Country Club To Host PGA Annual Golf Tourney Here

Over 100 players are expected to compete in the 54-hole annual tournament or the West Texas Chapter of PGA to begin tomorrow at the Muleshoe Country Club.

Amateurs and professionals will participate in the 54-hole medal play which will run through Sunday.

Today, a pro-am tournament is being played at the Country Club, with one professional playing along with amateurs in each flight.

Amateurs will play in classified flights, according to handicaps, in the tournament to begin tomorrow. There will also be women's flights in the tournament, with 18 holes to be played each of the three days.

Winners of the Club Tournament are a dinner for all contestants tonight, a business meeting for professionals tomorrow night and a dance Saturday night.

Defending sectional champion in the match will be Horace Moore, pro at Plainview Country Club.

WINNERS OF CLUB PLAY
Winners of the Club Tournament which ended last Sunday were announced this week.

In the men's play, Russell Haber came in first with a 200, while Houston Hart captured second with a 210. Ray Daniels was third and Earl Richards, Howard Elliott, Bernard Phelps and D. H. Sneed all tied for fourth, fifth

and sixth places with 213 each. Mildred Lambert, with 204, was first in the ladies' division, followed by Melzine Elliott, Mary Frances Holt, Wanda Hardy, and Mary Sweatman.

Prizes were also presented by Ray Hardy, PGA pro, for most three to Russell Haber, Don Moore, and E. A. Myers. Russell Haber and Stan Barrett received prizes for low net, while Ray Daniels, Russell Bryant and Howard Elliott made the most sixes.

Closest to par were E. A. Myers and Stan Barrett. Low gross went to Russell Haber and Stan Barrett.

In the ladies division, Mary Frances Holt made the most pars on the first 18 holes. Nona B. Douglass had the low putt, Mildred Lambert had the most bogeys on the second 18, Lois Lenua had the most double bogeys, and Mary Frances Holt and Melzine Elliott had the low putts on the last 18 holes.

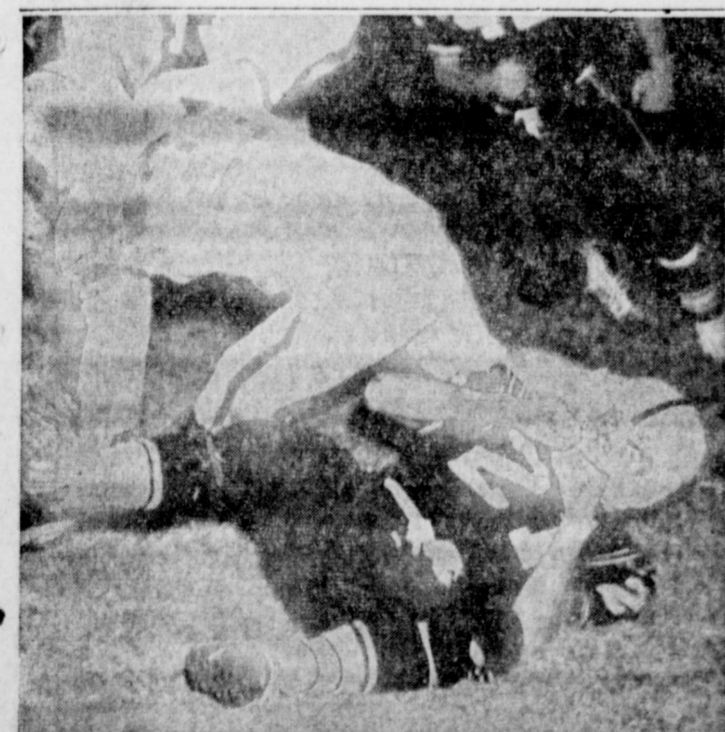

Halloween Carnival Will Be Sponsored By Band Boosters

Plans are well underway for the Halloween Carnival which is sponsored by the Band Boosters Club. The carnival which will be held in the bus barn at the high school will feature many booths and attractions.

Booths that were assigned when the Band Boosters met last Thursday were as follows: Band Boosters, bingo and the concession stand; Richland Hills P-TA, candied apples; Band Students, Dunking Board, Altar of Rosary, Fishing Pond and the sale of hot dogs; High School class, palm reading; Rainbow Girls, jail

house, pop corn booth; Student Council, Cub Scouts, the spook house; Customs Car Club, dart game. Many other booths have been assigned that were not available for listing at this time.

(EDITOR'S NOTE — Firemen will patrol the streets of Muleshoe all night Halloween, so children are warned to observe a quiet and safe Halloween. "Trick or treating and such practices are allowed, but children should not trick too much," one fireman said.)

STIFF, BUT BLOCKING—Jerry Gilbreath, Muleshoe half-back, is shown above as he remains rigid after blocking his man out in last Friday night's game against Floydada. (Staff Photo)

Texas State Guard MP Unit Is Being Established In Muleshoe

Lt. Col. John Goodman, of the Texas State Guard Reserve Corps, spoke October 18 to Muleshoe Lions concerning the probability of the establishment of a unit here.

From this speech came many

misconceptions and mistaken ideas. Among these was the impression that the local Civil Defense authority would be assumed by the State Guard unit.

Carroll Pouncey, manager of the local Chamber of Commerce,

telephoned Governor Price Daniel's office in Austin and cleared up many of the notions left by the colonel's speech here.

George Christian, one of the governor's aids, spoke for the Adjutant General of the State

Guard Reserve Corps, Maj. Gen. James E. Taylor, saying there would be no change in the Civil Defense authority in Bailey County. The county judge is automatically head of the Civil Defense unit in each county in Texas.

One of the facts in the situation is that there will be a unit of the Texas Guard Reserve Corps established in Muleshoe. This will be the only such unit in existence in a town lacking a National Guard armory.

Earl Ladd Jr., has been commissioned a captain in the State Guard Reserve and will act as commanding officer of the local unit, which will be composed of 75 officers and men. His executive officer will be Ed Edmiston.

The unit was created October 22 upon receipt of orders from the State Headquarters of the guard.

Designated Company D, 502nd Military Police Battalion, the unit will serve as a reserve for the state militia. "When and if the National Guard is called to active duty, the State Reserve Corps will act as the state militia," Ladd said.

"It is the inactive State Militia of Texas and will be available for call from the county judge, sheriff's office or the Texas Department of Public Safety in event of an emergency," he continued.

Although the Texas State Guard Reserve Corps has acted in the role of the Civil Defense in some cases through a working agreement, this is not anticipated in Bailey County, according to Ladd.

Ladd indicated there will be a meeting of the local unit, which is under the command of battalion headquarters in Amarillo, at the American Legion Building at 8 tonight.

M'shoe District Changed, 1962 Football Scheduled

Muleshoe, along with other schools in this area, was again moved from one district to another last week.

Muleshoe, Olton, and Morton will

join Dimmitt and Friona in district 3-AA next year.

Following this redistricting, 26 representatives of schools in this district met here Tuesday night to arrange the football schedule

for the 1962 season.

District play will begin Oct. 19, when Muleshoe and Morton will meet in Muleshoe. October 26 will be Muleshoe's open date, with Olton visiting Muleshoe the following week.

Muleshoe's first out-of-town district play will be November 9 against Friona, followed by the season's finale, November 16 in Dimmitt.

The season will be opened once again with a game September 7 against Clovis. School will probably open September 3 or September 4, according to Superintendent Dillman.

This will be the first time in several years that Muleshoe's schools will open after Sept. 1.

Other business in the meeting was the election of Alton Farr,

Friona superintendent, as chairman of the district for the coming year.

General admission tickets for football games next year has been set at \$1.25, while student tickets will be priced at 50 cents. Reserved seat season tickets will probably remain at the present \$8, according to Dillman.

Included in the reshuffle of the districts is the addition of Tulia and Canyon in district 2-AA to join Abernathy, Floydada and Lockney, remaining in their present district.

Dalhart, Shamrock, Spearman, Sisseton and White Deer will be placed in district 1-AA, with Denver City, Post, Spur, Slaton and Friendship in district 4-AA.

Other games of the season have not yet been arranged, but are expected to be completed in the near future.

Muleshoe Burglaries Solved In Amarillo

Sheriff's officers this week placed a hold order on Charles Ray Houtchens, Randall Lamar Follis and Helen Follis, arrested in Amarillo and wanted here in connection with local burglaries.

The three broke into the high school here and stole an adding machine and other office supplies and are suspected of burglarizing

Bob's "66" Station here, where thieves took some money.

The three were arrested October 20 in Amarillo when a burglar alarm alerted Amarillo police. This ended their series of 21 area break-ins, including the one in Muleshoe. The trio are all from Dimmitt. They told Amarillo police they indulged in the spree "just for the heck of it."

City police this week arrested one for driving while intoxicated, four for drunk and two for traffic violations.

Sheriff's officers also arrested one for drunk this week.

Texas Highway Patrolmen Bentley and Freeman this week "threw the book" at one man.

Arrested to possession, he was also charged with carrying an illegal weapon, a pistol, adultery, no driver's license and no muffler. He was fined a total of \$413 for the offenses.

Arrested along with the man, a Mexican from Big Spring, was another man who was charged with possession.

Highway patrolmen also arrested one for vagrancy and one for running a stop light, in addition to traffic violations.

Minister Began Duties Monday

Rev. and Mrs. Lynn Stephens and daughters, Beverly Jo, age 2, and Thresa Jane, 5 years, arrived in Muleshoe Monday where he will assume duties as pastor of the Main Street Baptist Church.

Originally from Lubbock, Rev. Stephens is a graduate of Jacksonville Baptist College. He attended Baylor University for one year and has been in the ministry for the past nine years.

Prior to moving to Muleshoe, he was pastor of the Meadowbrook Baptist Church in San Antonio for over three years.

Sugar Beet Man Visits In Muleshoe

Charles A. Lavis, director of agriculture development for Holly Sugar Company, Colorado Springs, Colo., visited in Muleshoe Friday to discuss the possibility of constructing a sugar beet mill in this area.

Lavis showed interest in this area as a sugar beet-growing area. He looked over the two-acre test field of beets grown on the Carl Bamert farm here and estimated it would produce 25-30 tons of beets and about the same amount of foliage.

Bamert grew the sugar beets after obtaining seed from County Agent J. K. Adams, who received them from the county agent in Clovis. He, in turn, had received his supply of seed from

Holly Sugar Company.

Lavis discussed the various possibilities for the utilization of sugar beets grown locally. He said they make an ideal food supplement for cattle, whether used for grazing or after milling.

He said the milling process leaves the pulp looking almost as before processing. The only major difference is the lack of sugar after it is withdrawn from the beet.

Lavis, who has visited many parts of Texas on his various trips to this area, said this seems to him an ideal area in which to grow sugar beets. "The rise of feedlots in this area would make a good market for the disposal of sugar beet pulp after processing," he said.

Members of the Sugar Beet Growers Association of Bailey County stressed the fact that they are not allowed to grow sugar beets now due to the present law. No sugar beets will be grown in this area until the present laws are revised to allow growth in new areas.

When the existing laws are changed, companies such as Holly Sugar Company will decide where to build a mill. If growth is allowed in this area, there will be a mill built. This does not mean a mill will be built in Muleshoe, it was pointed out, but does mean one would probably be built in Texas.

All mills now in operation are at peak production. The nearest of these is in Rocky Ford, Colo. Construction of a sugar beet mill involves an expense amounting to about \$12 million.

Douglas R. Lowe Contest Winner

Football kickoff contest regulars fell by the wayside this week as two newcomers to the winner's circle took the prizes for last week's selections.

Douglas R. Lowe, first place winner was \$5 richer Monday following the judges decision on last week's contest while Russell Bryant was named second-place winner of the week.

Lowe missed only one college football winner on his entry, while Bryant missed two.

Bryant was named second-place winner on his tie-breaker score. Others missing only two college choices included Jim Small, Dudley Malone, Jerry Boddam, Howard Splawn, Hazel Gilbreath, and Dale Fischgrabe. For an entry blank in this week's contest, turn to page three, second section.

PRETTY VISITOR—Helene Bekaert, 17-year-old foreign exchange student from Belgium; was introduced to the people of Muleshoe as part of the halftime activities at the Floydada game last Friday night. Her escort is Robert Garlington, Muleshoe senior student. (Staff Photo)

Joe S. Horsley Services Held

Funeral services were held October 20 at Main Street Baptist Church for Joe S. Horsley, 82, who had lived in Muleshoe 30 years.

Mr. Horsley died at his home on East Third Street October 18. He was a retired farmer and carpenter.

Burial was in Muleshoe Cemetery following services conducted (Continued To Page 6)

Service Held For Crenshaw Infant

Graveside services for Gwendlyn Dawn Crenshaw, infant daughter of Mr. and Mrs. Bobby L. Crenshaw, 813 West 67th Street, Odessa, were held at 2:30 p.m. Wednesday, October 18, in Sunset Memorial Garden.

Rev. Raymond Butts, pastor of the Friendship Baptist Church officiated. Burial was under the direction of Chapel of Roses.

The infant was stillborn Tuesday in Medical Center Hospital. Survivors besides the parents are Mr. and Mrs. Grover Crenshaw of Muleshoe and the paternal grandparents are Mr. and Mrs. James Wilabay of 2317 Stoner Road, Odessa.

Cotton Ginnings Up Over 1960 Figure

A U. S. Department of Commerce bulletin published October 16 shows that cotton ginned prior to October 1 is markedly higher this year than last.

Figures for 1960 show that 347 bales of cotton had been ginned in Bailey County by October 1 of that year, while reports this year show 515 bales ginned before that date.

Parmer County reports indicate 60 bales produced before October 1, as compared to 25 bales last year.

Cochran County had produced 592 bales, which is an improvement over last year's figure of 493. Lamb County shows 1,784

bales, which is down from last year's 1,992.

Hockley County shows a rise from 4,770 last year to 4,860 bales this year.

The top two cotton-producing counties in Texas through October 1 were Cameron and Hidalgo counties, in the Lower Rio Grande Valley. Hidalgo County produced 152,173 bales this year, down from 161,935 last year.

Cameron County production was also down, from 119,151 bales last year to 115,860 bales in 1961.

Of the top three cotton-growing counties as of October 1, only Nueces County (Corpus Christi (Continued To Page 6)

Mrs. Paul Crider

Double Ring Ceremony Unites Loretta Sullivan, Paul Crider

In a double ring ceremony in the Chapel of the College Church of Christ, Abilene, Texas, Loretta Sullivan became the bride of Julius Paul Crider, September 14, at 7 o'clock, Tommy Shaver, minister of the T & P Lane Church of Christ, officiated.

Parents of the couple are Mr. and Mrs. J. E. Sullivan of Muleshoe and Mr. Alfred Crider Sr. and Mrs. Floyd Pope, both of Austin.

Given in marriage by her father, the bride wore a floor length dress made of heavy slipper satin joined at the empire bodice with nylon lace, and the sleeves came to a point at the wrist. She carried a bridal bouquet of white Lily-of-the-Valley with white stephanotis atop a white satin covered Bible.

Serving as matron-of-honor was Mrs. Charles Arnold of Abilene. Her dress, similar to the bride's, was made of baby blue nylon lace and taffeta with short sleeves and was street length.

Music was provided by an a capella chorus composed of eight students in Abilene Christian College. Soloist Roger Helgeson, accompanied by the choir, sang "Because." A special effect was provided by the bride singing to the groom an unaccompanied solo rendition of "I Love You Truly."

Dec. Wedding Plans Revealed

MISS PEGGY SMITH

Mr. and Mrs. Floyd C. Smith of Iola, Kansas announce the engagement and approaching marriage of their daughter Peggy Marlene to Mr. Thomas Earl Osborn, son of the late Mr. and Mrs. E. E. Osborn, Chandler, Oklahoma.

Miss Smith is an elementary teacher in the Kansas City, Kans. schools and Mr. Osborn is a Court Reporter in Wyandotte County District Court.

He is a graduate from Muleshoe High School and is the brother of Mrs. Lindal Murray of Muleshoe. The ceremony will be read on on December 31 in Iola, Kansas.

Shirley Burelsmith and Curtis Walker Solemnize Vows Saturday

Miss Shirley Diane Burelsmith became the bride of Curtis Lee Walker in a double ring ceremony read at 6:30 in the evening on October 14 in the First Methodist Church.

Ebb Randol, minister of the Farwell Church of Christ, officiated as vows were exchanged before an altar decorated with bronze mums and pom poms arranged in formal balance with candelabras accented with gold salal and fall oak leaves.

Shirley is the daughter of Mr. and Mrs. D. O. Burelsmith. The bridegroom is the son of Mr. and Mrs. Lester Walker of Bakersfield, California.

The bride, escorted to the altar by her father, wore a gown of white bridal satin fashioned along Empire lines with a scalloped bateau neckline and fitted sleeves which ended in points over the hands. The princess skirt was designed with overlays of scalloped Chantilly lace on the side panels and outlining the Empire midriff.

The back of the gown featured flare panels merging in the center back to form a sweep of rolled pleats which extended into a chapel train. Her veil of imported silk illusion was caught by a crown of seed pearls.

A single strand of pearls, a gift of the bridegroom, was her only piece of jewelry. A crescent bouquet of bronze mums, pom poms and oak leaves was carried by the bride atop a white Bible which was given to her at baptism by her aunt and uncle, Mr. and Mrs. J. F. Shivers. Satin streamers marked Ephesians, Chapter 5.

Karen Burelsmith, sister of the bride, was maid of honor and Pat Brown served as bridesmaid.

The bride's attendants were attired in identical dresses of emerald green fashioned with bateau necklines, fitted sleeves and bouffant skirts. The shirts were nipped at the waist by pleated satin cummerbunds. Their head-dresses were white veil caps trimmed with tiny emerald green satin bows. Shoes dyed to match completed their ensemble.

