Telephone Company Begins Expansion of Facilities

Plans were started this week for the expansion of the Southwestern Bell Telephone Company in Haskell and when completed this section of the city will be completely rebuilt. The new switchboard and out-fitting equipment according to the company's plans will be installed by the end of the month.

The improvements in the telephone service will be a great help to the community. The new switchboard will be installed in the new building which houses the telephone exchange.

The new building is being constructed on the corner of 10th and Main streets. It will be a modern structure with all the latest facilities for a telephone exchange.

The expansion program is being carried out in several stages. The first stage is the installation of the new switchboard and out-fitting equipment.

The second stage is the construction of the new building. This will be completed by the end of the month.

The third stage is the installation of the new lines. This will be completed by the end of the month.

The fourth stage is the installation of the new equipment. This will be completed by the end of the month.

The fifth stage is the installation of the new service. This will be completed by the end of the month.

County's Rural Property Value At High Figure

Farm property in Haskell county is now worth more than \$24,100,000, and rural homes here and throughout the state are in the best condition in history, according to a report just released by the Title Council of America.

More than 75 per cent of farm dwellings in Texas and the south are in excellent condition or need only such minor repairs as painting or general maintenance, the report revealed. Only 61.1 per cent were in good repair in 1941. The report was based on Bureau of the Census surveys.

The rise in farm incomes and property values since 1940 has been accompanied by a great increase in the number of rural homes equipped with such modern conveniences as electric lights, tiled baths and showers and running water.

Electricity, for instance, has gone into hundreds of the nation's rural dwellings since 1940, Ortman noted. More than 59 per cent of all farm homes now have electric lights, in contrast to 31.3 per cent in 1940.

The establishment has installed twenty automatic machines, and offer patrons complete laundry service except drying and ironing. Slogan of the establishment is "a week's washing in 40 minutes" and they invite Haskell women to come in for a demonstration of their machines and service.

The establishment has installed twenty automatic machines, and offer patrons complete laundry service except drying and ironing. Slogan of the establishment is "a week's washing in 40 minutes" and they invite Haskell women to come in for a demonstration of their machines and service.

County Agent Lists Schedule For Months

The dates for the annual 4-H and FFA Livestock Show will be February 16, 1948. The show will be held on the Fair grounds and will start at 10:00 o'clock in the morning with the judging of hogs.

Mr. Tommie Stuart of Roby, Texas will judge the show. Mr. Stuart, a stock farmer, judged the show last year and so many favorable comments were heard on his judging that the committee asked him to judge again this year.

A check of animals on feed showed that there were 54 calves and 42 hogs on feed and that most of these would be shown. The show is being sponsored by the Haskell Chamber of Commerce and they will also sponsor an auction sale of animals after the show.

Any boy that is a member of the 4-H club of Haskell county and is between the ages of 9 to 20 years is eligible to show. Boys who are taking Vocational Agriculture in the schools of Haskell county are also eligible to show.

Trees for windbreaks may be secured at a very small price at present time. If you are interested contact the County Agent for other information. Windbreaks on the west and north side of the farmstead are very desirable in this part of the state.

The County Agent will meet with the following 4-H Clubs in January: Paint Creek—January 19th. O'Brien—January 20th. Rule—January 21st. Rochester—January 26th. Weinert—January 28th.

Due to the fact that I have no office help, the County Agent's office will be closed in the afternoon on most days. Work will be done by the Agent in the field in the afternoons. The office will be open from 8 to 12 on most days.

Glenn Meyers, 20, son of Mr. and Mrs. Roe Meyers of Knox City was injured Monday about 2 p.m. when the tractor he was driving overturned on him as he was at work on his father's farm 10 miles east of Knox City.

The accident occurred about a half mile from the Meyers farm home, but was not discovered until several hours later. The youth was taken to the Knox City hospital by Hal Hicks. Physicians said he received a fracture of the right hip, but no internal injuries were apparent.

Will Conduct Revival

Rev. H. R. Whatley, Baptist evangelist of this city will conduct a revival at the Pinkerton Baptist church beginning Sunday morning, January 25, and continuing through Sunday night, February 1. A special feature of the revival will be a song program by the Colored choir from Haskell Sunday night, Jan. 25.

Winter Weather Strikes Area In Full Force

Haskell county people, accustomed to most all kinds of weather, called on their memory during the weekend to welcome the variety offered by the weatherman in cold, sleet and snow.

Summer temperatures prevailing Thursday were followed by freezing weather Friday night when the mercury dropped to 13 degrees. The low continued Saturday, and Sunday night snowfall covered this area, the depth being estimated at one to two inches.

Moisture received from the snow will greatly benefit grain and row crops and will help winter gardens to be planted soon.

Funeral service for Mr. Johnson was held at the First Baptist church in this city at 2 p.m. Thursday and interment was in Willow cemetery under direction of Holden's Funeral Home.

Rev. H. R. Whatley conducted, assisted by Rev. W. T. Priddy.

ATTEND MASONIC MEETING IN THROCKMORTON

Doss Fuller, R. J. Paxton, S. H. Vaughtner and Bert Hellums of this city attended a 91st District meeting in Throckmorton Tuesday night. Members from ten lodges in this area were in attendance.

Several Names Filed For City Posts

Interest in the forthcoming city election became apparent this week with the filing of names for City Mayor and the three aldermanic posts to be filled by voters in the city election to be held April 6.

A majority of the city's governing body will be elected this year, including three aldermen, Mayor, City Secretary, and City Marshal.

Filed this week as candidates were the names of Hallie Chapman for Mayor, A. M. Turner, Payne Hattox and R. W. Herrin Jr. for aldermen. Chapman is presently serving as alderman, and his term will expire in April, along with the terms of J. M. Crawford and George Neely.

Two year term of J. Belton Duncan, City Secretary and Treasurer also expires this year, as does the term of W. C. Allen, City Marshal.

W. W. Johnson Buried Here Thursday

Will Johnson, resident of Haskell county for more than forty years, died Tuesday morning in the Haskell County Hospital where he had been a patient for one day following a critical illness which had confined him to his bed for several weeks.

