STUDY JAIL, COURTHOUSE

Court Votes To Hire Architect

The Bailey County Commission Court, meeting in a special session Wednesday, voted to employ an architect to draw plans for correction of the jail and courthouse deficiencies.

The Court thus took the first step to alleviate the filthy and insanitary condition of the county jail, as well as the outdated and overcrowded courthouse.

(At about the same time the meeting was going on, unknown to the commissioners, faulty plumbing in the jail caused cells to be flooded. This has happened before, and has led to leakage into the Sheriff's and County Clerk's offices.)

Commissioner I. M. Stinson of Precinct 1 made the motion, seconded by W. W. Couch, Precinct 2. The vote was 3-1 in favor. Commissioner W. H. Eubanks cast the dissenting vote.

The order stated: "That the Commissioners' Court meet on June 14 in a special called session for the purpose of employing an architect to assist the court in making a study of the present jail and-or Courthouse facilities, and to do preliminary work and draw plans and specifications for such new or remodeled facilities and their cost as would appear to the court to be the most practical toward meeting the city's needs for such jail and-or courthouse facilities, it being the intention of the court to employ such architect on a contingency basis, so that if any plans that may be submitted to the public for a vote should not be approved, the court should not have expended any money or be under any further obligation."

AT CONVENTION

Bailey Republicans Pass Resolutions

Bailey County Republicans elected delegates to the state convention and passed a total of 17 resolutions in their county convention last Saturday.

Delegates elected were L. B. Hall and Gilbert Lamb. Alternates named were Mrs. Hall and Mrs. Lamb. Second alternates were also chosen. They were W. B. Kittrell and E. J. Shafer.

The resolutions passed were as follows:

"We, the Resolution Committee, appointed by the Republican party convention of Bailey County, Texas, do hereby resolve:

1. That we highly favor removal of the social security fund from the General Funds. That there be no relationship between the two funds. And that all payments paid by employers be placed in full into a separate social security fund.
2. That we favor a constitutional amendment to provide for the election of supreme court judges for a specific term.
3. That we favor the return of control to the states as provided in the Constitution and to the elected representatives. We look with great disfavor on the usurpation of these controls and powers by the executive branch.
4. That we consider this government should have men who can balance the budget if they want to bad enough from the precinct level up. Foreign Aid should be strictly cut or thrown out entirely.
5. That we do not favor the establishment of a National Park on Padre Island. It may be an opening for further federal usurpation on Texas oil rights.
6. That we favor the repeal of the state law allowing candidates to run for two offices in the same election.
7. We are opposed to having the Party Pledge on the Primary ballots.
8. That we favor H. R. Bills 7569 and 9905 revoking our membership in the United Nations and its specialized agencies, such as UNESCO and the World Court.
9. That we do not favor Federal Aid to Education in any form including the recently approved Federal Aid to Education T.V. We do not favor Medicare, price setting, acreage control, market control or dictatorial tariff control.
10. That we are opposed to the secret files being accumulated in public schools containing records of psychological disturbances of children. We favor these records being open to parents of the child and physicians of the parents' choice, and not to be used by government officials.
11. That we favor a strong National Defense. We favor repeal of disarmament and arms control bill 297 as passed last September. We oppose the proposed Federal Arms Registration Bill H.R. 613. We uphold the Constitutional right of the people to keep and bear arms.
12. That we favor less government intervention and control in the field of agriculture recommending a gradual reduction of farm supports. We feel supply and demand will regulate prices.
13. That we feel that the President should apologize for the language used in his recent news conference concerning American Businessmen.
14. That we are opposed to censoring or seizure of mail by any government official as proposed in H.R. Bill 982. We favor the freedom of all news media.
15. That we welcome the support of all Patriots and Super-patriots.
16. That we wish to commend John Tower for the outstanding work he has done.
17. On the county level, we favor the abolishment of the office of county ex-officio school superintendent.

Cotton Is Hurt; Twister-Like Wind Hits Farm

Wednesday's turbulent weather caused extensive damage to young cotton throughout Bailey County, and there was at least one instance of tornadic-type wind damage.

A small barn on the Glen Phipps farm, 14 miles west of Muleshoe, was demolished, and extensive damage was done to three cotton trailers.

One trailer was thrown on top of a combine.

"We didn't see anything that looked like a twister, but there must have been something of that nature, to throw the trailer like it did," Mrs. Phipps said.

There was also considerable damage to cotton on the Phipps farm, as was the case throughout the area.

INSPECTION SLATED

New Course Okayed By Muleshoe School Board

The Muleshoe Independent School Board of Trustees in their monthly meeting Monday gave their approval to an Amarillo firm, Rittenberry and Rittenberry and Associates, to examine the Mary DeShazo elementary school buildings for safety factors, and to make a survey for future building needs.

The firm is to make its examinations in the next few weeks, and report its findings back to the board at its next meeting.

The proposal was presented by Dr. Floyd Golden, Educational Consultant for the Amarillo company.

The board pointed out that the safety of the elementary students was the main reason for asking for the inspection. The examination and survey will not obligate the schools in any fashion, but will give the board some concrete ideas of where the school stands, and the best direction to advance.

In other business, the board approved the formation of a "Distributive Education" program for the high school curriculum next fall.

Distributive Education is a program whereby juniors and seniors may work part-time for

city merchants, and receive pay as well as high school credit.

"Our curriculum was hurting for something for the students who do not plan to enter college," said Superintendent of Schools, Neal Dillman, who said the course could do away with a major portion of the high school drop-outs.

The board approved the hiring of three teachers. Among those is Bob Coleman, who will be the freshman coach and driver education instructor. Coleman taught in the Friona School system the past year.

Other teachers hired were Tom Adamson, who has been in the military service, for seventh grade language arts and Inez Middlebrooks, third grade teacher at DeShazo. Mrs. Oleata Hodges, presently at DeShazo, is to move to high school English next year.

The athletic budget of \$11,186.95 was approved, as was the bond budget of \$2,500. It voted to join the Texas Association of School Boards.

The board accepted the resignations of Hilltop teachers, Christine Raven and Ernest Randall. It reviewed the summer maintenance and furniture needs for next year.

PAUL WILBANKS

RICHARD CHITWOOD

GRADUATION FRIDAY

Chitwood, Wilbanks Share L.H.S. Honors

Richard Dee Chitwood and Paul E. Wilbanks have been named top students scholastically in the Lazbuddie High School senior class.

