Funeral Service For Mrs. Shook Held Sunday

Mrs. M. S. Shook, resident of Haskell County for almost sixty years, died at the family home in this city Saturday afternoon at 4:30 o'clock. She had been in failing health for several years. Born May 13, 1869, at McKinney, Texas, she was the daughter of Mr. and Mrs. J. A. Massie. She moved with her parents to Palo Pinto, and married M. S. Shook in that city March 15, 1886. They came to Haskell County where he was engaged in ranching, and made their home here continuously since that year. Mrs. Shook was a charter member of the First Christian Church of this city.

In addition to her husband, she is survived by five daughters, Mrs. H. C. King and Mrs. O. L. Darden, Haskell; Mrs. Clyde Grisom, Eastland; Mrs. Jesse R. Green, Snyder; Mrs. Troy V. Post, Houston; and a sister, Mrs. Jim Stiff of Melissa, Texas. Several grandchildren also survive.

Funeral service for Mrs. Shook was held at the First Christian Church Sunday afternoon at 4 o'clock, with the Rev. L. Guy Ament pastor of the First Christian Church, Snyder, officiating, assisted by the Rev. Thos. Currie, Presbyterian minister of Haskell.

Weinert Soldier With 100 Points Given Discharge

Pfc. Richard W. Alexander, Jr., of Weinert, veteran of 30 months overseas service in the European Theater recently received an honorable discharge from the Army under the point system. He had 100 points to his credit. Pfc. Alexander entered the army in September 1942, and went overseas in February 1943, landing in North Africa. He later served in the campaigns in Sicily and Italy, after which he was based in England until the Normandy Invasion, when he landed on the French coast June 6, 1944. He later served in Belgium, Holland, Luxembourg and Germany. He was wounded January 19, 1945 in Belgium. He wears 7 battle stars and one Bronze Arrowhead and has been awarded the Purple Heart. He returned to the United States on August 23, 1945, and later was sent to a separation center to receive his discharge.

Methodist Kindergarten A Success

Miss Lucille Hester of Merkel reports a large enrollment at the Kindergarten sponsored by the Methodist Church. Miss Hester is the new worker at the Church in charge of this new project and other phases of the local Church program. The church feels very fortunate to have her. The Kindergarten begins each morning at 9:30 and is in session until noon. Parents who are interested in having their children participate in this pre-school training are asked to contact Miss Hester in the church office.

SFA Offices Will Be Closed On Saturdays

The offices of the Farm Security Administration of the court house will be closed on Saturday of each week effective immediately. It was announced Monday by Carlton A. Williams, district FSA supervisor.

Monday of each week has been designated as office day for Haskell County FSA clients, Williams said. Personnel of the office in addition to Williams includes Miss Edna Minick, assistant FSA Supervisor, and Miss Larry Wasson, clerk.

Additional Men Are Reported Casualties

The names of several additional Haskell County men who were casualties in World War II have been received this week. Not previously included in the county's casualty list are the following:

Cpl. L. T. Beauchamp of Rochester, member of Co. A, 781st Tank Battalion, was reported missing in action January 19, 1945. Later, Cpl. Beauchamp was liberated from the Germans, March 28, 1945.

Sgt. Buford Ellison, of the 866th Bomber Squadron, was reported missing in action over Japan. To date, no further information concerning Sgt. Ellison has been received by relatives. He enlisted in the service in Haskell County, and his parents now live in Abilene.

Sgt. Kenneth Newberry of Rochester, infantryman in the 94th Division, was wounded in action February 3, 1945 in Germany. Pfc. Duane Hindley was wounded in action on Leyte Nov. 20, 1944. He was with the 34th Infantry Regiment in the 24th Division and now is on Mindanao Island.

Pvt. Clyde R. Via was reported missing in action May 6, 1942 in the Philippines. He died in a Jap prison camp in August 1942. He is the son of Mrs. Dollie Via, a former resident of Haskell.

Sgt. Yale Thomason, Holder of DFC, Given Discharge

Jefferson Barracks, Mo.—T. Sgt. Yale L. Thomason, 29, son of Mrs. T. W. Tanner, Rule, Texas, has been honorably discharged from the Army under the redeployment system, with 99 points, at the Jefferson Barracks, Mo., separation center. His wife and daughter, Fay Ann, reside in Lake Shore, Miss. Prior to discharge he was stationed at Scott Field, Ill., AAF Training Command parent radio school.

