

Explosion Heavily Damages Muleshoe Locker Plant

FIRE TRUCK-CAR---Bailey County Fire Truck, Unit 14, collided with a 1965 Chrysler Imperial being driven by Mariet Grey Lamb, 1112 N. New Hampshire, Los Angeles, Calif., while enroute to a fire at 400 West Avenue F. Miss Lamb is visiting here with her brother, Gil Lamb, owner of the vehicle. H. E. Reeder, Jr., was driver of the fire truck and was not injured. Miss Lamb and Gladys Jackson, a passenger, are in West Plains Hospital being treated for minor injuries.

EXPLOSION SITE---This is the remains of the east side of Muleshoe Locker Company, located on Main Street. The explosion is thought to have been from a spark from a brush-type motor which was started in the rear of the building, igniting an accumulation of gas.

An explosion, an accident and a fire resulted in heavy property damage and kept emergency units and utility companies on the move from mid-afternoon Monday until noon Tuesday.

An explosion at Muleshoe Locker Co. at mid-afternoon Monday knocked out the north wall and the east side of the building. Debris was strewn over the area and two pickups sitting on the north side of the building were damaged by flying tile and timber.

Owner Vance Wagon was struck on the back by a board and flying glass cut him about the face. An Armour meat company salesman, Glen Erquhart, Lubbock, had just walked into the building when the explosion occurred and was also cut on the left cheek by glass.

All cuts were minor and none of the Locker Company employees were injured. A possible accumulation of gas is believed to have been ignited when an employee, Amando Aguirrez, flipped a switch to a brush-type motor. Fire Chief Earl Ladd said "The motor had been disconnected and Aguirrez had put

it back in order. It being brush-type, it produced sparks, thus set off the explosion. A leak in the main gas line outside the building was discovered."

The front section of the building, housing the cold storage plant, was not damaged and all food is being kept as usual. The back of the building where the explosion occurred, housed the curing plant, slaughter room and storage. All that portion of the building was demolished.

Wayland Altman Commissioner Candidate

Wayland Altman

Wayland Altman has announced his candidacy for Bailey County Commissioner, Precinct 3, subject to the action of the Democratic Primary, May 4. Altman, a resident of this county for 32 years, lives four miles north of Maple.

In making his announcement, Altman said "I pledge to serve the people of the Precinct and Bailey County to the best of my ability at all times. "Your vote and influence will be appreciated in the coming election."

Voter Count 2,960

This is total registration of voters at Bailey County Tax Assessor-Collector's office at mid-morning Wednesday. Substations have not reported their voter registration totals.

Truck Enroute to Fire, Car Collides At City Intersection

DOUBLE SHUFFLE---While some firemen carried smoldering household goods out of the Bob Breckenridge home Tuesday morning, others searched the house for a noise, thought to be a baby . . . but it turned out to be a cat . . . then others were taking the water hoses into the house through the doors and windows to extinguish the blaze which apparently started in the water heater closet.

Fire, Smoke Damages Two-Story Apartment

A 9 a.m. fire damaged a two-story duplex at 400 West Avenue F, Friday. "The fire started in the water heater cabinet where inflammable materials were stored," property owner Dr. W. F. Birdsong said.

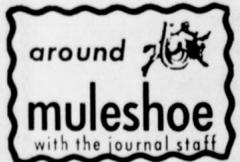

The lower floor of the duplex is occupied by Mr. and Mrs. Bob Breckenridge.

"The actual blaze," Fire Chief Earl Ladd said, "was confined to a small section of the dwelling, however, smoke damaged the upper apartment occupied by Paul Willbanks."

In commenting on the situation, Mrs. Birdsong said "I had no idea our Volunteer Fire Department could work so efficiently. They did a marvelous job. A cat inside the house made a noise like the Breckenridge's baby might have been in there, and if it had been, they would have saved it . . . cause they went right in through that smoke and came out with the cat . . . they deserve 20 medals for their work on this one fire."

Dr. Birdsong said both occupants would be in other quarters for about 10 days, then could return to the newly-repaired homes.

Chief Ladd said most of the interior would require redecorating due to smoke damage.

Harmon Elliott spoke at the Rotary Club meeting at noon Tuesday reviewing some of the events and facts gathered when members of MAIF and area farmers were in Springdale, Ark. last week. They visited with owners of tomato canning firms. A guest at the meeting was Bill Millen.

The jury commission met last Saturday to select three panels of 60 petit jurors. They are each to be numbered one through three, consecutively, and consist of one panel of 16 grand jurors.

Barney C. Stonecipher was among 300 Humble dealers who attended a two-day convention held in Austin. The convention was sponsored by the Humble Oil & Refining Company.

Two persons are being treated for minor injuries suffered in an accident when a car driven by Mariet Grey Lamb was in collision with Unit 14 of the Bailey County Fire Department. The accident occurred at the intersection of West 3rd Street and Avenue F.

Miss Lamb and a passenger in the car, Gladys Jackson, are in West Plains Hospital. H. E. Reeder Jr., driver of the fire truck was not injured.

Reeder was driving the lead truck, being followed by the other two trucks, enroute to the fire when the accident occurred a half-block from the scene of the fire.

Investigating officer Gene Sisemore said estimated damage to the 1965 Chrysler Imperial, belonging to Gilbert Lamb, brother of the driver of the vehicle, was estimated in the vicinity of \$500 and damage to the fire truck was about \$250.

Future of Area To Be Topic Of Special Event

Muleshoe Jaycees are sponsoring a meeting for all young men in the area Thursday, February 1 in the Muleshoe High School cafeteria at 7:30 p.m. Don Nelson, editor of the Castro County News, Dimmitt, will be principal speaker.

Discussion and topic of the evening will be on the future of the Muleshoe area.

All young men in the area are urged to attend.

Library Friends To Meet Friday

Joe Harbin, president of the Friends of the Library for 1967 announced the annual meeting of the Friends will be held on Friday, February 2, at 5:15 p.m. in the meeting room of the Bailey County REA building.

A report from the nominating committee will be heard, and election of officers for year 1968 will be held; also plans for the year will be discussed. All members are urged to attend.

Student Opportunity Plan Ready

Buff Morris, director of the Students' Opportunity Plan at West Texas State University, will be in Muleshoe February 5 to explain the plan to our community. Morris will also explain the plans of student help that are available state-wide for college students. The first session will convene at 9 a.m. for all high school students. Interested citizens, and particularly for parents who know definitely that their boy or girl will need financial assistance to attend college. At 7:30 p.m. the same day, Morris will again present the plan for representatives of local organizations of Muleshoe and the surrounding area. Both sessions will be held at the Chamber of Commerce. MAIF Chairman Impressed With Community Image

A meeting of the Businessmen's Activities Committee of the Muleshoe Chamber of Commerce was held Tuesday at the community room of Muleshoe State Bank.

Lindell Murray presided, giving a review of the accomplishments of 1967 and a financial statement, which revealed that at the beginning of the 1967 work year, the committee was in debt over \$40 and had \$303 to begin the year of 1968.

Harmon Elliott, chairman of the Muleshoe Area Industrial Foundation, gave a report on a trip made by member of the organization and two area farmers to Springdale, Ark. where they visited tomato canning factories and with owners of the industry.