Richard, son of Mr. and Mrs. E. D. Chitwood, is the valedictorian with a grade average for four years of 91.91. Paul, son of Mr. and Mrs. Fred Wilbanks, is salutatorian with a 91.2 average.

Commencement exercises are Friday, May 18, in the high school auditorium, beginning at 8 p.m. Dr. J. P. Dale, Primitive Baptist Church minister of Dallas, will give the commencement address.

John Agee will give the class history and Don Smith will present the class prophecy. Processional and recessional will be played by Marsella Mayfield.

Principal W. P. Morgan will present awards, and diplomas be presented by J. B. Jennings, president of the Board of Education.

A total of 17 seniors will receive their degrees.

M'shoe Weather Setting Records For the Month

May is the month for breaking weather records in Muleshoe. The thermometer climbed to 100 degrees on Saturday of last week to break the record high of 93 degrees in May of 1938. The average high for this time of year is 81.7 degrees.

On May 1, temperatures went to a low of 32 degrees which is a record low reading for the month of May, the average being 50 degrees.

It's been an exciting week weatherwise, not only with records being broken, but with turbulent winds and tornado warnings out for the Muleshoe area. Local folks were seen to have one eye on the sky and the other on the storm cellar nearly all week long.

The many weather warnings finally resulted in precipitation on Wednesday, along with some hail.

Official temperatures for the week according to the records of R. J. Klump are as follows:

	H	L
Thursday, May 10	96	60
Friday, May 11	99	59
Saturday, May 12	100	60
Sunday, May 13	97	66
Monday, May 14	93	61
Tuesday, May 15	90	61
Wednesday, May 16	84	62

COMMENCEMENT TIME

83 Seniors To Graduate In MHS Exercises Friday

Graduation exercises for the 1962 senior class at Muleshoe High School will be held at 8 p.m. at the high school auditorium.

A total of 83 seniors will receive their degrees, according to H. W. Callan, high school principal.

A talk by Miss Helene Bekaert, exchange student from Belgium, will be a highlight of the ceremonies.

Valedictory address will be given by Ronda Johnson, who was the top-ranking senior with a 93.13 average. She is the daughter of Mr. and Mrs. Randy Johnson.

The salutatory address will be made by Juanita St. Clair, who was runner-up to Miss Johnson with a 92.25 average. She is the daughter of Mr. and Mrs. J. W. St. Clair.

Callan will present awards and scholarships to members of the class. Diplomas will be given out by Ralph Douglas, chairman of the School Board, Superintendent of Schools Neal Dillman, and Callan.

The invocation will be by Rev. Don Murray of the First Baptist Church, and the benediction by Rev. Tommy Gleaton, pastor of the Progress Methodist Church.

Processional and recessional will be played by Miss Susan Birdsong.

Stacey Lackey is president of the 1962 senior class. Other officers include Travis Bessire, vice-president; Julia Hollis, secretary; Jerry Howard, treasurer; Bill

Gilbreath, parliamentarian; Lynn Lenau, reporter; and Sandra Harris, student council representative.

Sponsors of the class are Bill Taylor, Kerry Moore and Jessie Stovall.

ADAMS, EDWARDS

Top Students Told At M'shoe Jr. High

Joe Adams and Gary Edwards were named the two highest ranking students at Muleshoe Junior High School last Friday at the school's award assembly. Principal R. E. Everett was in charge of the presentations.

Joe is the son of Mr. and Mrs. J. K. Adams and has maintained an average of 97.75 for his two years in junior high. He also won a special science award at the assembly and received honorable mention in several subjects. Joe is active in the school's athletic program and in other school activities.

Gary, as the second highest ranking student, holds a 95.5 average for the two year period. He is the son of Mr. and Mrs. Horace Edwards. Gary also received an award in reading at the assembly. He, too, is active in school athletics.

Forty other students of the seventh and eighth grades received honor certificates for maintaining an average of 90 or above for the entire nine months.

Eighth grade honor students were: Judy Burge, Sandra Garlington, Morris Lewis, Charles Murray, Carolla Bass, Sonja Bass, Judy Elliott, Ellen English, Jan Everett, Sandra Harris, Jan Landers, Regina Hawkins, Joe Adams, Lana Aduddell, Karen Black, Rodger Buhrman, Gary Edwards, Lawrence Green, L. T. Green, Joe Putman, Ruth Ann Duckworth and Dottie Hatch.

Seventh grade honor students were: Terry Lynn Bryant, Tommy Jones, Carol Haire, Neil Finley, Doris King, Lynn Ericson, Linda Timmons, Jeanine Wagon Wetona KinCannon, Kathy Baker, Lavoy Thompson, Debbie Bryant, Ransom Jones, Pat Malone, Donna Heard, Sherri Turner, Carolyn Tiller, Colleen Sanders, Diage Avery and Renee Howell.

Farmers May Plant Sesame On Diverted Land, Law Says

A special bill allowing farmers to collect part payment for retiring feed grain or wheat land planted to sesame and several non-surplus crops in 1962 has been approved without objection by the House of Representatives and the Senate of the United States.

President Kennedy signed the bill into law on Tuesday, May 15.

This word was received by Texas Sesame Growers, Inc., of Paris and Muleshoe from Congressman Graham Purcell of Wichita Falls, who sponsored the original bill.

The approved bill is House Resolution number 11413 and it includes the minor oil seed crops, sesame, guar, safflower, castor beans, sunflower, and also flax.

Part payment rate is to be set on individual crops by the Secretary of Agriculture. The indicated rate for sesame is 50 per cent of the farmers' feed-grain or wheat conservation payment.

At the indicated 50 per cent rate for sesame, a farmer who's total conservation payment for example is \$40.00 per acre can collect \$20.00 per acre, and harvest a sesame crop too. He also remains eligible for price supports for his planted milo crop.

Congressman Graham Purcell of Wichita Falls, representing Texas' 13th Congressional District, commented "This bill is apparently beneficial to everyone and especially to the United States Treasury. It will save the Government half the cost of retiring any feed-grain or wheat land planted to these non-surplus, non-price supported crops. The legislation met with favor in Congress and the Department of Agriculture too. They realize that last year's price support and attractive acreage retirement payments from feed-grains and wheat create unfair competition for the minor oilseed crops, whose price is set in the World Market."

