THURSDAY, AUG. 3, 1961

Lariat Size Corn—Texas Size Corn—Cindy Oden, 16-month-old daughter of Agnes Oden of Lariat and granddaughter of Mr. and Mrs. Martin Kriegel of Lariat, checks the prospective yield of a corn crop on the Victoria road. This Texas size corn is being produced on irrigated land of Roy White by J. D. Kelly. Another sign of productive progress in the Muleshoe area.

## City Police Arrest Wanted Criminal

City police officers Wednesday night arrested a man wanted in numerous cities throughout Texas.

Officers Berry and Wrinkle arrested James Carlos Webb, 41, at 10:45 p.m. Wednesday for driving while intoxicated. Investigation showed he was carrying a number of identification cards in various names.

A routine check with Amarillo showed that the car he was driving, a 1959 Plymouth, had been stolen earlier in that city.

Wanted on charges including forgery, passing and auto theft, Webb admitted having stolen at least eight cars in the past eight months.

Webb is wanted in Waco, El Paso, Wichita Falls, Amarillo, Odessa, Lubbock, San Antonio, Canyon, Austin and Pampa, to give a sample list of cities.

An Amarillo officer arrived early Thursday morning to await Webb's release to the police of that city on a car theft charge involving the stolen vehicle in his possession at the time of his capture.

Webb was tried in County Court Thursday morning on the initial charge of driving while intoxicated.

It was expected that other cities would request holds on Webb, but Amarillo had first call on him, as he was arrested while driving a car stolen in that city.

## 10 School Posts Filled

Ten new teachers have been hired for the Muleshoe Schools according to Neal Dillman, superintendent of schools.

Superintendent Dillman is still searching for teachers needed to fill the vacancies on the faculty for the coming year.

Resignation Saturday of Head Football Coach, Jake Halter, brought to five the number of teachers needed to complete the faculty.

## 3 Breakins In Week; Sheriff Solves Two

Sheriff's officers Wednesday solved two burglaries in the southern part of Bailey County.

Sunday night's breakin of the Maple Cafe, in which several pies and some few cents were taken, was solved Tuesday evening when two suspects were taken into custody.

The two, both Latin Americans, had gained entry into the building by breaking a window.

Wednesday morning they admitted the burglary to officers and were charged with breaking and entering.

One of the pair was 15 years old, while the other, Severo H. Natividad, was reported to be about 28. They both had worked near Maple.

Monday night a car in the glove compartment was pried open. Taken in the burglary were some papers, which the thief later burned, and a billfold containing \$11.

The suspect, Buri Stapleton, 19, was taken into custody Wednesday morning and admitted the burglary to officers shortly after his arrest. He had been working near Bula prior to his arrest.

Stapleton was charged Wednesday with theft under \$50 and is being held in County Jail.

Burglary of Little Gulf Station in Muleshoe remained unsolved Wednesday at noon, but sheriff's officers reported the possibility of a break in the case within the next few hours.

Little Gulf was robbed Saturday morning of about \$86 cash and some checks kept in the cash register of the station. Entry was through a rest room window which the burglar or

Page story contained the first error. In that paragraph it was stated that the First National Bank's first call, in December 1955, found the bank with assets of \$5,492,746.59.

This should have read as follows: "The first call, in December 1955, found the bank with assets of \$1,580,893.86, while that of December 1960, five years later, showed assets of \$5,492,746.59."

The second mistake was in our failure to list the complete Board of Directors of the First National Bank. These are M. D. Gunstream, E. O. Baker, Guy Nickels, Robert Alford, James Glaze, Elbert Nowell, W. M. Pool, Jr., L. I. St. Clair, Rufus Gilbreath, and Harmon Elliott.

We could try to rationalize and we could attempt to excuse. Instead, we'll just say "WE'RE SORRY" and we'll try to keep this sort of thing from happening again.

### Receives Promotion

Jesse Stovall Promoted Here

Piggly Wiggly Manager M. E. Simmons announced this week that Jesse Stovall has been promoted to assistant manager of the store here in Muleshoe.

Stovall, who has worked for Piggly Wiggly here since 1955, started work for Piggly Wiggly while still in high school. He graduated from Muleshoe High School in 1958 and has been employed on a full-time basis since that time.

Stovall was married Monday night to the former Betty Jo Davenport. They are making their home here in Muleshoe.

## Dollar Day Is August 7 In Muleshoe

Twelve Muleshoe firms are offering special Dollar Day merchandise for sale in this week's issue of The Journal. A special section appears this week which includes advertisements from Hamilton's Department Store, Cobb's Department Store, and Perry Brothers Variety.

Other merchants running special Dollar Day items are Lane Furniture, Lindsey Credit Jewelry, C. R. Anthony Co., and Johnson-Pool Tire and Appliance. Other merchants offering special Dollar Savings are The Spudnut Shop, Western Auto, White Auto Store, and the Muleshoe State Bank.

You are invited to see section three of this issue for special Dollar Day Savings Monday, August 7.

## Jaycees Receive Convention Invite

Muleshoe members of the Junior Chamber of Commerce this week received an invitation to attend the Summer Tri-Regional Convention to be held August 12-13 in Plainview, according to Dale Fischgrabe, president of the local Jaycees.

Other business discussed at the Monday noon meeting of the local group included approval of expenditures for the annual welcome luncheon for teachers August 24, which is covered in another Journal story. (See Teachers Will Be Honored, Page

## Schools Schedule Told

Neal Dillman announced today that students of Muleshoe schools will be expected to register for classes prior to the day school starts, August 28.

Seniors will be registered in the High School Cafeteria at 9 a.m. August 22. Registration will close at noon for seniors.

Juniors will be registered 1:00-4:30 p.m., August 22 in the High School Cafeteria.

Registration will be held for sophomores 9-12 noon Wednesday, August 23, while freshmen will register 1:00-4:30 p.m., August 23.

ALL OTHERS

Registration for Junior High and Elementary schools will be August 25. Buses will run at the regular times in the morning, with registration beginning at 8:45 a.m. Buses will depart at 12 noon.

Superintendent Dillman reminded parents that first graders must have an inoculation record and proof of age in order to enroll. They must have reached their sixth birthday on or before September 1 in order to be eligible to begin school.

WHERE TO GO

Students living west of Tenth Street will be expected to attend Richland Hills Elementary, while those living east of Tenth will go to DeShazo.

No changes have been made in bus routes except the combination of routes 5 and 29. This new combined route will carry the number of bus route five. All other routes will remain the same.

Page story contained the first error. In that paragraph it was stated that the First National Bank's first call, in December 1955, found the bank with assets of \$5,492,746.59.

This should have read as follows: "The first call, in December 1955, found the bank with assets of \$1,580,893.86, while that of December 1960, five years later, showed assets of \$5,492,746.59."

The second mistake was in our failure to list the complete Board of Directors of the First National Bank. These are M. D. Gunstream, E. O. Baker, Guy Nickels, Robert Alford, James Glaze, Elbert Nowell, W. M. Pool, Jr., L. I. St. Clair, Rufus Gilbreath, and Harmon Elliott.

We could try to rationalize and we could attempt to excuse. Instead, we'll just say "WE'RE SORRY" and we'll try to keep this sort of thing from happening again.

## Jake Halter Quits Ball Club Head Coach's Job

In a surprise move Saturday, Muleshoe's head coach, Jake Halter, resigned to enter private business.

Halter, who came to Muleshoe a year ago from Lubbock, will move to Amarillo, where he will be associated with Hamilton Management Corporation, an investment company which sells mutual fund investments for educational and retirement purposes.

Halter came to Muleshoe with eleven years experience in coaching after graduation from the University of Tulsa with a bachelor of science degree. He later gained his master of education degree at the University of Texas.

Part of the reason for leaving, Halter said, is to give his wife the opportunity of completing work toward her degree at West Texas State.

Jake Halter

Superintendent Neal Dillman has indicated it may be difficult to find a replacement for Halter at this late date, but seems confident of finding a new head coach before training begins August 14.

Halter remarked in an interview Monday that "a man in business has the ability to choose who he works with. Football is a big business and I think a head coach should have the opportunity to help in the selection of his associates."

Concerning the situation in Muleshoe, Halter said, "Of my 12 years experience, I've been in schools of various sizes and

have found facilities in Muleshoe very inadequate for schools of its size, both in the Athletic Department and in the physical education program in the school.

"Since I couldn't get the advancements I wanted," he continued, "I decided to go into business."

"I enjoyed my association here and think that, football-wise, people of Muleshoe turned out for games better than in most places I've seen." Concluding, Halter said, "Because of this interest in football, I hope Muleshoe can get started on a good program for this next year."

## Farm Queen Contest Entries Due Aug. 12

Only one girl had signed up Tuesday for the Farm Bureau Queen Contest to be held August 18.

Mary Sanders, daughter of Mr. and Mrs. Robert Sanders, 515 W. Fifth Street, was the only girl definitely entered in the Contest. Deadline for entry in the contest is August 12.

Mary, who will be a senior in Muleshoe High School this coming year, is 17. She has lived in Bailey County all her life. Her father farms and her mother teaches first grade at De Shazo Elementary School.

Mary, along with other girls in the contest, will be judged on appearance, poise and personality. Winner of the countywide contest will go on to district competition, from which the winner will go to a state contest.

Each contestant will be required to speak approximately one minute on some subject pertaining to Farm Bureau.

Eligibility is based upon several points. Contestants must be the daughters of sisters of Farm Bureau members actively engaged in agricultural production in the county of participation.

Girls must be single, 16-22 years of age and live in a county with at least 25 Farm Bureau members.

Previous state winners, daughters of state directors, employees, county presidents and secretaries are not eligible to enter the contest.

Directors in charge of signing girls for the contest are Mrs. S. E. Goodner, Mrs. Earl Dorsey and Billie Downing, Muleshoe; Betty Borresmith, Leona Harris and Ann Little, West Camp and Progress; and Mrs. Loyce Killingsworth, Longview.

Also, Mrs. Donald Cox, Bula and Etocks; Mrs. Bill Miller, Mrs. Morris McKillip, Pleasant Valley and Y.L.; Mrs. Lester Howard and Janie Lou Morrow, Needmore and Bailey bars; Mrs. Horace Hutton and Mrs. Johnnie Wheeler, Goodland, Three-Way and Maple.

## Trap Shoot Here

Jaycees will sponsor a trap shoot Sunday to be held east of Muleshoe, at the dump grounds, according to John Bailey, secretary of the Junior Chamber of Commerce.

## Local Boy Injured In Highway 84 Crash

Two car smashup nine miles northwest of Muleshoe on U. S. 84 at 10:50 a.m. Wednesday left Dan Judd, 14, in critical condition in Green Hospital with multiple fractures, head injuries and a severe concussion.

Young Judd, riding with his brother Clinton, stopped before starting across the highway, according to witnesses, and waited for a line of cars to pass. The pickup in which they were riding pulled out into the path of an oncoming car.

Wiley Baker, uncle of the two boys, said Dan had told his brother the highway was clear on his side and Clinton then proceeded to start moving across the highway into the path of the eastbound auto.

Clinton received abrasions on the head, according to hospital authorities.

The other car, a 1950 Ford, was reportedly driven by Telina Reyes, 40. She told officers she had been traveling at about 45-50 miles per hour at the time of the crash.

Riding with her was Santos Ovalle, 20, who received a broken wrist in the accident.

No other injuries to Dan Judd's person were apparent late Wednesday. Hospital authorities said x-rays would be taken later Wednesday evening. At that time, young Judd had been in surgery for some time, with Dr. L. T. Geen having stopped the bleeding.

Dan was thrown out of the pickup at the time of the collision, when the car driven by the Reyes woman struck the pickup on the right front fender.

The Judd brothers have lived near Muleshoe with their aunt and uncle, Mr. and Mrs. Wiley Baker, some five years.

workshop. About 125 students and sponsors from 29 Central and West Texas high schools participated.

Robert Garlington was selected work the workshop's honor council of the workshop.

Sylvia Pool, daughter of Mr. and Mrs. Lee Pool, reports that the agenda of the workshop was tightly packed.

Representatives divided into groups of about 25 and established mock high schools. They were given problems which they had to solve, as well as normal student council business.

These mock high schools were given names, school colors, songs, yells, and constitutions.

Representatives planned social projects, fund raising drives and educational projects for the mock school.

They also had athletic events, involving volleyball, baseball and track. The groups got points for each activity in which they participated.

The annual welcome luncheon for teachers in the Muleshoe schools will be held at noon on August 24, according to Lyndal Murray, chairman of the Education Committee of the Muleshoe Chamber of Commerce.

The committee will meet at 10 a.m., August 4, at the Chamber office to formulate final plans for the event.