Elliott spoke at length on the community image of Springdale. Accompanying Elliott to Springdale were W. Q. Casey, Harry Lee, Ernest Locker and Kenneth Hanks.

Elliott said: "When we arrived at the Holiday Inn in Springdale, there on the marquee, in large red letters, were

the words, "Welcome, Muleshoe, Texas." All reservations had been taken care of, meals arranged at the finest restaurants, entertainment and tours to points of interest were well organized.

"Although business, which was our mission there, was with some of Arkansas' busiest and most wealthy men, they had time for conferences with us and visiting with us.

"We toured one of this company's warehouses and saw the 40,000 cases of tomatoes in this one warehouse and were told that the company had five such warehouses."

Elliott continued, "This gave us an insight of what a community image should really be. Each person in a town has a personality and the combined personalities make up the community and we can polish the image of our town by each of us polishing our own personality. The friendly atmosphere which Springdale has can be put into practice here."

Information needed by the Springdale firm was presented by those attending the meeting

there and their representatives are expected to be in Muleshoe within about three weeks," Elliott concluded.

Clodfelter Spearheads Victory

Lee Clodfelter, who is equally at home on a football field, the baseball diamond, or - the basketball court - spearheaded the Muleshoe Junior High School eighth grade team to their fourteenth victory of the year. This all-around athlete was high-point in a Monday night game against the eighth grade Cubs of Gattis Junior High School, Clovis.

The winning streak of the Muleshoe eighth graders continued with their 47-37 victory over Gattis. Clodfelter scored 12 points to lead his team, with fast Randy Field, following closely with 11 points.

Mike Riley, racing up and down the court, lobbed 8 points through the basket, and Jimmy Steptoe, in an unusual burst of straight shots, made two of the more spectacular baskets of the game, and racked up a total

Political Races Taking Shape: Commissioner Posts Contested

MEMBERSHIP CHAIRMAN---Among those appointed in a recent meeting of the executive board of the Chamber of Commerce was John Shelton, who will head the annual membership campaign drive. Plans and committees have not been named, however, all plans are being formulated.

A political race is shaping up on the home front as candidates and prospective candidates eye the February 5 deadline for filing for places on the May 4 election ballot.

Commissioners for Precincts one and three have the most candidates on the ballot, already and two are on the Democratic ticket for the place of Constable.

Four have filed as candidates for County Commissioner, Precinct 1 and three have tossed their hats in the political ring for Commissioner of Precinct 3.

Those on the list for election for Commissioner in Precinct 1 are W. L. (Lewis) Middlebrooks, Sherman Inman, Wayne Williams and Matt Dudley.

The three who have announced as Commissioner candidates for Precinct 3 are L. E. (Bud) Warren, W. H. Eubanks, incumbent, and Wayland Altman.

Two are seeking the office as Constable. They are Arthur L. Bolton, incumbent and Roy Bayless.

The remainder of the offices for which candidates have filed are all incumbents and unopposed at this time.

They are Jack Young, District Attorney, District 154; County Tax Assessor-Collector Jean Lovelady; State Representative, District 72, Bill Clayton; Bailey County Sheriff, Dee Clements; County Attorney, Roger Gorrell, and State Board of Education, Judge William H. Evans, Lubbock.

Novel Wedding Read in Police Chief's Office

Muleshoe, often noted for the novelty of it all . . . from the name itself, to the events which take place here, has another such item to add to the list . . . a novel wedding.

It took at least one member of all three departments of law enforcement offices, the Justice of Peace, a Green Memorial Hospital technician and a county clerk's deputy to complete the mission at an unorthodox hour . . . but none-the-less . . . mission accomplished.

It happened this way. For sentimental reasons, Jerry Houser and Virginia Stringer, ages 36 and 38, wanted to get married on January 27 . . . and that they did. The Austin couple drove to

Clovis, N.M. where they thought there was not a three-day waiting period. Once there, they found there was.

The Clovis Police Department radioed the Muleshoe Police Department in reference to the waiting period here and after a check, they were informed they could get married here.

So, the couple headed their GTO back to Muleshoe where City Police Department dispatcher began making arrangements. Betty Noble, lab technician assistant at Green Memorial Hospital was called back to work and made the blood tests. Deputy Sheriff Bobby Henderson unlocked the Bailey Cont'd. on Page 2, Col. 6

In a one-sided tilt played at Clovis in Gattis Junior High gym, the plucky seventh graders, who couldn't lay up their shots against their opponents, didn't give up, and played gamely to the end of the one sided-tilt.

Raymond Davenport was the high pointer for the seventh graders as he made 7 points; followed by Roger Williams, who had 4; Charles Young, Rex Black and Steve Wright each had 3 points and Danny Blaylock had 2 points.

John Scott was high pointer for Gattis with 18; followed by James Parker with 10, Steve Miner 7; Tommy Doolittle 5, Donald Beachum and Curt Phillips each had 3 and Doug Johnson had 2 points.

Gattis Junior High's ninth graders widened a lead from the 10 point difference at half-time to a 36 point difference at the end of the game when

they played Muleshoe's ninth graders at Gattis Junior High gym Monday night.

With Gattis in the lead in each quarter the halftime score stood at 28-18 and in the final quarter the score widened to 80-44.

FRESHMEN BOYS

A concentrated attack by two Gattis cagers, who couldn't be stopped, saw a combined 46 points from the two players light up the scoreboard. Roger Jackson, who made 26 points and Donnie Williams, who made 20 points, paced the amazing Gattis team.

Terry Gunter made 11 points for Muleshoe to lead the scoring for the ninth grade team, Steve Black followed with 8, Lewis Morris, who also scored the first point in the game for the Muleshoe team, scored 7 points; Jerry Putman had 6 and Dana Cockrell had 4; Jerry Scoggin and Keith Turner each had 3 points and Kenneth Carpenter had 2 points.

An unusually large number of fouls were committed during

the game, as a combined total of 55 fouls were counted. The Muleshoe team scored 20 points on free throws, as compared to 22 points for Gattis.

This weekend, the seventh, eighth and ninth grade teams will journey to Friona for a three-day tournament, and next Wednesday will play Gattis of Clovis here in the Muleshoe Junior High gym. Final games for the season will be another three day tournament to be played February 8, 9 and 10 at Hereford.

"B" TEAM BOYS

Both the Muleshoe "B" team and the Varsity team were defeated at Perryton last Saturday afternoon.

In a final 10-point spread in the score, Muleshoe's B team was defeated by the Perryton B team by a score of 53-43.

Ricky Botkin was high-pointer in the game with 12, followed by Roy McCormick with 10 points, John Woodard had 8; Jesse Clemmons 4, Bobby Burge, 3 points and Dennis Beene, Lionel Patterson and

Jeff Chapman, 2 points each.

VARSITY BOYS

In the varsity game, Perryton walked over the Mules with a score of 81-52. The 14 points scored by Don Huff were not enough to carry the Mules through a low shooting game.

Terry Field was second high pointer with 9 points, followed closely by David Davis with 8; Alvin Walker had 6 points and Eddie Derrick and David Dillman each had 5 points; Jim Putman had 4 points and Ronnie Barrett wound up the scoring with 1 point.

