DAY OF THE DRONE . . .

IT WASN'T QUITE the Starship Enterprise, but an unusual drone hovering over the rooftops in downtown Tahoka Tuesday afternoon got lots of attention from passersby. The speedy little miniature aircraft was remotely controlled by Tim Adams, owner of Adams Roof Tech, a roofing company, who says he uses the GPS-enabled quadcopter drone to inspect commercial roofs.

Adams was in Tahoka shooting an aerial "drone" video Tuesday around 2-4 p.m., to show Tahoka from above like can't be seen on Google Earth, along with some prominent buildings in Tahoka. He plans to upload the video to YouTube for citizens to watch, but as of press time Tuesday the video link was not yet available. Check the Lynn County News facebook page for a link, or watch next week's edition of *The News* for a copy of the link.

Drones are unmanned aerial vehicles (UAV), commonly known as a drone and also referred to as an unpowered aerial vehicle and a remotely piloted aircraft (RPA).

Adams says his drone can fly up to 1500 feet, and is navigated through GPS links with eight satellite systems, with a small digital camera attached in a gimbal system that stabilizes the camera at all times. He monitors the video footage through an integrated mobile phone system.

"It's an invaluable tool that allows me to see the condition of a roof before we even get up there for a manual inspection," Adams told *The News*. "And I haven't crashed this one yet, either," he added with a grin, noting that he is a pilot of actual aircraft as well.

SUPPORTING OUR Community.

County residents gear up to support LCHD benefit auction here Saturday evening

All area residents are invited to the 35th Annual Lynn County Hospital District auction and meal this Saturday, April 25, from 5:30-8:00 p.m. at the Lynn County Show Barn on South 9th Street in Tahoka. The annual fundraising event for the hospital, sponsored by Tahoka Rotary Club, is known as the Billy Tomlinson Memorial Hospital Benefit Auction.

Traditionally, people from the community and this area are generous supporters of the annual event, in donating items as well as in bidding at the auction, and hospital officials express gratitude for the community's support.

This year, all proceeds from the event will go towards purchasing a new ambulance for the LCHD EMS, which serves all of Lynn County.

There is still time to donate an item for the auction, and all donations are much appreciated. Items may be brought to the hospital, or call the hospital at 998-4533 ext. 293 or any Rotary Club member to pick up the item.

Admission to the event is free, but a \$1 donation will buy a door prize ticket to be eligible for door prizes. Raffle tickets will also be available, offer-

ing a chance to win one of four prizes, including two \$250 Visa gift cards, a \$100 Thriftway gift card, or a \$125 gift certificate for gasoline from Witt Butane.

The Silent Auction tables, featuring items to be purchased by handwritten bids, will be conducted from 5:30 until 7:30 p.m.

Members of the Tahoka Volunteer Fire Department will be cooking up their popular fish fry, with the meal including the famous fried potatoes/onions, to help raise funds for the new ambulance. The meal will be served beginning at approximately 5:30 p.m., at a cost of \$6 per plate. Hospital staff and directors will serve the meal.

Phebe K. Warner Club members will sell their popular homemade ice cream, and Lynn County 4-H youth will have drinks available at the concession stand. All proceeds benefit the hospital.

The main event of the evening will be the live auction of items donated by area merchants and individuals. The live auction begins at about 6 p.m. and continues until all items are sold, usually closing at approximately 8 p.m.

Going to State! Hadley Reynolds to compete in state golf tourney

Tahoka High School junior Hadley Reynolds is taking his golf clubs and heading to Austin for the State UIL Golf Tournament, after placing second in the Regional Tourney last week.

Reynolds shot a 75 in the first round, and 78 in the second round to win the 2nd place Individual medal at Regionals. This will be his first trip to the state golf tournament, which will be held April 29-30. He is the son of Bryan and Paula Reynolds of Tahoka.

Duncans withdraw from local elections

Michael and Mandi Duncan of Tahoka announced this week that they both are formally withdrawing their candidacies from two local elections, due to plans to move away from the Tahoka area. Because the deadline has passed to have their names removed from the ballots, their names will remain on the ballots and any votes cast for them must be counted, despite the fact that they are both withdrawing from the elections.

Mandi Duncan is withdraw-

ing from the Lynn County Hospital District Board of Directors election, where she had filed for a three-year term for one of three seats up for election. There are still four other candidates who are vying for the three seats, and early voting in this election begins Monday.

