to show their support of that fight by becoming Associate Members of the Sheriffs' Association of Texas.

**THS Grad, Nurse,
Bitten By Rattler**

Carol Higdon, registered nurse employed by Rolling Plains Memorial Hospital in Sweetwater, and daughter of Mr. and Mrs. Archie Riddle of Tahoka, recently was bitten by a rattlesnake while visiting at the home of her sister, Charlene Kilgore, near Sweetwater.
A story on the incident was published in the Sweetwater Reporter Oct. 7, pointing out that Mrs. Higdon, who has been the head emergency room nurse at the hospital for about 10 years, has seen several snakebite victims, but "now she knows what it's like to be on the table looking up at medical personnel."
"Before, I had just seen the immediate effect of a rattlesnake bite, the swelling and the bite marks. I heard patients describe the pain as 'horrible,'" she said, agreeing that the word was accurate.
Mrs. Higdon, a graduate of Tahoka High School, was bitten when she stepped out on the porch at her sister's home Sept. 28. She is still recuperating.

The Sheriffs' Assn. of Texas is 117 years old and is a professional and educational organization dedicated to the preservation of peace and the protection of the lives and property of the citizens of Texas, according to the sheriff.
Residents of Lynn County will soon be receiving membership applications in the mail. Joining the association is voluntary and Sheriff Diggs encourages as many citizens as possible to join.
"It is difficult to get an application to everyone who may want to join the Sheriffs' Association as an associate member," Sheriff Diggs said. "Anyone who does not receive an application by mail may come by the sheriff's office at S. 2nd and Ave. H in Tahoka, or send your name, address, and a check - \$20 for individual membership - to the Sheriffs' Association of Texas, P.O. Box 4488, Austin, TX 78765-4488."

Membership dues are used to upgrade, professionalize, and train sheriffs and other law enforcement officers to protect the citizens of Texas.
All associate members will receive a wallet membership card, two window decals, a subscription to a quarterly publication, "The Texas Lawman," and \$1000 Accidental Death and Dismemberment Insurance.
Sheriff Diggs, 998-4505, can provide further information.

Mark Wuensche Wins Football Contest

Six entries missed only two picks in last week's Football Contest, but Mark Wuensche picked the closest tiebreaker score to win the \$10 prize. He missed naming the secret sponsor to double his money.

Secret sponsors for the week were Tahoka Auto Supply, Clippers &

Shears, Hair Expressions by Beverly, Tejada Cafe, Taylor Tractor, and Mr. Bernie's.

Entries in the weekly contest are due by 4 p.m. Friday at the Lynn County News. All entries are entered in a drawing for a \$75 shopping spree at Thriftway, to be drawn at the end of the football season.

Farm News from Lynn County
by Jimmy Woodard, Lynn County ASCS Committee

Grazing of CRP Acreage: Lynn County has been approved to allow livestock producers that qualify to graze CRP. The basic rules remain the same as the prior approval. The grazing period will end Nov. 30, 1994. The cost is a prepayment of 8% of the annual rental rate per acre grazed. Remember, both the livestock producer and CRP participant must apply before grazing only. Please call the ASCS if you need additional information or to apply.

Failed Crop Acreage: Operators are reminded that any crop certified for harvest that fails and will not be harvested must be reported before plowing or destroying the evidence of the crop. This is the same rule that has applied for years. Producers are reminded to report all insured failed crops to the insurance agent before destroying evidence of the crop.

Lynn County Employees Retire: Following the instructions given by the President, ASCS has approved the early retirement of three employees in Lynn County. The employees are Betty Harston, Sharron Smith, and Nedra Young. These employees have served farmers of Lynn County for a combined total of 80 years.

"The County Committee, staff, and I wish to express our appreciation to them for the opportunity to work with them. Producers of Lynn County have benefited from the excellent work of these employees during their years of service," said Jimmy Woodard.

Everyone is invited to a reception to honor these employees on Thursday, Nov. 3, from 1-5 p.m. in the Lynn County ASCS Office. Refreshments will be served.

Community Committee Election: This year Community and County Committee member election will be held for Community "C." This community is located south of Highway 380 and west of Farm Road 2956. Nominations for Community Committee members can be made

until Oct. 31. Instructions have been received to not mail petitions to producers to make nominations. Any Community "C" eligible voter may request a petition required to make a nomination from the ASCS office. The petition must be signed by the nominee as well as three eligible voters from Community "C." The completed nomination form must be returned by the final date listed above.

Ballots for election of Community Committee members will be mailed to all eligible voters in late November. Ballots must be returned by Dec. 5. The three elected Community Committee members will meet Dec. 15 to elect the County Committee Member from Community "C." All members will serve three years. The Community Committee member from all communities will elect the Chairman and Vice Chairman for the County Committee. These offices are elected each year.

Deadline Extended for Multi-Peril Insurance: Due to the delay in Congress passing the insurance reform bill, the final date the purchase multi-peril insurance for wheat has been extended to Oct. 31. Contact your agent if you are interested in this program.

The insurance reform bill has passed Congress and is ready for the President's signature. Details of this bill will be sent as regulations are received.

Lynn County Gins Agree: All operating cotton gins in Lynn County have signed agreements to use approved bagging and ties that meet CCC requirements to place cotton in the loan.

Methodist Home Offers Free Workshop

The Lubbock office of Methodist Home will sponsor a free workshop, "Families in Transition," on Oct. 27 from 7-9 p.m. The workshop will be held at Forrest Heights United Methodist Church, 3007 33rd Street in Lubbock.

"Families in Transition" will focus on step-parenting and will also cover divorce recovery issues. The workshop is appropriate for parents that are members of a step-family, are going through a divorce and professionals that work with families in transition.

Van Jones, LMSW-ACP, will conduct the workshop. Jones is the Director of Treatment Services at Methodist Home's Family Services and Counseling Center in Waco. He is the co-author of the book *Every Other Weekend*, which focuses on non-custodial fathers of divorce maintaining positive relationships with their children.

The workshop is free, but those planning to attend need to pre-register by Oct. 24 by calling the Methodist Home office in Lubbock at 792-0099. The workshop is approved to give CEUs for social workers and credit for Licensed Professional Counselors is pending.

SAMPLE CUSTOMER NOTIFICATION OF HIGH FLUORIDE GRASSLAND WATER SUPPLY CORP.

Dear Customer:
The Grassland Water Supply Corp. has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum contaminant level for Fluoride, established by the Department's Drinking Water Standards, which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-532 (US).

The maximum contaminant level has been set at 4.0 milligrams of Fluoride per liter of water. The samples of water from our system contained 5.3 milligrams of Fluoride per liter. There is no immediate health hazard for drinking water containing Fluoride at this level.

The excessive Fluoride content of the water may cause mottling of the teeth in children under 14 years of age. Bottled water is available, at no cost, at the Business Office for children under 14.

All dentists in this area are aware of the Fluoride level.

Alecia Hancock Inducted Into Phi Theta Kappa

Alecia Hancock, of Tahoka, was recently initiated into South Plains College's Kappa Mu chapter of Phi Theta Kappa, international honor society for students in two-year colleges. She was one of 87 new members.

Students must maintain at least a 3.25 grade point average in order to join the organization.

Phi Theta Kappa, with more than 900 chapters in the United States and abroad, is the only internationally-acclaimed honor society serving two-year colleges offering associate degree programs.
