## Ozona Cubs Win District Trophy In Track & Field

### Minus Two Top Performers, Cubs Come Thru In Sonora Meet

By Roy Killingsworth

A tired but happy group of junior high Cubs returned from Sonora late Saturday night the proud owners of the championship trophy for track and field in this district.

The day had a very sad beginning when it was discovered that two of the Cubs were missing. Investigation proved that these two were confined to bed with severe colds. We hated to leave Jimmy Doran as we had counted upon him to win at least ten points in the short dashes, as well as place in the broad jump. Too, Rudy Martinez was counted upon to win first place in the pull-up as well as one leg on the 440 relay.

The loss of two front line boys failed, however, to daunt the spirit of the boys. They each determined to make up for the loss of these almost assured points. As it was each boy did just a little bit better than he had done before and came in to win the meet.

Tony Parker, we know would place in each of the three dashes, but imagine our surprise when he easily won a first in the 50, 75, and 100 yard dashes for a valuable 15 points toward our team total.

Another surprise was the work of Jimmy Freeman who had been sidelined for two or three weeks with a knee injury sustained in high jump practice. Jimmy won the shot put for five, barely missed placing in the 100 yard dash and then came on to run a beautiful third leg on the 440 relay that finished third to cinch the final victory.

George Ybarra, after having missed three days of school because of a siege of flu, came back to place fourth in the broad jump, fifth in the shot and run one leg of the relay.

To Carl Montgomery much credit is due as he was entered in the high jump after Doran failed to show. Carl came through for a third place finish and another vital two points to help take up the loss.

When Rudy Martinez failed to make the trip, two very determined little boys went to work in the pull-up and came through with three points to keep Ozona in the race. The littlest boys of the meet, who had to be helped up on the

## Dies Favored In Senate Race By Crockett Voters

### Winner Yarborough In Statewide Ballot Is Second Here

Congressman Martin Dies was the choice of Crockett County voters in Tuesday's sudden-death election to choose a United States Senator to fill the unexpired term of Price Daniel, who resigned the Senate seat to become governor of Texas.

Dies received 122 out of the 322 votes cast in this county. Perennial candidate, the party-line Democrat Ralph Yarborough of Austin, who was successful this time in winning office in Texas after many tries, was the second place choice of voters here, polling 95. Republican candidate Thad Hutcheson of Houston ran in third place with 87 votes. Agriculture Commissioner John White received 8 votes State Senator Searcy Bracewell of Houston 6 and former Texas Supreme Court Justice James P. Hart got 3.

These six candidates, considered the only ones out of the field of 20 with a chance at election, were the only ones to receive votes in Crockett county boxes.

## Ozona Red Cross Over The Top On Quota For 1957 Fund Campaign

Ozona Red Cross chapter has gone over the top on its 1957 quota of \$1,501 for the annual Red Cross fund drive, Chairman Pleas Childress reported this week. A final tabulation of \$1,591.71 in donations to the fund drive was announced by Mrs. W. H. Chandler, chapter treasurer.

A letter of congratulation and thanks to the chapter leaders was received this week from Elmer S. Wood, director, Field Service, of the Midwest Area Red Cross office in St. Louis.

"Your chapter's success in reaching its 1957 campaign goal is an achievement worthy of pride," the letter to Chairman Childress reads. "As chairman of the campaign, you, with your campaign workers, have helped assure the funds necessary to continue Red Cross services at home, elsewhere in this country, and overseas. My heartfelt congratulations."

## 4-H Achievement Awards Presented At Annual Banquet

### Geo. Bunger Jacquelyn Williams Win Outstanding Awards

Jacquelyn Williams, daughter of Mr. and Mrs. Troy Williams, senior in high school and a 4-H club member, was awarded the Mother Davidson Memorial Award as the most outstanding 4-H club member for the year at the Third Annual Crockett County 4-H Club Achievement and Awards Program, held at the High School Cafeteria Monday night.

Miss Williams made an outstanding record in 4-H club work the past year, carrying on feeding projects of fat lambs, fat calves, and breeding heifers. She was the high individual judge in 4-H range judging at both District and State Contests, was a member of four different 4-H judging teams, two of these winning State Championships.