Sgt. Thomason went overseas in September, 1942, and served in the Southwest Pacific Theatre of Operations as a radio operator on B-24's, B-25's and A-29's. He completed 38 missions and accumulated 272 combat hours. He participated in the New Guinea and Papuan campaigns and earned the Distinguished Flying Cross with one Oak Leaf cluster. He returned to this country in October, 1943.

Before reporting to Scott Field in June, 1945, Sgt. Thomason was stationed at Salt Lake City, Utah; Sioux Falls, S. D.; Langley Field, Va.; and Las Vegas, Nevada. He arrived August 28 at Jefferson Barracks to be separated from the service.

SATURDAY SHOPPERS IN HASKELL

Six Haskell Gins Receive 122 Bales By Thursday Noon

The six gins of Haskell had received a total of 122 bales of cotton through Thursday morning, according to statements from the ginners.

While the total is short of that of better years, cotton has begun to come in fairly rapidly due to the continued dry weather. The total crop for this year probably will be less than that of last year when 36,032 bales were ginned in the county. A rain this late in the season might be of some benefit to the cotton crop, but it believed that the crop can produce little more even with ideal weather conditions until the end of the season.

The peak season probably will not be reached for some three or four weeks. Haskell merchants are expecting to benefit from an increased volume of business during the remainder of the season.

Winners In Calf and Pig Show Announced

Feeder beef calves and breeding Duroc gilts were shown in a training show in Haskell on Saturday, September 7th. The Duroc gilts were the gilts given to 4-H boys by Sears and Roebuck last spring. First place honors went to Billy Sorenson of Mattson Club and Dennis Briles of Rule Club. These two boys will show in the District Show in Abilene and the top gilt of these two will get a registered Jersey heifer. Second place will receive 125 baby chicks.

Third place went to Othella Moody of Paint Creek Club. Fourth place went to Charles of Rochester Club, and fifth place went to Charles Jenkins of Rochester Club. Each of these three boys will receive 100 baby chicks. Other places were Sixth, Eugene, M. Callege.

Plans Made For National War Fund Drive

Plans for the forthcoming National War Fund campaign have been completed, according to J. M. Crawford, county chairman, and the drive to raise Haskell County's quota will get underway Monday October 1, in connection with the nationwide campaign to be launched on that date.

The quota for Haskell County has not been announced, but is expected to be approximately the same as last year, when the goal of \$9,000 was exceeded by several thousand dollars.

Purpose of the nationwide campaign is to raise funds for the more than 20 member agencies grouped in the National War Fund organization. As usual, USO, argest of the agencies in the group, will receive approximately half of the sum raised. In the 1944 campaign 115 million dollars was contributed by the American people for the support of its war and relief agencies, County Chairman Crawford said.

In connection with plans being made for launching the campaign County Chairman Crawford issued the following statement: "Again we come to the time to begin our annual War Fund Drive. This is the last drive to be staged, but no less important than those gone before, for we still have much work to do. Many of our boys are still on foreign soil, and, no doubt, more lonely than ever before, now that peace has come and they are so eager to come home. Let's do everything in our power to make them feel that we have not forgotten them. Too, there are millions of hungry, homeless people whose only hope is in America. Let's not fail them."

"Due to the fact that we did not receive our literature until this week, we have not had time to personally contact the committeemen who will take an active part in raising the money, but they will, in the man, be the same as those who have carried on in previous campaigns. As chairman of the different communities we are asking those listed below to organize their communities and be prepared to start the fund-raising campaign on October 1.

Haskell—Theron Cahill. Rule—Jack Mills. Rochester—Doran Brown O'Brien—S. N. Reed. Weinert—Ernest Griffith. Mattson—Roy Weaver. Kirby—Albert Peiser. Prec. 3—Ray Overton. Rockdale—Marvin Cobb. Prec. 4—Bill Fouts. Prec. 1—C. G. Burson. Sagerton—Fritz Stemoeller. Chairman, non-resident property owners—John A. Courch. County Chairman—J. M. Crawford.

Applications Due For Food Points By September 17

Applications for food point stamps by all public eating places must reach the local War Price and Rationing Board by September 17, Miss Margaret Toliver, chief clerk of the Haskell office, has announced. After that date applications must be made through the board at the district office in Fort Worth, Miss Toliver said.

