Muleshoe Mother Has 17 Children

What would you do with seventeen children? What would you do with fifteen children? Mr. and Mrs. Baldo Martinez, Jr., 302 E. Fifth Street, can give you the answer. Monday afternoon, October 21, at 5:33 p.m. Mrs. Martinez, who is 34 years old, gave birth to her 17th child. The tiny girl, as yet unnamed, was delivered by Dr. B.O. McDaniel at West Plains Memorial Hospital.

Mrs. Martinez' 37-year-old husband is a field laborer and she said he must make at least \$100 a week in order to feed the large family. "The kids help when they are not going to school," she said, "they also work in the fields in the potato harvest, baling hay, with corn and cucumbers, just all field work."

Asked how she felt after the birth of her seventeenth child she answered, "tired."

The Martinez family moved here from Colorado just a little over a month ago. They formerly lived in Morton before moving to Colorado two years ago. They have found it extremely hard to find a house big enough for their family. Mrs. Martinez said, "Most people with two or three children can live in a four room house, but not our large family. People just don't want to rent to someone with as many children as we have."

Of their fifteen surviving children, there are 10 who are school age. The Martinez children are Mary, 17; Freddie, 15; Adolfo, 14; Olga, 13; Tony, 12; Frank, 10; Richard, 9; Eloy, 8; Janie, 7; Baldo III, 6; Benito, 4; Valentine, 3; Yolanda, 2; Margaret, 19 months and the new unnamed daughter.

16 for 1969 Are Presented By Members

Bailey County Farmer's Union held a regular meeting at the Bula school on Thursday, October 17.

Nolan Harlan, new president of the organization, called the meeting to order. Beth Watson gave a report to members attending.

John Hubbard, insurance agent, was keynote speaker for the evening, and talked on the District II meeting which was held in Lubbock last week.

An open discussion was held on water importation. All members present agreed to support the efforts of Water, Inc. to import water.

Beth Watson was winner of the door prize. She was presented a pair of pillow cases which were contributed by Farmer's Union Insurance.

Farmer's Union then presented their resolutions for 1969. They are:

THE BAILEY COUNTY FARMERS UNION supports the 1968 policy statement of the Texas Farmers Union and submits the following resolutions to be added to the 1969 policy statement:

FIRST: That the Texas Farmers Union go on record as recognizing and approving the Women's Cotton-Promotion Association. This cotton promotion group has a potential for helping the cotton industry and should be recommended for their interest and efforts in promoting the stocking of cotton in retail stores.

SECOND: The Thirteenth Senatorial District is too narrow and too long. The High

DICK BROWN CAMPAIGNS IN MULESHOE--Tuesday morning, Dick Brown, Democratic candidate for Senator for the 18th Congressional District, campaigned in Muleshoe. Pictured here are Johnny Shelton, Harvey Bass, Democratic County Chairman; Brown and Jack Young.

Dick Brown Visits Muleshoe Democrats

Dick Brown, Hartley, Democratic candidate for 18th Congressional District Senator, visited in Muleshoe Tuesday. Speaking before approximately 30 people at the Muleshoe State Bank Community room Tuesday morning, he said, "I am concerned about the farmers and about the problems of farmers."

"Where would any industry in the Texas Panhandle be without agriculture," he continued, "industry is 100 percent dependent on agri-business."

"I decided to run for Senator for the 18th Congressional District to try to better the lot of agriculture. We have not had people in Congress looking out for agriculture."

"People must have your interest at heart to be able to help you in Congress," he went on.

"This includes a healthy political attitude as well as the fact that we must all progress together in agri-business and in working together to attract and hold industry."

"Agri-business is oriented with industry," he went on, "and we must work together and respect our political leaders."

"We must preserve the family-size farm," said Brown, "I think we need to tell the world it is not a sin for the farmer to make a profit on his farm."

Brown also said he felt that if the family-size farm were preserved to keep more people on the farm, it would eliminate many of the urban problems which have existed for centuries.

"I further believe it would

Dumas Game Tickets on Sale

Tickets for the Dumas-Muleshoe football game are on sale at the principal's office at the high school, at the principal's office at the junior high school and at the school administrative office building. These tickets will remain on sale until 4 p.m. Friday, October 25.

Student tickets sold until 4 p.m. Friday will sell for 50 cents and those sold at the gate will be 75 cents. Adult tickets will be the same for both pregame and at the gate.

Contest Winner

New faces and new names show up in the weekly football contest this week.

Two cards are featured, and two separate winners are listed. On card 'A' James Roy Jones was first place winner. He missed the Nebraska-Missouri game and had a 12 point spread in the tie-breaker game.

Earl Richards was second. He also missed only the Nebraska-Missouri game, but had a 20 point spread in the tie-breaker game.

Jeff Chapman gave some real competition this week. The only game he missed was the tie-breaker California - UCLA game, but he had a 21 point spread in the score. Also, missing one game and coming in close was Hattie Ray Jones. She missed the Pittsburg-Navy game and had a 23 point spread in the tie-breaker.

Thirteen entries missed two games.

