Steps taken to form detention center corp.

Beginning steps in forming a corporation, Crockett Detention Center, Inc., were taken Sept. 11 according to Harry Sinclair of Midland, who is proposing a detention facility here. Application is being made to the State to operate as a sub-chapter "S" corporation. Submission of paperwork and approval should not be a lengthy process said Sandy Stokes, interim president of

the corporation. Burl Myers is vice-president and secretary/treasurer of the group.

Once the corporation is approved, there will be an organizational meeting to issue stock, said Stokes. Then stockholders will elect directors who will in turn elect officers.

Location of the proposed center is the former radar base behind Crockett Heights. Preliminary esti-

mates indicate that 1.3 million is needed to have the facility operational. From 250 to 400 minimum security prisoners could be housed there.

E. F. Hutton representatives were in Ozona last week to look at the property and to meet with Judge A. O. Fields and attorney Bill Mason. According to Sinclair, there are several ways to finance the center including the issuance of municipal

bonds by Crockett County.

Sinclair and an E. F. Hutton representative will be on the October 13 Commissioners' Court agenda at 10 or 10:30 says Judge Fields.

"I believe it would be good for our economy as far as labor goes," says Fields of the center.

As many as 60 persons could be employed at the detention center if it operated at maximum capacity, says

Sinclair.

Jim Jones of the Federal Bureau of Prisons says there are 40,000 spots needed for prisoners and only 26,000 available at this time according to Clayton Robison, Chamber of Commerce director.

Texas Department of Corrections has, within the past week, begun releasing prisoners to private facilities on what is termed a temporary basis. Overcrowding in Texas

prisons would provide additional inmates for centers such as the one planned in Crockett County. Other prisoners would be placed by the Federal Bureau of Prisons, Immigration and Naturalization Service and the Border Patrol says Sinclair.

Once financing is obtained for purchase of the 26 acre site and buildings, three to six months will be required for renovation.

New Texas Ranger for Crockett County

Howard Dunham, new Texas Ranger, comes to Ozona after 14 years in Clarksville as a trooper in the Department of Public Safety.

"I was excited about becoming a trooper," said the Texarkana native, "but I was ready for a change." No special additional training was required when Dunham became a Ranger, but he will be attending schools in investigation within a year.

Dunham's assigned territory in-

cludes a five county area consisting of Crockett, Sutton, Schleicher, Reagan and Irion. The Ranger also expects to work Val Verde and other counties as needed. Crockett County has not had a Ranger Station since the retirement of Clay Bednar in 1981.

A ranger's duty is to assist police and sheriff's departments with criminal law enforcement as needed. "I'm available to help the people; that's what I'm here for," said

Dunham.

Dunham and his family are "well satisfied" with the friendliness of Ozona. His wife Janis is a homemaker. They have three children, Bart, age 18, who is a 1986 graduate of Clarksville High School; Darrell, age 16, and a junior at Ozona High School; and fourth grader Jennifer, age 9.

Dunham's office is located in the Department of Public Safety Building.

Sue Snelson, wife of candidate Pete Snelson, was in Ozona Tuesday on behalf of her husband's campaign. She is pictured with Judge A. O. Fields and County Auditor Dick Kirby.

"Ozona's always been good to us," said Mrs. Snelson of area voters. Snelson will be the subject of a roast Sept. 29 in Midland.

Confederate Air Force to display at airport

World War II aircraft from the West Texas Wing of the Confederate Air Force will be on display at Ozona Municipal Airport Oct. 25, giving locals and visitors an opportunity to reminisce or see the old planes for the first time.

At least 10 of the CAF warbirds may be featured as a static display throughout most of the day at the Crockett County Fly-In according to Chamber of Commerce representative, Bobby Aycock. The Chamber is sponsoring the event.

CAF Colonel Sam Short and Mrs.

Short of San Angelo met Sunday afternoon with Aycock and several Ozona pilots to discuss the fly-in, laying the groundwork for the event. The number of airplanes, types, public address system, ground transportation for pilots and other items were discussed.

Short assured the Ozonans that getting the CAF warbirds to come down will not be a concern.

"The problem will more likely be to limit the number of warplanes," Short said. "The CAF pilots are always ready to go. You have to

consider the available airport facilities such as ramp space available."

Several experimental and antique aircraft will also be exhibited as part of the fly-in celebration commemorating the Texas Sesquicentennial year, and the bicentennial of David Crockett's birthdate, which was Aug. 17, 1786. October marks the 29th anniversary of the Ozona Municipal Airport and its service to the community as well.

The CAF aircraft date from

1939-1945. Besides the airplanes the CAF women's auxiliary's PX, a trailer mounted shop selling T-shirts, pins, buttons and other souvenirs of the CAF will be on hand.

Food and drink concessions will be available throughout the day. An evening entertainment is being planned for the CAF pilots following the fly-in.