George Bunger, last year's winner of the Mother Davidson Trophy, was awarded the A&M College Gold Star Award as the outstanding 4-H club boy. George also was on four judging teams, two of which won State Championships.

Mrs. H. C. Noelke, Jr., and Bill Childress were awarded plaques by 4-H club members as outstanding adult leaders. Charlie Davidson, Jr., was awarded the plaque as outstanding 4-H club booster.

Several local people were presented certificates by the Extension Service for ten years service as adult leaders, supporters and boosters of 4-H club work in the county. Receiving these awards were Mr. and Mrs. Charlie Davidson, Jr., Mr. and Mrs. Max Schneemann, Mr. and Mrs. W. P. Conklin, Mr. and Mrs. Early Chandler, Mr. and Mrs. Frankie Jones, Mr. and Mrs. Ashby McMullan, and Rusty Smith. Mr. Smith was also presented with a lifetime honorary membership card as a member of the Crockett County 4-H Club for his appreciation and support of 4-H club members in this county.

Erby Chandler, president of the 4-H Club, made the welcome address and later presented the 4-H Sweetheart, Miss Alma Ingham, with a bracelet from members of the club.

Extension Service County Awards presented were Leadership Award to Erby Chandler, Erby also received the Danforth Foundation Award for Outstanding Leadership Ability.

Achievement awards went to Pam Jones, Pierce Miller, Penn Baggett, and Mark Baggett.

Soil Conservation awards went to Johnny Jones, Jacquelyn Williams, Pleas Childress, and Frank Childress.

Meat animal awards went to Bob Childress and Bill Jacoby. Nathan Donsky of Nathan's Jewelers of San Angelo presented

## Lions Club Cast Set For Variety Show Mon. Night

### Local Talent Production To Benefit Little League Here

Rehearsals are going at full tilt in Ozona this weekend as the Ozona Lions Club prepares to give its first of what is planned to be an annual variety show, Monday night in the high school auditorium.

The show, which is being given in order to raise funds to carry on the Little League Baseball program, will feature a running program of comedy and music which Director Corbit Smith feels will provide an evening of light entertainment for the audience.

The high school orchestra, several vocalists, a quartet and some not so talented singing from club members in the cast will provide the musical entertainment, while the club, with the able aid of a few impromptu members, will provide scenes from the school room to less desirable locations during the course of the program.

Advance ticket sales, which are being carried out by the Little Leaguers themselves, have been good so far but Lion President J. A. Peltó urges all citizens interested in the baseball program to purchase tickets regardless of their intentions of seeing the show.

The Little League program which has been under the direction of the Ozona Lions Club, with the assistance of the County, has been highly successful with last year's area tournament having been unreeled here.

Coach Fred Hickman, who ran the program last year, will once again head the program this summer with four team league getting under way next month.

## Remarkable Films Of Dallas Tornado Shown On Television Screens

Ozona viewers of television Wednesday morning saw one of the most remarkable television camera recordings of a destructive tornado in action ever filmed.

The films were made of the terrific twister which swept a path through west Dallas late Tuesday afternoon, killing ten persons and injuring hundreds, and resulting in over two million dollars in property damage. The film record of the tornado's approach and during the time it was splintering houses and smashing human bodies was made by a Dallas television station cameraman and shown on the Dave Garraway "Today" show on NBC starting at 7 a. m. The cameraman, who chased the tornado in his car shooting pictures, said that at one time he was within 300 yards of the twister.

## Randle Schedules Half Field Stepout

J. B. Randle of San Angelo will drill a location west stepout to the Half field of Crockett County, six miles northeast of Sheffield. It will be the No. 1 H. L. Bair.

Cable tool drilling to 2,300 feet will begin when permit is granted. Elevation is 2,245 feet.

Location, on a 121.55-acre lease, is 330 feet from the north and 1,634.1 feet from the east lines of 50-1-1&GN.