On Friday, February 2, these two teams will journey to Canyon to meet the Canyon "B" team and the varsity team.

FRESHMEN GIRLS

Sue Brake, a fast-moving, hard-hitting, straight shooting freshman from Slaton, proved to be too much for the freshman girls of Muleshoe to overcome as she spearheaded a 66-31 win over the Muleshoe freshman girls' basketball team in Muleshoe Junior High gym Tuesday night.

Although Janice Head scored 17 points for the Muleshoe team the scoring for the Muleshoe girls, Sue Brake's 26 points paced the entire game. Slaton was in the lead all the way, with a 33-18 lead at halftime which spread to 51-23 by the three-quarter mark.

"B" TEAM GIRLS

After leading at the one-quarter buzzer by a score of 6-4 and at halftime with a score of 10-7, a last half recovery by the Slaton "B" girls' team went on to defeat the Muleshoe girls' B team by the score of 39-24.

Annette Williams led the scoring for the girl's team with 10 points, followed by Karen St. Clair with 6, Gay Etta Gable had four and Billie Lindsey and Sherry Roberts each had two points.

Mary DeLeon led the Slaton girls to victory with 20 points to her credit, Judy Eblen had 11 points and Debbie Bush had 8 points.

VARSITY GIRLS

A big 24 points scored by Carolyn Embry to match the 24 points scored by Marilyn Davis for Slaton just wasn't enough to keep the Slaton varsity girls from winning the final game of the evening Tuesday at Muleshoe Junior High gym. The score wound up with 48-36 in big bright red letters on the scoreboard.

Forward Joyce Puckett, who suffered a badly sprained foot in practice last Friday, was sidelined for the game.

Debra Hayes, who proved to be a late-starting, hard-hitting goal maker, started too late in the game for her score of 8 points to make the big difference in the game. Ann Douglass scored 4 points.

Jackie Clark, another varsity girl for Slaton who managed to find the basket fairly often, scored 14 points.

County courthouse so that the marriage license could be issued by clerk's deputy Rhonda Spies.

Meanwhile, back at the Police station, the office of Police Chief Harold White was being made ready for the wedding ceremony to be read.

With all the preliminaries out of the way, Justice of Peace Joe Vaughn arrived at the Chief's office and the ceremony was read. Witnesses were dispatcher Tommie Williams and Patrolman Larry Hensley.

Immediately following the ceremony, wedding pictures were taken by State Highway Patrolman Gene Sisemore.

The couple related some of their experiences while trying to arrange their marriage on this date. First, they ordered the rings and had just about decided they would not arrive in time for the wedding. But they did come in before they left Austin . . . however, they were not the rings they ordered, so they did not use them.

While the wedding was underway, the wedding clothes they originally planned to wear were left hanging in the car. They decided since everything planned went wrong, there was no need to dress either . . . she was married in slacks and sweater while he wore slacks, knit shirt and casual coat.

The couple left the police station . . . married and laughing about their experience after the 8:30 p.m. ceremony was read . . . the first one for them in a Chief of Police's office and the first one for the Chief's office and all concerned under such unusual circumstances.

Susan Minckler, Lubbock, visited her parents, Mr. and Mrs. Jess Pendergrass and her husband's parents, Mr. and Mrs. R. K. Minckler, over the weekend. Her husband, Ricky, is stationed in California in the Navy.

Mr. and Mrs. Bob Knight returned recently from a trip to Oklahoma and Arkansas.

Mr. and Mrs. Leland Calvert and Ashley visited with the Fred Mardis family during the weekend.

Mr. and Mrs. Terry Kendall visited with Mr. and Mrs. Guy Kendall and Mr. and Mrs. Doyle Turner recently. They are students at Eastern New Mexico University.

headed by Judge Don Cihak and will be the centennial celebration marking the anniversary of Bailey County. Curtis Wellborn is to be in charge of arrangements for the annual July appearance of the Sonny Stafford Carnival.

The next two items on the agenda are the sidewalk sale and Kid's Day.

October could be another month when some type of play will be presented such as the 'Womanless Wedding' last year. This will again be to finance the Christmas season festivities.

The annual Halloween parade and window painting contest will be held again this year.

Discussion was held concerning financing the purchase of new Christmas lighting for the City. Some of the decorations being used are 15 years old and early plans are being discussed to obtain new decorations and lights before December, 1968.

A number of worthwhile subjects were presented to the group attending for consideration for projects which will give the public their money's worth in entertainment with the proceeds to be used for betterment of the community or various projects.

Unemployment Compensation Total is Less

Less unemployment compensation was paid in Texas the final calendar quarter of 1967 than in any other quarter of the year, according to figures released by the Texas Employment Commission.

"This is consistent with the ever-lower unemployment figure of 1967 and a reflection of one of the healthiest economies among the 50 states," says TEC Commissioner J. E. Lyles.

"In fact, the low unemployment compensation figures are the outgrowth of the lowest unemployment factor in the nation for metropolitan areas - with Dallas and Fort Worth showing a 1.9 and Houston showing 2.1 percent unemployment in December - all far below the national average," Lyles noted.

For the October-December quarter, TEC made total payments of \$7,549,595 in unemployment benefits. This compared to nearly \$12 million the first quarter, \$8.25 million the second quarter and \$7.61 million the third quarter.

Of the statewide total, \$74,017 was paid out by the Lubbock office, says TEC manager, I. V. Ferguson.

Of this figure, \$57,917 was in Texas unemployment insurance payments, \$9,300 was made in interstate payments (paid by other states to claimants residing in Texas), \$3,505 was in payments to Federal employees, and \$3,295 was in payments to veterans.

STATE CAPITAL Highlights AND Sidelights

by Wern Sanford

AUSTIN—Political candidates have only a few more days to make up their minds whether they are going to have a share of the action in the slam-bang 1968 races.

Already the governor's column is jammed with impressive Democrats who include former State Rep. Dolph Briscoe Jr., former Atty. Gen. Waggoner Carr, Secretary of State John Hill, former U. S. Deputy Ambassador to Vietnam Eugene M. Locke, radio executive Gordon McLendon, insurance executive Pat O'Daniel and Lt. Gov. Preston Smith.

Briscoe is from Uvalde, Carr and Smith are from Lubbock, Hill is from Houston. Locke, McLendon and O'Daniel are from Dallas.

Republicans promise a candidate or two for governor -- maybe three -- in their own primary. Already announced is Dallas attorney John Trice.

While the spotlight will be on the Democratic governor's race in the May 4 primary, there will be action in the lieutenant governor's contest also where House Speaker Ben Barnes faces opposition from State Rep. Don Gladden of Fort Worth.

Court races have brought forth the following candidates: For Supreme Court (Place 1): District Judge Sears McGee of Houston and Associate Justice Matt Davis of the Texas State Court of Civil Appeals. (Place 2): District Judge Tom Reavley of Austin and Chief Justice James G. Denton of the Amarillo Court of Civil Appeals.

For Court of Criminal Appeals: Judge W. A. Morrison,

incumbent, and State Attorney Leon Douglas of Austin.