Proceeds from the fly-in are to be used to defray fuel costs for the CAF planes. Some of the old planes consume large amounts of fuel.

Sheriff's Dept. acquires drug dog

by Scotty Moore

The Crockett County Sheriff's Department has in its possession a trained drug dog, a gift from the Sonora Police Department. The dog has been assigned to Deputy Danny Simmons.

"He is part Yellow Labrador and part Irish Setter, and has been valued at about \$4,000. I am real excited about learning to work him," said Danny in a recent interview.

Danny will begin a training program in Midland in the near future on proper investigative and search techniques plus dog handling.

"We are extremely proud to have the animal, and it was all made possible through our excellent working relationship with all of the Sonora and Sutton County law enforcement agencies," said Danny.

New addition to Sheriff's Dept.

Despite loss, Ozona shows tremendous comeback effort

BY T. C. TUCKER

The Ozona Lions traveled to Wall Sept. 12 after coming off a shut-out victory the week before. However, the tables were turned as Wall proved in their homecoming game that they could win.

The Lions were hit smack in the face Friday with two bits of knowledge. One, they learned that they must play both halves of the game, and two, discovered they could come back even when being down 21 points.

Things got off to a slow start for the Lions as they failed to gain a first down on their first three possessions. On the other hand, Wall was

just waiting for the right moment.

With one minute already gone from the second quarter, Wall broke away for a 25 yard touchdown after attaining possession of the ball on their own 49.

The Wall Hawks would strike again within a matter of a few minutes. The returning of Sam Hightower's intercepted pass for a touchdown and then their gaining of a fumble on Ozona's 18 turned the mirror on the Lions. Wall led at halftime 21-0 just as Ozona had led Eden the week before.

But the main difference appeared in the second quarter when the Ozona Lions came roaring back in an attempt to win the ball game.

Again, the Lions could not move the ball very far down field, but neither did Wall. The Hawks were moving their way slowly forward in their own half of the field when the Lions first struck.

The pass to a Wall receiver found its way into the hands of Roger Flores, who returned an interception for a TD against Eden. He did the same here, sprinting 38 yards to put the Lions on the scoreboard.

Oscar Payne's kickoff following the touchdown was deemed unimpressive as it traveled high and short. But Payne would be the one to snatch the ball out of the air as it

School Board has short meeting

The regular monthly meeting of the Crockett County Consolidated Common School District Board of Trustees was held Tuesday, Sept. 9.

Rev. Jim Gray, pastor of the First Baptist Church, appeared before the local school board to request the use of the Ozona High School Auditorium for a free concert by the singing group "Faith Work" on Saturday, Sept. 27. His request was approved by the seven trustees.

The members also approved a change order to install ceiling tile in the remaining areas of the new construction in the Davidson Gymnasium Addition Project, and they approved the employment of Helen Wall as a school cafeteria employee.

Superintendent Garland Davis gave a report which compared

By Border Patrol agents

Three charged for drug possession

In a joint operation with the Pecos County Constable in Sheffield and the State Game Warden, two Border Patrol agents of the Ozona station arrested three persons for possession of narcotics Sunday, Sept. 14.

The three, all U.S. citizens, were arrested on U.S. Highway 290 near Sheffield. At the time of their arrest, they were in possession of 3.5 ounces of Methamphetamine. The controlled substance has an estimated value of \$5,300.00.

The narcotics and the three suspects were turned over to investigators of the Narcotics Division of the Department of Public Safety and subsequently jailed in Fort Stockton.

On Sept. 7, alien smugglers led Border Patrol agents on a high speed chase on Highway 163 south of Ozona. Four aliens were arrested at the scene as the driver and another smuggler escaped on foot. The driver was located later in town by Sheriff Billy Mills who turned the

alien over to the Border Patrol. The aliens were en route to Fort Worth and were to pay \$600.00 each for the ride.

In another case, five aliens were apprehended while being transported by two other illegal aliens on Interstate 10. The smugglers traveled from Del Rio through Comstock, Dryden, Sanderson and Fort Stockton before being apprehended near Ozona. The smugglers were to receive \$500.00 from each alien to take them to Dallas.

One other alien was returned to Del Rio to appear before the U. S. magistrate to face criminal charges for illegal entry. The alien, who was living in San Angelo and working near Mertzon, was apprehended during a traffic checking operation on Highway 67.

Seizure proceedings are currently underway on three vehicles used in the transportation of illegal aliens. The vehicles were all confiscated by the Ozona station during the last month.

Sorority exercise program

The Alpha Alpha Mu chapter of Beta Sigma Phi met Monday evening, Sept. 8, at the Methodist Fellowship Hall with 22 members present. Hostesses for the evening were Leslie Wilson, Rita Sigwing and Becky Sizemore.

Ms. Wilson introduced special guest Paula Curry. Ms. Curry was formerly a wateroebics instructor at YWCA in Lubbock before recently moving to Ozona. She led the ladies through several fundamental steps of the sport, as the event was moved indoors due to rain.