Congressman Purcell listed these advantages in addition to reducing the cost to taxpayers for better land will be retired if it is going to be planted to these crops thereby helping to reduce surplus stocks of wheat and feed-grain.

Second, in every community where the crops are grown, farmers' income will be increased, and farmers can continue to farm using supplies, fuel, fertiliz-

er, machinery, and all the other items supplied by local businessmen. Third, these new crops can continue to expand under this program, helping to utilize idle acreage resulting from any future acreage or production controls.

"It is a good program for everyone concerned," concluded Congressman Purcell, "and I am pleased to have sponsored the original bill."

County ASCS officers will be advised concerning the details of this new program as soon as word is received from Washington, according to the State ASCS Director Lewis David of College Station. "We know it is planting time," said David, "and we will rush any information we receive to the counties, so farmers can take advantage of the program."

Those Who Have Untested Cattle Urged to Report

The brucellosis control laboratory and crew have left Bailey County, but "winding up" process for missed cattle is still in progress.

Those people owning cattle which have not been tested are asked to call County Agent J. K. Adams' office, 3-9130 in Muleshoe, leaving their name, directions to their place, and the number of cattle.

Dr. Bob Bennett, Resident Federal Inspector from Littlefield, is to test all the remaining cattle, and will contact the owners.

As was the case for all the testing, a chute of some sort should be available to facilitate the testing.

Officials of the program emphasize the importance of covering the entire county, so it can be declared a certified brucellosis-free area.

THE MULESHOE MULES shown above with their owner, D. D. Anders, are a familiar sight around town. Anders says the mules, Jack and Pete, are the only mules in town. Pete, on the left, was used as a model and measured for the proposed mule monument in the city. (Journal photo and engraving)

Junior High Students Honored At Awards Fete

Lawrence Green and Carolina Bass were chosen as the outstanding boy and girl of Muleshoe Junior High School at an awards assembly last Friday. The selection of the two students was made by the faculty. The 1962 Mule-train will carry the pictures of the two.

Lawrence is the son of Dr. and Mrs. L. T. Green II and Carolina is the daughter of Mr. and Mrs. Harvey Bass.

Several other award winners and outstanding students were announced at this assembly, with principal R. E. Everett in charge. Bob Graves and Melvin Mackey presented athletic awards to boys and girls who lettered in football, basketball, track, managing, and volleyball.

Joe Adams received the certificate presented by the Woodmen of the World to the highest ranking history student of the eighth grade.

Individual subject awards and honorable mentions were also made. Subject awards were given to: Jan Landers and Lena Adud-dell, English; Ruth Ann Duckworth and Sandra Garlington, spelling; Carolina Bass and Gary Edwards, reading; Judy Burge-math, Jackie Kemp, Linda Moore and Lawrence Green, history; Joe Adams, science; Gereata Gardner, geography; Anna Lou Harrison, Barbara Ethridge, Joe Gonzales and Alvin Davis, good sportsmanship.

Bula Seniors Honored With Afternoon Tea

A tea was given Sunday afternoon, May 13 in the Bula school cafeteria honoring the senior.

Mr. and Mrs. G. W. Casey were host and hostess and were assisted by Mrs. Elwanda Duke and Betty Salyer.

The serving table was laid with a white cloth and centered with an arrangement of red and white carnations and white candles. A silver service completed the table setting.

THREE WAY Class Favorites Receive Honors

School favorites were honored and high spots of the school year recalled as students of Three-Way received their yearbooks for the year.

Receiving top student honors were Linda Sims and Frank Stegall who were named Miss and Mr. THS.

Similarly honored as "Most Athletic" were Jean Tyson and Virgil Thomas.

Favorites of the Senior, Junior, Sophomore and Freshmen classes were: Senior, Sandra Lemons and Oran Reeves; Junior, Shirley Cunningham and Troy Tyson; Sophomore, Ginger Carlisle and Gary Welsh; and Freshmen, Donna Furgeson and Gary Toombs.

Occasions to be remembered were the crowning of the football her and queen, Sammy Sowder and Shirley Fine, The Basketball her and queen, Sammy Sowder and Sandra Lemons.

The year book, edited by Elaine Kenley and Sandra Lemons, the assistant editor, Dorothy Tucker, business manager assisted by Kathy Pollard and Photographer David Haralson, is beautifully bound in silver with an eagle, the mascot, done in black on the cover.

The all-district football team, coached by Sam Mays carries a handsome undefeated score for the year with the exception of the last game of the year.

In bi-district, Wellman defeated them. Mays had 12 players for the year to roll this score up. He is losing 3 seniors, but gaining some good material in freshmen.

HIGH SCHOOL, 8th GRADE Three Way Slates Graduation Dates

Graduation exercises at Three Way High School will be held Friday, May 25, in the gymnasium-auditorium.

Fifteen seniors are to receive their degrees, according to James Courtney, high school principal. The program will begin at 8 p.m.

Elaine Kenley is the class valedictorian, with a 94.50 average. She is the daughter of Mr. and Mrs. Gene Kenley of Goodland.

The other seniors are James Capps, Dewaine Clay, David Haralson, Wayne Harris, Joe Herrera, Sandra Lemons, Ferris Locke, Kathy Pollard, Oran Reeves, Nelda Reynolds, Barbara Masten Warren and Loyd Warren.

Dr. Ira C. Ihde, history professor at Eastern New Mexico University since 1943, will be the speaker.

Baccalaureate services are scheduled Wednesday, May 23, at 8 p.m. Byron Hardgrove, an instructor at Muleshoe High School, former pastor at the Three Way Baptist Church, will be the speaker.

The Three Way eighth grade graduation will be held Thursday, Williams of Muleshoe will be the speaker, said Albert Adams, grade school principal. A total of 16 students will graduate to high school.

Valedictorian is Johnny Harris, son of Mr. and Mrs. C. R. Harris, Goodland. Salutatorian is Doyleen Davis, daughter of Mr. and Mrs. Devle Davis, Goodland, and third-ranking student is Madalyn Galt, daughter of Mr. and Mrs. Tommy Galt, Goodland.

