Ozona B Squad Rubs Out Little Braves From Iraan 20 To 6

By Ernie Boyd

Coach Swede Pelt's B team punched over two touchdowns in the second half Saturday morning to whip the visiting Iraan B team 20 to 6 in a scrimmage played under game conditions.

The game was largely on offensive duel with both teams moving the ball well in mid-field only to run of gas when the ball got into scoring position.

The Lion Cubs tallied first in the second period after one drive had stalled on the Iraan four yard line. Jimmy Martinez dove into the end zone from the one on fourth down for the first score and halfback Robert Price ran over the extra point.

In the second half after the Cubs had taken the ball into Iraan territory the little Braves launched a scoring march that found quarterback Jimmy Dale going the last 23 yards on a quarterback sneak. The try for extra point was not good and the Cubs led by only one point.

After one goalward thrust was stalled by the Braves, the Cubs intercepted an Iraan pass on the Little Braves forty and moved in for the score. The scoring play was an 8 yard jump pass from Jimmy Martinez to Kiko Cervantez. The ball had been moved to the eight largely on the power running of Robert Martinez who was the day's biggest ground gainer.

One of the best plays of the day was a 35 yard scoring play which was rubbed out by an off-side penalty. Robert Price took a handoff from Stanly Williams and darted outside tackle and went the distance untouched.

The Cubs were not to be denied however as two plays later Robert Martinez raced down the sidelines for 30 yards and the score. Diminutive Jerry Cariman cracked over right guard for the extra point.

DEAR SANTA:

One little girl believes in being forehanded, and we don't believe Santa will let her down, what with getting her order in so early:

"Dear Santy" she writes. "Please bring me a refrigerator and stove and ironing board and iron. Marsha."

THE LIONS CAN CRUSH THE EAGLES, IF WE ALL BACK THEM IN JUNCTION FRIDAY NIGHT

The case of the missing housewife

There's a roast cooking to perfection in the electric range. Ice cream is being made — in the refrigerator. Coffee is percolating. The children's play clothes are being washed clean as new.

But there's no one in the kitchen!

One clue solves the case — *electricity*. It works automatically — Mother doesn't have to stay in her kitchen. Right now, she's attending a P.T.A. meeting. And when she gets home, the dinner will be ready, the laundry done.

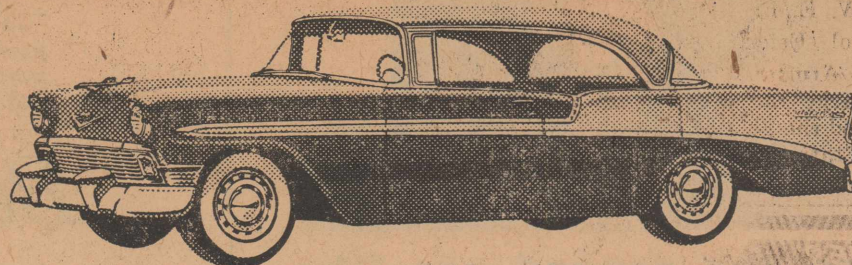

Another clue — electric servants work for low wages — costs only a few cents a day for the average family.

Isn't it by far the biggest bargain in your family budget? The men and women in your electric service company are constantly working to keep it that way.

COMIN' AND GOIN'

Mr. Leath has reported that the Junior play will be the week following the Thanksgiving holidays.

Orchids to the Lions !!! Yes, another victory for our roarin' team! Congratulations team!

We want to wish all those students who have birthdays this month a "Very Happy Birthday."

Extra Extra!! The paper staff will issue a monthly paper beginning the day we get out for the holidays. Hurry, get your paper and know the OHS "happenings."

The cheerleaders have reported that a "down town" pep rally will be held Thursday at 6:30 p. m. — Come early and help back those Lions. Let's make this the biggest and loudest pep rally ever! (By the way, townspeople, you're invited too — come and yell for the Lions.)

VICTORY DANCE HELD

To celebrate our 7th straight victory the cheerleaders gave a victory dance in the cafeteria Friday night. It was decorated in purple and gold crepe paper. Punch, sandwiches, and popcorn balls were served.

Everyone was quite happy over our victory and the way games in the district turned out.

THE SHADOW

Jesse Marley, you were followed by the Shadow on November the seventh. You came to school bright and early Monday morning in a very happy mood, maybe this was because you had an extra good week-end. Is that right? The Shadow knows!

First period you went to study hall. It seems there was a big frame-up against you in there. Mr. Harlan pinned a note to the back of Carol Friend's dress and it was blamed all on you. When you finally got this settled you went to your regular place at the back table and talked to Carol for the rest of the period.

For activity period you went to football club or "skull practice," as I heard you call it. In there plans were made and discussed for the next big football game!