They carried matching bouquets of frenched bronze mums on straw mats with accents of emerald green satin leaves, wheat and oak leaves.

Traditional wedding music was furnished by Mrs. Virgil Nowell at the organ. Soloists Pat Brown sang "Song of Ruth" and Kay Brown sang "Because."

Lewis Shafer served his cousin as best man. Ushers were cousins of the bridegroom. Joe Bob Stevenson and Bruce Shafer, wedding guests, were registered by Miss Annette Stevenson also a cousin of the groom.

Mrs. Burelsmith, mother of the bride wore a dress of beige petit point wool with bronze and magenta accessories. Mrs. Lewis Shafer, aunt of the bridegroom with whom he has made his home for some time, wore a two piece suit of dark green with black accessories. Both wore corsages of frenched magenta mums with pearl and velvet highlights.

A reception followed the ceremony in the Fellowship Hall. The bride's table was laid with an ecru lace cloth over emerald green and was centered with a

three tiered wedding cake of all white, topped with white wedding bells tied with tulle and sprays of lily of the valley. An arrangement of bronze pom poms, oak leaves and gold salal framed the base of the cutglass punch bowl.

Assisting with the hospitalities were Miss Annette Stevenson, Nonnie Taylor and Mmes. Elton Stevenson, Lewis Scoggins and Lewis Wayne Shafer.

Out of town guests attended from Vernon, Lubbock, Anton and Farwell.

For travel, Mrs. Walker wore a suit of autumn yellow with ranch mink trim and brown accessories. Her corsage was from her bridal bouquet.

Both are graduates of Muleshoe High School. After their wedding trip they will be at home in Muleshoe where he is employed at Jones Farm Store and she is to be employed at the ASC office.

New Dimensions Of Problems Will Be Study Club Program

"New Dimensions of Problems and Issues in Local Areas" will be the program theme of the Muleshoe Study Club at their Thursday meeting in the home of Mrs. W. Q. Casey.

Mrs. Simms Home After Denver, Colorado Visit

Mrs. Sam Simms, Route 5, Muleshoe recently returned from Denver, Colorado where she had been staying with her nine year old granddaughter Sherry Lynn Harris, while her daughter and son-in-law, Mr. and Mrs. Howard Harris vacationed in New York City, Washington, D.C. and on the island of Jamaica.

The Harris' report that the colorful flowers and the warm, clear water of the Caribbean make Jamaica a tropical paradise. The island also has many springs, waterfalls and streams to add to its beauty and the warm climate, year - around, makes vacationing there pleasurable at any time of the year.

Touring New York City they said it was a most awe inspiring city of beauty and magnificence. The sky-scrapers, theatres, restaurants, museums, parks, churches, and art galleries make it the world's center of commerce and culture.

The nation's capitol is a city of splendor. Unlike other American cities, Washington D. C. was designed and laid out by a well known French engineer hired by George Washington before the first structure was built. This advance planning makes Washington one of the most impressive seats of government.

The program will feature four speakers, "Law Observance and Crime Prevention" will be discussed by Highway Patrolman James Freeman. Mrs. W. B. McSpadden will speak on "A Look at Narcotics". Dr. T. M. Slemmons of the West Plains Hospital will speak on "Specialized Medicine" and Mr. E. O. Lumsden, High School Counselor will speak on the topic of "Our Troubled High School Students."

The program will begin at 7:30 p.m.

Spaghetti Dinner Attended By 200

Mrs. F. M. Ethridge, chairman of the Room Mothers for the Muleshoe High School Junior class, has announced that last Friday night's Spaghetti Dinner held before the Mules-Whirlwinds football game was very successful with approximately 200 persons attending.

She particularly would like to commend the Junior class for a job well done in advance ticket sales, which far exceeded the number of tickets accounted for at the door.

Dick Allison, Junior class president, added his thanks to all of the room mothers and other parents for their cooperation for the event as well as thanks to the public for responding.

The purpose of the fund-raising event was to raise funds for the J.Sr. Banquet which the Junior class hosts.

Rosebud Chapter Of F.H.A. Holds Installation Service

Installation of the F.H.A. Rosebud Chapter officers was held Monday night, October 16, in the High School Auditorium.

Officers being installed were: Donna Phipps, president; Tonny Welch, first vice-president; Helene Biekert, second vice-president; Judy Inman, third vice-president; Cynthia Pool, fourth vice-president; Becky Camp, secretary-treasurer; Shirley Smallwood, historian; Beckye Mason, parliamentarian; Lanelle Spurgeon, reporter; Linda Dement, Student Council representative.

All other Rosebud Chapter girls were recognized. Refreshments were served by the Big Sisters in the Homemaking Department at the school.

During the last 25 years, hurricanes have killed about 2,500 victims and caused three billion dollars worth of damage in the U.S. alone.

View Of Teacher, Home, School Teams Is P. T. A. Program Theme

The Teaching Team - The Home Team and The School Team was the theme of the program for the P. T. A. when they met recently. The program was under the direction of Mrs. Eugene Black.

Mrs. Harold Allison represented the home team giving what she considered important in a teacher. She stated that love for a child was vitally important to the pupil and the teacher.

Mrs. Joe Costen presented the team emphasizing that the personality of a child is shaped in his first six years and he reflects the parent in his weaknesses and strength of character and other traits.

Giving the views of the home and teaching team Mr. Neal Dillman, school superintendent, very ably discussed how to develop an appreciation for education at home. He stated, "Children see in adults what they are taught to see. The response of a child to his environment reflects what he is taught to see in the people and situations which surround him."

Mrs. Black read "I Am a Child" with the assistance of Patti Morris

to conclude the program. Preceding the program, Mr. Dillman expressed his appreciation for the work done last year by the P. T. A. in landscaping the school grounds. He also announced that a civil defense course would soon be available for those who are interested and stressed the importance of the course.

Mrs. Ray Daniel president, reported on the pancake supper held Friday, Oct. 5. The P. T. A. also voted to sponsor a booth at the Halloween Carnival to be sponsored by the school band at the bus barn Halloween night. Further plans will be announced later.

Hostesses for the visitation period preceding the meeting were the first grade room representatives. They are Meses. Don Bryant, Robert Hooten, W. B. Wagon, Jr., and Benny Pena.

The velocity of the world's maximum recorded surface wind was atop Mt. Washington, N. H., in April of 1934, when it reached 231 miles per hour before blowing away the anemometer.

Garden Club Met In Community Hall

Members of the West Plains Garden Club met on Friday, October 13, in the Oklahoma Lane Community Center with Gladys Hardage as hostess.

Roll call was answered with "Things a gardener can do as winter comes".

During the business meeting, all officers who served last year were retained with the exception of the historian and parliamentarian.

The hostess gift, a potted Geranium, was drawn by Lee Ann Farley.

After the demonstration program on woodforms and dry flower arrangements, refreshments were served to Elsie Forester, George Nelson, Ruth Bass, Naud Pruitt, Glendean Young, Charlene, Lee Ann, Susan and Scotty Farley, Loretta Kitten, and Gladys Hardage.

Officers who were retained were: Mrs. R. L. Farley, Edmund Kitten, Thomas Young, W. H. Hardage. Ladies who were elected to fill the position of his-

C. H. TATE VISITS FATHER

Mr. and Mrs. Cecil Tate visited recently with Mr. Tate's father, John H. Tate, in Giddings. The Tate's son, Gaylord and his wife drove to Giddings from their home in Fort Worth for the family event. Both the Cecil and Gaylord returned to their respective homes by way of Waco where they had the opportunity for a further visit during their luncheon there.

West Texas PGA Tournament, Friday, Saturday, and Sunday, Muleshoe Country Club, 7:30 p.m. Dance, Muleshoe Country Club, Music by Andy Beaman and his Combo.

8 p.m., Business meeting for Pro golfers and salesmen. Triple Inn Steak House.

Torians was Mrs. Henry Bass. Mrs. H. W. Hardage was elected as parliamentarian.

Local Eastern Star Members Attend Grand Chapter of Texas

A very successful and informative session of the Grand Chapter of Texas, Order of the Eastern Star was held in Fort Worth, October 15 through 19, in Will Rogers Memorial Coliseum.

All sessions were well attended by the 6,000 members from over the state and other Grand Jurisdictions, who registered for the event.

A beautiful and inspiring Church Service was held Sunday morning in Will Rogers Auditorium, with recipients of Estarl (Eastern Star Training Awards, for Religious Leadership) Scholarships conducting the service. "Christ—The Eternal Link . . . Our Greatest Inspiration" was the theme.

A Memorial Service for departed members was held Sunday evening.

Mrs. Frances Austin of Plainview was appointed District Deputy Grand Matron of District for the ensuing year, and Mrs. Lois Smith of Olton was appointed Deputy Grand Matron of District 2, Section 3, for the same period.

Mrs. Pearl Hall of Houston is the newly elected Worthy Grand Matron, and the Grand Chapter Session for the year 1962 will be held in Houston.

Those attending from the Muleshoe Chapter were: Mesdames: Mary Farley, Worthy Matron; Wynnie Dunn, Secretary; Hazel Nowell, Cond. actress and Lois Nowell, Conductress and Lois Norwood, Electa.

All reported a very enjoyable and rewarding experience.

An Oriental luncheon was served. Dishes were prepared by the ladies to represent the foreign mission field. Foods from the following countries were enjoyed: India, Indonesia, Finland, Poland, Germany, Yugoslavia, Portugal and Belgium. Apples were served that were grown in Muleshoe.

Those enjoying the luncheon and service were: Lorene Hatch, Louise Bynum, Odessa Slayden, Minnie Redwine, Ann Oylar, Etta Walters, Juanita Pruitt and Alyne Lookadoo. One visitor was present.

Ladies who would like for their children to attend the Sunbeam meetings are asked to call Juanita Pruitt. The children will be picked up and returned to their homes.

Canada has more community credit unions than the U.S. 33 per cent of all Canadian credit unions are among people who live in the same residential area as compared to the U.S. with only 12 per cent.

Donna Guinn Honored With Bridal Shower At Lazbuddie

Miss Donna Guinn, bride elect of Terry Smith, was honored with a bridal shower at the Fellowship hall of the Methodist Church in Lazbuddie on Oct. 17, at 2:30 p.m. Hostesses were: Meses. J. B. Jennings, Frank Hinkson, C. D. Gustin, L. M. Hardage, V. W. age, Valton Morris, Roy Miller, Earl Peterson, C. W. Mick, and her was an Electric Sunbeam corsage of the bride-to-be, was used extensively in the arrangements.

Purple Dahlias centered the serving table, which was covered with a lovely hand embroidered white linen cloth. Pastel punch with mints and cookies were served. Presiding at the punch bowl was Mrs. Billy Gilis. Lynda Gilis served the cookies and mints.

Soft background music was played by Mrs. Ronnie Briggs. Corsages were presented to the bride-to-be, Donna Guinn, her mother, Mrs. Allen Guinn, and Mrs. Barney Floyd.

The registration table was covered with a lovely white cloth with an arrangement of purple flowers.

Guests were registered in the bride's book by Lynda Gilis.

Those attending were: Meses. Bill Bruce, Chuck Smith, C. A. Guinn of Friona and Grandmother of the honor, Kay Ann Smith, Duane Darling, Roy Daniehl, Laura Treider, N. M. McCurdy, L. M. Smith and Debra, Betty Smith and Tin and Tam, Rosemary Smith and Randy, Glenn Scott and Karen, Barney Floyd, LaVern Smith and Doyce, Leon-

ard Henry and Saly, Volley Hodges, Faye Keth, Juel Treider, Freman Davis, Ronnie Briggs, John Age and R. B. Seaton.

Many others sent gifts who were unable to attend.

Mrs. Lewis Hosts Coffee Courtesy

A coffee was given in honor of Mrs. Finis Hodges and daughter, Jean, Saturday morning in the home of Mrs. Charles Lewis. Mrs. Carroll Pouncey and Mrs. John McMurtry alternated at the serving table which was laid with a beige net cloth trimmed in brown velvet. The centerpiece was a fall arrangement of bronze mums and pom poms on a straw tray, accented with cattails, autumn leaves and sea oats. Also used in the decoration was Indian corn and squash. Brass candelabras holding brown candles were highlighted with an Oak leaf arrangement at the base.

Mrs. Morris Childers introduced the guests and Mrs. L. R. Doobs presided at the guest book.

Mrs. George Mayo was co-hostess for the courtesy.

Rev. and Mrs. Hodges and Jean moved to Muleshoe in September. Rev. Hodges is the pastor of the First Presbyterian Church.

12 Noon—Lions Club, American Legion Hall.
1:30 p.m.—Ladies Play Day, Muleshoe Country Club.

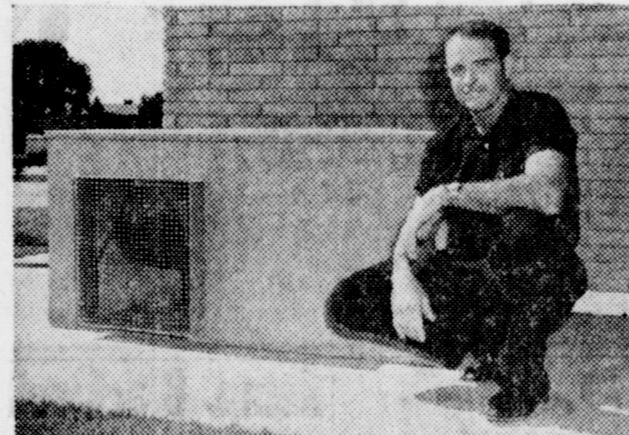

"Our Gold Medallion Home gives us more time for family recreation!"

says the CLEO SMITH family of Olton, Texas

The Cleo Smith family is enjoying the finest in modern living — an all-electric Gold Medallion Home . . . even to the heating and water heating. Full wintertime comfort is gained with a 5-ton electric heat pump that not only heats in the winter but gives delightful summertime comfort during hot weather. Water heating is easily and economically accomplished with an automatic electric water heater. The Smith's home is another example of how easily complete electric living can be used for family comfort. The key is correct design, correct insulation and proper installation. Let your Public Service manager work with you when you are building a new home—do it right—make it a Gold Medallion all-electric home.

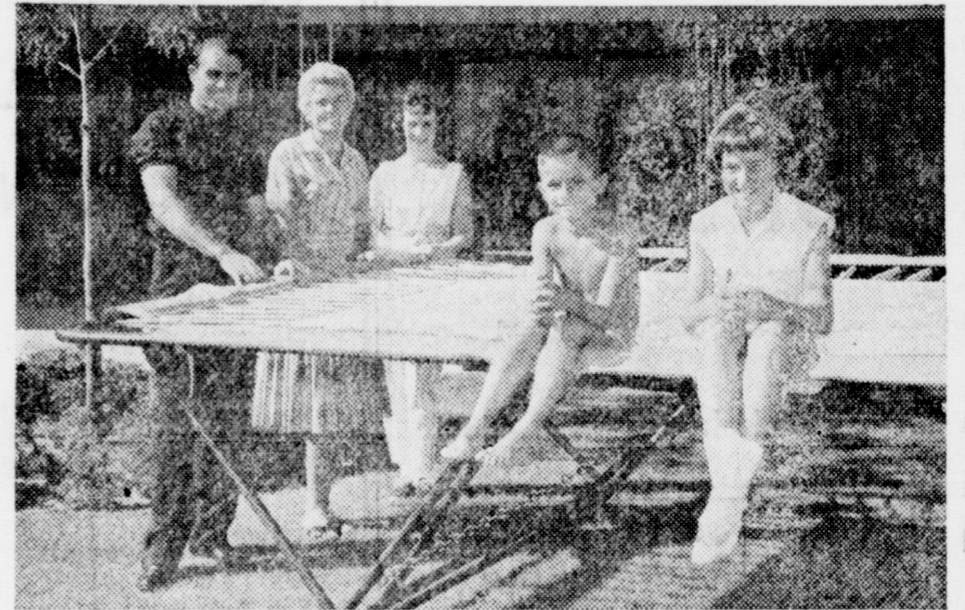

58-3

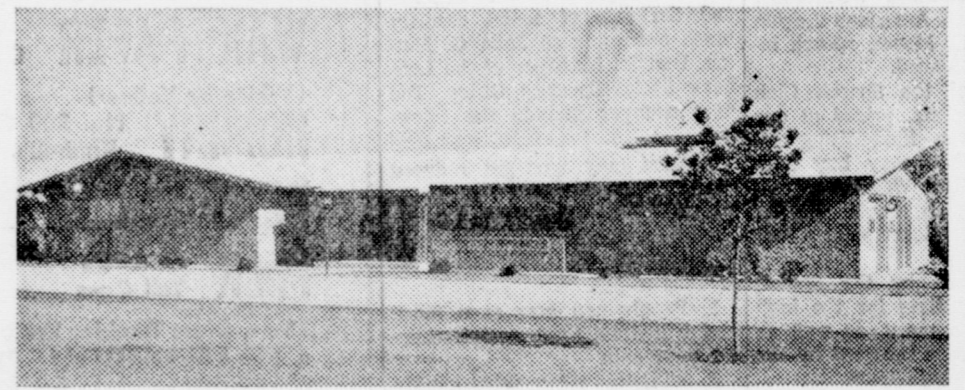

Mr. Smith poses next to 5-ton electric heat pump which adequately cools or heats the Smith's home — oftentimes does both — during spring or fall when days are hot and nights are cool.

This family portrait pictorially shows the delight the Smiths have with their all-electric Gold Medallion Home. They're a happy family and Reddy is proud that he contributes toward their happiness.

Outside fun is a regular pastime at the Smith home. Reddy Kilowatt is busy with the household chores while the Smiths relax at the trampoline.