Jim Walker was winner on Card 'B'. He missed the Minnesota-Michigan State game and had a 42 point spread in the tie-breaker. In second place was Mrs. Clark McCamish. She missed the Georgia Tech-Auburn game and had a 46 point spread in the tie breaker Dartmouth - Brown game. Edging up real close in there was Ronald Ivy, who missed only the tie breaker Dartmouth-Brown game but had a 56 point spread in the score.

Fifteen participants missed two games on Card 'B'.

WHERE DOES YOUR MONEY GO?

Know Your United Fund

Following its Thursday night kick off campaign, the United Fund workers had their first report meeting at 10 a.m. Monday morning at Leal's Cafe. A total of \$2,774 had been collected.

This is 18 percent of the set goal. Three workers turned in 100 percent of their contribution cards. They were: Marshall Cook, Jeff Peeler and Curtis Wellborn.

Next report meeting will be Friday, October 25, at 10 a.m. at Leal's Cafe.

With the United Fund campaign currently in full swing, one of the 16 agencies who will benefit from the campaign in this county is the Muleshoe Neighborhood Girl Scouts. They are budgeted for \$650. This will be used to maintain

and repair the girl scout hut and for insurance on the building.

Two camperships are offered for Camp Rio Blanco for two worthy girls scouts who are unable to attend by other means.

Part of the funds will be used for such expenses as the float for the Christmas Parade, Court of Awards and babysitters for leaders attending meetings and training sessions.

Ann Gunter is Neighborhood Chairman of the Girl Scouts and leaders include Evelyn Harris, Bonnie Nowlin, Marsha Rasco, Jeanne Garth, Casey Preston, Bobbie Pena and Lenora Mallouf.

There are approximately 80 girls in the eight local Girl Scout troops at this time.

HART BY - PASSES LAZBUDDIE JUNIOR HIGH

The Lazbuddie Junior High received their first defeat last Thursday evening, when they traveled to Hart, Hart took their victory by a score of 14-6.

Lazbuddie's only touchdown was carried across by Auther Graves, who was also sited for his fine job on defense. Donnie Coker is to be congratulated for his good work done both on of-

ensive and defense. Other offensive standouts were Rick Seaton, David Beuntello, and Mike Winders.

The Junior High Team will not schedule games for the next two weeks, but will come on strong, looking for a victory November 7, when they once again meet Hart.

The annual Harvest Queen's Coronation and Carnival will be held Saturday night, October 26, at Lazbuddie. The queen's coronation will begin at 8:00 in the school auditorium. The elementary music department, and other musical groups will perform before the queen is announced. Vying for honors of king and queen are: first grade-Lise Menefee and Tommy Ponder, Shelly Solawn and Reggie Treider, second grade-Lydia Gonzales and Charleson Steinbock, second-third-Karla Littlefield and Mike Windham, third grade - Sherry Carpenter and Rayburn Wenner, fourth-Debbie Kimbrough and Ronald

The Springlake-Earth Senior class is presenting their annual class play on Tuesday, October 29, at 7:30 p.m.

"Desperate Ambrose" is the name of the play which will be presented in the Springlake-Earth High school auditorium.

Tickets are available now at \$1 for adults and 50 cents for children.

Lowell Webb, Brownfield, brother-in-law of Mr. and Mrs. Eddie Beene, Needmore, is reported to be showing some improvement in a Brownfield hospital where he is being treated for burns.

Webb was inside a tank cleaning it at Brownfield when the tank exploded, burning his hands, arms and 23 percent of his body. Two other men on the outside of the truck when it exploded were also injured.

Lee Pool flew Thursday to Lansing, Michigan to accept delivery on a new car. His daughter Sylvia flew from Houston to join him at Chicago for the trip to Lansing but was detoured by bad weather and they finally met at Lansing.

Pool and his daughter returned to Muleshoe Sunday night after visiting relatives and friends at Tulsa and Oklahoma City and with their daughter and sister, Mrs. Bari Blevins and family at Amarillo.

Wednesday the Pools took Sylvia to Lubbock where she explained for Houston. She is employed by Monsanto Corporation there.

Burl Block, Muleshoe High School teacher, was guest speaker at the Tuesday noon meeting of the Rotary Club. He showed slides on his recent trip to Argentina, Peru, Paraguay and Brazil, explaining the economic situation and the educational media for the countries.

Olan Burrows was in charge of the program.

Guests included Royce Harris, Jack Young, Dick Brown and Robert Green.

Mike Duarte, 15, son of Mr. and Mrs. Mike Duarte, Three Way, was painfully injured Tuesday afternoon by a wasp sting.

The youth was stung on the right wrist when he went to the hog pen to feed his hog.

Bailey County Sheriff Dee Clements and his deputies escorted the family to West Plains Memorial Hospital when Mike began to swell over his entire body immediately following the sting.

Dr. Dean treated the youth, and hospital authorities said he would require a series of shots to counteract the poison from the wasp.

V.V. LeBleu, father of Mrs. Lonnie Marriott, entered West Plains Hospital Monday for treatment.

Mr. and Mrs. Francis Gilbreath were in Denton over the weekend to attend the funeral of Gilbreath's aunt, Miss June Amos of Denton.

Neighborhood of Girl Scouts, another agency which will receive funds from the United Fund to carry out their work is the Girl Scouts of America Caprock Council.