## Scholastic Census Shows Gain of 52

Crockett county's scholastic census, recently completed, shows an increase of 52 over the count of last year, according to the report of Mrs. W. H. Chandler, assistant to the county superintendent, who supervised the census.

This year's count was 1,077 against last year's total of 1,025. The number of school age colored children remained the same as last year, 30, Mrs. Chandler said.

The scholastic census is the basis on which the state per capita apportionment is received by the schools.

## Instrument To Detect Approaching Planes To Be Mounted By GOC

A new super-sensitive sound-detector device, being set up in certain localities by the U. S. Air Defense Command as an aid to the Ground Observer Corps of civilian sky watchers, will soon be installed in Ozona to aid local GOC volunteers in keeping a check on aircraft flying over this area in the nationwide plan of watchfulness against possible enemy sneak attack.

The device consists of a super-sensitive microphone which is enclosed in a plastic covered cage, an amplifier set and speaker box and alarm bell. The plastic enclosed microphone, which is capable of picking up the sound of an airplane five miles away, will be mounted on the highest possible spot in the city, atop the courthouse cupola is planned here. By mounting the instrument at such height and by its solid bottom construction, all ground noises will be eliminated, and the microphone will pick up only noises from above and horizontally.

Noises thus picked up by the microphone are amplified through the speaker and alarm bell and an observer inside can be warned of the approach of aircraft.

The plane detector gadget has already been delivered to T. J. Bailey, local GOC post supervisor, but final plans for mounting it have not yet been worked out.

## Incumbent Unopposed For School Trustees In Election Saturday

Three incumbent members of the board of school trustees whose terms expire this year will be unopposed on the ballot in the annual trustee election to be held in Crockett county next Saturday.

Board members Bill Carson, Quebe Alford and Glen Sutton, the latter appointed to fill the unexpired term of Dick Henderson, are candidates for re-election and their names appear on the official ballot without opposition.

The four hold-over members of the board, whose terms expire next year, are Dempster Jones, chairman, Byron Stuart, Earl DeLand and Hartley Johnigan.

Voters will also name two members of the county school board, each up for re-election. Candidates for this board are Wayne W. West, trustee at large, and Hillery Phillips, precinct 1 trustee.

## P. T. A. Nets \$80 On Money-Raising Events

Three money raising events, a bazaar, sweet sale and supper, netted a total of \$80.85 for the South Elementary P. T. A. recently, according to reports by chairman of these events made at the meeting Monday night.

The bazaar made \$16.50, Mrs. Ponfirio Barboza, chairman, report. Mrs. Socorro Varela, chairman for the sweet sale, reported net sales of \$6.55 and the supper chairman, Mrs. Ruben Tambunga, reported a net of \$57.80.

Officers were elected for the coming year. Four delegates were elected to the district P. T. A. meeting in Menard April 3. They were Mrs. Gene Ramirez, Mrs. Sam Martinez, Mrs. Ruben Tambunga and Principal Earnest M. Boyd.

Mrs. Sam Martinez, president, expressed the organization's appreciation for the cooperation of everyone in making the various money-raising events successful.

## Miss Eudora Hawkins To Be Forum Speaker

Miss Eudora Hawkins of Abilene will review the book, "The Wonderful Country" by Tom Lea, to feature the Texas Day program of the Ozona Woman's Forum, meeting next Tuesday, April 9, at 3 p. m. at the Ozona country club.

Hostesses for the day will be Mrs. Nip Blackstone and Mrs. W. H. Whitaker.

SALES CLERK wanted. Apply in person. C. G. Morrison Co. 1c

## Cancer Drive To Be Kicked Off Tuesday at 5:30 Workers Meeting

A house-to-house canvass of Ozona homes is planned by a corps of workers recruited by Mrs. Charley Black, drive chairman, on behalf of the American Cancer Society's 1957 Cancer Crusade drive starting at 5:30 next Tuesday afternoon, the day designated by Governor Price Daniel as Cancer Day in Texas.

Mrs. Black has called for volunteer workers to gather at her home at 5:30 Tuesday afternoon to receive final briefing and materials to aid in the two-hour drive which is expected to raise the quota for Crockett county, which is \$625.