Rainbow Girls Set Kidnap Breakfast

Muleshoe Rainbow girls will stage a kidnap breakfast, Saturday, May 26, beginning at approximately 6 a.m. The girls will call on citizens of the town to take them to Masonic Hall for coffee and donuts. The breakfast will be given on contribution basis and the proceeds will be used to send Rainbow Girls to the Grand Assembly which will be held in Austin.

The Rainbows will continue to serve during the morning and businessmen and women are urged to come to Masonic Hall during their coffee breaks.

Grade School Banquet Held In Silver Grill

Lazbuddie 8 grade banquet was held at the Silver Grill in Clovis Saturday evening, May 12. Master of Ceremonies was Sammie Harlin. The invocation was given by Fred Willbanks, Lazbuddie grade school principal. The welcome was given by Bobby Morris and the class prophecy was read by Mack Holt.

Sammy Harlin introduced the guest speaker, Mario Mendizabal of Clovis, exchange student from Bolivia.

The group sang, "My Best To You." The class motto was "The Key of Success." The colors of lavender and white carried out the banquet room decorations. Large keys of styrofoam entwined with lovely lavender and white flowers graced the banquet tables. The menu written and tied as diplomas and place cards as keys with each student's picture, was at each plate.

The students enjoyed the evening and expressed the highlight of the evening was the address given by Mario Mendizabal.

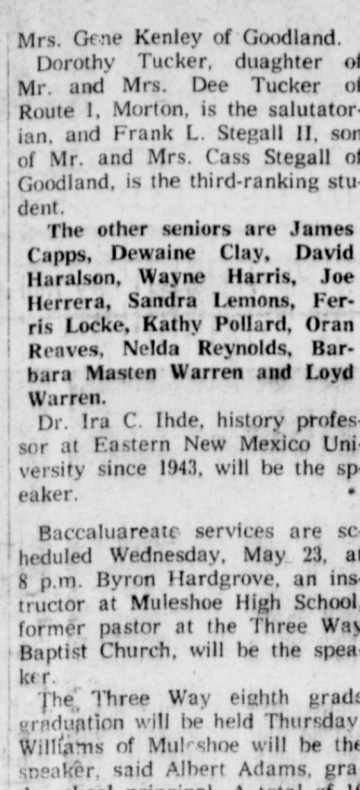

School Clubs Present Orientation Program

On Friday, May 11, the Future Teachers of America and the Student Council sponsored an eighth grade orientation program to explain the procedure of high school.

Several teachers explained the subjects they will be taking and club presidents explained their club activities and benefits.

Principal H. W. Callan made a short talk regarding school spirit. Refreshments were served in the school lounge.

IT'S A WOMAN'S WORLD. — Among the things that blossom forth in the Spring are the fads and foibles of youth. In the case of these three youths . . . Jerry Harrison, Archie Evans, Ronnie Heard . . . Spring has gone to their heads. The three high school youngsters created quite a lot of campus amusement last week by having their crew cuts bleached to a "Buttercup Blonde" in one of Muleshoe's newest beauty salons.

Ring Vows Repeated By Geraldine Cooper and Larry Wade Lumpkin

Geraldine Cooper became the bride of Larry Wade Lumpkin in a double ring ceremony read in the Longview Baptist Church at 1 o'clock in the evening on May 4.

The Rev. Bobby Lacey read the vows before an archway of greenery entwined with gladiolas. Wedding bells depended from the center of the arch which was flanked by candelabra holding white tapers.

The bride is the daughter of Mr. and Mrs. U. S. Cooper. Parents of the groom are Mr. and Mrs. V. R. Lumpkin.

Given in marriage by her father, the bride wore a street length dress of white eyelet embroidery complimented with all-white accessories. Her bridal bouquet of white carnations centered with an orchid was carried atop a white Bible. The Bible was given to the bride by her niece and nephew, Mark and Leah Witcher of Waco. She carried a handkerchief belonging to her maternal grandmother, Mrs. Bennie McAlister of Plainview.

Matron of honor was Mrs. Ginger Witcher of Waco, sister of the bride and Glennas Lowe of Muleshoe was bridesmaid. They were attired in matching sheath dresses designed in sheaths tye and carried old fashioned bouquets of carnations. Traditional wedding music was played by Julia Hollis.

Pete Wishert served as best man and Ken Williams of Earth cousin of the groom, was groomsman. Jerry Lumpkin, brother of the groom, was candle-lighter and Johnny Actkinson of Farwell, cousin of the groom, was the usher.

A reception followed the ceremony in the Longview Baptist Church. Out of town guests present were Mr. and Mrs. Tom McAlister and children and Mrs. Percy Ivy and children of Farwell; Mrs. L. D. Stanford and Ceal Stanford, Earth and Mr. and Mrs. Jasper Pruitt of El Paso.

For a wedding trip to Carlsbad, New Mexico the bride chose a beige tailored dress with matching accessories.

They will graduate from Muleshoe High School this year where the new Mrs. Lumpkin was active in the Future Homemakers of America, Future Teachers of America, the Choir Club, Speech Club and the Spirit Club.

The couple will reside in the Longview community where Mr. Lumpkin is engaged in farming.

SPECIAL GUESTS Friendship Class Stage Parade

The Friendship Sunday School Class of the First Baptist Church entertained the Ladies past seventy with a party in the dining room of the church, Friday at 2:30 o'clock.

The entertaining room was beautifully decorated with spring flowers. Purple iris in crystal vases decorated the serving table where each guest was seated as they entered. Miniature hats were placed at each plate as favors.

Mrs. Blanche Johnson and Mrs. Mary Childers registered the guests. Mrs. Tye Young escorted each guest to their place at the table.

Mrs. Ray Griffiths gave the welcome address.

A short program followed with "Hats" as the theme. Carolyn Hicks sang "Where Did You Get That Hat" accompanied at the piano by Inez Kennedy.

Mrs. Mildred Andrews gave a reading with Mrs. Audie King modeling hats for various occasions. Then the members of the class entertained the group with a parade of hats.

Five awards were given: the first to Mrs. Goodman for having come the farthest distance to the party. Mrs. C. M. Black received the award for having the most children. The third award was given to Mrs. Jennie Panter for being a resident of Muleshoe the longest period of time.

Mrs. Eada B. Daniels received the fourth award for being the oldest one present and Mrs. I. W. Honey received the oldest hat. This hat was the one she bought for her 50th Wedding Anniversary 13 years ago.