They will receive \$1600. This is another vital youth agency, providing supervised group recreation, individual training, and character building. Over 200 girls in Muleshoe and Bailey County are active in Brownie, Junior Cadette, or Senior Scout units. Approximately 60 adults are working with these girls as volunteer leaders, committee members or Neighborhood Association members.

By allocating money to the Caprock Council, this makes it possible for membership to the council, and through it, participation in camping and activities above the local level. The council provides field service out of its Lubbock headquarters, including professional coordinating, leadership training, and various instructional materials.

A TIME FOR DECISION

A Presidential election, the most important one in our lifetime, is close upon us. With three candidates in the race Texans are confronted with such a variety of appeals that some confusion is not surprising. We see some of our top state political leaders urging support of Hubert Humphrey on the self-serving appeal of party loyalty. We see fine Texans tempted to support George Wallace because they like his outspoken position on certain issues and are thus swayed by an appeal of sheer emotion. With full respect for the right of every Texan to make a personal decision, this message in behalf of Richard Nixon is offered as

... AN APPEAL TO REASON!

HUBERT HUMPHREY WILL NOT

change. He has proved consistently anti-Texas. He is famous for his filibuster against Texas owning its tidelands. He has fought our right-to-work laws and sought to destroy our vital oil depletion allowance. On every issue of world importance his position is contrary to that of most Texans. Humphrey, an ultra-liberal founder of the ADA organization, would gain executive authority for radical minority viewpoints should he become president. This cannot happen by popular vote. In view of his vicious attacks upon George Wallace, what a ghastly miscarriage of intent it would be if Wallace supporters themselves should throw the election into the House of Representatives where every Wallace vote in Texas would automatically go to Humphrey!

GEORGE WALLACE CANNOT

be denied his impressive showing. A number of fine people heed his third party call. The very least that can be said is that he has dramatized the desires of many people for a change of direction in the affairs of our government. However, the very most his supporters can hope for is to split the popular vote so that all of us would be at the mercy of Washington politicians who would elect our president for us. This is Hubert Humphrey's only hope for election. The more positive way to vote for change is to recognize the many fine merits of Richard Nixon and his program, then vote for Nixon to assure the election of our president by the people instead of by the Congress!

RICHARD NIXON CAN... AND WILL

supply dynamic, experienced leadership for an immediate change of direction--at the top--in all our national affairs at home and around the world. Your concerns are his concerns!

• **NIXON ON LAW AND ORDER** is pledged to help improve local police protection, to appoint an Attorney General dedicated to rooting out crime, to restore balance in our courts strengthening peace forces against criminal elements and to cease freeing so many of the guilty on technicalities.

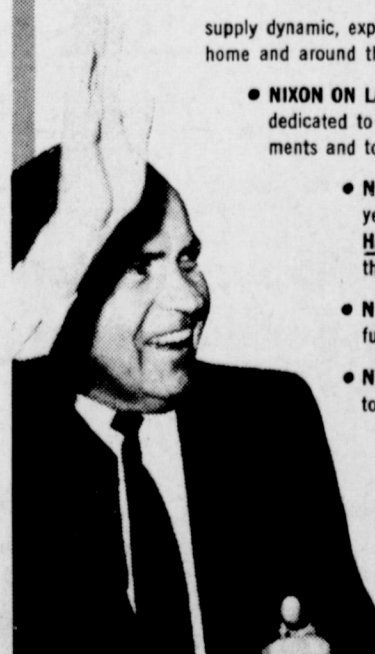

• **NIXON ON VIET NAM** will call upon his experience as vice president during eight great Eisenhower years of peace to reform world alliances now in disarray, to redirect our strategy on new global terms. He will end this war and avoid future ones by dealing with adversaries in the only way they respect--through strength, collective security and patience.

Local ESA Hosts District Workshop

Muleshoe's Epsilon Chi Chapter of ESA Sorority hosted a District IX Leadership Seminar Sunday afternoon, October 20, at the Muleshoe Country Club. An Autumn theme was carried out with chrysanthemums accenting the table, leaves for name tags, and flower-accented place cards. The seminar began with a luncheon at 12:30, with state officers being seated at the head table. The guest speaker, Jim Evans, vice president of Coca Cola, Lubbock, Texas, spoke on "Personal Motivation". He pointed out that a person needs a goal, a plan, desire, self-confidence and persistence to be successful. Following several reports and the roll call, Chlorene Miller, junior past state president and disaster fund chairman, reported on the disaster fund and gave several points on leadership. Marge Condon, junior past state historian and coordinator of District IV, presented a show-and-tell bulletin board on "Building a House the ESA Way." Martha Hewitt, ESA home board member, reported on the progress of plans for construction of an ESA home. Carleen Aiken, state historian, spoke on "How Not to be a Leader," using very clever pictures illustrating different types of members. Ann Helmstetter, president of District IX and state educational director, reported on educational programs and report deadlines. Those chapters attending from District IX were two Lubbock chapters, Sudan, Tulia, Post and Muleshoe. Drawings were held for two door prizes and Chlorene Miller won both prizes.