Next you went to the Junior High building for vocational agriculture. You talked to Erbie and twice Mr. Barber had to call you down. It seemed you just couldn't keep from discussing a certain girl! The Shadow then heard you as you tried to explain it to Mr. Barber, you said, "but I don't have a girl and he does, and I'm just trying to give him some advice!" Jesse what would Minnie say to this?

After two periods of vocational agriculture you went to lunch, and afterwards came back to go to your fourth period class.

In this class, which is English, you came in with your cap on in a cute but most unmanly way. You tried to get Miss Moore's candy to eat because she wouldn't let you eat bread in class Friday. After she nearly beat you on the head three times you finally settled down and started working. Yes, the Shadow saw you!

Fifth period you went all the way up to third floor to American

History. You were chewing a big wad of bubble gum and you sat in a desk by yourself, where you played with a silver ring, (could you be considering giving this to Minnie? The Shadow wonders?) Near the end of the period you gave the class an interesting side-light on history, you exclaimed, "the last battle of the Civil War wasn't where Lee surrendered. It was fought in Texas and the South won!"

In sixth period you went to speech. You and Roy Glenn sat near the back and didn't say much.

The Shadow wondered why, and then I heard you say, "we're just going to sit back and think about our next big football games!" Then the bell rang and you hurried off to football practice!!!

The Shadow will follow someone else next week but who will it be! Only the Shadow knows!

THE HEADLINER!

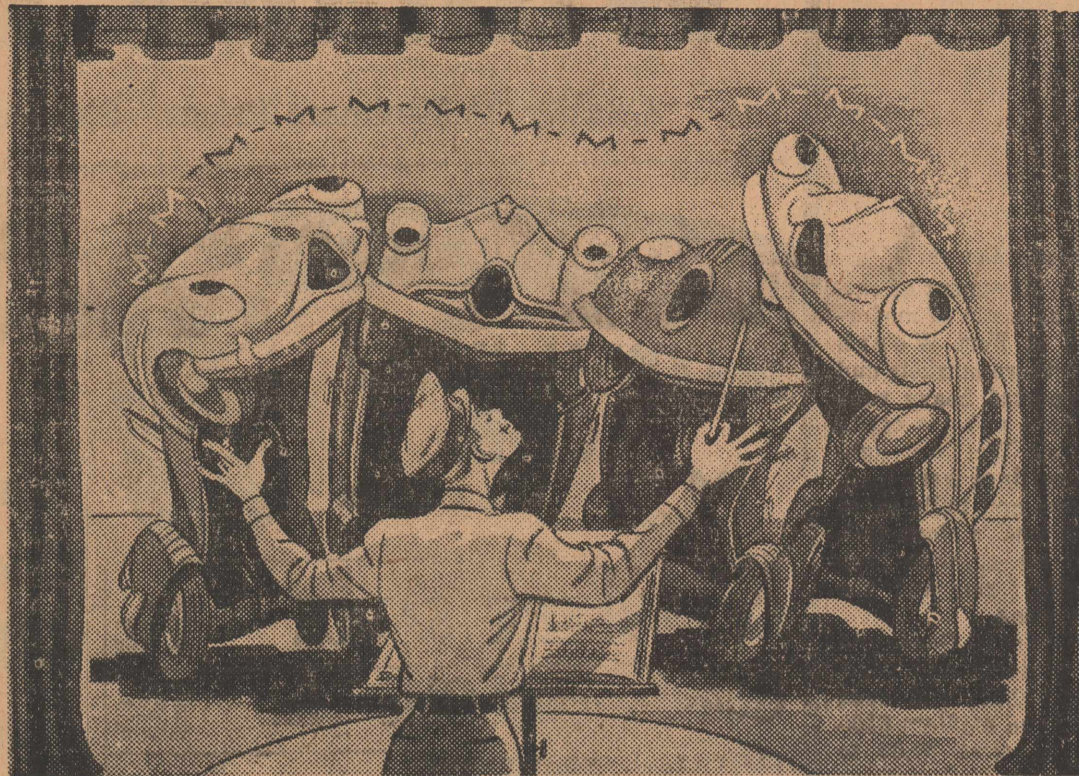

Hello Kids!

It seems old man winter has really set in for the year, and from the looks of how things started, we are in for a cold winter. I have been noticing in the halls that everyone seems to be dressing for the occasion.

Another win for our fine football team! Due to some other games played Friday night, we are now on top. The next two games will be the hardest. Let's all join in and help the cheerleaders show the boys we are behind them and expect both games to be victory games.

Everyone seems to talk only of the "A" string team. Whether you know it or not we have a "B" string that is doing great also. Not only do they scrimmage our "A" boys they have also played two games. One with Big Lake and the other with Iraan. Both games showed that we have some fine material in reserve for next year. Keep it up boys!