Michael Duncan is withdrawing from the Tahoka ISD Board of Trustees election, where he had filed for one of the two At-Large seats on the

Tahoka 3-D Band wins again

Boasts "longest consecutive winning tradition of any organization in THS history"

The 3-D Band has the longest consecutive winning tradition of any organization in Tahoka High School history, according to Band Director Carroll Rhodes, who reported this week that the band has, for the 13th consecutive year, earned a large Sweepstakes in UIL contest. It's no surprise to longtime Tahoka 3-D Band fans, who have compete to expect nothing short of exceptional results from the band under the tutelage of longtime director Rhodes, who has worked tirelessly with the band to help the teen musicians achieve the highest accolades given to high school bands.

The Tahoka 3-D Band earned their 13th consecutive large Sweepstakes by earning "I's" from all six judges at the Region 16 UIL Concert and Sightreading Contest last Wednesday, April 15 at Wayland Baptist University in Plainview. The 3-D Band performed Karl King's "Eclipse Galop," Bruce Corrigan's "New Horizon," and Brian Balmages' "Escape from the Deep."

During the sightreading portion of the contest, the 3-D Band had only seven minutes in which they could look over a never-before-seen new

piece of music while Director Rhodes explained it. They then had one opportunity to play the piece, and apparently performed very well, earning accolades from the judges.

The sightreading judges comments included: "Good band playing today... well taught! It's good to see students actively engaged (during explanation)." "A very musical performance... Band was working well during the explanation... Great job with key and accidentals... good rhythms and articulations." And finally, from

one judge, who said, "Style and phrasing one of the best I have heard today. Enjoyed your performance."

"To earn a large sweepstakes a band must earn a 'First Division' in three areas - marching, concert, and sightreading," explained Rhodes. "The 3-D Band has worked hard in class and sectionals to keep this tradition going. We are extremely proud of these outstanding young people and their parents and the Tahoka community who support them," Rhodes added.

Some comments from the concert judges:

"Really fine band... great performance... Great program with lots of tradition." "Very mature sounding group... excellent job with technique... There are some outstanding musicians in this ensemble! And "Good style & interpretation, especially on the "Galop"... overall, a very musical performance!"

Words of Inspiration:

"Appreciation can make a day, even change a life. Your willingness to put it into words is all that is necessary."

Woodwork

A MAN IN GEORGIA apparently figured out a really clever way to shoot his mother-in-law, judging from a story in daily newspapers last week.

The story told how the man in Leesburg, GA, was shooting a 9mm pistol at an armadillo out in the country. The bullet hit the armadillo and killed it, then ricocheted off the shell of the animal, traveled about 100 yards before hitting a fence, then through a door into a trailer house, and through the back of a recliner where his mother-in-law was seated, wounding her.

Investigating officers said the woman was not seriously injured. The story didn't say so, but I'll bet the guy claimed it was an accident.

HAVING said the above, and thereby contributing to the longstanding viewpoint that mothers-in-law are difficult ogres to contend with, I have to say that the popular notion is not true. Some mothers-in-law certainly deserve the meddling monster label, but I believe most of them are really nice people. If you love your spouse, you should also love her/his mother, for raising such a wonderful person for you to love.

I know my own mother-in law was a great, caring person. And I am very fond of all my in-laws, including the people married to our children.

They may not be perfect, but at least some of them apparently think I am. I once overheard one of them say, "My father-in-law is a PERFECT mess."

He attended Texas Tech University for one year, then joined the U.S. Navy in 1966 where he served on the USS Independence aircraft carrier. He received Jesus Christ as his savior while on Mediterranean deployment. He attended Bob Jones University in South Carolina, where he completed Bachelor's and Master's degrees in Bible. Glen met Joy Lynn Anderson at Bob Jones and they married in 1971.

Glen went to Dallas Theological Seminary in 1973 and earned the Th.M. in 1979. Glen's and Joy's three sons, A.D. (1974), Andy (1975), and Douglas (1978) were born in Dallas. They moved to Austin, where Glen completed a Master's in classical languages at the University of Texas. They moved to Tahoka in 1982, but in 1983 Glen accepted a calling as chaplain of Light and Liberty jail ministries in Albuquerque, NM, and served this ministry until 1996. He received a commission in the U.S. Navy in 1983 and became a chaplain in the Navy Reserves.

Glen was ordained in the Evangelical Free Church of America in 1991. Before retiring from Light and Liberty, he had already begun teaching courses at Trinity Seminary and later at Albuquerque Bible College. He earned a Th.D. from Trinity Seminary in 1997. Glen began traveling to Asia in 1997. His first trip was to Myanmar. He joined BEE World in 2000, and provided training for local churches first to Nepal, then Vietnam and Myanmar, and finally China. He retired from the U.S. Navy in 2004. Glen taught courses for Chafer Theological Seminary in Albuquerque, NM from 2008 to 2013.

He was preceded in death by his parents, Archie and Reno Riddle.