Working with Lyndal Murray on the committee are Neal Dillman, Superintendent of Schools; J. V. Peeler, Pres. of Lions Club; Jim Fowler, Pres. of Rotary Club; Dale Fischgrabe, Pres. of Jaycees; Hollie Francis and F. L. Shelby, who will be Master of Ceremonies.

## MHS Students Attend Council Shop In Abilene

Four student council leaders and their faculty sponsor in Muleshoe High School attended the Student Council Workshop of the Texas Assn. of Student Councils last week at Hardin-Simmons University, Abilene.

Muleshoe representatives were Robert Garlington, 710 West 6th; Lola Harrell, 415 West 6th; Barry Lewis, 411 Ave. E; Sylvia Pool, 615 Ave. J., and Kerry Moore, 202 W. 8th, sponsor.

All phases of student council operations were studied at the workshop. About 125 students and sponsors from 29 Central and West Texas high schools participated.

Robert Garlington was selected work the workshop's honor council of the workshop.

Sylvia Pool, daughter of Mr. and Mrs. Lee Pool, reports that the agenda of the workshop was tightly packed.

Representatives divided into groups of about 25 and established mock high schools. They were given problems which they had to solve, as well as normal student council business.

These mock high schools were given names, school colors, songs, yells, and constitutions.

Representatives planned social projects, fund raising drives and educational projects for the mock school.

They also had athletic events, involving volleyball, baseball and track. The groups got points for each activity in which they participated.

## Teachers Will Be Honored At Lunch

The annual welcome luncheon for teachers in the Muleshoe schools will be held at noon on August 24, according to Lyndal Murray, chairman of the Education Committee of the Muleshoe Chamber of Commerce.

The committee will meet at 10 a.m., August 4, at the Chamber office to formulate final plans for the event.

Working with Lyndal Murray on the committee are Neal Dillman, Superintendent of Schools; J. V. Peeler, Pres. of Lions Club; Jim Fowler, Pres. of Rotary Club; Dale Fischgrabe, Pres. of Jaycees; Hollie Francis and F. L. Shelby, who will be Master of Ceremonies.

As in past years, members of the three service clubs will host teachers at the luncheon, to express a welcome from the business community.

C. L. Kay, vice president of Lubbock Christian College, and a well known speaker, will speak on the subject of "Teaching Americanism in our Schools."

Merchants desiring to include advertising gift items in a planned hospitality kit for the teachers may contact the Chamber offices not later than August 15.

GETTING READY FOR THE TOURNAMENT is Sam E. Fox, local Texaco consignee, who participated in the West Texas PGA Pro-Am Tournament held at Muleshoe Country Club Thursday. In this tournament one professional played with each three amateurs, with a one-half handicap for amateurs. Players head off a 9 a.m. Thursday morning.

# News FOR Women

## Boyd's Visit Here From Oxford, Pennsylvania

Mr. and Mrs. Fred Boyd, Sr., arrived in Muleshoe Tuesday from Oxford, Penn., for a visit here in the home of their son, Mr. and Mrs. Fred Boyd, Jr.

Boyd gave an interesting account of mushroom growing in Pennsylvania. Boyd, along with operating a dairy farm, has been a grower for many years, is now running two growing houses on his farm in Chester Valley near Oxford.

The houses are of concrete block construction, 60 by 40 feet. Mushroom beds are 6 feet wide and 6 decks high, with each deck being about 22 inches apart. Inside temperature is kept between 54 and 60 degrees and dark to avoid discoloration to the plants. Each house yields approximately 4,000 baskets per crop. Crops can be grown year around, however, Mr. Boyd is only raising one crop now.

Boyd sells the mushrooms on the open market in New York City. Mr. and Mrs. Boyd will be here about 7 days before returning to Pennsylvania.

## Four Clubs Guests Of the Hobby Club

The Muleshoe Hobby Club met with Mrs. S. C. Caldwell recently with four area clubs represented.

Those present from the Three-Way H.D. Club were Mrs. Louis Henderson and Mrs. Opal McClery; from the Progress Club was Mrs. Myrtle Wells and Linda; Mrs. Claud Hendricks and Mrs. O. E. Green were present from the Pleasant Valley Social Club.

Visitors from Muleshoe were Mmes. Charlie Phipps, W. O. Burford, Ola B. Jones, Laverne Caldwell, Zela Furr, Rene and Kaye Caldwell, Billie Weeks, and Carol Ann Bryant.

Members of the Hobby Club present were Mmes.: Gladys Ogletree, Mae Pattie, Elsie Iley, Lanell Stancell, Lillie Maddox, Bessie Purdy, Pearl Smith, Ila Weeks, Hallie Briscoe, and Zela Carlyle.

A Dresden painted flower holder was the hostess gift won by Mrs. Burford.

The ladies did dresden painting and were given a demonstration on how to make hot pads out of tile.

The next meeting is scheduled to be in the home of Mrs. Iley.

MRS. JIMMY TAYLOR

## Melinda Hightower - Jimmy Taylor Married In Evening Ceremony

Miss Melinda Kay Hightower became the bride of Jimmy Ray Taylor in a double ring ceremony at 7:30 p.m., Friday in the home of the bridegroom's parents, in an all white setting of baskets of white glads and car-

nation flanked by candelabras. The bride is the daughter of Mr. and Mrs. C. B. Hightower of Goodland. Taylor is the son of Mr. and Mrs. Amos Taylor of Morton.

With the bride's father presenting her in marriage, she wore a ballerina length dress fashioned of lace or bridal white satin. The fitted bodice featured a scalloped portrait neckline and was highlighted with nylon net shoulder ruffles. A circular crown of seed pearls and tiny teardrops held her shoulder length veil of white net. A white carnation surrounded by pink rosebuds was her bridal bouquet.

Something old was a pearl necklace. Her dress made by her mother and a watch given by the groom was something new. Something borrowed was the wedding veil belonging to Mrs. Gary Middleton of Morton and for something blue, she wore a garter given by the bridegroom.

Matron of honor was Mrs. Benny Dunlap, sister of the bride, of Muleshoe. Flower girls were Cynthia Long, niece of the bride and Mitzi Bass of Muleshoe.

Corky Long, nephew of the bride was ringbearer. Kenneth Taylor, brother of the groom, was the candlelighter. Benny Dunlap of Muleshoe served as best man.

For her daughters wedding, Mrs. Hightower chose a beige dress with pink accessories and a corsage of white carnations. The bridegroom's mother chose a brown dress with beige accessories and a white carnation corsage.

A reception followed the ceremony in the home of Mr. and Mrs. Amos Taylor.

Mary and Betty Taylor, sisters of the groom, served pink punch and the wedding cake from a table covered with a white lace cloth centered with a white floral arrangement of carnations.

For traveling the bride wore a blue linen sheath dress with white accessories.

After a wedding trip to New Mexico and points of interest in Texas, the couple will be at home in Morton where Taylor, a 1960 graduate of Morton high school, is the manager of a furniture store.

## First Presbyterian Welcomes You

First Presbyterian Church of Muleshoe extends a cordial invitation to Sunday Worship in the new church sanctuary on the Morton highway.

Church school begins at 10:15, followed by morning worship at 11 o'clock.

Lay members of the church will have charge of services during the next few weeks. Carroll Pouncey will bring the message August 6.

## Local Teacher To Receive Degree

Janis Jones Phillips, Muleshoe, will be one of 110 students graduating from Eastern New Mexico University tomorrow in Portales.

Mrs. Phillips teaches the second grade at De Shazo Elementary School here in Muleshoe. She will receive her Bachelor of Arts in Education degree in the exercises to be held at 8 p.m. Friday in the University Stadium in Portales.

Her husband is A. J. Phillips. The couple lives at 306 Cedar in Muleshoe.

Dean Chester C. Travelstead, College of Education at the University of New Mexico, will deliver the commencement address. President Donald C. Moyer of Eastern New Mexico University will confer the degrees and diplomas will be presented by Clarence M. Worley, chairman of the Board of Regents.

## Goodland Couple Marks Thirty-Fifth Anniversary

Mr. and Mrs. C. B. Hightower of Goodland were honored with a Bar-B-Q in observance of their thirty-fifth anniversary Monday night in the City Park in Muleshoe, with their children as hostesses.

Those attending were Mr. and Mrs. C. B. Hightower, Mr. and Mrs. Benny Dunlap, of Muleshoe, Mr. and Mrs. Jimmy Taylor of Morton, Cynthia and Corky Long, Goodland.

Children unable to attend were Mrs. Charles Morris, Lubbock; Mrs. Everett Long, and Mrs. Wanelle Long, both of Midland, and a granddaughter, Sohina Morris of Lubbock.

## CORRECTION!

In the announcement of the engagement and approaching marriage of Donna Redvine to Jerry Don Glover in last week's Journal, it was stated that invitations would be mailed locally. This was an error! Invitations will not be mailed locally, but all friends of the couple are invited to attend the wedding and the reception on September 3 at 3:30 p.m., in the Lazbuddie Baptist Church.

## Study Club Holds Business Session

Muleshoe Study Club met in the home of its president, Mrs. W. Q. Casey, Tuesday, August 1. The meeting was called for the purpose of filling vacancies and completing business of an immediate nature.

Mrs. R. O. Gregory was elected second vice-president and Mrs. R. L. Dillard was elected federation counselor.

It was voted to make a donation to Gristown to help with their recreational facilities, \$50 will be paid by Muleshoe Study Club toward expenses of the foreign exchange student, who will attend Muleshoe High School next year.

Muleshoe Study Club presented ceramic Muleshoe souvenirs made by Janie Moraw, to each Girl Scout and sponsor who visited Muleshoe last week on the Girl Scout Heritage Trail. These attractive souvenirs were personalized by having the name and home town of each girl on them.

A rummage sale will be held on Saturday, August 5, beginning at 10 a.m. on the lot next to Ward's Store and right across the street from Cashway Grocery at the corner of Avenue D and Main Street. Members who have rummage are asked to contact Mrs. O. N. Jennings.

## Garden Club Plans Flower Show

The West Plains Garden Club met July 28 in the home of Mrs. Roy L. Farley.

Roll call was answered with suggestions for next year's yearbook.

The annual flower show was discussed and planned. It will be held at the Oklahoma Lane Community Center on August 11, from 4 to 9 p.m.

Everyone is invited to attend and to enter flowers in the show. All flowers to be entered should be at the building by 3:30 so they can be judged.

Refreshments of frosted Cokes were served to Mmes. R. L. Foerster, J. M. Pruitt, Thomas Young, A. E. Wyly, Henry Bass, and Conrad Nelson. Hostess was Mrs. Roy L. Farley.

## Lena Hawkins Presides At Lodge

Vice Grand Lena Hawkins presided at the Rebekah Lodge meeting Tuesday, August 1 with thirteen members attending.

Lodge members were happy to have Essie Davis present. This was the first meeting she has been able to attend since she suffered a broken hip in April of 1960.

Lodge Deputy Argilee Millen installed Mary Tabor as outside guardian.

The Charter was draped for a Rebekah member, Wilma Lindith of Hereford who died on July 24.

An invitation was read from the Friona Lodge inviting the Muleshoe lodge to attend open house for Circle 7 which will be held at Friona on Tuesday, August 8.

After the meeting adjourned, four members, Tom and Ona Berry, Lena Hawkins and Ina Owen went to Needmore to assist in their officer installation for the coming term.

## COPLEYS ATTEND OKLAHOMA FUNERAL

Mr. and Mrs. A. W. Copley went to Roosevelt, Okla., to attend the funeral of Mrs. Copley's aunt, Mrs. Ralph Farrar, Sr.

## CARD OF THANKS

The family of Myron E. Gost wish to take this opportunity to express their thanks for all the flowers, food, and deeds done during the death of their father and grandfather.

The E. D. Chitwood, Jr. and Family.

## MARRIAGE LICENSE

License was issued to Ira Thomas Page and Bobbie Ruth Meyers. Both are from Bovina, Texas.

## Mrs. Smith Club Hostess

The Progressive Home Club met with Mrs. Florence Smith Tuesday, August 1 at 2:30 p.m.

Mable Ryan gave a talk and showed pictures of her trip to California which were very interesting to everyone.

Refreshments were served to Mmes.: Rosie Howner, Lois Norwood, Mable Niemon, Vera Cassidep, Lucille Harper, Muriel Lewis, Mable Ryan, and the hostess, Florence Smith. The next meeting will be September 5.

THAT'S THE WAY THE SUMMER GOES—Dean Myrick, who will be a junior in Muleshoe High School this year is shown above

installing a set of seat covers at White's Auto Store. Dean is the son of Mr. and Mrs. Sam M. Richards.

## Hobby Club Picnic Slated for Aug. 15

The Muleshoe Hobby Club met Tuesday, August 1 in the home of Mrs. M. R. Iley.

