E. G. 'Buster' Howard underwent surgery Wednesday morning at University Hospital, Lubbock, for the removal of his right leg just below the knee. Family members said the amputation was the result of an injury Howard received in a cotton stripper accident two and a half years ago.

He is the father of Mrs. Don Barnes and Mrs. Gary Miller.

Mr. and Mrs. Donald May, Danny and grandchildren, Stacy, Scott and Kristi Campbell, attended the May family reunion at Lake Greeson, Arkansas recently. Mrs. Amelia Lodge, sister of Donald May, is visiting in their home from Philadelphia, Pennsylvania for a few weeks.

Bucky Taylor, a student trainer last semester at Texas Tech for track, baseball and basketball, made the Dean's Honor List for the spring semester.

Taylor, the son of Mr. and Mrs. Bill Taylor, Jr., lettered in all three sports as a freshman. Next semester he will be on full scholarship and will be trainer for the varsity basketball team.

David Seymore, Master Councilor, and David McVicker, Senior Deacon, of the Muleshoe Order of DeMolay announce that the DeMolays will sponsor a

### Sales Tax Increase Effective July 1

Mr. and Mrs. Consumer -- are you ready for this? In case you are not aware of it, your taxes are due to skip upward again today (Thursday).

Effective will be an increase in state sales taxes from 3.25 to four percent. Add this to the one percent city sales tax which was authorized here some three years ago, the total tax will now be five percent.

Under the new tax ruling, everything except staple groceries, which are exempt from taxation, will increase and the new tax rate will begin with any purchase costing more than nine cents. For instance, a 10 cent newspaper will now cost an extra cent for tax if it is bought from an open newsstand as will a ten cent candy bar.

The legislature cut back a proposed increase in gasoline taxes after Governor Preston Smith refused to sign the new tax bill unless the legislature rescinded the increase. The proposed increase had been to up gasoline taxes by two percent.

Taxes on a \$3,500 automobile will go from \$105 to \$140 under the new law, which covers automobile sales taxes in a separate law. The auto sales tax was increased from three to four percent.

Beer, liquor and business taxes also go up at the same time.

The 70 percent barrel tax hike on beer means about a penny more a bottle. The liquor tax will amount to about a seven cent per fifth more

and prepare to spend the afternoon in Muleshoe for the annual sidewalk sale. It will be held 11 a.m. to 6 p.m. on Friday, July 2.

Many local merchants are preparing to move merchandise out onto their sidewalks and spend an afternoon of selling specially priced merchandise under the awnings up and down the street, and on the side streets.

Chairman David Lee, who is coordinating the event, said many merchants have indicated plans to participate in the gigantic sale. He said plaques will be awarded the best participating merchant and to the most appropriately dressed sales person. Each year, pioneer clothing is brought out for the popular sale, and the Muleshoe sales personnel go all out to hold one of the biggest and best sales ever.

Today's issue of The Journal has a number of advertisements from many of the participating merchants offering such special buys as regularly priced at 39 cents, ice tea glasses for 19 cents. A good way to beat the heat and enjoy the outdoors would be with the lawn chairs offered for \$2.44.

One appliance dealer is selling a used clothes dryer for \$49.95 and another place offers straw purses at one half price and women's shoes for two pair for \$1.

Men's walking shorts will be going for \$1.49 per pair and girl's blouses, 69 cents at another store. A one pound bag of potato chips can be purchased for 39 cents and canned pop for eight cents a can at yet another Muleshoe business.

Also available will be boys' shirts for 50 cents; women's shorts for 50 cents; women's

and a new 10 percent tax on mixed drinks is already in effect.

Percentage-wise, the tax hike on business was the biggest of the package. The franchise tax goes up from \$3.50 to \$4.50 per \$1,000 valuation. This means a \$100,000 business will face an annual tax hike of \$125, or a 38 percent jump over current franchise taxes.