Those present were treated to refreshments followed by a business meeting presided over by Jeannine

Henderson.

The candle was passed and Secret Sisters exchanged gifts.

Those attending were Debbie Bachman, Tina Bean, Tammy Bunger, Becky Dillard, Sharon Forehand, Debbie Glasscock, Kim Hager, Laurie Hale, Jeannine Henderson, Karen Huffman, Connie Jennings and Ellen Lipsey.

Also present were Susan McMullan, Leslie Reeves, Billie Renfro, Rita Sigwing, Becky Sizemore, Kay Stewart, Roylan Sullivan, Lisa Wagoner, Marcy Williams and Leslie Wilson.

Tax practitioner workshop

The Texas Agricultural Extension Service is cooperating with the Internal Revenue Service in offering many tax practitioner workshops across the state, report Billy Reagor and Rachel Hall. Twenty-six general workshops will be held in all major Texas cities. The general workshop nearest Ozona is in San Angelo Nov. 20-21. There will also be 14 advanced workshops offered in major cities. The general tax workshops will concentrate mostly on personal taxes -- the advanced workshops' emphasis will be on business tax problems.

In addition to the general and advanced tax workshops, there will be three partnership workshops, four estate planning and tax form preparation workshops, four problem resolution workshops, and -- new this year -- three workshops dealing with income taxation of trusts and estates.

For additional information, please contact the County Extension Office for a brochure explaining more about the program and registration information.

Love and the little building

The young couple bought their first house, and in the back yard was a portable building that had been used for a beauty parlor by the previous owners. Subsequently, another hairdresser rented the little building to ply his trade, and time passed. When B.T. established his own salon, the equipment in the little building was idle again.

Having no interest or skill in hairdressing, the young husband shoved the unused equipment aside to build a workbench to indulge his hobby, and time passed. Realizing that he needed more room in the little building, the beauty shop furniture was offered for sale in the local newspaper. Volunteers of the Care Center Auxiliary took notice and approached the couple with a modest offer.

With Christian love, the equipment was donated to the beauty shop at the Care Center to be used by the volunteers for the residents there. They could have gained financially, but the young couple chose to express their sincere love for other people in this sweet gesture.

The officers of the Auxiliary salute Vince and Karen Huffman for their gift.

The monthly residents' birthday party was celebrated Monday afternoon honoring Maggie Crawford and Bertha Miller. Maggie and Bertha were presented with beautiful corsages compliments of Maxine's Flower Shop, and happy birthday was sung. A delicious cake, compliments of Polly Mayes, was served with punch. Hostesses for the party were volunteers Jo Davidson and Nancy Forehand. Thank you, ladies.

After the party, residents enjoyed a visit from our pet, Lady Brittany as she joyfully came in to say hello to everybody.

Monday evening, residents were entertained by the Levis and Lace Square Dance Club. Members present were: Jimmie and Pete Jacoby, Lillian and J. D. Brown, Clara and John Babb, Marie and Ray Pierson, Bob Bell and Janet Henry. The residents were delighted with their performance, and hope to see them again real soon.

Tuesday's bingo volunteers were Mattie Cooper, Arron and Nancy Forehand, Georgia Kirby, Sophie Kyle and Lillian Tambunga. We would like to say thank you to all of you for lending us a helping hand. The first place winner was Pauline Clinton. She won an El Chato's gift certificate. Minnie Karr, Grace Cotter, Maggie Crawford, Theo Burns, Anselma Limon, Moriamma Perez, Charles Watson and Alice Ross were also bingo prize winners.

Residents learned to play a new card game called UNO Tuesday afternoon. After a few hands, under the directions of volunteers Angie and Matthew Marshall, residents were playing the game like pros. Residents wheeling and dealing were: Moriamma Perez, Pauline Clinton, Edna Wallace, Juana Hernandez, Theo Burns and Tomasa Ramos.

Volunteers for Wednesday's ceramic workshop were Marie Pierson, Ann Shaw, Donna Beth Davidson and Ruth Hester. Residents participating were: Juana Hernandez, Tomasa Ramos, Anselma Limon, Moriamma Perez, Theo Burns, Pauline Clinton and Ola Mills.

Cookies, compliments of the Church of Christ, were served during our afternoon Sunshine Hour. The local newspapers were read and residents tried their luck at Goofy Golf. Dorothy Doll and Jo David-

son were the volunteers.

The OHS morning Cosmetology Class, under the direction of Judy Riza, joined with volunteers Clara Byrd and JoAnn Williamson to create lovely hairstyles for the residents in Thursday morning's beauty shop. Thank you, ladies.

The residents, students, and Clara enjoyed a sing-a-long while Clara and Inez Biggs kept them in tune by playing the piano. With new hairstyles, friendly conversation, and uplifted spirits, the morning's activities ended.

