Dist. Scouters Meeting Held Thursday

An unusually large attendance marked the monthly Haskell District Scouters paw-wow held on Thursday evening in class rooms of the High School.

Presiding over the meeting was R. L. Burton, district chairman. The invocation was given by Paul Ireland, Chisholm Trail council executive of Abilene.

The meeting was divided into sectional training classes and round-table discussions which included Cub Scout Leaders, directed by Bob Sego; Boy Scout leaders, directed by L. W. Jones Jr.; and Haskell District committee members, directed by R. L. Burton.

The two-hour program also included a Tenderfoot Investiture Ceremony by Troop No. 44 of Rule; Fellowship pedic directed by Jack Hendrix; presentation of Boy's Life magazine by Dale Hewgley, field scout executive of Stamford; 1948 program of training and scouting activities announced by Paul Ireland; presentation of Scouter lapel buttons to all adult scout leaders in the Haskell district by Bobby Kittle of Rule and Carlos Montgomery of Paint Creek; and the presentation ceremony of a Den Chief's Cord by Dale Hewgley.

Haskell County Teachers Hear Anson Man

Stressing the importance and value of improvement in the individual teacher, E. M. Connell superintendent of the Anson public schools and veteran West Texas educator, addressed the Haskell County Teachers' Association in their final meeting of the school year in the auditorium of the Haskell high school Thursday evening.

In a humorous vein the speaker described the teacher as they are seen by the pupils. Presiding over the meeting was Connor Horton, retiring president of the association. Other 1947 officers were R. R. King, superintendent of the Rochester schools, vice president, and Mrs. Iva Palmer, superintendent of Haskell county schools, secretary and treasurer.

Elected for offices in 1948 were King, president; John M. Ivy, superintendent of the Paint Creek Rural High School as vice president; and Mrs. Palmer was re-elected secretary-treasurer, a post she has held for the past three years. She is a past president of the organization.

Elected as delegates and alternates to the Oil Belt Teachers' Association which is to be held in Abilene, March 19-20 were Mrs. L. R. Burkett, principal Haskell elementary schools; Horton; W. P. McCallum, Haskell high school principal; J. B. Lawson, superintendent of the Rule schools; John M. Ivy; J. R. Wyatt, superintendent of the O'Brien schools; and S. H. Vaughtner, superintendent of the Haskell school system.

The Haskell association, a member of District 7, Texas State Teachers' Association, was the first association in the district to reach one hundred per cent membership in the state association, and have had that distinction for the past two years.

Hosts for the meeting were the Haskell high school teachers, and refreshments were served those attending by this group in the school library.

Teachers from Rule, Rochester, Haskell, Sagerton, Paint Creek, Mattson, O'Brien and Weinert were present.

Grandmother Of Haskell Merchant Dies In Ballinger

Mr. and Mrs. Alton Middleton of this city were in Ballinger Monday to attend the funeral of his grandmother, Mrs. Frances Jane Middleton, 78, who died Sunday at 10 a.m. at the home of a son, C. D. Middleton, following a month's illness. She had been a resident of Ballinger for a number of years.

School Trustee Election Set For April 3rd

Voters in the Haskell Independent School District will ballot Saturday, April 3, for two members of the board of trustees to be elected this year.

Present trustees whose terms expire in April are Clay Smith and Wm. P. Ratliff, secretary of the board. Hold-over trustees are Dr. T. W. Williams, Sam Herren, Ted Marugg, W. D. Rogers and Jim Byrd.

Names of candidates for the two vacancies must be filed not later than March 24, with the secretary, Wm. P. Ratliff, to insure a place on the ballot.

Rebekahs From Seymour Visit Haskell Lodge

The Seymour Rebekah Lodge No. 40, visited the Haskell Rebekah Lodge No. 43, Feb. 23, 1948, and initiated two candidates into the Haskell lodge.

The Seymour lodge plans to send their degree staff to the Grand Assembly in Houston, March 13 to 16th, to enter the contest for the degree teams.

The Degree Staff of the Haskell Rebekah Lodge has made much progress in their drill work in the past few months. The entire staff have been invited by the president of the District Association to give the initiatory work in instituting a new lodge at Rule, March 5th.