Miss Toliver pointed out that the amendment of August 21 providing for the removal from rationing of tractor, implement and industrial uses of tires does not include commercial types of tires, such as those used on pickups, trucks and other rolling stock.

Weinert Sailor Is Honor Man In Training Class

Great Lakes, Ill.—Jack D. Bartell, 20, Weinert, Texas, was named honor man of the class finishing Gunner's Mate Service School at the U. S. Naval Training Center here last week with a high scholastic average of 90. He was advanced in rating to seaman first class.

After graduation from Weinert high school in 1942 where he played baseball and was on the war book staff, Bartell attended Texas Tech at Lubbock for one semester. He worked on his father's farm until he joined the Navy last Feb. 26, and was assigned to San Diego for recruit training. He is the son of Mr. and Mrs. Albert Bartell, Rural Route One, Weinert.

Bronze Star Medal Given Mother of S-Sgt. Ash

The Bronze Star Medal awarded posthumously to Staff Sergeant Troy E. Ash, Jr., who was killed in action in Germany last April 15, was presented to his mother Thursday evening at a ceremony held on the drill grounds at the Armory of Co. A, Texas State Guard.

The presentation was made by Major Bumgardner of the Abilene Army Air Base, and citation accompanying the award was read by Lt. Wallace, also of Abilene AAB. With Mrs. Ash to receive the Medal were her husband and their daughter, Delight. In addition to members of the local TSG unit, the ceremony was witnessed by an audience of visitors.

Preceding the ceremony, Capt. Dennis P. Ratliff, commanding officer of Co. A, paid tribute to S-Sgt. Ash, his patriotism and exemplary conduct as a soldier and former member of the local TSG company. District Judge Ben Charlie Chapman also spoke briefly preceding the presentation ceremony.

Citation read by Lt. Wallace cited exceptional bravery of S-Sgt. Ash in leading his men against an enemy gun emplacement March 15, 1945 in an advance against a section of the Seigfried Line. Death of the young Haskell County soldier occurred one month later.

Archie Henshaw, seaman first class, U. S. N., is home on 30 day leave, visiting his parents, Mr. and Mrs. J. W. Henshaw.

Haskell football fans will get their first battle-tested idea of the caliber of team the Indians will have this season when the local eleven squares off against Spur in that city tonight at 8:30.

The two teams played to a scoreless deadlock last year and little is known of the strength of the Spur team this year. With only six lettermen on hand with which to fashion a winning combination Coach Jiggs Hudson also has been handicapped by lack of time to prepare the Indians for

a game. Football practice started September 1, but few of the players were able to report regularly.

The majority of the players have been able to appear for the practice sessions only since Monday September 10, when school opened.

From the team of last year the only regulars reporting for the team are Felton Everett, tackle and Truett Reeves, center. Other lettermen are Kenneth Tooley, end; Charles Greenway, guard; Rice Alvis, quarterback; and Otto Peiser, halfback.

Others reporting for the team are Flex Byrd, Giles Kemp, and Billy Matthews, ends; Joe Snowden and Jimmy Turner, tackles; O. C. Yancy, Clyde Harrow, and Genn Marugg, guards; Burtis White and Betty Neal Smith, centers; and James Dodson, Edward Corzine, Earl Ross, Huey Bledsoe, and Marvin Ross, backs.

Coach Hudson said he believes the team is going to be able to give a fairly good account of itself when it has been seasoned by more experience. A number of minor injuries have added to the uncertainty of early-season strength. The team has had scrimmage sessions with the Rule and Rochester elevens in preparation for the first game.

In the absence of a passer who has been able to hit the mark consistently, Coach Hudson will rely for the most part on a running attack. The team will use a box a modified single wing formation.

For the past three years Coach Hudson has been at Seminole. He is a graduate of St. Edwards University in Austin.

The presentation was made by Major Bumgardner of the Abilene Army Air Base, and citation accompanying the award was read by Lt. Wallace, also of Abilene AAB. With Mrs. Ash to receive the Medal were her husband and their daughter, Delight. In addition to members of the local TSG unit, the ceremony was witnessed by an audience of visitors.