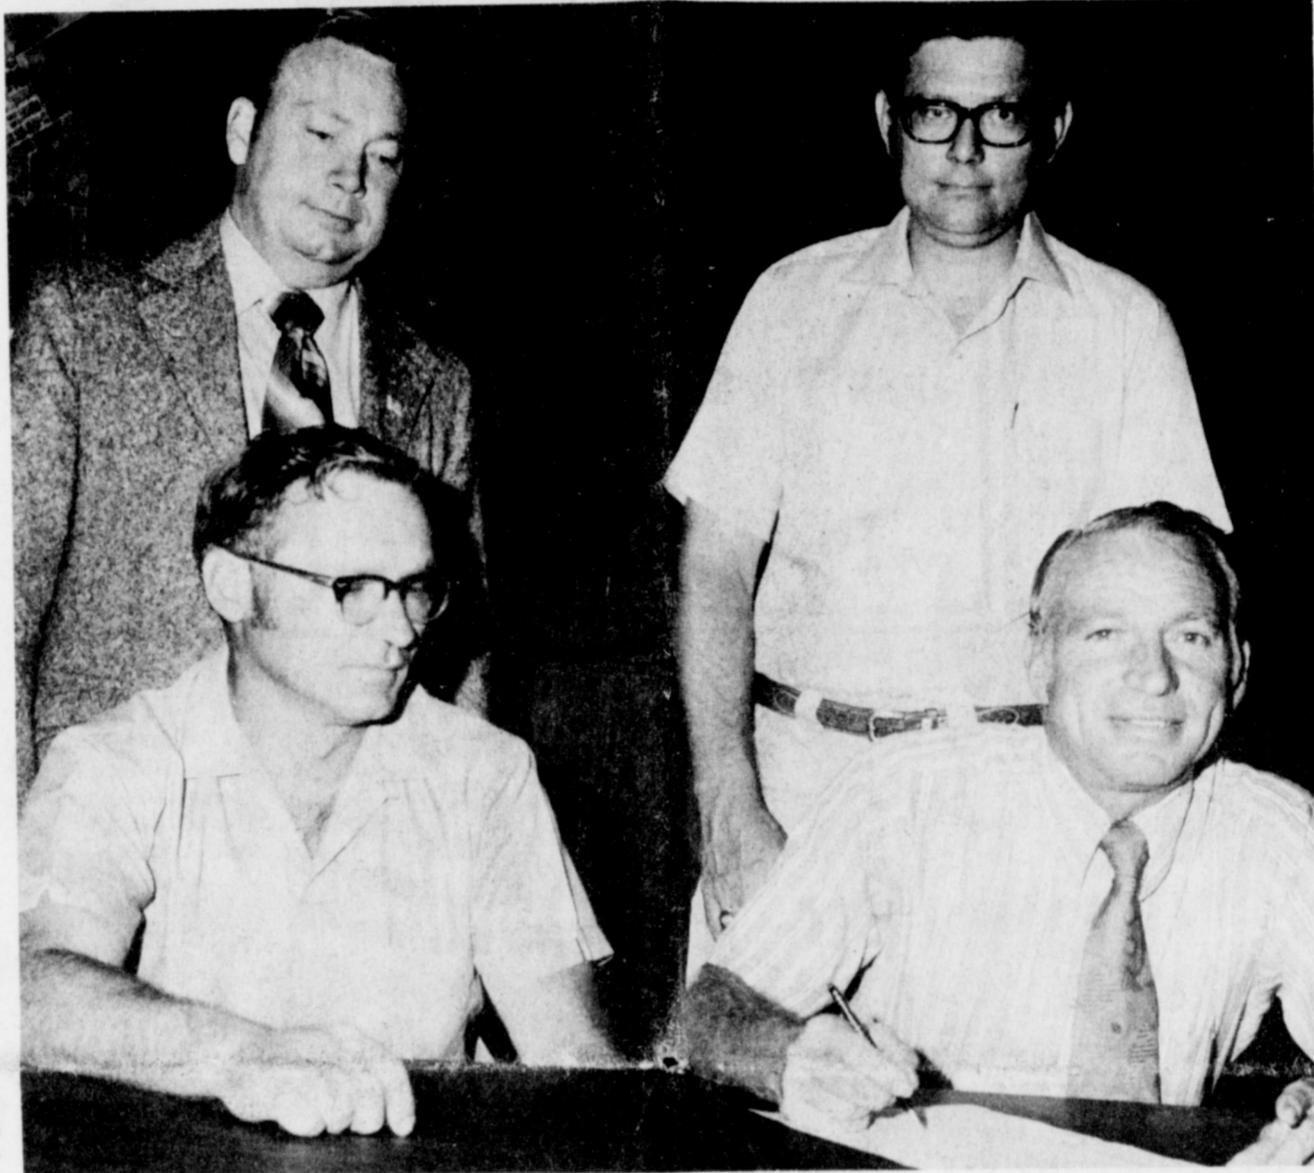

Also facing the public is a new 'surtax' which will be effective September 1. This surtax will be tacked on law violators including an extra \$2.50 for moving traffic violation tickets; Con't on Page 2, Col. 8

### Council Meets THD Engineer, Talk Problems

In a special called meeting Monday morning, Mayor Irvin St. Clair and Councilmen Alex Williams, Frank Ellis, Kenneth Heathington and Lindal Murray, discussed highway problems in Muleshoe.

Attending the meeting for the Texas Highway Department from Lubbock were O. L. Crain, engineer and two other THD employees.

Muleshoe City Manager, Albert Field said that although no decisions were made during the meeting, highway parking and signs abutting the Texas highways were under discussion.

**PROCLAMATION SIGNED FOR CELEBRATION**--Muleshoe Mayor Irvin St. Clair, seated at right, signed a proclamation for the Muleshoe Fourth of July Celebration which is scheduled for Monday, July 5. At the same time, the proclamation called for 'Honor America Day' to be observed the same day. The proclamation asks all citizens, organizations, churches and lay groups to recognize the special day with appropriate programs. The proclamation says, "It is the opinion of this office that this

activity should be recognized as an effort to unite Americans at a time when our patriotism and respect for the nation's purposes should be encouraged by all responsible citizens. Looking on as the mayor signs the proclamation are standing from left, Bill Loyd, vice president of the Muleshoe Chamber of Commerce; and Clarence Christian, general chairman of the celebration and chairman of the co-sponsoring agency, seated at left, Bob Stovall of the Business Activity Committee.

### Grain Sorghum Sale Discussed By Local NFO

The Bailey County Unit of the National Farmers Organization met Tuesday morning at 7 a.m. at the Corral Restaurant.

Vice President Doug Bales said no major items of business were discussed, but several minor problems were worked out concerning the 1971 grain sorghum crop, concerning storage and sale of the grain.