VISITOR FROM CANADA J. C. Bailey, president of Radville Christian College in Saskatchewan, Canada, was a recent visitor in the home of Mr. and Mrs. James Kennedy in this city. The Kennedys visited in the Ball ey home last summer while vacationing in Canada.

Mr. and Mrs. Alton Middleton of this city were in Ballinger Monday to attend the funeral of his grandmother, Mrs. Frances Jane Middleton, 78, who died Sunday at 10 a.m. at the home of a son, C. D. Middleton, following a month's illness. She had been a resident of Ballinger for a number of years.

Medical Authorities Discount Most Diseases Being Waterborne

(By J. R. Gilstrap) This place in our thinking seems to be as good as any place to dispose of some of the hysterical references to various disorders as being waterborne. Irresponsible writers seize upon statements made by some isolated medical man or pseudo-scientist and repeat them as if they were authoritative. The American Medical Association—the world's greatest group of learned physicians—is continually in a state of embarrassment over M.D.'s who solemnly pronounce judgment upon medical or scientific matter without benefit of adequate research.

4-H Club Boys Show Calves At Wichita Falls

Haskell County 4-H club boys exhibited 9 calves at Wichita Falls, Feb. 25 through 27th.

Gerald Mason placed third in the class of steers weighing under 900 pounds. Buddy Lane placed fifth in this class and sold his calf, weighing 825 pounds at 50¢ per pound. Billy Middlebrook had one calf that placed eighth and one that placed eleventh in this class. Both calves sold for 45¢ per pound—one of Billy's calves weighed 905 pounds and the other 800 pounds.

Larry Wheeler had a calf that placed twelfth in the light class and sold for 45¢ per pound and weighed 820 pounds. Kenneth Lane sold a calf weighing 785 pounds for 44¢. Leroy Schaaek sold a calf weighing 810 pounds for 43¢ per pound. Frank Oman, FFA boy of Weinert, sold a calf weighing 810 pounds for 45¢ per pound.

Lawrence Carter, Former Resident, Dies In Uvalde

L. W. (Lawrence) Carter died in a San Antonio hospital Feb. 18 and was buried in Uvalde cemetery, Feb. 19. He formerly lived in Haskell, moving to Sanderson several years ago to engage in ranching. He had lived at different places in South Texas, and was making his home at Spofford at the time of his death. Mr. Carter was a brother-in-law of Truett Cobb of the Roberts community.

Demonstration of Mechanical Respirator Will Be Given Here

Sponsored by the Haskell Fire Department, a demonstration of the Mullikin Respirator, or "Iron lung", will be given at the American Legion building Monday evening, March 8, beginning at 7:30 o'clock.

A representative of the Mullikin Company, Dallas, will be in charge of the demonstration. In addition to the mechanical respirator, a new model oxygen tent will also be shown in operation. The mechanical respirator to be shown is a portable unit, and can be used wherever artificial respiration is necessary to preserve life. It has been proven a sound piece of emergency equipment in case of accidents, drownings, suffocation, etc., and its prolonged usage in instances of infantile paralysis has made it a satisfactory and valuable unit for hospitals.

The demonstration will be free to the public, and a special invitation to attend has been extended to physicians, firemen, nurses and officers.

Annual Meeting of FHA Farm Group Held Monday

The annual meeting of the Haskell County Ownership Borrowers of the Farmers Home Administration was held in Haskell, Monday, March 1. Attending this meeting were 25 people of Haskell county who have bought their homes through the help of this agency, including two borrowers who have already paid for their farms in full.

The Farmers Home Administration is a branch of the U.S. Department of Agriculture that makes 100% loans to qualified tenant farmers with which to buy farms of their own. These loans are made at 3½% interest with as much as 40% to repay if needed.

In 10 years of operation in Haskell county some 65 of these loans have been made, 25 of which have been paid in full thirty years ahead of schedule. Of the 40 farmers still indebted to the Administration in Haskell county over \$100,000 has already been received in advance payments. These 40 farmers borrowed approximately \$400,000 which means they are at present time 25% ahead of schedule on their loan payments.