Local clubs and organizations have asked their members to assist in the drive and Mrs. Black asks that if there are any persons not so contacted and who might wish to aid in the drive they are cordially invited to attend the kick-off meeting at her home.

## Picture Of Dr. Tandy Hung In Hospital He Was First To Operate

A handsome framed picture of Dr. H. B. Tandy, first to operate the Crockett County Hospital when it was first outfitted on the top floor of the present county office building and the doctor with the longest record of service in years to this community, was hung last week in a hallway of the new Crockett Hospital.

The picture was made by M. K. Vaughn, well-known traveling photographer, and was purchased by a group of friends of Dr. Tandy by voluntary contributions to a fund.

The presentation was made to Dr. Tandy and the picture hung at an informal gathering at the hospital attended by members of the hospital staff, the hospital board and a number of friends.

## 50-Year-Old Mission School Is Subject Of Baptist WMU Study

Members of the Baptist Woman's Missionary Union met Wednesday in the fellowship hall of the church for the monthly business meeting and Royal Service program. The program was devoted to the 50-year history of the Carver School of Missions at Louisville, Ky.

Members having parts on the program were dressed in fashions from 1907 to today and entered through a doorway in the form of an open book depicting the past. There were thirty members and guests present.

Next week the WMU will meet in Circles in the homes of members, the Betty Tennyson Circle in the home of Mrs. Jack Matthews and the Avis McCullough Circle in the home of Mrs. Troy Dale.

## GIRL SCOUT MEETING

All Girl Scouts of the Fronter Council will meet in Ozona next Saturday, April 6, at the Community Center for a play-day program.

Registration will begin at 9 a. m. and a full schedule will be maintained until Retreat at 3 p. m. All local Girl Scouts will act as hostesses. Miss Sandra Augustine is chairman.

## JEANNENE THOMPSON TO EUROPEAN SCHOOL

Miss Jeannene Thompson, daughter of Mr. and Mrs. Roy Thompson of Ozona, has been awarded a scholarship to the Parsons School of Design European summer school in recognition of her outstanding work in the fashion design department of the New York school, according to a note from the school's publicity department. The European session, a period of 16 weeks in England, France and Italy, emphasizes historical research essential for creative work in the contemporary manner, the announcement said.

ALL SCOUTS — 1957 Play Day at the Community Center, Saturday April 6, 9 a. m. to 3 p. m. Everybody welcome.

## Three Probations, One Prison Term In Court Actions

### Oil Field Thefts Draw Probated Terms; Porras Up For Forgery

Three defendants, indicted by the grand jury Monday after being convened for the April term of district court, drew adult probation terms on pleas of guilty before Judge James C. Langdon Tuesday, and a fourth defendant, also indicted by the April term grand jury, was sentenced to five years in prison on his plea of guilty to a charge of forgery.

Jack Bundick drew a five-year adult probation sentence on a plea of guilty to charges of theft. Raymond Russell and Lowell Estep, indicted jointly on theft charges, each pleaded guilty, Russell drawing a five year probation term and Estep three years, also on probation. All three were charged with theft of oil field equipment from Crockett county fields.

Sostenes H. Porras was sentenced to serve five years in the state penitentiary when he pleaded guilty to a charge of forgery. Porras was charged with forging the name of "Fred Dayton" to a \$23.00 check. He was already under a three-year probation term from Cochran county and this sentence will become operative in addition to the sentence imposed here.

## Lions Surprise District With 3rd Place In Track

### Junction Edges Sonora For Title In District Meet

By Ernie Boyd

The 1957 Ozona Lion track squad turned in a major upset last Saturday by copping third place in the district meet held in Sonora.

In rolling up 24½ points in the meet, the Lions came pretty close to matching their output for the entire season and in capturing third place they far exceeded even the fondest hopes of their supporters.

