Accused Rapist Caught After Jail Escape Here

By DALTON WOOD

Lynn County law enforcement officers Monday recaptured accused rapist Raymond Joe Page Jr. of Lubbock after he escaped the Lynn County jail early that morning.

Page was captured by authorities about 11 miles north of Tahoka about 2:40 p.m. Monday behind Poka-Lambro Telephone Co-Op after he

rape of a 13-year-old Hutchinson Junior High School girl who had been walking to school. He later was linked to several other attacks on women which occurred in 1994 and earlier this year.

He has been charged with aggravated kidnapping, aggravated sexual assault and attempted kidnapping, with bond set at \$50,000 on each charge, and had been held in a Lubbock jail until about two weeks ago.

He was brought to Lynn County for a hearing scheduled Wednesday to revoke his probation on a felony theft charge; however, the hearing has been postponed. Diggs said Page had been convicted in Lynn County of theft of aluminum pipe in 1989 and had been given a 10-year probated sentence. He also said Page now has been charged with jail escape and bond on that charge has been set at \$250,000.

Page's cell apparently had been unlocked so he could use the telephone. He then threatened the female guard with the toothbrush, which he had apparently melted down to a point. Diggs said inmates are allowed to snog in their cells, although he was not sure if Page still would be allowed that privilege. He added that the jail would add at least one more jailer to night duty.

After assaulting the guard, Page ran from a hallway outside his cell, broke the lock on a wooden door and escaped through unlocked glass double doors, Diggs said.

Sheriff Diggs apologized to the family of a Tahoka man whose name was brought up in the investigation after Page escaped. "Paul Henderson's name was brought up in the initial investigation, but he is in

had assaulted an unarmed female guard about 4 a.m. that day with a sharpened toothbrush, according to Lynn County Sheriff Jake Diggs.

Diggs said Page, 24, apparently had fled east from the jail and walked through fields to the Tahoka Lake area northeast of town, then across U.S. 87 to Poka-Lambro. He had shed his jail uniform near FM 211 and U.S. 87 intersection, then made his way to Poka-Lambro where he was spotted by a Lynn County resident who called the sheriff's office.

When officers arrested Page, he was wearing a T-shirt and shorts.

The search involved officers of the sheriff's department, police officers from Lubbock, Texas Rangers and the Dept. of Public Safety.

Page was arrested in Lubbock following the April 13 abduction and

A 63-year-old New Home man was killed about 2:45 p.m. Tuesday when his 1990 Chevrolet pickup struck a tool bar on a tractor on FM 211 a mile west of New Home during a brief rain and windstorm which

obscured the vision of both vehicle operators, according to the investigating state trooper.

Lloyd George Huddleston was pronounced dead at the scene by Justice of the Peace H.W. Edwards of

no way connected to any criminal activity of Raymond Joe Page Jr. "Diggs said. "I apologize for any embarrassment to Henderson and his family which may have resulted from this incident."

No other major crimes were investigated by law enforcement officers in the county during the week, although Tahoka Police Dept. did check on an alleged attempted suicide and also a report of a burglary of a residence on Ave. E in the city

Saturday. A woman reported that a kitchen table, two wall plaques, a tool box and a box of tattoo equipment had been taken from the house.

In jail during the week were one person for driving while intoxicated, third offense or more, and one for theft over \$200 and under \$750, for Deaf Smith County.

Tahoka.

Driver of the 1980 John Deere tractor involved was Ronald Case, 37, of Wolforth, who was treated at the scene by Lynn County EMS personnel for a head injury. Case was driving east and Huddleston west. Case told officers he had pulled off the roadway to allow a vehicle behind to pass, and then pulled back on the highway and never saw the Huddleston vehicle before the impact.

Services for Huddleston were pending Wednesday morning with White Funeral Home in Tahoka. Among the survivors known at that time are Huddleston's wife, Linda, and a daughter, Rhonda McNeely of Tahoka.

Hospital Board Changes Meeting Time, Approves Water Well For Grounds

Two new members were sworn in to the Lynn County Hospital Board of Directors last Thursday morning, and the full slate of directors voted unanimously to change the monthly morning meetings to 8 p.m. on the third Thursday of each month. The board also elected a new slate of officers, approved a computer system upgrade, approved digging a water well for hospital grounds, and other routine business.