CERTIFICATION PROGRAM MOVES FAST--Texas Animal Health Commission's crash program for brucellosis certification is picking up steam.... before a US Department of Agriculture regulation makes it impossible to move cattle from uncertified counties out of state. Only 97 of the State's 254 counties remain to be certified.

In December, the Commission began testing for initial certification in 26 new counties and brought the number in the certification process to 61. To date 36 counties have not started any program.

Federal regulation is expected this year. AHC, in cooperation with USDA animal health authorities, is working toward total certification.

Commission reported that the screwworm epidemic, on the other hand, is well under control. Confirmed cases in Texas dropped from a total of 63 in November to four in December.

PLANNING FUNDS APPROVED--Governor Connally has approved \$36,000 in grants in 29 counties to aid regional planning by local governments.

Largest grant, \$22,000, went to the North Central Texas Regional Planning Commission for support of its work in Collin, Dallas, Denton, Ellis, Johnson, Kaufman, Parker, Rockwall, Tarrant and Wise Counties.

A grant of \$7,500 went to the West Central Texas Council of Governments, made up of Brown, Callahan, Coleman, Eastland, Fisher, Haskell, Jones, Kent, Knox, Mitchell,

Nolan, Runnels, Shackelford, Stephens, Taylor and Throckmorton Counties.

Nortex Regional Planning Commission received a \$6,500 grant for regional planning programs in Archer, Clay and Wichita Counties.

INDUSTRIAL AWARD PROPOSED--Until February 5, Texas Industrial Commission is accepting nominations for "The Governor's 1967 Industrial Expansion Award." Nominees should be 1966 manufacturing concerns that expanded in 1967 to the economic benefit of the community at large.

Another point may be won by showing that the nominees contributed to civic and community development in 1967. Award will be presented during the Governor's Conference on Industrial Expansion in Austin's Municipal Auditorium on April 3.

PARKS/WILDLIFE BUDGET Texas Parks and Wildlife Department is proposing a \$22,000,000 budget for the year beginning September 1, 1968.

That would be a \$7,000,000 increase over the current appropriation and would cover renovation of Fort Leaton in Presidio County, McKavett near Menard, Lancaster near Ozona, Griffin near Albany, Concho at San Angelo and Richardson near Jacksboro, as well as \$2,000,000 for wildlife management area land acquisition.

STATE FILES VACANCY SUIT--Atty. Gen. Crawford C. Martin filed suit for the state seeking to recover as much as \$262,000,000 and as many as 315 oil or gas wells if Walter C. Atchley succeeds in his vacancy suit against State Land Commissioner Jerry Sadler.

Atchley filed in the 36th District Court in Sinton to establish that a tract of oil-and-gas-rich land in the Welder Ranch area is really vacant school land. He filed after the Land Commissioner turned down his vacancy claim.

Martin is now going a step further by filing the petition to intervene. He says he agrees with Atchley, but if he is wrong, and the tract he filed on is not vacant, another is, and the state should recover oil and gas production from the contested area since drilling began in 1942.

COURTS SPEAK--State Supreme Court will hear arguments March 13 by Franklin County landowners to abolish the local water district. Also the application for release sought by a Fort Worth man sentenced for contempt of court in a workmen's compensation case.

Same Court upheld the right of a city to regulate the sale of liquor and beer within its boundaries when it refused an Amarillo distributor's appeal of a Liquor Control Board license denial.

High Court upheld \$11,289 default judgment won by a former Central Airlines President in a suit for vacation time compensation.

By a divided vote, the Court also reversed and sent back to trial courts a Hidalgo County man's suit to establish royalty rights on an oil lease. Lower courts had held against the claim of W. R. Montgomery.

In a cigarette tax counterfeiting case the Court of Appeals has upheld the seven year sentence of Mair J. Schepps, Houston tobaccoist.

MEDICAL - DENTAL SCHOOLS NEEDED--At least one and maybe two new medical and dental schools should be authorized by the Legislature next year, according to the Legislative Budget Board. Higher Education Commissioner Jack K. Williams reported need for one new institution in each category.

Lt. Gov. Preston Smith said at least two each should be authorized.

Higher Education Coordinating Board has favored putting a medical school in Houston and a dental school in Dallas. Texas Dental Association favors San Antonio for the dental school since a medical school already is there.

APPOINTMENTS ANNOUNCED--Atty. Gen. Crawford Martin has designated A. J. Carubbi Jr., formerly of Galveston County and Pampa, as his executive assistant.

Gov. John Connally has elevated B. G. Allen of Hamilton from acting director to director of the Texas Office of Economic Opportunity.

Connally also announced appointment of D. O. Tomlin of Fort Worth to the Texas Air Control Board. And to the Coastal Industrial Water Authority Board Robert C. Lanier of Harris County, George Henscey of Liberty County and John G. Jennings of Chambers County.

Brownsville businessman Manuel A. Sanchez III is the state Republican Party's new assistant deputy state chairman for Region III (South Texas).

Robert Nail of Albany has been named chairman of general arrangements for a governor's conference on the arts set for Austin on March 31-April 2.

William Allan Robinson of Austin has been named by the governor as supervising art director for the art exhibit and cultural activities display in the Institute of Texas Cultures at HemisFair '68.

SURVEY FOR PARALLEL TERRACE LINES--Fred Armstrong and John Bellar of the Muleshoe Soil Conservation are making a topog map of the John Young farm northwest of Needmore. This map will be used to lay out parallel terrace lines. John Young plans to construct about 40,000 feet of parallel terraces this year.

M. and Mrs. Ruby Harris of Montic, Calif.

Deceives

Two girls, walking home together, were discussing their current heart interests.

Said one: "Now I ask you, Isabel, how could I like him. He's so deceitful, pretending to believe when he knows I'm lying to him!"

Funeral services for Thomas Stephen Lumpkin, 65, of Sudan, were held at 2:30 p.m. Wednesday in the Morrison Funeral Home Chapel in Graham with the Rev. Hubert Faust, pastor of the Graham First Baptist Church, officiating.

Burial was in Pioneer Cemetery in Graham under direction of Singleton Funeral home of Muleshoe.

A native of Ellis County, he died Tuesday morning at the home of his sister, Mrs. Joe Rone, Sudan.

Survivors include another sister, Mrs. J. I. Hall of Prairie Grove, Ark.; and brothers, Alton of Watsonville, Calif.; Joe of Delray Beach, Fla.; L. M. and M. A. of Graham, Noel of Sudan and V. R. of Bushland.

Big Improvement

"Is it true you gave up smoking and drinking for her?"

"Yes."

"Is it true you quit being lazy and got a job so that you could support her?"

"Yes."

"And is it true that you gave up your old cronies and began associating with proper people to win her affection?"

"Yes."

"Well, why didn't you marry her then?"

"I found that with all this improvement, I could do better."

Washington Report

From Congressman
BOB PRICE 18TH DISTRICT, TEXAS
1221 J. EDGEMOUTH OFFICE BUILDING, WASHINGTON, D. C. • 20539-206

One of the major aspects of U. S. efforts to halt Communist aggression in South Vietnam is our PL-480 or Food for Peace program. In addition to the U. S. AID program in that country, more than \$500 million in agricultural assistance is now being furnished in the form of rice and other food as well as technical assistance in better methods of farming, livestock and poultry raising.