The midweek Bible study was presented by the Lutheran Church with Charles Huffman speaking. Ruby Olson played the piano and residents sang hymns. Visitors included Betty Huffman, Marie Walker and Mattie Cooper.

The Spanish Hour of Praise put a nice end to the day's activities with beautiful hymns being sung in Spanish. A large group of visitors attended. Herbierto Gutierrez played the guitar.

Saturday, residents attended the Myrtle Post Flower Show. Volunteers were Jo Davidson and Nancy Forehand.

Sunday worship services were conducted by the Catholic Church with a large number of visitors singing hymns. Frank Galindo, Armando Ramirez, and Shio Tambunga played the guitars, and the music was beautiful.

We would like to give a special thank you to Vince and Karen Huffman for their generous donation of beauty shop equipment. We do appreciate it, and it will be put to good use. Thank you.

REV. KEN EPPLER
 CALVARY BAPTIST CHURCH

Scripture Reading: I Peter 5:6-11

Many today find it hard to associate going to church and going to war in the same light. Although, in this passage of scripture, Satan is described as our adversary, walking about as a Roaring lion seeking whom he may devour.

The battle is raging and the majority of Christians are burying their heads in the sand, trying not to get involved. This particular posture leaves a prime target for Satan to kick the stuffing out of us.

Here are a few observations concerning war, with the prayer that if you have fallen prey to Satan's attack, you will be able to find a way to get back up and go forward.

In every war there are wounded. In the church there are wounded. The wounds incurred are of a wide variety. There are head wounds. In the church the head wound is manifested in the form of confusion. I Corinthians 14:33 says, "God is not the Author of Confusion," yet, today there is a tremendous amount of confusion about what the church should be doing. Where does the confusion come from? James 3:16 says, "Where envying and strife is, there is confusion and every evil work." I wonder how many have pulled out of the church, out of the battle because of the wounds of confusion.

Then, when the battle is raging and in the heat of the battle and all the excitement, you get careless and wound some of your own people! I wonder how many of you have been wounded by fellow church members? It's known as being stabbed in the back, beat down, put down, gossiped about, stepped on, walked on, taken advantage of, preached at, etc. Galatians 5:14-15 says, "For all the law is fulfilled in one word, even in this: Thou shalt love thy neighbor as

thyself. But if you bite and devour one another, take heed that you are not consumed one of another."

Now, let's talk about the wound I believe is the most common in our society today. It's called the battle weary or battle fatigue. It's manifested by such sayings as: I've tried, I've done my part, I give up, I just can't make it, It's not worth the trouble, nobody cares anyway. I Corinthians 15:58 says, "Therefore my beloved Brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, for as much as ye know that your labor is not in vain in the Lord." Have you dropped out of church because you are tired of being overloaded or you're burnt out! Take another look at that verse.

Well, I've painted a pretty bleak picture. It doesn't quite fit the title does it? But, wait. There is an answer to all of this.

Our master, our Commander in Chief, Jesus, is often referred to as the Great Physician. According to Luke 4:18 Jesus said He was anointed to preach the Gospel (The Good News) to the poor, He would heal the broken hearted He would proclaim deliverance to those taken captive, He would restore sight to the blind, and He would set free those that are bruised.

Perhaps you've been wounded and you've left the church or you're struggling to stay in. There is a place of refreshment for you. It's in Jesus. Go to Him today in humble repentance and he will give you relief. That's what makes us 'God's Invincible Army.' No matter how many times we've wounded, we can be restored. Psalms 37: 23 and 24 says, "The steps of a good man are ordered by the Lord; and He delights in His way. Though He fall, He shall not be utterly cast down: For the Lord upholds Him with His hand."

The Lord is ready to lift you up. Will you submit yourself to him today?

May the lord richly Bless You.

Woman's League projects benefit community

The Ozona Woman's League met Tuesday night, Sept. 9, in the home of Carmen Sutton. League members were treated, their first meeting of the year, with a "Build Your Own" baked potato supper, hosted by Carmen Sutton, Tina Bean and Bennigail Hunnicutt.

President Cathy Carson called the meeting to order and then welcomed new members Cynthia Berry, Nancy Forehand, Lisa Wagoner and Lou Whitley. An inspirational reading was then given by Mary Jo Mason.

