## CARS ON WILD RUN DOWN LONG GRADE.

### Empty Refrigerators Escape From Engine at Gardendale and Crash is Narrowly Averted.

While switching at Gardendale Thursday morning five empty refrigerator cars got loose from an engine on the Crystal City & Uvalde Railroad and started on a wild run down the five mile grade toward Cotulla.

News of the runaway cars was flashed here at the moment an onion train had just pulled in on the main line. The cars were coming at a rapid rate and prompt work was necessary to avoid a crash. The freight crew backed their train with all possible haste down the main line and left two brakemen to throw the wild cars onto a siding.

When the cars passed the station they were going at such a rate of speed that it was impossible for the trainmen to catch on and set the brakes, but just beyond the station there is an up grade and this had a tendency to check the speed, and the cars were dropped into a siding without damage.

An engine from the Crystal City & Uvalde came down after the cars a few moments later.

### Notes From Woodward.

Mr. Geo. Hagestein has recently had several sales to parties who expect to come here and locate, among them are the following. Mr. E. A. Reed of Coleman Texas 40 acres, Mr. I. M. Summerford of Coleman Texas 97 acres, and to Mr. Anderson of Coleman Texas 60 acres.

Mr. Hinson, Mr. Widfield and Mr. Jesse Pearce of Coleman are recent visitors to our town looking at land with a view of locating here.

Mr. E. H. Caswell of San Antonio has rented 15 acres from Mr. Hagestein and will put some in sweet potatoes.

Mr. A. L. Dixon of the firm of Hagestein and Dickinson of San Antonio spent two days here this week.

Mr. F. M. Branch of Coleman Texas was a visitor here for a couple of days this week, and thinks he will buy here.

Mr. J. J. Chappel of San Francisco, California, who was here for a few days some weeks ago has purchased the Marshall property and expects to put down a well on the same.

### Daniel Bros., Finish Shipping Onions.

Daniel Bros., who contracted their onion crop to M. O. Coggins of Pittsburg, finished loading today. Foster and Myers are now harvesting and will load about three cars Monday.

Jesse Talbott loaded out one car yesterday.

General shipping will not be on until after the first.

### Labor Strike at Asherton.

Mexican laborers went on a strike last Saturday at Asherton and demanded five cents per crate for clipping onions. The growers were paying three cents and refused their demands.

Men were sent out to Laredo, San Antonio, Cotulla, Crystal City and other points and by Tuesday three to four hundred Mexicans were put into the fields. The pickers seeing that they were beaten, offered to go back to work.

## Was Private Under Earnest.

A troop of cavalry was raised and equipped at Nuevo Laredo for the federal or Madero forces and has been sent to Chihuahua. It was in command of Jose D'Antin, who was a private in Judge F. B. Earnest's troop of the 1st U. S. Cavalry during the Spanish-American war. Earnest says that D'Antin was a well drilled soldier and should be able to do good service with the Mexican army. He has called to see Judge Earnest several times at Cotulla since the 1st Cavalry was mustered out of service.

Millett, Texas, April 25th—Our little town is very quiet these days, the farmers being at home busy, some few still planting, others chopping and cultivating their cotton.

One car of onions will be shipped at once the weather permitting. New potatoes will also be on the market.

Beans are looking fine and large and plentiful for table use. Cattle are getting fat, so you can see that all industries are in a flourishing condition. There are several Apiaries around here and they report a fine flow of honey this year.

Andrew Murray who was bitten by a rattlesnake several days ago is up and about again. Rattlesnakes are numerous this year and many very large ones have been killed.

Miss Willie Bob Starkey and little Margaret Garland returned from San Antonio Sunday night and report a nice time at the Carnival.

Mrs. Wm. Earnest, who has been quite sick is better and able to sit up.

F. A. Wooster and H. W. Earnest visited Cotulla Monday.

### Band Concert May 10th.

The Band Boys are preparing a program with which they propose to entertain the public Friday evening May 10th. at the Auditorium.

The band has been helping out on all public occasions and now they are going to ask the kind public for a liberal patronage of their concert.

The program will be published in the next issue of the Record.

### Home Mission Society.

The Womans Home Mission Society of the M. E. Church will meet Thursday at 3 o'clock May 2nd. Lesson, "book of James" all members are expected to be present, any others are cordially invited to attend. (President.)