Here is an outside picture of the Smith's lovely Gold Medallion home. Notice the wide overhanging roof which contributes to economy of summertime cooling.

All the Smiths enjoy their electric appliances. Here, Diane, demonstrates way in which she often bakes which special recipes in the electric oven.

Donna, too, finds Reddy Kilowatt a willing household worker. All she has to do is push a button and the dishes get done cleaner and better than by old fashioned hand dishwashing.

Mrs. Smith likes the cleanliness of electric cooking and the sparkling cleanliness of her electric range is proof only electric cooking cooks really clean.

Mark is one reason Mrs. Smith likes her electric clothes dryer. Here she shows how a pair of Mark's levis, after being washed electrically, are easily dried in the electric clothes dryer at a touch of a button.

Speech Club To Sponsor Luncheon

The Speech Club at Muleshoe High School is sponsoring a businessman's luncheon Wednesday, Nov. 1, at the American Legion Hall, Kerry G. Moore, speech instructor, announced.

Members of the Speech Club are selling tickets, priced at one dollar, for the fund-raising affair. The public may buy tickets at the door Wednesday, although the club would like to stress advance ticket sales would be most helpful.

Money raised by the Speech club will buy flats for the high school stage scenery, as well as pay for expenses incurred by the high school debate team.

Officers of the Speech club include Shirley Henry, president; George Nieman, vice-pres.; Mary Sanders, secty.; Sylvia Pool, treas.; Donnie Shafer, reporter; and J. W. Roland, parliamentarian.

The Speech Club also announced that they would sponsor the annual Beauty Pageant which will be held sometime in November. The Most Handsome Boy and Most Beautiful Girl will be chosen at the pageant on the basis of talent, poise, posture, and personality of the contestants.

Club Donates To Robert Dunn Fund

In a recent meeting of the members voted to send a contribution to be used in aiding disaster victims of Hurricane Carla. The check was mailed by the treasurer, Mrs. Betty Jackson, to the Brazosport Chamber of Commerce with instructions for it to be used as needed.

The club received a letter from the Executive Board of the Chamber of Commerce recommending that the money given be to the Robert Dunn Trust Fund. The club complied with Hurricane Carla and their home was destroyed.

The club raises money for aiding the needy through luncheons, sale of Christmas cards and various other activities. They also make quilts for people who are disaster stricken. Members of the club are Ethel Allison, Jean Allison, Sammy Allison, Alice Angeley, Jacquie Hill, Hatie Bickel, Ruth Briscoe, Glynn

Social Security Representative Due Nov. 2

Recent social security amendments change both the requirements for payment of benefits and the rate of social security taxes according to John G. Hutton, District Manager of the Lubbock Social Security Office. The new changes include the following:

1. Men may now get reduced payments as early as age 62.
2. Some workers already drawing the minimum monthly payment of \$33 had their checks increased to \$40.
3. People can now earn more and still draw some social security payments.
4. Workers may now qualify for benefits if they have credit for at least one quarter of work under social security for each year since 1950 up to the year they reach 65 (62 for women).
5. Payments to aged widows receiving on their deceased husband's account and widowers have been raised about ten percent. When only one parent is receiving payments, that parent also got an increase.

In making these changes, Mr. Hutton continued, Congress has shown its usual concern for the financial soundness of the Social Security Trust Fund. To maintain the fund with enough income and reserve to make these increases in payments, Congress has adjusted the tax rates upward beginning January, 1962.

The people who were due increased checks received the increases automatically early in September. Hutton reminded beneficiaries that only aged widows receiving on their deceased husband's account, widowers, individual workers and families who are drawing low benefits, and some parents, got these larger amounts. Everyone did not get a raise under the new law.

Workers who want further information may get in touch with the social security officer at 1616 19th Street, Lubbock, Texas.

A representative of the Office will be in Muleshoe in the County Courthouse at 9:30 a.m. on Thursday, Nov. 2 and will be glad to assist in all matters pertaining to social security.

Buhrman, Ethel Calhoun, Judy Green, Juanita Galyon, Jean Jones, Ruth Lackey, Peggy McMahan, Gaynell Pitts, Edith Wills, Hazel West, and Pat Eagle.

High Plains Begins 1962 Grain Test

Small grain research for 1962 is already underway at the High Plains Research Foundation. Eighteen wheat varieties were planted on October 12. Delbert Langford, Associate Agronomist, is conducting the tests. The pre-plant fertilizer application was a made consisting of 200 pounds of 13-39-0.

Six new varieties were added to the test and five used in 1961 were dropped. The new varieties being tested are: Ottawa; Warrior and English-Soft Wheat (Wolford). New hybrids are: PNC-MI x HOPE-PN; RC-OTF x MGL-ORO and Comanche LA Preu. 25. Varieties continued from the 1961 tests are: Early Blackhull; Triumph; Improved Triumph; Super Triumph; Crockett; KAW; Comanche; Tasco-

Kemp, Blackwell Finish Training

Army Privates Jimmie D. Kemp and Samuel E. Blackwell of Muleshoe, Tex., completed five training with the 1st Infantry Division at Fort Riley, Kan., Oct. 14.

They received on-the-job training as riflemen with the division's 5th Infantry.

Noted for its combat record in both World Wars, the "Big Red One" division was recently designated a Strategic Army Force unit as part of the Army augmentation program. The division is now being armed, equipped and trained to be combat ready for deployment in the event of limited or general warfare anywhere in the world.

Kemp, 20, son of Mr. and Mrs. Frank Y. Kemp, 420 E. Fourth, attended Muleshoe High School and was employed by Cashway Grocery before entering the Army.

Sudan Sailor On Sub Killer

Roy E. Elis, seaman, USN, son of Mr. and Mrs. Lee R. Elis of Sudan, Tex., participated in operation "Sea Shel" off the West Coast of the United States and Canada, Oct. 2-13, while serving as a crewmember of the anti-submarine warfare support aircraft carrier USS Bennington, operating out of San Diego, Calif.

The Bennington, flagship of an anti-submarine hunter-killer group, participated in the joint Canadian-American operations with 150 other ships, submarines and aircraft.

In 1960, Texas credit unions' members had share deposits of \$285,060,400.

The world's highest temperature, 136 degrees, was recorded in Libya in 1922.

Credit unions operate in 62 countries and have over 17,000 members.

FARM FACTS

The U. S. Department of Agriculture points out that farm real estate taxes were three times higher in 1960 than they were in 1942. In fact, the rise in these taxes in the United States (not including Alaska and Hawaii) has been uninterrupted in the past 18 years.

Because the acreage of farmland in private ownership has changed little since 1942, taxes per acre have increased in the same proportion as total farm real estate taxes.

Farm real estate taxes in the 48 states totaled \$1,284 million in 1960. This was 8% more than the total for 1959. They increased in every state except Delaware, where they remained the same as in 1959.

Since 1945, increases in farm real estate taxes have averaged 7% a year. The USDA attributes this rise to the sharply increased cost of local government, largely financed in rural areas by the property tax. Local government costs jumped fourfold from 1946 to 1959.

Farm real estate taxes have tripled since 1942.

The depression and war years left local governments with a backlog of capital requirements and faced with higher prices for things to meet these needs. Population growth and demands for more services added to the problem.

Off The Runways

Doings At Muleshoe Airport

By MRS. NOAH KINSER

Two Muleshoe Flying Service planes were among the 40 flown in to Portales Municipal Airport for Saturday's air show put on

by the mighty Blue Angels before an estimated crowd of 10,000. The world renowned team made their first pass over the airport at a very low altitude and crossing at very close range. The two jets entertained the crowd for the first few minutes of the show by passing overhead, rolling the jets over and over as they passed each other, flying with the lower jet upside down and the other upright, directly over it and their formation flights.

Then the team of four, flying diamond formation, made their approach from the west, streaming beautifully pink colored smoke. Dividing, they returned in pairs from opposite directions and nearing each other, turned their jets upward and climbed until all that was visible was fire from the exhaust. Then they peeled off in an arch visible by the colored smoke and made their descent.

Another of their most impressive performances was their formation flight beginning in an upright position and turning in degrees in perfect unison, first with right side down, upside down, right wing up, then upright.

To end their jet performance they made a formation flight over at their lowest speed with wheel down, which was quite a contrast from their previous high speed maneuvers.

Flying back to Cannon Air Force Base at Clovis and landing they returned to Portales by helicopter and were kept quite busy signing autographs. Don Locker, son of the Morgan Lockers came home with an autograph of Kim Wallace who is the pilot of the Blue Angels' Jet number 4.

While waiting for the Blue Angels to return by helicopter parachute jumps were made by a Sky Diving team of 4. The jumps were made from an altitude of 10,000 feet, with all of the chutists making 30 second delays in opening their chutes. The team had smoke bombs attached to their shoes which made their jump colorful.

Flying to Portales from Muleshoe were Mrs. Morgan Locker piloting the Comanche, her daughter Karen, and Mr. and Mrs. Noah Kinsler. Going in the Aztec was Fred Boyd, Morgan Locker, and Don and Freddie. Boyd was given dual instruction on the flight for his twin engine rating.

LAS VEGAS PILOT

Dale Phelps, Las Vegas, Nev. businessman landed at the Mule-

shoe airport Saturday, flying here on business.

Phelps flies a Cessna 182 and said that during the 5 years that he has held a Private rating, he has flown over 2,000 hours.

He is the owner of the Phelps Pump Company in Las Vegas and his business requires his flying into almost every state.

FROM SUNRAY

Private pilot Frank Painter, his wife and mother flew to Muleshoe last week in a Cessna 172 to visit with relatives in Earth, Mr. and Mrs. Marcus Messer.

Painter took Mrs. Messer and daughter Mary Ann on their first flight, flying around over the Muleshoe area.

Painter is engaged in Real

Estate and Insurance business and is a contractor. He said that he had landed at the Muleshoe airport a number of times to play golf here.

TO PALM BEACH

Mr. and Mrs. Morgan Locker will fly to West Palm Beach, Florida next week where they will attend the International Piper Meeting.

The meeting will be attended by Piper distributors and dealers from a number of nations.

Beginning on November 7, the three day meet will feature displays of all the 1962 models of the Piper Corporation planes, radio equipment, instruments and accessories. A tour of the new Piper factory at Vero Beach will be staged on Saturday afternoon.

English Workshop November 11 In Levelland

More than 200 elementary, secondary, and college English teachers, including teachers from Muleshoe, are expected to attend District XII English Workshop Conference scheduled at South

Plains College at Levelland, Saturday, November 11.

Assisting South Plains College as host are the Levelland Public Schools and Levelland Chamber of Commerce.

To stress the importance of worthwhile reading material, the Workshop has selected for its theme: "Literature as a Key to Understanding Life." Highlights planned for the one-day meeting include a workshop, guest speakers, and a luncheon.

The organization extends a cor-

dial invitation to administrators and language arts teachers on all levels; elementary, junior high school, senior high school, and college for the purpose of sharing experiences that will help English teachers in recognizing and fulfilling duties in all phases of the educational program.

Officers of the 1961 Conference are: Mrs. Nina Birtciel, Levelland Senior High School, general chairman; Mrs. Francis Watkins, South Plains College, program chairman; Mrs. Ethel Pyie, Lorenzo High School, recording secretary; Mrs. Inez Grant, South Plains College, corresponding secretary; Mr. Jim Baker, Lubbock Christian College, treasurer; and Mrs. Louise Hair, Levelland Junior High School, publicity chairman.

b. Playtex Living Bra with nylon or cotton-Dacron cups. White, 32A to 42C, 3.95. D sizes 1.00 more.

Cobb's

Barrow Pig Sale Sat. In Levelland

Hockley County Swine Breeders will hold their annual barrow pig sale Oct. 28, at the Hockley County Show barn in Levelland. The pigs will all be sifted for quality to assure all 4-H and F. F. A. boys that they will get a good pig for show purposes. O. L. Harris vocational agriculture teacher at Whitharral, announced.

A health certificate on the pigs in the sale may be obtained. They will all be vaccinated for cholera.

There will be approximately 257 pigs in the sale. The breeds will consist of Hampshire, 30 head; Berkshire, 49 head; Poland China, 60 head; Duroc, 90 head; and Spotted Poland China, 20 head.

M'shoe Soldier On Maneuvers

Army Pvt. Virgil R. Veach, 19, son of Mr. and Mrs. Troy V. Veach, 61 Main St., Muleshoe, Tex., recently participated in Exercise Yellow Ribbon with other members of the 1st Armored Division's 1st Cavalry at Fort Hood, Texas.

The mobility exercise was designed to test the speed and efficiency of Veach's unit in moving into the field under simulated combat conditions.

Veach, a tank driver in the cavalry's Combat Command A, entered the Army in July 1960 and completed basic training at Fort Ord, Calif.

He is a 1960 graduate of O'Donnell High School and was employed by Purdy Motor Machine before entering the Army.

Osborn Requests End Of Ad Valorem

Jesse Osborn, state representative for this district, wrote Governor Price Daniel October 12, asking that the ad valorem tax be abolished.

Osborn, who told The Journal that he was opposed to the sales tax recently enacted, had favored a 1 per cent tax across the board, a form which many merchants now prefer.

Text of his message to the governor read as follows: "In view of the fact that we now have a sales tax that will bring in adequate revenue for the State and many people believe will bring in considerably more than estimated. Now I request that you consider presenting the Tax program to the next called session to clarify the present tax law and recommend the abolition of the State Ad Valorem Tax.

"I feel sure that with a little economy that the State will have adequate revenue without the Ad Valorem Tax.

"Would like to have your thoughts on this subject."

Osborn, who voted against the sales tax in its present form, believed a 1 per cent sales tax would achieve the desired goal without the confusion which has been caused by the selective

sales tax. He now favors revamping the sales tax to conform to that non-selective form.

Governor Daniel, who opposed the present sales tax, accepted it after attempts to pass a straight sales tax failed, according to reports.

Osborn believes that Governor Daniel will be anxious to consider any proposal that would straighten out the misunderstanding caused by the complex selective sales tax now in effect.

PRIMITIVE BAPTIST WILL MEET

The area meeting of the West Texas Primitive Baptist Union will meet at the Muleshoe Primitive Baptist Church in Muleshoe this weekend, Oct. 27 through October 29.

REV. PEERYS ARE IN CLEVELAND, OHIO

Rev. and Mrs. J. Frank Peery are in Cleveland, Ohio this week Oct. 22 through Oct. 27. Rev. Peery is attending the Second National Conference on Church and Social Welfare there as representative on the Judicial Board of the Conference from this area.

Group Makes Charge

Gas Co. Accused Of Unfair Rates

Plains Irrigation Gas Users Association has recently accused Pioneer Natural Gas Company of setting unfair rates for natural gas used for irrigation purposes.

R. Q. Botkin, manager of the local office of Pioneer Natural Gas, said this week that he had discussed the matter with the president of Pioneer, C. I. Wall. "I am advised by Mr. Wall that we do not agree with the application of the figures used by their (Plains Irrigation Gas Users Association) consultant in his report," said Botkin.

Wall, president of Pioneer Natural Gas Company, said, "Our rates for irrigation are fully justified. The rates for irrigation service are the lowest possible rates at this time."

Charges of unfair rates were announced October 16 at a meeting of Plains Irrigation Gas Users Association's board of directors in Plainview. They stemmed from a report by Dr. E. A. Steinberger, rate engineer and gas consultant of Dallas.

Dr. Steinberger's report was based upon his study of the records of Pioneer Natural Gas Company.

According to a release from Plains Irrigation Gas Users Association, Dr. Steinberger had been previously employed by the board of directors of the association in an effort to obtain factual information to try to determine the fairness of the rates charged for irrigation purposes.

The report of the gas rate consultant, according to David Burgess, president of the board of directors of the association, reflects that Pioneer was making a 10.34 per cent return on their investment by the sale of irrigation gas for the year 1960.

Based upon the recent increase effective in February of 1961, Pioneer would receive a return of 12.292 per cent on their investment based on actual cost basis, minus accrued depreciation, plus allocated working capital. The report showed that the February, 1961 increase on irrigation gas constituted an 18.852 per cent increase in the rate of return over the 1960 rate.

Based upon figures submitted by Pioneer Natural Gas Company to the board of directors and used by Dr. Steinberger, if "depreciated fair value" were used, the 1960 rate would represent a return of 8.39 per cent on Pioneer on depreciated fair value, and under the February, 1961 rate, would return Pioneer 9.98 per cent as contrasted to a 6 1/2 per cent rate of return which is the maximum rate of return normally allowed by the Railroad Commission on gas subject to its jurisdiction.

If sales for irrigation gas were subject to Railroad Commission regulations, a decrease of approximately 25 per cent would be necessary instead of the 11.129 per cent increase brought about by the new February, 1961 rate.

Another finding reflected that in the rate bracket governing the sale of gas over 1,000 Mcf, the new rate effective February,

1961 constituted a 17.391 per cent increase over the old rate. In the bracket of 301 to 500 Mcf the new rate constituted an increase of over 14 per cent and in the bracket covering gas over 501 to 1,000 Mcf represents an increase of 16 2/3 per cent over the old rate.

Dr. Steinberger, a registered professional engineer and gas rate consultant, has been often employed by the Railroad Commission as an independent consultant in gas rate controversies and has had broad experience in this field, having been Chief Valuation Engineer for Lone Star Gas Company for eighteen years before opening his own offices as a private consultant some years ago.

He has been engaged in some phase of the gas business for over thirty-five years. He was employed by the board of directors of the Association in August to make the study and report of factual information to the board so that the board might determine for itself the fairness of the recent increase made by Pioneer Natural Gas to the irrigation farmers of the Panhandle and South Plains of Texas.

Eight Panhandle and South Plains counties were represented at the board of directors meeting which was presided over by David Burgess of Swisher County, president of the association.