THE ARMY ANSWERS YOUR WAR PROBLEMS

Your questions on allotments, insurance, legal problems or other matters as they relate to Army

personnel and their dependents will be answered in this column or by letter.

White Headquarters Eighth Service Command, Dallas, 2, Texas.
Q. Does the Bronze Arrowhead count five points for discharge?
A. No credit points for discharge under the adjusted service rating system are allowed for the Bronze Arrowhead, which is awarded to those who have participated in a combat parachute jump, combat glider landing or initial assault landing on a hostile shore. They will count their battle stars for the same engagements, however.
Q. My son was inducted to serve in the Army for the duration of the war plus six months. Because VJ Day came in September, does that mean he will automatically be discharged in March?
A. No. Although the Japanese have surrendered, the war is not yet officially over. The date selected as the official end of the war will be announced by a peace treaty, a Presidential proclamation or by a joint resolution of both houses of Congress. Any period up to date thus fixed will be considered as part of the war's duration.
Q. My husband is a sergeant in the Army. Now that the war is over, will I continue to draw my family allowance?
A. Under the Servicemen's Dependents Allowance Act of 1942, as amended, family allowances

will continue to be paid to dependents of men in service until six months after the official end of the war. See question immediately above for the date declared officially at that time.
Q. I will soon be drafted. Is it true that the Army is again accepting volunteers for those who are to be drafted?
A. Enlistments have opened. You may see Regular Army for a choice of arm or branch. Regular advantages for a choice of arm or branch are: Infantry, Artillery, choice of overseas duty.

We Wish Every Haskell County Farmer Could Have a Ford-Ferguson Tractor Now
As a dealer of Ford-Ferguson Tractors and Ferguson Implements we better than most how urgently you need the exclusive LABOR-SAVING MONEY- SAVING features of these revolutionary farm machines.
YOU HAVE WAITED LONG. We are deeply appreciative of your patience, your confidence and loyalty as evidence by the many orders we have received for Ford-Ferguson Tractors and Ferguson Implements.
WE WISH IT WERE POSSIBLE to deliver a Ford-Ferguson Tractor to every farmer who wants one. Victory has brought that day closer. It will take time to fulfill the pent-up demands of peace.
WE HAVE GOOD NEWS: The new Ford-Ferguson production line is beginning to roll!
SLOWLY AT FIRST. The task is tremendous—the difficulties many in spite of the huge production planned for the future, the number of Ford-Ferguson Tractors that can be made this year is limited. Until the day of victory our fighting forces have had first call on the high quality machines required for Ford-Ferguson Tractors and Ferguson Implements. We know we wouldn't have had it any other way.
WE FEEL A DEEP RESPONSIBILITY to our farmer friends. We have made our best efforts to supply tractors and implements just as rapidly as the Factory is able to deliver them.
We are now beginning to receive Ford-Ferguson Tractors and Ferguson Implements. Not many, but more will be on the way soon. Not enough to supply the immense demand—but a start has been made.
Some Day the Time of Waiting Will Be Over
KEEP IN TOUCH WITH US. Take good look at the revolutionary exclusive features of Ford-Ferguson Tractors and Ferguson Implements. Plan now to farm the modern way. With the Ford-Ferguson Tractor and Ferguson Implements your work is done faster, easier and more productively. This means EXTRA TIME, EXTRA ENERGY, EXTRA CASH FOR YOUR LIVING.

SAYS SECRETARY OF AGRICULTURE:

In Spite of Victory Used Fat Saving Must Go On!

Every woman in America should know that our country continues to face a serious fat shortage. And victory over Japan won't solve the problem immediately. We must keep on saving used fats in our kitchens!

If you have any thought that saving used fats is one of those time chores we can drop, now Victory is here, please consider these facts and tell them to your neighbors.

Don't let a single drop of used fats go to waste! Little trimmings of fat left on the platter at the table, scraps left on plates, and even the skimmings of soups and gravies are important. It is the consistent saving of even these small amounts that counts.

Don't turn in fats that can be re-used! But some fats, such as those rendered from lamb and mutton, are not suitable for re-use. Put them immediately in the salvage can. And, with other fats, after you've got all cooking good out of them, there is always a little left. No matter how little it is, save it.

Your butcher will still give you 4¢ and 2 red points for every pound you turn in. Save consistently—save every drop you can—every day—until Uncle Sam says the job is done.