Outgoing director and president Leland White conducted the meeting until the new directors took the oath of office, including incumbents Harold Barrett and Norman Ledbetter and newcomers Mike Rivas and Jimmy Dorman. The new board then elected Virginia Griffing as president, Norman Ledbetter as vice president, Hospital Administrator Louise Landers as secretary, and Boyd Barnes as treasurer.

A computer system upgrade, at a cost of approximately \$54,770, was unanimously approved by directors after some discussion. "The current system, purchased five years ago, is not large enough anymore. We are totally overloaded and almost at a

standstill," Mrs. Landers told the board. Following a directive from the board at last month's regular meeting, Mrs. Landers had researched options available to the district concerning the system upgrade, and directors approved the upgrade estimate from Dairyland.

Directors also approved drilling a water well for hospital grounds, which would also be an emergency backup water source for the hospital building. The board's Grounds Committee had researched cost estimates, and directors approved drilling for the well at a total cost estimate of \$2500.

Mrs. Landers reported there was no new information on the voting rights suit against the hospital and that the demographic maps of the district had not yet been received.

Board members signed new signature cards for the bank depository, and the financial statement and monthly bills were unanimously approved.

The next regular meeting was scheduled for June 22.

All seven directors were present for the two-hour meeting.

LOCAL YOUTH MEETS STATE OFFICIALS—Timothy Hutton, 10-year-old son of David and Glenna Hutton of Tahoka, met Governor George W. Bush (photo at left) and visited with State Representative David Counts while in Austin with his father on May 15. In the photo at right, Rep. Counts lets Timothy push the button to vote during a session in the House of Representatives. Because everyone on the floor must wear a coat and tie, Counts loaned the Tahoka youth his coat (notice the rolled-up sleeves), although Timothy did have his own tie.

Bulldogs Barely Lose First Bi-District Game

The Tahoka Bulldogs baseball team, playing their first bi-district game in the school's history, gave it a good effort, but a last-inning effort came up a run short and New Deal won 10-9 to advance in the Class AA playoffs.

New Deal actually used a 5-run 7th inning to win the game, but Tahoka came back with four runs and hid the tying run on base when the game ended.

After the first inning, New Deal had a 3-1 lead. Tahoka scored four runs in the second, when Gerold Cantu doubled and brought in three runs. New Deal tied the game at 5 in the 6th, and added 5 more runs in the top

of the 7th, making it 10-5. Coach Cory Barnes' Bulldogs came back in the bottom of the 7th with four runs. Matt Garcia tripled and scored on Edward Ramirez' sacrifice fly. After Monty Hale grounded out, Stephen Rodriguez, Shawn Brewer and Reggie Moore each hit 2-out singles and all three scored. Chris Rodriguez got on via an error and reached third on a wild pitch, but a grounder by Mike Rodriguez was the last out.

Garcia pitched six innings and struck out one for Tahoka. Cantu pitched one inning and struck out one in the game played at Estacado High School in Lubbock.

High Blood Pressure On The Rise

The health spotlight on cholesterol may be causing more Americans to ignore the dangers of high blood pressure, a leading cause of heart attacks, strokes and other medical problems. Studies at the Minnesota School of Public Health show that fewer people take blood pressure medicines now than in the early 1980's. Researchers believe this is due to the higher cost of newer blood pressure medicines and to the fact that controlling blood pressure is no longer at the top of the national health agenda. High blood pressure is still a killer.

Look Out World! Guess Who's 21

Love - Mom, Dad & Kevin

TAAS tests, end-of-course tests, banquets, awards assemblies, and most other school activities have wound down and now is the time for the Class of 1995 to march down the aisle, across the stage and into the future. Wilson graduates and others who attended the UIL banquet are asked to remember Dr. Vaughn's address and his emphasis of the three "F's": Free, Fair and Fail and how reactions to these words will shape the future. "Good-Luck, Class of 1995."

The Wilson Elementary school will continue into the summer with several programs designed to benefit the elementary students.

The first of these programs is the "Summer Fun" for all elementary students as well as for children who will be in Pre-K and kindergarten next fall. Registration has already been held for this program. It was necessary that the registration be completed as soon as possible so that adequate preparation could be made for supplies and the various activities planned for the program. A few late registrations may be accepted. Contact Kelley Hirt at her office, 628-6261. The program will run from 8:05-11:30 a.m. on each Thursday in June.