I have heard around the halls (Continued on Page Five)

calves on the ground are like MONEY IN THE BANK

It costs a lot of money to keep a cow. A lot of that money is lost if she fails to settle or drops small, weak calves that die or develop into "tail-enders."

BIG CROPS of husky calves are a must, if a fellow is going to make money ranching. This is especially true when the price of cattle is off.

Your range needs help. It takes more than grass alone to give your cows what they need to grow and drop the kind of calves that will bring top prices next fall.

PURINA RANGE CHECKERS have proved their worth in research tests and on thousands of ranches. This favorite range supplement has what it takes. Cattle love Checkers, do well on them. Cows stay up in good shape at calving time, have lots of milk for the calves, too.

More and more Southern cattlemen are planning their breeding program so that calves come in the late fall. These calves are ready to eat early grass—hit the early market, which is usually best.

Feed for big calf crops the Purina Way. Purina Range Checkers can help you keep your operation on the profit side of the ledger.

Sonora Colts Down Ozona Cubs 18 to 7

Roy Killingsworth

In a game played in Sonora last Thursday the Ozona Cubs came out on the short end of an 18 to 7 score, due almost entirely to the running ability of Perez, number 75, of Sonora.

As far as first downs were concerned the game was about even with Sonora making six to five for Ozona. The big difference was the fact that Perez scored three times, first on a forty yard run, second on a run good for 95 yards and then in the third quarter he carried the ball on three successive plays to score from 40 yards away.

Sonora took the ball on the kickoff and failed to gain due to defensive work of Bill Meinecke and B. B. Ingham. Ozona took over on their own 40 yard line and after two incomplete passes, Flannagan hit center for 20 yards only to run into his own man. The next play a pass by Flannagan was intercepted and Perez went around right end for 18 and then right end for 40 and a touchdown.

On the next kickoff Freeman took the ball and returned it all the way to the Sonora 10. Flannagan made 7 but the next three plays failed to gain and Sonora took over on the five and on the first play Perez broke over left tackle and went 95 yards to score the second time of the quarter.

Ozona received to open the second half only to have the ball go over to Sonora after four plays failed to pick up the necessary yardage. It took Perez just four plays to make the fifty yards needed to score, making the score 18 to 0.

To open the fourth quarter Ozona had the ball on the fifty and line plunges with a mixture of passes carried over for the TD, Flannagan going over, with the extra point a Meinecke to Jones pass.

Beyond the Realm of Argument!

This is the season when conversations turn easily and often to motor cars.

And, in almost any gathering, you're likely to find a wide difference of opinion about the relative merits of the year's automotive offerings.

Until the talk turns to Cadillac!

Here is one car concerning which most motorists have a meeting of minds. And never before has Cadillac left so little room for argument as in 1956!

Certainly no one could behold the new Cadillac without recognizing it as the "car of cars". Its beautiful, graceful, flowing lines . . . its regal bearing on the highway . . . and its long, low silhouette are simply too significant to misunderstand.

Surely no one could ride in a new Cadillac and not agree that it is the Standard of the World. Its new fabrics and leathers are rich and luxurious

almost beyond belief . . . and its interior appointments have been crafted with a jeweler's skill.

And we doubt if anyone could drive a new Cadillac and not understand that it is the finest-performing motor car of all time. Its great new engine is a revelation in power and performance . . . and its new Hydra-Matic Drive is incredibly smooth and responsive.

Truly, the evidence on the side of Cadillac has never been more apparent than it is today.

Why not come in soon—and see for yourself?

We'll be delighted to introduce you to Cadillac's great new styling . . . and to arrange a demonstration at the wheel . . . and to acquaint you with the new Sedan de Ville and Eldorado Seville.

You'll agree, we're certain, that Cadillac for 1956 is beyond the realm of argument!

Lions Rack Up —

(Continued from page one)

Grandfalls received the kickoff but could make no headway. Quarterback Dean Taggart kicked out of bounds on the Lion 30 yard line. The Lions wasted little time on the second drive as they put together short gains with two ten and one twenty-five yard run by Clayton for the score. This time Sutton's try for the extra point was wide.

The Lions turned out the lights for the Cowboys in the third quarter as they rushed across three touchdowns while pulverizing the offensive efforts of the invaders.

The first tally of the third quarter came on an 80 yard drive the last 54 of which were made by Mike Clayton who tallied his third counter of the night. Clayton converted after the touchdown and the score rose to 20 to 0.

Following the Lions kickoff the Grandfalls team tried a run on fourth down needing one yard but Luis Vela broke through and spilled fullback Ronald Phipps for a two yard loss and the Lions took over on the Cowboy 39.