He is survived by his widow, Mrs. Nora Johnson, whom he married Dec. 24, 1896, in Jones county. Five daughters, Mrs. W. A. Dillard and Mrs. H. M. Roberts of Plainview; Mrs. Willamette Atkin of Haskell; Mrs. T. E. Lusk of Odessa; and three sons, O. W. Johnson, Globe, Ariz.; E. W. Johnson, Amarillo, Texas; and Woodrow W. Johnson of Costa Mesa, Calif.

Funeral service for Mr. Johnson was held at the First Baptist church in this city at 2 p.m. Thursday and interment was in Willow cemetery under direction of Holden's Funeral Home.

Rev. H. R. Whatley conducted, assisted by Rev. W. T. Priddy.

Legion To Hold Open House In New Building Sunday

Haskell's Rogers-Cox Post No. 221 of the American Legion will hold open house Sunday afternoon from 2 to 5 o'clock in their new memorial home just north of the South Ward School building.

All exterior work on the building has been completed, and although finishing touches remain to be made on the interior, members of the local Legion post decided on the Sunday open house at this time in order to acquaint the public with their undertaking and the progress made on the building.

When the structure is entirely completed, Legionnaires have in mind that the building be used as a community center for recreation and entertainment purposes as well as serving as a meeting place for war veterans.

Hosts for the open house program Sunday will be members of the local post and the Woman's auxiliary. Refreshments will be served during the afternoon.

Haskell Lions Give Support To March of Dimes

An appeal was issued this week by A. C. Pierson, director of the Haskell County Infantile Paralysis Chapter, and chairman of the Haskell County March of Dimes campaign which is in progress and will continue through Feb. 1, for support of this campaign which Pierson added was falling considerably below the expected quota for the county.

While no personal solicitation campaign is planned the committee hopes to reach its quota of \$2,500 through the planned program of the churches, schools and coin collectors which have been placed in business houses throughout the county.

The theatres of the county will conduct their own planned campaigns as announced through their organizations.

An appeal has been made to each minister throughout the county for two announcements during the campaign for special collections to be given this worthy program.

Each school child of the county has been given a card that will hold five dimes and it is expected these cards when returned will assure practically every one in the county of having a part in this campaign.

Those desiring to make larger gifts can mail or give their contributions to A. C. Pierson of Haskell, Mrs. Pearl Monke of Weinert, Mr. A. H. Burton of the Mattson community, Veldon Middlebrook of Paint Creek, O. B. Cave and R. R. King of Rochester, Elmo Stephens and Rev. Knory O'Brien, Morris Neal of Rule, Fritz Stegemoeller of Sagerton and Pete Moeller of the Irby community.

Body Of Haskell Soldier Will Be Returned Home

The body of Pvt. Ted R. Weaver, son of Mr. and Mrs. C. J. Weaver of Rochester, who was killed in the battle of Omaha Beach July 16, 1944, is being returned to the United States for reburial, his parents were notified this week.

Definite date of arrival was not known, the War Department said in the message to Mr. and Mrs. Weaver, but they will be notified in ample time to arrange for a suitable ceremony, they were told.

Pvt. Weaver entered the Army in December, 1943, and trained at Camp Fannin, Texas, and Fort Meade, Md., before going overseas. He fought in the battles of Normandy, St. Lo, and Omaha Beach before being killed in action.

The Haskell county hero is survived by his parents, Mr. and Mrs. C. J. Weaver of Rochester, and three brothers, Jack, Trenton and Joe Jay Weaver.

Funeral Rites For Mr. Carter Held Monday

Funeral rites were held at the First Methodist church Monday at 2:30 p.m. for John W. Carter, 82, resident of Haskell county since 1887, who died in the Haskell County Hospital Sunday following an illness of three years. He had been a patient in the hospital several days prior to his death.

The service was conducted by Rev. James E. Harrell, Methodist minister, assisted by Rev. Harold G. Wise, Presbyterian minister, of this city. Interment was in Willow cemetery under direction of Holden's Funeral Home. Pallbearers were J. B. Marr, Bill Marr, Reuben Lambert, Richard Gibson, Reece Clark, M. Y. Berton, Edgar Quade, T. L. Holland, L. H. Schroer and G. A. Lambert.

Deceased was born in Bowling Green, Ky., Oct. 19, 1865, the son of Mr. and Mrs. Simon P. Carter. At the age of 16 he moved to Arkansas, where he made his home until coming to Texas and Haskell county in 1887. He had been a member of the Methodist church since childhood.

Immediate survivors include his widow, Mrs. M. A. Carter of Rule, three sons, L. E. Carter of Leemore, Calif., J. A. Carter of Riverdale, Calif., L. W. Carter of Bakersfield, Calif., and two daughters, Mrs. J. B. Gibson, Sagerton, Texas, and Miss Velda Carter of Rule. Eleven grandchildren and one great grandchild also survive.

Two Candidates Announce For Office

Political interest in Haskell county continued to mount this week with the announcements of two more aspirants for public office.

The new candidates are John H. Banks for a second term as District Attorney, and C. G. Hammer, who has announced as a candidate for Commissioner in Precinct 3.

Rumors continue that several candidates will contend for various offices to be filled this year, but these listings have not been filled to date.

AT HOME NOW

Mrs. George W. Fouts and infant daughter, Betsy Ann were returned to their home last Saturday from the Haskell county hospital. Both are reported doing nicely.

Haskell's Rogers-Cox Post No. 221 of the American Legion will hold open house Sunday afternoon from 2 to 5 o'clock in their new memorial home just north of the South Ward School building.

All exterior work on the building has been completed, and although finishing touches remain to be made on the interior, members of the local Legion post decided on the Sunday open house at this time in order to acquaint the public with their undertaking and the progress made on the building.

When the structure is entirely completed, Legionnaires have in mind that the building be used as a community center for recreation and entertainment purposes as well as serving as a meeting place for war veterans.

Knory O'Brien, Morris Neal of Rule, Fritz Stegemoeller of Sagerton and Pete Moeller of the Irby community.

County Agent Spends Much Time In Club Work, Report Shows

Eight 4-H clubs were working in the county in 1947 at O'Brien, Rochester, Rule, Sagerton, Paint Creek, Mattson, Weinert and Haskell. There was a total of 177 boys enrolled in the clubs with 160 boys completing their demonstrations. Nineteen boys had 105 acres of sorghum, 9 boys had 50 acres of cotton, 12 boys had 3 1/2 acres of home gardens, 26 boys had 1244 hens, 5 boys had 6 dairy

cows, 50 boys had 60 beef animals, and 54 boys had 65 hogs. During the year 4-H club boys sold 45 beef calves weighing 57,500 pounds of \$11,205, 33 hogs weighing 9,100 pounds for \$2,548, 100 fryers for \$75, and 1,555 dozen eggs for \$622.