The club enjoyed seven visitors. They were Mmes. Charlie Phipps, A. T. Patterson, Oran Simms, Claude Hendricks, Barbara Sue Shaw, and Rene and Kaye Caldwell.

Members present were Mmes. T. F. Maddox, J. T. Boydston, C. W. Patterson, Opal Robinson, Julia Carlyle, C. H. Gillis, Les Simms, Lanell Stancell, Hallie Briscoe, Pearl Smith, E. W. Adkins, Mabel Caldwell and the hostess, Mrs. Ray Iley.

The group spent the afternoon visiting and making plans for their annual picnic supper which will be held August 15 in the Clovis Park. All those who plan to go contact the club secretary, Mrs. Jewel Strong, or Mrs. Caldwell. Those going will meet in front of the Courthouse at 3:45 p.m., and will go to Clovis from there. Visitors are welcome.

Mrs. Charlie Phipps won the hostess gift which was two guest tea towels. Refreshments of strawberry punch and cookies were served.

## Dr. Ray Santos Moves Practice

Dr. Ray E. Santos moved his place of practice July 27 from West Plains Hospital to Green Hospital and Clinic.

Dr. Santos, who has been in Muleshoe for about two years, will practice general medicine and surgery with Dr. L. T. Green at Green Hospital. He graduated from the University of Texas and the University of Texas Medical School in Galveston. Dr. Santos did his internship at Kansas City General Hospital in Kansas City.

## Angelita Gauna To Wed Sunday

Anglita Gauna, daughter of Mr. and Mrs. Ysabel Gauna of Earth and Fernando A. Medina of Fresno, California, will be married Sunday, August 6, in the Immaculate Conception Catholic Church in Muleshoe at 1 p.m.

A reception will follow in the Legion Home in Earth.

## MR. FARLEY IS GUEST HERE IN HOME OF SON

Mr. Roy Farley of Greenwood, Arkansas, is visiting in the home of his son and family, the Roy Lee Farleys.

## H. D. CLUB Clatter

**FALL COATS ALREADY EASING INTO SPOTLIGHT**  
You may be concerned about keeping cool now, but many stores are already planning ahead for fall fashions.

In some stores fall coats and suits are beginning to ease their way into the spotlight.

At the moment fur and fabric coats dyed to match are getting a big play. All shades and grades of mink and fox form the collars and cuffs on cashmere or worsted failles.

These fur-trimmed coats are moving in two colorful directions. In cashmere the bolder the better is the motto with colors like magenta, orchid, kelly green and peacock blue foremost. The worsted fabrics favor beige, off-white, taupe, and brown in fur and fabric.

Tailored suits and coats have a softer look. Emphasis is on three-piece dressmake costumes and an intense array of colors in soft feminine styles. Suit plus color-matched knit overblouse like berry, heron blue and emerald green are fashion openers of the new season.

Fabric and fur are keyed to each other in early fall coats and walking suits. Yarn-dyed worsted faille and satin finished designs are outlined with color-matched mink or fox collars and cuffs.

Coats and suits feature controlled fullness in silhouettes. Narrow clutch coats and modified cape back coats are muted in fur. Details like a symmetric closing and bracelet-length create new interest.

Two of the newest designs are adaptations of spring imports: The narrow wrap coat with flared hemline and the double-breasted coat with wide flared sleeves and large notched collar. More classic cashmere coats models with standaway mandarin collars as well as clutch coats with big and small shawl collars.

Keep your wardrobe plan, and your budget in mind when you shop. Then rely on a full length mirror to help you make the final decision.

### DARK COTTONS DESERVE SPECIAL CARE

Dark cottons provide comfortable and fashion-right costumes the year-around in many parts of the state and nation. With proper care they can be kept attractive and new looking for a much longer time.

Good dark cottons should be dry-cleaned to preserve their finish and appearance, at least as long as they are used for best wear, say the specialists. Garments with decorative details, padding, interfacing and designs which cannot be removed must be dry cleaned or laundered with special care. Dry cleaning avoids any risk of spoiling the appearance of the garments.

To launder the garments, wash each one individually in softened water. Rinse completely to remove all traces of soap or detergent. Soft water helps to prevent hard water curds or lint from sticking to the cotton. Use warm, not hot, water with mild soap flakes or detergents. Soapless detergents are good for dark cottons, especially in hard water. Be sure to read the directions on the package. Some detergents are used for cotton and some are recommended for rayon. Do not use a bleach. Many of the bleaches affect the finish of the material.

When ironing a dark cotton garment, press it on the wrong side to retain the finish of the material.

**WASHING COTTON SHAG**  
One advantage of small cotton shag rugs is that they can be washed. But how they look after tubbing depends a great deal on your laundering methods.

First decide whether your washer can take your rug. Any rug of more than five pounds dry weight probably is a bit heavy for a washer and dryer regardless of size. Better send heavy ones and those larger than three by five feet to a laundry.

If you decide you can wash your rug in your washing equipment, do so before the rug becomes very soiled. Vacuum it thoroughly first. Use hot water if the rug is quite soiled, warm water if it's not so dirty. Use the soap or syndet (synthetic detergent) you like for colored cottons.

Place one rug or two smaller

ones in the washer. Be careful how you load some machines. Balance the load. With one rug you may have to add bath mats or bath towels for balance. A wash period of six to eight minutes should be enough. Rinse well to remove every bit of washing compound. Any left will increase future soiling.

A dryer fluffs shag rugs beautifully. Overdrying has a tendency to mat the pile, so check the drying time carefully. Rugs can be successfully dried on a line, too, whether they are washed in an automatic or non-automatic machine. With a wringer type machine, loosen the rollers before you pass the rug through.

A fabric softener added to a last, clear rinse water makes shag rugs more fluffy.

### STAINS

Summer heat poses a real problem when it comes to keeping garments fresh and attractive. Perspiration stains do sometimes occur, even when you have taken the usual protective measures.

Quick action can do much to insure stain removal. For this reason, check garments as you remove them, analyze an treat any stains promptly—or, if professional care is needed—take them to a dry cleaner.

Perspiration stains, normally are acid and usually will wash out of washable fabric but sometimes the color of the fabric is changed. If so, dampen the stain with water and hold it over the fumes from an open bottle of ammonia. This may restore the color. Old stains may be alkaline. If so, sponge with vinegar.

Perspiration odors may be removed by sponging the stain with warm water to which a few drops of vinegar have been added. Then sprinkle with powdered pepsin, work well into stain, and let stand 1 or 2 hours, keeping the spot moist. Finally, brush powder off and rinse well.

For a stubborn stain, sponge with hydrogen peroxide or a mixture of 1 teaspoon sodium perborate to 1 pint peroxide. Rinse well with water.

"Removing Stains From Clothing," a bulletin written by extension clothing specialists, gives practical suggestions for analyzing and treating stains. You can get a copy—free, from my office.

### DON'T STARVE YOUR APPLIANCES

There is no question about it—the appliances you use in your house are among the finest you could possibly find anywhere.

But they simply cannot do their jobs without their full share of the power needed to run them. The power depends upon your wiring system.

If your wiring system is what the electrical industry calls "inadequate," then it's falling down on the job. Your appliances haven't the electrical strength to do a "full day's work." For instance—your coffee-maker takes longer than it should to make coffee—perhaps as much as twice as long! Your toaster and other "heating" appliances also slow down.

Inadequate wiring can do far more damage to electric motors. It can cause them to burn out! So, keep an eye on those expensive appliances that are motor-driven. They may be warning you that something is wrong.

It could be your refrigerator, the vacuum, the dishwasher or the attic fan which warns you. If he motors on any of these have recently burned out—better check your wiring.

Guests in the Rufas Carter home during the week was a nephew and his family, Mr. and Mrs. Gene Snow and children from Oklahoma City. Thursday evening the Carters and Snows visited the Leon Foster family in Earth.

Cherry Claunch, two-year-old daughter of Mr. and Mrs. Benny Claunch was admitted Friday to the Medical Arts Hospital. Cherry was suffering from a virus.

**Ferrald's FASHIONS**

GRAND OPENING

## Bula News Briefs

By MRS. JOHN BLACKMAN

A flower garden and archway with a miniature bride and groom standing beneath the arch formed the centerpiece for the serving table at a miscellaneous shower given Thursday, July 27 in the school lunch room to compliment Miss Marilyn Ivy, who is to marry Gerald Thompson on August 19.

Mrs. Ralph Bensley and Mrs. J. E. Layton served white punch and individual cake squares. Hostesses for the occasion were Misses J. L. Latimer, W. B. Gage, G. B. Saylor, Raymond Austin, E. O. Battsas, Also Misses J. R. Teaff, Clyde Hague, C. H. Parkman, L. V. Hasey, C. L. Cannon, Roy Young, and Fred Locker.

Hostess gift included sheets and a chantly bed spread. Miss Joyce Thompson registered the 25 guests besides the hostesses in the bride's wedding book.

### GOING TO JAPAN

Bad Hammans, who has preached for the Bula Church of Christ for the past two and half years, preached his farewell sermon Sunday morning and evening.

He and his family will be leaving this week for Arkansas and Nebraska for a visit with their parents and other relatives.

Then they will return to Bula for a few days before leaving the last of the month for their new work with the Yokata Air Force Base congregation, located 20 miles from Tokyo, Japan.

The Hammans were honored with a social and farewell party Sunday evening after church services on the lawn at the home of Mrs. B. S. Settiff and Chester. They were presented with three pieces of luggage from members of the church.

Rev. R. D. Thommarson accompanied a group of R. A. boys to the Baptist encampment at Floydada Wednesday, returning Friday. Boys attending were Howard and Richard Wright, Mike Richardson, Rodney Claunch, Howard Weaver, Glenn Saylor, Bill and Allan Black, and L. D. Holt.

Carol and Patsy Chisholm of Sudan are visiting their grandparents, the Charlie Parkmans.

Sunday guests in the John Blackman home were Mr. and Mrs. Billie Wolfe and girls, Susan and Phillis and Mrs. W. W. Harkness, all of Lubbock.

Mr. and Mrs. Edd Crume, daughters, Donna and Diane are visiting in Pine, Colo., with his sister and family, Mr. and Mrs. A. J. Messer.

Enjoying a tour of the Carlsbad Caverns Friday were Mr. and Mrs. DeWitt Tiller and girls, and Mrs. Tiller's mother, Mrs. John Aduddell and daughter, Marsha, of Lazbuddie.

Boy Scouts leaving early Monday morning for Tres Ritas were Gerald Reid, Mike and Pat Risinger, Michael and Kenneth Overland, Mike Richardson, Glenn Saylor, Randal Robertson, Dale Thompson, and Dennis Medlin.

Sponsors accompanying the boys were George Bablman, Curley Risinger, and Jimmy Gage.

Mrs. Orbin Tibbetts and daughter, Mrs. Patsy Pogers and baby daughter of Rochester were guests first of the week in the home of the Jack Specks.

Cherry Claunch, two-year-old daughter of Mr. and Mrs. Benny Claunch was admitted Friday to the Medical Arts Hospital. Cherry was suffering from a virus.

Mrs. Lattie Ward, mother of Mrs. Earl Lancaster, who has been visiting in the Lancaster home for several months, accompanied her daughter and husband to Childress Saturday for a visit with an old friend, Mrs. Pearl Robertson. Mrs. P. M. Lancaster, mother of Mr. Lancaster, accompanied them, and visited in Paducah with her sister, Mrs. Nettie Slape.

Mrs. Ruby Reid and children, Gerald and JoLene visited from Friday until Sunday afternoon in Clarendon with Mr. and Mrs. H. M. Reid.

Mr. and Mrs. Cecil Charlton and children, Elene, Frank, Paul, and David of Fritch, are guests in the home of her uncles and their families, the R. E. and Cecil Jones. The group enjoyed the afternoon Sunday visiting with Mr. and Mrs. Leon Jones and children of Farwell.

Rev. R. D. Thommarson announces the summer revival for the Bula Baptist church to begin Friday evening August 4. Rev. R. L. Swanner, pastor of the Bethel Baptist church, Plainview, will do the preaching, with Bro. Ivan Wozencrat of Bloomfield, N. M., to lead the song services and Miss Joyce Thompson as pianist.

Services will be at 10 a.m. and 8 p.m. daily. In preparation for the meeting, cottage Bible and prayer services Monday, Tuesday and Thursday evenings.

Mrs. W. T. Carter of Lovington, N. M., is spending this week with Mrs. B. L. Blackman.

Enjoying games of "88" in the Jack Speck home Saturday evening were Mr. and Mrs. C. Holt, Mr. and Mrs. C. L. Cannon, Mr. and Mrs. John Blackman, and the Specks.

The hostess served home made ice cream and cake to the group.