Glen is survived by his wife Joy; sons A.D. and wife Katherine of Illinois; Andy Riddle of Albuquerque, and Douglas and wife Sima of Chiang Mai, Thailand; two grandsons, Ethan Riddle and Arthur Riddle of Illinois; three sisters Charlene Killgore of Maryneal, Carol Higdon of Maryneal, June Kimmel of Colorado City; and brother Duesy Riddle of Lubbock. MUSTANG NEWS FROM Wilson ISD

By: Bill Gonzales - District Coordinator of School Improvement/ Home Liaison.

Students that were successful during the fifth six weeks will be honored this Friday, April 24, during the Pride Herd Celebration Assemblies in the auditorium. Elementary students will have their assembly at 2:45 pm and Junior High and High School will have their assembly at 3:15 pm. All parents are invited to attend this celebration for our students.

The Elementary School remodeling will begin on May 1. Teachers and students will be conducting classes in different parts of our campus and parents need to know that notes are to be sent home with the students indicating where their new classroom area will be located. We apologize for the inconvenience of all but this is the price of progress. Construction will occur during the month of May and on through the summer and should be finished by the start of next school year. We are grateful to our School Board, our school administrators, and our community that made this possible.

Indicted suspects named; Tahoka man wounded

Two persons indicted by a recent 106th District jury have been arrested, and a Tahoka man suffered a gunshot wound, highlighting reports of law enforcement activities here in the last week.

Indicted were Michael Fillingim, 39, of New Home, charged with possession of a controlled substance, methamphetamine, and Joe Menchaca Liendo, 36, of Tahoka, two indictments for assault/family violence with previous conviction.

Just after 3 a.m. Tuesday, April 14, Tahoka police were called to a residence on N. 2nd St., where Nathan Applegate, 23, reported he had been shot in the left thigh and left hand while standing outside his residence about an hour earlier.

Applegate told police he heard only one gunshot and

did not see anyone, and went back inside before realizing he had been shot. He was treated at Lynn County Hospital, then received further treatment at a Lubbock hospital and later released. Police said investigation of the incident was continuing.

Early Saturday morning, police arrested a 25-year-old Tahoka woman for criminal trespassing, after entering a residence in violation of a court order.

Lynn County jail was holding 46 persons early this week, including 27 for Ector County and 3 for Dawson County. Most recent arrests were three for public intoxication, one for assault on a family member, one for failure to attend school, and one on a grand jury indictment for drug possession.

Pages from the Past

By Vondell Elliott

The following excerpts were taken from past issues of THE LYNN COUNTY NEWS.

Tahoka Boys, Who Had Never Heard a Debate, Win State Championship

Lonnie Wheeler and David Bray, Tahoka High Seniors, are the Class AA debating champions of Texas.

Last weekend, in the Texas Interscholastic League state final at the University of Texas in Austin, the two Tahoka boys won over Rockdale and Olney to take the state title, the first ever won in this event by a Tahoka team.

The debating championship for Tahoka came just five weeks from the time the two boys decided to enter the competition.

Neither boy had ever heard a debate, as such. But, each had been receiving a little kidding from friends because of the penchant for arguing -- and seldom accepting defeat until shown conclusively they were wrong.

Both had a little experience in public speaking, gained as leaders in school activities and in youth activities at the Methodist Church.

One day a little over a week before the Interscholastic League district literary meet, the two decided to enter the debating event.

They immediately started study of the subject, "Resolved, that the United States should adopt the essential features of the British educational system."

Wheeler and Bray approached one of their teachers, Mrs. Clint (Lottie Jo) Walker, and she immediately proposed to help them. Mrs. Bray also joined in coaching the boys.

As a result, the next week they won the district contest over Post.

Next came the hurried study of the question, some practice events, and the Region I meeting at Texas Tech, where they defeated, in succession, Canyon, Quanah and Alpine.

More study, and the boys accompanied by Mrs. Walker, took off for Austin prepared to give no quarter.

Friday they met and defeated Rockdale, following which they stayed up past midnight studying for the finals, won the next morning over Olney by a judges' vote of four to one.

Incidentally in the audience were Dr. Emil Prohl, Karl Prohl and Jerry Cain, the latter two being students in the University.

This was the first time a Tahoka debating team had been to the state finals since 1922, when Mary Walker, now Mrs. Fleener of Houston, and Conrad Lam, now of Detroit and one of the nation's most famous heart surgeons, won second. These Tahoka representatives lost in the finals when Mary developed laryngitis and lost her voice just before the final event.