Other members included E. J. Kinslow, Floyd County; E. E. Masters, Hale County; Ray Joe Riley, Castro County; W. T. Milten, Bailey County; R. C. Sampson, Potter County; Rex Wheeler, Crosby County; Bruce Parr, Parmer County; Jay Boston, Secretary, Deaf Smith County; A. P. McWilliams, Hale County; Bob Francy, Swisher County; and S. M. True, Jr., Hale County.

The information included in Dr. Steinberger's report will be taken by the directors back to their respective counties in meetings to be held in the near future. President Burgess stated that he felt that each director owed it to his people to fully inform them as to the actual amount they were paying for gas and the actual rates of increase which the February, 1961 rate constituted.

VISITS PIERSONS

Mrs. Virgil Church, the former Norman Jarman who attended Muleshoe High School here, presently of Ft. Stockton, and her sister Neomi Morris of Pecos are visiting their cousin, Mrs. Finley Pierson this week.

Other guests in the Pierson home visiting their uncle include Mr. and Mrs. J. W. Haney and another cousin, Mrs. David Anderson.

Sandhill Cranes Now Fair Game

AUSTIN — Sandhill cranes will be on the legal list of game in Texas this year for the first time in nearly half a century. According to T. D. Carroll, I&E coordinator for the Texas Game and Fish Commission, hunters will need to know something about the big birds if they intend to have a successful hunt. And, they probably will want to make up some decoys.

Here is a rundown on the crane season, the area in which they can be hunted, some hunting tips, and information on the use of decoys:

Hunting will be permitted in that portion of the state lying west of a line from the International Tol Bridge at Del Rio, Val Verde County; thence northward following U.S. Highway 277 to its junction with U.S. Highway 87 at San Angelo, Tom Green County; thence northwesterly along U.S. Highway 87 to the point of its intersection with the Texas-New Mexico boundary line in Dalam County. Open season dates are from Nov. 4 to Dec. 3, both days inclusive. Cranes may be taken by shotguns no larger than 10 gauge and capable of holding no more than 3 shells in the magazine and chamber combined, at any one time. The daily bag limit is two cranes, with no more than two cranes in possession. Shooting hours will be from sunrise to sunset. A state resident or non-resident hunting license, as the case may be, is required. A duck stamp is not needed for sandhills.

Pass hunting is successful when windy weather causes the cranes to fly close to the ground. Hunters should be in blinds between feeding and roosting grounds, so they can have shooting during morning and evening flights. During calm, fair weather hunters should not waste their time pass shooting. Sandhills may appear to be slow and ambling in flight, but they have been clocked in normal flight to 60 mph.

Lunchroom Menu

The following menus will be served in the cafeterias of Muleshoe Public Schools this week. These menus are printed so that the mothers may study them and avoid duplication of school menus.

FRIDAY
Corn dogs, vegetable soup and crackers, frosted brownies, half pint milk.

MONDAY
Pork and beans with vienna sausage, buttered spinach, lettuce and tomato salad, cornbread, frosted brownies, half pint milk.

TUESDAY
Salmon loaf with catsup sauce, English peas with chese sauce, hot rolls and butter, half peach, half pint milk.

WEDNESDAY
Barbecue turkey, baked sweet potato, green beans, lettuce wedge with Russian dressing, hot rolls, butter and syrup, half pint milk.

THURSDAY
Chicken-fried steak with gravy, cabbage and apple salad with poppy seed dressing, creamed potatoes, hot rolls and butter, cherry cobbler, half pint milk.

Cotton Ginned

(Continued From Page 1)
vicinity) reported an increase. There, production rose from 80,584 in 1960 to 90,387 in 1961.

Total cotton produced in Texas by October 1, 1960, was 1,269,984 bales. Figures for 1961 show an increase to 1,270,861. This is a gain of 877 bales produced prior to that date.

By October 1, Texas had produced nearly half of the cotton ginned in the entire United States, as 2,683,439 bales had been produced in the nation by that date.

Probably the most obvious drop on the chart set to The Journal occurred in Nevada, where total production as of October 1 had fallen from 165 bales to three bales ginned.

Well over 70 per cent of the earth is uninhabited—the oceans, jungles and deserts.

The first credit union was organized in Germany in 1849.

Horsley

(Continued From Page 1)
by the Rev. Paul Robinson, Lubbock; the Rev. M. E. Robinson, Lamesa; and the Rev. Austin Steadman, Mortoa.

Survivors include his wife, Chloee; a son, Chet, Muleshoe; four daughters, Mrs. R. L. Kimbrough and Mrs. Finis Kimbrough, both of Muleshoe; Mrs. Earl Sybert, Morton, and Mrs. F. G. Gaede, Limon, Colo.; four sisters, Mrs. W. B. Sybert and Mrs. J. S. Smiley, both of Emory; Mrs. W. T. Winn, Dallas, and Mrs. Andy Harper, Commerce; two brothers, Tip, Arlington, and Bob, Snyder; 11 grandchildren, and 23 great-grandchildren.

Pallbearers were grandsons Bruce Horsley, Bill Sybert, Jim Kimbrough, Sig Kimbrough and Charles Gaede.

Arrangements were by Singleton Funeral Home.

Expert Predicts Fewer Braceros In Coming Years

"The farm labor problems of tomorrow will be solved less and less through the use of Mexican farm workers," Robert C. Goodwin, Director of the U.S. Labor Department's Bureau of Employment Security, said recently in Las Cruces, N. M.

In an address before New Mexico employment security personnel, Mr. Goodwin made these points regarding future farm labor trends:

It is going to be increasingly necessary to develop adequate plans for recruiting more qualified domestic workers who can handle the complicated machinery and techniques which more and more are in use in modern agriculture.

Effective training programs must be initiated so that more local people will be able to perform year-round tasks on tomorrow's farms, especially on large corporate and highly mechanized farms.

Improvements in wages and working conditions will be necessary in certain areas before domestic workers can be recruited successfully.

Mr. Goodwin said that the strongly worded statement issued by President Kennedy when he signed the extension of Public Law 78 dealing with the employment of Mexican workers was prompted by the use, in some areas, of Mexicans as "an inexpensive source of labor," causing domestic farm workers to suffer.

Mr. Goodwin voiced the hope that agricultural leaders of New Mexico and Texas would recognize the tides of change which are transferring industry and agriculture in America and prepare for it so they "may profit by the change rather than suffer as a result of it."

1962 MERCURYS
best-looking buys...now in each size

MERCURY COMET
smartly ahead of the compact crowd

MERCURY MONTEREY
the best-looking buy for the big-car man

Your Mercury dealer asks:
Do you know a better way to furnish a two-car garage?

FOR "HER"—COMPACT MERCURY COMET. So becoming (only compact with fine-car styling). So easy to handle (watch her park like you!). Packed with the quality extras that make the difference (luxurious upholstery and insulation throughout). Extra room and a smoother ride (up to 7.5-inch longer wheelbase than other compacts). Bigger trunk. Extra resale value (finest record of any compact). Easy to own, too (priced with or below most compacts).

FOR "HIM"—BIG, LUXURIOUS MERCURY MONTEREY. Mercury's top-of-the-line car. For the man who prefers or needs a big car. He gets quality—example: every automatic transmission is "run-in" at the factory. For extra stability, a longer wheelbase than other cars in its class. More room and trunk space. A smoother ride (Cushion-Link Suspension). More big news; routine service is needed only twice a year—at 6,000- to 30,000-mile intervals!

Stone's Throw

By GARY STONE

At last someone is really making an honest effort to discover the truth about the Alamo. That is, someone with a big reputation is doing so.

Walter Lord, author of "Day of Infamy," "A Night to Remember" and "The Good Years," all best sellers, has done a lot of research into the matter and has written "A Time To Stand." This may well prove to be the book that will change the thinking of a lot of people concerning the Alamo.

I had a college professor, considered an expert on Texas history, who said the defenders of the Alamo were really a pack of cowards who planned to leave the Alamo before Santa Anna arrived, but were caught there by the Mexicans and couldn't get away. I don't know about all that, but I do know his book didn't sell a record number of copies.

Lord, in his book, tells of errors in historical accounts in the number of people killed in the battle and the name of the man who left the mission "after nightfall."

His study omits five names of people formerly included on lists of those killed in the battle and adds one more name to the list of heroes.

Also, it is believed that John Davis, named on many lists as having been at the Alamo, was actually the same person as John Gaston. Gaston often used his stepfather's name of Davis, records show.

After all the faked-up versions of the Alamo story, I will be anxious to see whether Lord has stuck to the truth in his accounts. I think he will, for he has a very good reputation, but I had also been under the impression that John Wayne's "Alamo" was to be authentic.

What made me angry about that movie was the fact that the 32 men from Gonzales, my home town, never arrived at the mission. I suppose, though, that telling the truth about that would have detracted somewhat from the rowdy entrance of Davy Crockett and his hard-drinking mob and the glory of James Bowie.

Now, mind you, I don't object to movies based on history at all. I just wish they would stop heralding them as great historical works until they start sticking to the facts. Entertainment is fine as such. False labels are not in my opinion, ethical. We'll see what Hollywood does to Lord's book.

Parmer County Farm Bureau News

by Raymond Euler
 Glenn Martz, publisher of Washington News Beat, Washington, D. C., will speak in Amarillo Monday, November 6, at 1:00 p.m. The place of the meeting is the Crossroads Motel at 5th and Fillmore Street. The public

is invited. District I Farm Bureau is paying Mr. Martz's expenses for this speech, and we believe it is a worthy project, as Mr. Martz has been in Washington many years in the news business, and is interested in the preservation of American Free Enterprise. Some of the subjects he will cover will be a Communist infiltration into agriculture, power industry, trend toward socialism, labor's design on agriculture, a farm labor coalition, the farm program and many others. We believe any farmer who has time to go will profit by hearing Glen Martz. Parents of high school children in Bovina and Farwell may want to attend a safety program at those schools this Thursday. The one at Farwell, at 9:30 a.m., and the one at Bovina at 12:30 p.m. Brake reaction and braking distances will be demonstrated with students driving the special safety car provided by Texas Farm Bureau Safety Department. Following the impressive street demonstrations, a film on highway safety will be shown. The film is as interesting and impressive as any we have seen. Herman Gerries, retiring Farm Bureau President, is responsible for making arrangements for this program with the cooperation of school officials and the sheriff's office and the Texas Department of Public Safety.

Donald Christian, last year's membership chairman, says he hopes about thirty five new people will pay Farm Bureau dues this week to bring the organization up to its quota of 555. Then we will be allowed one more, (a total of six delegates) to the state convention in Galveston next month. Harry Hamilton, President, and all directors join Donald in this invitation. Consider This: A prudent man foreseeth the evil, and hideth himself; but the simple pass on, and are punished. Proverbs 22:3.

Richard Hills Has Booth
 Richland Hills Parent-Teachers Association will sponsor a booth at the Halloween Carnival Tuesday night, October 31. They will be selling candied apples. Chairman of the Halloween Booth committee for the PTA is Mrs. Harold Cowan.

New Names And Faces

Seventeen new families have moved into Muleshoe since October 1, three of them from out-of-state. The names, addresses when known, and former home towns of those moving here are:
 George B. Sullivan, from Earth; Mrs. Fama Bond, from Fedville, Ark.; C. A. Welch, from Amherst; M. H. Mason, 107 W. 6th, from Friona; Joe R. Baker, 104 E. Ave. H, from Littlefield; Omer Catt, from Montrose, Colo.; Don R. Ramsey, 1811 W. Ave. C, from Abilene; Keeth Tatzler, 317 S. Second; Darrell D. Ellis, 210 W. 10th.
 Also Lewis Watson, 1411 W. Ave. B, from Plainview; Lyndal Black, 108 W. 7th, county to town; Albert L. Field, 207 E. Date, from Friona; Curtis Walker, 520 E. 3rd.; Roy Amyx, 420

Local Sportsmen Back From Hunt

Sam Fox, Fred Johnson, Charles Leneau and Pat Bobo are returning after a pleasant hunt in Nebraska and South Dakota. E. Q. Perry of Plainview wrote while hunting there that there were "lots of hunters and fewer birds" in the Winner, South Dakota and Platte, Nebraska, areas this year.

Youths To Trick Or Treat For CROP

Muleshoe youths from some of the local churches will begin a "Trick or Treat" round of the city on Halloween night, Oct. 31 at 7:30. All contributions will go to the Christian Rural Overseas Program. Youths who are working for this cause will be identified by their CROP badges. Refreshments will be served for the youths when they return at the Methodist Fellowship Hall.

SHE WAS HOMESICK

Mrs. Bill Crow the former Dorothy Schuster, a resident of San Antonio for many years, called the J. M. Forbes during their recent visit in San Antonio. She subscribes to The Journal and read in the paper that the Forbes were to visit there. She knew where to find them because she had worked with Mr. Forbes

FORBES RETURN

The J. M. Forbes have returned home after a round of visits with relatives downstate and report a fine trip. They found San Antonio delightful and learned that October is the time to visit that beautiful city. With his brother who lives at Brady they toured the magnificent lakes on the Colorado River, stayed with his sister three days in San Antonio, then went to the small ranch of another brother, north of Austin for a night. With his sister they revisited the grave of their mother at Hillsboro and found the old place of their grandparents, six miles east of Hillsboro. After a couple

COBA SELECTS SIRES REPRESENTATIVE HERE

The field representative from Tyler of Coba Select Sires will be in the Muleshoe area Monday, Oct. 30, at one p.m. at the Valley Theatre. J. W. Watts has announced that slide films of various bulls and breeding techniques will be shown. The free event will be open to the public. Mr. Watts stressed that anyone interested in breeding bulls would find the movies extremely beneficial.

"How To Run A Newspaper"

"A newspaper editor in Montana placed his tongue firmly in his cheek the other day and composed a list of answers to a questionnaire on what a weekly newspaper subscriber would like to read. Here are the responses to what the average reader desires to see:

1. My name.
2. A front page article showing how crooked the city government is most of the time.
3. My wife's name.
4. A feature article showing 25 ways on how to cheat on income tax forms.
5. My kids' names.
6. A local news item about the affair my neighbor is having.
7. A classified ad offering a new home for sale for \$4,000.
8. More news about law-breakers.
9. Less news about law-breakers. I was picked up last night and I should not have to pay a fine.
10. An editorial condemning high school teachers for being too liberal with "Es."
11. A wedding picture of the groom instead of the bride when he is more handsome than she is pretty.
12. A sports picture of me when I bowled 183.
13. More advertisements on things that merchants are giving away.
14. A front page picture of my neighbor being hauled out of the bar by his wife.
15. A front page spread about the deadbeat who lives across the street from me who just had his car repossessed.
16. Forget the last one. I just got word from the finance company that they're coming after my car.
17. More letters to the editor naming the crooks we have in town.
18. A full page of local news, a full page of national news, 16 pages of sports, 26 pages of comics, one page on divorces and a d three pages on all the domestic troubles we are having in town.
19. Less stuff about how cute everybody else's kids are. My kids are better looking than those you rave on about.
20. A complete biographical sketch about the "most important citizen in town," and be sure you spell my name right."

Mules Lose To Floydada 12-20 In Hard Fought 2-AA Battle

The two touchdown underdog Muleshoe Mules battled the highly touted Floydada Whirlwinds down to the wire here last Friday night before losing a close battle to the "Winds," 20-12.

Muleshoe hit pay dirt first early in the first quarter with Kenny Splawn scoring from 5-yards out. The touchdown was set up when Bob White, Mule center, blocked a Floydada punt on their own 20-yard line. From there the Mules drove down to the five, with Pierce, Young, Jerry Gilbreath and Splawn moving the ball on the ground. The try for extra point failed.

The Whirlwinds came right back with a TD of their own. Driving from their own 10-yard line, the Whirlwinds scored early in the second quarter when Teague, Whirlwind quarterback, ran over for the TD from four yards out. The extra point try was no good, and the game was tied up, 6-0.

On the kick-off following the Floydada touchdown, the Mules literally gave the Whirlwinds another TD. The ball went into the Muleshoe end zone. The Muleshoe shoe receiving backs failed to down the ball, which was covered by a Whirlwind man and resulted in an easy touchdown for Floydada.

The Mules, playing heads-up football, recovered a Floydada fumble on the Whirlwind 40. On a beautiful executed fullback draw, Gary Pierce raced through the middle of the Floydada line down to the 27. Two plays later Pierce raced 14 yards into the end zone for the second Muleshoe TD. Again the extra point try failed, and the Mules trailed the Floydada eleven 12-13.

In the fourth period, Muleshoe got a bad break on a clipping

Morton Defeats Olton 26-15

Morton's Indians, back on the warpath, rode the Olton Mustangs 26-15 Friday night in a District 2-AA contest.

The Indians, smarting from a loss (first of the season) to Abernathy last week, came back with high-scoring Wilburn Zuber in the saddle. The fullback made 12 points to bring his scoring string to 80 points for the season — one of the best ledgers in AA competition.

Olton scored first. In the first quarter the Mustangs drove 60 yards with Fullback Johnny Moses tallying from the 2-yard line at the end of the drive. Halfback Charlie Burrus kicked extra point.

Morton was not to be denied. In the second frame and early in it, Zuber ran 13 yards for a TD at the tail of a 51-yard drive. Point try failed. The Indians got another second-quarter score with Quarterback Steve Middleton passing 23 yards for the TD to Halfback Charlie Ledbetter. The overall drive was 63 yards. Point attempt was no good. It was 12-7 Morton at the half.

The third quarter was scoreless.

Early in the fourth, Morton drove 65 yards to paydirt with Middleton going over the last 5 paces for the tab. He converted, making it 19-7 with 9 minutes left. Four of that nine minutes later, Zuber unbound for 45 yards and the Morton last TD.