Mr. and Mrs. David Douglas

Bride of David Douglas Introduced

Friends of Mr. and Mrs. Ralph Douglas were invited to an open house from three to five o'clock Sunday to meet the recent bride of their son David, the former Miss Suzanne Weiss of Houston. Guests were registered by Mrs. Johnie Prater. Appointments of brass and copper were used at the serving table. Garden flowers in a copper fondue pot swung in a wooden frame and carried out the fall theme. Assisting in hospitalities were Mrs. Frank Ellis, Mrs. Jim Cox, Mrs. J.E. McVicker, Mrs. J.K. Admas, Mrs. J.H. Evans, Mrs. Eugene Black, Mrs. David Anderson, Mrs. W.F. Birdsong and Mrs. J.A. Nickels. Among out of town guests were Mr. and Mrs. Mark Schwab and Mrs. Ben Hutchinson of Lubbock, aunts and uncle of the groom; Mr. and Mrs. John Hutchinson of Richardson, cousins of the groom; and Mr. and Mrs. Nelson Williams of Lamesa, his uncle and aunt.

Teachers, Administrator To TSTA Meet

Attending the 90th Annual meeting of Texas State Teachers Association in Fort Worth will be Mrs. Lucy Smith, local president; Mrs. Betty Jennings, State Legislation Committee, Neal Dillman, District Executive committee ex-officio and Mrs. Jane Rudd, first vice-president. The convention is set for Thursday-Saturday, October 31 - November 2, at the Tarrant County Convention Center and Hotel Texas. Nationally known speakers will address general sessions and the House of Delegates will make decisions to guide the expected 8,000 members of the 123,000 member organization in the year ahead. But on Friday the educators will spend much of their time dispersed, with school health service professionals considering "School Law and the Nurse," while the Texas Air Education Association ponders "Enriching the Art Curriculum Through Museum Experiences" including a tour of Fort Worth Art Center and the Amon G. Carter Museum.

Thirty other affiliates of TSTA will similarly focus on their specific educational concerns. A highlight of the general sessions will be the Thursday evening keynote address by Bill D. Moyers, publisher of "Newsday" and former assistant to President Johnson. At the same session, TSTA will present 27 School Bell Awards and Merit Certificates, in recognition of outstanding news media coverage of education. Committees of TSTA which are to meet Thursday include the District Membership Chairman, Research for Educational Finance, Instructional Services, Legislative, Organizational Affairs, Professional Rights and Responsibilities, teacher education and professional standards, teacher welfare, and the State Executive committee.

Earth Art Show Set

Earth will hold its first art show October 24-25 in the Community building. The affair is sponsored by Town and Country Study Club, with Mrs. Lena Hite serving as display chairman. Exhibition hours will be from 10 a.m. to 7 p.m. There will be no admission charge and the public is cordially invited to the showing. Paintings will be shown by artists from Muleshoe, Olton, Earth and Springlake. Mrs. Hite requests that paintings be brought to the Community building October 23. Any area artist desiring to show paintings is welcomed.

Facts are not always the easiest things in the world to face.

Party Honors Mrs. Alford

Friends of Mrs. Robert Alford called between 7:30 and 9:30 Tuesday evening, October 22, at an informal "going-away" party and open house honoring Mrs. Alford. The party was held in the receiving rooms of the First National Bank. Ann and the Alford family will move from Muleshoe November first to Breckenridge where her husband has accepted the vice-presidency of First National Bank, Breckenridge. The honoree was presented a hostess gift, a large antique pewter icebucket, from the hostesses of the evening. They were Mrs. Jim Small, Mrs. "Sugar" Glaze, Mrs. M.D. Gunstream and Mrs. Larry B. Hall. Guests added their names and addresses in a going-away-gift address book at the receiving table. The moss-green linen cloth was laid with brass and copper appointments. In addition, the serving table featured harvest colors of green, gold and pumpkin, with ornamental gourds and Indian corn set in a large brass footed bowl carrying out the autumn theme. Coffee, cakes and a variety of cookies and cakes were served. Approximately 35 women called during the evening.

Members of the Horse Club,

Adams Attend Co. Agents Convention

"The country was at its peak," said Mrs. J.K. Adams in speaking of the glory of autumn leaves and beautiful countryside they have seen on a trip to New Hampshire and Kentucky.

Mr. and Mrs. Adams left Muleshoe the afternoon of October 9, drove all night and the next two days to Dartmouth College campus at Hanover, New Hampshire, covering 2,174 miles. They were on campus from Friday to early Sunday morning and saw the Dartmouth-Princeton game in which their son, Joe was a featured player.

Leaving Hanover Sunday, Mr. and Mrs. Adams drove to Louisville, Kentucky to attend the National County Agents' Convention. Approximately 2000 persons were registered, 600 of them women, from every state in the union except Alaska and California.

Mrs. Adams said the women attending with their husbands were well entertained with luncheons, style shows and a boat trip up the Ohio River. The real highlight of the convention for both the men and women was the day the entire

convention body was bussed to Lexington in the blue-grass section to the fabulous Spendthrift Horse Farm. Here they saw a parade of horses, some valued at \$40,000,000 and \$5,000,000 each and they "even got to touch some". There were 32 stallions at this farm. The farm is operated so that everything above upkeep goes to charity.

During the day they were also taken to a tobacco re-drying plant and to the grave of "Man 'O War", and to Keeneland Racetrack where they saw eight horse races.

