## Spring Revival At First Methodist Begins Sunday

The Spring Revival of the First Methodist Church, of Haskell, will begin Easter Sunday and will continue through the following Sunday, Dr. E. D. Landreth, District Superintendent of the Methodist Church, will be guest preacher for these services. The Reverend Landreth is in great demand as speaker at youth convocations, church conventions and evangelistic services. The music for the meeting will be under the direction of J. M. Williams, of the local church, and assisted by the choir of the church with volunteer voices invited to help.

## Rule Man Named New Manager of Haskell Hospital

Board of trustees of the Haskell County Hospital, meeting Thursday morning, named J. D. Westbrook, Jr., of Rule, to the position of manager of the County Hospital to succeed Emory Menefee, present manager who has tendered his resignation effective May 1st.

## Two Haskell Students Will Receive Degrees At H-SU

Two Hardin-Simmons University students from Haskell are to receive their BA degrees on May 30 and in August, according to Eugene Schooley of the Journalism department. They are Ventress (Ben) Brock and Ernest Edgar Welsh, Jr., and both of the students are journalism majors.

A new mail service is to be inaugurated through the Haskell Post Office beginning today, April 14, according to an announcement this week by Harold R. Spain, Acting Postmaster.

This will be a new motor mail route that will originate at Stamford at 3:30 in the afternoon, continue through Haskell, Ruler, Rochester, O'Brien, Knox City, Munday and Weibert, and to Haskell again at 4:40 p. m.

Heretofore, there has only been one dispatch South each day, at 7:17 a. m., which has caused considerable delay, in some instances resulting in some instances to as much as 24 hours later delivery at destination. The added service is expected to increase local mail service to the point of efficiency maintained before the recent change in rail schedules through Haskell.

## Tri-County Softball League Formed For '49 Season

Inclusion of the former Haskell County Softball League in a Tri-County League embracing Haskell, Jones and Knox counties was announced following a meeting of softball players and fans in Stamford last week. John P. Ivy of Haskell was elected president of the tri-county organization and Tom Roberson of Haskell, secretary-treasurer.

## Munday FFA and 4-H Club Show To Be Held April 16

Saturday April 16 has been set as the date for Munday's annual FFA and 4-H Club Boys project show, according to E. R. Ponder, vocational agriculture instructor of Munday.

It was necessary to postpone the show from the original April 9 date, because that conflicted with a district track meet at Merkel.

## Community Party Planned At Mattson On April 20th

H. McClendon, and the sermon, "Who Shall Roll Away The Stone?" by Rev. F. C. Nickerson. Rev. Allen O. Webb will be the host minister.

## Band Boosters Club Backs Campaign to Provide New Uniforms for H.H.S. Band

Sponsored by the Band Boosters Club and others interested in the organization, a campaign was launched today to raise a minimum of \$2,700 to be used in purchasing new uniforms for members of Haskell's High School Band.

Initial solicitation was in letters to Haskell school patrons who are supporters and backers of the Band, and to local business firms. Gratiifying response to the letters was being received, sponsors of the campaign said.

## Houston Firm Gets Contract for Oil Pumping Station

Latex Construction Co., Houston, has been awarded a contract by Texas Pipe Line Co. to construct the large booster pump station northeast of Haskell, on the latter company's 22-inch oil line built last year running from J. N. M. to Cushing, Okla.

The Houston construction concern, which built the 22-inch line, also was given the contract for pump stations at Odessa, Colorado City, and at Lindsay, Okla. Work is to start immediately. No estimate of cost of the project was announced.

Preliminary work at the site of the Haskell station has been underway for the past few weeks, and as construction progresses, a large number of workmen will be employed on the project.

The plant will be located north of the Shell pump station north and east of Haskell.

## WEINERT HIGH SCHOOL WINS TRACK MEET HERE FRIDAY

Weinert High School was the winner of District 11-B interscholastic Track Meet held here Friday with 35½ points. The winner had a close call from Sunset Rural High School of Knox County, which was second with 29½ points until the final two events.

Third place was won by Paint Creek, winner of last year's meet, with 28½ points, fourth place went to Knox City with 25½ points, fifth place to Goree with 16 points, and Rochester sixth with 14½ points. Schools from a four-county area, consisting of Haskell, Knox, Baylor and Throckmorton, form the District. Phil A. Simmons, Rochester High School coach is District General of the District, with C. W. Splawn, principal of the Knox City Schools, area athletic director.

## Hen Come Up With Giant Egg to Herald Spring's Arrival

One day last week he found one of the large eggs, larger than an average turkey egg—and again Monday he gathered another. It measured 8 inches around one way and 7 inches the other, and weighed slightly more than a quarter pound. Both eggs had double yolks, he said. Hens in his flock are mixed. White Leghorn and Buffs, and he has found them to be profitable layers.

## Community Singing At Fundamental Church Sunday

The regular Community Singing program sponsored by the Fundamental Baptist Church will be held next Sunday afternoon, Rev. C. Jones, pastor, announced today.

Citing need for the new uniforms, Band Boosters pointed out that the High School Band now has 46 members. The organization has made an excellent record for our school, and they are most anxious to carry on the work, Band Boosters declared. Training received in the band will be of great benefit to the youths later when they wish to join a college band, it was pointed out.

At present many of the boys and girls in the band are wearing worn uniforms, and it is the aim of the Band Boosters to furnish band members uniforms that they may wear any place without embarrassment.

Attractive woolen suits are being shown in local stores, which can be bought in quantities at \$57.00 each, and it is the goal of Band Boosters to raise funds to purchase 46 of these attractive new uniforms.

Every person who desires to have a part in helping provide new uniforms for the band may do so by making their contribution to any member of the High School faculty or any business man in Haskell.

Your help will be deeply appreciated by every boy and girl in the Band.

## Friday and Monday Designated Spring Holidays for Schools

## 25th Annual Haskell County Singing Convention To Meet Here April 24th

The 25th annual Haskell County Singing Convention is to be held in Haskell on Sunday April 24, in the auditorium of the First Christian Church. The program is scheduled to begin at 10 o'clock in the morning and will continue through 4 o'clock.

Organized more than 20 years ago, the annual convention has been held without interruption each year, and the attendance this year is expected to surpass any year in the past due to advance interest, association of Hallie E. Chapman, association president. Arrangements are being completed to handle an overflow crowd, and loud speaker systems are to be installed to carry the program over a larger area.

The annual meeting was held in O'Brien last year, and the 1948 convention was held in Haskell. Officers, in addition to Chapman, are T. C. Cobb, vice president; and Mrs. Troy Ash, secretary. Chapman has served as president for the past eight years.

Work committees are being named to work out details for a larger convention each year, and to establish a permanent annual meeting place each year. In the past attendance has been curtailed due to inadequate seating arrangements.

The program is being completed at this time. Invitations have been extended to widely known quartets and other musical groups over a wide area, and include invitations to Abilene, Wichita Falls, Dallas and Lubbock. Expected to attend also are local quartets from the county and adjoining counties.

The completed program is expected to be announced at an early date.

## Reburial Rites Held For Rochester Soldier Tuesday

Reburial services for Sgt. Delbert Ray Knight were held at the First Methodist Church in Rochester Tuesday at 3 o'clock.

The Rev. R. O. Browder, pastor, officiated. Burial arrangements were under direction of Mansell-Smith Funeral Home. The Rochester American Legion Post had charge of military rites at the graveside.