Halfback Orville Paulk paced the goalward drive as he reeled off runs of 8 and 18 yards. Bobby Sutton drove into the end zone from the 3 yard line and Clayton again chalked up the extra point, this time running with a fumbled snap.

The next touchdown came before the fans quit yelling about the last one as Kent Babb covered the fumbled kickoff and put the Lions in business on the Cowboy 24 yard line. Three plays later Babb rammed into the end zone from the 2 and Clayton split the uprights for the extra point. The score was now 34 to 0.

Early in the fourth period the Cowboys finally got something to be encouraged about. Taggart passed to halfback Bill Tucker for 55 yards before Bobby Sutton overtook Tucker on the Lion 13 yard line. That was all for the Cowboys, however, as four plays later the Lions took over on the 16.

The Lions moved eight yards before Taggart intercepted a pass from Bobby Martinez, on the 17 yard line. The Lions promptly returned the favor, however, as Juan Delgado picked off Taggart's pass and returned it forty yards to the

Grandfalls thirty-three.

Martinez hit Johnny Ramirez for a 23 yard gainer to the 10 and from there Martinez carried over on a quarterback sneak.

The final score of the day was largely a Lloyd West endeavor. Quarterback Bobby Martinez hit West with a beautiful strike and the fleet Lion end eluded two defenders and raced into the end zone for what appeared to be a 59 yard scoring thrust but the Lions were offside and drew their only penalty of the night to rub out the play.

The penalty, however, merely delayed the Lion score. Martinez hit West for passes of 5 and 32 yards and then Jake Young made a falling catch for nine more. West moved into the fullback slot and rammed over the score in three plays.

The Lions rolled for 333 yards on the ground and 93 more in the air as they gained a total 426 yards for the night's effort while limiting Grandfalls to 22 on the ground and 71 in the air for a total of 93 yards.

Mike Clayton was the night's big ground gainer with a total of 226 yards on 17 efforts for an average of 13.3 per carry. Sutton had 25 yards on 8 carries, Paulk had 22 yards on four efforts, Bobby Martinez picked 22 yards on five tries, Babb had 8 on two, Bunger had 6 on two and West had 17 on three.

For Grandfalls, Roy Smith picked up 19 yards on eight trips to become the only Grandfalls ball carrier who carried the ball more than once and come out on the plus side.

Grandfalls threw nine passes, completed five and had two intercepted while Ozona went aloft 13 times, completed 7 and had one fall into opposition hands.

In the matter of first downs the Lions ran up their biggest total of the year with 22, Grandfalls managed 4.

CARD OF THANKS

My sincerest thanks to Fire Chief Joe Tom Davidson and all members of the Ozona Volunteer Fire Department and volunteer helpers for the splendid job they did in snuffing out the fire at my home. Also, a hearty thank you to all the friends and neighbors who helped out in the crisis.
Mrs. A. F. Nelson

Lion Title Hopes —

avored Sonora to a very close 24 to 13 loss.

Junction has a big, well coached team this season and will be at least on even terms with the Lions. The loss to Sonora resulted in some unfortunate kicks to George Johnson who scored all of the Sonora points.

The Lions, barring injury in practice this week, will be at full

strength but the Ozona offense has left a lot to be desired in the past few outings and will have to show improvement if it is to score on the big, tough Junction line.

The Lions have not been able to beat Junction in a number of years and in the past two seasons have scarcely warmed the Junction boys up.

In 1951 the Lions came up to the Junction game, played here in Ozona, with a clear shot at the title but were unable to down the

Eagles and lost a heart breaker 13 to 12 in the final seconds of the contest.

Coach Dorbandt Barton, in his first year as mentor at Junction, will be trying to upset the Lions and at the same time finish out the 1955 season on a victory note.

The Lions will spot the Eagles a big weight advantage as well as the long trip. Coaches Pete Hickman and Sonny Cleere will pit team speed and determination against the Eagles in an effort to

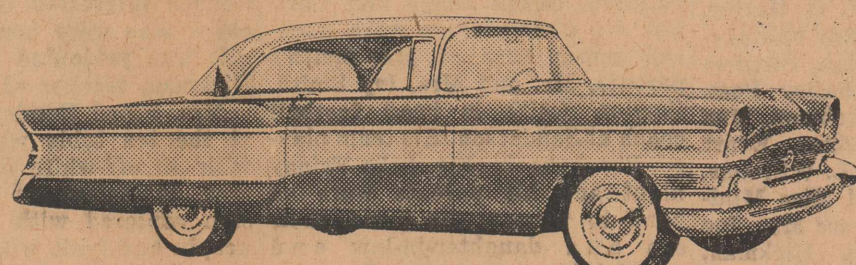

remain in the title chase. The Lions must win to retain a chance at an undisputed claim on the title.