Tennessee County Agents hosted a barbecue for the entire crowd after this very full day of sightseeing.

The last day of the convention distinguished awards were given to agents over the entire country. Seven Texans were so honored, including Billy Roach of Snyder.

The second weekend of the trip Mr. and Mrs. Adams spent in Fort Worth with their daughter, Joyce, a student at TCU. Mrs. Adams said her husband saw the A&M game on Saturday.

Muleshoe Man Visiting

Airman and Mrs. Thomas Black arrived in Muleshoe October 17th from Chanute Air Base, Rantoul, Illinois, for a fifteen day visit with relatives and friends before Black reports to Kirkland Air Base, Albuquerque, November 5th. Black is the son of Mrs. A.J. Black of Muleshoe and Mrs. Black is the former Karen Burlsmith, daughter of Mr. and Mrs. D.O. Burlsmith.

Airman Black has just completed thirteen weeks of Jet Over Two aircraft maintenance on B-52s and has earned his third stripe. At Kirkland he will undergo six weeks training on C-57s, followed by six months on the job training. Mrs. Black will accompany her husband to Albuquerque.

Children's Rights Stressed By P-TA Speaker

"Parent's goal should be to put ourselves out of business," Dr. Thomas Cannon told members of Richland Hills Parent-Teacher Association at their regular meeting Tuesday. Dr. Cannon, of St. Christopher's School, Lubbock, put great emphasis upon children's rights. He told parents and teacher that the goal of discipline should be to "put ourselves out of business, that we should enjoy living with children and that parents should not talk so much about unimportant things."

The child's basic goal, according to Dr. Cannon, is to be a part of a group.

In his closing remarks Dr. Cannon stated he loves his work, that there is a remarkable setting in elementary school, "This is the child's first job in the outside world. I can understand why people fall in love with elementary schools," he said.

In a business meeting presided over by Mrs. Royce Turner, president, Rev. Walter M. Bartholf presented a 1968 Cub Scout charter to the P.T.A. for sponsoring a Cub Scout pack.

Mr. and Mrs. Vic Benedict and Mr. and Mrs. Elvis Powell presented Boy Scout service cards.

Room count was won by Mrs. Guy Kendall with nine mothers. Mrs. Don Harmon and Mrs. Doyce Turner served coffee, punch and cookies.

Plains area has different crops, farming methods, interests and environment than the North Texas area. The High Plains Counties should be incorporated with either Lubbock or Amarillo to be more of a homogeneous district.

THIRD: Resolved, that authorized seed dealers should be required to tag the germination and purity on all planting seed.

FOURTH: Resolved, that 90% of the money collected from farmers in the \$1.00 a bale for the promotion and research to sell cotton, and not over 10% on how to produce cotton.

FIFTH: Resolved, that the present cotton, wheat and feed grain program be extended for 4 years with no amendments or payment limitation.

SIXTH: Resolved, that Farmers Union goes on record for a cost of operation index that is pegged to the increase in the cost of machinery and equipment purchased by the farmers. When the cost of machinery and equipment goes up, the loan rate of commodities should go up accordingly.

SEVENTH: Resolved, that the Texas Farmers Union support their school teachers in order that they might receive the national average salary or more.

EIGHTH: Permitting reclassing of cotton owned by the government by processors or exporters discriminates against the producer and strong local markets at harvest time. We, therefore, urge that government regulations be revised to assure that the first classing of cotton prevails. The grade card showing weight, grade and quality should be permanently affixed to the compress ticket from the time the bale is sold by the producer until it is processed.

NINTH: Now therefore be it resolved that Farmers Union be opposed to the establishment of a utilities Commission or any other regulatory body.

TENTH: Be it resolved that Farmers Union support the efforts of Water Inc. to import water.

ELEVENTH: We are unalterably opposed to the finding of the Public Schools Study Commission appointed by Governor John Connally that the state board should issue

a final statewide school district reorganization plan by June 1, 1971, calling for each school district to have between 1600 and 2600 pupils in a 12-grade system.

We believe there are many smaller schools that can and do have as good a record as the larger ones. The Public Schools Study Commission should be required to put a reasonable limit on the number of miles pupils are bussed to school. In Bailey Co. a pupil residing in the south part of the county could conceivably be forced to ride the bus 50 miles or more one way. This would be impracticable and place an unfair disadvantage on such students. They would be tired physically and would not be able to be competitive with students living closer to the schools.

TWELVTH: Be it resolved that Bailey Co. Farmers Union oppose Daylight Savings Time.

THIRTEENTH: Be it resolved that Bailey Co. Farmers Union oppose any change in the income tax law that will penalize farmers for carrying products over from one year to another.

FOURTEENTH: Be it required that before a vehicle can be registered, proof must be shown of Liability Insurance.

State Fair Exhibitors Return Home

by Terry Henry

Terry Henry and John Bickel returned from the State Fair of Texas Saturday October 19 after spending a week at the Fair in Dallas. FFA members sending livestock but not attending the Fair were: David Bickel, Steven Bickel, Prentice Griffiths and Jerry Scoggin.

Terry Henry placed a Chester White barrow, 12th.

John Bickel placed his Cross-bred barrow, 16th, and his Hampshire barrow, 23rd.