Nancy Vannoy, yearbook chairman, presented League members their new yearbooks. A review of upcoming events and club projects for the year was given. Included in this year's projects are: assisting with Kindergarten and preschool screening clinics, providing professionally fitted glasses for three children, contributions to the Ozona Community Center, the purchase of two tables, twelve chairs, silverware and an electric knife for the Helping Hands Senior Citizen Building, to direct a cake auction to raise funds for the Helping Hands for the Elderly, provide for the purchase of an electric typewriter and table easel for the Crockett County Library, conduct a cassette storybook drive for the Children's Room at the library and provide a time capsule, plaque and lockbox for the Crockett County Museum. A 35 mm camera will be donated to the Crockett County 4-H program and contribution's will be made to the Chamber of Commerce's 4th of July fireworks program. Contribution's will be made to a fund directed by Lu Ingram to meet the needs of financially disabled children, to the baseball and soft-ball organizations, for the purchase of supplies for the Ozona Day Care Center and assist with either a Christmas or Easter party for the Day Care Center. Assistance will be provided through contributions to the Crockett County Transient Fund, Ozona Boy Scouts,

Ozona Girl Scouts, Ozona Civic Center for the all-night graduation party, Crockett County Crime Stop-

jects. Following a brief business meeting a progress report was given

Rachel's Reviews

by Rachel O. Hall

Choosing the best in Child Care

Finding the best child care arrangement can be one of the most worrisome situations you'll ever face.

To begin with, there's always the concern that day care will affect your child. The research is reassuring on this point. Studies have shown that babies can be placed in day care programs without it damaging their development or love for their parents, if the child care is of high quality.

How do you find high quality day care? Start with the caregiver. The caregiver who has not only love but also some education and experience in working with children is most likely to offer the best care.

The caregiver should be a special nurturing person who can not only be comforting and handle bodily care and safety, but also can provide an environment where children can acquire language and other skills.

Find out whether the caregiver likes and understands babies and agrees with your basic philosophies about feeding, crying, toilet training, discipline, naps and other child-rearing practices.

Also think about which type of care will best meet your child's

needs. Some children are happiest in a home-like setting, while others may thrive in a center-based group program.

Infants and toddlers have some unique needs, regardless of whether you choose in-home care, family day care or a day care center.

Most experts agree that infants need a ratio of not more than four infants to one adult and the same adult should be with your infant as much as possible. This will help the child develop trust, intimacy and confidence. If you choose a day care center, be sure it has a special infant space.

Once you have located a good caregiver who provides the type of care best for your child, you will want to check for obvious considerations such as cleanliness, good food, health and safety precautions.

Then check for these specifics:

- Adult-child interaction. There should be enough adults to give individual attention to a child when needed. They should be effective in communicating with children by using words they understand. Adults should encourage language development by talking with youngsters and expanding on what they say, rather

than just asking yes and no questions.

- Materials available. There should be a variety of materials for children so there will be less waiting time to get a "turn" and more stimulation in the environment. Creative art materials, books, records, tapes or homemade musical instruments, puzzles, building toys, outdoor and indoor play equipment and toys are all important.

- Age-appropriate activities. Preschoolers don't need to be immersed in academic subjects. Most developmental experts agree that children learn many important things through play. Academic learning and memorization should come later.

- A daily routine. A routine is important for stability and structure in a child's life. But it shouldn't be too rigid and should provide a choice of activities that allow the child to experiment, play, explore and learn.

- The parents' role. Any day care facility should welcome parental interest and involvement. Be extremely wary of centers or homes that don't allow unannounced visits.

Choose child care carefully and wisely, monitoring to make sure everything is as it is represented and to give yourself peace of mind.

Ozona Lions Club News

By Stephen Williams, Club P.R.

Tony Chambless with the Boy Scouts of America pointed out several similarities between Scouting and Lions Clubs when he spoke to the Lions Thursday. Tony discussed important qualities such as leadership that Scouting develops. Boy Scouting is a great program, and

the Ozona Lions Club is proud to be its sponsor here.

The Lions will have several pretty girls from Ozona High School at their meeting Sept. 18. One of the girls will become the club sweetheart.

In other business, the club members voted to provide glasses for two children who could not afford them.

A progress report was given by pancake chairman Burl Myers. He reported that most arrangements have been made. Advance tickets for the pancake supper can be acquired from any Lions Club member.

The supper will be held Friday, Sept. 19, at the Civic Center before the home football game.

Extension homemaker clubs

There are currently two Extension Homemaker Clubs in Crockett County. Each club meets September through May. The Progressive Extension Homemaker Club meets the second Thursday of each month, 12:00 noon, at the Civic Center. The Crockett Heights Extension Homemaker Club meets the second Tuesday of the month, 9:30 a.m. in various homes.

Each club's objectives are to bring together homemakers who are interested in promoting the welfare of family, home and community. Scheduled programs for the year include: health risk appraisal, WTU Christmas program, family and child abuse, water conservation, CPR series, Better Business Bureau, microwave, India Culture, quilting techniques, tornado safety, and flower arranging.

Extension Homemaker Clubs are organized through the guidance of a county Extension Agent, with the Texas Agricultural Extension Service. Membership is open to all persons regardless of socio-economic level, race, color, sex, religion, handicap or national origin.

For more information on local Extension Homemaker Clubs, call 392-2721.

"First time users die all the time" Inhalants and their dangers

INHALANTS

EDITOR'S NOTE:

Kathy Shurley, chief juvenile probation officer for Crockett and Sutton Counties, and Texans' War on Drugs, Austin, present the following information on inhalants.