Don't let "Victory psychology" blind you to this national need! If housewives stop saving fats the shortage will become even more critical.

JUDAH'S CONCERN FOR HIS FAMILY

LESSON TEXT—Genesis 44:18-34. GOLDEN TEXT—How shall I go up to my father, and the lad be not with me?—Genesis 44:34.

The family is the fundamental unit of society, and is therefore of more importance than the church, the state, or the social order of which it is a vital part. Every force which encourages the breakdown of the sacred relationships of the home and family is set for the destruction of society itself.

Men have too often chosen to go the way of the flesh, and therefore they have disregarded God's plan and purpose. But the home is just as sacred as ever in His sight, and brotherly love still finds a high place among the virtues of real men.

The family comes before us as we continue the study of Joseph's life. As we study it we bear in mind Joseph's dealings with his brethren, who as yet did not recognize him as the one they had sold into captivity. He was bringing them kindly but definitely to the point of real repentance, so that he could show himself gracious to them.

To do so he had brought disaster upon them. Being happily on their way homeward with a new supply of food, they were overtaken and proved to be thieves, and Benjamin, the beloved of their father Jacob, stood condemned to death by their own words.

In that crisis the mouths of the others seemed closed, but Judah, who had really saved Joseph's life (Gen. 37:26, 27), and who had apparently finally come to himself as a man of essential goodness, pleaded for Benjamin's life.

That plea presented a truly sacrificial brotherly love, as he manifested

I. Courage (v. 18).
Easy rests the yoke of family life as long as all is joyful and prosperous. But when adversity strikes, when sorrow comes, or sickness, or sin, then the true test of devotion is at hand.

It was a brave and manly thing for Judah to stand before the one whom he knew only as the man who was "even as Pharaoh." The circumstances were all against him. He expected the flaming anger of the offended ruler. His brethren had collapsed in despair. It was one of those dark hours which come to every family when someone must demonstrate true love by being strong-hearted and fearless.

II. Intelligence (vv. 19-29).
We have become so accustomed to accomplishing things by the use of words that we are in danger of substituting speech for action. Even in times of sorrow or need we send a well-worded card or telegram, and regard our mission as accomplished.

Words have their place, but there comes a time when they must be coupled with intelligent action. Crises call for more than a cheerful smile or an encouraging word, much as they may mean in such an hour. We must be prepared by our close contact with our loved ones to speak and act with vigor and assurance.

III. Self-denial (vv. 30-33).
One step deeper goes the devotion of this man to his father and his brother. He had done no wrong that merited punishment, but evidently his brother Benjamin had been guilty. Had he been of the spirit of Cain he would have said, "Am I my brother's keeper?" and let him answer for himself. Why should Judah suffer for another? Why should he allow himself to be imprisoned in a strange land to save his father from sorrow and his brother from what seemed to be the just reward for his deeds?

Thus reasons the man of the

Naomi Bible Class Entertains With Cream Supper

Members of the Naomi Bible Class and their husbands met Friday evening on the church lawn for an ice cream supper.

Games were directed by Mesdames H. R. Whatley, Tom Holland, C. V. Oates and E. B. Calloway, which brought much fun and laughter. The ball game between the men and women proved the ladies more active, as the scores were 12 to 0 in favor of the ladies.

The sewing table was spread with a variety of home baked cakes, which were served with ice cream to the following:

Mesdames and Mesdames E. B. Calloway, Hallie Chapman, Cloud Ashley, Tom Parks, Hubert Bledsoe, Leon Robinson, Robert Hadges, Tom Rhoades, John Fouts, H. R. Whatley, Jim Fouts, Lynn Tolliver.

Mesdames R. P. Genn, C. V. Oates, Ola Ashley, Louise Merchant, Jess Jossellett, Walter Rogers, Ed Fouts, Harold Spain, Tom Holland, and Clarence Alvin Calloway, Carolyn Sue Jossellett, Belva Jean and Karlon Adkins, Phillip and Linda Gail Spain.

world, but such is not the language of the true brother. He says, "Let thy servant abide instead of the lad as a bondman." Well and courageously spoken!

IV. Love (v. 34).
Love for father and brother underlies all of the courage, conviction and self-sacrifice of a man like Judah. In his younger years, and possibly under the influence of his brothers, he had failed in that respect, but now his real devotion to his brother was evident.