Refreshments of small sandwiches and strawberry punch were served by Mrs. Lou Precure, Nita Griffiths and Sammie Moore.

Twenty-nine ladies past seventy registered—also two special guests, Gil Lamb and Rev. Don Murray.

Linda Hill-Dawson Set June Wedding

Mr. and Mrs. Eddie Gates are announcing the marriage of their foster daughter, Linda Maxine Hill, to Jerry Glenn Dawson, son of Mr. and Mrs. J. U. Dawson.

The ceremony will be read on the first day of June at seven o'clock in the evening at the First Methodist Church in Spearman.

Allen Berrys Proud Parents of Baby Son

Mr. and Mrs. Allen Berry of San Antonio are proud parents of a son, Jimmy Dean, born last Thursday at 8:50 p.m. in the Littlefield Hospital.

Mr. and Mrs. Tom Berry of Muleshoe are the paternal grandparents and Mrs. Bessie Jackson of Littlefield the maternal grandparent of the 7 pound 8 ounce second grandson. The maternal great-grandmother is Mrs. J. E. Perkins of Muleshoe.

Jimmy's older brother is two and one-half year old Bob.

Tresha Fay Jones And Wayne Raney Exchanged Vows In Friona Church

Tresha Fay Jones became the bride of William Wayne Raney in a single ring ceremony read in the Calvary Baptist Church in Friona by Rev. Wylie, the pastor.

Parents of the couple are Mr. and Mrs. Jack Jones of Hub and Mr. and Mrs. Edd Edmiston of Muleshoe.

Mrs. Ronnie Payne was Matron of Honor and Ronnie Payne served as best man.

The bride wore a dress of light blue satin and her bridal bouquet was of white feathered carnations.

For the wedding, Mrs. Jones was attired in a dress of blue with white accessories. She wore a corsage of red roses. Mrs. Edmiston chose a dress of blue with white accessories and a pink rose corsage.

A reception followed the ceremony in the home of the bride's

parents in Hub.

The bride's table was covered with a lace cloth over blue and centered with two wedding cakes each topped with miniature bride and groom. One cake was baked by Mrs. George Raney, aunt of the groom and Mrs. Pauline Nelson, close friend of the bride, baked the other.

Assisting with the hostess hospitalities were Mmes. John Rogers, Mrs. Pauline Nelson, Grandmother Jones and Mrs. Royce Humes.

For the wedding trip to N.M. the bride chose a black dress with white eyelet embroidery trim, she wore white accessories and a white corsage.

The couple are at home at 122 West 6th in Muleshoe. The groom is employed at the Muleshoe Shamrock Service Station.

Dance Recital To Be Held on May 24

Dancing students of Mrs. Billie Joan Aucutt will be presented in a recital at 8 p.m. on May 24 in the Muleshoe High School Auditorium.

Eighteen local students will be featured in groups. The younger set will do a number entitled, "Sailor's Ballet." Other dance groups will do rumbas, military and free style dances.

A tap dance solo will feature Debbie Wagnon, daughter of Mr. and Mrs. J. Pat Wagnon.

Mrs. Aucutt of the Aucutt Dance Studio of Clovis has been teaching the Muleshoe students since last October.

A number of the Clovis students will also present special numbers during the program.

Double Ring Ceremony Unites Miss Bernice Clark - Hal Arnold Bynum

Bernice Clark became the bride of Hal Arnold Bynum Thursday, May 10 at the North Side Church of Christ in Muleshoe. Frank Duckworth was officiating clergyman for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Roy Raymond Clark of 106 West Avenue E. in Muleshoe. Bynum is the son of Mr. and Mrs. B. R. Williams of Eden.

The church was decorated in the bride's chosen colors of pink and white. Candelabra and bouquets of pink miniature orchids arranged in crystal bowls sat on white columns.

The bride wore a white gown of lace and marquette featuring a square neckline with scalloped lace embroidered with sequins. The dress had a fitted bodice with a very full skirt. She wore an antique cameo necklace belonging to Mrs. J. L. Hinson of Springlake, and a traditional blue garter. She carried a bouquet of pink roses and white carnations atop a white Bible. The Bible is one belonging to Mrs. Charles Packard of Hereford and has been carried by two other Clark girls and a sister-in-law in their weddings.

Francis Bessire served the bride as her Maid of Honor and Glenda Dearman was bridesmaid. Junior bridesmaid was Charlotte Packard of Hereford, niece of the bride. Candelighters were Gay and Cheri Packard also of Hereford, nieces of the bride. Another niece, Sandra Stallings of Lubbock, served as flower girl. The girls wore sheer pink dresses with full skirts and carried long stemmed pink roses.

Dabney Blaylock served the groom as best man and Freddie Savage and Glen Clark, brother of the bride, were groomsmen. Charles Hamilton and Lee Pearson were ushers. Ringbearer was Eddie Stallings, nephew of the bride, from Lubbock.

Soloists were Yvonne Hendon and Sue Phipps.

A reception was given the couple at the bride's home. Members of the houseparty were Miss Mary Sowder, Needmore; Mrs. James Roy Jones; Mrs. Ralph Packard, Hereford; Mrs. Jimmie Stallings, Lubbock. The reception table was decorated in lace over pink satin with crystal dishes and candleholders. Pink and white roses, carried out the bride's colors, throughout the house.

For the wedding trip to Ruidoso the bride chose a beige sheath dress with blue accessories and a corsage of roses.

The new Mrs. Bynum is employed by Western Drug and the groom works at Chapman Supply, Muleshoe.

Letters TO THE EDITOR

Dear Sir:

This is an open letter to the voters of box 6 Lamb County Texas and other interested parties.

Your duly elected delegates to the County Democratic convention, held May 12, 1962, at Littlefield, Texas, report to you that as was expected, the entire procedure of this convention was signed and, the business was all out and dried far in advance of his convention. Your voices were not heard, your wishes were denied. Your resolutions were ignored and discarded as being controversial. You had the same kind of voice in the convention as you would have expected to get in countries behind the iron curtain.

After the very short and rigged session of this convention, your delegates attended and were welcomed at the Lamb County Republican convention (as spectators). Here we witnessed a truly democratic convention opened by a prayer, asking the Divine guidance of the Almighty God in the conduct of their convention.