Inhalants are a diverse group of chemicals that produce psychoactive (mind-altering) vapors. Most people do not even think of them as drugs because they were never meant to be used that way. They are principally commercial products such as cleaning or beauty agents, glues, paints, fuels for motor vehicles, and some office products such as certain felt markers and typewriter correction fluid. Most contain warnings against inhaling too much of the chemical fumes.

GENERAL EFFECTS

Inhalants fall into three main categories: aerosol sprays, solvents, and anesthetics. Although different in chemical makeup, nearly all of the abused volatile (vaporous) substances produce effects similar to anesthetics, acting as central nervous system depressants. At low doses, users may feel slightly stimulated; at higher amounts, they may feel less inhibited, less in control; at high doses, a loss of consciousness can occur.

Inhalants' effects are immediate, and they can last from 15 to 45 minutes after inhaling has stopped. Drowsiness usually follows. Headache and nausea can also occur. Some users experience partial amnesia for the period of intoxication, similar to the effects of several alcoholic drinks.

Sniffing moderate amounts of inhalants for even a relatively short time can disturb vision, impair judgment, and reduce muscle reflex control. Even just one sniffing episode can provoke such effects. Although disturbances resulting from short-term sniffing are usually temporary, some damage may be difficult to reverse. The majority of chemicals sniffed for their intoxicating effects are "fat soluble", that is, after entering the body, they will be retained in fatty tissues, such as the brain, the reproductive organs, the lungs, kidneys, liver and bone marrow. Because the chemicals are fat soluble and not water soluble, it takes the body substantially longer to purge itself of the chemicals, and the toxicity remains much longer than the high.

DEATH FROM SNIFFING

In 1983, 14 deaths of young people were reported in the State of Texas. Sniffing highly concentrated amounts of aerosol sprays can produce heart failure and instant death. Medical personnel call it "sudden sniffing death" because it strikes so fast. It can happen the first time or any time a person sniffs.

High concentrations of nonaerosol inhalants can cause death from suffocation by displacing oxygen in the lungs. Other types of inhalants produce suffocation by depressing the central nervous system so much that breathing slows down until it stops.

Because the dose of inhalants is not easily controlled, a sniffer can never be sure when he will be inhaling a fatal dose. And, he can never be assured of the chemical make-up of the drugs he is inhaling. A mini-epidemic of paralysis broke out in Florida when a manufacturer substituted one solvent for another in a popularly abused product.

Death from inhalants is usually caused by a very high concentration of inhalant fumes. Deliberately inhaling from a bag greatly increases the risk of suffocation. Even when using aerosol or volatile products for their legitimate purpose, i.e., painting, cleaning, etc., it is wise to do so in a well-ventilated area.

FOR PARENTS

Here are some signals that your child may be abusing inhalants:

- Peculiar, "spacey" behavior
- Lack of coordination
- Altered time and distance perceptions
- Sores on nose and mouth
- Unpleasant, chemical breath
- Increased coughing or salivation
- Cleaning rags in room, closet, or basement or attic
- Dried paint or spray on clothes and body
- Empty spray cans, tubes of glue

The typical inhalant abuser in Texas is young, male, low-income, predominately Hispanic, but the problem exists in all segments of society. Of the 14 inhalant deaths in Texas in 1983, 10 of those were

Anglo. The average age of the inhalant abuser is 13-14 years, and the average age of introduction to sniffing is 11-12 years. In 1983, in the cities of El Paso, Houston, Eagle Pass, Austin, Del Rio and the South Texas area, 85,000 sniffers were identified. The study also predicts that for every one sniffer identified, four to five abusers go unidentified.

"First time users die all the time," says Mrs. Shurley. "The problem is here," she says. It is not just something that happens to other people in other towns.

Products at risk of inhalant abuse include:

- building supply adhesives, false eyelash adhesives, fingernail adhesives, "plastic wood" adhesives, PVC pipe adhesive

Post Garden Club Show

The Myrtle Post Garden Club held a Standard Flower Show in the Civic Center Saturday, Sept. 13. The Small Meeting Room was overflowing with classes of cut specimens of horticulture, container plants and flower arrangements. The theme of this year's show was "Texas Sings". Marge Smith was show chairman.

Highlights of the show were educational exhibits, and a display of plants cared for by members of Helping Hands. An educational exhibit of poisonous range plants was displayed by Martha Mayfield and John Williams. An exhibit of pressed wildflowers in a scrapbook the shape of the State of Texas was presented by Misty Fowler, age 13. Her display also included identification charts and literature on wildflowers. Another very attractive and clever exhibit featuring "Music in Texas" was done by Sara Hignight, music teacher in the Ozona schools.