Before the end of the first session of the 90th Congress, Representative W. R. P. Page, Chairman of the House Agriculture Committee, authorized a trip for a committee delegation, to the Republic of South Vietnam, Thailand and Japan for the purpose of looking into the operation of our agricultural programs in those countries.

Six of us embarked from Washington, D. C. on January 2 and returned on January 13 just before the new session of Congress convened.

I would like to report what we learned during our tour which also included visits to a number of U. S. air bases, combat areas and an aircraft carrier.

In the first of a series of reports, I would like to emphasize the importance of our technical agricultural assistance program in South Vietnam under which the U. S. Department of Agriculture has major responsibilities in cooperation with the government of South Vietnam in such areas as Provincial Agricultural Advisors; Credit and Cooperatives; Irrigation and Rural Engineering; Plant and Seed Multiplication; Forestry; Statistics and Price Reporting and Agricultural Economics.

Also, of course, Japan and Thailand are of great value to the success of our efforts in Southeast Asia. Japan, in fact, is now our largest cash customer of agricultural commodities and imports.

This, the pacification program, is but one of the three phases of the war but a most important one. The others are the ground and air war in South Vietnam and our air and naval harassment of North Vietnam as well as the interdiction of supplies from North Vietnam to the South.

The South Vietnamese natives have lived in the most primitive conditions - no sanitation facilities, no roads, water from canals, and few, if any, medical facilities.

Our people are now teaching them how to build such facilities, and we saw new schools and modest dispensaries. We met several agricultural advisors including graduates of Texas A&M and Oklahoma State University who were living with these villagers and improving their chance in life by teaching them new methods of raising food and ways to improve their diet with what they have.

The villagers do not like the Viet Cong but have been intimidated through fear of death or dismemberment, and have lived with this fear most of their lives. The Viet Cong have demanded a share of the rice the natives raised and have stolen it as they pleased.

It appears now that the villagers are beginning to have confidence in our troops and believe that we intend to stay and protect them from their tormentors.

More and more of them will now turn in known Viet Cong in their villages and tell U. S. forces where the Viet Cong have planted mines and hidden supplies.

This is one of the most important phases of the war and, although slow, is gaining the confidence of the people of our forces to help their own forces drive the enemy from their land, and see that he doesn't return.

I will discuss other aspects of the war I observed in following newsletters.

Lazbuddie News
By Mrs. C. A. Watson

Shanks Ivy continues to improve according to members of his family. Mr. and Mrs. Gary Coker from Oklahoma were here the past weekend to visit with her father who is in the Methodist Hospital, Lubbock. Mr. and Mrs. Darrell Stevenson also were in Lubbock to be with her father, Shanks Ivy.

Several Lazbuddie college students were home for the mid-term week. Among those seen around Lazbuddie were Mr. and Mrs. Carrol Redwine, Mr. and Mrs. Joe B. Jennings, Harrol Redwine, Charlotte Seaton, Billy Jones, Leon Watson, Royce Barnes, Carolyn Morris, Terry Parham, Mike Hinkson, Toni Smith and Gail Ivy. Steve Jones, nephew of Mr. and Mrs. Raymond Houston and graduate of Lazbuddie High School will enroll at Texas Tech the new semester.

Dr. and Mrs. Jim Sybert and children from Denton were visiting her parents, Mr. and Mrs. Leon Smith Sr., during last week. Dr. and Mrs. Sybert went on to Ruidoso to do some skiing. Yes - Grandma and Grandpa Smith got to keep the grandchildren.

The T. L. Gleason family and the E. A. Parham family were at Ruidoso for a vacation the past weekend.

Mr. and Mrs. Bernie Gowens, David and Mike, from Friona, were Sunday evening visitors in the Charlie Watson home.

A wedding shower was held in the Methodist Church hall in Lazbuddie Saturday afternoon honoring Mr. and Mrs. David Beasley of Lubbock. The bride is the former Cynthia Harvey, daughter of Mr. and Mrs. James Harvey of Lazbuddie.

Chosen colors of the bride of blue and white were carried out in the decorations. The serving table was laid with blue lace was a set of huge wedding rings encircled with white tint peonies, lily of the valley and bridal wreath. Refreshments of assorted homemade cookies,

and mints, hot spiced tea and coffee were served from silver and crystal appointments.

Refreshments were served by Jennie Mitchell and Carrol Taylor.

Mrs. Johnnie Mitchell presided at the bride's table, and registered guests at a table covered with white linen with the corners attractively decorated with a white floral arrangement which was centered with blue ribbon.

Guests of honor were the bridegroom's mother, Mrs. Beasley from Lubbock; the bride's grandmother, Mrs. Harvey and her mother, Mrs. H. A. Harvey, both from Plainview, Mrs. James Harvey and Mrs. E. W. Shafer, Springlake, aunt of the bride.

The honored guests wore corsages of blue and white net-ribbon trimmed.

Pauletta Simpson, friend of the bride, registered the gifts in the bride's book. Mrs. Harvey and Mrs. Beasley helped open the gifts.

Hostess gift was an electric mixer.

Hostesses were Mrs. Walton Morris, Mrs. Alton Morris, Mrs. Euel Mitchell, Mrs. Alford Steinbock, Mrs. Calvin Embry, Mrs. C. A. Watson, Mrs. J. R. Johnson, Mrs. Johnnie Mitchell, Mrs. Roy Miller, Mrs. Juel Treider, Mrs. John Aduddell, Mrs. Leon Smith Sr., Mrs. Thomas Carroll and Mrs. Gearld Ramage.

Birthday greetings this week go to: Edwin Parker, Sarah Gammon, Linda Baldress, Mike Burren, Linda Monk, Scott Windham, Dean Watkins and Barbra Woodard.

Also Linda Dell Noland, Maria Salinas, Bobbie Redwine, Pat Crooks, Lida and George Silas, Gayla Seaton, Rosemary Gonzales, Mike Winders and Lypta Revena.

A mid-week visitor last week in the home of Mr. and Mrs. John Seaton was Ross R. Stuard, 1949-50 agriculture teacher at Lazbuddie school. He is from Mansfield.

Mrs. Pearl Seaton continues to improve after having surgery in the Methodist Hospital, Lubbock.

Last week, guests in the home of Mr. and Mrs. J. R. Harris were Mr. and Mrs. Charles Hardy of Dilley. Mrs. Hardy and Mrs. Harris are cousins.

Mr. and Mrs. P. E. Cargile and children, Mr. and Mrs. Elton Bass and children, and Charlie Watson were Sunday morning visitors at the Primitive Baptist Church, Clovis.

SP/4 Benny Watson, son of Mr. and Mrs. C. A. Watson sent the following poem which he clipped from a newspaper published in Vietnam:

WHAT IS BEAUTY?

What is beauty?
Who can tell me true?
I think I have the answer,
Here I'll give it to you,
Beauty is a feeling,
Though it's sad to know that yet,
So many overlook it
So many do forget.

There's beauty in all things,
Just stop a moment and think
Of the many times you've
missed it.

It's loveliness you did not drink,
To a child a toy is beauty,
To a teen-ager, his car,
To a man it's a woman,
To his elders, the things that
are.