### Plans Finalized By Auxiliary For Celebration

Eight members and three guests attended the Tuesday noon meeting of the Ladies' Auxiliary of the Chamber of Commerce at the Corral Restaurant.

Finalized were plans for assisting with the July 4th celebration, including a lemonade stand, helping with the barbeque which will follow the parade and assisting the Muleshoe Art Association with the annual art show to be held at 303 Main.

Lemonade stand Chairman Cleeta Williams reported that she found a pickup to use during the mule shoe pitching contest and the parade to make the stand portable and enable the workers to be where the action is during the afternoon. She also reported plans for obtaining a supply of lemonade, and containers to be used for the lemonade.

President Pat Keesee reported on plans for the barbeque, which will include the auxiliary preparing 50 gallons of ice tea for the meal and supplying beans. She asked for workers to assist with the two projects and at least one member avail-

## Junior Rodeo Will Begin Celebration

Entries are coming in to beat the Wednesday deadline for the Junior Rodeo scheduled for Friday and Saturday, July 2 and 3. Peggy Bates, who is handling the entry blanks, said that other than Bailey County and the immediate area, some of the places entries are from include Dimmitt, Springlake, Lovington, N. M., Levelland, Clovis and Portales, N. M.

More than 200 entries are expected before the books were closed at 6 p.m. Wednesday. Performances are scheduled for 8 p.m. both Friday and Saturday, with the grand entry beginning at that time at the Muleshoe Roping Club arena, one mile east of Muleshoe just off Highway 84.

Bob Henderson, coordinator of the rodeo said buckles will be presented the all-around boy and girl in both the junior and senior division and buckles for the first place winners in each event. Rosette ribbons will be given for second through fifth places.

Events in the 15-19 year age group will be cow riding, calf roping, ribbon roping, barrel race, flag race and pole bending.

For the pee wee division, up to 14 years, the events are cow riding, calf roping, ribbon roping, break-away roping, barrel race, flag race and pole bending.

There will also be eight years and younger calf riding and for all age girls group, goat tying. Henderson said there will be one go round, a split performance, and in case of ties, a coin will be flipped for placings.

### Burl Huffman Red Raider Guest Speaker

Burl Huffman will be guest speaker for the Texas Tech University Red Raider Day luncheon scheduled here Wednesday, July 7. The luncheon will be co-hosted by the Muleshoe Lions, Rotary and Jaycee Clubs at the fellowship hall of the First United Methodist Church.

Local president F. W. 'Chief' Jones said that during the afternoon there will be golf, an evening barbeque and business meeting at the Muleshoe Country Club.

He added that in case of mechanical failure at the calf chute, the roper will be required to rope another calf.

A concession stand will be operated during the two night junior rodeo and large crowds are expected to attend the event, said Henderson, as rodeo fans are increasing with each performance after having a slump during the past several years. Many of the young people from the Muleshoe area who participate in the local rodeo also compete in rodeos in a large area surrounding Muleshoe.

Members at the Monday meeting included Roger Gorrell, Leon Wilson, Dick Chitwood, Doyce Turner, Max King, Gordon 'Corky' Green, Smitty Aylesworth, James Brown, Derrell Oliver, Glen Watkins, Jim Young, Mac Brown, Dick Johnson, Bob Stovall, Charles Moraw, Marshall Lee, David Lee, John Gentry, Hugh Young, John Blackwell, Don Barnes, Mike Miller, Joe Bob Stevenson, Curtis Walker, Gene McGuire, Clarence Christian, Wayne Peterson, Stanley Black, Ronnie Spies, Glen Stevens, Bill Russell, Tim Campbell, Dwyan Calvert and Jerry Hutton.

**MASONIC LODGE INSTALLS NEW OFFICERS**--New officers for the coming year were installed in ceremonies held at the Muleshoe Masonic Lodge last Saturday night. Officers pictured are, back row, from left, Jerry Stover, junior steward; Phil Garrett, junior warden; Elbert Nowell, secretary and Clinton Rogers,

### Activities Scheduled From Early To Late

Come one . . . come all . . . to Muleshoe on Monday, July 5th for the gigantic celebration to begin at 6:30 a.m. and wind-up with a fantastic, colorful fireworks display at 10:30 p.m.

Starting off activities will be the Jaycee pancake breakfast which will be held in a hangar at the Muleshoe Airport. At the same time, the Pony Relay Race will get underway down both sides of Highway 214 from Needmore to Muleshoe. Once again, Muleshoe and Needmore riders will be racing the clock and each other to the south city limits of Muleshoe. This popular race draws a large number of spectators despite its early racing time.

The Jaycees will serve breakfast from their location at the

### Jaycees Plan Work Forum, Area Program

Four Muleshoe Jaycees were in Tulsa last week to help set up area programs for the year. It was decided to hold a work forum in Muleshoe on September 25. The four Jaycees were Wayne Peterson, Jeff Smith, Derrell Oliver and Duane Seay.

This was one of the reports made at the regular meeting of the Jaycees on Monday. Hugh Young, chairman of the Jaycee Ride-In breakfast to be held on Monday, July 5, to help kick off the July 4th Celebration, reported on activities planned for that day.

It was announced that the Jaycees will not meet in regular session on Monday, July 5, but will meet with the Lions and Rotary on Wednesday, July 7, to assist with Red Raider Day. Charles King is chairman of the project for the Jaycees.