In horticulture, Mary K. Brewer won the Award of Horticultural Excellence for her cut specimen of Celosia Cristata, "cockscomb". Mrs. Brewer and Joycelyn Graves each received 15 blue ribbons in horticulture. Lee Graves, the only male exhibitor, received a blue ribbon for his entry of a wildflower, Salvia farinacea, "mealy blue sage".

Other blue ribbon winners were: Nancy Davee, Marge Smith, Dean Stroud, Clara B. Freeman, Mozelle Houston, Lela Bunker, Myrtle Post, Sara Hignight, Grace Williams, Marilyn Bean, Tina Moran, Betty Bullard, Mary Jo Mason and Ana Smith.

In the Design (flower arrangements) Section, Mary Jo Mason emerged top winner. She received three blue ribbons plus Best in Show. Her free form design was judged best in a class especially for flower show judges.

Other blue ribbon winners in the Design Section were: Grace Williams, Sara Hignight, Mary K. Brewer, Marge Smith, Mozelle

An arrangement featuring a deer skull in the "Don't Fence Me In" category of the Myrtle Post Garden Club Show won a rosette. The arrangement, using fence post and barbed wire, was done by Mary K. Brewer.

Houston, Clara B. Freeman and Marilyn Bean. Many guests were received between the hours of 3:00 and 5:00 o'clock. Joycelyn F. Graves reporting

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 4, 1986

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would permit the legislature to provide by general law for the apportionment of the value of railroad rolling stock among the counties in which the property of the railroad is located for purposes of property taxation, and would delete the requirement that the Comptroller participate in making the allocation. To comply with both statutory and constitutional law, the apportionment currently is being made by the State Property Tax Board in conjunction with the Comptroller.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to provide by general law for the apportionment of the value of railroad rolling stock among counties for purposes of property taxation."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 33 proposes a constitutional amendment that would replace the constitutional requirement that the subject of a bill be expressed in its title with a mandate that each house of the legislature adopt rules of procedure that would require the subject of each bill to be expressed in its title in a manner that gives the legislature and the public reasonable notice of that subject. Determining compliance with the rule would be the responsibility of the legislature. Cur-

rently, a law is invalidated if a court finds its caption is defective. The amendment would provide that past and future enactments may not be held void on the basis of an insufficient title.

The amendment also would eliminate the suggestion that the state's laws be revised every ten years, and instead would provide for continuing revision of state laws.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title expressing the bill's subject, and providing for the continuing revision of state laws."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would permit the Legislature to authorize any county, city, town, or other political subdivision to use public funds or credit to pay insurance premiums on nonassessable life, health, or accident policies. Due to the prohibition in the constitution against the lending of credit and granting of public money, political subdivisions currently are prohibited from becoming shareholders in associations such as mutual-insurance companies, in which policyholders are shareholders. A nonassessable mutual insurance policy does not allow a company to raise capital by assessing the policyholder an extra amount on a pre-

mium. This amendment will allow mutual insurance companies and stock companies to bid for life and health group policies of political subdivisions. Public liability will be limited to the payment of premiums specified in the contract.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing political subdivisions the opportunity to engage in and transact business with authorized mutual insurance companies in the same manner as with other insurance companies."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would repeal the prohibition against branch banking by state banks and would allow state banks and national banks domiciled in this state to establish and operate banking facilities at locations within the county or city where they are domiciled. The amendment would also authorize the Legislature to permit a state bank or a national bank domiciled in this state to engage in business at more than one place if it acquires a failed state bank or national bank domiciled in this state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide that a bank may offer full service banking at more than one location within the city or county where its principal facility is located, subject to limitations and restrictions provided by law."

Estos son los informes explanatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 4 de noviembre de 1986. Life Among a Den of Lions

The mighty Lions!

Coach Jim Green introduced the 1986-87 Lions varsity and junior varsity football teams and the varsity cheerleaders Sept. 9 at Booster Club.

George Powell, a store manager for Tandy Leather Company, was here last week to demonstrate leather tooling. He is pictured using a

swivel knife as members of one of Jim White's classes observe.

It's Show Time

Front Line members and twirlers are prepared to put on a spectacular show at each football game.

Cubs roll to lopsided win

By Cople Davis

Ozona Junior High head football coach Don Payne has to be pleased. In the last three years, Payne's record has been an astonishing 31 wins and 15 losses. Make that 32 wins. As of Thursday night, the Payne-led Ozona Cubs zapped the home-standing Forsan Buffaloes 27-6.

Ozona wasted no time in getting on the scoreboard. On the second play of the game, Ruben Borrego cruised 64 yards to take a 6-0 lead. Forsan, unable to sustain a drive, turned the ball back to the Cubs. Quarterback Brad Bollier then directed Ozona on their own drive climaxed by a 16 yard rumble by Mingo Perez.

Forsan struck right back with a late first quarter touchdown to make the score 12-6. A stagnant second quarter saw both teams go scoreless with Ozona clinging to a slim 12-6 lead at halftime.