Sgt. Knight was born June 5, 1925, in Wood county. He entered the Army November 22, 1943, at Sulphur Springs, and received his basic training at Camp Wolters, Mineral Wells.

He was killed September 25, 1944 in France as a member of an Army Automatic Rifle Company.

He is survived by his parents, Mr. and Mrs. O. B. Knight of Rochester; three sisters, Mrs. H. E. Rogers, Rochester; Mrs. C. H. Rogers of Grand Prairie; Mrs. Dorothy McMartin, Manhattan, Calif.; and one brother, E. B. Knight of Dallas.

## IN DALLAS MARKETS

Mr. and Mrs. Wallace Cox were in Dallas the first of the week attending the furniture show and purchasing new merchandise for Jones, Cox & Co.

At the regular meeting of the City Council Tuesday afternoon, Olen Dotson, Haskell automobile dealer and active civic worker, was sworn in as a member of the Council, following canvas of last week's City election. Wallace Cox, re-elected Alderman, was out of town, and he will qualify later in the formality of beginning his second term.

Acting Mayor A. M. Turner presided during the Council meeting, and after discussion, City official designated the week of April 25 to 30 as "Spring Clean-Up Week" in Haskell.

In connection with the Clean-Up Week observance, city officials made plans to have trucks furnished by the city to haul away all cans and rubbish that cannot be burned. Property owners will be required to place this rubbish in alleys or near streets where it will be accessible to the trucks.

Stressing the need for wholehearted observance of Clean-Up Week at this season of the year as beneficial to community health in addition to beautifying the entire town, City officials asked for the cooperation of the entire citizenship, schools, civic groups, chamber of commerce, fire department and all other organizations in making the clean-up campaign one of the most intensive in years.

Dotson, the incoming Alderman, succeeded to the post of Water and Fire Commissioner held by J. B. Gipson, retiring Alderman. Other members of the Council are A. M. Turner, Sanitary Commissioner and Acting Mayor; Wallace H. Cox, Park Commissioner; Oscar Oates, Finance Commissioner; and R. P. Hattox, Street Commissioner.

## District Director Registers 23 Men During March

Twenty-three youths in Haskell, Jones and Shackelford counties who became 18 years old during March were registered by Local Board No. 77, which serves the three-county area, according to Mae Undwody, Clerk of the district Selective Service office which has headquarters in Anson.

Registering during March were: Gerald Lee Snyder, James Lee Hooker, Jerry Weldon Ball, Bobby William Dennis, Bedford Andrew Putnam, Billy Joe Burton, Howard Taylor Alvis, Charles Richard Lon, Bill Frank Smith, Bobby Bruce Wilson, James Murray Wilson, Dale Alvin Norman, Robert Lee Stice, William Kennedy Griffith, Sam Cole Turner, James Wilson Carter, Bobby Ray Kirkpatrick, John Edward Newman, John Albert Hayes, Charles Don Neal, Jacinto Rivera, Jr., John Kenneth Prince, Joe Ed Garrett.

Under Selective Service regulations, it is the duty of every man to register within five days after he becomes 18 years of age. They may register in Haskell with W. A. Holt; in Albany with Bruce W. Bray or Elton Scott; or at the district office of the Local Board in Anson.

Haskell County Farmers Using 2,4-D For Weed Control In Grain

Several farmers in the Haskell area are experimenting with 2,4-D for weed control in small grain, according to F. W. Martin, County Agent, and this has been watched with interest by grain producers of this section.

Due to late, dry weather last fall the grain did not come up until after the ice and snow melted in late January, and this has permitted early weeds to get a good start among the young grain, farmers declare.

Farmers who are now using this 2-4-D weed killer are Gene Frierson, Moreland Glass, Bill Holt, Bill Guinn, Wayne Perry, Glenn Quade and Emanuel Riewe, County Agent Martin said.

2,4-D Ester volatilizes to some degree and the vapor will injure sensitive plants in the vicinity of treated areas after applications are made, particularly downwind from treated fields.

Strict care should also be used to avoid contamination of water intended for irrigation or domestic use, Martin added.

All equipment used in applying 2,4-D should be thoroughly cleaned after using, Martin said.

Green beans and new potatoes headed the list of spring vegetables now coming from South Texas fields. Squash and onions also started moving, and a few cucumbers were ready for market.

Southwest egg and poultry markets eased a little since a week ago, as spring weather brought larger supplies to market. Current egg receipts sold from 40 to 41 cents a dozen at Dallas and Fort Worth Monday.

Weekly Swing of SOUTHWEST FARM MARKETS

Many farm products sold at lower prices than a week ago, despite strength in some quarters, the U. S. Department of Agriculture's PMA reports.

Wheat and oats closed unchanged Monday compared to a week earlier, but corn declined a cent or more, and barley and sorghums lost 2 to 3 cents. No. 2 white corn sold around \$1.75 a bushel in bulk carlots at Texas common points, with yellow corn around \$1.65 and barley \$1.35.

Butcher hogs recorded net losses of mostly 50 cents at San Antonio, 75 cents at Ft. Worth, \$1 at Oklahoma City, and \$1.50 at Denver. Sows held about unchanged at San Antonio and Oklahoma City, but lost 50 cents to \$1 at Fort Worth and Denver.

Cattle prices showed little change for the week on most classes, although scattered gains of 25 cents to \$1 appeared. Common to good cows ranged from \$18 to \$21 at Houston, \$17 to \$19 at Fort Worth, San Antonio and Oklahoma City, and \$17.50 to \$19.25 at Denver.

Spring lambs advanced \$2 per 100 pounds at Fort Worth to reach a new high price of \$33 on good and choice. Other sheep and lamb markets showed only scattered changes up or down. Denver brought the first spring lambs of the season at \$29.

Little wool changed hands. One clip sold in Texas at 70c a prease pound.

Livestock receipts last week were mostly a little lighter than the week before in the southwest but somewhat heavier in the midwest. All dressed meat except veal sold in New York Monday unchanged to \$1 or more higher than a week earlier.

Short grained milled rice strengthened after substantial sales to the Philippines. Most feedstuffs sold higher as chick and pig feeding increased. Spring pastures reduced demand for all but top quality hay. Cool damp weather delayed peanut planting, and prices of seed peanuts eased. Shelled peanuts remained dull.

Southwest cotton markets closed Monday from 25 cents a bale lower than a week ago to \$1.25 higher. Prices ranged from 32.55 at Houston to 32.90 at New Orleans.

ONE WAY TO DO IT Moorhead, Mont. — When the automobile of D. W. Social Security Representative to Visit Haskell

Ralph T. Fisher, manager of the Abilene office of the Social Security Administration, will be at the Chamber of Commerce in Haskell at 10 a. m., Thursday April 21. Persons wishing assistance with retirement claims or death claims under the Social Security Act should call at that time for necessary help and in formation.

In a statement released today, Fisher reminds employers that their regular quarterly social security tax returns are due in the office of the Collector of Internal Revenue, Dallas, Texas, during the month of April. These returns cover wages paid during the 3-month period ending March 31, 1949. Such returns should be filed by each employer who had one or more persons working for him during the quarter.

DDT EFFECTIVE IN CONTROLLING BEDBUGS

DDT for bedbug control may be used in the form of a dust, as an emulsion, as a solution dissolved in a light oil or as a suspension in water. A dust containing 10 per cent DDT is fully effective. It should be dusted well into cracks and crevices of walls and baseboards of infested rooms, and over the surfaces of bedsteads and mattresses.