### MORE MEDICS

Since the turn of the century, according to the Health Information Foundation, the number of active professional nurses in this country has increased from less than 1,000 to 504,000. It also says that in recent years the nation's supply of health workers—physicians, dentists, nurses, and others—has grown more rapidly than the population as a whole.

## Tech Sees Rough Grid Season Ahead

Few football coaches have made their debuts as head college mentors with tougher schedules than the one facing Texas Tech's J. T. King this fall.

A veteran high school coach and college assistant—at Tulane, University of Texas, Texas A&M, and Texas Tech—King this season succeeds DeWitt Weaver as head grid coach at Raiderland.

After an opener with Missis-

sippi State, expected to be especially rugged at Jackson, Miss., September 23, Texas Tech immediately encounters six Southwest Conference foes on successive Saturdays. Then come independent Boston College, a seventh SWC opponent in Arkansas, and, finally, West Texas State.

One solace: Six of the games will be played in Texas Tech's enlarged Jones Stadium.

Making the 1961 card the most attractive ever arranged for Texas Tech fans will be Texas A&M Oct. 7, Texas Christian Oct. 14, Baylor Oct. 21, Rice Nov. 4, Boston College Nov. 11, and West Texas Dec. 2.

Although all Texas Tech attendance records are expected to fall, season tickets are still available in virtually every section of the stadium.

Prices range from \$24 to \$36. Season tickets may be purchased in the Athletic Office in Jones Stadium or by mail. Order blanks may be obtained by writing Jimmie Wilson, business manager of athletics.

Although he has received no official indication, Col. Schwartz said Friday he expects the September quota for Texas to be approximately twice the size of the August quota.

TRAVEL  
THE HOSPITALITY ROUTE 70 COAST

### CANNONS HOME FROM THREE WEEKS TRIP

Mr. and Mrs. L. D. Cannon returned last week from a 3 weeks vacation.

They visited points of interest in New Mexico, Colorado, and toured Grand Teton National Park and Yellowstone National Park in Wyoming.

### LOST PURPOSE?

Barry Goldwater says: "When liberals talk loosely about this country's lost purpose, I suggest they might remember that one of our Republic's purposes is freedom and that we have remained free for nearly two centuries; and that we have, must be listed as one of the great achievements of history."

## Lodging Important Disease In Grain

Charcoal rot or lodging is a common disease of grain sorghum and corn in most areas of Texas. The fungus root rot causes more damage than head smut in many areas.

Crops close to 100 per cent infection may occur in susceptible selections or varieties. Losses are apt to be heaviest during years of little rainfall with dryland farming. Although lodging is caused by other things in many cases it is charcoal rot disease.

Damage is noticed during June and July in South Texas. The disease appears in North Texas during August and September.

Damage is easiest to detect when the plants are approaching maturity. Charcoal rot damaged plants have poorly filled heads or ears with lightweight grain. Diseased stalks ripen and dry early.

Weakening of the stalks by the fungus, in many cases, causes

them to lodge. Stalks are soft and discolored at the base with the pith disintegrated and shredded. Small pin-point, blackish, seed bodies (sclerotia) may be among the shredded pith.

Other crops affected by the disease are alfalfa, cotton, lespedeza, sugar beets, sweetpotatoes, watermelons, sunflowers, peppers, cowpeas (southern peas), beans and peas.

Crops that have their seedling stages and those that mature in cool or rainy weather are not damaged seriously.

Abundant moisture from rain or irrigation water in the latter part of the growing season practically controls the stem rot form. Crops appear to resist the disease in their period of growth when they have high vigor. Work is under way in an effort to develop resistant hybrids.

Contact your extension agent for additional information.

## Solons Put Teeth In Telephone Laws

State legislation which will effect telephones was called to the attention of Texans this week by General Telephone Company of the Southwest.

The three bills which have been passed are Senate Bill 309, which has to do with fraudulent use of telephones; Senate Bill 366, which deals with obstructing the use of a party line during an emergency; and House Bill 921, which deals with destruction or obstruction of tele-

## Turkeys Top List Of Plentiful Foods

Turkeys star in summer meals as well as in autumn meals because marketings are as large this August as around Thanksgiving in yesteryears.

This is pointed out by the Texas Agricultural Extension Service, in announcing that turkeys top the list of August plentiful foods prepared by the U. S. Department of Agriculture.

With turkey marketings running a fourth or more larger than last August, prices hover near a record low, making turkey a bargain meat.

Local supplies of peaches, cantaloupes and watermelons as well as many summer vegetables are generous enough to rate USDA's plentiful tag this month.

Shipments of eating plums from California are running much larger than usual for this season.

Other foods in better than normal August supply include eggs and shrimp, fresh, frozen and canned.

After checking local and national food stocks, USDA's Ag-compiles this monthly plentiful foods list to help farmers market more of their produce through normal trade channels, and to help consumers make better use of America's agricultural abundance.

## Tech Holds H.S. Journalism Shop

Teenaged journalists — more than 200 of them — have indicated they will attend Texas Tech's High School Newspaper-Year-stated August 13-17 on campus.

Prof. W. E. Garets, Tech journalism department head and workshop coordinator, said high school students from as far east as Shreveport, La., and as far west as Albuquerque and Grants N. M., have registered for the four-day session.

Purpose of the workshop is two-fold: to help high school students improve their newspaper and yearbook publications and to encourage interest in journalism as a career.

High school writers with school paper experience will work on a special edition of the Toreador, Tech campus paper, while beginning students will receive an intensive short-course in news writing and editing.

Most of the students are from schools that are members of the West Texas High School Press Assn. that is co-sponsoring the workshops. To date, 204 students have pre-registered with 132 of them fully paid, Garets said. Total enrollment is expected to surpass the 171 enrollment last summer.

Harold Hudgens, 6-10 basketballer from Ballinger, and Del Ray Mounts of Perryton, who stands exactly a foot shorter, were unanimous All-Southwest Conference for Texas Tech last season. Both will be seniors in

phone, telegraph or electrical transmission equipment.

"Some pathetic things have happened here in Texas when persons would not give up the line for an emergency call and telephone companies and individuals are being cheated out of thousands of dollars through fraudulent use of the telephone, according to the telephone company district manager. The theft of transmission wires also have reached serious proportions. The current legislation is an effort to curb such situations, he said.

According to SB309, which became law June 16, it is a misdemeanor to obtain telecommunication service with the intent to defraud any individual or company through the use of fictitious telephone numbers or false credit cards.

Defrauding or misrepresenting through the use of a code or any prearranged trick or scheme where the telephone is involved is also covered in the bill.

Charging calls to false, non-existent or discontinued telephone numbers is classified as a misdemeanor by the legislation and carries up to a \$1,000 fine and/or up to one year in jail for violation of the law.

Senate Bill 366, which becomes effective August 27, states that it is a misdemeanor to maliciously obstruct emergency telephone calls or to secure the use of the telephone line by falsely claiming that an emergency exists.

Any person refusing to relinquish immediately a party line when such line is needed for an emergency call to a fire department, police department, medical or ambulance service after having been informed that an emergency exists, will be guilty of a violation of this law.

Fines of \$25 to \$500 and/or up to one month in jail are the penalties levied on a person guilty of violation of this law.

Publication of the party line law must be inserted in telephone directories and also stuffed into the subscriber's statements at least once a year, according to the law.

House Bill 921, which became effective June 17, states that any person intentionally breaking, cutting, pulling or tearing down or in any manner injuring any telegraph, telephone or electrical transmission lines or willfully obstructing or interfering with the transmission of messages or electricity shall be confined in the penitentiary not less than two years nor more than five or be fined not less than \$100 nor more than \$2,000.

### FISHING GOOD

#### AT ALTUS

Mr. and Mrs. T. L. Glasscock were in Altus, Okla., last week visiting with her sister and family, Mr. and Mrs. Leet Austin.

The Austins have a fishing barge on Lake Altus and Mrs. Glasscock said they spent most of their time there fishing. They brought some nice sized fish back with them.

#### TALK TURKEY

Turkeys top the USDA's plentiful foods list for August. Marketings during the month will be as large as around Thanksgiving in yesteryears and prices make turkey a bargain meat. Eat them often. They are excellent barbecued, says the Texas Agricultural Extension Service poultry marketing specialists.

Texas Tech, opening against Mississippi State in Jackson, Miss., Sept. 23, defeated the Bulldogs 27-20 there in 1953.

### Lazbuddie News Letter

By MRS. C. A. WATSON

#### Miss Darling Feted

A bridal shower was given in the home of Mrs. Billy John Thorne Tuesday afternoon, July 25 honoring bride-to-be, Janice Darling.

Colors of orchid and white were carried out in the decoration. The serving table was covered with white lace over orchid with a center piece of orchid perennial Phlox. Home made assorted cookies, nuts, mints and punch was served by Mrs. Everett McBroom and Mrs. Scotty Windham.

The table where the guests registered had a unique and beautiful arrangement of daisies in a deep fry pan with meat fork, spoon and knife arranged around the flowers.

Hostesses were Mesdames: Billy John Thorne, Joe Briggs, J. W. Gammon, Scotty Windham, Everett McBroom and Raymond McGehee. The hostesses' gift was a yellow bedspread. Miss Darling received many lovely and practical gifts.

the night, a breakfast of orange juice, bacon and eggs was enjoyed. The girls also cooked their bacon and eggs in foil on the out-of-doors fire.

#### Midway H-D Club

The Midway Home Demonstration Club met Tuesday afternoon in the home of Mrs. Dee Brown. Mrs. A. E. Redwine and Mrs. J. B. Young gave the history of Parmer County.

A committee was appointed to buy a rebuilt air conditioner for the Oklahoma Lane Community building to be placed in the lobby.

Present for the meeting were: Lora Brown, Irene Watkins, Grace Young, Mildred Redwine, Elsie Foerster, Louella White, Dorothy Brown, Janet Young of Sweetwater, niece of Grace Young, and Karen and Mickey Crabtree from Levelland, grandchildren of Mrs. Foerster.

Refreshments of punch and cookies were served.

Friday evening the Midway Club had their annual family night chicken fry.

After the evening meal, Mrs. Dee Brown showed films of her tour in Europe this last spring. A good crowd was in attendance and an enjoyable evening was had by those attending.

Supt. and Mrs. J. G. Ward and children returned Sunday from several days touring East Texas, Oklahoma and Arkansas.

#### Youth Rally Thursday

Thursday evening of last week the Lazbuddie Youth Rally of the First Baptist Church attended the Altos Llanos Association held at Littlefield.

Cooper Young, chairman of the association presided. The program for the evening was a talent show.

Marshella Mayfield and Gail gave piano numbers. The Lazbuddie Church biddie Church brought back the banner for having the greatest number in attendance at the association.

Weekend visitors in the James Harvey home were her mother, Mrs. R. L. Curtis and a sister, Mrs. R. G. Watson, both of Lubbock.

Tuesday supper guests in the home of the Joe Praters were their daughter and family, Mr. and Mrs. Bayne McCurry and children and Mr. and Mrs. Jim Belk and family of Edmondson. The Belks are friends of the Praters.

#### Attends Dress Review

Mr. and Mrs. Joe Jesko and Judy Koelzer were visitors attending the Sr. 4-H Clubs dress review held in Amarillo Friday. Thirteen girls from Parmer County entered garments they had made. Congratulations go to Judy Billingsley from Oklahoma Lane for winning first place on her dress.

#### Birthday Greetings

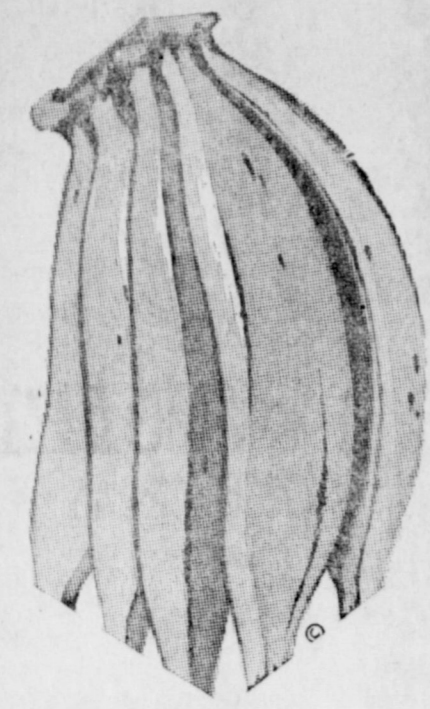

Birthday Greetings this week to: Button Treider and Frankie Hinkson, August 1; Roy Max Miller, Ronald Ashford and Norma Bean, August 2; Katie Blackstone, August 3; Ronnie Gustin, August 4; Jaquie Smith, August 5; John Gammon, Sonya K. Brown, Rosa Florez, Henry San Miguel, Thomas Masters, Shelia Vaughn, John Ward and Mrs. Boyd, August 8.