In the second half, the Cubs turned once again to tailback Ruben Borrego as he scored his second TD of the night. This time, he blasted over from the one-yard line. Bollier tacked on the two-point conversion with a pass to Mingo Perez to increase the Cub's lead to 20-6.

The game then hit another low spot as both teams stalled out. The stall lasted until 3:00 into the fourth quarter when Borrego struck once more.

Jason Vitela hauled in a bomb unloaded by Borrego for 72 yards and the final touchdown of the game. If having a hand in three out of four scores wasn't enough, Borrego then kicked the PAT to turn the lights out on the Forsan Buffaloes 27-6.

Coach Payne stated that although the Cubs won rather handily, they still need to improve. "We didn't do some things very well. We had some trouble handling the stunts and blitzes they threw at us. We'll improve some as the season progresses."

The Cubs' home opener is here Thursday, Sept. 18, at Lions Stadium with 1-10 rival Sonora.

Top seniors eligible for UT scholarships

Top Texas high school seniors are eligible for \$16,000, four-year Texas Excellence Awards for Scholarship and Leadership sponsored by The Ex-Students' Association of The University of Texas at Austin.

In addition to the top awards, \$8000, four-year Awards of Distinction and \$100, one-year Awards of Recognition will be awarded to other finalists.

Applicants must be in the top five percent of their class and demonstrate leadership ability in the classroom and/or extracurricular activities. Applications for the Texas Excellence Awards will be available from high school counselors by mid-September with a November 1 application deadline.

More than 1400 high school seniors made application last year, and during the five year history of

the Texas Excellence Awards, more than 6000 Texas students have applied for the annual scholarships. For additional information, contact

The Ex-Students' Association, P.O. Box 7278, Austin, TX 78713, or call 512-476-6271.

Montgomery places high

Cassie Montgomery, daughter of Mr. and Mrs. James C. Montgomery, competed in her first Class III District Compulsory Gymnastics Meet Sept. 13 in Midland. Competing against forty girls, Cassie placed second on the vault with a score of 8.50. In bars, she had a score of 7.30, floor 7.80 and beam.

This is Cassie's first year to compete in the Class III Division. Cassie's next meet will be in Midland Sept. 20.

She will compete in four meets in the Compulsory Class this year. Her last meet, which will be in Pampa Nov. 1, will be the only meet where

she will be able to qualify for the semi-finals for state. Only the top 120 high scoring girls from the Pampa and Dallas meets for this area go to the semi-finals.

The Ozona sixth grader has been competing in Class III for two years. She has been on the San Angelo Texas Tumbleweeds' Team for almost two years. She competed in class four last year and was moved up to three this summer.

Cassie's parents, Sandy and James, her sister, Ky, and her grandmother, Earlene Mayfield of San Angelo, attended the Midland meet.

Sign-up for Girl Scouts

The first Girl Scout leaders' meeting for 1986-1987 was held Tuesday, Sept. 9. Plans for the year in Scouting were discussed, and the leaders were shown the new handbooks for Brownies and Juniors. There are some changes in the program this year which will allow more flexibility in placing and pacing the girls. In addition, there are now programs available for individual registrations, which make it possible

for girls to participate in Scouting although they cannot come to regular meetings, and for special interest registrations, which provide for study in a particular area for a specific period of time (for instance, a three-month photography group) to be chosen by the girls.

Girl Scouts and Girl Guides from around the world will celebrate the 75th anniversary of their organization in 1987. Special emphasis will be placed on this throughout the year.

The Girl Scout Registration Roundup will be held at the Ozona Civic Center on Monday, Sept. 22, at 7:00 p.m. The registration fee this year is \$4.00, and each girl who registers before or at the Roundup will receive a special "I Love Girl Scouting" patch.

The Scouts also welcome any adult volunteers who would like to experience the satisfaction that comes from working with today's youth.

Boosters meet the team

The Ozona Lion Boosters met Sept. 9 at the high school auditorium.

Introducing the varsity and junior varsity football players and varsity cheerleaders was Coach Jim Green. James Sanchez was player of the week. This honor was given by Wool Growers and KRCT.

A film of the previous game was viewed. Refreshments were served to players, parents and friends.

All parents and friends are invited to attend the Lion Booster Club. The club is an organization that supports all athletes. All friends and parents are invited to support these fine young people.

Royals falter in playoffs

The Ozona Royals were defeated in their bid for the Western Division championship last weekend in a best two out of three playoff. Big Spring defeated the Royals twice Sunday to clinch the playoffs and end the Royals' season in second place.

The game went into an extra inning Saturday with the Royals defeating Big Spring 8-6 in Ozona. Sunday's first game saw the Royals down 7-1 at the close.

The Royals kept a 1-0 lead through the sixth inning during the second game, only to be tied and then passed for a 1-2 loss.

The team ends the season with a 34-13 record. The team has been coached by Jerry Lay. Hector DeHoyos has been team captain.