### Fell From Tower and Broke Arm.

Rev. J. M. Lynn, pastor of the Methodist church, while assisting in the erection of a water-tank in the Parsonage yard yesterday morning, fell from the tower and broke his arm just above the elbow. In the fall his foot caught in the yard fence and he was considerably bruised about the head.

### Pay Up.

Please call and settle your meat and ice acct. I have to pay cash for my cattle, and I can not do business unless you are prompt in paying your acct. After May 1st will sell for cash only excepting to those who are prompt in paying their acct.

Respectfully,  
S. Cotulla.

## HIGH SCHOOL COMMENCEMENT.

### Graduating Class Largest in the History of the School.

Commencement exercises of the Cotulla High School were held at the auditorium last Saturday night. The program was good and the house was filled beyond its seating capacity.

The graduating class numbered eleven; Lauretta Binkley, Elizabeth Kerr, Margie Rogers, Beatrice Burwell, Pearl West, Rose Earnest, Willie Copp, Herbert Coleman, Jim Rowland, George Russell, and Granville Widener. Miss Lauretta Binkley delivered the salutatory address and Miss Elizabeth Kerr represented the class as valedictorian.

Hon. Emmett B. Cocke of San Antonio delivered an address to the graduates, and the diplomas were presented by Judge Frank B. Earnest.

Among other numbers of the program that deserve special mention was the singing by Miss Rose Earnest.

A Medal offered by Mrs F. B. Earnest to the young lady obtaining the highest grade in the domestic science department was awarded to Miss Cora Keek.

George Russell was winner of the medal offered by Mr. L. W. Gaddis for the best paper on any theme the writer might choose. The subject of the prize taker was "Southwest Texas in the Present Future."

Each member of the class was the recipient of numerous presents, and the stage was literally stacked with flowers.

The session of school just closed has been very successful under the management of Prof. Taylor. The domestic science and Agricultural departments were added this year, and much good work has been accomplished in both departments. On a recent visit of one of the State officials here he stated that further state aid would be recommended for the Cotulla School.

### Announcement.

We are authorized to announce W. A. Kerr as a candidate for the office of Commissioner of precinct No. 1 of LaSalle county, subject to the action of the Democratic primaries.

Mr. Kerr has lived in LaSalle county the greater part of his life, and for many years was Commissioner, therefore is thoroughly conversant with the duties of the office.

### Announcement.

Rev. H. W. Hamilton will preach at the Presbyterian Church tomorrow at eleven a. m. and at Rockwood School house at 5 p. m.

### Announces for Commissioner.

The announcement of Mr. J. M. Robbins of Woodward for Commissioner of Precinct No. 1, appears in this issue of the RECORD. Mr. Robbins has lived in LaSalle county since the eighties, and is well known to voters. He asks a consideration of his candidacy.

MASONIC LODGE—Cotulla Lodge No 892 A. F. & A. M. meets Thursday night before full moon in each month. Visiting brethren invited.—W. J. Coleman, W. M., H. W. Hamilton, Sec.

Mr. and Mrs. F. E. Reeder came in this morning from Fowerton and will spend a few days with relatives.

## Railroad Conductor Missing.

Washington D. C. April 25.—The state department was requested by Representative James I. Slayden today to inquire through diplomatic channels as to the whereabouts and safety of Fred Miller, son-in-law of W. W. Sloan of San Antonio, who disappeared about April 13, while serving the National Railway of Mexico as a conductor in the Cuernavaca country. The department promised Mr. Slayden would investigate at once.

Mr. Slayden received a telegram this morning from Mr. Sloan saying that Miller left the city of Mexico on his regular run to Cuernavaca April 13 returning April 14; that he has not been heard of since, and Mr. Sloan supposes that Miller is held incommunicado.

The Pearsall News, re-established by Huffor & Smith, comes to our attention now. It is a fine paper.

Quit knocking and get down to boosting; and if you can't do this the quicker you crawl into a hole and pull the hole in after you the better for the town and every one in it, including your relatives and friends—if you have any.

There is room for hundreds more progressive farmers in this section. If you are looking for a home do not fail to investigate our wonderful resources, gentle climate, excellent schools, profitable people and cheap and productive lands.