That affection was a real, powerful and beautiful thing, and yet it is but a faint prefiguring of the affection of the One who "sticketh closer than a brother," who "though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich" (Prov. 18:24; II Cor. 8:9).

Let us improve the opportunity to review our relations with our own family, to determine whether there is aught that we in intelligent and courageous self-sacrifice should do for our own. Concern for family will pay rich dividends, especially in these days of broken homes and disturbed personal relationships. Love will do more than anything else to hold us together.

CARD OF THANKS

We take this means of showing our appreciation and sincere thanks to our many friends for the beautiful floral offerings and for their kindness during the death of our husband and father, Mrs. W. E. Fowler and children.

Nuel Long, seaman, second class USNR, son of Mr. and Mrs. F. M. Long, Route 2, Haskell, Texas, celebrated the surrender of Japan aboard this famous American bat- tleship as she rested at anchor in Leyte Gulf after a 32-day mission into the East China Sea.

The announcement by the Com- manding Officer, Captain Homer Louis Grosskopf, USN, of Minn- apolis, Minn., that the Japanese had quit touched off a demonstra- tion unlike any this veteran ship had ever seen Sailors tossed their

hats in the air and began jitter- bugging to the strains of the ships band. It was "Holiday Rou- tine" for all hands.

The "Old Imperishable" of the fleet began this war at Pearl Harbor, went through the Aleu- tians campaign, fought at Nor- mandy and Southern France, and then joined in the Iwo Jima and Okinawa battles.

One of these two official U. S. Navy Photographs shows the USS Nevada underway, the other blasting away at the enemy with her 14 inch guns.

A WORTHWHILE PROJECT

Action of the Haskell Lions Club in sponsoring a movement for the erection of a suitable Memorial to the servicemen and women of Haskell County in World War II, and a tribute to those who made the supreme sacrifice, is a worthwhile project which we believe will meet with the approval of every citizen of the county.

Before launching a campaign for actual construction of the Memorial the Lions Club is desirous of securing an expression from as many Haskell County people as possible as to the type of Memorial they deem most fitting and appropriate. To that end, they have asked that suggestions relative to the type of memorial, whether a monument or memorial

building, such as a library or recreation center, etc., be mailed to the Lions Club, P. O. Box 408, Haskell, Texas.

SNAP SHOTS

Some people get the point too soon and therefore never learn anything.

A lie may not have legs to stand on, but it sure has wings to fly.

Back in 1880 it was considered an insult to receive a typed letter. The recipient's attitude was "I can read riting."

After all, horse sense is just stable thinking.

HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

30 YEARS AGO—SEPT. 14, 1895

In preparation for the coming Haskell County Fair, the grand stand at the race track is being enlarged this week, with a fifty-foot extension being added on the north and south ends of the structure.

The bridge over the Brazos River west of Rule was damaged by high waters last week, and considerable repair work will have to be done before the bridge can be reopened to traffic.

Courtney Hunt made a business trip to Dallas last week.

A fire discovered in the Haskell Laundry early Wednesday night caused some damage to a part of the plant equipment before the

blaze was extinguished. Mr. and Mrs. Hardy Grissom were in Abilene Tuesday for the Style Show held at the Grissom Store in that city.

R. C. Whitmore returned last week from Terry County where he went to look after his farming interests.

Mr. and Mrs. Mack Martin and Kenneth Oates spent Sunday in Anson.

J. W. Collins of Austin was a visitor in Haskell last week. Mr. Collins is a former Sheriff of Haskell County.

Mrs. R. J. Reynolds is a patient in the Abilene Sanitarium, where she recently underwent surgery.

F. L. Dougherty has returned

from an automobile trip to Amarillo. He reports crops very spotted in the sections he visited.

Orlene Hunt has returned to her home in Dallas after spending several weeks here in the home of Mr. and Mrs. Courtney Hunt.

G. T. Scales of Lubbock, former manager of the Haskell office of West Texas Utilities Company, was a business visitor here this week.

Mesdames Alfred Pierson and little daughter Louise, John P. Payne, Jess Campbell of Rule and D. H. Reese of Dallas motored to Abilene Wednesday.