Glen Stevens reported that proceeds for the Stegall-Muleshoe Opportunity Inc. College plan had reached approximately \$2,000. This is one of the annual projects for the Jaycees. Stevens was chairman of the highly successful campaign.

Members at the Monday meeting included Roger Gorrell, Leon Wilson, Dick Chitwood, Doyce Turner, Max King, Gordon 'Corky' Green, Smitty Aylesworth, James Brown, Derrell Oliver, Glen Watkins, Jim Young, Mac Brown, Dick Johnson, Bob Stovall, Charles Moraw, Marshall Lee, David Lee, John Gentry, Hugh Young, John Blackwell, Don Barnes, Mike Miller, Joe Bob Stevenson, Curtis Walker, Gene McGuire, Clarence Christian, Wayne Peterson, Stanley Black, Ronnie Spies, Glen Stevens, Bill Russell, Tim Campbell, Dwyan Calvert and Jerry Hutton.

Prizes will be presented for the most outstanding pioneer costume for both men and women, according to Mrs. Moraw, and a number of other prizes will probably be awarded during the afternoon. Wayland Ethridge will play the piano and possibly musical groups will sing.

In response to the hundreds of invitations mailed out, Mrs. Moraw said she had received a letter from Arthur M. Williams of Arkansas City, Kan., who lived two and a half miles north of the original town of Hurley from 1909-1914.

He sent his regrets that he

airport until 9 a.m.

The Jaycees reminded that the Lions, Rotary, Chamber of Commerce, Jaycees and Business Activities Committee, all jointly sponsor the activities on the Fourth of July and a Jaycee spokesman said of the breakfast, "This project helps to offset the expense of the 4th of July Celebration. It promotes the Fourth of July Celebration as an added attraction and it promotes good will between Jaycees and the Chamber of Commerce. The project also aids the charter through leadership training."

Jaycees heading up the breakfast project include Chairman Hugh Young, John Woodard, publicity; David Lee, materials; John Gentry, manpower; Jeff Smith, tickets and Bobby Morris, location and facilities.

Beginning at 7 a.m. will be a day long spot landing contest at the airport with trophies to be presented the winners. A parachute club will present a parachute jumping show at the airport at 8:30 a.m. and a model airplane show is scheduled for 9 a.m. The model airplane show has attracted youngsters from toddlers to the grey hairs and has proven to be a very popular show in this area.

The Muleshoe Art Association display will open at 9 a.m. for the final day of their five day showing at 303 Main. Local and area artists will be displaying their finest works. Awards in the show will be presented at 4 p.m.

Muleshoe pitching enthusiasts will be attempting to take the crown of world champion Doug Bales in a contest at 10:30 a.m. on the west side of the Muleshoe High School football stadium. Bales had won his title in competition last year when he bested Ed Neutzler to take the championship.

More than 200 persons are expected to attend the annual Old Settlers Reunion at 2 p.m. Monday in the Fellowship Hall of the First United Methodist Church said Mrs. Rudolph Moraw, president of the organization.

Prizes will be presented for the most outstanding pioneer costume for both men and women, according to Mrs. Moraw, and a number of other prizes will probably be awarded during the afternoon. Wayland Ethridge will play the piano and possibly musical groups will sing.

In response to the hundreds of invitations mailed out, Mrs. Moraw said she had received a letter from Arthur M. Williams of Arkansas City, Kan., who lived two and a half miles north of the original town of Hurley from 1909-1914.

 would be unable to attend the celebration and mentioned several persons who lived in this area at that time. Among those he remembered were the Snyder brothers, who still live in Muleshoe.  
 Williams said Arkansas City is celebrating their centennial from August 6-14.  
 Parade Marshal Don Barnes said big plans are underway for the 5 p.m. parade. He said riding clubs, posses, beauties, scouts, commercial displays

and other spectacular sights will be seen during the long parade. The DeMolays will have the color guard; Boy Scouts and Girl Scouts will march; the antique cars seen in the past in Muleshoe parades are expected to be chugging along; commercial equipment, including tractors and mobile farming equipment will be interspersed with the horsemen.  
 Beauties to be featured include Miss Muleshoe; Little Miss Muleshoe; the Muleshoe Ambassadors; Miss Muleshoe High School; Mr. Muleshoe High School and possibly beauties from out of town.

Confirmed riding clubs will include Cochran County Sheriff's Posse; Flying W Riders from Lubbock; Progress and Y-L 4-H Riding Clubs and the Floydada Riding Club. Other clubs are expected to participate, along with hordes of individual riders.  
 The Earth-Springlake High School Marching Band has indicated an interest in participating in the parade, even though the Muleshoe High School band declined an interest to march and play, said Barnes.  
 At the conclusion of the colorful parade, the grand entry will be held at the Boy Scout grounds on South Main. Trophies will be presented riding club winners at the time.  
 Immediately following the grand entry, a barbecue will be hosted by the Muleshoe Lions Club for all parade participants and their families. At the same time, the family picnic will begin at the football stadium at Muleshoe High School.  
 Entertainment will be provided at the football field by western and pop bands.  
 For baseball fans, Senior Babe Ruth baseball action will get underway at Babe Ruth park at 7 p.m. when the Muleshoe-Amberst Senior Babe Ruth teams will play.  
 Concluding a full day of celebration and festivities will be the fireworks display, handled by members of the Bailey County Volunteer Fire Department.