Johnny Schenck, Olton Quarterback raced 9 yards for the last Olton TD. He also kicked the extra point.

the way back to the Muleshoe 4-yard line. From there it took the Whirlwinds four plays to crash the Mule forward wall, as they stiffened and held for three downs, only to have the Whirlwinds to crack through on fourth down and one.

The Mules were well educated in playing the vaunted Floydada passing attack. Playing a four-man line at times, the Mules covered Teague's downfield receivers well and picked off two of the Floydada passes. It was perhaps the worst night Quarterback Teague has had in his passing game this season.

Abernathy Nips Lockney, 18-15

The Abernathy Antelopes, getting tough in District 2-AA, edged the Lockney Longhorns Friday night, 18-13.

The win was Antelope's second in district play and Lockney suffered its second conference loss.

Abernathy went 74 yards in nine plays in the first quarter for its first score. Halfback Tom Hitchey made it from 4 yards out. Extra point try was no good.

Lockney came back scrapping. The Longhorns scored a second quarter TD with quarterback Johnny Belt making it from a yard distance. Point try failed. Belt set up the score with a pass interception.

Abernathy had itself a second quarter score with a razzle-dazzle operation when John Kiker pitched out to Ritchey, who passed to Jack Waters for 15 yards and a TD. Extra point failed.

Both clubs scored in the last quarter. Abernathy's Ritchey ran 46 yards to post the Antelope banner. Extra point kick was blocked. Quarterback Tommy Moon passed to end Ronnie Kidd for 41 yards and a posting of the Lockney banner. Moore converted by placement.

Lockney suffered two losses, the game, and Johnny Belt, offensive standout, who was injured.

4-H Awards To Be Given Soon

Six young 4-H cattle raisers will soon be selected for national honors from some 140,000 club members enrolled in the 4-H beef program, according to the National 4-H Service Committee.

The winners will receive \$400 scholarships and a trip to the 40th National 4-H Club Congress convening in Chicago November 26-30.

Donor of these awards is E. I. du Pont de Nemours & Company. Officials of the firm will also be on hand at the congress to congratulate both state and national beef award winners.

Not attending the 4-H Congress, but sharing in the recognition are more than 7,500 younger boys and girls. They are county winners and receive attractive medals for accomplishment in 4-H beef project work.

Members have sole responsibility of raising, fitting and showing animals and, in many instances, follow through on marketing. In recent years "4-H beef" has come to be recognized as top quality both in the show ring and on the meat counter.

Beef projects are supervised by local club leaders, county extension agents and the Cooperative Extension Service. Members have access to latest scientific findings, literature on breeding, feeding and production. Modern methods of beef raising are explained and demonstrated.

Names of the 1961 national scholarship winners will be announced the last week of November by the National 4-H Service Committee.

Three Way paid a visit to Cotton Center Friday night and defeated the home town team, 32-8, in District 1-B eight-man grid play.

Quarterback Virgil Thomas plunged one yard in the opening stanza to put Three Way ahead, 6-0.

The Eagles' Tommy Dupler scored on a 15-yard run in the second period, but Cotton Center came right back with Martin DeLeon, halfback, scoring on a 15-yard drive. Quarterback Thomas Lowry rammed across for the extra points, and the score at that point was 12-8.

Dupler opened the third period with a 30-yard scoring run for Three Way.

In the fourth period, quarterback Thomas pitched to end Frank Stegal for a 30-yard, pass-run touchdown. A few plays later, Thomas scored on a one-yard plunge, and Petree ran the points after.

MULETRAIN STAFF — The staff of the 1961-1962 Muletrain discuss the theme of this year's annual, which will remain a secret until the annual is delivered in the summer. Staff members are, back row left to right, Juanita St. Clair, Wayne Gilliland, Henry Reid, Ronda Johnson, Sandra Harris, Clifford White, George Nieman and LaNelle Boothe. Front row, left to right, are Sylvia Pool, Benni McDaniel, Shirley Henry, and Lynn Lenau. (Staff Photo)

Six 4-H Girls Will Get Awards

Virtually all 4-H Club girls believe that woman's place is in the home, if the more than a million engaged in a home economics project could be quoted.

At any rate, the future wives and mothers are preparing early for woman's destined role: that of homemaker. Perhaps more aptly today she should be called "homekeeper."

According to statistics released by the U. S. Department of Agriculture, some 1.3 million girls between the ages of 10 and 21 in 50 states, belonging to 4-H Clubs. And judging from interest in projects such as cooking, sewing, interior decorating and home management the young ladies are anxious to learn how to do a first-rate job.

To sum up homemaking activities under one general 4-H category, home economics, the Cooperative Extension Service and Montgomery Ward offer a full-scale program that sets up scientific standards, goals and rewards.

Each year members recount achievements and submit their records in county, state and national competition. The Extension Service selects the winners. Montgomery Ward provides awards.

The last week of November, six outstanding girls will be named national winners and receive \$400 scholarships. Approximately 50 girls are expected to win state awards of an all-expense paid trip to the 40th National 4-H Club Congress convening in Chicago November 26-30.

The mail order firm is among the oldest sponsors of 4-H in the nation, reports the National 4-H Service Committee. Wards was host to Chicago 4-H congress delegates 40 years ago.

DOUBLE RETURN
from these REA loans

Americans are getting a better-living bonus — plus their money back — from Rural Electrification Administration loans.

In the first place, Rural Electric Systems already have repaid nearly \$1 1/2-billion in principal and interest on their \$3 1/2-billion in REA loans. And their repayment record is 99.998% perfect — one of the finest in the history of banking.

Nearly 1000 Rural Electric Systems — mostly cooperatives — have invested these funds in 1 1/2-million miles of line and other facilities. Today nearly 17 million rural Americans, who found no other practical way to obtain electricity, depend on these rural systems for light and power.

Secondly, the Rural Electrification program has benefited all Americans:

- HIGHER RURAL LIVING STANDARDS — MODERN HOMES, BETTER SCHOOLS AND CHURCHES.
- MORE HEALTHFUL CONDITIONS FOR BOTH TOWN AND COUNTRY — A CENTURY OF PROGRESS IN JUST 25 YEARS.
- ABUNDANCE OF HIGH QUALITY FOOD FOR EVERYONE.
- GROWTH OF NEW INDUSTRY IN MANY REGIONS.
- DISPERSAL OF VITAL NATIONAL DEFENSE INSTALLATIONS.
- LEADERSHIP IN RURAL DEVELOPMENT TO BUILD A STRONGER AMERICA.
- CREATION OF A NEW MULTI-BILLION DOLLAR MARKET FOR ELECTRICAL PRODUCTS.
- NEW JOBS, NEW PAYROLLS FOR MILLIONS IN AMERICA'S CITIES AND TOWNS.

This double return makes REA loans to rural electric one of the best investments our government has ever made. That's why we say rural electrification is good for all Americans.

Let's Suppose

Let's suppose the astronauts found a cushy little uninhabited planet with plenty of oxygen, a good climate, fertile soil and a fine water supply.

Let's suppose that a million Americans started a new nation by migrating to this planet, taking with them all their movable possessions. To have a money supply they turned their currency into silver.

The silver was deposited in the banks that had been formed on their arrival.

One of the first things they would have to do is elect a government and give it enough powers to protect their freedom, but not enough to take it away.

One of those powers would have to be the power to tax because the only money government has is what it takes from the people.

Now let's suppose that some of the politicians did not want government spending to be limited to tax money.

Let's suppose they said: "The government must have the power to get extra money by putting I. O. U.s into the banks and getting checking balances in return.

This would raise the question of whose money would be taken out of the banks when the government wrote its checks.

The answer would be: "Nobody's money. It would be newly created money. Every I. O. U. would be a legal addition to the bank's money assets."

This would raise the question of why the banks would be willing to do this.

The answer would be: "Because the government will pay the banks interest for accepting the I. O. U.s and issuing the checkbook money."

This would raise the question of how this unearned money would get its value.

The answer would be: "By sharing in and reducing the value of all other money."

This brings the question as to how and when the I. O. U.s would be paid off and the value would be restored to the other money.

This answer would be: "They might never be paid off. When they came due, other I. O. U.s would be substituted. The bank wouldn't care as long as the interest was paid."

This would raise the question of whether or not this was not only taxation but also confiscation of savings.

The answer would be: "In a way, but this is necessary because the people might not stand for more taxes at times when we need more spending money."

This would raise the question of how the people could protect the value of their money.

The answer would be: "They couldn't. That would be controlled by the politicians and the government economists who are the best judges of what it should be. Moreover, if the economy expands fast enough, the people will never notice it."

Let's suppose somebody then said: "This whole idea is crazy."

The answer would be: "Not at all. This is what has been done in the United States ever since it abandoned gold-redeemable money."

This raises the question as to whether the American people have gone crazy.

You'll have to answer that one.

Babson Discusses

Bank Accounts, Investments, Savings Plans For Newlyweds

Babson Park, Mass., October 26—My column today is addressed to young people getting married, or to those in a position to advise couples starting out in life.

Newlyweds should place at least a part of their joint savings, after buying essential furniture, in straight life insurance. When they are young, they can get such insurance without difficulty and at a moderate rate. Next, I recommend building up credit and establishing good will at a local bank. It is a wise move to rent a small safe-deposit box for jewelry and important papers, including wills. Don't forget to make wills, even if you haven't much capital.

BANK ACCOUNTS VALUABLE

It is important to keep a reasonable deposit in your local bank for emergencies—and a portion for possible later investment when conditions are less clouded and you have more funds. After you put money in the bank, don't withdraw it until the proper time comes, and then only after careful consideration. Think of your bank account as sacred, not to be disturbed except for these pre-considered contingencies.

The young may think the idea unimportant, but there is no better way of building up a reputation for thrift, honesty, and hard work than by starting a bank account and making regular deposits. Become acquainted with an officer of the bank and speak to him every time you go in, so that he will come to know you and will be able to give you a good reference if you need one. Getting to know bank officials can be as valuable to you as your bank-account interest payments.

BANKS TODAY ARE SAFE

During the bank-closing emergency in the 1930's practically all the weaker banks were done away with, so that financial institutions today are in a safe and profitable position. This brings me to the question of bank stocks, which I recommend as an investment . . . particularly the stock of your local bank with which you do business. Practically any local bank could be liquidated for more than its published assets, so that you as a stockholder would probably get more than you paid for your shares. Five or ten shares of such stock would probably be one of the very best investments for a young married couple.

INVESTING IN BANK STOCKS

If you are going to put more than a moderate sum into bank stocks, it would be wise to get the Annual Reports from at least two or three banks and go over them carefully. Any bank will

Sandhills Philosopher

Doubts If Khrushchev Can Do Good Farming Job In 6 Hr. Day

The Sand Hills Philosopher on his Johnson grass farm views the six-hour day proposed for Russian farmers. The six-hour day is something he may be an expert on.

Dear Editor:
As everybody pretty well

whether you are a customer or not, and in most states these reports must be published in the papers every year. After my father's death, I recall finding a scrapbook in which were pasted all the Annual Reports of our hometown Gloucester banks, clipped from the Gloucester Daily Times.

Most people look for the bank with the largest deposits, but let me give you a hint about this. When bankers talk to me about their "large deposits," I always say, "Well, you certainly owe a good deal of money!" Because it should be realized that a bank's deposits represent money that must be paid back to the depositors sooner or later. Therefore, when appraising bank statements, be sure to subtract the deposits from the total assets to find out what would be left for the stockholders.

LOOK BEHIND THE SCENES

In considering bank stocks, always check up on the character, integrity, and ambition of the men in charge of the bank's operations. Be sure that the officials are in good health, and that their judgement is sound. It is a good sign if they are church-going men. It is, of course, an extremely bad sign if they are addicted to liquor or indulge in known excesses.

It is worth while to know the qualifications of the bank directors. Be sure, for instance, that these men have not taken their positions as a mark of distinction rather than as a responsibility. Of course, the bank's assets are under the constant supervision of the regular examiners, so there need be little worry on this score. Hence, if a depression strikes, I feel that bank stocks may be in a stronger position than perhaps any other category of stocks.

agrees the Russians are ahead of us in space and behind us in farming, and while I won't say this proves us farmers are smarter than our space scientists, still it's hard to argue with a fact.

But what I started out to say was I readabout Mr. Khrushchev's twelve-hour speech before a big Communist party gathering in Moscow last week, a six-hour by another six-hour one the next day. That is, I read a few highlights; one of the choicest freedoms of democracy is the freedom to not listen to a one-hour speech by a politician, not to mention a 12-hour ordeal. And down toward the end I noticed that Mr. Khrushchev has promised all the Russians, including farmers, that by 1980 they'll be working only 6 hours a day, five days a week, and, he added, everybody will have paid vacations, including farmers.

Incidentally, he added that if farmers don't start producing more right now, somebody's go-

The Knowledgeable Widow

Sit back and take a good look at all you have done: You've given your family a home, security, and many luxuries. For them you want the best now and tomorrow. And even after you are gone, so most likely, you've already drawn up a will to save on death taxes. Perhaps you've put some funds in trust for certain purposes.

Even so, you can't do all your family's thinking for years to come. You have to equip them, especially your wife, to manage their own affairs.

Refresh your wife on your business—what you own; how you regard it; who your associates are, and whom to look to for facts and advice. In this way you can keep her from some mistakes.

Tell your wife how you pay the bills, keep records and pay your taxes. Tell her especially who advises you on these matters. Tell her about insurance, trust funds, stocks and other investments. Show her the papers and where you keep them. And why.

Show her how you bought the house and car.

See that she meets your lawyers, bankers, and business associates.

Does she know enough about your business and whom you deal with? She may have to take it over and run it or sell it.

Take her to your office; show her where you keep the books, vital papers, letters, checks, and receipts.

(Items from the October 23, 1941 issue of the Muleshoe Journal)

—1941—

A deal was consummated last week in which the interests of Arthur Crow in the Crow Chevrolet Co. at Sudan were sold to E. E. "Dutch" Crow of Muleshoe, and the interest of E. E. Crow in the C and H Chevrolet Co., Muleshoe were purchased by Arthur

Does she know how to file her tax forms and whom to consult about taxes?

Take her through your business papers. Perhaps while you are around to supervise, you ought to let her have a trial run or two in some transaction to give her skill, knowledge, and confidence.

—1941—

Ira and Loyd Robison, who have been in Elcanjon, Calif., for the past few months, returned to Muleshoe last weekend for a few days visit here with relatives and friends.

Crow. Each held half interests in both the Sudan and Muleshoe companies previously.

E. E. Crow has been in business in Muleshoe for seven months, coming here from Sudan.

Mr. and Mrs. Crow will establish their home here as soon as housing is arranged.

The new Fellowship Hall and Community Service building recently completed at the Methodist Church has begun its active service in fellowship, education and character building enterprises.

Mr. and Mrs. Vance Wagon of Muleshoe announce the birth of a daughter, Delores Jane. She was born Saturday, October 18, in the local clinic.

Miss Ora Sharp of West Texas State College, Canyon, has been chosen secretary of the Cactus Lodge girls hall.

Ora is the daughter of Rev. and Mrs. Jim Sharp of Muleshoe.

Sheriff and Mrs. W. E. Renfrow made a business trip to Wichita Falls Friday of last week. While there they visited in the home of their son-in-law and daughter, Mr. and Mrs. Bruce Lambert.

Attend The Church Of Your Choice

You Will Find Peace

In Faith . . .

"My Father, if it be possible, let this cup pass from me; nevertheless, not as I will, but as thou wilt." (Matthew 26:39.RSV.)

In anguish because He was shortly to be betrayed, persecuted, and put to death, Jesus was still positive of God's love. His surrender to the Father's will made the way clear for the resurrection and eternal life.

Because God loves us, we know we can trust Him. However, it is not easy to pray, "Thy will be done." Submission to God's will is difficult. We may revere divine will in theory, but too often we steadfastly hold on to our own will in reality.

But since we know that the will of God is always best, we need to dedicate ourselves in self-surrender to reap the rewards of sincere faith.

We prove our faith when we ask for God's will to be done. We open the way for greater good to pass into our lives as God wills it for us. In Him we have growth, fulfillment, perfection.

PRAYER: Our Father, it is hard for us to accept and practice letting Thy will be ours. We pray that we may conquer ourselves. Let Thy will be in us and manifested through us. In the name of Christ, our Savior. Amen.

THOUGHT FOR THE DAY

God helping me, I will accept His will and put it to work in my life.

Cora F. Burnett (Massachusetts)

MAN DENIES FINDING GOD

By GENE HANLEY
The News' Religion Writer

There's going to be a change in religion at Randolph-Macon College. The college has already announced a shift from its traditional Protestant roots to a more inclusive, multi-faith approach. The new curriculum will include courses in Hinduism, Buddhism, and Islam, alongside traditional Christian studies. This move has sparked controversy among conservative Christians who feel it dilutes the college's religious identity.

Has Harrison Y. Kahlendorf, 43, found God? Some observers say yes. Mr. Kahlendorf says no. The circumstances are these: Four months ago Mr. Kahlendorf was indifferent to religion. He was also weary of worry, and hungry for hope. One Sunday he "just happened" to go to Church . . .