Center Point H-D Club Meeting Held April 6th

The Center Point H. D. Club met at the club house April 6. with Mrs. H. E. Bland as hostess.

Roll call was answered with, "How I Keep My Cake Moist." Council report was given by Mrs. Tony Patterson. Old and new business was discussed. It was decided to have our next club meeting on Wednesday, April 20, so we can attend the district THDA meeting in Wichita Falls April 21. After the business meeting, Mrs. H. E. Bland gave a demonstration on, "Never Fail Cake Icing."

Refreshments of salad, olives, potato chips, cake and cokes were served by the hostess to Mesdames Layton, Robertson, Willie Farrell, J. F. Jeter, A. M. Bird, Bill Wiseman, A. B. Corzine, Bill Fouts, Tony Patterson, Ted Marugg, Oris Gibson, Travis Smith, Albert Hannsz.

WEINERT MATRONS CLUB MARKS 25th ANNIVERSARY WITH SILVER TEA

The Weinert Matrons Club celebrated their 25th anniversary with a Silver Tea Thursday in the Weinert Methodist Church. The Haskell Magazine and Harmony Clubs were guests. Guests were met by a receiving line and registered in the leather guest book.

The church was attractively decorated in club colors of rose and green. Peach blossoms and carnations graced the registry table, piano and alta table. In the absence of the club president, Mrs. Henry Monke extended greetings and directed the program. Mrs. J. F. Cadenhead, Sr., played two piano solos and accompanied Mrs. D. E. Jones who sang "Indian Love Call." Mrs. G. C. Newsom cleverly gave the Club History. Mrs. W. B. Guess presented the past presidents.

Mrs. J. U. Fields was introduced as guest speaker. She extended birthday greetings and best wishes to the club. When the club was organized, Mrs. Fields was their first guest speaker, and she recalled the difficult time she experienced getting over the muddy roads, of how easily and quickly the miles are clipped off today on excellent paved highways.

Mrs. Fields reviewed the book, "The Snow Goose", and the pathetic story was so skillfully given that the guests felt the emotion of each character as they came into view. She emphasized the high points and morals as the tale unfolded.

Guests were invited to share a social hour. The lace laid tea table was centered with an arrangement of peach blossoms and appointed in silver. The birthday cake and rose and green mints graced one end of the table and the lovely coffee service the other. Serving cake were Mrs. Claude Reid and Mrs. D. E. Jones. Mrs. Fred Monke poured coffee for guests and members: Mesdames J. U. Fields, John Couch, Robert Reynolds, Robert Wheatley, J. M. Collins, O. W. Tooley, Ada Rike, M. E. Helber, R. W. Herren, C. L. Lewis, Tommy Hawkins, Cecil Gregory, J. H. Banks, Henry Monke, Fred Monke, G. C. Newsom, D. E. Jones, Claude Reed, C. F. Oman, A. Bartell, C. P. Baker, J. C. Borden, C. A. Barton, Walter Copeland, J. Bischofhausen-Reilly Wedding Ceremony Solemnized in Ft. Worth April 9th

Miss Patsy Ruth Reilly, daughter of Mr. and Mrs. M. D. Reilly of Fort Worth, became the bride of Richard Clay Bischofhausen of Haskell in a double ring ceremony Saturday, April 9, at Polytechnic Baptist Church in Fort Worth.

Mr. and Mrs. Reilly were hosts at a reception afterward at their home and were assisted in receiving by the bridegroom's parents, Mr. and Mrs. R. W. Bischofhausen of Haskell.

Rev. Charles A. Trentham read the ceremony before an altar lighted by white tapers and decorated with baskets of white flowers and greenery. Music before and during the ceremony was played by Gil Hunter, organist, and sung by Miss Maureen Roach.

The maid of honor, Miss Norma Hall, wore a lavender taffeta dress with pink carnation bouquet and headdress. The brides-

maids, Miss Wanda Norwood of Hobbs, N. M., and Miss Doris Hamilton of Lancaster, wore lavender dresses and carried yellow carnations with matching halos in their hair. Laurence Seth of Kerrville was best man and Horace Crawford of Haskell and Don Thompson were groomsmen. The ushers were Elbert Gilder of Dallas and Wallace Cox of Haskell.

The bride, escorted by her father, wore an ivory satin gown with illusion yoke edged with a satin fold. The full skirt and train flowed from a peplum and her fingertip illusion veil was attached to an orange blossom halo. She carried a white Bible topped with a shower bouquet of white roses. Her only jewelry was a strand of pearls presented to her when she was elected sweetheart of KKK, boys club at NTAC.

At the reception the confection table was covered with white organza and centered with the tiered cake topped with a miniature

**NUPTIAL VOWS SAID SUNDAY BY  
BEVERLY GALE KING AND MR. VAN  
SICLEN IN PRESBYTERIAN CHURCH**

A single ring ceremony performed at 4 o'clock Sunday afternoon united in marriage Beverly Gale King, daughter of Mr. and Mrs. H. C. King of Haskell, and DeWitt Clinton Van Siclen, son of Mr. and Mrs. Clinton DeWitt

Van Siclen of Douglaston, Long Island, N. Y.

The Rev. Francis C. Nickerson officiated for the rites, read in the First Presbyterian Church.

Altar decorations were green and white with white tapers in wrought iron candelabra.

Wedding music was furnished by Emily Grissom of Eastland, who sang "Because" and "I Love You Truly," accompanied by Mrs. John W. Pace, pianist. Mrs. Carrie Williams, organist, played the traditional "Bridal Chorus" from Tschengrin, and the recessional.

The bride was given in marriage by her father. She wore a traditional gown of ivory bridal satin styled with a yoke of illusion and long fitted sleeves. The flared skirt was made with black fullness and ended in a chapel-length train. Her fingertip veil of illusion was attached to an ivory satin Juliet cap with pearlized orange blossoms. The bride carried a nosegay of white roses encircling a gardenia and wore an amethyst pendant, gift from the bridegroom. For something old and borrowed she carried a hand made lace and linen handkerchief which her mother carried in her wedding.

Chun King attended her sister as maid of honor, and bridesmaids were Marie Hine of Abi-

**Abilene Man Is  
New Manager of  
Munday Oil Mill**

Rufus Grisham of Abilene has been named manager of the cotton oil mill at Munday, succeeding John T. Odell, who has been transferred to Brownfield. Announcement was made by the Abilene office of Western Cottonoil Co.

Odell will assume his duties in Brownfield within the next few days.

Grisham has been connected with the Western Cottonoil Co. for a number of years, having served in the Houston office and as a seed buyer for the properties in Abilene.

**Mrs. Hollis Pitman  
Hosts Meeting of  
Fannie Smith Club**

The home of Mrs. Hollis Pitman was the scene for the regular meeting of the Fannie Smith Home Demonstration Club on Friday, April 8 at 2:30.

Mrs. Hansford Harris, president called the club to order. Opening exercises included reading of "The Precious Little Things" by Mrs. Bill Pitman, and the singing of "Beautiful Texas" led by Mrs. Melvin Miller. Eleven members answered the roll call by naming a good vine for covering a trellis. Mrs. Hollis Pitman, Council delegate, gave a Council Report, followed by reports of standing committees.