MR. AND MRS. JAMES TAYLOR

## Joann Gregory, Taylor Pledge Wedding Vows

Joann Gregory became the bride of James Taylor Saturday afternoon, June 19, at 4:00 p.m. in the home of Mrs. Glenn Williams. The simple double ring ceremony was read by Elder Glenn Williams of the Primitive Baptist Church. Parents of the couple are Mr. and Mrs. Claud Gregory of Lazbuddie and Mr. and Mrs. Walter Taylor of Decatur, Texas. The only attendants were the bride's parents and the groom's father. The bride wore an ecru crepe dress trimmed in lace and carried a white Bible topped with white carnations. She wore a 40 year old string of pearls belonging to her late great-grandmother, Mrs. Lottie Arend, for the tradi-

tional something old. Something new was her dress; something borrowed and blue was a garter belonging to her sister-in-law, Sandra Gregory. She also carried the lucky pennies minted in the years of their births. The bride is a 1966 graduate of McAdoo High School and attended night classes at Levelland Junior College. The groom attended schools in Dallas and Muleshoe, spent two years in the army, two years in the navy and was a member of the National Guard. The bride and groom greeted guests later at the reception in their new home. The table was covered with a white embroidered cloth and featured a three tiered white and blue cke,

topped with a miniature bride and groom, the crystal punch service and a centerpiece of white and blue carnations. Mrs. Claud Gregory, Jr. and Linda Faubus, sister-in-law and cousin of the bride, served punch, while Mrs. Jerry Taylor and Mrs. Bobby Cunningham, sisters of the groom, served the cake, which was baked and designed by the bride's mother. Others assisting with the serving were Mrs. Don Taylor and Claudette Faubus, cousins of the bride. Approximately 35 guests attended. The couple will be at home near Clay's Corner where the groom is employed on the Glen Watkins farm and the new Mrs. Taylor is employed by Chow Tex Feed Lots.

## Miss Pam Copeland, Cawthron Are Married

Miss Pam Copeland became the bride of Ronnie Cawthron during a double ring ceremony held June 12, 1971, at 7:00 p.m. in the Progress Baptist Church. Rev. Murrell Johns performed the ceremony. Parents of the couple are Mr. and Mrs. Robert L. Copeland and Mr. and Mrs. V. V. Cawthron of Muleshoe. Given in marriage by her father, the bride wore a street length dress of white silk organza. She carried a bouquet of white orchids atop a white Bible.

Miss Vickie Crenshaw of Muleshoe was maid of honor. Best man was Pete Ralle of St. Francis, Kansas. Karen Hamilton of Muleshoe provided the music. The couple was honored with a reception at the church. The wedding cake and punch were served by Glenda James and Debby Kemp. Registering the guests were Nedra Woodard. The bride is a 1971 graduate of Muleshoe High School. The groom attended Muleshoe High School and is employed by Castle Industries of Lubbock. They will live in Lubbock.

MISS PAT RIALS

## Miss Pat Rials Honored At Shower

Miss Pat Rials, bride-elect of Jim Dunnuck, was honored with a bridal shower, Thursday,

June 24, from 4 until 6 p.m. in the home of Mrs. J. K. Adams, 608 West Avenue J.

The bride-elect's chosen colors of yellow and white were carried out in the decorations. The table was laid with an imported cutwork linen cloth and the centerpiece was an arrangement of yellow daisy chrysanthemums flanked with yellow candles. Yellow punch, cookies and nuts were served to the guests by Miss Debbie Sain and Miss Debbie Rudd, Miss Sylvia Rials, sister of the honoree, registered the guests. Special guest was Mrs. Jack Rials, mother of the honoree. Out of town guests were Mrs. Michael Rogers of Clovis and Mrs. Joe Mann of Friona. The hostesses presented the honoree with an electric fry pan and white hand mixer. Hostesses for the shower were Mrs. Earl Harris, Mrs. Vernon Bleeker, Mrs. George Haskins, Mrs. James Dobbins, Mrs. Bill Norton, Mrs. B. A. Dalton, Mrs. Carl Ellington, Mrs. Rex Williams, Mrs. Les Smith, Mrs. V. V. Cawthron, Mrs. Joe Langer, Mrs. Murray Lemons and Mrs. J. K. Adams. A useless life is an early death.

## Miss Chapman Receives Grand Rainbow Office

Attending the Rainbow Grand Assembly in San Antonio June 13-17 from Muleshoe were Debbie Kerr, Martha Jane Chapman, Traci Cowan, Marcia Rudd, Gayla Hooten, Mrs. Ben Chapman and Mrs. Ernest Kerr. Martha Jane Chapman received a grand office as she was appointed to the Junior Credentials Committee. Debbie Kerr was a member of the Grand Choir and Traci Cowan and Gayla Hooten were Grand Guards for the meeting. While in San Antonio, they took in all the meetings at Grand Assembly and did some sightseeing.

MR. AND MRS. LEE MARSHALL

## Lee Marshalls Observe Fiftieth Anniversary

Mr. and Mrs. Lee Marshall were honored by their children with a buffet supper Saturday evening, June 26, at their home at 1911 W. Ave. E., Muleshoe, in observance of their 50th Wedding Anniversary.

Marshall and Oma Shipp were married August 18, 1921 in Callahan County and left immediately on a move to Collinsworth County by mule drawn wagon, settling near Lutie to set up housekeeping and a farming operation.