Attending this meeting other than the Haskell county borrowers were Mrs. Elizabeth Hoffman, area Home Economist from Dallas; Murrah Nolte, County Supervisor from Parker county, John R. Watson Sr., retired member of the advisory committee for this county; and William E. Lawson, local supervisor for the program in Haskell county.

Announcing for the office of City Marshal of Haskell is Ed Treadwell of this city, longtime resident here.

Scout Council Is Organized

Under the direction of Mr. Dale Hewgley, area scouting representative, business men of Haskell met on February 27 for the purpose of organizing the Haskell Boy Scout Council, of the Methodist Church which is sponsor of the local Scout Troop No. 36.

Business men present were, A. M. Turner, Tom Patterson, J. M. Williams, Joe S. Harper, Alton Middleton, Doyle Eastland, Erwin Brown, Joe Thomson, and Mr. Hewgley.

The committee was organized for the purpose of taking definite action toward assisting and promoting scout work in Haskell, and to support local and national activities.

Actual organization was accomplished as follows: A. M. Turner, Chairman. Tom Patterson, vice chairman. Joe S. Harper, secretary. Doyle Eastland, treasurer. J. M. Williams, Institutional Representative. Alton Middleton, Camping and Scouting. Erwin Brown, Advancement in Scouting. Joe Thomson, Advancement in Scouting.

The committee through its chairman, Mr. Turner, urged that every effort be made to see that Scouting is made available to every Haskell boy and that every boy be prevailed upon to enter Scouting work. As stated by Mr. Turner—"Our boys of today will be our men of tomorrow, and we shall have no stone unturned until we have done our part in helping them to be better men."

Parents of boys of scouting age are urged to contact some of the above mentioned committeemen for any detail regarding scouting and its work.

Names of ten candidates had been filed up to Thursday noon with City Secretary J. Belton Duncan, for places on the ballot in the City election to be held Tuesday, April 6, when seven city officials are to be elected for a two year term.

Deadline for filing for a place on the ballot is Saturday, March 6, and names of prospective candidates must be listed with the city secretary not later than that date. There is no filing fee.

Candidates already listed for the ballot include: For Mayor—Hallie Chapman. City Secretary—J. Belton Duncan, T. J. Arbuckle. Recorder—(City Judge)—Joe E. Pace. City Marshal—George Yancey, Ed Treadwell. Aldermen (Three to be elected)—A. M. Turner, R. W. Herren Jr., Payne Hattox, Ralph W. Merchant. The election will be held in the city hall, with Virgil A. Brown, as presiding Judge. He will be assisted by the following clerks: Mrs. H. J. Hambleton, Mrs. Wiley Quattlebaum, Mrs. Claude Jenkins, Virgil Bailey and R. A. Lane.

Political Lull Broken; Two Announce

An apparent lull in political activity during the past two weeks was broken today, with the announcement of two additional candidates for separate City and Precinct offices.

Entering the race for Public Weigher in Prec. 1 is Wm. E. (Bill) Von Gonten, World War II combat veteran of this city. He is the fifth candidate to announce for this office.

County Home
Demonstration Agent
Texas A. & M. College
Extension Service
(Louise Newman)

Mrs. R. M. Almanrode, vice-president of Texas Home Demonstration Association for District 111 has announced that the meeting will be held in Quanah on April 22. When the plans are completed our county chairman

will receive more definite instructions. This district meeting is a business meeting. Three voting delegations from this county will be elected at a business meeting in Haskell on March 6 following the regular meeting of the county home demonstration council. These voting delegates must be elected by their club and then the top three will be selected to represent the county. In the county election only the club presidents and council delegates are allowed to vote.

A new vice president for this district will be elected at the Quanah meeting. Any club having a past chairman of council as a member may endorse her as a candidate and present her name at the county meeting here so that her name may be presented at the district meeting.

Eleven clubs were represented at the training meeting on Feb. 21. These club leaders will be responsible for presenting the programs for their club during March and for assisting the food demonstrators with their usual demonstration during the year.