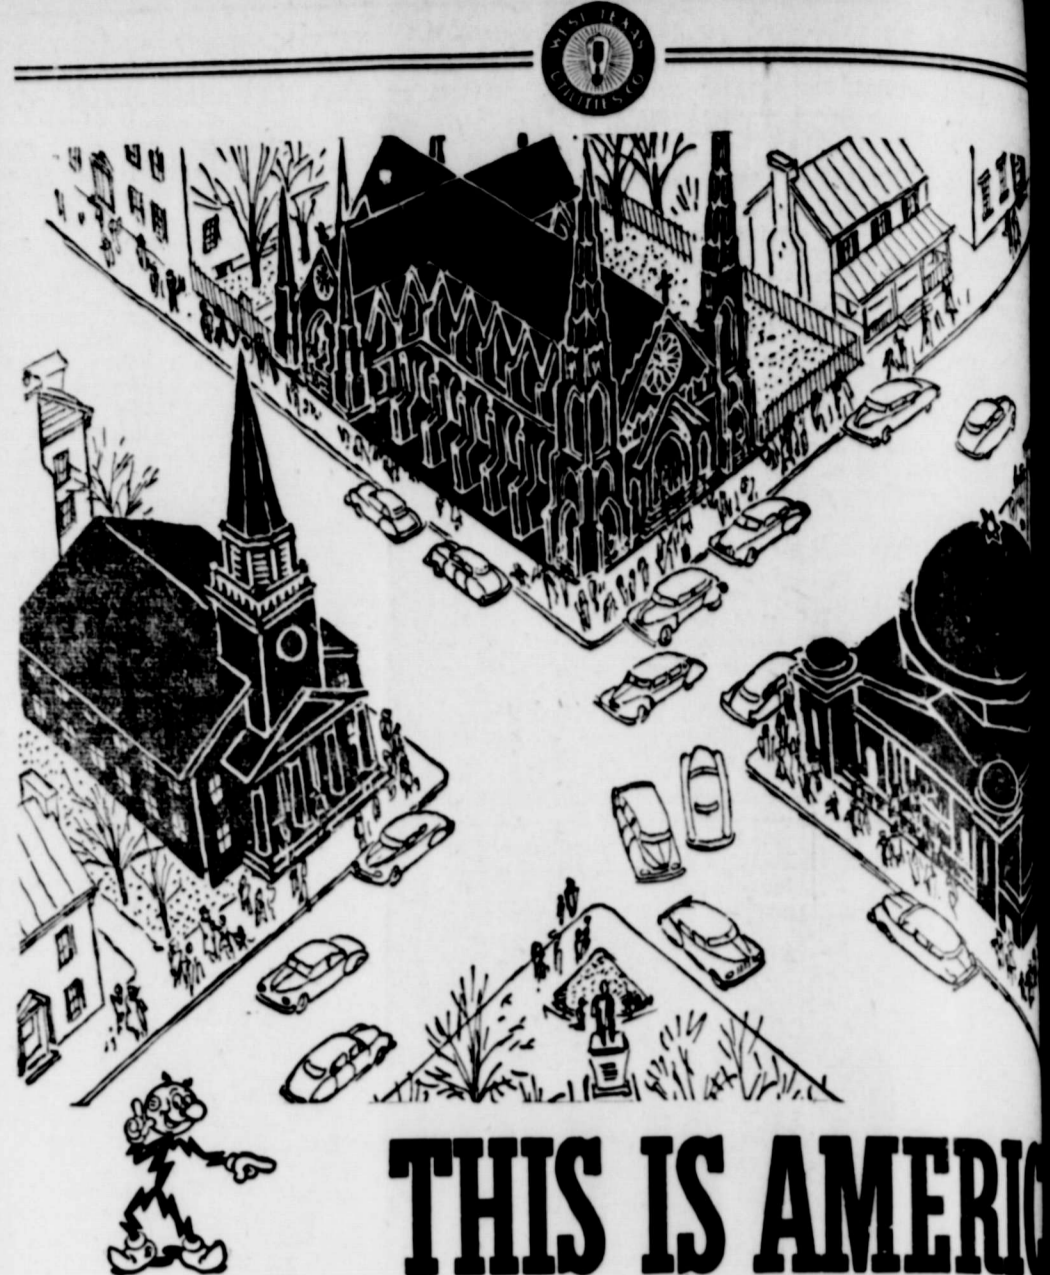

The members voted to sponsor a Club Bake Sale in Haskell on Saturday, April 16. Pies and cakes will be sold featuring several recipes in Aunt Fannie's Cook Book, recently printed. Books may be purchased from any Club member.

Mrs. E. B. Calloway gave a T.H.D.A. article and Mrs. Hollis Pitman gave a 'slick trick' demonstration. An enjoyable recreation period was spent playing "Thread the Needle."

We were glad to welcome Mrs. Paul Cochran as a new member, and to have three visitors with us.

Surprise hostess gifts were presented to the hostess and she received many useful articles.

The Easter motif was carried out when refreshments were served to the following members: Mesdames Bill Pitman, J. C. Holt, Date Anderson, A. V. Townsend, Marion Ray Stone, Paul Cochran, H. Harris, Fred Hodgins, E. B. Calloway, Melvin Miller, Hollis Pitman, and visitors Mesdames Ray Ferry, Roy Brock, and John Pitman.—Reporter.

**THIS IS AMERICA**

This is freedom—many religions, many races, living in harmony together. For freedom is more than a way of life. It is a state of spirit—and our richest asset.

Under freedom of religion, Americans attend more churches than any other nation. Under freedom of speech, we have more newspapers, more radio stations than any other country in the world. Under freedom of opportunity, our children attend more schools, have more chances to succeed in life.

We are only 7% of the world's people, living on 6% of the world's land. Yet, we

who live in America have the highest standard of living the world has ever known.

Under freedom of enterprise—you call it Democracy, or Capitalism—we are just about one-third of the world's population, but we drive the most cars, use about four-fifths of the world's autos, use about the world's electricity. Our homes are unrivaled for comfort and labor-saving devices. We eat more meat, buy more clothes, see more shows, own more insurance, even save more money.

Yes, freedom pays—in the coin of peace and understanding, and in the coin of progress and prosperity.

lene and Doris McCleskey of Dallas. They were gowned alike in yellow taffeta styled with deep round necklines, full skirts and fitted bodice. They wore matching mitts and Juliet caps and carried nosegays of spring flowers.

William C. Van Siclen of Elizabeth, N. J., served as best man to his brother. Groomsmen were George C. Fraser, III, of Hastings-on-Hudson, N. Y., and James Verb of Abilene.

Following the wedding a reception was held in the home of the bride's parents. The receiving line was made up of Mr. and Mrs. King, the bride couple, and their attendants. Best attendants were Emma Grissom of Eastland and Carolyn and Dorothy King of Throckmorton assisted Mrs. C. V. Payne and Mrs. Clyde Grissom, aunt of the bride, in serving. The bride's table was laid in white lace and centered with an arrangement of white spring flowers flanked by white candles.

For traveling the bride wore a slate blue suit with grey and black accessories and a corsage of gardenias. The couple will take a honeymoon trip to Petit Jean Lodge, Morrilton, Ark. They will live at 1930 North

6th St., in Abilene.

The bride was graduated from John Tarleton College where she was a member of OWLS Social Club and the Student-Faculty Forum, and attended the University of Texas. She has been employed by Hughes and Olds, architectural designers, in Abilene.

The bridegroom was graduated from Princeton University in 1940 with highest honors in geology. He won his letter rowing on the lightweight crew, was elected Phi Beta Kappa and Sigma Xi, and was a member of the Tower Club. He received the MS degree from the University of Illinois, MA degree from Princeton. He served 4½ years in the Army Air Force and was discharged as a captain after service in Italy and Germany. He is now employed as a geologist with Drilling and Exploration Co., Inc.