Good roads make it easier for country children to attend school and enable them to do so with greater regularity. Nothing so much concerns the life of the people in the rural districts as the means of communication between communities, towns and railroad stations. Good highways make it possible to centralize schools and churches. When a doctor is needed he is needed quickly and sometimes often. If this unfortunate necessity arises what a boon it is to have good roads and what distress bad roads may cause.

What do our people of our town know about their public schools? How many of them ever go inside of a school building, except on occasions of special entertainments? What do they know from personal observation? They send their children there for six hours every day for nine months of the year, and that is about the end of it. The public schools are too much neglected by the people. They are left as it were to run themselves. One can see at more school visitation by parents would be a great stimulus to both teachers and pupils. Why not give a little more attention to the training in the school.

## CLARA BARTON.

Less than two years ago Florence Nightingale died at the age of 90. Now Clara Barton, one of the founders and the first president of the American Red Cross, has just died at about the same age. Their names will for a long time stand in a class by themselves in a special line of philanthropic work. Miss Barton's name is associated especially with the foundation and administration of the American Red Cross, though her first great public service was rendered long before. Throughout the Civil War she devoted herself to the care of the wounded soldiers, working not in hospitals but on the battle-field. Later she originated and carried on, at her own expense, an organized search for missing soldiers. When in 1869, broken down in health by these and other activities, she went abroad, the fame of her work had preceded her and she was not allowed the rest she had gone to seek. Representatives of the International Red Cross, organized about fifty years previously, enlisted her aid and interest; throughout the Franco-Prussian War she followed the German Army and distributed relief in Strasburg, Belfort, Montpelier and Paris. In 1881 she became the first president of the American Red Cross, and this position she held until 1904. It was through her efforts that in 1882 the United States government became one of the parties of Geneva Convention. The Journal of the American Medical Association says that it would be difficult to enumerate even briefly the items of Miss Barton's public service. In her advanced age she still worked on; Johnstown after the flood of 1889, Russia after the famine of 1892, Armedia Galveston, the Sea Islands of South Carolina, Cuba—all knew her beneficent presence. The object of the Red Cross as defined by the Geneva Convention in 1864 was confined to organized nursing during the war. Clara Barton was the author of the "American Amendment," by which its ministrations are extended to pestilence, famine and great catastrophes like earthquakes and floods. Its invaluable services to practically all countries of the world no doubt suggested and encouraged the extension of nursing and relief to other fields of public responsibility. Out of it has developed public nursing, not only in epidemics, but in the care and management of diseases such as tuberculosis, the great prevalence and danger of which have made them the subjects of municipal and governmental supervision.

Who is the knocker? This question is easily answered. You will usually find him on some corner; his amount of work during the day is represented by the algebraic figure, X, and his occupation, if you would ask him would puzzle him more than the solution of the number of summers seen by the fictitious Ann. Still he knows how the entire city should be regulated although he does not know and does not care, how he will pay his poll tax. He couldn't go on the bond of a man fined ten cents, yet he discusses the finances of the city as if he had the combination to the city treasury at his finger's end. Nothing that happens in his home town is any good; it never can be. He judges the town from his own standard and the conclusion is only obvious. Bees kill out the drones; the law prevents our following example of the industrious insects.

Whether at home or abroad always speak a good word for the town in which you live. It will surprise you what an added respect for the town you will have after you have followed this rule for a short while.

Letter to Cotulla Mercantile Co.

Cotulla, Texas.  
T. R. Keck, sells our paint.  
Dear Sirs: Messrs Leachman & Edelin, Grafton W. Va., had been selling a paint, which they thought well of; and this had occurred.

They had sold a customer 18 gallons of it to paint his house, a few years later, they sold the same man Devoe-lead-and-zinc; the same number of gallons to paint the same house. He had 7 gallons left.

The point of the tale is: 11 gallons Devoe paints an 18-gallon house.

Why does 11 gallons Devoe go as far as 18 gallons of other paint? Because it is all paint, all true, no sham, and full measure.

But that isn't all. Devoe lasts No, no; you haven't got to wait ten years to find that out. Ten thousand people know it. We've got their names. Our agents know them; they think a heap of Devoe. There's no difficulty in showing your townspeople what to expect of Devoe. \$10 will paint a \$15 house; and paint'll last twice as long.