Attending the meeting were Mesdames: In Townsend, L. S. Wrenford, and Lewis Hester, New Mid; Kenneth Tanner, J. C. Halliburton Jr., and J. H. Isbell, V. W. Club; Hollis Pitman and A. V. Townsend, Pinkerton; Jim Perrin and S. G. Perrin, Josslet; Corbet Lytle, Blue Burrett, J. J. Wisdom, R. L. Leclair, W. J. Kendrick, Liberty; Guy Marshall, Clyde Walker and C. C. Childress, Dennis Chapel; O. L. Yarbrough, Bill Gann and C. G. Stark, Lucky; Clyde Bland and A. M. Bird, Center Point; N. W. Lowrey and Lonnie Corzine, Tonk Creek; Edward Newton, Mattson.

Club women in Haskell county are beginning the second year of this leadership training work as a part of their club training, and have sent in some of the best reports in the district.

A 4-H Club girl in the county received a compliment from the vice-director and State home demonstration agent, Miss Maurice Hearn when she visited the scholarship contestant, Nova Allison, when she visited the school. When asked what could be done to improve the reports of next year's contestants, Miss Hearn just said, "give us another one as good as this one." We don't know the results of the state contest yet, but that statement sounds promising.

When skirts started down and prices started up Joyce Gilstrap, Amarillo, and Joan Phillips, Marshall, Texas State College for Women freshmen, picked up their needle and thread. Three-fourths of TSCW's 2,390 students did likewise and learned they could save almost \$100 a year by making part

of their own clothes. The average student spends \$363 on clothes, saves \$90 by sewing. Freshmen who make few of their clothes average \$773, and buy more classroom clothes, while upperclassmen spend on dress and evening wear. Miss Gilstrap and Miss Phillips designed and made the dresses modeled.

Reclamation Is Topic At Club Meeting

The Magazine Club met in the club house Friday, Feb. 27, for the regular program. Club hostesses were associate members, with Mrs. Henry Atkinson as chairman. Decorations were lovely arrangements of Forsythia, our earliest spring blooming shrub.

Mrs. Terry Diggs, club president, heard committee reports and made a few brief observations about the Pierian Club Tea in Stamford, Thursday, Feb. 26. As district chairman, she told of plans for the Breckenridge club convention April 15-16-17. She presented Mrs. T. G. Cahill for program director. After her introductory comments and map displays of national monuments and parks, she introduced Mrs. W. Q. Casey for the topic, "National Monuments." Her description of several of the thirty-two national monuments was interesting.

Mrs. Johnny Banks discoursed on "Results of the Federal Reclamation." She gave an account of the bureau's work under Dr. Harper, who is responsible for the reclamation of seventeen states which had misplaced moisture that is replaced by irrigation. She explained why Boulder Dam is so named, the expense of upkeep and that we will see later on what our tax money will do.

Mrs. John Rike brought an illuminative talk on political aspects. She called attention to the main points of the recent Jackson Hole monument controversy and of the cattle grazing in the national parks.

Accompanied at the piano by Mrs. O. E. Patterson, Mrs. Eugene Tomp sang a solo, "God Bless This House." Mrs. Diggs concluded the program and Mrs. Henry Atkinson and associate members served an ice course, using the St. Patrick's color scheme.

Those present were Mesdames Diggs, Burkett, Fields, Atkinson, Neely, Mikuta, Banks, McColium, Cahill, Smith, R. L. Harrison, Tomp, Florence, Hansen, Lewis, Huckabee, Kimbrough, Wheatley, Gilmore, Vaughter, Casey, Bailey, Atchison, Thornton, Ada Rike, John Rike, Fitzgerald, Palmer, R. C. Miss May Fields Hosts Ladies Aid

Miss May Fields entertained the ladies aid of the First Christian Church Monday afternoon in her home with Mrs. Courtney Hunt as leader and Mrs. W. A. Duncan as hostess.

Mrs. Hunt gave the invocation, reading First John, followed by prayer.

Reading of minutes by Mrs. Roland Tilley followed by a brief business discussion. Fifteen dollars was donated to a widow of Boise, Idaho, attending college. Modette Collins gave the devotional, "Blessed Are They," Matthew 5:1-16, stating the beauty of the Lord, found in the Beatitudes.