Beef calves were exhibited at Haskell, Throckmorton, Wichita Falls, Fort Worth, Odessa and Dallas. Ray Sims, Haskell county 4-H club boy won Grand Championship at Wichita Falls, and Jerry Terrell had the Reserve Championship calf. Haskell county also had the best group of five calves at the Wichita show. Ray Sims also won the Grand Championship with his calf at Throckmorton and Billy Middlebrook had the Grand Champion calf in the dry lot division at Stamford. The annual 4-H and FFA Junior Livestock show was held in Haskell on Feb. 17, 1947, and was sponsored by the Haskell Chamber of Commerce.

Eight club boys in the county were awarded gilts under the Sears Contest and one was awarded a bear. The bear was shown by its owner, Andy Wilfong, at the District Show in Abilene and won first place.

Twenty-seven 4-H club boys in Haskell county were given enough Caprock sorghum seed in 1947 to plant 5 acres each. The seeds were given to the boys by the Burlington Railroad Company, through their Agricultural Agent Mr. A. K. Hepperly. T. highest producer in the demonstrations, J. O. Brothers of O'Brien produced 8,433 pounds on his five acres. Money awards were given to the three highest producers. These were made available through Mr. Bill Richey and the International Harvester Company of Haskell.

Eleven Haskell county 4-H boys and the county agent attended the District 4-H camp at the Perkins Boy Scout camp north of Wichita Falls on September 7, 8, and 9th. In a rifle shooting contest, Haskell county boys won first place. The rifle team was composed of Ray Sims, Gerald Hanson and Charles Hutchinson.

Two Haskell county 4-H club boys attended the 4-H Round-up at College Station the first week in September. Boys attending were Andy Wilfong and Billy Couch, both of Haskell. This trip was sponsored by the Haskell Chamber of Commerce.

The county agent devoted 105 days of his time in 1947 to adult work and 108 days on 4H club work. He spent 75 days in the office and 218 days were spent in the field.

Twenty-six days were spent on extension organization and planning, 7 days on county agricultural planning, 10 days on what, 19 days on other cereals, 1 day on legumes, 20 days on cotton, 32 days on dairy cattle, 64 days on beef cattle, 35 days on swine, 8 days on poultry, 16 days on soil conservation, 3 days on management, 2 days on housing, 3 days on farm mechanical equipment, 1 day on home food production, 3 days on recreation and emmunity life, 7 days on general feeder insects, and 36 days on farm labor and other work.

Fly control on beef cattle was stressed by the agent during the year. DDT was used for horn fly control and Rotonene and DDT was used for grub and lice control.

Official classification was given to 32 head of registered Jersey cattle in the county during 1947. Mr. C. G. Gibson, extension dairyman, did the classifying, assisted by R. E. Bursleson, assistant extension dairyman. Approximately 375 cows were tested during the year for Bangs disease. This work was done by a graduate veterinarian, assisted by the County Agent.

Several flocks of hens were

The girl is Ginger Rogers and at the Texas Theatre Sup.-Mon. Cornel Wilde is the groom in Percy Warum and Spring Bying. Columbia's "It Had To Be You" ton are the parents.

culled by the agent in 1947 . . . 1500 head were culled. Poultry sanitation was stressed by the agent.

In August 1947, 30 farmers enrolled in the Legume Growers Association that was organized at that time. The agent was elected secretary of the association. The association will work on securing vetch and other legume seed for all members. Approximately 1500 acres of rye and vetch and several hundred acres of Austrian winter grass and clovers have been sown in the county.

Several fields of cotton were inspected for insect damage during the year by Mr. J. C. Barton, entomologist with the U. S. Department of Agriculture, and F. W. Martin, County Agent. Farmers were advised to watch their cotton for flea hoppers and infestation reached 25% to start some control measure. 5% DDT with sulphur at the rate of 10-12 pounds per acre, was recommended for the control of cotton flea hoppers, and 10% DDT with sulphur was used to control boll worms.

Two farm labor field assistants worked with the placing of migratory laborers in Haskell county during the cotton harvest. Much stress was placed by the agent, on the value of subsoiling and summer fallowing to increase the water holding capacity of the soil. Ten subsoil moisture tests were made by the agent on small grain lands during the year. The agent has worked closely

with the two soil conservation districts this year . . . helping with terrace lines on farms that had special problems.

Complete soil tests were made on three farms in the county . . . recommendations given on these are to be followed next year.

Haskell Chapter No. 892, O.E.S. will meet in Stated meeting January 27 at 7:30. Initiation.

Mrs. Margaret Young, Deputy Grand Matron will make her official visit to the Chapter at this time. All members are urged to attend this meeting.

Mabel Overton, W. M., Vivian Robertson, Sec'y.

How women and girls may get wanted relief from functional periodic pain

Cardul, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "blues" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

Where Do People Live the Best?

The answer: The U. S.

We are better fed, better clothed, and have more automobiles, refrigerators, telephones, and radios per capita than any other country.

Why? One reason is the efficiency of the American farmer. In countries where farm production is low, the standard of living is low.

The American farmer represents only 2 1/2 percent of the world's farmers, yet he produces approximately 20 percent of the world's food supply.

Steel production also is an accurate measure of living standards. America, with only 7 percent of the world's population, produces 50 percent of the world's steel.

Rochester News

A. Bañden of Stamford was a business visitor in Rochester Saturday.

Mrs. E. Moseley, who recently leased a ranch at Idalou, has moved to the home she purchased in this city several weeks ago from Austin Mitchell.

Dow Moseley and family left last week for El Paso, where he will enter a veterans hospital. He expects to be there for several months.

Mrs. Burlington Jones and daughter Dorothy spent the week end here with her mother, Mrs. J. H. Cooper and sister, Mrs. Micky Gooch.

The Rochester Masonic lodge and the Federated Woman's Club are leveling the old Cottage Hotel building and will erect a modern two story stucco building on the site to be used as a Masonic Hall and club house.

The Woman's Literary Club met January 8 in the home of Mrs. R. A. Shaver Jr., and elected officers for the new club year.