Placing Hampshire barrows were: David Bickel, 12th and 16th; Prentice Griffiths 11th, 15th, and 17th; Jerry Scoggin 14th, and Steven Bickel, 15th.

Bill Bickel accompanied the exhibitors to the Fair.

The swine exhibit from Muleshoe FFA placed fourth in overall competition with several other chapters, a ten dollar award was given to the chapter for this placing.

Washington Report

From Congressman
BOB PRICE 10TH DISTRICT, TEXAS

1223 LONGWORTH OFFICE BUILDING, WASHINGTON, D.C. • 205-3706

PANHANDLE--Congressman Bob Price used the issues surrounding the Vietnam war, water and crime as the foundation for his first major address of the current political campaign.

Price, speaking to a Carson County Republican fund raising dinner audience here, said, "I know you have heard this from me before."

He was speaking of Vietnam. "But since I first began to talk of this, the enemy has cut its turnaround time for ships in the Port of Haiphong in half," Price said. The Congressman, advocated the closing of the North Vietnamese port and the lifting of restrictions against "clearly defined" military bombing targets.

"When a small country the size of Missouri can stake out the world's greatest and most powerful nation in an undeclared war, the situation should certainly be dealt with in military rather than political terms.

"Your views expressed to me have emphasized the fact that the Vietnam war is of prime concern to all Americans. We must act to remove the frustrations of our military commanders in the field who have voiced to me their disdain at allowing the enemy sanctuary to stockpile the arms and materials of war," Price said.

Price has taken to the campaign trail only this week, following the late adjournment of Congress. He is scheduled to visit Booker, Follett and Darrouzett Friday and will be in the South Plains Saturday and Sunday solving water problems as quickly as possible. He also called for immediate steps to correct what he termed "the obvious failure in the administration of justice" in dealing with the criminal element. "... the day of reckoning is here," he said.

Congressman Bob Price, speaking to a meeting of farmers and ranchers in Littlefield Monday night said the American farmer is becoming the "forgotten man" of this generation.

"While the cost of living continues to rise, the farmer is

one of the few, it seems who can't add higher wages and other costs to the price of his goods. Everyone else in the producer-consumer chain can and does," Price, who seeks reelection, said.

"In 1967 alone, net farm income dropped 11.5 percent," he added.

"Although I supported a one-year extension of the farm program this year, this does not mean that I believe the present farm program had done what it was intended to do in achieving a parity position for farmers that compares with other citizens in industry and commerce.

"The parity ration, which averaged 85 during the eight years of the Eisenhower Administration, averaged only 74 for 1967 as a whole and is now down to about 73, and the parity ratio is the lowest it has been since the depression year of 1934," he said.

"Until we get politics and politicians out of agriculture, it is not going to change one iota. Back in 1920, the farmer's interests were protected by a majority of the members of Congress. In that year, 251 seats, which is 57 percent, in the House of Representatives were occupied by members who represented farm districts.

"By 1960, 51 Congressmen--only 12 percent of the total--were farm district representatives," Price continued.

The 1970 census will show a further erosion of farmer's strength in Congress. According to tentative estimates of the Census Bureau there will be 39 farm district representatives or slightly less than 9 percent after the 1970 census, Price pointed out.

The Congressman, who is a member of the House Agriculture Committee, said the crucial question facing today's farmer is, "How best can I use the strength and the resources I do have to advance my own economic well-being and that of my fellow farmers?"

"Part of the answer, as I see it, is that the farmer must learn what all minority groups sooner or later must learn. Pool resources and speak with one

voice, and groups such as yours can do this very effectively," Price said.

"Another absolute necessity is that the next Congress must face up to the task and the dire need of overhauling the farm program to give the farmer a fair shake--a fair share of the proceeds of the abundance of our economy," the Congressman said.

This country cannot continue to prosper and solve the problems of its cities without first solving the problems of agriculture and revitalizing the agricultural economy of America."

"No country has long prospered when the farm economy was depressed," Price said.

VETERANS Q's and A's

Q -- My son is being discharged from service next month and I want to be sure he keeps his veterans insurance. I regret that I dropped mine after World War II. What does he have to do?

A -- Servicemen are now covered up to \$10,000 while on active duty and for 120 days thereafter by Servicemen's Group Life Insurance. Unlike after World War II, however, they cannot keep this insurance as veterans insurance. Instead, within 120 days after being separated from service they must convert their SGLI policies to policies with a commercial company. Nearly 600 companies have been approved by the VA to offer converted coverage.

Q -- How do I reopen my disability claim? My service-connected condition has become worse.

A -- Submit a statement from your doctor indicating his findings as to your condition his treatment, and his opinion of the future progress of the disability. VA will give you a physical examination if the evidence is adequate. A change in rating is based upon the report of the physical examination and all other evidence of record. If you have been receiving VA outpatient treatment, VA's own records may be used as evidence.

VOTING RECORD & POSITION

★ Water Development

Bill Clayton has been directly associated with every major piece of water legislation passed during the last six years. He is recognized by his colleagues as being one of the most effective and well informed members of the Texas Legislature on water and soil resource development and conservation. Bill Clayton knows the vital importance of water, not only to your future, but to the future of the entire State. Past accomplishments and effective leadership have made Clayton vital to continued progress in development of water resources for the High Plains.