Prayer by Mrs. A. G. Mikuta. Mrs. Jesse B. Smith gave an interesting talk on Christ the Light for the Dark Continent, Africa, and showing a map of Africa.

Mrs. W. N. Huckabee gave an interesting report on snapshots of South Africa.

Mrs. Courtney Hunt dismissed with prayer.

Mrs. W. A. Duncan assisted by Miss May Fields, served refreshments to Mesdames: Jesse B. Smith, A. G. Mikuta, Roland Tilley, Courtney Hunt, W. N. Huckabee and Miss Modette Collins.

The quarterly meeting of all the church women of Haskell will be held March 29, at the First Christian Church.

Spring Gardens Coming Up

The spring garden situation is running a little behind schedule in soil preparation due to the recent unfavorable weather the past 30 days, says J. F. Roseborough, extension horticulturist of Texas A&M College, the most gardeners have not been able to get their soil ready at the right time. January's weather brought soil temperatures down pretty low, and in many localities the soil is extremely wet.

At the first chance, when the sun warms up things a little, the soil should be plowed into beds; wait several days then rebed to increase warmth of soil, and to aerate the soil through plowing.

Commercial fertilizer should be applied seven to ten days before seed planting time; five or six pounds of 5-10-5 to 100 feet of row is good, will provide a quick meal for young plants and stimulate early growth.

Barley fertilizer is a good substitute for commercial in the blackland areas of Texas. Use 50 to 100 pounds of the barley fertilizer per 100 foot row space.

When good weather gets around any of these can be planted, Roseborough says: onion plants, beets, carrots, English peas, lettuce, Irish potatoes, sweet corn and spring cabbage.

VISIT IN ABILENE

Mr. and Mrs. Arlos Weaver and daughter Tanette were in Abilene Saturday.

Eal Treadwell Is Candidate For City Marshal

Eal Treadwell, resident of Haskell and Haskell county for the past 40 years, this week announced his candidacy for the office of City Marshal in the City election to be held Tuesday, April 6th.

Mr. Treadwell needs no introduction to the voters of Haskell being personally acquainted with a majority if not all the citizens of the town. He is fully qualified for the office, having a background of experience through the fact that he has worked with previous administrations of local enforcement officials, including the late M. S. (Uncle Tobe) Edwards—former sheriff and City Marshal, W. E. Welsh, and I. W. Kirkpatrick.

If elected, it is his intention to devote his best efforts to discharge the duties of the office in a fair and impartial manner, and to seek the cooperation of the entire citizenship, as well as all other city and county officials.

During the short time remaining before the election is held he plans to see as many of the citizens of Haskell as possible to discuss his candidacy personally. In the meantime he will appreciate any consideration given him.

HASKELL CAMP FIRE LEADERS MEETING

The leaders of the Blue Birds, Camp Fire, Junior Janes and Horizon Club, met Tuesday afternoon in the High School auditorium. Miss Harriet Dively, regional supervisor, was present to discuss Birthday Week, March 14-20. The 1948 Birthday project has for its theme "Hello, World, Let's Get Together." Window displays will be made by the groups of Haskell to help carry out this idea.

It was noted that all members would obey the first Camp Fire law—Worship God—by attending church in a group on March 14. During the week all the girls will wear their service costume, and participate in some activity.

Mrs. Bill Wilson was elected as a temporary chairman of the Leaders Association, with the first Monday of each month to be the regular meeting day. Present were Messrs. Bill Wilson, Bernard Phelps, W. Q. Casey, S. E. Lane, Sam Herren Jr., Miss Kathleen Crawford and Miss Harriet Dively.

V.W.H.D. CLUB MET

The V. W. H. D. Club of Rochester met Tuesday night, Feb. 24th.

The house was called to order by the president, Mrs. Paul Grinstead.

Mrs. K. D. Tanner lead the song, America.

A demonstration was on different types of yeast rolls, given by Mrs. J. D. Isbell and Mrs. J. C. Halliburton. The rolls turned out very nicely.

The meeting adjourned by serving sandwiches, cokes, cake and candy.

Next meeting will be March 9 at 7:00 p.m., at the Rochester High school.