Mrs. Lynn Knouse and John Paul of Sweetwater spent a few days here last week with home folks.

Miss Mozelle Parsons spent the week end here with her parents, Mr. and Mrs. J. H. Parsons.

Tommy Greer came in Wednesday from Sacramento, Calif., to spend a few days with his parents, Mr. and Mrs. Jas. A. Greer.

Sammy White, student in Texas A&M College spent the week end here with his parents, Mr. and Mrs. C. H. White.

Kay Salman returned Saturday from Washington, D.C., where he spent the Christmas holidays.

Mr. and Mrs. John Trimmer and children moved to Hale Center last week where they will make their home.

Mr. and Mrs. Dick Shaver spent last week end in Hale Center.

Mr. and Mrs. Emmett Cross of Dickens spent Sunday here with her parents, Mr. and Mrs. A. Hall.

Mr. and Mrs. Charles Collier and daughter Charlene returned Saturday from Midland where they attended the funeral of their father and grandfather, Rev. A. B. Collier.

Mrs. John Walton, Mrs. Cliff, ford Alternathy and Cloud Anderson returned Tuesday from Dallas, where they accompanied their mother, who underwent treatment in a hospital there. She returned much improved.

MATTSON GIRL'S CLUB

Barbara Merchant was elected secretary of the Mattson Girl's 4-H Club at the regular meeting January 8 at Mattson High School. Laura Thornton, club president, appointed Frances Leonard as song leader and Oma Gayle Holcombe as game leader. June Merchant was named chairman of the reception committee. Clothing demonstrator for 1948 will be

Barbara Merchant; Oma Gayle Holcombe will be garden demonstrator.

A demonstration on gardening and the selection of garden seed was given by the county home demonstration agent, Louise Newman, for the following members: Laura Thornton, Billie Jean Bowen, Barbara Merchant, June Merchant, Oma Gayle Holcombe, Frances Leonard and Vera Sue Couch.

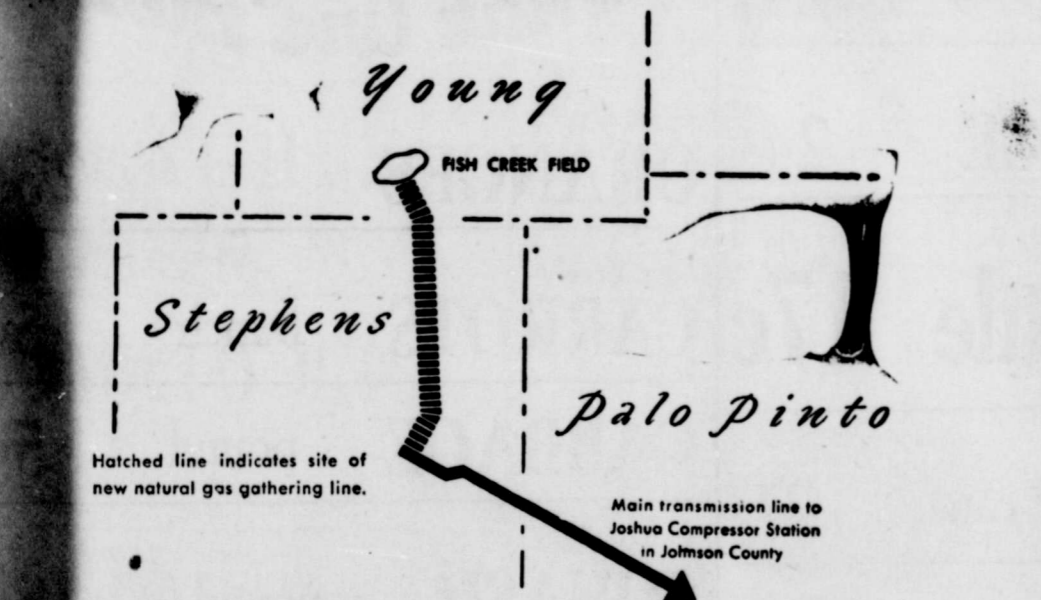

RETURN TO WASHINGTON

Mr. and Mrs. William Hatfield and children have returned to their home in Sunnyside, Wash., after a month's visit with her parents, Mr. and Mrs. H. F. Whitesides of Rule.

NEW GATHERING LINE TO FISH CREEK FIELD

Helps Assure More Natural Gas Lone Star Customers This Winter

One of the most important activities in 1947 in the Lone Star Gas System was the installation of new natural gas reserves to meet a rapidly growing demand for natural gas. Three major gas fields were tapped by new lines during this first year of a five-year expansion program.

Fish Creek Field gathering line adds delivery capacity to Lone Star System supply natural gas to a city the size of Wichita. This line is but one of more than 75

lines from different fields feeding gas from more than 1,500 wells to the Lone Star System.

Coupled with the addition of new reserves is the construction of new compressor stations, new distribution lines for new customers and many other projects. At the completion of this program \$40,000,000 will have been invested in new facilities.

This \$40,000,000 program is Lone Star's biggest undertaking since the building of the System. It's a program planned to maintain Lone Star as the finest of Natural Gas Services.

Meet Walter Roberge—"buyer" with 25 years' service in purchasing department at Lone Star. He has this to say about Lone Star's expansion program:

"One can measure the growth of Lone Star Natural Gas Service by the amount of pipe we buy. For example, we're planning to buy 360 miles of four-inch and smaller pipe for construction of new town distribution plants alone this year. This is but a small fraction of planned pipe purchases in 1948, which I believe, will be a year of record growth."

LONE STAR GAS COMPANY

CITATION BY PUBLICATION

The State of Texas.

To: Mrs. H. St. John Dix, if living, and if dead, her unknown heirs, legal representatives, legatees and devisees; James P. Crane, if living, and if dead, his unknown heirs, legal representatives, legatees and devisees and the unknown owners and claimants of the land hereinafter described.

Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of January, A. D., 1948, at or before 10 o'clock A. M. before the Honorable District Court of Haskell County, at the Court House in Haskell, Texas.

Said plaintiff's petition was filed on the 9th day of December, 1947.

The file number of said suit being No. 7474.