In this convention, all voices were heard, all business was conducted in the open and consideration was given to all who wished to be heard. The resolutions indicated no fear of controversy and were drawn and presented in a manner which indicated they were for the best interests of the nation as a whole. In these resolutions the man was put before the party, God and Country was the prime consideration.

Witnessing your truly representative convention inspired me. Delegates to the Lamb County Republican Convention, may I commend you for the dignified business-like manner in which your convention was conducted and the truly representative attitude to all concerned. May the Lord give you the strength and wisdom to do what is right for God and Country.

John W. West

INTERSTATE HIGHWAYS IN PIONEER DAYS

LOUISVILLE, (AP) — Kentucky's first interstate highway, historic Wilderness Road — was under construction prior to the Revolutionary War. One of its engineers was Daniel Boone who cut part of the road from Cumberland Gap to Boonesboro, Ky., in 1775.

Historians say the road began in West Virginia and wound through the Shenandoah Valley of Virginia. Parts of the road extended into Tennessee and North Carolina.

In Kentucky, the road forked with one path going to Boonesboro and the other leading to Harrodsburg and Louisville. Much of the road in Central Kentucky at one time had been a buffalo path leading to feeding grounds along the Ohio River.

New Food Tips

NEW IN THE FOOD MARKET
Want to know what's brand new on the food market?

Here is some information on new foods by Mrs. Gwendolyn Clyatt, Extension Service food marketing specialist with Texas A&M College, that may prove helpful.

In the USDA Utilization Laboratories, located in four regions of the country, scientists are working on sweet potato flakes, a bar-boiled wheat product call "bulgar", a bean powder that does away with soaking and boiling, whole egg powder, vegetable chips and dried honey!

Already on the market, though sold mainly to outdoors men and institutional users, are freeze-dried foods—foods that have been dehydrated under vacuum while frozen. These foods can be kept without refrigeration for long periods of time and when reconstituted, are just as good as in the beginning.

Dehydro-frozen, another new food form, offers considerable savings in marketing costs and a big saving in freezer space, since it is about 50 percent of its original weight and bulk.

To use dehydrofrozen foods, simply add water, thaw and cook. They taste much the same as other frozen foods.

PAT WAGNON'S HOSTS MOTHER'S DAY DINNER

Mr. and Mrs. J. Pat Waggon and Debbie entertained in their home Sunday with a Mother's Day dinner. Guests were Mr. and Mrs. B. H. Waggon, Rhonda and Jeanine; B. H. Waggon, Texas Tech Student; Mr. and Mrs. Billy Wayne Waggon, Lubbock; and Mr. and Mrs. T. R. White and Clifford.

PART-TIME RELIGION

Chamber Works According To Year's Program of Work

(Editor's note: In this the final article in a series defining the role of the Chamber of Commerce in Civic Affairs, the Chamber's annual program of work is detailed.)

At the beginning of each calendar year, your Chamber of Commerce has a Program of Work already prepared by a special committee, and this program is the guideline for most of the activity of the Chamber during that year, and oftentimes in part, for several years to come. The program of work attempts to touch on all fields of interest for the community, and is based on what are felt to be the primary needs of the community. Often times however, new problems arise which are encompassed into the program which is left flexible for just such an occasion.

The 1962 program of work for your Muleshoe Chamber of Commerce begins with the section devoted to an improved business climate, and states that the Chamber will make a comprehensive business to compete favorably and at a profit with out of town and out of state competition.

ASSISTS INDUSTRY

The next section states that an active program will be set up to assist local industry with emphasis on zoning, and ground work in this area has been done. Also, the program states that the Chamber will work to improve and maintain a sound business climate and an awareness of the value of agriculture-based industry. The latter is the thorniest problem ever to face and relatively small community, and is

one for which there is no pat answer.

In the field of retail activity the program promises to work to strengthen the desirability of shopping in Muleshoe among residents of the trade area; to establish a promotion program (such as Auction Dollar Days) to attract broader retail participation; and to voice the retailers point of view in city, county and state affairs; and finally to undertake a training program for sales personnel in customer relations. The latter will be held here in October.

In industrial development, the program sets out an accelerated program of industrial and full efforts of the Chamber toward securing an agriculture-based industry for Muleshoe in 1962.

Under tourist promotion, the program outlines a plan to encourage more tourist stops, more cooperation with national tourist organizations, and the continuation of our tourist information services.

AGRI-BUSINESS

In Agri-Business, the Chamber plans to develop an appreciation for the economic importance of agriculture to business, through farm dinners, an educational program and cooperation with area farm organizations. The program goes on to outline plans for legislative education and participation in items that affect business and agriculture; sponsoring of American Heritage programs in the schools, working city and county organizations on such matters as city parks, improved jail conditions and related matters.

FARM-CITY RELATIONS
The Chamber is undertaking to provide closer relations between the business man on the street and on the farm. Also the Chamber works constantly to control unauthorized solicitation of local residents by unscrupulous peddlers and fly-by-night promoters.

Under the heading of education, the program touches on providing recognition for scholastic ability to area students, and helping institute the Distributive Education program in Muleshoe schools.

Other items on the program include continuation of the Chamber's sponsoring Fire Prevention Week, the Fourth of July celebration and the annual Christmas program.

CHILDREN RECEIVE HOLY COMMUNION

Thirty-one children received their first Holy Communion on Mother's Day, May 13, in the Immaculate Conception Catholic Church here in Muleshoe. Those receiving were Alfredo Noe Anzaldua, Guadalupe Acevedo, Pedro Acevedo, Margarita De La Corda, Maria Luisa de La Corda, Paul De La Corda, Annie Josephine Chavez, Estela Cortez, Juanita Cortez, Raul Cortez, David Lynn Dearing, David Frederick Espinosa, Michael Henry Grusendorf, Yolanda Guerra, Rose Mary Hernandez, David Mestas, Juan Orozco, Maria de Josua Orozco, Rosalinda Ovalle, Francesca Padilla, Jose Padilla, Frederico Porras, Maria Porras Carlos Reyes, Paula Rodriguez, Ambrosio Rojas, Rosalinda Rojas Ernestine Servantes, Guadalupe Servantes, Maria Servantes and Richard Jay Watts.