To a miner, it's a lump of coal,
To a farmer, it's the rain,
To a preacher it's a man's soul,
To an engineer, his train.
So you see my friend, beauty
is all things

No matter what they may be,
Let us thank the Lord above us
For these gifts to you and me.

1,070 Sandhill Cranes Killed During Season

AUSTIN-Hunters killed 1,070 sandhill cranes during the 1967 hunting season compared with 890 during 1966 says Jack Parsons, wildlife supervisor for the Texas Parks and Wildlife Department in San Angelo. Parsons attributes the 20.2 percent increase in kill to an extended season, which was double the sandhill season before it.

The 60-day season opened November 4, 1967, when there was an estimated 163,472 sandhill cranes at which to shoot. Hunters say this big bird, sometimes called the little brown crane, is difficult to bag due to its wariness and speed of flight. Some frustrated shooters say that tagging geese is like shooting fish in a barrel compared to killing the sandhill crane.

The season on sandhill cranes is open only in the western portion of the State. This region is west of a line from the International Toll Bridge at Del Rio, Val Verde County, northward following U. S. 277 to its junction with U. S. 87 at San Angelo, Tom Green County; then northwesterly following U. S. 87 to its junction with U. S. 287 at Dumas, Moore County; then northwesterly following U. S. 287 to the point where it crosses the State boundary in Dallam County. East of this line the season was closed.

Allison Twin Son Doing Fine

Twin sons were born to Mr. and Mrs. Winston Allison in Methodist Hospital, Lubbock, January 19.

The surviving twin weighed 5 pounds, 14 1/2 ounces and has been named Gary Benjamin and is reported to be doing fine.

Stillborn was Richard Shayne. Graveside services were held at Bailey County Memorial Park Sunday, January 21.

The Allisons have two other children, Melissa Beth, age 5 and Eric Blaine, almost 4 years old.

Life's Sweetest Story

The old couple had just celebrated their golden wedding anniversary. Now all the guests were gone, and they sat by the fireplace, hand in hand, with her head, on his shoulder, and reminisced.

"Mary," he said tenderly. "You're still my sweetheart. In fact, I've never had another sweetheart because I never found anyone as sweet and beautiful as you."
"Henry," she replied. "You're as big a liar as ever, and I believe you just the same."

Caylor Blair Vows Pledged

Miss Sharron Ann Caylor became the bride of Douglas Randal Blair, Friday, January 26, at 7:30 p.m. in First Baptist Church, Levelland. Officiating was Dr. Bill Cook, Pastor. Parents of the couple are Mr. and Mrs. Dan Caylor, 307 Detroit Drive, Levelland and Mrs. G. Blair, Route 1, Levelland. Grandparents are Mr. and Mrs. Ed Thomasen, Plainview and Mr. and Mrs. J. G. Caylor, also of Plainview.

Vows were pledged before an archway entwined with English Ivy, highlighted with white satin bows flanked by arc candelabra with white tapers. Pews were marked with English Ivy and white satin bows with long streamers.

The bride, presented in marriage by her father, chose a white gown of antique ivory satin designed with modified full skirt with inverted back pleat. The fitted bodice was fashioned of Allencor lace designed with portrait neckline and long petal-point sleeves. Her veil of silk illusion fell from a tiara of seed pearls, and her bouquet was a cascade of white roses centered with a single white orchid on a white Bible, a gift to the bride on the date of her birth by a long time friend of Plainview, Mrs. Boone Hall. The bride wore a single strand of pearls, a gift from the bridegroom.

Maid of honor was Miss Dana Caylor, sister of the bride, and best man was Gerald Craddock, Meadow, friend of both the bride and bridegroom. Bridesmaid was Miss Sheila Duyka, El Paso, cousin of the bride. Attendants wore yellow velvet dresses, replicas of the wedding gown with bands of eyelet embroidery laced with yellow ribbon. Their short

veils of yellow illusion fell from pearl tiaras. They carried nosegays, white and yellow roses with yellow and white streamers.

Flower girl was Miss Pam Blair, wearing a yellow velvet dress identical to those of the bride's attendants. She carried a white wicker basket filled with yellow and white rose petals.

Ring-bearer was Buddy Guerra, Levelland, friend of the bride and groom. The ring rested on a satin and lace covered white pillow.

Ushers were Alvin Nock and Jimmy Dupree, Levelland, friends of the bridegroom. Serving as organist was Miss Jean Haskins of Muleshoe, with vocalist Melvin Poole who sang the selections, "Whither Thou Goest" and "The Lord's Prayer."

Immediately following the ceremony, a reception, hosted by parents of the bride, was held in Fellowship Hall of the Church. The bride's table was overlaid with white net over yellow, highlighted with a three-tiered cake iced in white on stands, decorated with white and yellow, topped with a miniature bride and groom. The cake was encircled with English Ivy and the bride's bouquet and attendant's nosegays, forming a center highlight with crystal candlesticks and white tapers and crystal and silver appointments. Yellow punch was served from a crystal punch bowl, Napkins were inscribed, Douglas and Sharron.

The groom's table was overlaid with a handmade white lace cover over yellow, centered with an arrangement of white daisies and mums in a brass tiered container, flanked by antique brass candlesticks with white tapers. Table appointments were silver. Coffee was served from a silver service, with chocolate cake.

Presiding at the bride's table were Mrs. R. B. Farris, Robert Martin and Ruth Warren. At the groom's table were Mrs. Joyce Williams and Mrs. Howard Venable.

Registering guests at a lace covered table were Miss Dana Caylor, sister of the bride and Miss Kaye Blair, sister of the bridegroom.

For a wedding trip to El Paso, the bride wore a white double knit suit with orange accessories and the orchid corsage from her bouquet. On their return, the couple will reside at 106 Austin, Levelland.

Out of town guests included grandparents of the bride, both from Plainview, Mr. and Mrs. Ed Thomasen and Mr. and Mrs. J. G. Caylor; Mr. and Mrs. J. L. Caylor and family, aunt and uncle of the bride, Snyder; Mr. and Mrs. Don Johnson, Plainview, aunt and uncle of the bride; Mr. and Mrs. John Duyka and family, El Paso, aunt and uncle of the bride; Mr. and Mrs. John Norfleet, Olton, aunt and uncle of the bride; Mr. and Mrs. C. D. Gaston, Muleshoe, aunt and uncle of the bride; Mr. and Mrs. Jerry Caylor and family, Plainview, aunt and uncle of the bride.

Study Club Active In District Work

Women of the Muleshoe Study Club have been busy selling red, white, and blue flag lapel pins to help finance the High Plains Children's Training Center in Plainview. The District Federated Club project for the year is the welfare of the Training Center and each club of the district sells the pins. Mrs. Rufus Gilbreath is on the District Special Projects Committee which includes the work for the Training Center.

Mrs. Cecil Cole is a member of the Gerontology Division of the District Home Life Department.

Another district project for the local club is the entering of various contests. Mrs. Elizabeth Black, local high school art teacher, is working with several of her senior art students in preparation for entering the Hallmark Art contest. Winner of the district contest will be sent to the state.

Several of the local club members are planning to enter art work in the club member art contest of the district.