The names of the parties in said suit are: Mackie L. Schmick and husband, I. H. Schmick and Grace L. Bearmann and husband, R. C. Bearmann, as Plaintiffs, and Mrs. H. St. John Dix, her unknown heirs, legal representatives, legatees and devisees; James P. Crane, his unknown heirs, legal representatives, legatees and devisees and the unknown owners and claimants of the land hereinafter described, as Defendants.

The nature of said suit being substantially as follows, to-wit: Trespass to Try Title. Plaintiff alleges that on January 1, 1947, they were the owners in fee simple title and entitled to the possession of the following described real estate situated in Haskell County, State of Texas, and described as follows:

Out of the NE corner of the Ezra Read 1/3 League No. 357 survey No. 35, Certificate No. 1074 and patented to Ezra Read on the 2nd day of May, 1856, Patent No. 777, Vol. No. 13, and described by field notes as follows:

Beginning at the NE corner of said Ezra Read Survey for NE corner of this tract; Thence S 1 deg. 7 min. W with EB line of said Read survey 1856 varas; Thence W 1055 vrs; Thence N 1 deg. E 1664 vrs; Thence S 89 deg. 36 min. E 1060 vrs., to the place of beginning.

That subsequently to said date, Defendants unlawfully entered upon said property and dispossessed plaintiffs and have since such date unlawfully withheld from plaintiffs the possession of said land.

Plaintiffs plead the five, ten and twenty-five year statutes of limitation as barring any claim to said property upon the part of the defendants.

The officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued this the 9th day of December, 1947.

Given under my hand and seal of said Court, at office in Haskell, Texas, this the 9th day of December A. D. 1947.

(Seal) Jesse B. Smith, Clerk of the District Court, Haskell County, Texas.

GIVE NATURE A CHANCE...

If you are run down, listless and tired because of poor digestion, give nature a chance. Don't use violent purges. Often all your digestive system needs is a little assistance. And that's just what the new, improved ADLERIKA will provide. It's a scientific blend of 7 effective ingredients that work quickly and pleasantly to relieve gas pressure and work waste matter gently through the alimentary canal. It's a kindly stimulant to sluggish intestinal muscles. Order a bottle of ADLERIKA, the "Tone-Up" laxative, from your druggist today.

Caution: use only as directed.

Soil Conservation Supervisors Meet In Knox City

The Knox City Lions Club was host to the Board of Supervisors of the Wichita Brazos Soil Conservation District on Thursday, January 15. Jack Tidol, chairman of the local district, in introducing the speaker, pointed out that the Wichita Brazos Soil Conservation District takes in all of Knox County and the north half of Haskell county. The district is a legal

subdivision of government operated by a board of supervisors elected by the landowners. This board is composed of Jack Tidol, chairman; and members Clay Grove, C. C. Browning, H. W. Smith and H. D. Gammill. The speaker, A. C. Spencer, field representative of the state soil conservation board, stated that the standard of living of every person, whether living in town or on the farm, is dependent upon 2½ acres of tillable land. Soil conservation is a national problem important to every citizen. The future of towns such as Knox City is based upon the productivity of land which surrounds it.

Soil conservation districts belong to the people. What a district does is determined by the board of supervisors who are responsible to no state or federal agency. The fact that there are 144 districts composing 82% of the area of Texas points out that landowners are interested in caring for their land. The accomplishments of these districts is evidence that landowners are capable of planning for conservation and securing assistance from agricultural agencies and others in applying conservation practices to the land. Tidol also introduced as his guests, F. W. Martin, County Agent of Haskell county, and Fred Mika, District Conservationist of the Soil Conservation Service.

RETURNS TO HASKELL

Miss Martelle Clifton, who has been in San Antonio for the past eight months, has returned to Haskell to make her home.

HERE FROM ABILENE

Tom Donohoo, former resident here, who now lives in Abilene, was a Haskell visitor this week.

OUR HOPE FOR THE FUTURE

Each generation must fight its own battle for human liberty and dignity. Each generation must nerve itself to die, if necessary, in defense of its faith.

It is not enough that our forefathers wrung from an unfriendly environment the right and the opportunity to build their churches and to worship their God; we must make their faith our own. We must use our Christian heritage. We cannot live off the past. We must commit ourselves to the Christian faith and teach the Christian heritage to our children if we are not to see our civilization overwhelmed by barbarism.

Many of our churches are carrying on crusades to bring the people under the influence of Christian teaching. Half the children and young people of the United States receive no religious education. The Sunday schools of the United States have reached only one person in five; the vast majority of our people are learning little or nothing of the Christian heritage.

In our community now, the leaders in school and churches are making an effort to bring every school child into the Sunday school of some church. These leaders need your help. They ask you to attend Sunday school yourself, and they ask you to give the children and youth in your community an opportunity to attend Sunday school. Attend Sunday school and bring others with you! Give others an opportunity to know the Christian heritage and to commit themselves to the Christian faith.

C. G. Hammer Is Candidate For Commissioner

C. G. (Colen) Hammer, well known resident of Precinct 3, has asked The Free Press to announce his candidacy for Commissioner of Precinct 3 in the coming Democratic primary.

Mr. Hammer is well known throughout the precinct, having lived in it for twenty-three years.

Mr. Hammen has never sought public office before but believes with the experience of hard labor and with the encouragement of the many property owners and tax payers he can make an efficient and capable commissioner.

During the coming month he will endeavor to see the many voters and will appreciate any consideration and support given in his behalf.

Permanent Grasses Gain Favor With Area Farmers

A. A. Smith Jr., of Munday, is very interested in planting new permanent pasture grass. Mr. Smith has planted approximately 25 acres recently and plans to plant about 40 acres more in the near future. Mr. Smith, with the help of the Wichita Brazos Soil Conservation District and Soil Conservation Service Technicians at Knox City, has planted Canadian Wild Rye, crested wheat and Buffalo grass seed to date, and plans to plant Blue grama grass soon. This seed is being planted on land that Mr. Smith is retiring from cultivation due to erosion and frequent overflow.

Lee Smith of Knox City, is also planning to plant more grass seed this year. Last year Mr. Smith had excellent results from plantings made in the last winter. He harvested the seed and plans to plant them as soon as he can get things ready.

The District Supervisors believe that the only way to get pasture grasses planted is to harvest as much seed as can be from the grasses that are known and common to our own locality, and to plant these grasses when conditions and land preparations are right.

The seedings made and being made are part of the conservation plans worked out by the Rancher with the help of the Soil Conservation Service Technicians and the Wichita Brazos Soil Conservation District.