The bride's parents entertained with a rehearsal tea prior to the wedding rehearsal Saturday evening and Mr. and Mrs. C. V. Payne entertained with a dinner.

The guests included Mr. and Mrs. Emory Parrott of Abilene, and the members of the wedding party, the bride, bridegroom, and her parents.

### Rule Installs New Street Lights

The city of Rule recently installed a new type of street lights which has changed the city from a town of almost total darkness into a town with a lighting system that surpasses most neighboring towns.

Nine lights have been installed on the business streets, which cast 10,000 lumens each. Seventeen lights have been installed along the highways which have a power of 6,000 lumens each and 18 lights in the residential district with a power of 1,000 lumens each. The total lumens for the city have been increased from that of 33,900 to 210,000.

The street lighting project was introduced by the Rule Rotary Club several months ago, and through the co-operation of the city councilmen, the West Texas Utilities Company and the Rotarians the project was made possible.

#### FIREHOUSE ON FIRE

Verona, N. J.—An excited woman telephoned the fire department to report a fire. A matter-of-fact voice at the other end of the line asked for details. The woman, Mrs. David Johnson, replied, "Your firehouse is burning up." Firemen found the rear of the building covered in a cloud of smoke. The blaze, caused by a defective electric clock, was soon extinguished.

The Junior Boys' Sunday School Class enjoyed an evening of play and supper on the river-side, Friday April 8. Twelve boys and five dads were present for the picnic and weiner roast. This was one hundred per cent attendance for the present enrollment in the class. Jackson Williams, Travis Townsend, Kent Dunnam, Gilbert Harris, Bobby Stone, Jerry Saffel, Robert Harris, John Stone, Douglas Davis, Thomas Ingram, Jerry Holt, and Billy Doyno Norman shared in the fun. Also present were Bill Dunnam, A. V. Townsend, Jack D. Wester, Hollis Davis.

The Pinkerton W. M. U. was hostess to the other W. M. U. organizations of the Haskell Association on Tuesday, April 12. The Association includes eleven active, local units, most of which were represented at the meeting. Mrs. A. T. Verner of Rule is president and presided throughout the day. The program was built around the theme of witnessing for Christ, and Rev. Cecil Meadows of Rochester brought the inspirational, key message of the day. The Pinkerton ladies served luncheon at the church building to some 75 ladies. Mrs. R. H. Saffel is president of the local organization.

The second Sunday of April was another good Sunday for Pinkerton. Over 75 attended the morning services, and some 60 came together for the evening study and worship. Plans are laid for another good day on Easter Sunday. The morning message will be on The Glory of the Resurrection, and a special Easter gift will be presented to each and every person who attends.

### 'Uplift' Helpful In Doing Outside Home Tasks

When warm weather comes around, we like to do as much work out-of-doors as we possibly can. Mrs. Bernice Claytor, extension home management specialist of Texas A&M College recently pointed out. But do not forget that comfortable working heights are just as important outside as they are in the kitchen and laundry.

A sturdy bench or table conveniently near the back door or in the garage can take the stoop out of many spring jobs which too often are done uncomfortably and inefficiently on the ground, she said.

For example, window screen and garden furniture can be painted more easily when set up at a convenient working height. Refinishing furniture, upholstering and putting furniture into condition for the season can be pleasant jobs when done out in the sunshine and at a level where they are convenient to handle as well as to see. The principles that hold for indoor work apply outside, too, she concluded. Indoors or out, work is easier, faster and more pleasant when done without stooping.

### First Baptist WMU Has Special Program

The WMU, of the First Baptist Church, met in the annex Monday, April 11, for a special program on, Our Rural Churches.

Ladies from all the surrounding rural churches had a very special invitation to visit at the meeting.

The meeting opened with singing, "There Is A Fountain," followed with a prayer.

Mrs. McNutt gave the devotional, using the scripture, Matthew 6:24-34, and her talk was given on the subject, Why Do You Worry. Her comments were very good and enjoyed by all.

Miss Carolyn Turner sang a solo, using the beautiful song, "Church In The Wildwood," accompanied by Mrs. Webb.

Mrs. C. V. Oates brought the lesson on Rural Churches in her own very entertaining manner.

The president of Pinkerton WMU gave a report on the work their society is doing and Mrs. Holt told of her work with the G.A. girls.

Seven ladies from Pinkerton church were our visitors for the afternoon.

After this, all enjoyed a social hour and was served a refreshment plate of sandwiches and hot tea.

Next Monday, April 18, Mrs. Verner, our associational president, will meet with us and install the incoming officers.—Reporter.

### Church of Christ Sends Clothing To Orphanage in Italy

Members of the congregation of the Haskell Church of Christ recently contributed more than 400 pounds of serviceable clothing to an orphanage in Italy, and the articles were prepared for shipment last week to Frascati Orphan Home, Frascati, Italy, a small city near Rome.

Ladies of the church sorted, mended and fixed the clothing, which included dresses, suits, shoes, etc., for children of most all ages. Ladies helping in this work included Mesdames R. I. Johnson, John Crawford, John F. Ivy, Willie Johnston, Roy Deaver, Horace Oneal, Bob Graham, Bob Herren, G. C. Bartlett, Omer C. Ray, Haskell Edwards and Miss Elaine Oneal.

Packing and preparation for shipment overseas was done by Roy Deaver, Horace Oneal, A. C. Boggs, Willie Johnston, and Clifton Cobb, with Bynum Office Supply providing downtown working space and materials.

**IN FORT WORTH**  
Mrs. Clarence Burt will spend the week-end in Fort Worth visiting her cousin, Mrs. Frank Terrell.

### TEL Class Members Meet In Social, Business Session

Members of the T.E.L. Class, of the First Baptist Sunday School, enjoyed a business and social meeting in the church annex on Tuesday afternoon. The room was very spring-like, with many containers of lilacs, iris and bridal-wreath blossoms. The meeting was opened by singing, "Make Me A Channel of Blessing," and "I Come to the Garden Alone," with Mrs. R. Y. Mobley leading and Mrs. I. A. Cox at the piano.

Mrs. Mary Oates led in prayer. The president, Mrs. K. D. Simmons, presided for the business session, hearing reports from officers and group captains. Mrs. Paxton, secretary, brought a fairly encouraging report for March, the average attendance being twenty-seven.

The devotional was led by Mrs. R. L. Burton the theme being, Vessels for the Master's Use. Blackboard illustrations were made in color, and a number of Bible references used. What kind of vessels are we, was asked—we must empty our vessels of self, if we would be "vessels fit for the Master's use."

Carolyn Turner sang, "My Evening Prayer." Mrs. George Herren closed the program with prayer.

Mrs. S. A. Roberts conducted a Bible quiz.

Punch, small sandwiches, cakes and candy were served from a lace covered table centered with the punch bowl encircled with lilac and iris.

Others present than those above mentioned were Mesdames Maples, Jim Bailey, Laird, Leon Gilliam, C. W. Bledsoe, Jack Merchant, Arthur Merchant, Rosa Glenn, O. O. Aiken, J. T. Roberson, F. E. Graham, J. A. Dilbeck, J. W. Martin, W. J. Lane, Bledsoe and B. M. Whiteker.

### RETURNS FROM VISIT IN CHICKASHA, OKLA.

Constable Sterling Edwards has returned from a several days visit in the home of his daughter, Mrs. Bill Grant and family, in Chickasha, Okla. Mrs. Edwards remained in Chickasha for a longer visit in the home of her daughter.