30 YEARS AGO—SEPT. 11, 1915

Plans announced last week for moving the plant and equipment of The Free Press to the Masonic building were delayed and the move cannot be made until this week end.

Mr. H. W. Barton and Miss Irene Perrin left Tuesday morning for their home in Decatur after a visit here with Mrs. J. O. Chitwood.

Mrs. C. D. Grissom has returned from Wichita Falls, where she visited her mother, Mrs. E. J. Hunt.

O. Mitchell of Gilmer has accepted a position with Mrs. D. Love and will have charge of the jewelry and optical department of the store.

Prof. and Mrs. R. J. Turrentine returned this week from an extended trip to points in Missouri. Judge Joe Irby of Van Horn is a former County Judge of Haskell County, and also served in

that capacity in Culberson County after moving to that section.

T. C. Browning, Justice of the Peace at Rochester was a business visitor here the first of the week.

Mrs. Buel Baker is spending the week out on the Cobb Ranch. Mr. and Mrs. R. C. Montgomery, Mrs. J. S. Rike and Master John Rike spent the week end in Graham visiting relatives.

A runaway team of mules, hitched to a wagon, furnished considerable excitement in town Monday. The team started near the depot and headed toward town, then turned north at the Fox house, where some damage was caused to trees and shrubbery. The team stopped when the wagon overturned near the home of Dr. Odum.

Wednesday of this week City Marshall Edwards arrested a negro man by the name of Jim Williams, on a charge of wife beating.

Mrs. R. P. Glenn, Clifford and Miss Ruby Glenn have returned from a visit in South Texas.

50 YEARS AGO—SEPT. 14, 1895

R. W. Woodson, a farmer who lives down near the edge of Jones County, has been marketing tomatoes in Haskell for a week or two that are as good as we have seen anywhere.

A. P. McLemore and family and T. G. Carney and family are spending several days on Lake Creek fishing and hunting.

Miss Robena McLemore gave the young people an enjoyable social Tuesday night.

a 35 foot rope, which he lost this week of Paint Creek on the Albany road last week.

On Tuesday night Geo. Messer and Miss Pearl Risher were united in marriage at the Baptist Church. Attendants of the couple were Albert English and Miss Mary Tandy and Frank Arme strong and Miss Buna Wilourn.

The prize crack of the week comes from an Arkansas farmer who has been fighting crab grass all his life. He declares that when crab grass is pulled up by the roots, piled on top of a flat stone and dried for weeks, and then burned, it will take root and flourish where ever its smoke touches the ground.

SUPPOSE ELECTRICITY TOOK A VACATION...

WHAT WOULD HAPPEN?

Darkness would lay its inky finger on your home. Food would rot. A flick of a switch wouldn't toast your bread, or cool your living room, or perk your coffee. You'd have to sweep by broom, wash by hand, wear unironed clothes.

Your house would be a little isolated world of its own, with no phone, no radio, no newspapers to link you with humanity. Time would stop with the frozen hands of your electric clock.

You'd have no job, since almost all industry—from the cash register to the welder's arc—draws its vitality from the little blue spark of electricity. War production would stop in its tracks.

But electricity never takes a vacation. 60 seconds to the minute, minutes to the hour, day and night, summer and winter, electric power stands eagerly awaiting the flick of a switch.

And this dependability is no accident. It is the result of hard work and careful planning by folks who know their business—your business and theirs in this company.

• Listen to "THE SUMMER ELECTRIC HOUR" with Robert Brunster's Orchestra and guest stars. Every Sunday afternoon, 3:30-5:00 P.M. CBS Network.

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine.

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This natural medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up" at night. A carefully blended combination of 10 herbs, roots, vegetables, balsams, Dr. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that many people say have a marvelous effect.

Send for free, prepaid sample TODAY! Line thousands of others you'll be glad that you did. Send name and address to Department A, Kilmer & Co., Inc., Post 1215, Stamford, Conn. Offer limited. Good at once. All druggists sell Swamp Root.

HERE'S HOW To Be Ready to Roll

We have a plan to suggest that will help you to have your equipment ready to roll:

SCHEDULE YOUR REPAIR WORK AHEAD OF TIME

Our repair shop is working at top speed to make old equipment do the work of new. Actually, we are pinch-hitting for factories that are still running night and day to produce war equipment for our boys on the battle fronts.