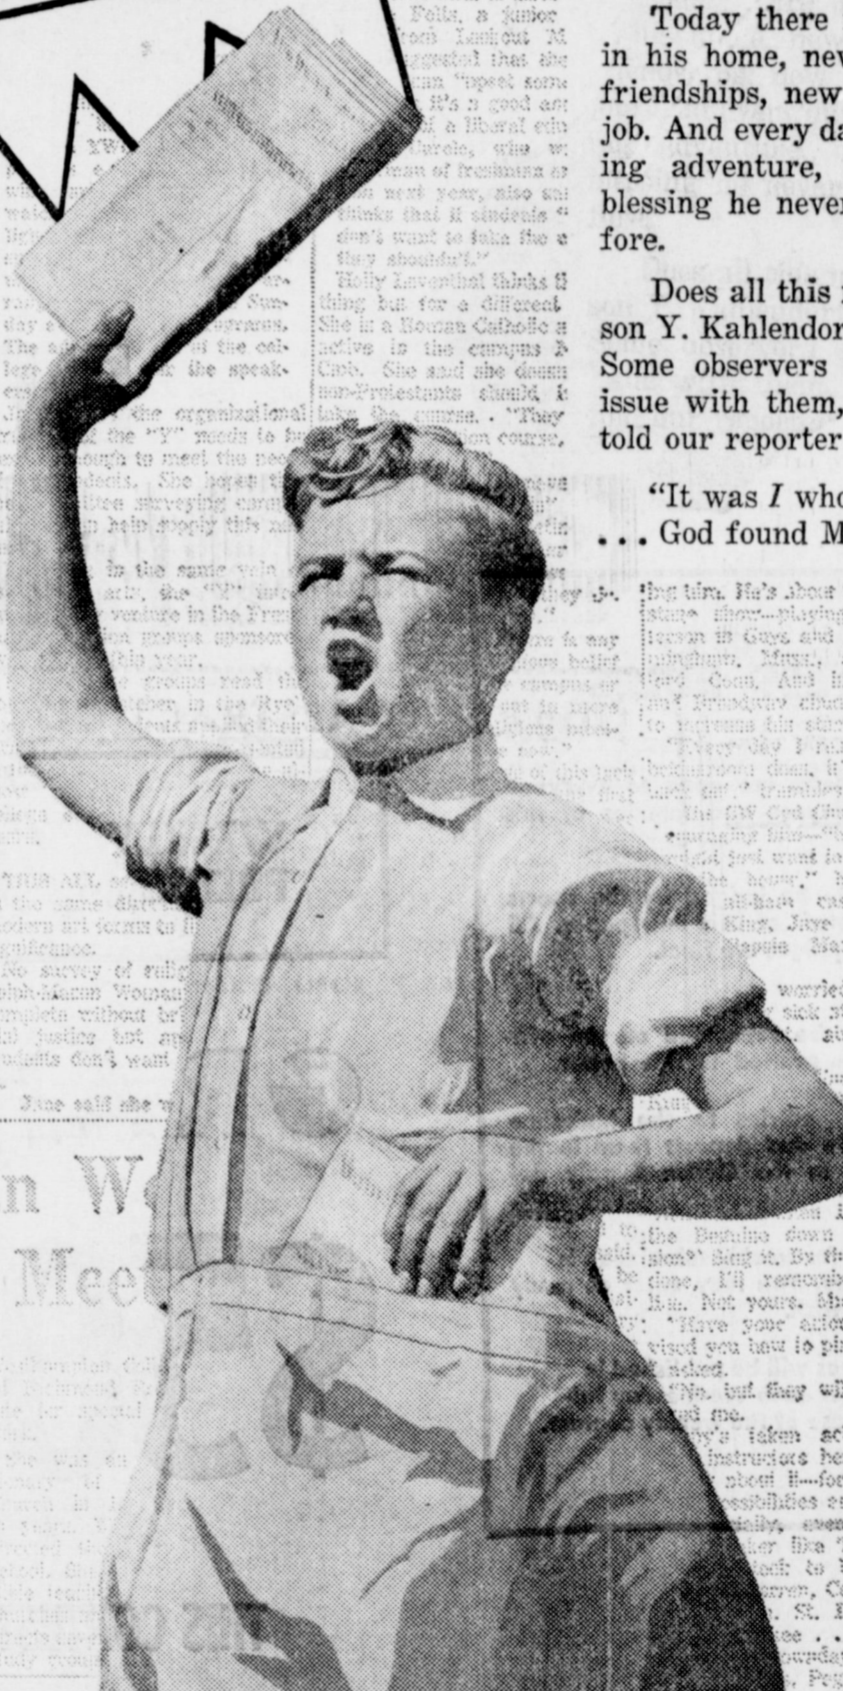

The Christian Truth came to Harrison Y. Kahlendorf as good news . . . and it began to change his life.

Today there is new happiness in his home, new warmth in his friendships, new challenge in his job. And every day he is discovering adventure, opportunity and blessing he never dreamed of before.

Does all this mean that Harrison Y. Kahlendorf has found God? Some observers say yes. Taking issue with them, Mr. Kahlendorf told our reporter:

"It was I who had been hiding . . . God found ME!"

EXTRA!
Read All About It

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

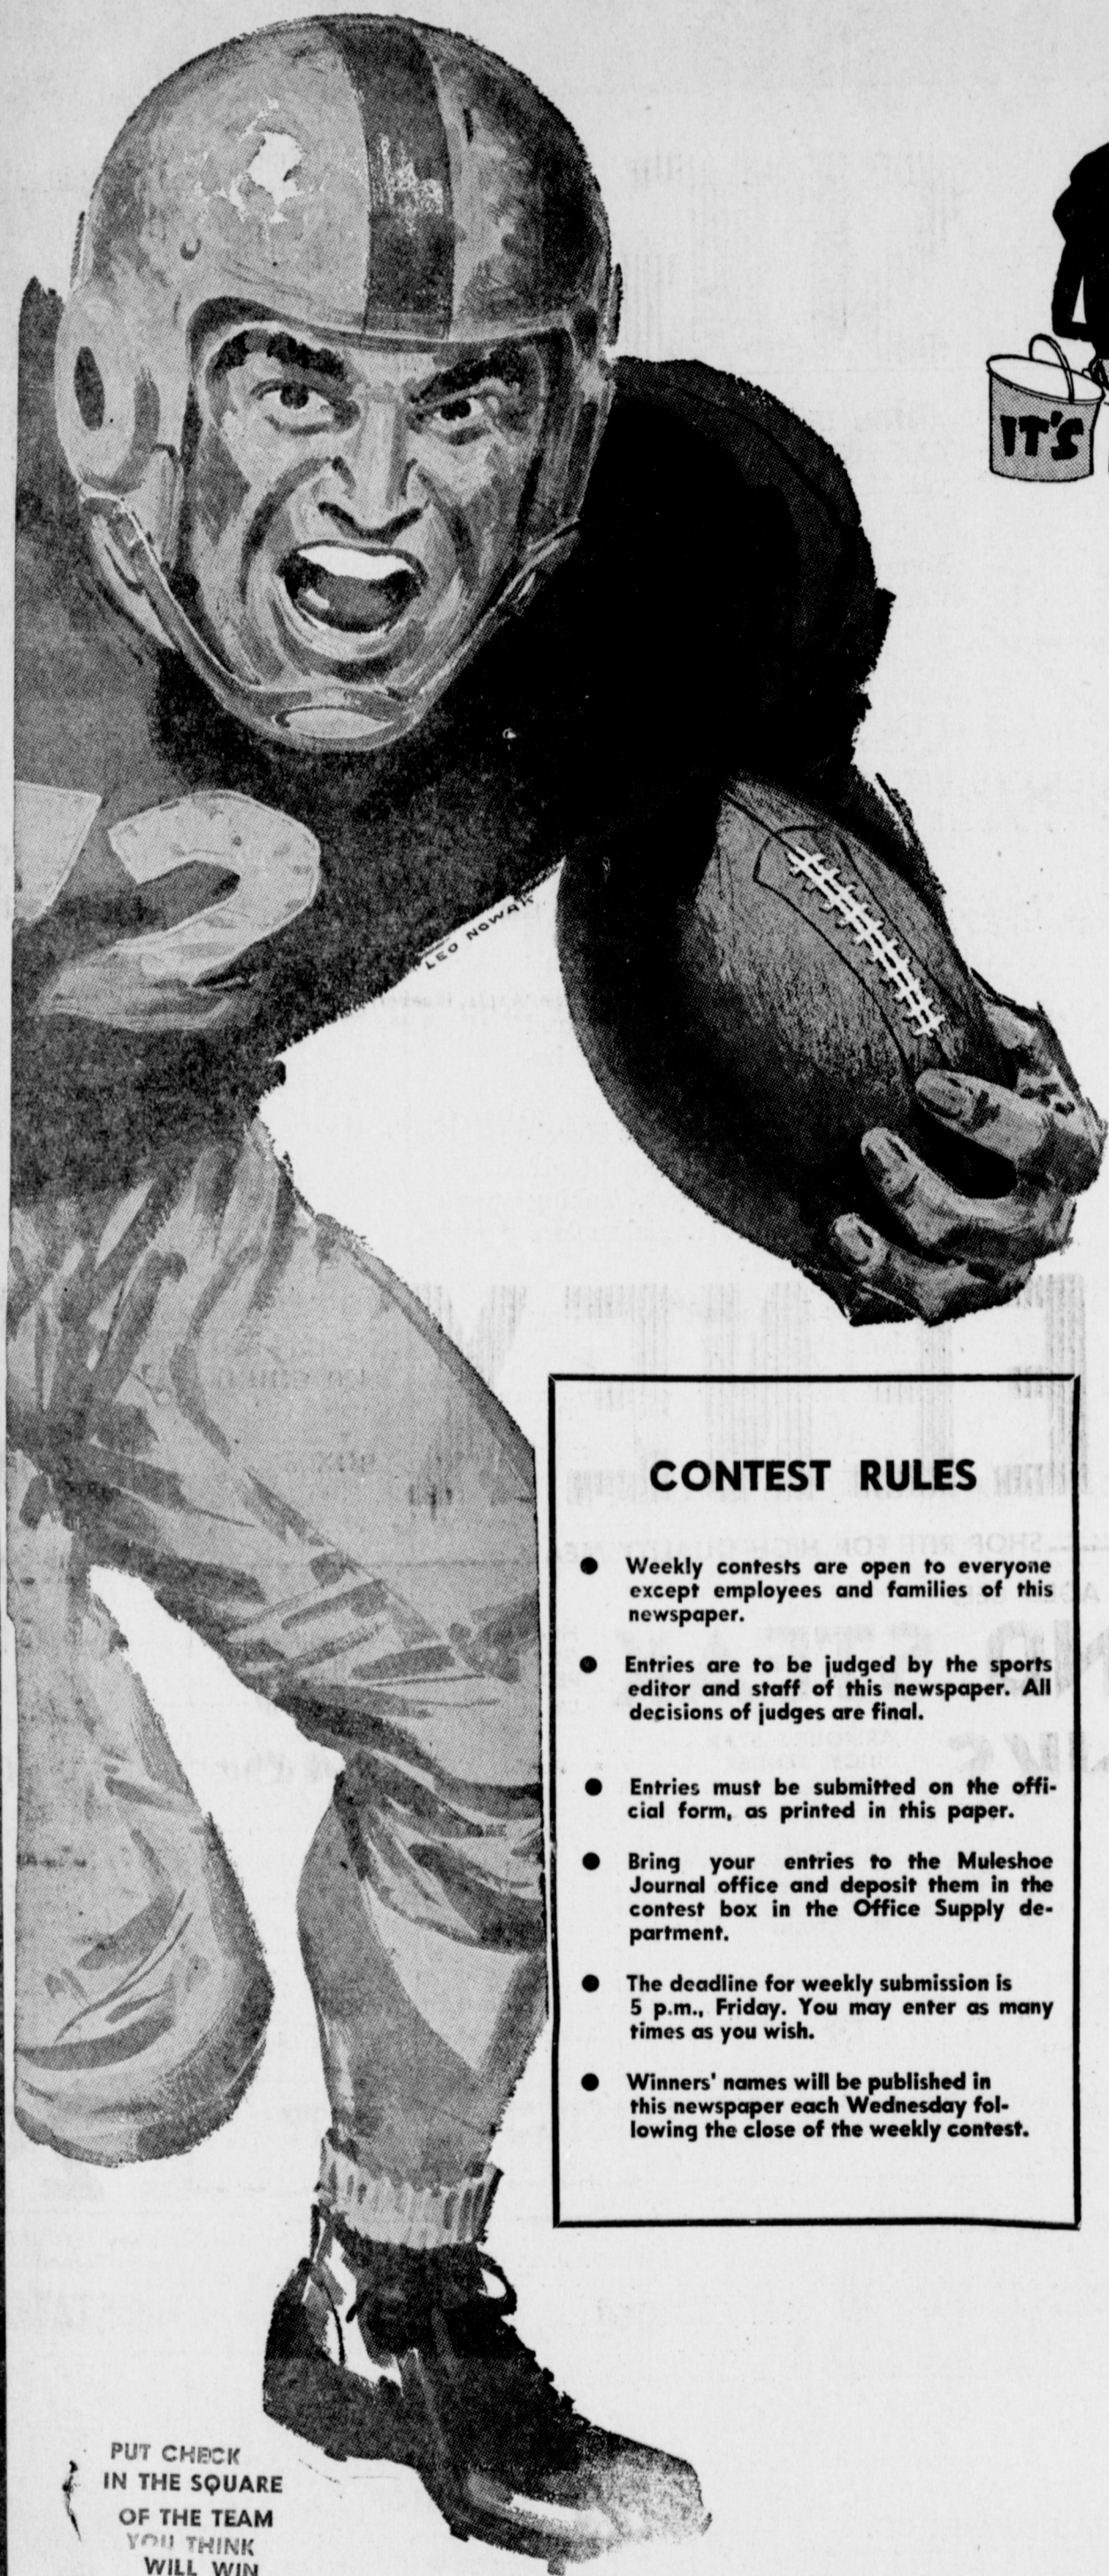

Day	Book	Chapter	Verses
Sunday	Psalms	139	1-6
Monday	Psalms	139	13-18
Tuesday	I Chronicles	28	4-10
Wednesday	Lamentations	3	19-27
Thursday	Jeremiah	17	5-10
Friday	I Corinthians	2	6-11
Saturday	II Corinthians	5	16-21

Beware Salted Carla-Damaged Gulf Area Cars

Purchasers of automobiles have been warned to be on the lookout for vehicles with salt water damage from Hurricane Carla. H. C. Pittman, executive vice president of the Texas Automobile Dealers Association, said in our office, scores of persons throughout Texas are being victimized by unscrupulous bargain promoters who have purchased automobiles in the Gulf area, after they have been totaled by insurance companies, and are reselling them in other parts of the state to purchasers who are unaware of the salt water damage. TADA is a state-wide organization of franchised automobile dealers, with headquarters in Austin.

'We have received reports of persons who have made special trips to purchase quantities of these new cars,' Pittman continued. 'After cleaning them up and removing the factory stickers, they are selling them without advising the purchasers of the certainty of quick deterioration from salt rust. The public in the Gulf area is educated to this type of damage and therefore most of these cars are being sold in Central, North and West Texas.

Today's Meditation

Read Philippians
Pray at all times in the Spirit, with all prayers and supplication. To that end keep alert with all perseverance, making supplication for all the saints. (Ephesians 6: 18. RSV.)

Now that I am facing life far away from home and family, I remember nostalgically the good times I had in a boarding school.

Every Thursday afternoon as we ran and played under a magnificent blue-flowering tree in the courtyard of the school, we were interrupted at 5:45 o'clock by the tones of the familiar bell. At once we thought, "It's time for vesper", and our hearts were filled with joy.

We sat down on the ground, which was carpeted with lovely green grass. There with our beloved school principal, we had our serving of thanksgiving to God.

Ever since, at that hour of the day, I have had a moment of communion with God in prayer. Thus I find that my work, my everyday problems, my worries and cares are made lighter. I feel my heart relieved and strengthened by blessings from heaven.

PRAYER: Father, creator of our lives, strengthen our desire to commune with Thee. Prepare our hearts for an encounter with Thee. Forgive us our sins, and deliver us from evil. Preserve our souls from death. For Jesus' sake. Amen.

THOUGHT FOR THE DAY
"In the secret of His presence, how my soul delights to hide!"
Antonia de Campos (Brazil)

H. L. Fleming In 'Sea Shell'

Navy Ens. Howard L. Fleming, son of Mr. and Mrs. G. W. Fleming of Route 1, Friona, is serving with Patrol Squadron 19 at the Naval Air Station, Alameda, Calif.

The squadron is participating with 150 ships, submarines and aircraft from the United States and Canada in a joint anti-submarine warfare exercise off the west coast of the North American continent.