Mrs. O. N. Jennings has submitted a short story, an essay, and a poem in the Literature and Drama contest. Mrs. Sena Stevens has also entered the poetry contest.

In preparation for the District Fashions for Fun contest, a local contest will be held, Thursday, February 8, in the home of Mrs. Rufus Gilbreath. Mrs. R. F. Wright is in charge of the local contest. The winner will be the Muleshoe entry in the district contest.

Mrs. Horace Blackburn is the District Federated Club Poet Laureate for 1967-68, and as such will judge or have judged all of the poetry entries in the district contest.

To be Poet Laureate, a poem must be submitted to the State Laureate which is no longer than sixteen lines and which depicts the state club theme, "Education - Adult and Youth - The Challenge of Tomorrow."

The poem submitted by Mrs. Blackburn was: THOUGHTS FOR TOMORROW Oh, write! You purveyor of thoughts sublime! You counselor of dreams through the years - Write! Write that today is fleeting into yesterday's mill!

Tell! Tell the youth that tomorrow is wrapped in a web, And that knowledge is theirs to be sought - That the web vanishes with training and skill!

Write! Write to the youth! Tell them the future is theirs. The world they hold in their hands. Tell them that life and hope and love Are gifts from God - theirs to accept and fulfill.

Tell them that life itself is in vain If they know not the meaning. That hopes are but fantasies if nothing is seen beyond, And that love, the essence of life and hope, Is accepting the Giver's will.

INCOME UP The government has reported strong advances in personal income and home building during the month of November. It was the largest increase in wages and salaries in more than two years while new housing starts rose 4.7 per cent.

Mr. and Mrs. Bobby McGee were hosts for fellowship in the First Christian Church Sunday night, January 28. Two hours were spent enjoying refreshments and playing games of all sorts.

Those in attendance were Mr. and Mrs. J. Pat Wagon, Rev. and Mrs. Walter Bartholif, Mrs. Ed Harper, Mr. and Mrs. Bob Soloman and the hosts, Mr. and Mrs. Bobby McGee.

Jayceettes Met

January 25th

The Jaycee-ettes met in the home of Eva Nell Stovall January 25 at 8 p.m.

Plans were made to sell tickets for the Valentine box of candy to be drawn for with a twenty dollar bill attached to it. Tickets will be 50 cents each and members will sell 12 tickets each.

They will run the concession stand February 19-24 at the Jaycee Volleyball Tournament where they will sell barbeque sandwiches, candy, popcorn and cokes. Marlene Martin is chairman for the volleyball tournament and Shirley Walker is chairman for the Valentine box of candy sale.

Work was done on the Jaycee-ette scrapbook to be shown at the State Convention in April. They fixed blue and gold matting as background for newspaper clippings, pictures and letters.

Members present were Barbara Mills, Mary Dale, Margaret Gleason, Marlene Martin, Darlene Henry, Patsy Berry, Eva Nell Stovall, Clara Suddeth and Shirley Walker.

Next regular meeting will be the last Thursday of February with Barbara Mills as hostess.

Study Hour Slated at Presbyterian Church

A study hour of discussion will be held at the First Presbyterian Church, Sunday, February 4, 7 p.m.

Some of the questions to be discussed are: "Can we really have a 'Theology without God?'" "Can the Christian have a usable faith if 'God is dead?'" Does it refer to an event outside of man... or does it refer to something within, in that part of the self which does the believing?" "Or, is it a problem of language?"

Rev. Edwards states that since these views are current in both secular and religious publications, we ought to be familiar with their values and the grave dangers involved.

New Spring Hair Styles Feature Ruffled Curls

FARFELU COIFFEURE--A new ruffled curl hair fashion for spring of 1968 is softly ruffled hair, combined with fun-loving curls at the nape. This Farfelu Coiffeure is one of the new Ruffled Curl hair styles designed for spring by the Official Hair Fashion Committee of the National Hair Dressers and Cosmetologists Association.

The Ruffled Curl look is the new look in hair styles for Spring, according to the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. This new look features all of the tender quality of softly ruffled hair, combined with fun-loving curls.

Furthermore, the new look is highly romantic, a term that had not been used in the fashion vocabulary for many a year until hair brought it to the forefront. Now, this romantic hair fashion is pulling the various clothing looks in the fashion chic, tough chic, or pretty girl.

This means that regardless of what look you select for your Spring wardrobe, or even if you use several that overlap for a variety of effects, you'll be pretty and fashion-right with a Ruffled Curl hair style.

The new Spring styles will be shown throughout the nation in observance of National Beauty Salon Week, February 11-17. The hair fashion authorities promise that the new styles will give you a lift and a happy-go-lively feeling.

No two of the Ruffled Curl hair styles are alike in detail design -- they are all so light and easy, they have to be done just for you. However, all styles have the form of either a vertical or horizontal oval when viewed from the front.

Some of the styles flow with the rhythmic and dreamy grace of a soft and lilting melody. Others have the slow curve and caress of a femme fatale. Others ruffle, ripple, and flutter, seemingly uncontrolled and casual, but really calculated and careful. All are deliciously feminine.

All coiffures also have an extra touch of Spring -- a fascinatingly zany bouquet of farfelin ringlet curls strikingly placed either low at each side of the nape, behind each ear, over the ears, or in front of the ears. These fun-loving curls can be pin-ons, or your own hair. However, in every case they must be see-throughs, light and airy for a season of light and air.

All Ruffled Curl hair styles

as young as your hope, as old as your despair; then he continued, "In the central place of your heart, there is a wireless station. So long as it receives messages of beauty, hope, cheer, grandeur, courage and power from the earth, from men and from the infinite, so long are you young. When the wires are down and all the central place of your heart is covered with the snows of cynicism and the ice of pessimism, then you are old, even at 20."

Something to think about??

Jona Goucher
Named
Betty Crocker
Homemaker

Jona Kay Goucher has been named the 1968 Betty Crocker Homemaker of Tomorrow of Muleshoe High School. She received the title because she ranked first in a written home-making knowledge and attitude test given senior girls at the school on December 5.

Registered for the test, now in its 14th year, were 603,798 girls in 15,079 of the nation's high schools, a new record for the program sponsored by General Mills.

Miss Goucher remains in contention for state and national scholarship awards ranging from \$500 to \$5,000 and will be awarded a specially designed charm to mark her local achievement.

A state "Homemaker of Tomorrow" will be selected from winners of high schools in the next step of the program. She will be awarded a \$1,500 scholarship with a \$500 award going to the runner-up. The school of the winner will be given a set of Encyclopedia Britannica by Encyclopedia Britannica, Inc.

Following her selection, the State Homemaker of Tomorrow, along with a school advisor, will join winners and advisors from each of the 49 other states and the District of Columbia in an expense-paid educational tour of Washington, D. C., Colonial Williamsburg, Va., and Minneapolis, where the trip will climax with naming the 1968 Betty Crocker All-American Homemaker of Tomorrow.

Jona Kay is the daughter of Mr. and Mrs. S. E. Goucher.

also feature a small and dainty head. Hair in the crown has but a slight rise which extends to the middle of the back of the head, and then tapers in toward the nape following the natural contour of the head.