### Speech Students Win In Declamation At Abilene

Haskell speech students, under the direction of Mrs. Carol Dean Bledsoe brought home two blue ribbons and one red one from the district declamation contest held at North Junior High in Abilene.

Nabeela Hassen placed first in Senior Girls' Declamation. Jane King won first in Junior Girls division, and Bobby Neil Smith won second in Senior Boys' Declamation.

The two students winning first place are entitled to represent Haskell in the regional Interscholastic League Meet to be held at Abilene High School April 23.

### Officials Elected for Haskell Softball Teams

In a recent meeting of Haskell softball players, Wallace Stark was elected manager of the Haskell team in the Tri-County league, and W. R. Howard manager of the HHS team in the junior league. John E. Robison was named Rules chairman.

Named on a committee to supervise local grounds and playing field were W. R. Howard, Covell Adkins and Tom Roberson.

Work has already been started toward placing the local field in readiness for the season. A new

backstop has been built, and water has been piped to the field. A concession stand will also be built on the grounds. All profits above expenses will be used on permanent improvements for the field, Tom Roberson, member of the grounds committee, said.

### Surprise Party Is Given Mrs. Ruby Whitaker

Friday, April 1st, neighbors and friends of Mrs. Ruby Whitaker gave her a surprise party at her home on 902 South 1st Street. Mr. and Mrs. Whitaker are soon to move to Brownfield. Mrs. Margaret Marlow casually dropped in on Mrs. Whitaker. Mrs. Alma Collins and Mrs. Ruby Wooten, each baring a lovely white cake. Mrs. Cora Bell Thomas brought iced soda pop. Others who called and brought gifts were: Mesdames Bessie Rich, Ruth Taylor, Marjorie Rice, Etta Moore, Chris Correll, Clara Parks, Faye Stewart, Ruth Redwine, and Nancy Reeves.

Later those who sent gifts were Iena Thomas, Mrs. Mary E. Thomas, Cecil Huggins, Annie Reynolds, Eunice Sonnemaker, Francis Lane and S. H. Vaughter.

It is wished for Mr. and Mrs. Whitaker and son, Jackie, much happiness in their new home.

**Burlington Lines Pioneer "Zephyr" Marks Fifteenth Birthday**

Last Saturday, April 9, Burlington Lines' Pioneer Zephyr, truly a pioneer in a new era of diesel-electric, streamline transportation, observed its fifteenth birthday.

Presently, this forerunner of the modern day fleet of powerful diesel-electric freight and passenger locomotives and new streamline passenger trains, is in daily service in Texas between Houston and Dallas over the route of Burlington Lines, the first to introduce high-speed, diesel-electric, streamline passenger train service in Texas and the Southwest with the Sam Houston Zephyr between Houston and Dallas-Fort Worth in 1936, and later the Texas Zephyr between Texas and Colorado in 1940.

The widespread acceptance by the general public of the diesel powered, high-speed, streamline train idea, fostered by Ralph Budd, President of Burlington Lines, is apparent nation-wide today in the many similar passenger trains being operated by nearly all major railroads.

Construction of the Pioneer Zephyr was completed 15 years ago, and after an exhibition tour of the entire country, which included a trip over Burlington Lines in Texas, probably its most dramatic performance was a non-stop "dawn to dusk" run from Denver to Chicago, 1034 miles, to open A Century of Progress Exposition in Chicago in 1934.

It went into regular service on November 11, 1934 between Lincoln and Omaha, Nebraska, and Kansas City, Missouri, the first regular high-speed, streamline, diesel-electric passenger train service ever to be operated. Following a traditional Burlington Lines "first" habit, it was the first diesel powered, streamline train ever to handle U. S. mail.

The present supplementary

daily service being performed by the Pioneer Zephyr between Houston and Dallas, which began last fall, completes the dieselization and streamlining of all passenger train service over that route between North and South Texas.

**Trading Slow In Texas-Oklahoma Cotton Markets**

Trading in spot cotton slowed down last week in Oklahoma and Texas markets reports the P.M.A. U. S. Department of Agriculture.

Domestic mill interests continued quiet with purchases limited to small lots for nearby needs. However, export demand remained good. Merchant, found some of the desired qualities in rather scarce supply.

Local merchants and shippers offered rather freely at prevailing prices which climbed to the highest point since February 23 early last week, but declined later.

Net losses on quotations at Dallas and Houston ranged between 75 cents to a dollar per bale from Monday through Friday, but Galveston prices held steady all week at 32.60 cents per pound, middling 15-16 inch cotton.

At this time last year, cotton quotations at these markets had reached a peak of 32.65 cents a pound, about \$20 to \$21 per bale higher than they were last Friday.

Farmers sold some equities in government loan cotton between \$3 and \$7 per bale last week.

Cooked oatmeal may go into almost any meat loaf in place of bread, cracker crumbs or other cereal. Also, oatmeal porridges left from breakfast may be used thrifty in meat loaf for lunch or supper.

**Catalogue for Farm Plans Available to Farmers**

Do you need any farm building or equipment plans? Are you looking for ideas on how to build a cattle feeder or a barbecue furnace? If so, check with County Agent F. W. Martin.

He has a 1949 model catalogue chock full of all kinds of plans for anything from houses to homemade machines. This new catalogue was compiled by W. S. Allen, extension agriculture buildings engineer of Texas A&M College. It also contains a listing of many supporting publications on any subject dealing with or about the farm.

First thing in the catalogue is a list of plans for houses of two to nine rooms. Next are plans for barns, general purpose, beef cattle horse and mule or dairy barns. No fewer than 19 different 5-room house plans are listed. Also there are 10 different plans for 6-room houses. Twenty-one different general purpose barns and seven horse and mule barns are among those plans in the list.

But that is not all. There are plans for hog houses and equipment, poultry houses, cattle feeders, sheep barns, grain and hay storage, implement sheds, garages and shops, and other farm buildings and equipment that may be of interest to farmers of this section.

These plans and publications listed in the new catalogue are available to the farm and ranch people of Texas. They may be obtained free of charge by asking for them at the office of County Agent Martin or by writing to the Texas Extension Service at College Station, Texas.

Other plans for certain specific

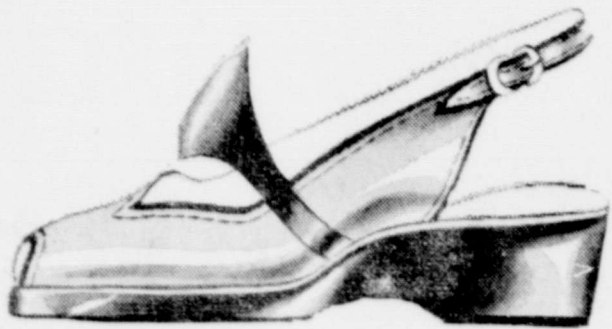

jobs are available, Martin says, but the ones in this catalogue are the ones in biggest demand.

V.—Will VA pay my bill if I go to a private hospital in a distant city?

A.—Yes, but only for a service-connected disability and if you have secured prior approval from VA.

Q.—My brother plans to go to school this summer for the first time under the GI Bill. I am already attending a school under the same bill. I wish to attend the same school my brother attends this summer. Do we have to make application in advance to attend summer school?

A.—Yes. Your brother should apply now for VA certificate of eligibility; and if you intend to continue your education this summer in a different school, you should apply as soon as possible for a supplemental certificate of eligibility.