Guests in the E. E. Engleking home from Tuesday to Friday was Mr. Engleking's brother and his wife Mr. and Mrs. Carl Engleking of New Kirk, Oklahoma.

MULESHOE POTATOES being graded and readied for shipment to various points in the U.S. and Canada by Barrett Produce. Barrett Produce alone has shipped some 4,500,000 pounds of potatoes this year. Potatoes from Muleshoe are shipped to all points, with most of them going east of Nebraska as far as Ohio.

## Skills Seen Stopping Bias Against Women

The Government's top official on the employment of women said that discrimination against women in industry and the professions "is on the way out in every field in which there is a shortage of trained and qualified workers."

### Albert H. Thomas Finishes Course

Army PFC Albert H. Thomas, son of Mr. and Mrs. Ira H. Thomas, 519 West Avenue E, Muleshoe, Tex., completed the 30-week microwave radio equipment repair course at The Signal School, Fort Monmouth, N. J., July 20.

Thomas was trained to install, operate and maintain multiple channel microwave radio relay communication equipment. He entered the Army last September and completed basic training at Fort Ord, Calif. The 25-year-old soldier attended Muleshoe High School.

Mrs. Esther Peterson, Assistant to the Secretary of Labor and Director of the Women's Bureau of the U. S. Department of Labor, added that more young women "must be encouraged and guided in acquiring the skills which are in short supply."

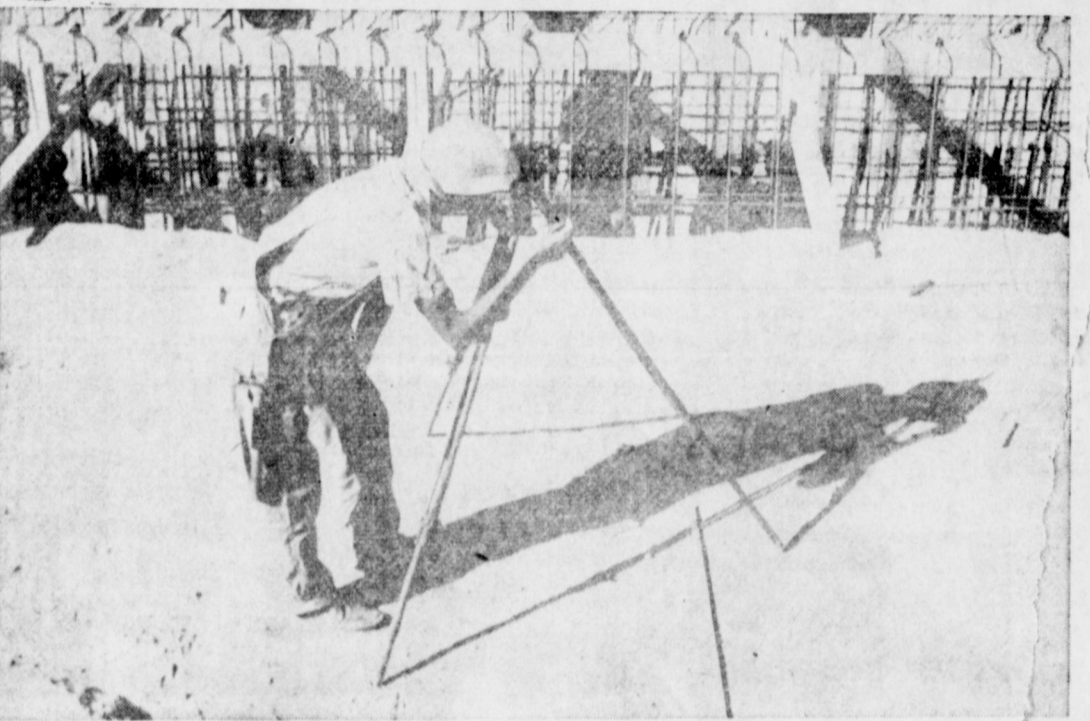

"That is the pathway to the final elimination of job discrimination based on sex," she told delegates at the Annual Convention of the National Federation of Business and Professional Women's Clubs, Inc.

However, Mrs. Peterson acknowledged that the road to employment opportunities for many women is still studded with barricades left over from the days when women were believed interested in working only for "pin money."

Most women who work today do so out of economic necessity and a desire to contribute to the economic and social life of the community and the Nation, she said.

A NEW FACE FOR THE HOSPITAL — a workman is shown above as he places lettering on the front of Green Hospital and Clinic. He also installed a nameplate beside one door and a caduceus, the medical insignia made up of the winged staff of Mercury entwined with serpents, beside the other.

MORE STORAGE SPACE is being made at Ray Griffiths and Sons Elevator in Muleshoe. Construction began July 22 on a new 250,000 bushel elevator that will bring their total capacity to over 800,000 bushels. Completion of the elevator is expected before October 1.

### 4-POINT REASONING

The railroad industry has proposed a Magna Carta for Transportation, comprising these Four Freedoms: Freedom from destructive taxation; freedom from stifling regulation; freedom from subsidized competition; freedom to diversify. If these goals are attained, it is estimated, 400,000 jobless people will be put back to work. One fourth of these would be on railroads, and the others among manufacturing companies supplying the carriers with increased purchases.

Texas Tech, entertaining Texas A&M in Lubbock Oct. 7, has never beaten an Aggie football team in Raider territory. In three previous trips to Lubbock, A&M downed Texas Tech 46-7 in 1927, 27-14 in 1953, and 21-0 in 1957. In three games at College Station, Texas Tech is batting 500. The Raiders triumphed 41-9 in 1954, tied 14-14 last fall, and suffered a 19-0 defeat in 1942, 1961-62.

## Pleasant Valley Views

By MRS. JOHN WEST

Rev. and Mrs. Heddeleston and 3 children and Johnny Heddie-Oklahoma, spent Thursday night with the W. D. Lackeys.

Sheryl Stevens and James Pitts left for Clouderoft Monday morning where they will attend a 4-H electric camp.

Lyna Pitts, the 11-year-old daughter of Mr. and Mrs. Kirk Pitts, went to the district dress revue in Lubbock where she received a blue ribbon for her school dress.

### SUNDAY MASS AT CHURCH

Sunday Masses are celebrated at 7:30 a.m. and 8:30 a.m. in the Immaculate Conception Catholic Church here in Muleshoe, and with a 10 a.m. Sunday Holy Mass in the Earth Theatre of Earth, Texas.

### STINSONS HAVE GUESTS

Mr. and Mrs. Ronald Stinson, Terry, Donna, and Carrol Ann of Littlefield were weekend guests in the home of his parents, Mr. and Mrs. I. M. Stinson.

At the current rate of construction, the building of public schools is providing full-time employment for about 275,000 workers.

Over 115,000 full-time workers are required at the sites of construction and an additional 160,000 are being employed in other industries providing the materials and services needed to build schools.

These estimates are based on a survey recently completed by the U. S. Labor Department's Bureau of Labor Statistics, covering a sample of elementary and secondary schools built in 1958-1960.

### Mrs. Frank Ford Is Honored By the Gleaner S.S. Class

The Gleaner Sunday School Class of the First Baptist Church met for a social Tuesday afternoon in the home of Donna Adams.

Lena Ford was presented a farewell gift from the class in appreciation of her faithful service while a member of the Gleaner class.

Refreshments of Angel Food cake and strawberry punch was served to Norma Prather, Janis Phillips, Laura Bartlett, Margene Marin, Lena Ford, Margaret Stevens, Rosetta Bishop, Terry Noblett and Ila Faye Mackey, and four guests, Mrs. Don Murray of the Young Married Peoples Department, Ruby Hodges, Dorothy Bowers, Karen Minard, and the teacher of the class, Mrs. Jack Obenhouse.

## Progress News

By MRS. M. O. NIGH

Mr. and Mrs. Jimmie Presley and sons and Mr. and Mrs. Sherman Sweetman visited a few days at Wellington.

Little Miss Pattie Shipp daughter of the Mundell Shipp of Lubbock, is visiting her cousin, Janet Shipp, this week.

Mr. and Mrs. G. R. Hill visited Sunday with her father, B. W. Waters, in Whitharrel. He has been in the Medical Art Hospital in Littlefield. He was dismissed Sunday to return to his home.

Seven boys and their pastor attended R. A. Camp this past week. They reported good services and a good time.

The W.M.U. Ladies meet each Tuesday at 3:30 p.m.

Wednesday night was regular Conference night at the Progress Baptist Church.

Mr. and Mrs. M. L. Shipp had as their guests this past week Mr. Shipp's aunt and uncle from Oklahoma. This was the first time Mr. Shipp had seen them in several years.

Mr. and Mrs. A. L. Nigh of Lockney visited recently in the home of the M. O. Nighs.

Mr. and Mrs. Jimmie Presley and sons and Mr. and Mrs. Sherman Sweetman visited a few days at Wellington.

Little Lester Eugene Jeffcoats arrived July 24 to make his home with Mr. and Mrs. Andy Jeffcoats. The young man weighed 7 1/2 lbs. and was born at the West Plains Hospital. Mother and Son are doing fine and are at home at the Eugene Black farm.

Mrs. J. C. Myrick left Sunday evening for Clipper Mills, California, after spending a month with her parents, Mr. and Mrs. C. A. Bishop, also visiting her sister and brother-in-law, Mr. and Mrs. M. O. Nigh.

From Farm Journal: "The U. S. government has lived within its income just six times in the last 30 years! It faces another deficit in 1962—of perhaps \$6 billion. It owes \$290 billion, which is more than \$1,600 for every man, woman and child in the country. More than that, its future obligations, already voted by Congress, come to \$750 billion. That means every person in the U. S. has been mortgaged nearly \$4,100 worth—before any of the new current legislation is passed. . . All this can mean only that your dollars will buy less and your taxes will go on up."

## Maple News

By MRS. ORAN REEVES

Mr. and Mrs. Cass Stegall and children and Miss Mary Ann Courtney left for a vacation. They will return home next Monday.

Mr. and Mrs. George Tyson and children are vacationing at Buchanan Dam, and are also visiting with the Jimmy Daricek family. The Dariceks lived here until this spring.

Mr. and Mrs. Jim Pyburn of Kirgland are visiting this week with his parents, Mr. and Mrs. Kenneth Pyburn and other relatives.

C. L. Taylor and his brother-in-law, G. E. Guinn of Waco went to Conchas Dam fishing last week.

Mrs. C. L. Taylor visited with her daughter and family, Mr. and Mrs. Cecil Mann of Portales, N. M.

Guests in the Oran Reeves home over the weekend were her sister and family, Mr. and Mrs. W. G. Dempsey and sons of Lubbock and Miss Rita Baldrige of Morton.

Bro. and Mrs. Kenneth Middleton of Levelland, who is preaching at the Maple Church of Christ, were Sunday dinner guests in the Foy Lewis home Sunday.

Miss Rita Baldrige of Morton visited Tuesday morning with Mrs. Loyd Warren.

## Former Gridders Swap School Ties

LUBBOCK, July 25 - Former backfield stars at Texas Tech and Texas A&M will be coaching against their alma maters when the Red Raiders are hosts to the Aggies here Oct. 7.

Ty Bain, who joined Jim Myers' staff at College Station this fall, co-captained the Red Raider football teams of 1940 and 1941 at quarterback. Bain coached at Kilgore High School nine years before taking the post at A&M.

Aiding J. T. King on the Texas Tech bench will be Willie Zapalac, who came to Raiderland from a coaching slot at A&M last winter. Zapalac played fullback for the Aggies in 1941, '42, and '46 and had been a member of the A&M staff since 1953.

## Johnny Lovelace Back To Raiders

Three of Texas Tech's 1960 backfield starters return this fall—halves Dick Polson of Amarillo and Bake Turner of Alpine, fullback Coolidge Hunt of Lubbock. Returning at quarterback is Johnny Lovelace of Farwell, who was a signal caller as a sophomore last season.

Only two Texas Tech linemen are heavier than Red Raider quarterback Johnny Lovelace of Farwell. Lovelace, who stands 6-4 and weighs 210, is outweighed only by tackles Pat Holmes of Del Rio and Richard Stafford of Matador, 235 pounds apiece.

## Highlights and Sidelights

by Vern Sanford  
 Texas Press Association

Store windows already are featuring school clothes, and mothers across Texas are budgeting money for new blue jeans and calico dresses.

But money with which to open the schools is not yet in sight.

No one seriously doubts that new taxes will be voted and new appropriations made before current appropriations run out August 31.

Gov. Price Daniel has asked the Legislature to provide \$359,000,000 in new revenue to get the state out of the hole and cover future needs. Even in "good times", raising this much money is a staggering problem.