★ Education

Child by child we build our nation...tomorrow depends on today's children and young adults. Bill Clayton is ever mindful of the need to raise our standard of excellence in the Texas school systems. This can only be done through the up-rating of the Texas schools, and dedicated recruitment of the finest teachers. Clayton co-authored a bill that created the coordinating Board of Texas Colleges and University systems. His voting record shows a continued support of teacher pay-raise and the strengthening of all educational systems in Texas.

★ Law Enforcement

Today, law enforcement agencies are facing new problems. Bill Clayton is concerned about the breakdown of law and order. Clayton has been active in seeking higher salaries for law enforcement officials and uniform standard procedures. Bill Clayton served on a special House Committee which will suggest revision of our obsolete liquor laws. Clayton believes that all people must respect the law and that proper enforcement is essential to maintain law and order.

THE 72nd DISTRICT NEEDS BILL CLAYTON

Pd. for by: Bill Clayton for Better Government Fund. Virgie Haile, Chairman, Littlefield, Texas

VOTING RECORD & POSITION

★ Industrial Development

Bill Clayton knows that industrial development helps to stabilize the economy of any given city or area. During his six years in the Legislature, Bill Clayton has worked aggressively for industrial development for our area of the State. Several smaller cities in our 72nd Legislative District now have airports as a result of Clayton's assistance in starting a program of State grants. These state grants are financed with unclaimed gas tax refund on aviation fuel. Bill Clayton knows that airports help encourage industry in less densely populated areas.

★ Tourism

Bill Clayton has worked hard for tourism during his six years as State Representative. Clayton, House Speaker Ben Barnes and other interested legislators were successful in establishing a National Park in the Big Bend area of West Texas. The water importation program being led by Clayton will develop many new recreational opportunities with huge water reservoirs for fishing and boating. Bill Clayton realizes both the need for more recreational facilities in his district and increased business activity from tourist trade.

★ County, City & Local Government

Bill Clayton has been a strong advocate of local government. He is currently serving as chairman of the Committee on Counties of the Texas House of Representatives. Clayton believes that government at the county and city level are more responsive to the people and whenever possible they should take the lead and the responsibility of many governmental programs and functions. Clayton has authored many bills that benefit the cities and support the idea of allowing cities the option to choose their own method of taxation. Bill Clayton is needed on the job for more effective and responsible county, city, and local government action.

Cotton Root Rot Damage Not Limited to Cotton

COLLEGE STATION, -- Cotton is not the only plant affected by the well known "killer" cotton root rot. Dr. Wendell Horne, Extension plant pathologist at Texas A&M University, says about 2,000 plant species are susceptible to the disease, and many are ornamentals used in home landscape plans.

The disease, caused by a fungus, has been more severe this year because conditions were favorable for its development, explains Horne. Death to a plant can be very sudden. A plant can show wilting one day and be completely dead the next, he says.

Nothing can be done once the symptoms appear, adds the pathologist, except remove the plant and replace it with one more tolerant to the disease. Fruit trees and ornamental shrubs such as privet or photinia are highly susceptible. Elm trees are also highly susceptible while oaks are much more tolerant, he adds.

Much research has been done on dividing methods of control. Some fungicides prevent disease development in the treated zone but persist for only a short period of time. For this reason, fungicide applications do not offer a satisfactory means of control, says Horne.

Plants belonging to the grass or lily families are immune to attack by the organism and may be grown in certain parts of the landscape where the disease is severe.

As an aid to homeowners, county Extension agents have been supplied with a list which rates the resistance and susceptibility of most plants commonly grown in Texas to the disease. The plant pathologist suggests a visit with the local county agent for information on the more resistant plants for your area.

Silver Lining

Wife (at desk)--"I've been asked for a reference for our last maid. I've said she's lazy, unpunctual and impertinent. Now, can I add anything in her favor?"

Husband--"You might say that she's got a good appetite and sleeps well."

EARLY MORNING FIRE DESTROYS HOME--This rubble is all that remains of the former home of Mrs. Anna Hill, Progress. Mrs. Hill had moved to Clovis about ten days before the fire destroyed her home Sunday morning. A passing truck driver reported the fire at 4:30 Sunday morning and the Bailey County Volunteer Fire Department brought the blaze under control at 5:55 a.m. Fire Chief Earl Ladd said the furniture had been removed from the house before the fire, no utilities were connected to the house, and the fire is believed to have started near the basement of undetermined causes.

Cotton Harvest Out Ahead Of Last Year

The USDA Consumer & Marketing Service, Cotton Division, Lubbock, Texas, reported 6550 samples of new crop cotton classed for the week ending Friday, October 18, 1968. Samples classed this season totaled 11,700. Last season 7300 samples had been classed by October 18th according to W.K. Palmer, Officer-in-Charge, J.U. Dedear, Officer-in-Charge of the seasonal classing office at Lamesa reported 8,000 samples had been classed there.

The Lamesa office officially opened for business on Monday, October 14th. Prior to the opening of the Lamesa office, the Lubbock office classed 3900 samples for that office.

The predominant grades for the South Plains were Middling, Strict Low Middling and Middling Light Spotted. The average staple was 1 1/32 inches and the micronaire readings for the week ending on October 18th were 3.5 and better - 95 per cent; 3.3 to 3.4 - 2 per cent.