'Lunch & Learn' at LCHD on May 12 will provide free lunch, health insurance info

Lynn County residents, and any other interested persons, are invited to Lynn County Hospital on Tuesday, May 12 for a "Lunch & Learn" session during National Hospital Week, May 10-16. The Tuesday luncheon is part of a full week of activities and events that will be open to the public at LCHD.

The May 12 "Lunch & Learn" will be led by Pete Paniagua, LCHD Patient Navigator. The lunch and program will be provided free, from 12 noon-1 p.m. at the LCHD Meeting Room. If interested in attending, call the hospital at 998-4533 ext. 300 to let Paniagua know how many to plan for the lunch.

"This program will be for those who do not yet have any kind of group health insurance," Paniagua explained. "The idea is to determine how many might be candidates for Medicaid, Medicare, Health Exchange Marketplace for November 2015, LCHD Charity Care, or LCHD Indigent Care. Many patients have the wrong type of insurance, and the system is difficult to navigate and understand, so this is an opportunity for anyone who may have questions," he added.

Paniagua says his job at the hospital is to help patients get their hospital needs taken care of, to find the health insurance program that is right for them, or help them if they qualify for some of the hospital's charity or indigent care programs.

"Additionally, I have invited a representative from Jeanne Morales Attorney Firm out of Midland, to be at the Lunch & Learn session, in case any patients have been denied Social Security Disability, and need to appeal a Disability decision," he added.

"We will schedule appointments, as well as follow ups," added Paniagua.

Lunch & Learn ... Pete Paniagua, LCHD Patient Navigator, will present a program about healthcare insurance and other hospital options at Lynn County Hospital, at a "Lunch & Learn" session during the noon hour on Tuesday, May 12. The program/lunch is free and open to the public.

Adding a sign ... The Lynn County Hospital District sign is added above the Tahoka Drug awning, denoting the new ownership of the local drug store, which took place earlier this year.

Letters to the Editor

Withdrawing from local elections

Dear Editor,
We would like to take this opportunity to formally announce our withdrawal from both the Tahoka ISD School Board and Lynn County Hospital Board Elections. After much prayer and reflection, an opportunity that will move us away from here has arisen for our family and we feel that it is God's will that we pursue this new journey. We have been here for about 4 years now and are so blessed by the support and love that we found. Tahoka is a neat little town and we will miss its charm. Thank you all for taking us in as your own. We will visit often!

Always,
Michael, Mandi, Averi, Dylin, Thomis, and Parkir Duncan

Dogs Welcome at Cinco de Mayo Parade

Dear Editor,
During the past year the volunteers for the Humane Society of West Texas (HSWT) have worked tirelessly to act as advocates for the many homeless cats and dogs in the city of Lubbock and the surrounding area. For example, in 2014, the non-profit organization received a sponsorship from the Caprock Foundation, which provided for the altering of 100 personally owned dogs and cats for the Heart of Lubbock neighborhood.

On Saturday, May 2, the HSWT will be participating in the 3rd annual Cinco de Mayo Parade. We want to invite our animal fosters, adopters, and anyone who loves and supports our efforts to help animals, to join our contingent that morning at 9:00 at the First Baptist Church on Broadway and Ave. W in Lubbock. All participants may bring their people

friendly dogs to join the parade. All fostered, adopted, and personal dogs must be on a leash and be up-to-date on vaccinations. A tag or rabies certificate will suffice. Dogs may also ride in strollers, wagons, or on bikes. In addition, the HSWT is sponsoring a costume contest, which is to include both marching guardians and their dogs. The best costume winner will receive a gift certificate for two to El Tacqueria on 34th St. Finally, the Humane Society will be offering three limited run t-shirts. For a \$50.00 donation, supporters can select 2 of the designs offered.

Cinco de Mayo commemorates the Battle of the Puebla, where Mexican forces soundly defeated a much larger French battalion in 1861, fighting to retain their independence from the French government.

For more information and to confirm your participation, please call (806) 795-6067.

Judith Abernathy
Representative of HSWT

Doggone it, shop at home when you can.

Our local economy is fragile ...

Shopping locally is a vital part of our growth and prosperity.

Why send locally-owned, hard-earned dollars out of town to support someone else? Money spent in Lubbock or other surrounding towns does not support our community, our school, or our hospital.

The local businessperson pays a high percentage of local taxes and all our area businesses are staunch supporters of this community. Every time a business goes under, local taxes will go up in order to have the same tax base. That means homeowners and remaining businesses will inevitably pay more in taxes. So please, *think before you shop out of town* -- if prices seem cheaper elsewhere, are they really going to be cheaper in the long run? What will happen when you can no longer buy what you need in our town and there are no businesses left?

And we especially appreciate it when our taxing entities -- our school, county, hospital and city -- spend the taxes they collect from us in our own town and county.