Wilson elementary students will be able to use the school library on Thursdays during the summer. There will be an organized program for students in Pre-K through 2nd grade, and another group of activities for students in grades 3-6. The younger group will have story time and a time to check out books. The intermediate group will have organized programs in library resources and library skills as well as a time to check out books.

Both of these programs will be on Thursdays from 11:30-12 noon. For more information contact Librarian Gayla Carlton or Elementary Principal, Kelley Hirt.

The Wilson School Board has changed their meeting time from the second Thursday of each month to the first Monday of each month beginning with

the June meeting. This change will eliminate the publishing of an agenda in the paper, so interested parties should go by the school and review the agenda as it is posted at the administration offices.

Wilson students Joe Hernandez and Lora Yowell will be involved in the State solo and ensemble contest held Monday, May 29.

Memorial Day is Monday, May 29 and in honor of this day several businesses and governmental offices will be closed. The Wilson City Hall, Wilson State Bank, and the Wilson Co-op Gin will be closed.

The Wilson Sr. meals will be delivered on Tuesday instead of Monday this week because Wilson City Hall will be closed Monday. Wednesday meals will still be delivered on Wednesday. Contact Shorty at the City Hall to let her know how many meals to order.

St. John Lutheran Church is still hosting "Young at Heart" on the final Thursday of each month. The May meeting will be today (May 25) at 1 p.m. in the church educational building.

Student Council awards were given to the following students for their work with the Wilson Student Council: Jason Marshall, president; Eric Arellano, vice president; Patricia Holder, treasurer; Billy Cavender and Amy Williams, 7th grade; Brenda Castillo and Jeff Compton, 8th grade; Amanda Burton and Josh Isham, 10th grade; Brandi Gicklhorn and Keri Wied, 11th grade; Daniel Clark, 12th grade.

St. John Lutheran Church will have Vacation Bible School June 26-30 from 6-9 p.m. A meal will be served. For more information contact Lisa Cook at 628-6588.

Individual awards given to WHS students at the UIL banquet on May 19 included:

Boys- Adam Castillo, outstanding football; Ozzie Valdez, outstanding basketball; Henrik Oskarsson, Fighting Heart; Jason Marshall, outstanding track; Greg Castillo, leadership.

Girls- Keri Wied, outstanding basketball; Brandi Gicklhorn, outstanding track; Adrienne Caballero, leadership; Lillie Castillo, Fighting Heart.

Academic All-State awards went to Keri Wied, Adrienne Caballero, Jason Marshall, and Henrik Oskarsson.

The 1992 class of WHS will have a reunion Saturday in the Green Building (Mercantile). Registration and visiting begins at 10 a.m. A sandwich luncheon will be at noon and then visiting will fill the afternoon.

This is the last column for this school year and there are several people who have made this job a little easier with their work and efforts to get school news and information for the writer. Maxine Nolte, Connie Brandenberger, and Tami Bolyard, have gathered and assembled information on school programs, and events, lunchroom menus and school calendar items, as well as athletic and academic contest results.

Sheri Gicklhorn is there for information about the booster club, the groups they support, and their activities. "Thanks folks, you are appreciated."

Several questions have been raised about the column during the summer. It will be here for you and your information. Contact Buster Abbe with information to be placed in the Wilson News.

The Wilson Mustang Booster Club would like to express our thanks to everyone who had a hand in making the 1994-95 UIL banquet and dance a success. Our appreciation goes to the boosters who worked such long hours planning, decorating and cleaning up, and to the students and adults who helped carry table, chairs and the stage. We had a very successful year and look forward to a good 1995-96 year.

Safe Driving Urged For Memorial Weekend

Memorial Day weekend, the holiday gateway to warm weather driving. For many, it is a time to celebrate the school year's end. Many will remember those who have served to protect and defend our freedoms. Too many will violate the freedom of others, causing needless death and injury on highways and streets this holiday weekend.

Troop E. Baiza, Public Information Officer for the Texas Department of Public Safety advises that the Department of Public Safety Troopers and officers of area agencies will be on alert for hazardous violations, such as following too closely, cutting in too close after passing, passing in a no pass zone, speeding and others. They will also be watching for drivers not using their safety belts, especially children riding unsecured as well as other passengers.

Baiza urges motorists to buckle up, drive with headlights on day or night, and drive alert. "As you drive, study your changing scenery for defensive options, should you come upon an errant driver," he said.