Bill Von Gonten Asks Office Of Public Weigher

W. E. (Bill) Von Gonten of this city has authorized The Free Press to announce his candidacy for the office of Public Weigher in Precinct 1, subject to action of the Democratic primaries.

A native of Haskell county, Bill was born and reared on a farm in the Irby community, and is well and favorably known to a majority of the voters in the precinct. He is a veteran of the late war, serving as an infantryman in the Army for two years, three months of this time overseas in the Pacific combat zone. Since his discharge he and his wife have made their home in this city. They have one child.

He has never asked for public office before, but believes he is qualified through determination to devote his time and efforts, if elected, to giving farmers and business men capable and efficient service as their Public Weigher.

Before the election is held, Mr. Von Gonten plans to make as intensive a campaign throughout the precinct as possible, in order to personally discuss his candidacy with the voters, and in the meanwhile will appreciate any consideration and support given in his behalf.

How About The Little Man?

There are hundreds, possibly thousands, of organizations in the United States bestirring themselves to give advice to the public and to the government in connection with public policies.

One of these organizations is the Economists' National Committee on Monetary Policy, which includes fifty-three university professors. It is a private organization with headquarters in New York and has been conducting an economic survey since 1933.

The group recently recommended eighteen steps to combat inflation. Among the recommendations was one providing for the retention by business enterprises of a large percentage of earnings for improvement and expansion of business, with a revision of tax laws to permit this retention without penalty.

We are not quite sure what the economists mean by "business enterprises," but we doubt if the term embraces the individual who operates his own business. Unless it does, the adoption of the recommendation would mean an additional advantage to corporations without extending an equal advantage to businesses operated by individuals.

"It ain't fair!"

"There oughta be a law! Everything in our house runs by electricity—but this!"

Poor Butch has to do things the old mechanical, hard way. Mother has low-cost, dependable electric service to help her cook and clean, wash and iron and sew. Dad runs his razor, and his workshop, too, by electricity. In fact, the whole family enjoys light, comfort, and entertainment when Reddy Kilowatt, your electric servant, jumps to their service at the flip of a switch.

Never before has electric service done so much to make life comfortable for so little! Yes, in spite of high production costs, The West Texas Utilities Company furnishes residential consumers electric service at rates 17% less than ten years ago.

The skill and experience—the "know-how" and the efforts of your friends and neighbors in this company have combined to keep the price of electric service low—and its usefulness greater than ever before.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: The Western Plains Oil & Gas Co., a Delaware Corporation without an office or agent in this State.

Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a.m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 29th day of March, A.D., 1948, at or before 10 o'clock a.m., before the Honorable District Court of Haskell County, at the Court House in Haskell County, Texas.

Said plaintiff's petition was filed on the 12th day of February, 1948. The file number of said suit being No. 7483.

The names of the parties in said suit are:

Treasurer.

Farmers of this section are rejoicing over the fine farming season for this time of year.

Rev. M. L. Moody of the Methodist church, assisted by Rev. L. C. Rogers of Proctermorton, have been holding a protracted meeting here during the week.

VOLATILITY CONTROLLED TO GIVE YOU FAST STARTS!

Dorothy Whitely Welton, as Plaintiff, and Western Plains Oil & Gas Co., Inc., as Defendant.

The nature of said suit being substantially as follows, to-wit:

I Heretofore on the 14th day of November, 1947, plaintiff recovered judgment in the Superior Court of the State of Delaware in and for New Castle County, against the Defendant, Western Plains Oil & Gas Company, Inc., for the full sum of \$15,216.30, in a suit theretofore brought and maintained in said court by plaintiff against said defendant on service of process duly had in accordance with the laws of the State of Delaware, and that there by the defendant bound and obligated to pay unto plaintiff said sum of \$15,216.30, with legal interest thereon at the rate of six per cent (6%) per annum from said date until paid, aggregating \$15,406.50 as of February 1, 1948; but said amount said defendant has wholly failed and refused to pay, to plaintiff's damage in such amount, with interest.

II That said judgment was based on the demand note of said corporation in the sum of \$15,000.00, executed by said defendant to Herbert C. Smythe Jr., and by the said Herbert C. Smythe Jr., for valuable consideration endorsed and delivered to plaintiff before maturity, whereby plaintiff became the legal holder and owner thereof and entitled to recover thereon, as she did under and by virtue of the terms of said judgment.