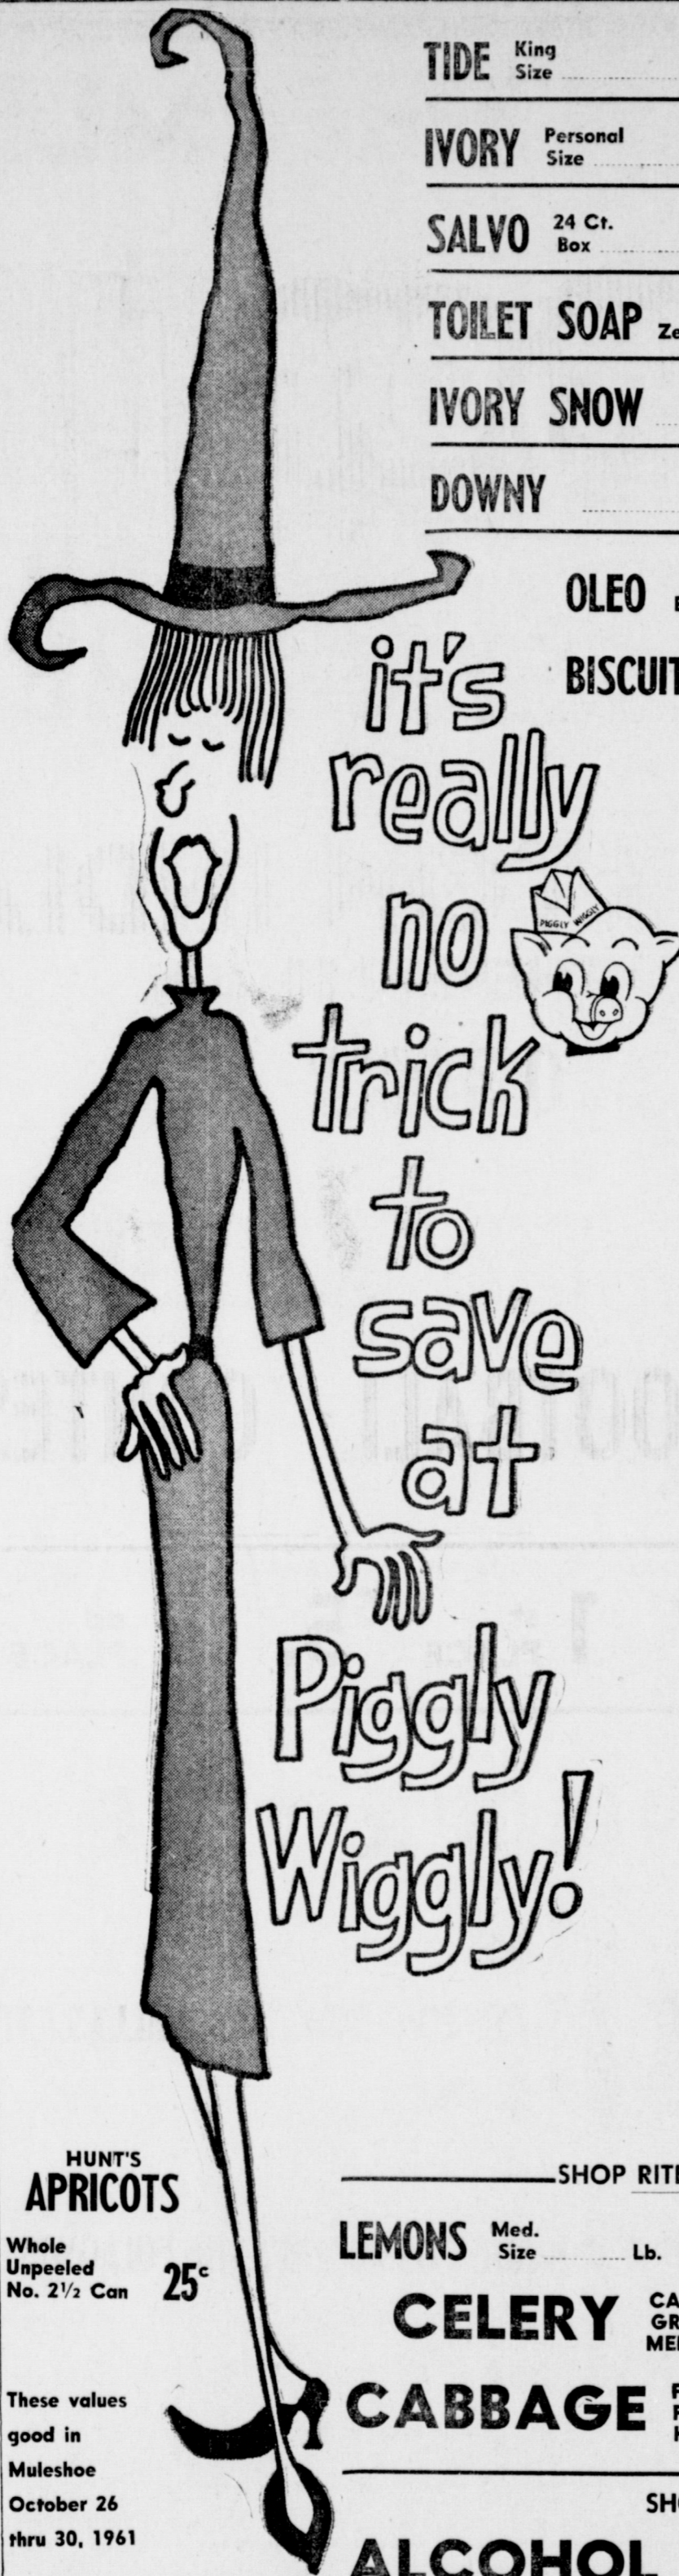

The exercise, named "Sea Shell", involves more than 10,000 men.

- Blouse: 2, Marsha Schuman; 3, Jill Mimms.

Mr. and Mrs. Joe Bullock visited in Dallas last weekend with Mrs. Bullock's sister and her husband, Mr. and Mrs. Coleman Alsup.

Mr. and Mrs. Bob McDonald of Levelland visited friends Sunday in the Clays Corner area.

Mrs. Raymond Houston and Marie were shopping in Lubbock last Friday.

Birthday greetings this week go to:

- S. T. Tipton, 22nd; Tommie Tipton, 28th; Charlie Neeley, 22nd; Junior Walker, 25th; Don Smith, 26th; Salinas Yelanda, 25th; R. G. Treider, 26th; David Hargrove, 23rd; Wayland Beavers, 27th; and Sherry Ivy, 28th.

The Lazbuddie Longhorns lost their game to the Vega Horns but all in all the boys played a very good game. Just about every time the Lazbuddie team was near scoring line — time was up for the half or quarter. "Fate be a little kinder!"

Don Schumann left Sunday for San Diego, Calif., to attend the funeral of his brother, Robert, age 42. Schumann died in San Diego Sunday, 6 a.m.

Folks, if you have Lazbuddie news, please call me by 10:30 in the a.m., or after 4 p.m., or you may leave your news at Clays Corner any time during the day as I am employed there part time this fall. Thanks!

(Signed) Mrs. Watson

Three Way News

by Mrs. Frank Griffith

Janice Sue, daughter of Mr. and Mrs. Jack Lane, was ill last week with a throat infection.

The Junior High football team defeated Cotton Center Thursday in a game at Three Way.

The girls' basketball teams played the Cotton Center girls, and were also victorious.

The High School football team played at Cotton Center Friday night. The Eagles won again. They will play Bula at Bula Friday, October 27.

November 3 they will play Nazareth at Three Way.

Leon Reeves, Rayford Masten, Jack Furguson and son Johnny, and Doss Terrell and Tommy attended the Texas Tech-Baylor game in Lubbock Saturday.

Mrs. Lewie Jordan and Linda, Doyle Davis, and Mrs. Frank Griffith attended the ball game at Cotton Center Friday. They went early and visited Mrs. John Shackelford and girls and ate barbecue at the school. The Shackelfords formerly lived at Three Way.

Bailey Griffith spent the weekend at Ft. Worth and College Station visiting friends.

Beginning next week, Mrs. Jack Lane will write the Three Way News. Call in your news items to 946-2362.

METHODIST CHURCH NEWS
The Methodist MYF and Methodist pastor, Tommie Gleaton, attended the MYF district meeting at Hale Center Sunday night.

WCS MET

The Women's Society of Christian Service met Thursday for regular meeting, continuing their study of "New Churches for Our Time." There were eight members and one visitor present.

The WSCS will observe Monday, Oct. 30, as their Week of Prayer and Self Denial. On Monday from 10 a.m. to 2 p.m. they will have a covered dish luncheon at the church. All ladies are urged to come.

Two films were shown Sunday night at the evening worship at the Methodist church. One, "The Bible Through the Centuries," and the other, "The Film of Independence."

Sunday, October 22 was Layman's Day and Troy Atkinson was in charge of the morning service.

CANNED FOR MILANS HOME

Several ladies met at the Baptist Church kitchen and canned 15 gallons of tomato juice for the Milans Girls Home in Lubbock. The tomatoes were furnished by Mr. and Mrs. G. R. Hill. Those helping do the canning were Meses. Marvin Carroll, Joe Carroll, G. R. Hill, D. O. Smith, Tom Morgan, E. W. Locker, Earl Hord, and the pastor, Bro. Hord.

ANNUAL MEETING

Those attending the Llanos Altos Baptist Association meeting at Dimmitt October 19, from the Progress Church were Mr. and Mrs. R. M. Gibson, Mrs. D. O. Smith, Mrs. Tom Morgan, and Bro. and Mrs. Earl Hord.

E. H. Willingham of Anadarko, Okla., returned home after spending several days here visiting the Phillip Garretts and attending business interests here.

The Jimmie Presleys had as their guests this past weekend,

his sister and family from Sara, Okla.

Mrs. Mattie Griffin was ill this past weekend.

Mr. and Mrs. W. E. Duncan came home Wednesday of last week. Mr. Duncan is confined to his bed. He suffered a stroke, also breaking his hip a few weeks ago. He has been in a hospital at Big Spring.

59th ANNIVERSARY

Mr. and Mrs. C. A. Bishop celebrated their 59th wedding anniversary October 21. Mr. Bishop is confined to his bed.

Visiting Sunday in the Johnnie Calvert home were his parents from Lorenzo.

Mr. and Mrs. Heron Griffen and daughters visited Saturday with their mother, Mrs. Mattie Griffen.

Enochs News Events

by Mrs. Jerome Cash

Charley Byars and relatives from Lubbock fished over the weekend at Possum Kingdom Lake. They reported a good catch of fish.

Mr. and Mrs. Ralph Beasley's son, Jerry, spent from Wednesday until Saturday with her parents in a Littlefield Hospital with pneumonia. He has been seriously ill, but is better at this writing.

Those visiting Mr. and Mrs. L. C. Harris Saturday night and attending the Bula homecoming, were their daughter and family, Mr. and Mrs. Lee Brannon and boys of Odessa and on Sunday their other two daughters visited them, Mr. and Mrs. Joe Phillips and son of Levelland and Mrs. Elmer Riley and children of Amarillo, and a granddaughter and her husband, Mr. and Mrs. David Castleberry, also of Amarillo.

Mrs. W. H. Barber of Muleshoe spent Sunday visiting her mother, Grandmother Hall.

J. E. Atry and sons, George and John and the Bryant boys, Tommie, Kenneth, and Dean, of Hereford are deer hunting in Rifle, Colo., this week.

Rev. J. J. Terry celebrated his birthday Sunday with their children present, Mr. and Mrs. Melvin Terry and children of Farwell, and Mrs. Ludene Williams and children. It was also Melvin's birthday.

J. E. and Harold Layton and Raymond Austin left Saturday night for Pagosa Springs, Colo., for a few days deer hunting.

Mr. and Mrs. Bell Burris and children of Wellman attended Bula homecoming Saturday night and spent the weekend with her folks, Mr. and Mrs. Carl Hall.

Mrs. Ronnie Ethridge and Mr. and Mrs. Ralph Beasley's son, Jerry, spent from Wednesday until Saturday with her parents in a Littlefield Hospital with pneumonia. He has been seriously ill, but is better at this writing.

Mr. and Mrs. Ralph Beasley's son, Jerry, spent from Wednesday until Saturday with her parents in a Littlefield Hospital with pneumonia. He has been seriously ill, but is better at this writing.

DUTTON GUESTS

Mr. and Mrs. C. N. Stine of Amberst and Mr. and Mrs. Olen Dutton and Danny of Lubbock were weekend guests of the A. L. Duttons. Mr. Stine is a brother of Flossie Dutton.

HOLDEMAN CHILDREN HERE

The C. H. Holdemans had her daughter and family, Mr. and Mrs. Wayne Graham of Amarillo, and Denny, five, and Kenny, two, as their guests last weekend.

In Our Time

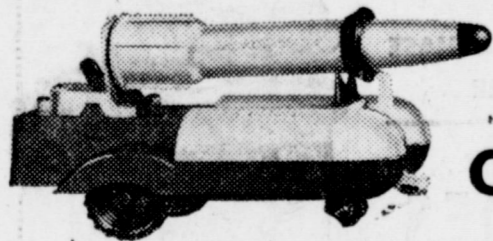

CONSERVATION OF THE NATION'S NATURAL RESOURCES, A PRECIOUS COMMODITY, HAS BECOME INCREASINGLY IMPORTANT TO AMERICA AND TO AMERICAN INDUSTRY.

THROUGH CAREFUL RESEARCH AND PLANNING, INDUSTRY HAS BEEN ABLE TO OPERATE IN VIRGIN AREAS WHILE PROTECTING... AND IN SOME CASES IMPROVING... THE HABITAT OF WILDLIFE, GAME AND FISH.

IN LOUISIANA, FOR EXAMPLE, AN OIL PIPELINE ROUTE WAS CHANGED SO AS NOT TO DISTURB A COLONY OF RARE WHOOPIING CRANES, AND OFF THE COAST OF CALIFORNIA AN AREA THAT WAS A VIRTUAL MARINE DESERT, BECAME A FISHERMEN'S PARADISE AFTER RIGS SUNK IN THE OCEAN FLOOR GATHERED BARNACLES AND VEGETATION THAT ATTRACTED FISH.

MANY CONSERVATIONISTS ARE FINDING THAT WILDLIFE AND INDUSTRY CAN BE COMPATIBLE WHEN AIDED BY UNDERSTANDING, RESTRAINT AND RESPONSIBILITY AMONG THE BEAUTIFULS OF NATURE.

Here is the most exciting new toy of the year!

The **ENCO Energy Rocket** with coupon from your neighbor in a **HUMBLE** uniform

This Humble exclusive is a fascinating toy. So safe and easy to use, a small fry of six can run it. So much fun, even Dads will monopolize it.

Its principal parts are of **Escon**, Humble's tough new plastic. It's battery powered, easy to assemble, (and the car is securely held together by screws). Simply start it, place on track and after a turn or two, throw the switch. The car zips down the side-track into a plastic bumper and *wh-o-o-o-sh!* The rocket zooms toward the ceiling (but doesn't hit it).

Ask for a coupon at the Humble sign in your neighborhood today. Mail with \$2.95* (cash, money order or check) to address on coupon.

(*plus State tax where applicable)

Without coupon—You can buy the **Enco Energy Rocket** without a coupon for \$5.95.* Mail cash, money order or check with name and address to Rocket, Humble Oil & Refining Company, P. O. Box 1244, Houston 1, Texas.