Yours truly,  
T. R. Keck,

## COULDN'T CONNECT WITH LACY'S TWISTERS.

Fowlerton Defeated on Local Diamond Wednesday.

The Fowlerton ball team came here Wednesday for a return game and our boys, who have been anxious for the fray since they were defeated at Fowlerton three weeks ago, made good their promise and gave them an awful drubbing. The score was 9 to 3.

Lacy, who was batted all over the field at Fowlerton, got revenge. He was in fine shape and made the husky lads from the new town lay down the big stick until it looked like "a shame to take the money." Out of 33 men at the bat he struck out 18. "Happy" Russell being away Cotulla's lineup had to be changed. Albert Knaggs went behind the bat and held Lacy in excellent style.

Lacy's curves looked alike to all of 'em.

Cobert for Fowlerton did some good work on the slab the first few innings, but he worked too fast, and paid the penalty.

Fowlerton went to the bat with R. Rainie first up. He failed to connect within the allotted strikes. Harrison performed likewise. Jones hit out a liner to first and went out.

Mulholland first up for Cotulla was thrown out at first. Peters and Haynie struck out.

In the second Lacy put down Porter, G. Rainie and Kowolock in one, two, three order.

Knaggs got base on balls, and stole second and third. Hawkins rapped out a clean one scoring Knaggs. Hawkins stole second. Coleman went to first on fumble. Hawkins scored, Cole-stole 2nd and 3rd, and scored on pass ball. Trice and Manly struck out. Lacy thrown out at first.

Neal and Young struck out. Coburn put out one sacker, stole second and third. R. Rainie struck out.

Mulholland was passed, and caught trying to steal second. Peters went to first on fumbled drive. Haynie struck out. Knaggs sent one to the high blue, and it looked like it was going to be good for at least two sacks but Kowolock made a long run and a spectacular one hand catch.

The visitors failed to reach first in the fourth, Harrison, Jones and Porter making the effort.

Hawkins was thrown out at first. Coleman struck out. Trice drove such a warm one to short that he failed to handle it in time, and that started something. Cobert passed Manly and Lacy, advancing Trice to

Knaggs slid down a high one in the third.

Mulholland was in the game and captured everything that came in his territory.

third; scored on wild throw. Mulholland sent out a hot drive that nobody reached, scoring Manly and Lacy. He was caught on second.

Porter went in the box for Fowlerton in the fifth. Neither side succeeded in getting a runner around the diamond.

In the sixth Young struck out. Coburn found Lacy for a clean one and went to second on pass ball. R. Rainie walked. Harrison scored Coburn and advanced Rainie to third, but was thrown out on first. Jones went to first on fumble. G. Rainie struck out.

Hawkins put a nice one just where first baseman couldn't reach it, stole second. Coleman and Trice struck out. Manly drove a two-bagger directly over center, scoring Hawkins. Lacy struck out.

G. Rainie walked in the seventh but was caught on second. Kowlock and Neal struck out.

Coburn went back in the box in this inning but his work was not effective. Mulholland thrown out at first. Peters landed on the horsehide for three sacks.

Haynie put one out with whiskers on it and beat it out, scoring Peters. Haynie went the entire route on pass balls.

Knaggs walked. Hawkins and Coleman struck out.

Young, Coburn and R. Rainie made noble efforts to make first

Porter went in the box in the fifth and his southpaw delivery fooled quite a few.

in eighth, but failed. Cotulla got men on all bases but failed to score.

Harrison started the ball in the ninth and lost by sending out a high one to right, that was pulled down in great shape by Peters. Jones hit to center, stole second and third. Porter struck out. G. Rainie went to first on fumble. Jones scoring. Kowlock was thrown out at first.

Cotulla did not go to the bat in the ninth.

Score by innings:  
Cotulla —030 301 20—9 runs.  
Fowlerton—001 001 001—3 runs.

The lineup:

Cotulla	Fowlerton
Mulholland ss	Jones
Peters rf	Neal
Haynie 1b	R. Rainie
Knaggs c	Harrison
Hawkins lf	Young
Coleman 2b	G. Rainie
Trice cf	Kowolock
Manly 3b	Porter
Lacy p	Coburn

Summary: Runs: Peters 1, Haynie 1, Knaggs 1, Hawkins 2, Coleman 1, Trice 1, Manly 1, Lacy 1, Coburn 2, Jones 1.