III Wherefore, plaintiff sues and prays that the defendant be cited to appear and answer herein, as provided by law; that upon hearing hereto she have judgment for the amount of her debt, with interest, costs of suit and general

relief. Issued this the 12th day of February, 1948. Given under my hand and seal of said Court, at office in Has-

kell, Texas this the February, A.D., 1948. JESSE B. (Seal) Haskell

County Becoming Nutrition Conscious

Miss Louise Newman, nutrition chairman of the Haskell County Chapter, reported that over 500 citizens of the county have been reached by some form of nutritional information since January 1, 1947. Most of this work was done in connection with her position as Home Demonstration agent.

In connection with the program on food preparation with Home Demonstration clubs and 4-H clubs, 160 girls attended eight demonstrations on vegetable cookery. Demonstrations on the uses of milk in the diet were given to

joint meetings of the girls and boys clubs; the agricultural agent discussed "Clean Milk and How To Get It", and a demonstration on mixing chocolate milk was given. 122 women attended 12 meetings at which demonstrations on the preparation of vegetables to retain maximum food values were

Just Communism, Again

Things have not been going well in France and Italy. Press reports speak increasingly of Communist-inspired rioting. These riots, in which people are being killed and many injured, are in perfect keeping with the well known methods of the Communists. They work with peaceful ways until they think they are strong enough to win with violence—showing their real colors.

When I visited Communist headquarters in Paris last year, it was clear from their own talk that they were building upon hate. Events that have come to pass therefore are not surprising. Where the individual is not respected, violence may be expected. Most of the hatred, destruction, and chaos still stalking the earth may be laid at the door of those bitter and false philosophers who have denied human rights and liberties!

Misuse of Labor
Of such is Communism, both in theory and in action. In the recent French elections, when the de Gaulists (anti-Communists) gained ground, the French Communists were ready to go into action. They had gone as far as they could by peaceful action, so the Communists used violence to take the great port city of Marseille. American and British flags, hanging in Armistice celebrations were torn from the city hall. Confusion was rampant.

Communist-led unions in other cities began to go out on strike, to add to the confusion. Coal miners and auto workers struck. The Communists have called for "committees of defense," to resist the peaceful election victory of the followers of de Gaulle. France continues to call up soldiers, anticipating continued trouble. Civil war could develop.

It is noteworthy that French Communists hold labor captive. So powerful is the Communist-led Trade Union Central committee, that apparently whenever it says so, a general strike is begun. It is a pity that, as desperately as France needs peace and production, its workers are misled into contributing to the political chaos. In Italy, the Communists also failed to win an election and adopted methods of violence in an attempt to start a civil war.

What Agitators Want
These things are not surprising. They are just the ordinary, well-established tactics of the Communists. But to Americans, these events must serve as warning. If we want to preserve peace, harmony, and prosperity, we should keep our own people well-informed. When Americans see through these tactics with understanding, it will be impossible for us to have enough Communists and "fellow travelers" to create such violence in America.

We should pay attention to trends, lest we give our Communist agitators the assistance they want: 1. Regulations on industry that would limit production and add to shortages of goods. 2. High taxes of a nature that limit capital flowing into tools of production, to make it appear the government should produce goods. 3. Industrial confusion, creating misunderstanding and suspicion between workers and employers. The agitators just love those things!

given. Charts showing the food elements in the various vegetables were studied so that vegetables could be selected to provide a well balanced diet. Copies of the Texas Food Standard, prepared by the Texas Nutrition committee, were given to each home demonstration and 4-H club member, and a multiple-choice type test on the selection of a well-balanced diet was given to show them how to use the food standard in planning meals.

Two federated clubs, the Progressive Study club of Haskell and the Philadelphia club of Rule had programs on nutrition subjects. A short discussion on the importance of good nutrition and a quiz was given by the former club and a talk on "Nutrition Problems in Our County" was presented by the latter.