GREATEST POSSIBILITIES

More efficient production must be adopted if cotton is to maintain an important place in the farm economy. The greatest possibilities for increasing efficiency seem to lie in further expansion of the one variety cotton improvement plan.—Monthly Review, Federal Reserve Bank of Atlanta.

MACHINES SUCCEEDING

The successful harvesting of the cotton crop mechanically has been challenged by many over the years, but in certain areas under favorable conditions, cotton is being successfully harvested by machines today. We believe that the time is approaching when this can be done universally.—John W. Service, The John Deere

Blue Birds Meet January 21st

The Blue Birds met Tuesday, Jan. 21 in Mrs. Fagan's room at North Ward with Mrs. Jim Byrd, sponsor, and Mrs. Woodley Davis, assistant.

Busy Bluebirds was the name chosen for this group. Games were played and each member given a blue ribbon. The following officers were elected: Norma Jean Gipson, president; Billie Anne Mercer, vice president; Glenda Davis, secretary; Gwendolyn Gilliam, treasurer. Plans were made to start scrap books at the next meeting.

Those present were: Robbie Lou Roberson, Sara Sue Roberson, Hazel Nell Andress, Billie Ann Mercer, Norma Jean Gipson, Lindo Perrin, Janice Hester, Glenda Davis, Gwendolyn Gilliam, Gayle Spain, Lynda Muriel Lane, Rosa Lea Burson, Mrs. Byrd and Mrs. Davis.

HERE FROM O'BRIEN

W. I. Pierson of O'Brien was a business visitor in Haskell Tues. day.

Q. Under Public Law 16, must I go to a vocational school or may I go to a liberal arts college, a high school, or similar institution?

A. You may enroll in any VA approved educational institution or training establishment offering the course of training which VA has found you need to insure your proper rehabilitation in line with your own desires.

Q. I am receiving compensation for injuries received during World War II and would like to know if my compensation check is subject to seizure by creditors or for taxes?

A. No.

HELP WANTED

WANTED—Handy man for work around the house. Must be a tireless worker... help with the housework... cooking... preserve foods... furnish entertainment... light the house... and do other odd jobs to make living more pleasant. Must work 24 hours a day... seven days a week... no vacation... WAGES about \$4.00 per month for the average household.

LOYERS—Are you 20% to 50% more than you should be? If so, you are being overpaid. We will make your salary correct. We make fewer mistakes than most. We are not a "middle man" but a "middle man" with attitude.

Sounds impossible doesn't it?

Sounds impossible, doesn't it? But that is actually the very job that Reddy Kilowatt does in your home each day—and still the average electric bill of families served by the West Texas Utilities Company amounts to about \$4.00 per month.

A little more than 10¢ a day... for the many pleasures and conveniences of modern living that electricity brings to you at the flick of a switch.

Yes, while the cost of almost everything else you have to buy has gone up—and up; the cost of your electrical service has been held to a low minimum.

Today, in fact, electric service does more to make work easier and living more convenient than ever before. Yet, a kilowatt hour of electric service costs you one-sixth LESS than it did ten years ago!

MAKE BUTTER GO ALMOST TWICE AS FAR

with

Mary Lee Taylor's PET BUTTER SPREAD

Broadcast: January 24, 1948

1/2 lb. butter or margarine
1/4 teaspoon salt 1/4 cup Pet Milk

Cut butter in small pieces. Put in mixing bowl. Let stand in warm room until soft enough to stir with a spoon—as easily as mayonnaise (see note). Let milk stand in warm room also. Butter and milk will blend better if they are the same temperature. Stir milk into soft butter gradually, adding 2 tablespoons at a time using mixing spoon, rotary egg beater or electric beater at low speed. When all milk is added, beat vigorously 1 minute to blend completely. Cover bowl and chill, or pack while soft into straight-sided dish. Keep chilled when not in use. Serve as spread on bread, pancakes, waffles, biscuits, muffins, etc. Makes a little less than 2 cups (1 lb.).

NOTE: If kitchen or weather is cool, place bowl containing butter in large bowl or pan half filled with hot water, stirring butter as it softens.

For This Recipe You'll Need:

What Is A Customer?

He is the MOST IMPORTANT PERSON ever to come in this place of business, either in person or by mail.

He is NOT DEPENDENT ON US, WE ARE DEPENDENT ON HIM. He is NOT an interruption of our work, he is the PURPOSE of it. We are not doing him a favor by serving him, he is doing us a favor by giving us the opportunity to do so.

He is NOT an OUTSIDER to our business, he is PART of it.

He is NOT a cold statistic, he is a flesh-and-blood human being with feelings and emotions like our own, and with biases and prejudices.

He is NOT someone to argue or match wits with. NOBODY ever won an argument with a customer.

He is a person who brings us his wants. It is our job to handle them profitably TO HIM and to OURSELVES.

Sam A. Roberts, Publisher
Alonzo Pate, Editor
Lola Lemmon, Bookkeeper

Entered as second-class matter at the postoffice at Haskell, Texas, under the act of March 3, 1870.

NOTICE TO THE PUBLIC—Any erroneous reflection upon the character, reputation or standing of any firm, individual or corporation will be gladly corrected upon being called to the attention of the publishers.

Pay Your Poll Tax!

There may be some good reason why some of us are late about paying our poll tax, but there is no good reason why any of us should not pay this tax before the deadline, Jan. 31.

The number who have paid their poll tax in Haskell county is far out of proportion to the importance of this year's elections. There likely has never been a time when any policy-making official has needed to exercise more competent judgment than will be the case this year. We certainly should see to it that the men who serve as our governor, our attorney general and our legislators, for instance, should be men of intelligence who will make certain our government will be run wisely and efficiently.

The most important way the average citizen has of expressing his opinion about the government is through the men he elects to public office. There are many important questions that will have to be answered by government during the year and we should make sure that they are answered properly.

Prices Must Come Down

Unless prices drop substantially and quickly, "there is bound to be another round of price increases," declares Economist Robert Nathan, in appealing to business and industry to reduce prices wherever possible in order to stimulate consumed demand upon which high production depends.

It is becoming obvious to many business leaders that industrial production is threatened with being priced out of the market. As prices move up, the demand for products declines. If buyers fail to react to the proffered commodities, there is an accumulation of surplus goods and this means the closing down of manufacturing processes.