Hits: Coburn 2, Harrison 1, Jones 1, Hawkins 2, Trice 1, Mulholland 1.

**Ladies work a specialty.**

The Foreign Missionary Society of the Methodist Church met with Mrs. Graham on Thursday afternoon at 3 o'clock.

Mrs. Rees our president read us a beautiful scripture lesson and commented on same, the subject for the day was Korea. Mrs. Edgar Keek lead us in an up lifting prayer, both for our workers in the home land and in the Foreign fields.

We then had an instructive piece "on our work in Korea." by Mrs. Seefeld.

Also helpful talks by Mrs. T. R. Keek, Mrs. Graham and others.

Mrs. Kerr passed the leaflets and bulletins for the month.

Mrs. Bartlett read us a beautiful piece entitled "God plucking flowers for his bouquet". It was sent to her by a friend and had been such a comfort in the sweet thoughts it expressed.

The sentiment was that God often picked the fairest and dearest of our loved ones and took them to himself; sometimes full grown flowers, and then again buds, for His great bouquet in Heaven, also she read us a comforting piece written them by Brother Lynn. We feel indeed thankful for the sweet submissive spirit of our sister Bartlett it has been an inspiration to us all.

We were dismissed with our benediction to enjoy the social hour. Mrs. Graham with Mrs. Seefeld's help passed us lovely refreshments, and we all thoroughly enjoyed them.

We were so glad to have so many visitors present and among them Mrs. Loggans, the dear mother of our hostess; it was a great pleasure to know her.

We went to our homes feeling that we had spent a pleasant and profitable afternoon.

### Lincoln Climatic Paints Cost NO More

than any other high grade paint, and as it is the only paint that is made for Cotulla it is the only one that will give a perfect score after years of wear.

Paint must be made to fit the climate—by way of illustration—you can paint an inside ceiling and it will last ten years, use the same paint outside and it will only wear two yeas! What makes it wear out when used on the outside? The element climate. Heretofore all paint makers have ignored the climate and would sell the same paint in Butte, Montana, they did in Galveston, Texas, and tell the buyer in both towns that was the best paint in the world.

We are sole agents for **Lincoln Climatic Paints** in this town and want you to call and have us explain.

### SICKLY CHILD Made Well By Vinol—Letters from a Grateful Mother

New Haven, Conn.—"My little girl, ever since her birth, was frail and sickly and nothing seemed to do her any good until we tried your cod liver and iron tonic, Vinol. As soon as she commenced to take it, I noticed an improvement in her health and appearance. She has now taken three bottles of Vinol, and from the good it has done her I can say it will do all you claim for it in building up and strengthening frail and delicate children." (Name furnished on request.)

Another mother of Chicago, Ill., writes: "I can not say too much in praise of Vinol for delicate, ailing children."

We ask every mother of a frail, sickly or ailing child in this vicinity to try Vinol on our agreement to return their money if it does not do all we claim.

## SOME DAY-

Some day as you chanced that way,  
A smile you gave and a welcome gay.  
A lonely heart grew less sad the  
while,  
As you passed along and left the smile,  
Some day you gave a charming word,  
That buoyed a heart and promised stir-  
red,  
It pictured life as beautiful fair,  
As you passed the word while there,  
Some day you lent a willing hand,  
To the weary and feeble old man,  
You helped him thru the hurried  
throng,  
To him life seemed a cherry song.  
Some day you gave your sweetest  
voice,  
Perhaps reluctantly not from choice,  
It lifted a soul to higher climes,  
As it came from that heart of thine.  
A smile, a word, a hand, a voice  
May seem small, and of little worth,  
They are blessings given in disguise,  
And are appreciated by the wise.  
They are of two fold value we say,  
Making life richer by far this way,  
Filling life full of beautiful rays,  
Full of sunshine and golden days.