Prices reported to the USDA Consumer and Marketing Service at Lubbock ranged from 15 to 20 dollars per bale over the government loan values for white grades in the 3.5 to 4.9 micronaire range. Movement of this new crop appears to be quite slow into the trade channels.

Prices paid producers for cottonseed averaged \$50 per ton.

Dear Turnrow Tunkel . . .

O. C. McBRIDE

Did you read where it has been discovered that teeth can be cleaned with sound waves?

It must work, at least in some cases. I have noticed that both my wife and Hubert Humphrey have real bright teeth.

I understand that cucumbers and cabbage soup are the main items in the diet of average Russians, who spend only 50 minutes a day eating.

With a menu like that, I could give them back 45 minutes.

Were you surprised that Greek billionaire Aristotele Onassis proposed marriage to Jackie Kennedy?

I don't consider it any of my business, but a friend of mine -- a veteran married man -- says we now have two Greeks in the news: Mr. Onassis and Spiro T. Anonymos. He allows they have something in common -- the tendency to say things on the spur of the moment that they may regret later.

Judging from your experience in WW II, would you say that men from the farms and ranches of the Southwest made good soldiers?

When things got rough, they were the best. It's pretty hard to shake a fellow who has worked on top of a windmill with a "blue Norther" blowing.

What did you think of Mr. Nixon's statement that if he is elected he will not ask Congress for a lot of new legislation? He thinks we have too many laws already.

His attitude could result in much unemployment. When Congress passes a new law, a bureau must be set up to administer, interpret and enforce it. The type of law doesn't matter, in fact the more complicated it is, the more employment it provides. This probably explains some of the legislation passed the last few years.

Don't you think that Fall is the most pleasant time of year in the Southwest?

How about Winter, when it's too cold to plow, but just right to play dominos?

Obituaries

Mary Kube

Mrs. Mary Kube died October 18 at 4:00 a.m. in Clovis Memorial Hospital.

Mary Augusta Helma Kube was 90 years old and 8 months. She was born February 23, 1878 in Melheim, Texas. January 14, 1900 she was married to Wilhelm Kube in Lee County, Texas. Mr. Kube preceded her in death August 1, 1940 at Lariat, Texas.

Mary Kube and her husband reared their family in Lee County, moving to Parmer County near Lariat, Texas in the Oklahoma Lane Community in 1925.

Mary Kube was the mother of nine children, seven of whom are still living. A daughter died in infancy and a son, Ernest Kube in the Spring of 1965.

Mary Kube joined the Lutheran Church at the age of fourteen and had been a faithful member until death.

Surviving children are: B.H. Kube, Farwell; Walter, Copperas Cove; Albert, Muleshoe; Mrs. Eddie Ramm, Muleshoe; Rudolph, Farwell; Ludwig, Borger; Mrs. Wilbert Zock, Clovis, New Mexico; one brother, Henry

Helms of Lubbock; eleven grandchildren and nineteen great grandchildren.

Funeral services were held Monday, October 21, 1968 at ten o'clock at St. John Lutheran Church, Lariat, Texas. Burial was in Oklahoma Lane cemetery. Pallbearers were C.C. Christian, Dick Gerles, G.P. Meissner, Boone Allison, Henry Haseloff, and Walter Kriegel.

Ina Rainwater

Ina F. Rainwater, 66, died at West Plains Memorial Hospital at 10:10 p.m., Tuesday, October 22. She was born January 10, 1902 in Benton County, Tenn. and had lived in Los Angeles for 27 years before moving to Muleshoe Friday, October 18.

Services were held at 4 p.m., Wednesday in the Muleshoe First Christian Church with Rev. Walter Barhoff, pastor, officiating. Burial was in Bailey County Memorial Park under direction of Singleton Funeral Home.

Survivors include her husband, John, of the home; one daughter, Mrs. Gene Winingham, Muleshoe; one son, James Rainwater, Cypress, Calif.; two sisters, Mrs. Vera Weaver, Lovington, N.M. and Mrs. Audrey Gleaton, Lubbock and five grandchildren.

Arles Autry

Arles Autry died October 16 in the Veterans Hospital at Albuquerque, N.M. He was a patient at Veterans Hospital at Amarillo a week before being transferred to Albuquerque until he died two weeks later.

Funeral services were held at three o'clock October 19 at the East Side Church of Christ, Morton, with Rev. Leon Kessler officiating.

Pallbearers were George Autry, John Autry, Gene Autry, Mitchell Autry, Tommy and Kenneth Bryant.

Exporting the CO-OP Idea

The first electric cooperative was energized in Texas in 1937. Now 31 years and 1,000 co-ops later, the idea may well become our most important export. Electric cooperative experts from Texas and other states are making regular trips to the orient, to the middle East and to South America to help the people of these lands organize a cooperative to provide their own electricity. And every co-op veteran who works this tour of duty in a distant land sees evidence of the early years in our own rural areas. But he sees a brighter picture, too. He sees the member-owned rural electric cooperative as a mature, dependable top notch electric utility that provides a low-cost efficient supply of electric power that is Helping Texas Grow. And he knows that the years ahead in all these lands will be brighter.