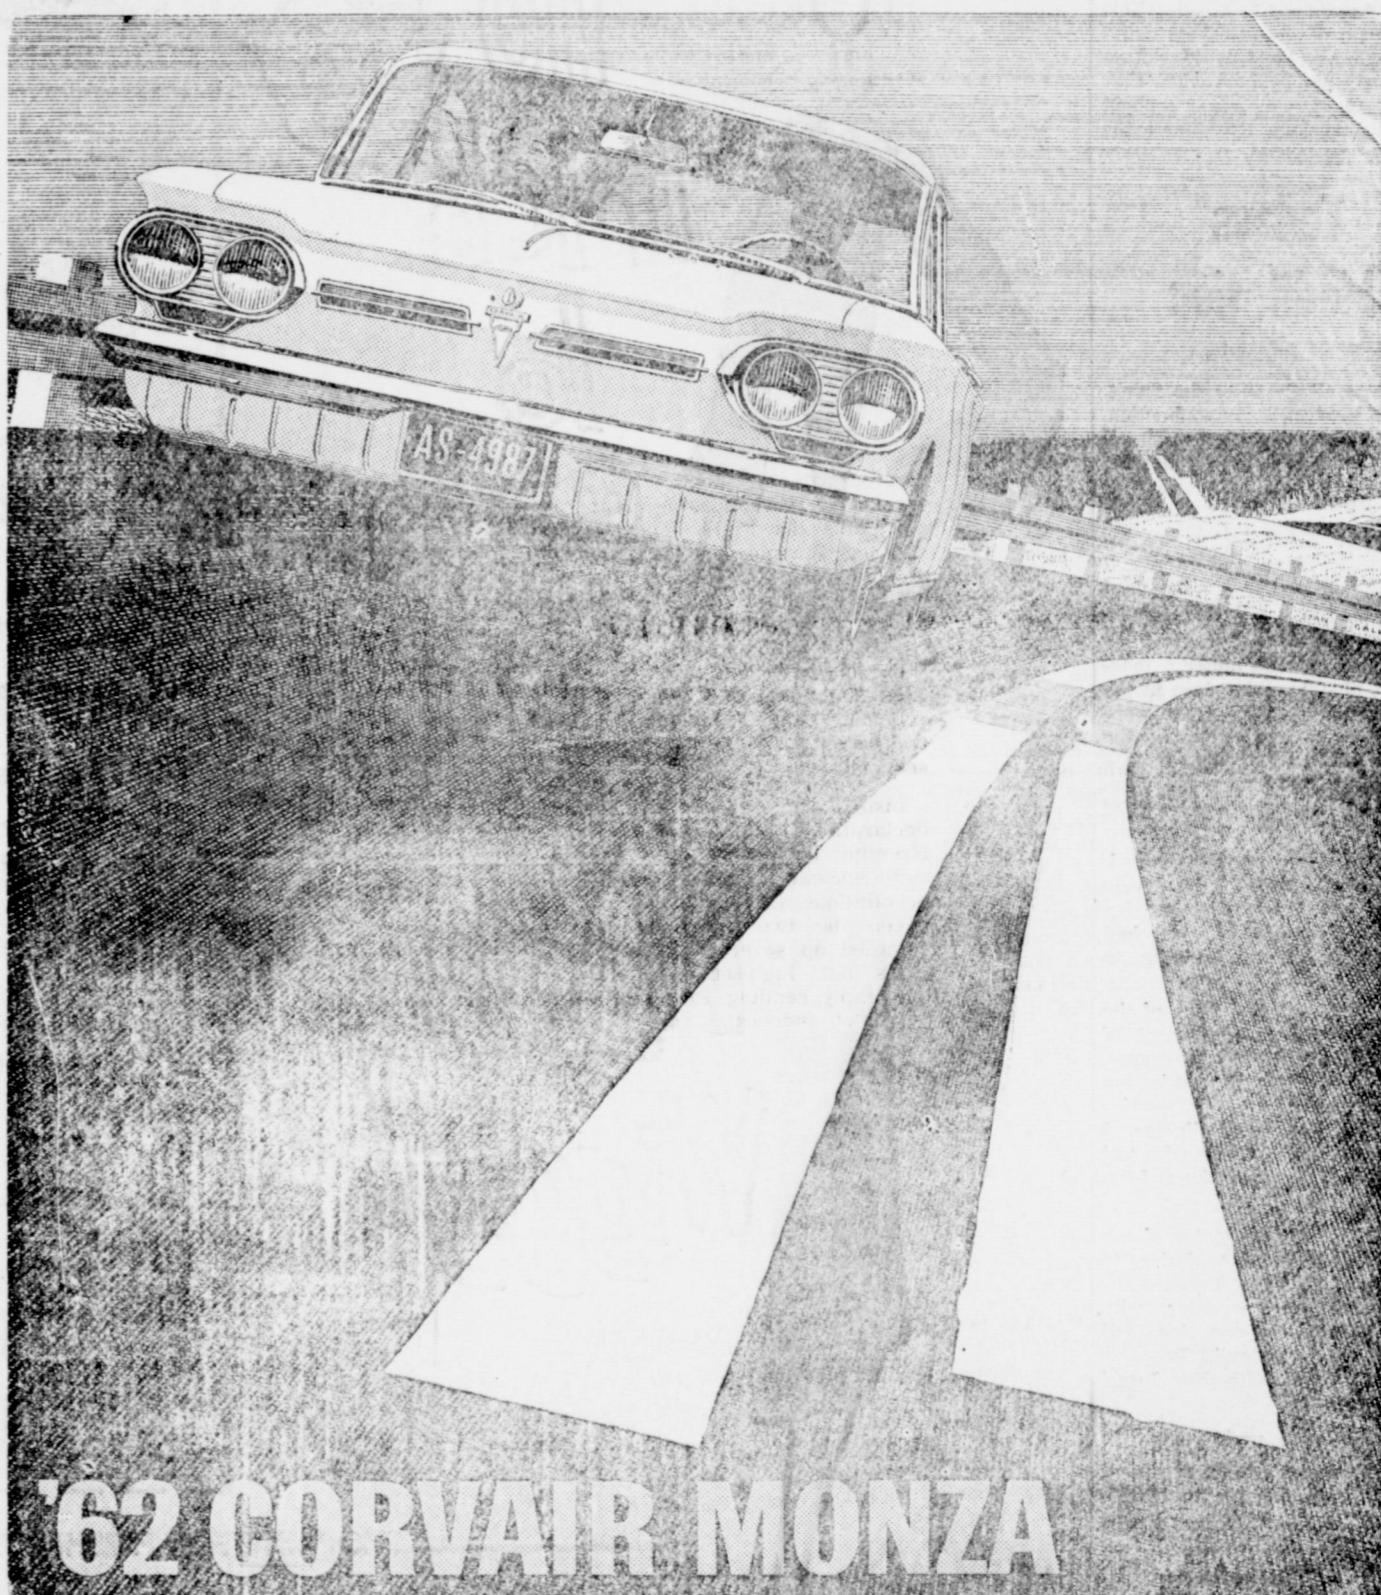

Give your car an energy boost—fill up with Enco Extra gasoline

'62 CORVAIR MONZA

NEW FACE, SAME SPORTING HEART

We might as well tell you straight off: Corvair's the car for the driving enthusiast. Think that lets you out? Maybe, maybe not.

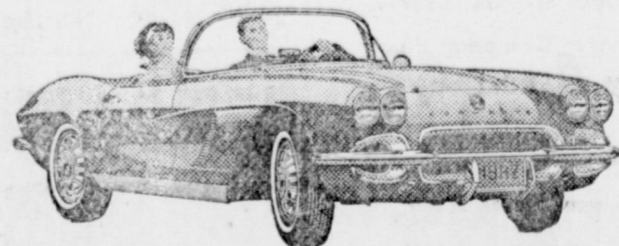

Until you've driven one, you really can't say for sure, because Corvair's kind of driving is like no other in the land. The amazing air-cooled rear engine sees to that. You swing around curves flat as you please, in complete control. You whip through the sticky spots other cars should keep out of in the first place. (Especially this year, now that you can get Positraction as an extra-cost option.) You stop smoothly, levelly with Corvair's beautifully balanced, bigger brakes.

And Corvair's found other new ways to please you this year. A forced-air heater and defroster are standard equipment on all coupes, sedans and both Monza and 700 Station Wagons. So are dual sunshades and front-door armrests and some other goodies. You'll note some new styling, inside and out. Nice. And safety-belt installation is easier, too, and cheaper. Another extra-cost option well worth considering is the heavy-duty front and rear suspension; it turns a Corvair into a real tiger.

So you can see we haven't really done much to Corvair this year. Why on earth should we? If this car, just as she is, can't make a driving enthusiast out of you, better take a cab.

A New World of Worth

And here's America's only thoroughbred sports car, the '62 CORVETTE. We warn you: If you drive a Corvette after your first sampling of a Corvair, you may well end up a two-car man. And who could blame you?

See the '62 Corvair and Corvette at your local authorized Chevrolet dealer's

'Hour Grows Late For Survival Of Freedom In Hemisphere

Davis Merwin has been editor, publisher and correspondent for some 40 years, seeing combat with all four armed services. He has since World War I devoted his time to National Defense—both stateside and overseas, including two Korean War tours, as a newspaper correspondent.—Editor.

By DAVIS MERWIN

We were talking of Cuba and the threat it poses alone, and in subverting all Latin America and dangerously limiting our capacity to deal with other trouble spots indistinguishable behind the Khrushchev klieg lights of Cuba and Berlin. Thus the need for prompt action to stabilize the Caribbean before the operation. Without this excision of a spreading cancer, the \$20 billion of "Alliance for Progress" and even many more billions would of the emotional and political edgework of areas like Brazil and Argentina and lesser states. Their masses couldn't care less about one vague difference betwixt. They know only that a fellow David has beamed a plumb-tommed Goliath whom they both envy and distrust.

Last April 20, I sat in a meeting of editors in Washington and heard President Kennedy duck his culpability in the Cuban fiasco which had just occurred, yet speak words of determination. He was turning over a new leaf. President said that he had "emphasized before that this was a struggle of Cuban patriots against" while we could not be expected to hide our sympathies we made it repeatedly clear that the Armed Forces of this country would not intervene in any way.

Now let it be recorded that the civilian and Armed Forces of this country did intervene in just about every way calculated to "throw the fight," including vacillation and broken promises, down to the three-mile limit, off the Bay of Pigs—all ca orders from the top or near-top in Washington. Perhaps we shouldn't sorrow over the senseless attempt to put the show on the road through the American (ADA), instead of the Chiefs of the Armed Services, trained and staffed for such undertakings.

Possibly, at last, an Administration has learned its lesson and we can accept as gospel editors that we must "let the record show that our restraint is not inexhaustible." After all, our "restraint" has become chronic, confused with weakness, throughout the world.

Then came the Kennedy promise that "if the inter-American doctrine of non-interference merely conceals or excuses a policy of non-action; if the nations of this hemisphere should fail to meet their commitments against outside Communist penetration, then I want it clearly understood that this government will not hesitate in meeting its primary obligations which are the security of our Nation." Doesn't that include our obligation to dispose of Communist missile, submarine and other enemy installations at our very shores.

ATTENDS HOMECOMING AT MILITARY INSTITUTE

Mrs. John Smith and daughter, Tindy, and Kay Baker attended Homecoming Saturday and Sunday at the New Mexico Military Institute in Roswell. They report that they were highly entertained with a coffee, parade and the football game between the Cameron Aggies and N.M.M.I. Broncos. They also attended the dance Saturday night and Chapel on Sunday morning. The Smiths' son, Cadet Gary Smith is attending the Institute this year. Gary is a sophomore.

(Continued From Page 2)

ing to get sent to Siberia. But what interests me most is this six-hour day Mr. Khrushchev is going to give farmers.

Now I have tried a six-hour day out here on this Johnson grass farm, and I like it fine, only I have found out that if everybody else tried it, I'm afraid the Secretary of Agriculture would stop worrying about too much food and start worrying about too little.

Maybe the present Russian farmers are smart enough to work twelve hours a day and still not produce a back-breaking surplus, but American farmers have never been able to swing it. The more they work, the more they produce, and the more they produce, the less they get for it and the longer they have to work to come out even.

I am afraid though that before Mr. Khrushchev gets all his farming done in a six-hour day, he's going to have to control the weather, produce a flat-free tractor tire, a perpetual battery, an ever-lasting crankshaft, a dust-free carburetor, abolish insects, and outlaw fishing, and I doubt if he'll be able to do that in 1960, which is only about 18 years away. If I was a Russian farmer and wanted to try the 6-hour day, I believe I'd cross the border.

Yours faithfully,
J. A.

Talk—No Action

And here's a Presidential postscript that we must never forget: "Should that time ever come, we do not intend to be lectured on intervention by those whose character was stamped for all time on the bloody streets of Budapest. . . . Manifestly that time has come—minus execution of the pledge. Yet we read that "The dedication of those who gave their lives shall not be forgotten and Cuba must not be abandoned to the Communists. And we do not intend to abandon it either." What have we done? We have not only forsaken our long-time good neighbor, but sub-increasing physical threat erected, not only within the hemisphere, but a mere 90 miles from Florida—by the Cuban people's evil masters from Moscow, and their avowed plan is to "bury" us.

"The evidence is clear and the hour is late." And "We and our Latin friends will have to face the fact that we cannot postpone any longer the real issue of survival of freedom in this hemisphere itself. On that issue . . . there can be no middle ground." Except, maybe the hemisphere. Has Washington heeded these words? Absolutely not. Has Mr. Kennedy borne them in mind? Quien sabe? Were they just oratory? Maybe the Monroe Doctrine in Russian!

The fact is that, beaven them, Fidel Castro and his haterhater, Che Guevara, have both conceived and precipitated major disaster and Central and South America.

Whitewash Again

But Red gains are on the increase elsewhere, and not just in one region. How long can the United States ignore widespread enemy strategic gains while its gaze is painlessly diverted to speed the Soviet Program?

Now, the "neutrals" who met at Belgrade were supposed to have shown their indignation by leaping on Uncle Sam's bandwagon because of Nikki's insolent intrusion with his sneaky big bang into their world-shaking deliberations—his downright deception in lighting cannon-crackers behind the old red barn. Inflamed with this righteous wrath and finally in horror of the barbaric tyranny of the Soviet imperialists over their enslaved sub-colonial satellites, the "unaligned" were to resolve to heap denunciation upon the ones by whom they had been seduced.

Instead, they passed an insipid declaration whitewashing the Kremlin: ignored its butchery and rude nuclear pollution, called for negotiations at the Summit between the two big powers and summed up several days of vaporous but high-sounding debate by simply sending Presidents Sukarno of Indonesia and Mobido Keita of Mali to Washington to appeal for new Summit talks!

What price glory?
What price Foreign Aid?
What price United Nations?

TO SAN ANTONIO STORE

Mr. and Mrs. Allen Berry and two year old son, Bobby, moved last weekend from their home in Odessa to San Antonio.

Tom and his family recently were in Muleshoe for several days with his parents, Mr. and Mrs. Tom Berry.

Progress Religious Census To Be Taken

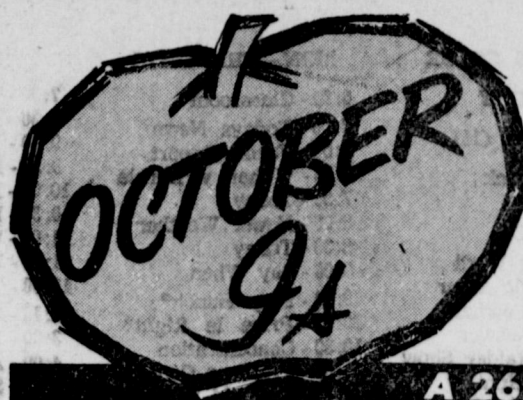

The Churches of Progress, the Baptist and the Methodist will take a Religious Census of the Progress Community area on the afternoon of Sunday, October 29.

The workers will meet following church services at their respective churches at the Methodist Church for instruction, fellowship, and lunch. A nursery will be provided for all workers. The workers will be on the

field of work by 1:30 p.m. Each house will be canvassed in the area. The workers will go out in teams of two, one Methodist and one Baptist. We urge the cooperation of all persons in the area in the taking of this census for the use of both churches.

AMUSEMENT GUIDE

Susan Hayward Stars In "Ada"

Susan Hayward aids her husband, Dean Martin, up the ladder of success, then eclipses him in Metro-Goldwyn-Mayer's "Ada" engrossing drama of a woman who uses her beauty and brains to get what she wants.

Wilfred Hyde White, Ralph Meeker and Martin Balsam also have leading roles in the CinemaScope and color attraction playing Sunday and Monday, Oct. 29 and 30 at Cox Drive-In movie.

Mrs. Jim Ivy Submits Prize-Winning Entry

Mrs. Jimmy Ivy, Route One, Box 121, Friona, Texas, has won a Club Aluminum Holiday Cookware Set as the result of her prize-winning entry in the STAFLO Liquid Starch-Sta-PUF Rinse "What's the Baby Saying" contest sponsored by the A. E. Staley Manufacturing Company of Decatur, Illinois.

Mrs. Ivy won her prize by answering in 15 words or less the question, "What's the Baby Saying?" Her entry was selected from tens of thousands received in the contest which opened June 1 and closed August 6.

A total of 3,781 prizes valued at over \$105,000 were given away in the contest. First prize was a log "Town & County Home" built by National Log Construction Company and completely furnished in one of two furniture groups, plus a 2-door Dodge Lancer 770.

TV VIEWING TIPS

This weeks television tips will complete the Muleshoe Journal's re-instated feature. The television schedule for the Muleshoe area is presented on this page thru the courtesy of the merchants sponsors.

Movies for the week include Channel 4, 10:30 p.m., Sunday, "The Light That Failed", with Ida Lupino and Ronald Coleman; and 11 p.m. Saturday, "The Enforcer", with Humphrey Bogart and Everett Sloan.

On Channel 10, Sunday Showcase at 10 a.m., will be "Whistling in Brooklyn" with Red Skelton; as well as at 6:25 a.m., Sunrise Classroom, "The New Biology" in cooperation with Amarillo College, Monday at 10:55 p.m. "Mrs. Parkington" with Greer Garson, Walter Pidgeon, Edward Arnold, and 11:25 p.m., "Highway Patrol" with Broderick Crawford; Friday, 10:55 p.m., "The Husksters" with Clark Gable, Deborah Kerr, and Ava Gardner; Saturday, 12:30 p.m., "Presenting Lily Mars" with Judy Garland, Van Heflin; and Saturday, 10:55 p.m., "Song of the Thin Man", with William Powell, Myrna Loy, Keenan Wynn.

Channel 11 offers 11 p.m., Sunday "Eve of St. Mark" with Anne Baxter and Vincent Price; 12:25 p.m. Monday, "Love Finds Andy Hardy" with Mickey Rooney; and Saturday 1:15 p.m., "Blood Arrow" with Scott Brady, and "Leave Her To Heaven" with Gene Tierney, Cornell Wilde.

The children's audience will want to know that KFPA-TV, Channel 10, will alternate at 5

Friendship Day Set By Church

The First Presbyterian Church has suggested that Sunday, October 29, be set aside as "Friendship Day" and each person associated with the church invite a friend to share the services of the day. The morning worship will feature a sermon by the pastor, the Rev. Finis Hodges on, "Pillars of the Christian Faith." The Adult study on Sunday evening at 6:45 p.m., will be on "The Sacraments of the Church".

Other services of the day will be Sunday School for all ages at 9:45 a.m., and Youth Fellowship at 6:45. The church is located on the Morton highway, just outside the city limit on the hill.

p.m. weekly. Yogi Bear, Mondays; Quick Draw McGraw, Tuesdays; Hopalong Cassidy, Wednesdays; Huckleberry Hound, Thursdays; and Mister Magoo on Fridays.

For the sport's fan, don't forget the NFL pro-football on CBS live . . . the Cowboys at New York.

Episcopalians Meet In Youth Chapel

Muleshoe and Bailey County Episcopalians will meet Oct. 31, 7:30 p.m. in the Methodist Youth chapel. Father Charles Henry, rector of St. James Episcopal Church, Clovis, will conduct the service of Holy Communion.

All Episcopalians and interested persons are invited to attend the monthly meeting held the last

SPRING IS STILL HERE
Yes, spring could be still here during Halloween week—for Mrs. Flossie Dutton, 414 East Chicago, has Iris blooming in her yard now.

Mrs. Dutton transplanted several varieties to the north side of her home early fall, and by a "freak of Mother Nature", she has two gold and yellow varieties preening in splendor now. "I've never had any Iris this time of year before", she commented.

Tuesday night of each month at 7:30 p.m. in the Methodist Youth Chapel, Father Henry stressed.

Santa Fe hauls 2.3 million bales of western cotton to markets

King Cotton has moved west.
In 1945, only 36% of the nation's cotton was grown in the West. Today over 62% of it comes from states served by Santa Fe.

This year Santa Fe will haul over 2,300,000 bales of cotton to markets in 34,000 box cars—enough box cars to make up a train 284 miles long.

Hauling cotton and other important crops, materials and products from where they are grown or made to where they are needed is another example of how Santa Fe is meeting the transportation needs of a growing America.

The railroad that is always
on the move toward a better way