Before you bring in your tractor or other machine for repairs, phone us or stop in. We'll schedule your job for the earliest possible date and notify you in advance when we are ready for it.

With your cooperation, we'll be able to take care of you sooner, and we'll do a better job. If you are up against it, come in and we'll try to work out some plan to help you.

COMMONSENSE TRACTOR RULES

- 1 Changing the engine oil filter as recommended pays big unseem dividends on your investment. Don't neglect changing the filter to find out what it costs.
- 2 The Air Cleaner is unlike the Magneto, it very seldom gives a noticeable warning that it is not doing its job. Clean it regularly and your engine will last many hours longer.
- 3 Too heavy an oil in the air cleaner results in poor air filtering, increased fuel consumption and loss of power.

THE FRIENDLY PLACE TO TRADE

Suggests Ways To Conserve Tomatoes For Winter Use

Tomato juice, salad pack tomatoes, chili sauce, and catsup are excellent ways to conserve some of the present tomato crop of ripe tomatoes for use next winter according to Louise Newman, County Home Demonstration Agent.

Smaller varieties of tomatoes such as the Porter are excellent for making juice, catsup or chili sauce.

Tomato juice and salad pack tomatoes should be processed in a water bath and should not be processed under pressure. Only good quality firm red ripe sun sweetened tomatoes will produce a top quality canned product.

In preparing tomato juice, wash the tomatoes, trim any green or burred portions, quarter and sim-

mer 10 minutes and press through strainer or cheese cloth. Heat juice to simmer, pour into containers, add 1 teaspoon salt per quart of juice, seal and process in a boiling water bath for 15 minutes in pint or quart jars and 10 minutes for No. 2 and No. 3 cans.

Other recipes for canning tomatoes and using fresh tomatoes are available from the home demonstration agents office.

NAVY GRANTS OVERSEAS CREDITS ON DISCHARGES

The Navy has liberalized its point discharge system to grant one quarter of a point for every month's service outside the continental United States since Sept. 1, 1939.

The change, effective Sept. 15, will make an additional 432,000 naval personnel eligible for discharge, Navy Secretary Forrestal estimated, in addition to the 327,000 who became eligible when demobilization plans were first announced August 15.

Forrestal predicted that within six months "one out of every two men now in the Navy will be home." Within a year, he said, the Navy will be down to its estimated peacetime strength of 500,000. It now has a total of approximately 3,389,000.

Critical scores for release remain at 44 for male enlisted men, 49 for male commissioned and warrant officers, except aviators and doctors; 29 for enlisted Waves and 35 for Wave officers. For doctors it was fixed for the first time at 60, effective Sept. 15.

The order also set a separate critical score of 35 points for nurses and women doctors; 49 and 35

points respectively for male and female officers in the hospital corps including specialists; and for pharmacist's mates and hospital corpsmen, 44 points for men 29 for women.

The Coast Guard announced that it had cut its points requirements for discharge of male personnel from 49 to 43 for commissioned and warrant officers and from 44 to 40 for enlisted personnel.

Old point credits, which continue in effect, were: one half point for each year of age to the nearest birthday; one half point for each month of active service since Sept. 1, 1939; and ten points for dependency, regardless of the number of dependents.

Secretary Forrestal said it had been determined that it would be impossible to apply to the Navy and fair formula giving point credits for combat engagements.

Forrestal said the Navy had no intention of making special provision for the release of personnel whose schooling was interrupted by war service.

The credit granted for service outside the continental United

States is also being adopted by the Coast Guard, Forrestal said. No special provision was included requiring reference to Washington for approval before any of the following groups could be released: Shore patrol officers; military government officers; officer specialists in electric tabulating machines; officers now assigned or in special training for civil censorship duties in occupied countries; postal service officers; officer graduates of naval schools or Oriental languages; and officers, officer candidates and enlisted personnel under instruction in such schools.

HEAT

is almost as important as food so in your remodeling or new home building plans consider it as part of house and include necessary flues for *Ventura* the new gas heating equipment. Only when equipment is *vented* to a flue are wall sweating and stuffy air eliminated.

★ Floor furnaces, gaseam radiators, circulators and central furnaces are now available in very limited quantities. By next January manufacturers probably will be back on full production schedules. So there is plenty of time to be planning your heating as part of your new house.