Baiza states, "If you are going to drink alcoholic beverages, be sure to have a designated driver who will not be consuming alcoholic beverages." The Texas Department of Public Safety and area agencies ask all motorists to drive safely so this Memorial Day weekend will be one with pleasant memories.

Crowd Sees New Santa Fe Train

Tahoka people turned out 1,052 strong Thursday morning to inspect the new Santa Fe stream-liner passenger train when it visited this city between 10 and 11 a.m.

The crowd exceeded Slaton's 1,034. School was turned out for an hour, and this was the first time many children, and a few adults, had ever been on a train.

Local Baptists To Participate In Russia Crusade In June

Dean Bartley, Jay Jay Wiseman, Stephanie Stennett, Blanda Miller and Barbara and Jerry Becknal of First Baptist Church, Tahoka are participating in an International Crusades church-to-church evangelistic effort in Russia May 31-June 14. One hundred ninety-eight Southern Baptists, representing Lubbock Baptist Association, Caprock-Plains Area, Amarillo, and Top-O-Texas Associations will be engaged in revival in several Russian cities during this time.

A special commissioning service is scheduled at First Baptist Church, Sunday, May 28, at 6 p.m. for the local group.

Dean Bartley and Jay Jay Wiseman will be joining Jim Stephens of O'Donnell to work with Pastor Nicolay Korobov in Novocheboksarsk, a city of 200,000 located near Cheboksary. Blanda Miller, Stephanie Stennett and the Becknals have been assigned to assist Pastor Victor Podresov in Lipetsk, population 700,000. Both cities are approximately a day's ride by train from the crusade headquarters in Moscow where team rallies will be held on arrival in Russia and again following the week of simultaneous revivals.

Others from this area participating in the crusade are Maggie and

Nancy Flanigan, Marita Jackson, and Charity Williams from Post and Kenneth Platte from Wilson.

International Crusades (Beth Mieth, Founder and Crusade Coordinator) is an autonomous partnership crusade ministry working in cooperation with the Foreign Mission Board of the Southern Baptist Convention.

Special Services are planned at First Baptist Tahoka while Pastor Becknal and team members are involved in the crusade. Mark McAfee will conduct the worship service at 10:55 a.m. on June 4 and Milo Jurik, Prevention Consultant with Drug Prevention Resource will speak during the 6 p.m. service.

Jurik is well known in West Texas. He has pastored churches in Portales, N.M. and Seagraves and is presently working for Prudential Insurance Co. in Lubbock. His experience brings a unique perspective to the ministry of Drug Prevention Resources, Inc. and enables him to speak practically on the subject of drug abstinence.

Jeremy Brandon will speak from the pulpit Sunday morning and Conner Krey will speak in the evening on June 11.

The community is welcome to attend all services.

Letter To The Editor

Dear Editor,

I have been going to the Little League Park to watch the children play ball for many years. It has always been fun to go and watch my son and now my grandsons and others play. I have enjoyed it very much until this year. There seems to be a group of youngsters (not the players) that just cannot seem to sit down and watch the ball games. They run up and down the bleachers, in back and in front of the people that are trying to watch the game. They also throw rocks over the bleachers and they also throw ice. They are very rude young people. When asked to sit down and watch the game or leave, they just laugh and make rude remarks about the person that asked them to sit down. These youngsters are old enough to know how to act.

I wish the parents that let them come to the ball game would stress to them that they need to watch the game and not be rude to the people that are trying to watch the game. These youngsters make it very unpleasant for the people that want to watch the games.

A Concerned Little League Fan,
Wanita Kelly

Ladies,

Last week I noticed an informative little ad that encouraged us to "shop at home"...I liked this! Although I realized this is not the first time that you have published such, it may just be the first time I pondered it.

The business that I work at has 9 full time employees—each employee has a family...a total of 26 people all together. We are thankful for our jobs and for the people that come our way.

We try a little harder, I think, because, like other hometown businesses, when you sign the check you are paying our wages. Because of you, we don't drive to Lubbock for jobs and maybe you feel there is a convenience to having a Dealership right here in your hometown.

I know we pay, like other businesses, a lot of taxes...a lot of donations...and a lot of "freebies." In fact, I'd like to think that each of you know how much 26 people depend on you and are appreciative of you...now this is just one business...just think how many more might say, "Ditto." Thanks from my fellow co-workers for Shopping at Home.