In the late 20's they moved to Donley County and farmed west of Clarendon and in the Ashtola community until the early 40's when they moved to Lamb County and farmed near Fieldton.

Retaining their farming interests at Fieldton, they moved to Erath County, near Hico, in the early 50's, but returned to the south plains in the early 60's, settling at Muleshoe where they farmed until the late 60's when they retired.

The Marshall's saw many changes in their farming business over the years, having started their first operation with one row, mule drawn equipment and for several years prior to retirement, operated a fully mechanized business.

The Marshall's are parents of three children, two sons and one daughter. They are Bob Marshall, Muleshoe; Dr. Jim Marshall, Caldwell, Idaho and Mrs. H. E. Cornelius, Plain-

view, Texas. They have seven grandchildren and five great-grandchildren, all present for the celebration except four.

Fifty-eight friends, neighbors and relatives celebrated the occasion with them.

### Sanders Welcome New Infant Son

Mr. and Mrs. Robert L. Sanders of Amarillo are the parents of a new adopted boy named Bryan David.

Grandparents are Mr. and Mrs. Burnice May of Sudan and Mr. and Mrs. Robert Sanders of Muleshoe. Sanders is a graduate of Muleshoe High School and his wife graduated from Sudan High School.

## Mrs. Walter Damron Observes Birthday

Mrs. Ruby Garner was hostess for a birthday dinner party honoring her mother, Mrs. Walter Damron, last Sunday.

Mrs. Damron celebrated her 88th birthday with a dinner and party at the American Legion Hall in Muleshoe. More than 100 friends and relatives attended the dinner or called during the afternoon.

Mr. and Mrs. Damron have lived in the Circleback community since 1923. Eliza Malone was born to Mr. and Mrs. Robert Malone on June 30, 1883 at Hico in Erath County. She and Walter Damron were married November 6, 1910 and lived near Ralls before moving to Bailey County.

Mr. and Mrs. Damron are the parents of four children: Mrs. Ruby Garner of Muleshoe and Floyd Damron of the Hub community and J. D. and Raymond, both deceased. They have five grandchildren and 12 great-grandchildren.

Mrs. Damron still enjoys piecing quilts, making pot-holders and working with her flowers. Throughout the community, Mr. and Mrs. Damron are affectionately known as 'Uncle Walter and Aunt Liza'. The centerpiece on the main serving table was an arrangement of red roses, carnations, fruit and greenery in milk glass. The table was laid with a lace cloth over pale yellow. After-

noon refreshments were cake and yellow punch.

Mrs. Damron's birthday cake was baked and decorated by Mrs. Whitt Barber. It featured a 'little old lady in a rocking chair' working on a patchwork quilt. Mrs. Francis Graham contributed the miniature rocking chair and Mrs. Barber made the lady from pipe cleaners.

Entertainment was dominoes, '42' and visiting.

Attending the birthday celebration were Francis Graham, Lois Moore, Mr. and Mrs. Clarence Damron, Mark McCoy, Mr. and Mrs. Clyde Damron, Mr. and Mrs. Claude Fletcher, Ruby Weaver, Mr. and Mrs. Bill Weaver, Mr. and Mrs. Let McLain, Mr. and Mrs. James Patton, Mr. and Mrs. Walter Malone and Mr. and Mrs. Arthur Damron.

Also Mr. and Mrs. Jerry Damron and sons, Mr. and Mrs.

Boyd Gilbreath, Mr. and Mrs. Connie Hill and Sondra, Vess Garner, Mr. and Mrs. Raymond Gage, Mr. and Mrs. Henry Williams and children, Mr. and Mrs. Wilmer Cook, Grace Rains, Shelley Rains, Lena McDuffee, Mr. and Mrs. L.E. Evans and Lorlane Gilreath. Also Mr. and Mrs. Otho Burk, Mr. and Mrs. Tony Isbell and sons, Mr. and Mrs. Joey Sabbe and Kelli, Mr. and Mrs. Bennie Loe and children, Mr. and Mrs. Williams H. Haggard and Shelly, Mr. and Mrs. Floyd Damron and Tammy, Erceell Whitt, Mr. and Mrs. Billy Gore and children, Dot Williams, Mr. and Mrs. Alvin Tally and Randy, Arnold Reid and Mr. and Mrs. Claude Damron.

Also, Mr. and Mrs. Larry Durham and Mike, Mr. and Mrs. Homer Cypert, Avanelle Lenderson, Mr. and Mrs. Bill Moore, Todd Johnson, Mr. and Mrs. Marty Ezell, Mrs. D.S. Stovall, Nita Griffiths, Cieta Williams, Hazel Cunningham, Jeanie Williams, Tim Moore, Mr. and Mrs. Bud Moore, Mr. and Mrs. Charley Starkey, two grandsons and daughter Jewel, Mrs. and Mrs. A.J. Givens, Mr. and Mrs. Paul Homer and several more who failed to sign the guest register.

Fryers remain one of the better protein values. Whole, cut-up and fryer parts are featured along with economical buys on turkeys of different sizes.

Vegetable supplies are increasing each week. Local cooking greens, cabbage and squash are good choices. Snap beans are more plentiful and generally of better quality and lower price than pole varieties. Sweet corn is tender and good.