It will mean passing taxes to which a good portion of the Legislature - and possibly the governor - are bitterly opposed.

It could not be done - except that in a few weeks those blue jeans and calico-clad youngsters must go to school.

**SENATE WORKS ON TAX**  
 Senate's unenthusiastic attitude may foreshadow another end-of-the-season deadlock between the two houses.

Even if all senators heartily approved the House bill, they would still have to expand it. State Comptroller Robert Calvert, whose word is final on revenue forecasts, estimates the House bill will raise only \$254,000,000. This is over \$100,000,000 short of anticipated need. At the time it was passed, House sponsors thought it would bring in about \$328,000,000.

House measure would raise money from these sources:

1. A 2 per cent sales tax on all power-driven objects, construction materials, utility services and on other items costing

more than \$5. (Bulk of expected revenue would be from this provision.)

2. A minimum levy of one per cent per thousand cubic feet on natural gas. Holders of dedicated reserve contracts would be liable for paying the difference between present gas production taxes and this minimum requirement.

3. A one-third increase in drivers' license fees.

4. A revision in the corporation franchise tax formula to get more taxes from out-of-state corporations operating in Texas.

5. A one per cent transfer (\$12,000,000) from the Permanent School Fund to the Available School fund.

6. A bookkeeping change to transfer to the schools in August the portion of gasoline tax money that is slated for school purposes.

**BUDGET IN CONFERENCE**  
 House and Senate general appropriations bills, each calling for spending in the neighborhood of \$2,500,000,000, are in the hands of a joint conference committee.

House bill calls for \$16,000,000 more than the Senate version. In addition to what it already had passed, the House instructed its conference committee to hold fast on provisions for a 40-hour week. To this, the House added in its committee instructions, a 40-hour week for prison system and Department of Public Safety employees.

House conferees are Reps. James Cotten of Weatherford, B. H. Dewey of Byran, J. W. Buchanan of Dumas, Malcolm McGregor of El Paso and Bill Hollowell of Grand Saline.

Senate committee members are Senators Ray Roberts of McKinney, A. M. Alkin Jr., of

Paris, Crawford Martin of Hillsboro, Wardlow Lane of Center and Grady Hazlewood of Amarillo.

**GOVERNOR OPENS GATES**  
 Just when legislators thought they were going into the stretch on the drive to solve fiscal problems, the governor opened up the session to bills on 21 additional subjects.

Only subjects listed by the governor may be considered in a special session.

Daniel opened the door to legislation on unemployment compensation, law enforcement and traffic safety, the election code, Sunday closing laws, municipal annexation and some 15 other subjects.

Not included in the list were three bone-in-the-throat issues left over from the regular session: Small loan regulation, changes in the auto insurance plan and ceding part of Padre Island to the federal government for a park.

Some legislators protested that the avalanche of bills resulting from the governor's broadened call would make it harder than ever to pass a tax program.

**INSURANCE HIKE STUDIED**  
 Lawmakers, tough they cannot legislate on insurance in this session, are giving the new, higher auto insurance rates a thorough going over.

Conflict began when the State Board of Insurance instituted insurance premiums based on driving records in January, 1960. Many legislators protested effects of the plan during the regular session. Then during the summer the Board ordered an across-the-board increase in auto insurance rates, averaging about 15 per cent.

### Off the Runways

Doings At Muleshoe Airport  
By MRS. NOAH KINSER

Dr. Howard Tate of Ruidoso, N. M., son of Mr. and Mrs. Cecil H. Tate, landed at the Muleshoe airport Friday afternoon and visited over night in the home of his parents.

Dr. Tate, a student pilot, is taking flight training at Ruidoso, and the flight here Friday was his first cross-country solo.

Vacationing in Florida since last week, the Morgan Locker family called Fred Boyd at the Muleshoe Flying Service and said that other than a deluxe sunburn or two, they were really enjoying their stay there, and it would be some time yet before they will be back.

Fifteen year old Willie Washington, Muleshoe Flying Service employee, is completing some of the phases of flying. Willie is working on 180 degree turns now. He has had training in straight and level flying, slips, and stalls, along with take-off and landing instructions. Willie will be required to wait until his sixteenth birthday next June before he can make his solo flight, and he will have accomplished much toward the hours and training for his private license before that age.

Willie will be an eighth grade student at Hill Top School this term.

Additional brochures on the new Piper Cherokee has been received by the Muleshoe Flying Service, Piper dealer for the Muleshoe area.

The Cherokee is being built at an all new factory, located at Vero Beach, Fla.

For the first time in aviation annals, an all-new airplane is being constructed on a production line planned specifically in every detail, from overhead lighting to dolly tracks, for the efficient manufacture of this particular plane model.

The low wing, all-metal, four-place Cherokee bears a family resemblance to the Comanche, widely regarded as the most beautiful of the single-engine planes. The unusually spacious cabin is the same length as that of the Comanche, and wider than others in its class, and accommodates four in deeply upholstered comfort.

Superb visibility for pilot and passenger is achieved by sweeping back the windshield and enlarging all windows to picture-window size.

The Cherokee is available in Standard, Custom, Super Custom, and Auto Flite models, and offers a choice of Lycoming engines—160 or 150 horsepower, each four-cylinder with dual ignition.

The first fifteen models of the Cherokee were retained by the Piper Corp., for accelerated field service test and for national demonstration.

Suitable for business, training and farm operations, the all new plane is now in quantity production at the Florida plant and deliveries are well underway.

**COLORADO VACATIONERS WERE EDWARDS-STEVENS**  
Mr. and Mrs. Ray Edwards of Muleshoe and Rev. and Mrs. Clarence Stevens and daughter, Linda, of Hale Center, have returned from a vacation at the Colorado home of Mr. and Mrs. Buford Butts.

Mr. and Mrs. Butts have a beautiful summer home located near Fort Collins, in upper Toudre Canyon.

Mrs. Edwards said that Ray and Bro. Stevens caught some nice strings of fish, and that they spent a number of pleasurable hours before the fireplace both morning and night.

The group and Mrs. Butts went to Cheyenne, Wyoming, last Thursday for the Frontier Day Rodeo and Parade. The Rodeo within itself was very thrilling, but they also enjoyed the two hour parade, featuring some 56 old time conveyances including side saddles, fringe-topped shays, and many different types of buggys and wagons.

## SUMMER IS FUN TIME IN MULESHOE

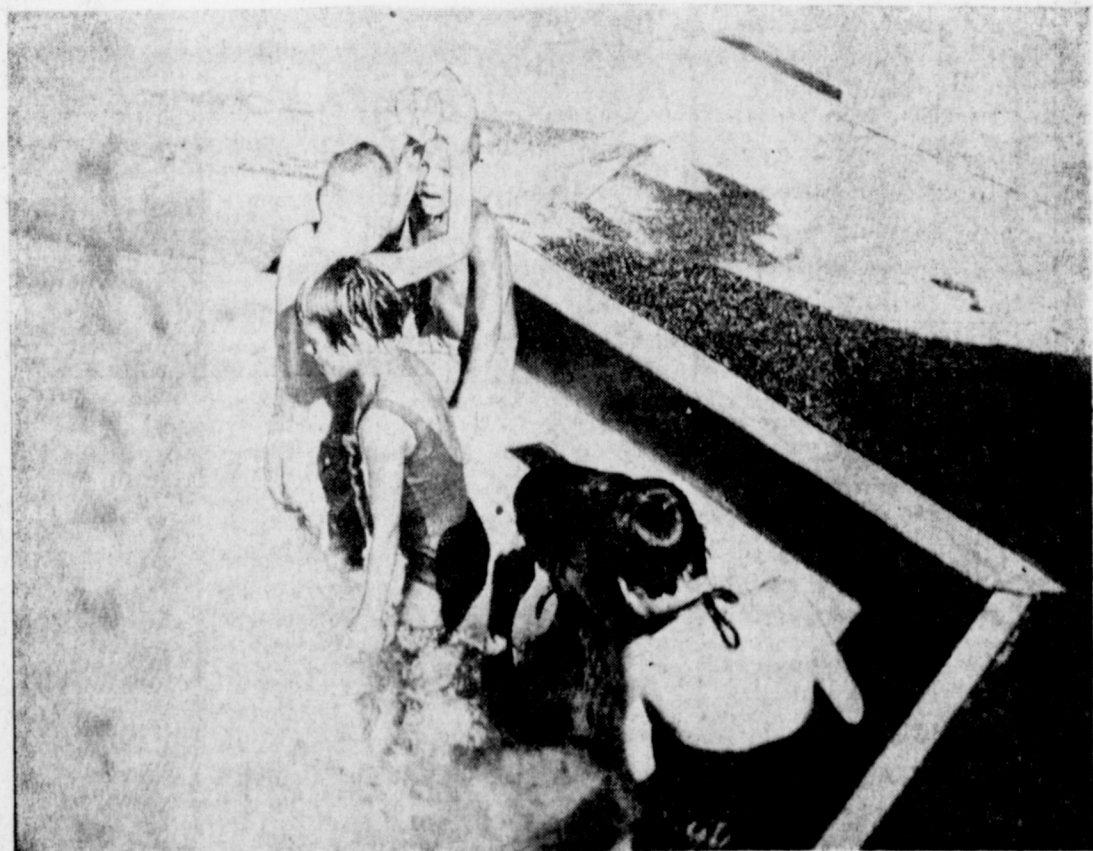

AT THE END OF A HARD DAY, a dip in the pool feels just fine, according to Bobby Airhart, assistant vice president of the Muleshoe State Bank.

TRIPLE THREAT for the future are these delightful young ladies reclining in the sun by the pool. They are, top to bottom, Reba Higginbotham, Shawna Powers and Lana Moore. Little Shawna's dad works at the pool.

NICE WORK IF YOU CAN GET IT—Lyndall Fletcher, who is a pre-ministerial student at McMurray College in Abilene, is spending his summer working as a lifeguard at the pool in Muleshoe.

SPLASHING AROUND IN THE SHALLOW END are these boys and girls who will soon have to give up the summer fun for school books. But they have decided to enjoy the summer sun fun while they can.

JUST TAKING IT EASY by the edge of the pool are Caryn Haley, daughter of Mr. and Mrs. Tommy Haley, who will be a freshman in Muleshoe High School; Kathy Moore, sophomore, who is the daughter of Mr. and Mrs. C. E. Moore; Barry Lewis Jr., sophomore; and Kenneth Heathington, son of Mr. and Mrs. Farris Heathington, who will be a sophomore.

Entered as second class matter at the Muleshoe Post Office under the Act of Congress, March 3, 1897.

## Help In Fight

Muleshoe is living in an intellectual vacuum. People can be highly educated and aware of world problems and still be intellectually poor. The people of Muleshoe are living in a self-imposed void of learning.

Muleshoe's so-called library is made up of approximately 2,000 books housed in a room about 9 feet by 15 feet. In order to keep this number of books in this amount of space, it is necessary to pile them one atop the other in stacks on top of the few meager shelves and in corners.

Mrs. E. R. Wright, who has served as librarian in the Muleshoe Library since 1943, is unable, due to lack of space and facilities, to even file books in proper order.

Mrs. Wright reports that about 200 persons have reading cards which are used regularly. These people keep her busy serving them. But how can she serve them? With books over a year old!

**NO NEW BOOKS HAVE BEEN BOUGHT** in a full year for the library. Therefore, these 200 plus readers are unable to enjoy the newer books being published. There are approximately 5,000 new titles published each year by publishers in the United States alone. Certainly Muleshoe could not afford more than a fraction of this number, but it could certainly afford to buy the better titles being printed.

What can be done to remedy this deplorable situation? County and City Commissioners both turned down the library when offered its facilities as a gift. Muleshoe Study Club has sponsored the library, in conjunction with the county and city, for some time. They can no longer afford to support the undertaking, however, in the way they feel is needed. They offered to give the books in the present library, located in the County Court House, to either the city or county or both. Both declined the gift.

If government will not discharge an obligation and a private group is unable to do so, then what can be done? What can be done, you ask? Popular subscription is the only answer.

A small group cannot hope to do what a large group must do. Government is composed of a large group, but government sometimes is unable to act. People are not held back by red tape and fear in a situation of this kind, however. People can get together and do what small groups and government cannot do. So why not unite?

Bailey County has a rich historic background and a need for a library. Combine the two and there is only one conclusion—combine a museum and library.

The Journal editor will begin action toward a popular subscription for a combined museum-library by pledging \$50 toward construction of same. Who will join in this endeavor? Those who donate funds for this purpose will find their names in these editorial columns on an honor roll of Library Boosters. Contact Mrs. Thurman White or Mrs. Sherman Sweatman to help in this fight against an intellectual vacuum.