## MRS. C. B. ROGERS HOSTESS TO DINNER.

To compliment the Senior Class of the High School Mrs. Rogers entertained with a six o'clock dinner Sunday, including Mr. Hamilton. A merry company met a gracious hostess it proved, for the time passed all too soon for those gathered around the table, so attractively decorated in carnations which were prominent in the center, while the rose bowls graced each end. The reception room was prettily arranged with the prevailing rose. They were: Lauretta Binkley, Elizabeth Kerr, Margie Rogers, Rose Earnest, Pearl West, Benrice Burwell, Willie Copp, Geo. Russell, Thomas Widener, James Rowland, William Coleman.

## WITH MRS. WILL TARVER.

Tuesday afternoon Mrs. Tarver entertained the Baptist Aid and a few invited guests. In absence of the president Mrs. Davis the vice president presided over the meeting. The Bible lesson was conducted by Mrs. Geo. Tarver; she presented many interesting points other than those all ready brought out in the lesson. The Watchword for the next meeting will be "Repentance." Next Tuesday the Aid will meet with Mrs. Beverly Poole. Mrs. Tarver with the assistance of her charming daughter, Miss Alma, passed ice cream and delicious cake. The social hour was pleasantly spent, each departing guest reminded Mrs. Tarver they were glad to have been remembered. Other than the society were: Mdms. T. R. Keck, J. W. Lacy, Windrow,

MISS BURWELL HOSTESS.  
Out upon the beautiful lawn of Miss Burwell's where she met her guests were arranged rugs, chairs, settees, tables which bespoke a pleasant afternoon was in store for those gathering through invitation to a Missionary meeting.  
A delightful program was enjoyed. Mrs. Gahrng conducted the devotional period in an interesting manner. Mrs. Chevalier read an article showing the wonderful amount of work yet waiting to be done before the Christianization of the world. Mrs. Edgar Keck read an original paper along the Missionary line which was greatly enjoyed. Mrs. Fullerton also read an original paper upon "Our difficulties and how they may be overcome" all of which gave us much food for thought. Mr. Hamilton was present, and his talk was both instructive and appreciated. After this interesting program, we were ushered into the social session when was heard in pleasant conversation thirty five or more voices.  
Mrs. Gahrng, Misses Jessie Copp, Margie and Curren Rogers assisted the hostess in passing ice cream garnished with strawberries, lady fingers and fruit sandwich.  
Miss Burwell's unbounded hospitality is ever graciously dispensed in which her guests find much pleasure and sociality.

## PRAYER SERVICE.

Although the day was threatening and gave evidence of rain, a faithful number assembled at the Presbyterian Church, at the appointed hour, for prayer service.  
This prayer service is to be held at all the Churches over the district, prior to sending the delegate to the eleventh annual meeting of the woman's missionary Union, which is to be held at Cuero, May the first to the third inclusive. Mrs. Bettie Rogers represents the Union at this place.

## A PLEASANT EVENING.

Miss Gilmer invited a few friends in Thursday evening to bid good-bye to Mr. Talens who left on the midnight train for Holland where he goes to spend sometime. The evening was pleasantly spent in song and conversation. Mr. Talens and Miss Jessie Copp gave some splendid selections in voice to the delight of those present. Miss Gilmer passed light refreshments.  
The invited were Mr. and Mrs. Riddle, Misses Copp, Messrs. Miller, Hamilton.

## MISSSES EVANS COMPLIMENTED.

Friday evening found fifty or more young people gathered at the home of Mr. and Mrs. Henry Fullerton for an out door fete, the occasion being to enjoy the genial company of their school girl friends, Miss Pearl and Rose Evans, of Mercury Texas; who will be going home soon. These young ladies have formed many friends during their school term, so Mrs. Fullerton took this means of giving them a social evening together, where they could indulge in games and music to their delight. The hostess served Fruit Ade and Cake during the evening.  
This happy crowd lingered late and as the goodbyes were said to the Misses Evans, a wish was expressed that they may be counted among the number when school opened in the fall. To Mr. and Mrs. Fullerton hearty thanks were extended for this happy evening spent.

The Presbyterians will be entertained by Mrs. Henry Fullerton on Thursday May 2nd. The Watchword selected "True." The hour will be three thirty o'clock, and a full attendance is expected.

The little son of Mr. and Mrs. Dougherty, who was so seriously burned recently is gradually recovering, while the burns were quiet severe and the little fellow has suffered greatly, we are glad his worst is over and hope to soon see him as playful as ever.