Health Letter

With the incidence of measles more than three times higher than the seven year median, Dr. Geo. W. Cox, State Health officer, has issued a statement concerning the use of gamma globulin for protecting very young or frail children from an attack of this perennial childhood disease and its often serious complications.

"If you have a child less than five years old who has been exposed to measles, your family doctor may recommend giving him gamma globulin, Dr. Cox advised. "Through city, county or state health departments, doctors can obtain gamma globulin free, when parents are unable to pay. Infants and children, whose health makes it inadvisable for them to suffer an attack of measles, may postpone the disease if gamma globulin is administered within eight days from the time of exposure.

The State health officer emphasized the fact that gamma globulin cannot give a child permanent protection against measles and added that the protection against measles is ordinarily about three weeks duration. However, there is no limit to the number of times it can be used, and a baby who is protected by it again in June or July, Gamma globulin can go on shielding him against measles until he is old enough and strong enough to stand an attack without serious consequences.

During an outbreak of measles it is well to keep children under five years of age, and more especially frail children, away from all other youngsters who might serve as sources of infection. Statistics show that nine-tenths of all measles deaths occur in children under five years of age.

NORTH WARD P.T.A. HAVE INTERESTING PROGRAM

The North Ward P.T.A. met Thursday Feb. 19, with Mrs. Leonard McNutt directing a very interesting Founder's Day program.

Mrs. Fitzgerald's first grade pupils presented several special numbers commemorating Washington's birthday.

The history of founding of the parents and teachers organization was portrayed in a radio skit given by Mrs. Bob Herren, Mrs. R. A. Lane, Mrs. Bud Herren, Mrs. Bill Woodson and Mrs. Blackie Berryhill.

Mrs. Harold Weise and Mrs. Sam Herren were hostesses for the occasion.

Accident Casualties Greater Than Disaster Toll

Mrs. L. R. Burkett, accident prevention chairman of the Haskell County Chapter American Red Cross, contends that it is more dangerous to be a farmer than a soldier in wartime or a policeman at a riot or a fireman at a fire. More farmers and farmer's wives and children are killed or crippled by accident than any other group in this country. For instance, 16,000 farmers died last year by accident—16,000 avoidable accidents. The greatest number die because they try to oil or unclog or adjust moving farm machinery. Next to machinery, livestock is the greatest killer of farm people who die at their work.

Disasters are front page news to Americans because they threaten a great number of lives. But the lives lost day by day by ordinary un-spectacular accidents, make the disaster tolls small by comparison.

The main cause of home accidents in both the rural and urban homes is the common ordinary fall; a slip on a loose rug, your heel catching on the stairs, tripping over the baby's toys, a catch in the linoleum. Falls come from just such little things that someone could have picked up or remedied in a second of prevention.

Not to be overlooked are the dangers which confront school children. Copies of the publication "Accident Prevention Check List for Child Safety" have been ordered to be distributed among the pupils in all grade schools in the county. Instructors manuals, "Youth On Guard Against Accidents" are being issued to every teacher.

The accident prevention division of this chapter will continue publishing hazard lists and numerous statistical reports to remind people that we can become a safety council in our county by merely thinking and observing the simple measures which could prevent major casualties in towns, at schools and on the farms.

Wm. P. Ratliff Is Speaker At PTA Meeting

Mrs. Jack Whitaker was director for the P.T.A. meeting February 26 at 3 p.m. for the south ward. The program opened with the third grade giving a special number, "Getting Together," which was enjoyed.

After the singing of America by the audience, the speaker, Mr. W. P. Ratliff was introduced, who spoke on "Your Government Is You." He pointed out each and every one of us played an active part in government. Today we are very largely dependent upon one another for freedom, health and safety, as well as the necessary

things of life. Every citizen should make it his business to know as fully as possible what his government is, and what it should become. We enjoyed his talk very much.

With the help of the sixth grade girls, Mrs. Townsend served refreshments to members and visitors. After a short business session a room count was taken with the third grade winning a dollar for having the most mothers present. This brought the meeting to a close.

VISIT PARENTS

Mr. and Mrs. Jack Bettis and family of Fort Worth were week end visitors in the homes of their parents, Mrs. Harry Bettis and Mr. and Mrs. Henry Smith of the Cottonwood community.