### CATTLE DISEASE

Stockmen over the state should be on the alert, says Dr. C. M. Patterson, extension veterinarian, for a noncontagious livestock disease known as phosvenitization. Conditions over the state are favorable for its spread. He suggests contacting a veterinarian or the local county agent for additional information.

## Stone's Throw

by GARY STONE

Dedicated to the principal of throwing rocks at EVERYTHING!

This editor has gone far out on a limb this week in an editorial. Now I hope nobody comes along with a yen to use a saw near the tree.

Thinking of the desire I have seen in many young people to learn, I couldn't help offering to donate \$50 for a new library.

How can we deny this yearning in our children? How can we tell them that it is more important for us to have a new car or a fabulous vacation than for them to have a place to find good books? YOU TELL ME!

Went to Glorieta over the weekend with Roger Pool, taking his sister, Sylvia, and Shirley Henry to Baptist Assembly there. Beautiful country, but I like Muleshoe much better, even though it was much cooler in that part of the country.

Somebody came into the office Tuesday and said we should dial 6490. When we asked why, all they would say was that there is something new added in Muleshoe. If you want a pleasant experience—and a refreshing one in these times of trouble—dial it yourself and see what a nice message you get. It will change each day, by the way.

It won't be long now until school starts. Football, classes, new students for the kids of Muleshoe to become absorbed in.

Next week's Journal will contain a lot of information about the schools and their inhabitants, as well as a lot of back-to-school fashions from the Advertising Department.

### MRS. COPLEY AT HOME AFTER VISIT IN DALLAS

Mrs. A. W. Copley returned to Muleshoe Saturday after spending the week in Dallas visiting their daughters, Doris Jean and LaVon Copley.

Mrs. Copley's son, Don, of College Station was also a guest of his sisters Friday.

### BABSON DISCUSSES:

## Why States Lose Factories

Babson Park, Mass., August 3 — Many cities wonder why new factories do not start in their area, and why so many are moving South.

### REASONS NEW FACTORIES DO NOT START IN YOUR AREA

One trouble is that old industries are dying faster than the area can get new ones. In my estimation, all of the northeastern states are suffering from high labor costs due to rampant unionism; high state taxes; overpopulation; too great a distance from raw materials; leftists who want to spend before they earn; workers who don't want to work and don't respect their employers; state and local officials unfriendly to industry; and lack of a desire to help newcomers.

Already six states in the South have solved their problem, but all needed to amend their state constitutions. These have been drawn to protect the holders of tax-exempt bonds within their states. Times have changed, and we now must choose between giving a monopoly to present holders of tax-exempts or aiding the unemployed. Also, owing to the new Congressional mortgage legislation, we have the U. S. Government guaranteeing 40-year mortgages at 5% interest!

### REVENUE BONDS SOLUTION

We all are acquainted with non-taxable Revenue Bonds for building highways. The holder of such bonds is dependent upon the toll receipts for his in-

terest. If enough people use the new highway full interest is paid, but not otherwise. At first leading investment bankers objected to such Revenue Bonds; but finally they accepted them and the bonds sold freely. Of the hundreds of millions worth of bonds issued, only one (that put out by West Virginia) has defaulted.

Now certain cities in the South are issuing such Revenue Bonds to provide funds for new industries. They are tax-exempt and must be voted by a majority of the citizens. These bonds have been freely accepted by northern investors. Many of our cities are now taxing their citizens heavily to provide education for their children. But as soon as the more intelligent of these children graduate from high school, they are blighted to leave their native city and go to a more progressive city in a more progressive state. Hence there has been little population growth for many northeastern cities. They need new factories, and the issuance of Industrial Revenue Bonds seems the best answer.

It should be easy for the government to please the people. All they have to do is lower taxes and raise appropriations.

### THE PRIVATE EYE

by J. R. HANEY

This department has sure been lost since "Scop" has been staying home quite a bit, however it is quite a consolation to know that he is feeling better and will be available to help settle any earth shaking decisions that must be made.

The wife and I published our own paper up in the State of Missouri and no one would believe the problems that come up every day in the publishing of a weekly paper.

This week's paper, has a special Dollar Day section in it that has been published in cooperation with our Muleshoe merchants. Our merchants have gone all out for a good dollar day event August 7 and we invite everyone to see the special bargains in the third section of this paper.

### GRANDDAUGHTERS ARE GUESTS AT KENNEDYS

July and Gina Garrison, granddaughters of Mrs. E. H. Kennedy took their first airplane ride Friday, flying from Amarillo to Lubbock by airliner. Mrs. Kennedy met them at Municipal airport there and brought them to Muleshoe to spend this week with her.

### GETTING NEW FACTORIES

The above is the only method which I now see for cities in the northeastern U. S. to get new factories to provide unemployment for their people and proper schools for their children. Remember that today, when locating new factories, the owners are looking for localities where the executives and their wives will be glad to live.

New England cities which are some distance from raw materials must provide some offsetting advantages. They must have friendly Chambers of Commerce which are not controlled by "old fogies." The C of C Secretary should be an experienced man, preferably from one of the fast-growing Southern cities which have already issued Industrial Revenue Bonds. New England has many natural advantages; but it must wake up to the new conditions facing us. The same applies to many cities of the Central West which now depend upon farming.

### Sandhills Philosopher:

## Is Completely Confused By Look At Foreign Aid

Editor's note: The Sandhills Philosopher on his Johnson grass farm takes a look at the world situation this week. He may need better glasses.

Dear editor: "Well, what do you think Russia is going to do about what we're going to do about West Berlin?" a man in town who keeps up with world affairs and is no more in the dark than the average Congressman asked me yesterday when I went in to get something to keep my tractor radiator from leaking.

I told him I didn't know and then, just to be doing, asked him if he thought there was anything to the report I'd just

heard on the radio that serious trouble will break out next in Kuwon.

"It's hard to say," he said. "I've been expecting it. The world is full of potential trouble spots and Kuwon very easily could be the next one. It's worth watching."

I didn't say anything much, but came on home, not having the heart to tell him that as far as I know I'm the only one who ever heard of Kuwon, since it was a word I made up on the spur of the moment.

Don't laugh. I have a notion there are people in Washington who would fall for this too, and if somebody didn't stop them would vote for foreign aid for the fictitious place and then take off in an airplane hunting for it.

Understand, I'm not opposed to foreign aid, the last four

Presidents we've had, from both parties, have argued foreign aid is cheaper than war, and a lot safer, and I imagine they're right, but I'm not sure we're making all our money count. A neighbor of mine, who doesn't pretend to keep up with world affairs but keeps up with human nature, says this country's reputation abroad reminds him of a rich boy in college with plenty of money but not much personality—he attracts lots of people around him, but has very few friends.

On the whole though the problem is too big for me and I'm happy to have somebody else making the decisions.

Say, the joke sure would be on me if there is such a place as Kuwon. Is there?

Yours faithfully,  
 J. A.

### Today's Meditation

Read Mark 10:13-16

Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.

Three incidents involving children came to my mind.

Little Paul accidentally pushed Mary to the floor. She was frightened and cried. Paul came to her and said, "Me sorry." Still she cried. He came the second time saying, "Me sorry." Finally, he said "Me so, so sorry." She wiped her eyes, stopped crying, and soon both were playing again.

My friend was baby sitting with two little sisters. They had quarreled all morning. At lunch time the four-year-old said her regular table grace. She hesitated, then added, "Help us to forgive the one who sits next to us."

I was walking from the church to the parsonage next door with our pastor's little daughter. Just to make conversation, I said, "Where do you live, Jane?" She said, "Oh, I live next door to God."

If we truly want to make our homes Christian, we too, must be willing to say I am sorry, and forgive those who sit next to us if we would live next door to God.

**PRAYER:** Dear God, forgive us when we are unkind and hurt others. Help us to be understanding toward those who sit next to us that we may be instruments of Thy will. In Jesus' name we pray. Amen.

### THOUGHT FOR THE DAY

The best place to live is next door to God.

—Elsie Pearl Williams (Iowa)

## Draft May Go Up To 20 In 3 Counties

Recent changes in the national military setup have made themselves felt in Muleshoe.

After three men were called by the Selective Service on July 8, the July call was amended. Following President Kennedy's announcement of the military change, this amendment called for all men volunteering for draft to be taken immediately.

In accordance with this amendment, four additional men were called July 29 and were sent to Fort Hood for basic training.

### 20 TAKE EXAMS

The number of men being called for physicals has been increased five-fold for August, with 20 men scheduled to take physicals this month.

Navy recruiters announced that restrictions of the past have been lifted and all qualified men and women may now enlist immediately. Navy recruiters may be contacted at the Post Office Building, Box 1033, Clovis.

Although the number scheduled to be called to service has not undergone any major change, though this may be amended during the month, according to Mrs. Hroid Weyer at the Selective Service Office here in Muleshoe.

Those inducted to service July

include Leo Castillo, Jr., Earth; Rodolfo Trivino, Sudan, and Mike Navarrette Hernandez, Littlefield.

Volunteers for induction who left July 29 for Fort Hood were Jimmie Don Kemp, Samuel Ed-ward Blackwell, both of Muleshoe; Gaylon Dayle Baldwin, change, shoe; Gaylon Dayle Baldwin, change, shoe; and Merlyn Keith Higgins, Bovina.

Reports from Lubbock, Amarillo and other surrounding towns indicate that recruiting is up in those towns, but recruiters in this immediate area have not reported any surge in enlistments.

Further developments of this situation on the local will be watched closely and reported in future issues of your Journal.

### HARRISON HARVEST CREWS RETURN HOME

The W. H. Harrison and Donald Harrison harvest crews returned to Muleshoe last week-end after being on the move with the wheat harvest for the past two months, cutting all the way from Texas to Bushnell, Nebraska.

Mr. and Mrs. W. F. Harrison had three local youths with their crew. They were Kenny Splawn, Steve Leigon, and their son, Jerry.

**LEGAL NOTICE**  
**THE STATE OF TEXAS**  
**COUNTY OF BAILEY**  
**IN THE COMMISSIONERS'**  
**COURT OF BAILEY COUNTY,**  
**TEXAS - JULY 1961**  
**REGULAR SESSION**

BE IT REMEMBERED that on this the 16th day of July, 1961, the Commissioners' Court of Bailey County, Texas, convened in Regular Session at the Courthouse in Muleshoe, Texas; pursuant to a call issued by the County Judge, with the following members present to-wit:

Glen Williams, County Judge; I. M. Stinson, Commissioner, Precinct No. 1; W. W. Couch, Commissioner, Precinct No. 2; W. H. Eubanks, Commissioner, Precinct No. 3; R. P. McCall, Commissioner, Precinct No. 4, and Hazel Gilbreath, County Clerk and Ex-officio Clerk of the Commissioners' Court.

constituting the entire Court, whereupon the following among other proceedings, were had, to-wit:

Commissioner Stinson introduced a proposed order and moved that it be adopted. The motion was seconded by Commissioner Couch.

The motion carrying with it the adoption and passage of the order, prevailed by the following votes:

AYES: Commissioners Stinson, Couch, Eubanks and McCall.

NOES: None.

The County Judge declared that the order had been duly and legally passed, approved and adopted and instructed the County Clerk to record the same in the Minutes of said Court. Such order is as follows:

WHEREAS, under Article 135C, Vernon's Annotated Civil Statutes of Texas, there was at the July Term A. D., 1961, of Bailey County Commissioners' Court presented a petition, a copy of which is recorded in the Minutes of this Court signed by W. T. Millen and 50 other landowners residing in Bailey County, which petition requested that an election be called to determine whether or not there shall be created a Noxious Weed Control District within Bailey County, which proposed district would be composed of Commissioners' Precincts Number One (1) and Two (2) in the North part of said Bailey County, with metes and bounds as follows:

"Beginning at the Southwest (SW) corner of Precinct Number Two (2) and being on the boundary line of the Texas-New Mexico boundary; thence in an Easterly (E) direction in and on the South (S) boundary line of said Precinct Number Two (2) and North (N) boundary line of Precinct Number Three (3) to the Southeast (SE) corner of Precinct Number Two (2) and Northeast (NE) corner of Precinct Number Three (3) to a point; thence continuing from said point which is also the Southwest (SW) corner of Precinct Number One (1) and the Northeast (NE) corner of Precinct Number Four (4) in an easterly direction in and on the South (S) boundary line of Precinct Number One (1) and the North (N) boundary line of Precinct Number Four (4) to the Southeast (SE) corner of Precinct Number One (1) and the Northeast (NE) corner of Precinct Number Four (4) and being on the boundary line between Bailey County and Lamb County, Texas, to a point; thence in a Northerly (N) direction in and on the East (E) boundary line between Lamb

and Bailey County, Texas, to the Northeast (NE) corner of Precinct Number One (1) and also being the Northeast (NE) corner of Bailey County to a point; thence in a Westerly (W) direction in and on the North (N) boundary line of Bailey County, Texas, and being also the South (S) boundary line of Parmer County, Texas and also the Southwest (SW) corner of Parmer County and being also on the Texas-New Mexico boundary line to a point; thence in a Southerly (S) direction along and on the West (W) boundary line of Bailey County, Texas and also the boundary line between Texas and New Mexico to the place of beginning." (All Precincts herein referred to being in Bailey County, Texas.)