Q.—I am a disabled veteran and would like to know on what basis compensation for service-connected disability is granted?

A.—The disability must result from disease or injury incurred in or aggravated by active military or naval service, in line of duty.

Q.—What interest rates are lenders permitted to charge on business loans?

A.—In most cases, 4 per cent is the maximum. However, the interest rate may be slightly higher for certain types of insured business loans.

Evenson, 85, mother-in-law of Congressman George W. W. Rhode, died at the home of Mrs. W. W. Rhode, 145 S. E. 1st St., Monday, April 11, 1949. She had been seriously ill for several weeks.

There are eight other grandchildren and 10 great-grandchildren. Mrs. Stevenson was married in Stockdale in 1886. Her late husband was for a number of years county judge of Irion County before the family moved to Loraine where they lived for 35 years until his death in 1941. She had lived in Colorado City since.

Both she and her husband were active members of the Methodist Church.

# HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

**29 Years Ago—April 11, 1929**  
Mr. and Mrs. John A. Couch are in Waco this week attending the Texas Lumbermen's Convention. They went by way of Fort Worth where they visited friends.

Miss Mary Emma Whiteker, a student in Baylor College, spent the Easter holidays in the home of her parents, Mr. and Mrs. B. M. Whiteker.

R. C. Couch made a business trip to Rotan and Lamesa Wednesday of this week.

Announcement was made this week of plans for the erection of a new poultry dressing plant at Stamford by the Western Produce Co., which has a branch house in Haskell.

A Chevrolet roadster stolen from Vestus Alvis of Rochester last Wednesday night has been located at Gorman, according to Sheriff W. T. Sarrells. The Haskell officer and Mr. Alvis will go to Gorman this week to take possession of the car.

R. E. Sherrill has been out on the Plains near the line of New Mexico, for several weeks improving his property in that section.

H. D. Neff and son, David Ray,

of Hamlin, were in this city Saturday. Mr. Neff is a former superintendent of the Haskell schools. He is now engaged in the real estate and loan business in Hamlin.

Mrs. Olivia Mays, Mrs. Guy Mays and Mrs. Paul Kuenstler were in Dallas last week buying goods for Mays Store.

George William, young son of Mr. and Mrs. John E. Fouts, of this city underwent an operation for appendicitis at the Baptist Sanitarium in Abilene last Thursday. He is reported recovering nicely.

**40 Years Ago—April 10, 1909**

The Magazine Club will give an entertainment Friday evening for the benefit of the Public Library. Proceeds from the program will be used to purchase bookcases in which to place the 300 or more volumes now in the library.

W. G. Smith and Monroe Howard have put in a first class blacksmith shop in the Buffalo Creek community.

The Community Court has awarded the contract for the new jail to the Southern Steel Structure Co. of San Antonio.

We learn that the jail and equipment will cost about \$20,000.

D. C. Cogdell of Granbury was in Haskell several days this week.

John V. Glass of Birmingham, Ala., is visiting his daughter, Mrs. R. H. Davis.

W. T. McDaniel declares that cotton burrs make an excellent stove fuel, and he invites anyone wanting to try them to come by and get a load free at his gin.

D. Scott, who has the contract for a brick building on the north side, started a force of workmen on excavation for the foundation Friday morning.

Mrs. B. J. Smith and daughter of Crowell are visiting Mrs. Marshall Pierson.

A. B. Carothers of Rochester was in Haskell Tuesday.

Miss Fannie Isbell of Rule visited the Misses Lemmon early part of the week.

Park Caudle, editor of the Sagerton Sun, was in Haskell on Monday.

B. B. Ivey of Navasota published an advertisement in The Free Press wanting to buy 500 young prairie dogs at \$2.50 per doz.

There is a beautiful art exhibit in the show window of McNeill & Smith Hardware Co.

There was a light fall of snow here Tuesday.

B. H. Wadlington is visiting his parents in Monroe, Tenn.

J. U. Fields has returned from an extended visit to friends in East Texas and Louisiana. He had fine sport fishing and hunting in that country.

The Baptist Church at Rule was dedicated last Sunday. Rev. John A. Arbuckle pastor of the Haskell church, preached the dedicatory sermon.

**50 Years Ago—April 15, 1899**

Rev. Wagner of Benjamin is here to assist in a protracted meeting at the Methodist church.

Portions of southwest Texas are so dry that cattle are having to be moved out to where they can get water and grass to prevent starvation by the wholesale.

Frank Armstrong came in Thursday after an absence of five or six months.

J. B. Wadlington returned on Wednesday from a trip to Cook county. He reports it as dry there as here, and says there is a great deal of sickness in that section at the present.

W. F. Rupe and family left this week on a visit to relatives in Dickens county.

Albert Cathey has moved back to this county from Oklahoma.

J. E. Wilfong was in town yesterday. He says the farmers in his section have a good stand of corn up, but wheat and oats are not looking well, although there is still considerable moisture in the ground.

Mrs. Jasper Milhollon left on Sunday for the Territory, in response to a message that a daughter, Mrs. Lemmons Roberts, was ill. Mr. Milhollon accompanied his wife as far as Seymour.

Mrs. Hall Morrison arrived the first of the week on a visit to her father, J. S. Rike, who is very ill.

J. E. Ritchie, an Abilene lumber dealer, was here this week looking after business. He is selling lumber on the monthly installment plan.

Judge Ed J. Hammer came in Thursday from Colorado City, where he is now located.

D. W. Courtright visited Albany this week. We learned

from him that owing to the fact some of the parties owning land over which it is necessary for the Texas Central railroad to run in getting out through the gap west of Albany are demanding fantastic prices for the right of way, the company has moved its surveying corps back five or six miles east of the town and leave Albany entirely off the line.

Recently quite a number of range horses have been turned out of newly enclosed pastures and being cut off from water are in a famishing condition. A good many of them have found their way to the Spring Branch near town and, either from starvation or over-drinking, quite a number have died and more will likely die. We are told that there are three or four dead carcasses within a half mile of town and probably a dozen within a mile of it—on the south side—the direction from which most of our wind comes. The carcasses should be hauled off a mile or two farther, or otherwise disposed of, and our people should lose no time in employing someone to do the job.

## Center Point H-D Club Has Regular Meeting Apr. 6

Center Point Home Demonstration Club met Wednesday April 6 instead of Thursday, in order for the members to attend a demonstration by the International Harvester Company in Haskell on the latter date.

In the absence of Mrs. O. W. Whitaker, Mrs. Bland was hostess. A 'slick trick' was given by Mrs. Corzine, and the timely topic by Mrs. Bill Fouts. Mrs. Buck Bland gave a demonstration on 5-minute icing for cakes.

A delicious refreshment plate was served to the following members: Mesdames Della Corzine, Travis Smith, Bill Wiseman, L. W. Roberts, Bill Fouts, Ted Merugg, A. M. Bird, T. M. Patterson, Frank Jeter, Oris Gipson, Albert Hansz, Willie Farrell and the hostess, Mrs. Buck Bland. The next meeting will be on Wednesday also on account of the T.H.D.A. meeting at Wichita Falls on regular meeting day.

## Liberty H-D Club Has All-Day Meeting And Quilting

Members of the Liberty Home Demonstration Club met Friday, April 8th in an all day meeting. Three quilts were quilted during the day.

The meeting was called to order by the president, Mrs. J. J. Wisdom. A song, Sweet Hour of Prayer, was led by Mrs. Russell. Roll call was answered with ways to store a cake. Timely topics were given by Mrs. Ragsdale.