Hair partings, reminiscent of the Twenties and Thirties, make a big play. But, their use depends upon the particular design of your style, which, again, has to be determined by your needs.

By the same token, the uncovered forehead gains more popularity for Spring, and is expected to carry through heavily into Summer. However, light bangs of ruffles that tickle the face are used whenever required by facial proportions and hairlines.

The foundation of the new Spring hair styles is the Ruffle Cut, which must be adapted to each individual face and head shape, so that the resulting hair style projects a vertical or horizontal oval form. Practically speaking, hair lengths will be comparatively short. If you want long hair, buy it.

A professionally prescribed permanent wave, one that is just a shadow of a permanent, is required to give your hair that soft ruffle and easy care. Important, too, are some good hair conditioning treatments to erase any trace of winter drabness from your hair, and give it that young and romantic look.

New hair colors for Spring call for ice cream tones in the blonde spectrum, rich creamy shades shadowed with delicate touches of milk chocolates to accent the ruffles. Candy pinks will be used to make the palest shades bluish. Redheads and brunettes will make their biggest play in many a year, but will carry along in a natural theme.

In make-up, an important look will recall the Thirties, a look with big smudgy eyes and prominent bright lips. Eyes will be smudged with either dark brown or smoky black shadow. Lips will have equal intensity with the eyes. The mouth must be bright, of pink or cherry in deep but translucent color. Cheeks, chin and forehead will require a warm flush of rouge.

John Tower

The beginning days of a new congressional session always are devoted more to messages than to legislation; more to stock - taking than to law-making. We are now in this period of scouting the lay of the land and of planning our future course.

The president has a very large role to play in this pre-business assessment of the national posture. He normally does it by sending Congress a number of special messages containing his views and proposed programs. And, the congressional committees also undertake preliminary hearings to provide background for action expected later in the year.

For instance, the International Finance Subcommittee on which I serve has announced hearings into the question of removal of the gold backing of our dollar. And, the full Banking and Currency Committee likely will hold wide-ranging discussions of the nation's entire fiscal crisis and our continuing inflation.

The Armed Services Committee already has begun its background preparations with a briefing by the director of the Central Intelligence Agency. This CIA report advised us of some developments in the Soviet Union which are of considerable concern and pointed up the need for our nation to devote continuing effort to the development of defensive weaponry.

Early next month the Armed Services Committee will hear from the Defense Secretary and the Joint Chiefs of Staff about our military posture and needs, particularly in Vietnam.

And, after a month or so -- after all the background preparations are completed -- this session of Congress will shift from studying to legislating as we seek to meet the nation's current needs.

It might be observed that there still is work going on on the Senate floor during the opening weeks. But, this year, as usual, the first matter under discussion on the floor is one that will require a lot of talk before any action is taken, I'm referring, of course, to the 1968 Civil Rights Bill. Or, perhaps, it would be more correct to say Civil Rights Bills, because there are a number of alternatives being proposed.

Basically, the Civil Rights bills seek to assure that no citizen will interfere illegally with another citizen's exercise of constitutional rights. The question of federal penalties is involved. I expect that eventually a compromise position will be reached that will reaffirm what amounts to every-

one's already existing rights under our Constitution. It is possible that the issue of federally-decreed, compulsory open-housing may be interjected into this Civil Rights debate. I still believe this is a matter for state and local decision, and I see no chance whatsoever that the Senate will pass a federal open-housing bill this year.

Congress still is mulling over some of the suggestions the president made in his State of the Union speech. He is expected to elaborate a good deal on these suggestions in his subsequent Budget Message and other special messages.

I found the State of the Union speech a rather cautious and circumscribed presentation by the president, and I think the most prevailing mood in the Senate and House after that speech was one of doubt. The president proposed some things that would require large additional expenditures which it is doubtful Congress will approve or the nation can afford.

I think this is shaping up as a relatively independent Congress. And, I get the feeling Congress is so far listening much more to the voice of the people than to the voice of the president. Certainly, if there is to be any such tax increase as the president wants, the administration is going to have to do a lot more cutting of red ink spending than it did last year.

One thing the president asked for was permission to remove what is called the "gold cover" from our dollar. The "gold cover" is a part of our dwindling gold supply which the nation cannot pay out but must save backing for our money. It involves only a part of our remaining gold supply.

There are circumstances under which we might usefully remove the gold cover. Generally they would arise only if the gold cover action were a single "time-buying" part of a more widespread move toward fiscal soundness and economy in federal budgeting. Unless we are going to do a lot of things to end our outflow of gold there is no point in just adding a little more gold to flow out.

So far as other state of the Union matters go, I was glad to hear that the president will back the Low-Income Housing Bill written last year in my Housing Subcommittee and due Senate floor action this spring.

I was glad, also, to know that there are some other relatively minor treaties under negotiation between our nation and the Soviet Union; but I am constantly reminded that such "treaty-talk" does not end Soviet pressures on the free world.

And, as a final point, I think it will be fine to add some FBI agents, as the president asks; but I think it would do more good to add a Deputy Attorney General for Law Enforcement and get the Justice

HEAD WAYLAND DRIVE---Preston Johnston, left, and David Casey, both of Lubbock, are chairman and vice chairman, respectively, for the \$1.5 million Wayland College developmental fund drive now underway. The campaign has broken down into three divisions -- Amarillo, Lubbock and Plainview -- with Muleshoe included in the Plainview division. Local leaders in WBC's first public fund effort will be announced at a later date. Purpose of the drive is to finance expansion of the growing South Plains four-year college. Money will be used to build a new science building, a new physical education center and a new residence hall.

Hightower Appointed To Serve on Fire Study

AUSTIN--Lieutenant Governor Preston Smith today appointed Senator Jack Hightower of Vernon to serve on the Texas Legislative Council's subcommittee participating in a study of the fire record and credit and debit system of the state.

The Council, research arm of the Legislature, was requested to cooperate with the State Board of Insurance, the agency to which the study was directly assigned. The Texas Research League will also work

on the project under terms of the resolution (S.R. 754) requesting the study.

Hightower, an attorney, has been a member of the Texas Senate since 1965, and also served in the House of Representatives of the 53rd Legislature. He is a member of the Senate standing committee on Insurance, chairman of the Senate Contingent Expense and Game and Fish committees, and a member of seven other Senate standing committees.

In announcing Hightower's appointment to the Council study committee on the fire record credit and debit system of Texas, Lieutenant Governor Smith commented on the senator's ability and interest in the subject.

The study committee will give guidance and direction to the Council's full-time, professional staff assigned to the project and will coordinate Council activities with those of the Board of Insurance and the Texas Research League. Emphasis, in accordance with the resolution request, will be placed on

determining "if the (fire record credit and debit) system should be continued in force, should be modified, or should be terminated."

Lieutenant Governor Smith is chairman of the Texas Legislative Council, which is comprised of five senators, appointed by him, and ten representatives, appointed by the Speaker of the House of Representatives.

The Speaker is vice chairman of the Council. Other members of the Council appointed by the Lieutenant Governor to serve on the subcommittee are Senator Murray Watson, Jr., of Waco and Mart and Representatives Don Cavness of Austin, George Hinson of Mineola, and Tommy Shannon of Fort Worth.