There must be something in the conclusions of Mr. Nathan because Robert E. Wilson, president of the General Electric Company, in announcing price reductions ranging from three to ten per cent on a wide variety of consumer goods, says that his firm is taking the initiative in reversing the inflationary spiral.

It is obvious that this explanation is genuine because the company says in many lines it can sell twice as many products as it is now making and that the reduction is not an attempt to reduce profits. Convinced that voluntary action and self-restraint by citizens and companies can do most to reverse the tide of inflation, this company sets an example which it hopes and expects will be followed by others.

HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

20 Years Ago
Mr. and Mrs. Fred Monke of the Myers community have returned from an extended trip in the middle West, visiting relatives in Iowa, Minnesota and Illinois.

The biggest haul ever made against illicit whiskey makers in Baylor county occurred Thursday night when Sheriff John B. Self and four deputies arrested seven men at a still 15 miles northeast of Seymour and lodged them in jail. A 1,000-gallon capacity still and 80 gallons of whiskey were seized, and 3,500 gallons of mash was poured out by the officers.

An electric cancelling machine has been added to the equipment of the local postoffice. This will greatly speed up the dispatch of mail.

Last Friday morning between 4 and 5 o'clock the Sayles school building 5 miles southwest of Haskell burned to the ground. All books and furnishings were lost, with damage estimated at \$3,000, partially covered by insurance.

Mr. and Mrs. Mart Clifton spent the weekend in Wichita Falls. Dates for the 1928 Haskell County Fair have been set for Oct. 4 to 6.

Sam Loe has returned to Houston after spending several days here with his sister and family, Judge and Mrs. J. G. Foster.

Mrs. Leroy Gamble has returned to her home in Abilene after spending several days here with her parents, Mr. and Mrs. T. J. Sims.

A. H. Wair of the Haskell Marble and Granite Works made a business trip to Throckmorton Thursday.

Miss Agnes Cox, who is teaching in the Stamford schools, spent the week end here with her parents, Mr. and Mrs. B. Cox.

30 Years Ago

A. A. Lovvorn of Sagerton was in the city the first of the week marketing cotton and buying supplies.

County Tax Collector Langford reports that 1,694 poll tax receipts have been issued to date.

R. V. Robertson has been appointed Food Administrator for Haskell county.

The local Knights Templar lodge

has invested its surplus of \$210 in War Savings Stamps.

Haskell county schools will receive \$7,295 in State Aid this year.

Miss Effie Nola Long and M. O. Shook spent part of last week at the Shook Ranch with Mr. and Mrs. Roy Shook.

Bruce Bryant, state superintendent of buildings and grounds, is here from Austin to spend a few days.

Frank Dodson of Denton is here for a several days visit with relatives and friends.

W. J. Lindsey, who has been with F. G. Alexander & Sons for a long time, moved his family last week to a farm in Knox county where he expects to farm this year.

The following candidates have announced for office: For District Judge—W. R. Chapman, of Anson; M. A. Hopson of Roby; A. J. Smith of Haskell. For District Clerk—E. W. Loe. For County Clerk—Emory Menefee, M. B. Watson. For Tax Collector—C. D. Long, Ed Fouts.

50 Years Ago

The report of the state penitentiary board, made Jan. 1st, shows 4530 prisoners confined at that date. Haskell county has no citizens in the lot.

Miss Maud Isbell of Knox county is visiting friends in Haskell this week.

County Treasurer Millhollon returned the first of the week from a business trip to Cisco.

The young people enjoyed a pleasant musical Saturday night at the home of J. L. Jones.

J. F. Jones has announced that he would run his gin and mill on the first and third Saturdays each month.

It would be worth a nickle a sight to see nice shade trees growing in the courthouse yard.

Messrs. Hudson and Tandy sold this week to J. G. Owens three cars of beef cattle which he shipped to Kansas City.

The large increase in the number of pupils in our public schools has necessitated the employment of another teacher, making five teachers now engaged in the Haskell school.

Capt. B. H. Dodson is over from Aspermont this week circulating among Haskell folks.

Don't try to resist gorgeous Earth," at the Texas Theatre. Rita Hayworth in Columbia's Technicolor musical, "Down To You can't! Larry (Jolson) Parks is co-starred, At Texas Wed..Thur.

Health Letter

"Keep your body in good physical condition" advises Dr. Geo. W. Cox, State Health Officer. While cold, influenza, and pneumonia are different conditions, all three may be brought on or made worse by lowered bodily resistance, and all three may often be prevented in the same ways.

When these communicable diseases are prevalent, avoid crowds as much as possible and plan your work and recreation so that you will not overtax your strength and get tired out. Be sure that the room where you are is always well ventilated. Drink plenty of water and don't let your system get clogged.

Sufficient rest, cleanliness of hands, mouth and teeth, fresh air while at work and during sleep, regulation of meals and bodily

functions, wholesome food and freedom from anxiety will increase bodily resistance and help avoid contracting these diseases.

One attack of cold or influenza does not confer immunity. Individuals have been known to have several attacks during an epidemic. Segregation of the patient is desirable to avoid giving the disease to others.

If you develop symptoms of a cold or influenza, consult your doctor early and follow his advice.

Veterans' News

More than 43,000 loans on homes, farms or businesses were guaranteed by VA during 1947, bringing the cumulative total for the three states to 75,200 loans with \$227,460,000 guaranteed by the government.

Veterans in training in the 3 state area at year's end totaled almost 254,000. The number in school or institutional work increased 63 per cent compared to a 15 per cent decrease in the number of veterans training on the job.

Postal laws and regulations pertaining to delivery of checks

for many benefits by VA have been greater convenience and beneficiaries. The new regulations checks to be placed county post office mail receptacles in city or rural mail checks affected disabled veterans sistance allowance.

Q. Will my ssaion be reduced training under the GI Bill under the GI Bill? A. No.

2nd ANNIVERSARY

We are observing our Second Anniversary in Haskell this week, and at this time desire to express our appreciation for the splendid patronage we have enjoyed, and for the pleasant associations with a steadily increasing number of customers. For this Anniversary Event we are offering special values throughout our store, only a few of which are listed here.

—THE MANAGEMENT.