West Presented Award Certificate

Eugene West, son of Theron and Letha West of 909 Fig Street, Muleshoe, was presented a certificate of award for scholastic achievements qualifying for the Dean's Honor List recently. The award, given only to those students who have maintained a grade average of 2.0 or better, was given at the annual banquet of the American Society of Agricultural Engineers. Gene, a 1957 graduate of Muleshoe High School, has been selected to attend Officers' Training School in the United States Air Force, from which he will be awarded the rank of Second Lieutenant.

VICTOR COX, Muleshoe rancher who spent 15 years in Hollywood, strikes a "whittlin' pose" in front of the cage housing his two mountain lions. (Journal photo and engr.)

WAS IN HOLLYWOOD 15 YEARS

Muleshoe Rancher Receives Another Shot At Movie Work

Victor Cox, who owns a strip of land east of Muleshoe called the "Muleshoe Hoss Ranch," will have a chance to get back in moving picture work with the movie "Had," which is scheduled to be filmed in and around Claude soon.

Cox, a Hollywood veteran of 15 years, recently signed an agent's contract with Paramount Pictures, and plans to take part in the movie, if they have a part for him.

The movie would then have more than one tie-in with Muleshoe. It is taken from the novel "Horseman, Pass By," written by Larry McMurtry, who is a nephew of Muleshoe rancher Johnny McMurtry.

During his stay in Hollywood, Cox appeared in many movies, as a member of the "Riding Actors Association."

Cox, who still breeds and raises horses, owned his own horses while in Hollywood, and trained "falling horses" for special scenes in Westerns.

He appeared in many such scenes, and received \$250 per "fall," and a \$100 bonus when he made the horse roll over him.

He recalled one scene where he made it look too realistic. "Why, our man was supposed to get up afterwards," the producer told him. "You made it look like he was killed."

Cox walks with a slight limp today, and it doesn't take much of a stretch of the imagination to see that it was derived from this occupation.

Being the "stunt man" or standing for the stars didn't bring him personal fame, however. "We didn't ever get our names in the movies, but that didn't matter," said Cox. "We were always called on when there was to be a parade, or anything that required horses."

Cox says he worked with most of the "name" stars in Hollywood, with westerns, horror shows—"Everything but a skating picture."

COL. HERSCHEL ALSUP

Former Muleshoe Resident Retires From U.S. Army

Col. E. Herschel Alsup retired from the Army at William Beaumont General Hospital at El Paso on a physical disability discharge after more than 21 years active service. He is the son of Mr. and Mrs. John L. Alsup of 122 West Ave. E in Muleshoe. He is a graduate of Muleshoe High School and he attended Tarleton College at Stephenville. He graduated from the hospital Administrator's Course at Baylor University in 1952.

His first duty in this new branch was at Ashford Army Hospital in White Sulphur Springs, West Vir-

ginia. He also has served at the U.S. Army Hospital in Wurtzburgh, Germany, Madigan General Hospital at Tacoma, Wash., and Tripler Army Hospital in Hawaii. He served as executive officer at each of the latter three assignments. At Beaumont Hospital, he has been liaison executive officer of the 395th Evacuation Hospital. Colonel Alsup's decorations include the Purple Heart, Army Commendation (With one cluster awarded for work at Beaumont Hospital) and a certificate of Appreciation from the Army's Chief of Staff, General George H. Decker, praising him for his 21 years' service.

At his retirement ceremony he received also a Letter of Commendation from Col. Ralph A. Elliott, commander of the 395th Evacuation Hospital. It was endorsed by Brig. Gen. James B. Stapleton, Beaumont commander.

Colonel and Mrs. Alsup and their son, John A., 13, plan to make their home in Abilene.

BY HEALTH COMMISSION

Rules Given To Keep County Bangs Rating

Following is a set of rules received from the Texas Animal Health Commission, which governs the removal of cattle from livestock markets in counties which have been certified brucellosis-free, or which are in the process of certification.

(The bangs testing program has been completed in Bailey County, scheduled to wind up Monday, May 14.) R. G. Garrett, executive secretary of the Texas Animal Health Commission, says the rules are very important to livestock owners in the county, as failure to comply with them could jeopardize the brucellosis status of the county.

"The rules are necessary to prevent Bailey County from being re-infected as a result of infected livestock moving through the livestock markets," he said. Requirements governing removal of cattle from livestock markets:

1.—Cattle—except steers, spayed heifers, calves under 6 months of age and official brucellosis vaccinates under 30 months of age—leaving this market to premises in any county in which Type II Brucellosis Work is being conducted or has been completed, will have to comply with the following:

a.—Cattle originating in a Modified Certified Brucellosis County or Certified Brucellosis Free Herds and accompanied by a health certificate, when kept separate and apart from other cattle in clean pens used for that purpose ONLY, can move without further tests.

b.—Cattle from other than the Modified Certified Counties accompanied by official health certificate showing negative to brucellosis test within 30 days, kept separate and apart from other cattle in clean pens used for that purpose ONLY, can be moved directly to owners premises, under quarantine, retested in not less than 30 nor more than 60 days, and, if negative, released.

c.—Cattle that don't comply with Paragraph a or b must be negative to a brucellosis test before leaving the livestock market. They can then be moved to owners premises, under quarantine, retested at his expense in not less than 30 nor more than 60 days, and, if negative, released.

2.—In the event laboratory facilities are not available in the town where the livestock market is located, the livestock market will be required to furnish space and install necessary brucellosis testing equipment required under regulations of the Texas Animal Health Commission. 3.—The veterinarian, before conducting and certifying to results of brucellosis tests at the livestock market, shall be specifically approved to conduct such tests.

DEBRA ADAMS

Bula Youngster Has Heart Surgery

Debra Kay Adams, five-year-old daughter of Mr. and Mrs. Bob Adams of Bula, is doing nicely in a Dallas hospital, following a delicate heart operation performed recently to correct a congenital birth defect.

Debra Kay was born with a separation between the lower portions of her heart, which results in "pulmonary hypertension," and the use of four times the normal amount of blood.

To enable Debra Kay to live a normal life, the surgery was necessary. The operation was performed Thursday, May 3 in Dallas. Mr. Adams returned home this week, and reports that the operation was successful although Debra's heart is still pumping too much blood. Doctors are giving her medicine to try to get her heart on the right "frequency."

She will be hospitalized until the correction has been accomplished. Doctors say it could come "at any minute."