Murray Weidenbaum, Assistant Secretary of the Treasury, on economic upturn: "I think this is going to trigger a more rapid expanding in consumer spending."  
Richard Nixon, President: "The present welfare system is a monumental failure."

**BEST DRESSED SENIOR CITIZENS . . .** Named as best dressed at the monthly meeting of the Senior Citizens held Monday afternoon at the First United Methodist Church Fellowship Hall were left to right, Mrs. Docia King, third place; Mrs. Ellen Spence, second place; and Mrs. Mary Finley, first place.

**Brides Have New Responsibility**

COLLEGE STATION —Wedding bells signify love and marriage, but they also mean the bride-to-be will be taking on new responsibility establishing a healthy family, reminds Frances Reasonover, Extension foods and nutrition specialist at Texas A&M University.

One of the first responsibilities a wife faces is providing good nutrition, Miss Reasonover explains. This task may mean that some adjustments will have to be made. One step in establishing a program of nutrition for your new home is synchronizing your food likes and dislikes with your husband's. Remember the basic four groups of foods needed for good health are meat, milk, vegetable-fruit and bread-cereal. Of the many varieties in these groups, find the foods you both enjoy. You may also find ways of combining foods you don't like with those you

do. Learning the amounts of food needed for two people is another task facing you. You will have to learn to buy and prepare foods with appetite appeal for two people. Miss Reasonover gives this hint as you begin family meal planning: establish family traditions such as special meals for birthdays and anniversaries, to foster unity and good relationships.

**Garth Family Has Reunion**

The children of the late Grover and Ola Garth held their annual reunion last Sunday in the home of Mr. and Mrs. Wayne Garth in Dumas.

Six of eight children of the Garths attended the reunion, as well as several grandchildren, nephews and friends. Two sons of the Wayne Garths attended and a daughter-in-law. There were Dirk and Tab Garth and Mrs. Mike Garth. Others attending included, Mrs. Onie McDaniel, Denver City; Mr. and Mrs. Alton Garth, Lubbock; Mr. and Mrs. Woody Dobbins, Karen, Jo Ann and Christine

and Suzanne Barrett, all of Muleshoe; Mr. and Mrs. Rudolph Moraw and Charles Muleshoe; Richard and Donita Wells, Houston; Mr. and Mrs. Claude Garth, Rhonda and Matt, Friona; a brother, Mr. and Mrs. Charlie Garth, Muleshoe; a sister, Mrs. Marian Harris, Dallas; a grandson, Mr. and Mrs. Earl Schmitz, Muleshoe; nephews, Mr. and Mrs. Garth Williams, Ulysses, Kan. and Mr. and Mrs. Frank Tirey, Happy, and Dana Arnold of Muleshoe.

By Mrs. J.D. Bayless

Dinner guests in the Oscar Coats home Father's Day were Mr. and Mrs. Kenneth Coats, Kim and Keith, Mrs. Alma Altman; Mr. and Mrs. Hermon Carruth and Randy of Amarillo; Mr. and Mrs. Lewis Hodge, Sandy and Lisa of Morton.

Mrs. Olive Angle and Mrs. Louise McCall took the junior girls to the South Plains Baptist Assembly Encampment near Floydada, Wednesday morning. The girls attending were: Renee Beasley, Melony Roberts, Shonnye and Terresa Autry, Jaye Linn Price, Patricia McKinney, Wyvette Cox, also Marthan George of Lubbock, Terry Ayers of Plains, and Miss Pamela Layton who played the organ. They reported a wonderful time.

Mr. and Mrs. Edd Autry and Mr. and Mrs. Jack Jackson returned home Monday, June 21, after a week's fishing trip to Mexico, at Conchas Lake, and Lake Meredith.

AUSTIN--Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today estimated that traffic accidents over the long July 4th weekend will claim 48 lives in the Lone Star State.

In addition, Speir said it appears that between 6 p.m. Friday, July 2 and midnight Monday, July 5--the official holiday weekend--these same collisions could result in hundreds, perhaps a thousand or more injuries, and a monetary loss running into the millions of dollars.

The DPS director, in a special appeal, said, "We urge Texans to reduce the toll by obeying the laws of safety, driving defensively, avoiding fatigue while driving, and, above all, by not driving while drinking. The ultimate solution to lessening the toll obviously lies in the hands of each driver."

Speir said as many DPS patrolmen would be on duty as possible, including some from uniformed services other than the Highway Patrol. He noted that many local law enforcement agencies will place similar special emphasis during the holiday period.

The Department of Public Safety will also conduct its "Operation Motorcade" program during the holiday which, in cooperation with local police agencies and the news media of Texas, attempts to focus public attention on accident hazards through the rapid compilation and release of information on fatal traffic mishaps during the period.

"We are hopeful," Speir said, "that all street and highway users will make the slogan 'Drive Friendly' a reality during the July 4th weekend."

# Livestock Producers See Changed Market

COLLEGE STATION -- Today's modern livestock marketing system demands increased attention and some changes on the part of producers--if they want higher incomes, reports Dr. Ed Uvacek, Extension livestock marketing specialist at Texas A&M. Despite the reluctance of

some livestock producers to modify their production and marketing practices, the industry is itself undergoing some dramatic and influential changes, he adds. These, in turn, will force the producer to adjust, he says. For example, since 1955 beef production has increased 55

percent even though total cow numbers rose only four percent. The U. S. beef herd is up 46 percent, but dairy cow numbers showed a decline of 41 percent. During the same period cattle slaughter increased 34 percent, but calf slaughter dropped 61 percent. Hog slaughter showed an increase of five percent and

lamb slaughter fell 34 percent during the same period. Per capita consumption of beef rose 39 percent, while veal consumption fell 69 percent and lamb consumption dropped 28 percent. Per capita consumption of pork fell off only one percent.