WHEREAS, it appearing to the Court that the petition is in all things proper and signed by a sufficient number of landowners, and

WHEREAS, under Article 135C of Vernon's Annotated Civil Statutes of Texas, it is proper to set a date for a hearing on the said petition for the purpose of giving any interested citizen an opportunity to appear before the said Commissioners' Court and present their views, whether favorable or unfavorable, relative to the calling of an election to determine whether or not a Noxious Weed Control District shall be created within the said Bailey County.

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF BAILEY COUNTY, TEXAS:

That a hearing on the above mentioned petition be and the same is hereby set for August 14, 1961, at the Regular Meeting Place of the Bailey County Commissioners' Court in the Courthouse, said hearing to begin at 10:00 o'clock A. M., and the public is, by this order, given notice of the time and place that said hearing is to be held and any and all interested citizens are hereby given opportunity to appear at said hearing for the purpose of expressing their views relative thereto.

The County Clerk is hereby instructed to give public notice of said hearing by causing a notice of such hearing to be published at least twice with an interval of at least seven (7) days between the two (2) publication dates in a newspaper of general circulation published within the County. And a substantial copy of this order shall serve as a NOTICE OF HEARING.

GLEN WILLIAMS  
 County Judge  
 Hazel Gilbreath  
 County Clerk

WHO, ME?

The Portland, Oregon, Journal, says editorially: "AFL-CIO Vice Pres. Walter Reuther, if he has a sense of humor, must still be chuckling at the attack on him by Fidel Castro in which the Cuban dictator labeled Reuther 'an agent of management' who has never said a word against capitalist exploitation of the workers of the United States'. The very fact that he is attacked by the Communist as a defender of 'capitalist exploitation of the workers' at the very time he is leading one of the nation's most powerful unions, the United Automobile Workers, is the best proof in the world that under U. S.-style capitalism the workers are not exploited."

**Three Way NEWS**

A housewarming for the John Shepards at Maple will be given Friday night, August 11. Wives of the directors of the Maple Co-op Gin will be hostesses. They are Mmes. Jack Furguson, Doyle Davis, Weldon Avery, C. A. Bundrant, Gene Kenley, Kenneth Corbell, and Charles Abbe. They extend a cordial invitation to everyone in the community.

Shepard is manager of the gin.

Visiting at Alamogordo Lake the past weekend were Mr. and Mrs. Jack Furguson and children, Mr. and Mrs. Doyle Davis and children, Mrs. Earl Bowers and Pam, Mr. and Mrs. Thurl Lemons and children, Doss Terrell and Tommy, and Mr. and Mrs. Pete Tarlton.

**MISS HIGHTOWER FETED**

A bridal shower honoring Melinda Hightower, bride-elect of Jimmy Taylor of Morton, was given in the home of Mrs. Tommy Galt Thursday, July 27, from 9 to 11 a.m. Hostesses were Mmes. Galt, Cass Stegall, Buck Ragsdale, Pete Tarlton, Bud Warren, John Shepard, Wayland Altman, and E. B. Julian.

The bride's chosen colors of pink and white were used. Pink and white garden flowers decorated the receiving room. The serving table was laid with a hand crocheted lace cloth centered with an arrangement of flowers. Cake and coffee were served with Misses Madelyn Galt, Mary Courtney, and Kathryn Masten serving. Appointments were in china and silver. About 50 guests called.

Mrs. Hightower and Mrs. Taylor, mothers of the couple, assisted in opening gifts.

The Cass Stegall family plans to spend a few days this week at Red Rifer, N. M.

Coach Sam Mayo took three boys from Three Way, representing District 6-B in the All-State football and basketball teams, to Huntsville Saturday. James Long will play in the East-West basketball game Thursday, and LaWayne Bates and Tom Coffman will play on the football team Friday.

Mr. and Mrs. Cass Stegall visited relatives at Amarillo Sunday.

Mrs. Polly Burns of Lovington, N. M., visited last week with her sister, Mrs. L. W. Chapman.

Visiting in Lubbock Sunday were Mr. and Mrs. L. W. Chapman. They visited Mrs. Weldon Hargis and baby girl. Mrs. Hargis is a niece of Mrs. Chapman.

Mr. and Mrs. R. C. Ross of Floydada, parents of Mrs. Buck Ragsdale, spent Saturday night in the Ragsdale home. Mr. and Mrs. Ross and the Ragsdales drove to Roswell, N. M., Sunday to visit relatives.

**Three Way News**  
 By MRS. FRANK GRIFFITH

Mr. J. O. Dane is in the West Plains Hospital at Muleshoe.

Mrs. R. P. McCall spent several days in the Methodist Hospital at Lubbock. She is home, but has to stay in bed several days.

The L. G. HARRISES are the proud grandparents of a new grandson, born last Tuesday night. The parents are Mr. and Mrs. Joe Phillips of Levelland. Mrs. Harris is staying down there to help look after the new baby.

Those visiting in the C. S. Vandeveter home Sunday were Mr. and Mrs. Cecil Kirk and family, and Mr. and Mrs. John Vandeveter and family all of Morton; their daughter and fam-

ily, Mr. and Mrs. Luke Baughman from Colorado Springs, Colorado.

Conference moved Bro. Kile and family, pastor of the Methodist church to Sundown.

The Methodist meeting closed

Sunday night, with a good meeting, and good attendance.

The Marvin Shorts are back from wheat harvest, they were gone over 2 months and reported the wheat wasn't too good this year.

It's a boy for the Kiles. The young man was born Saturday evening at a Littlefield hospital. Bro. Kile is pastor of the Methodist Church. They have two other children, a girl and boy.

 W. L. Shafer, et ux, et al, to W. E. Chisholm, a one acre tract out of the Northeast corner of Labor 21, League 186 of Swisher County school land in Bailey county.

### WATCH FOR

GRAND OPENING

### Industry on View

An ancient adage tells us that "When the cat's away the mice will play." A rough paraphrase might go thus: "When the attention of the majority of people is distracted by far-off events, minority groups have a chance for a field day."

That is certainly true at the present time. Inevitably, in this period of rising world tension, we look afar: To Cuba, to Latin America as a whole where our position is the most precarious in a century; to Laos, to Africa, to Vietnam, to Berlin. But we cannot afford to neglect the problems that lie on our own doorstep.

The advocates of the welfare state, and of the socializing processes that are a part of it, have never been more restless, eager, dedicated and confident. In a dozen diverse fields ranging from medical care to a farm program, and to the production and distribution of electric power, they have specific proposals which, one way or another, sooner or later, would give the government control, direction or ownership of the productive energies of this nation, and would subject us all to the never-tender mercies of an incredibly vast bureaucracy. The cost in treasure would be uncontrollable. The cost in lost liberty, and the undermining of individual character, would be infinite.

Each of us has two eyes. One must be kept focused at home. **A PHILOSOPHY OF SCARCITY**  
 As the head of the American Meat Institute points out, the proposed new omnibus farm bill "has been described by agricultural leaders and legislators as the most sweeping bid for power over the nation's agriculture in our history."

If that seems extreme, consider some excerpts from testimony given before the Senate Committee on Agriculture by Charles Shuman, president of the American Farm Bureau Federation. Among other things, he shows that the bill would develop control programs for every agricultural commodity produced in this country; would set quotas in terms of acres, production units (such as livestock), bushels and bales; support prices through loans, purchases and direct payments at any level from zero to 90 per cent of parity, and establish conditions of eligibility for these supports.

All these and other equally as drastic powers would be given to the Secretary of Agriculture. They amount to virtually unlimited controls—and it is a certainty that no man or group of men, however dedicated they may be, could exercise them wisely and with fairness to all. And the cost of such a program would undoubtedly reach even greater levels than those of the past.

The Meat Institute's spokesman also said this: "The entire proposal seems predicated on the philosophy of creating scarcities to put up prices—a procedure that is fraught with danger to the nation's food supply. In the meat industry, short supply always means increased unit costs. Everyone remembers the chaotic condition which resulted from previous government attempts to control meat prices and to set slaughter quotas."

That kind of chaos will be compounded if the proposed bill passes in its present form and wording.

### SURE! RURAL ELECTRICS PAY TAXES

Bailey County Electric Cooperative Association, along with almost 1,000 other rural electric systems, joins with other local businesses in paying its share of taxes each year. In fact Bailey County Electric Cooperative is one of this area's largest taxpayers, paying \$12,595 in Bailey, Cochran, Castro Lamb and Farmer counties last year. Local tax payments, such as these, represent typical additional contributions by almost 1,000 rural electric systems organized to bring electric service to people who could get electricity in no other way. Bailey County Electric Cooperative Association, made possible by a loan from the Rural Electrification Administration, now operates 1950 miles of line in five (5) counties. We serve farms, country schools, churches, irrigation wells, gins, elevators, and outside lighting — a total of 4100 members-owners. However, there are about 900 idle services which are either seasonal or pay a very small amount per year. This is less than cost of lines and services. Despite the difficulties involved in serving sparsely settled rural areas we already have repaid \$2,112,955 in principle and interest on our REA loan of \$6,025,000. Like other locally owned and operated rural electric systems in the U. S., we are proud to fulfill our local, state, and federal obligations while we help build a better community and a stronger America.

BAILEY COUNTY  
**ELECTRIC COOPERATIVE**  
 ASSOCIATION

"A locally owned, managed and tax-paying farm organization"

REMEMBER HOW GREAT CIGARETTES USED TO TASTE? LUCKIES STILL DO

# LUCKIES DON'T SKIMP

They're so round, so firm, so fully packed—so free and easy on the draw. They're fully packed with fine tobacco. They're firmer than any other regular cigarette. And Luckies smoke longer. THAT'S WHY THEY TASTE SO GREAT.

Costs least\* when you buy...saves more when you drive

Here's the Classic Ford Look at the lowest Ford price. Ford Fairlane equipped the way most people like it is the lowest priced,\* full-sized 6-passenger car of all...though you'd never guess it by looking.

But more important still, is the engineering inside. Here are new achievement, new precision, new standards of quality. Here's a car that is built to be more service-free, and the savings mount up as you drive (the box at right shows you how).

Altogether, the '61 Ford is so good that its dealers tripled the duration of the regular warranty.† Other cars followed. But Ford began the trend with the car built to back up its longer-term warranty! See why we say, this is the Ford in your future!

#### HERE'S HOW THE '61 FORD SAVES BECAUSE IT'S BEAUTIFULLY BUILT TO BE MORE SERVICE-FREE!

- Saves on Lubrication**—You'll normally go 30,000 miles between chassis lubrications, which saves you time and money, because Ford has replaced conventional grease fittings with a sealed-in lubrication system.
- Saves with Protective Body Coating**—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors.
- Saves with Special Body Finish**—Ford's new Diamond Lustre Finish never needs waxing.
- Saves on Oil Changes**—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers, and filters all the oil at the time.
- Saves on Brake Adjustments**—New Jack-Shoe brakes adjust themselves automatically.
- Saves with Extended Muffler Life**—Ford mufflers are double-wrapped and aluminumized to last three times as long as ordinary mufflers.
- Saves with Extended Warranty**—Each part of '61 Ford, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Driving manual responsible for normal maintenance service and routine replacement of maintenance items such as filters and ignition parts.

Beautifully built to be more service-free

★ Buy ... from the folks whose community interests are the same as your own

# The Diary of a Dollar

It has been a busy day. Early this morning I was swapped for some medicine for his baby by a young fellow who got me in exchange for farm produce.

- The druggist gave me to the boy who sweeps out for him, and the boy spent me to get his suit cleaned and pressed for the school party tonight.

- The cleaner took me and

some of my brothers and paid his school taxes. I was in the bank only a few minutes when a school teacher cashed her pay check and I started around town again.

- Before the day ended I had changed hands twenty times, and had put \$20 worth of goods and service into people's hands ... had accounted for \$20 worth of trade volume in the community, and had been in one poker game. Not

a bad day's work for one little old dollar.

- I'd like to hang around this nice community for a while longer. But I wound up the day in the hands of a city-shopper. Tomorrow I'll be on my way to go to work for city folks. It seems that some people want to get us dollars out of their sight and reach ... maybe for fear we'll make their community a better place to live.