At last report, she was doing well, eating good, and talking and laughing. She was enjoying watching television in her room.

Debra Kay was honored with a gift shower in Bula prior to her operation. She received many beautiful gifts, as well as some money.

Grandparents are Mr. and Mrs. W. R. Adams of Bula and Mr. and Mrs. Perry Fort of Maple.

Today's Meditation

A man once interviewed three men who were working as brick layers.

To the first he inquired, "what are you doing?" He replied, "I am laying brick."

To the second he made the same inquiry and received this answer, "I am laying brick for \$20.00 per day."

To the third he made the same inquiry as he had made to the other two and received this answer, "I am building a temple."

Some people work because it is simply a job to make a living. Others work because of financial remuneration. Still others work because they fit their making a living into the making of a life.

Paul asserts that, "We are fellow workmen for God" (I Corinthians 3:9). Paul was a tent maker by trade, but he was chiefly a Christian. He mixed this living with the making of a life. Tent making paid the fare, but as a Christian he was making a life. He knew that making a living was temporary, but the making of a life was permanent.

When the last brick is laid, the last article sold, the last letter written and the last word spoken, what kind of building have you been making in Heaven? May God say, "Well done good and faithful servant . . . enter into the joy of your Master".

PREPARING A DEMONSTRATION of the J. G. Arnn farm are John Thomas of the Extension Service, County Agent J. K. Adams, and Mr. Arnn. The demonstration involves planting Di-Syston, insect poison, with the cotton seeds, so that the plant would become immune to insects at germination time. (Journal photo and engraving)

ARNN, ST. CLAIR

Muleshoe Farmers Plant Test Plots

J. G. Arnn, in cooperation with the Texas Extension Service, planted a cotton test plot last week, using Di-Syston, a type of insect poison which is absorbed by the plant at germination.

The Di-Syston method causes the plant to become poisonous to thrips when they attempt to feed on the plant.

The poisonous benefits last for several weeks after the cotton emerges, but the formula doesn't seem to have much effect on fleahoppers.

In the Arnn test plot, 16 rows were planted treated with Di-Syston, eight rows skipped, and 16 more treated rows planted.

Arnn, who resides 1 1/2 miles north of Muleshoe, will likely spray the remainder of his crops with a ground rig, with no spraying in the general vicinity of the demonstration.

Arnn, along with County Agent J. K. Adams, plans to compare yields in the fall, and see if it can be determined if it is better to use poison at planting, or spray the plants later.

Another demonstration was started on the Bill St. Clair farm Tuesday. A cotton plot was planted using trace elements of iron and zinc in soil known to be high in lime.

The trace elements were placed at varying rates, with a check area left with neither fertilizer or trace elements.

"We'll see if the cotton really needs the iron," said Adams. It was found last year on the Cecil Mardis farm that by spraying iron on grain sorghum, the yield was raised 683 pounds per acre.

The test was an "all-station" type of test, with the Experiment Station and Extension Service cooperating with the farmer.

The Experiment Stations from Amarillo and Lubbock had men and equipment aiding with the test plot.

Durwood White, president of the Junior class, gave the welcome and J. A. Wingo, president of the Senior class, gave the response. Joe Bellar gave the invocation. Others having parts on the program were Jimmie Savage, Carol Ann Watkins, Don Ham, Kay Austin gave the Senior class prophecy and Gene Dykes gave the Will. Mike Masten led the benediction.

Presenting a musical program was a trio from Lubbock including a former Sudan resident, Smokey Savage, and Larry Hendricks, Mike Bartlett.

Serving the meal were a number from the Sophomore class wearing Hawaiian costumes.

Those serving were Kandy Miller, Dyanne Curry, Candace Mudgett, Sharon Walser, Kathy Barnett, Tommy Thompson, Pat Brown, Danny Allen, and Jimmy Blair.

Members of the Senior class include Kay Austin, Zelma Ann Conley, Gene Dykes, Jan Fisher, Jimmy Ford, W. B. Gwyn, Doris Holt, Randy Humphreys, Sue Lynch, Damon May, Karen May, Raymond May, Dale Masten, Gale Masten, Lonnie Narramore, Minerva Padilla, Erlene Parrott, J. A. Wingo and Anita Kay Whitmore.

Mr. and Mrs. B. A. Dalton returned Saturday from Port Ladera, California, near San Francisco, where they visited for a week with their daughter and family, the Dewayne Burkheads.

League Completes Competition Play

Ladies Travel League completed league competition at Farwell on May 5.

AA Bowl received first place by having 40 wins against Tri-Co Bowl's 38 1/2 winning the second place spot.

Team members were Viola Daves, Ada Murrah, Melba Phillips, Lucille Cherry and Helen Moore.

Third place went to Weidebush and Childers team composed of Elsie Patterson, Mildred Howell, Argie Millen, Tommie Sanders and Midge Clements.

Individual trophies were presented to all players in the league. President for the league was Elsie Hardage and Chris Ivy was secretary.

Supper was served to the group in the dining hall following the close of play.

Requirements For Air Force Due To Change

Announcement was made today by Sgt. Joe E. Griffith, local Air Force Recruiter, that effective June 1, the educational requirements for enlistments in the United States Air Force will be high school graduate or above.

At present and throughout this month there are no educational requirements for enlistment.

Those desiring enlistment in the Air Force that are not high school graduates should contact the Air Force Recruiter for enlistment in May.

It was also announced that high school seniors contemplating enlistment after graduation should make application now to insure that a vacancy will be available when they desire to enlist.

The Air Force Recruiter can be contacted at the Chamber of Commerce Office in Littlefield, each Wednesday from 10 a.m. to 2 p.m. or by calling or writing the Air Force Recruiting Office, 1006 13th Street, Lubbock, Texas. Telephone PO 2-3359.

Sudan Junior-Senior Banquet Held Saturday

Palm trees, a grass hut and pineapple were highlights for the decorations for the Sudan annual Junior and Senior banquet held Saturday May 5, in the school cafeteria when members of the Junior class were hosts to members of the Senior class.

"Hawaii" was the theme for the annual event attended by approximately eighty people.

Centerpieces of pineapple, candles and flowers were used for the banquet tables and favors were small guitars.

Durwood White, president of the Junior class, gave the welcome and J. A. Wingo, president of the Senior class, gave the response. Joe Bellar gave the invocation.