The development of retail chain stores, expansion of cattle feedlot operations, and specialization of packers are some of the changes credited with causing these results.

## Phone Contract In Negotiations After Recess

SAN ANGELO--The contract between Communication Workers of America and General Telephone Company of the Southwest expires at midnight Sunday, but will continue in effect under an "evergreen" clause while negotiations continue, according to a joint news release by the company and union.

Negotiations resumed last Monday following a two week recess for review and study of company and union proposals, and to allow company and union representatives to attend meetings to which they were previously committed.

Negotiations will resume again next week. Officials of the company and union explained the "evergreen" clause provides that the current contract will remain in effect until either the company or the union notifies the other of a desire to terminate the contract. No such notice has been issued by either, the release stated.

merchandising of finished beef has itself fostered many changes, Uvacek notes. Feedlots have created a year round demand for feeder calves and large order buying firms have developed to supply them. Many modern packers have specialized their plants into single species operations, and some have gone even further into just one class of a species. More animals are moving

direct, with livestock auction markets and terminals receiving a smaller share of the total, he says. The local markets may not always yield the highest price for the producer, but they are convenient and offer an extremely easy place to convert livestock into cash. Even though greater returns may be obtained by routing an-

imals through a different marketing channel, it may take a substantially greater effort by the producer. The producer must decide for himself what

he is willing to put into the marketing phase of his business and what changes he is willing to make, the marketing specialist says.

## Farm, Ranch Total Assets Increase To \$29.2 Billion

COLLEGE STATION--Farm and ranch assets in Texas totaled \$29.2 billion on January 1, 1971--showing an increase of four percent or \$1.1 billion from a year earlier.

Advances in real estate values made up 73 percent of 1970's gain in value of net assets, Charles K. Baker, Extension marketing economist explains. He adds that increases in value of real estate have been accounting for most of the gains in recent years.

Most of the remaining gain for 1970 was accounted for by higher values for livestock and poultry inventories and machinery and motor vehicles.

Farm prices, which advanced 10.3 percent between 1965 and 1970, were dampened by a rise in farm productivity. Improved technology and generally favorable weather resulted in a 22.5 percent increase in farm output per man hour. Baker says that in the 1965-1970 period net income gains were held to 11.8 percent by production costs that rose 26 percent.

Changes in the financial conditions of farmers are closely related to trends in the United States economy since non-farmers make up over 95 per-

cent of the population and are the primary consumers of farm products. Changes in the financial well being of the non-farmer segment of the population affect the economic situation of farmers and ranchers through changes in demand for farm products.

2. All bids must be made on the blank form of proposal furnished in the Specifications.

3. Each bid must be accompanied by a certified check or bidder's bond, payable to the Owner for five per cent of the total amount of the bid. As soon as the bid prices have been compared, the Owner will return the check or bond of all except the three lowest responsible bidders. When the contract is awarded, the checks or bonds of the two remaining unsuccessful bidders will be returned. The check or bond of the successful bidder will be retained until the contract and surety bond have been executed and approved, after which it will be returned.

4. A performance and payment bond in the amount of 100 percent of the contract price with a corporate surety approved by the Owner and Architect will be required for the faithful performance of the contract, and the bidder shall state in the proposal the name and address of the surety or sureties who will sign this bond in case the contract is awarded to him. A maintenance guarantee for the repair of all damage due to improper materials or workmanship for a period of one year after the acceptance of the work by the Owner will also be required.

5. The party to whom the contract is awarded will be required forthwith to execute the contract and a performance and payment bond within ten calendar days from the date when the written notice of the award of the contract is mailed to the bidder at the address given by him. In case of failure to do so, the Owner, may at his option consider that the bidder has abandoned the contract, in which case the certified check or bidder's bond accompanying the proposal shall become the property of the "Owner".

6. The Owner reserves the right to reject any and all bids or to accept any bid. Contractor's proposals shall hold firm for thirty days. Mutually agreed upon extensions of time may be made, if necessary.

7. Before the award of the contract, any bidder may be required to furnish evidence satisfactory to the Owner and Architect of the necessary facilities, ability, and pecuniary resources to fulfill the conditions of the said contract.

8. Should a bidder find discrepancies in or omissions from the plans, specifications, or other documents, or should he be in doubt as to their meaning, he should at once notify the Architect and obtain clarification prior to submitting any bid.

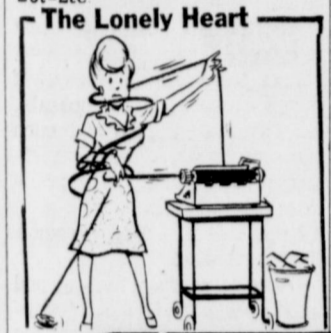

9. Contract to be let will consist of: a. Library Equipment and Furnishings

10. Proposals which are incomplete, unbalanced, conditional or obscure or which contain additions not called for, erasures, alterations or irregularities of any kind or which do not comply with the Notice to Bidders, may be rejected at the option of the Owner.