Next meeting of the club will be with Mrs. Milton Anderson on May 13th, and a demonstration will be given on refinishing furniture. Visitors are invited. The meeting will begin at 2:30.

Those present were Mesdames Ragsdale, Kendrick, Marr, Lytle, Pogue, Davis, Anderson, Wisdom, LeClaire, the hostess, Mrs. Russell, and two visitors, Mrs. Smith and Mrs. Boyd Davis.

## The NEW 54 COTTON PLANTING SEED NOW AVAILABLE

The NEW Paymaster "54" is now available for the 1949 planting season — ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers. It is the result of scientific selection and painstaking experiments to develop a seed that will produce more money per acre planted.

**Here's why the NEW Paymaster "54" is a money-making Cotton...**

- EARLY MATURITY**—Of 25 varieties tested recently... "54" was first in percentage of crop harvested in a four-month period.
- HIGH YIELD**—In this same test, "54" was third among all varieties in yield per acre.
- BETTER STAPLE**—"54" ran 15/16" to 1 inch throughout West Texas, assuring a better price.
- TESTED FOR DRY LAND**—"54" has been proved successful for dry land farming as well as for irrigated Plains areas.

## It's an Easier Life!

...with **JOHN DEERE** equipment

In farming today, the John Deere way, is easier than ever before. It's the way your grandfather ever thought possible. And, it's the way of the future, too.

The consistent leadership of John Deere plows has been the trail-blazing role. John Deere equipment has been the mechanizing farming's muscle work. It's John Deere's steel plow that opened the sticky soil to profitable farming in 1837. The introduction of the John Deere "Gilpin Sulky" in 1875 lifted the pioneer farmer's weary legs out of the row... forever abolished the necessity of plodding behind a "walker." Today, plowing with John Deere plows is plowing at its best... and easiest, thanks to Truss-Frame design and hydraulic Power-Trol.

The full line of modern John Deere equipment is designed to make all farming operations easier and more profitable... farms more productive. Come in and discuss your needs with us.

### Speech Students Are Presented in Easter Recital

Presented in Easter—Recital—14 Mrs. Carol D. Bledsoe presented 15 students in an Easter Speech Recital at the High School auditorium April 12.

The stage was decorated with spring flowers, Easter baskets, eggs, and bunnies.

Those students presented were Janie Bynum, Suzanne Lane, Sara Lees, Don Pennington, Sandra Lanier, Cay Carol Chin, Bobby Sego, Dana Ruth Smith, Jimmy Ferguson, Linda Benson, Anna Jean Parsons, Nanette Weaver, Jane King, Nabeela Hassen, and Bobby Neil Smith.

This was the last speech recital for this school year, and speech classes will not be resumed until September.

### Local Rebekahs At District Meeting In Tuscola

Several Oddfellow and Rebekah Association members are in Tuscola today for an all day meeting of the district. Tuscola lodges of both groups are hosts for the meeting.

Registration was at the Tuscola Lodge Hall beginning at 9:30 a. m. D. E. White, superintendent of South Taylor School, gave the welcome address and C. T. Johnson, Noble Grand of Abilene Oddfellows, gave the response.

Morning addresses to the ladies group included talks by Mrs. Leo Standard of Tuscola and Mrs. Sarah Holt of Haskell.

Andrew Drake of Anson, president of the association, presided during the afternoon meeting, which included the seating of officers by Haskell Rebekahs, roll call of officers and business reports.

Tonight's session, to be held in the Tuscola high school, will be highlighted by readings by Mrs. C. A. Fomby, drills by Abilene Rebekahs and a memorial service by the Rule lodge.

### Hob Smith Elected To Second Term As Rochester Mayor

Hob Smith was re-elected mayor of Rochester and Felix Mullino and John Michael were re-elected aldermen in the municipal election held last week. O. B. Cave was elected alderman to succeed Pete Tanner, who has moved away.

Smith begins his second term as mayor. He said that the program now is to put through a sewer project this summer.

### City of Rochester Planning New Sewer System

Mayor Hob Smith of Rochester said this week that an engineer would soon submit estimated cost on a modern sewer system for Rochester.

Smith said that development brought about by oil activities in the immediate area would necessitate voting between \$75,000 and \$80,000 for the sewer project. Originally the estimate was about \$65,000.

"The influx of new people into Rochester has led the contemplation of a new addition of 20 acres to the city," Mayor Smith said. "And the promoters of the new addition are desirous of the sewer service."

Rochester has deferred the idea of voting revenue bonds for the system for the last two or three years since sewer pipe was not available. "Now we can get all we want," the mayor said.

The proposed system would serve all the sections of the city. "We have an abundance of water—have never been short," the city official said. "The oil well west of town, together with other tests have brought many people who want to live here," Smith pointed out.

### 'Home Brew', Liquor Law Infractions Costly Fort Two

A batch of "home brew" made by a Rochester negro man failed to provide the "cheer" he had probably intended, but rather turned out with depressing consequences when he was haled into County Court Tuesday for violation of liquor laws. Arrested by Deputy Sheriff Payne of Rochester, who also confiscated the brew, the negro was fined \$100 and cost when he entered a plea of guilty before County Judge Patterson. The negro paid the fine.

A Haskell negro, arrested by Sheriff Bob Cousins and Deputy Johnny Adkins when they found whiskey and beer at his premises, also appeared before Judge Patterson Tuesday and entered a plea of guilty. He was fined \$350 and costs, and declaring his inability to pay the fine, is facing the prospect of spending several months in county jail, "laying out" the Court's levy.

### Beans Should Be Given Good Spot In Garden Plans

What is a home garden without beans, asks County Agent F. W. Martin.

It isn't too late to plant the green bush beans. The Giant Stringless Green Pod variety is standard among home gardeners. A new kind called Logan is the latest model in beans. This variety is outstanding in quality and is recommended for use as a fresh vegetable or for freezing or canning, Martin says.

It's a little early for the pole bean varieties right now. And a point to remember about the pole beans is that these plants must be set out further apart in the row because they grow larger, than the bush types. Kentucky Wonder is standard in the pole varieties, but the Blue Lake is higher in quality and yields as well as the Kentucky Wonder.

As for the lima beans, the Henderson Bush or Fordhook are good bush types, says Martin. The Silva and Florida Speckled are excellent pole types. The Silva is a white bean, while the Florida Speckled is a brown one.

### "Indian No Give Dam"

The following is taken from a recent pamphlet sent out by Phillips Petroleum Company:

Back in 1940, The Farmer-Stockman, of Oklahoma City, published some photographs of a gullied field and deserted house, and offered a prize for the best 100-word essay describing the tled type.

In East Texas, the Florida Speckled seems to do best, while in the damp coastal area the Silvia is preferred, he concludes.

### pictures. More than 3,000 entries were received. The winning essay attracted so much attention it has been reprinted many times, with numerous variations. It recently turned up on our desk in mimeographed form, attributed to an Indian. You may have seen it, too. It reads:

"Both pictures show white man crazy. Make big teepee. Plow hill. Water wash. Wind blow soil. Grass all gone. Squaw gone. Pa-poose too. No chuckaway. No pig. No corn. No hay. No cow. No pony.

"Indian no plow ground. Keep grass. Buffalo eat. Indian eat buffalo. Hide make teepee. Make moccasins too. No built terrace. No built dam. All time eat. No hitch-hike. No shoot pig. Green grass. Indian no work. Crazy."

It won the prize and the author was O. E. Enfield, Okla.