LUXURY LAUNDRY
Bendix Help-Ur-Self Automatic

308 North 1st St.—Phone 457J

To keep down your laundry cost this new service is offered you on the Help-Ur-Self style. The charges to you are equivalent to the average charge made by other help-ur-self laundries

METHOD OF OPERATION:

YOU DO THIS—

1. Separate and
2. Place your clothes in the machines
3. Rest or go shopping for 40 minutes
4. Remove the finished laundry from the machines

WE DO THIS—

1. Assist you with heavy bundles
2. Operate the machines
3. If you desire to leave after starting the washing and not to return in time to take them out, we will remove them from the machines and put them aside with your name on them.

At the present time we are equipped to finish your clothes damp washed only. We are planning the installation of electric dryers and mangles in a short time.

REASONS FOR THIS METHOD OF OPERATION—

1. To hold down the charges to you—less hired assistants, etc.
2. You alone handle your clothes—no chance of loss
3. You separate your own clothes—you control the chances of fading

LUXURY SERVICE—

For an additional 10c per machine we will give you curb service. All you need do is to honk, We will take them from the car, do all the work, and bring them to your car when you return for them.

CHARGES—

1. Machines: 30c each including soap
2. Bleach: 5c
3. Bluing: 5c
4. Starch: 5c or 10c

RETURNS FROM ADRIAN
Mrs. H. M. Stone returned home Saturday from a two weeks visit with her daughter and family and Mrs. J. V. Perrin Sr. Adrian. The Perrins are the proud parents of a 6 pound ounce son, born December 24, 1947. He will answer to the name of John Stephen.

HERE FROM SAN ANTONIO

Former Pfc. Charles Dean Tatum of San Antonio, who recently received his discharge, was here last week to visit his mother and brother, Mrs. Verna Tatum and George Tatum of Haskell, and an uncle, Lynn Fraley of Sagerton. The veteran served 22 months in the Marine Corps, and spent several months in China and Guam. He is employed with the Brown Express Company in San Antonio.

HERE FROM ABERNATHY

Mr. and Mrs. Earl Livengood and son of Abernathy, Texas, were week end visitors in Haskell.

RETURN TO ENID

Mrs. Bill Barnes and daughter of Enid, Okla., have returned home after a visit with her parents, Mr. and Mrs. J. R. Edwards of Rule.

CARD OF THANKS

We wish to take this method of thanking each of you who have been so kind and generous to us since the loss of our home by fire. May each of you find the same kind words and thoughts in time of trouble, is our prayer.
Mr. and Mrs. Sam Scott and Janice.

A. C. Pierson made a business trip to Wichita Falls, Saturday.

Clover Farm Store Observing Second Anniversary

The Clover Farm Store in this city, purchased two years ago by E. R. Clifton, is observing its second anniversary as a Haskell business institution this week.

For this event, the store is offering special bargains in all lines and extends a special invitation to the people of this trade territory to visit the store. A number of reduced prices are featured in the store's advertisement in this issue of The Free Press, and other savings will be noticed throughout the store during the anniversary event.

Manager of the store is Marvin Mann, and in charge of the meat department is Willard Lawlar.

District Agent Meets With Club At Rochester

The members of the V. W. club of Rochester were happy to have the District Home Demonstration agent visit with them Tuesday night, Jan. 13.

The demonstration was on yeast bread, led by Miss Louise Newman, County Home Demonstration agent.

The president, Mrs. Paul Grinstead appointed the club committees chairman as follows: Finance, Mrs. T. L. Stockton; exhibit, Mrs. W. G. May; program, Mrs. K. D. Tanner; marketing, Mrs. J. H. Isbell; expansion, Mrs. A. R. Porter; recreation, Mrs. Eugene McNeill; education, Mrs. M. S. Sellers; the bed improvement demonstrator, Mrs. M. S. Sellers; food demonstrator, Mrs. J. H. Isbell.

This was the second meeting for the V. W. club. Three women joined Tuesday night: Mrs. A. R. Porter, Mrs. M. S. Sellers and Mrs. W. G. May. Eleven members were present.

The club members served refreshments to the veteran school boys of Rochester. The next meeting will be the 27th of this month in the Home Economics room of the Rochester high school at 7:00 o'clock.

John H. Banks Asks Second Term As Attorney

District Attorney John H. Banks now serving his first term in office, this week authorizes The Free Press to announce his candidacy for a second term in office, subject to the coming Democratic primaries.

Mr. Banks will doubtless submit a formal statement to the voters concerning his campaign at a later date.

At this time, however, he desires to present his candidacy for reelection, and to express his gratitude to the citizenship and officials of the district for their friendship and cooperation during the time he has been in office. The experience gained, and the friendships formed during this period, have added to his qualifications, he believes, and he can more efficiently handle the affairs of the office, if reelected.

Before the primary is held, Mr. Banks will endeavor to see as many of the voters in the district as possible to place his candidacy before them personally. In the meantime he will appreciate and solicit the consideration of every voter.

Lions Sponsoring March of Dimes

Principal business contracted by the Haskell Lions club in their weekly meet Tuesday centered on the March of Dimes campaign headed by A. C. Pierson, chairman.

Mr. Pierson explained the importance of the campaign as it affected Haskell county, and several dollars were contributed by Lions at the close of the meeting. Guests at the meeting were P. C. Gregg, Roy Young and Wix Currie, who recently moved to Haskell from Ballinger.

NOTICE

As in prior years, interest on consumer's deposit at the rate required by law has been accrued and set aside for payment.

Customers, who so desire, may secure payment of such interest upon presenting their deposit receipt at our office, located at Stamford, or if this is not convenient, by mailing their receipt to the Company. Receipt will be returned with remittance for the interest.

Presbyterians And Methodists Plan Union Meeting

There will be a union evangelistic meeting at the Methodist church, Feb. 15-20th, 10:00 a.m. and 7:00 p.m., except Sunday morning, which will be at eleven o'clock.

This meeting is sponsored by both the First Methodist and the First Presbyterian churches. The people of all churches and those of no church are welcome to share these blessings.

Dr. F. Crossley Morgan, is the guest minister. He is a Presbyterian minister of Concord, N. C. He resigned his pastorate there in order to devote full time to this work. His platform is that of the Bible as affording full and

final authority in all matters of faith and practice.
Dr. Morgan was born in London, England, son of Dr. and Mrs. G. Campbell Morgan.
All are welcome to these meetings.