Bobby Vargas led the Ozona team with seven points but a total of seven boys qualified for the regional meet to be held in Odessa this week. Others who qualified were, David Sikes in the pole vault, Jake Young in the discuss, Jerry Jacobs in the 120 high hurdles, Cico Cervantez in the discuss, George Bunger in the 220 low hurdles and Kent Babb in the 120 high hurdles and 220 low hurdles.

Ozona's junior high completed a clean sweep this year by winning the junior section of the meet to capture the title in all three sports this season. Tony Parker, running without his able team mate, Jimmy Doran, who had the flu, captured first place in the 50, 75 and 100 yard dashes to lead the Ozona juniors to victory.

In the senior meet, Junction edged Sonora for the title in the last event of the night when the Sonora team disqualified itself in the mile relay by dropping the baton. Sonora had only to finish as high as third in order to capture the meet but failed to finish.

The Lions scored heavily in the field events where they were about the only point winners who were not seniors.

The Lions rolled up 10 points in the hurdles where Jerry Jacobs, a surprise entry, captured second in the 120 highs, while Kent Babb took third place. In the 220 lows, Bunger and Babb captured second and third places to give the Lions a total equal to first place in each event.

Coaches Womack and Cleere will leave Friday for Odessa where the seven qualifying Lions will seek to earn a place in the state meet.

THURSDAY, APRIL 4, 1957

**TRIBUTE TO A FINE COUNTY AGENT**

Several dozen young 4-H Club members, boys and girls, marked the end of another year of participation in the worthwhile 4-H Club program Monday night at the annual Achievement Awards banquet, where the youngsters receive recognition in the form of trophies, pins, plaques and certificates denoting the degree of their achievement during the past year.

Also, a few selected adult leaders and boosters of 4-H Club work are picked out for recognition and awarded plaques and certificates in appreciation of their work with the youth organization.

The Crockett County 4-H Club this year looked back on a remarkably successful year, a year in which the pinnacle of achievement was reached on four different occasions, four state championships for Crockett county 4-H judging teams. Besides these state championships, in grass judging, range judging, and two wool and mohair judging, junior and senior divisions, the group of earnest boys and girls piled up an enviable record in local, district and regional competition in judging and in the showing of livestock which they had fed and handled through the preparatory period, at major shows over the state.

Behind all this success, and not just the past year, which was an outstanding one, but through the past several years, has been a modest, unassuming fellow whose leadership among youth has contributed an incalculable sum to the future of Crockett county, and whose service to the ranching industry of this county and to the community of Ozona as well, has been of inestimable value.

The achievement awards passed

out to the 4-H boys and girls were well deserved, because every one who received such recognition received it because of several months of dedicated work to the task in hand. The adult leaders and boosters who received their recognition also deserved it because theirs also was dedicated service, to a youth development program which is bound to result in better leadership and better citizens of the future for Crockett county.

But the fellow we thought should have received the biggest gold-plated award of all didn't receive a thing. County Agent Pete Jacoby is the kind of fellow who will wax enthusiastic about the accomplishments of his 4-H Club boys and girls and brush you off if you suggest maybe he had a lot to do with the success of the youngsters, in his leadership and training methods. It's not only what actual knowledge he imparts to the youngsters, but mostly the type of youth leadership he demonstrates which inspires confidence and affection among his charges and creates in them the urge to do their very utmost at every task to win his approbation. And that's the best kind of teacher or coach in any field you can hope to find.

Besides his work with the youth, Pete Jacoby has spent many hours in the service of ranchmen of this county, advising them on questions of management, of conservation, of herd improvement and dozens of other problems, even at times rolling up his sleeves and acting as emergency veterinarian. Through his efforts, a continuing campaign is being waged in Ozona and Crockett county against the threat of rabies to humans and domestic animals and pets from the area-wide epidemic among wild animals. He's an all-around good citizen and doing a wonderful job at his assignment.

County agents all over Texas are doing a fine job for agriculture. But we believe we've got the best. Pete Jacoby didn't get a single award at the awards banquet the other night, and that's just the way he wanted it, because he arranged the program and he arranged for the leadership awards be bestowed on the deserving group of adults whose help was vital toward the year's successes. But with this our poor hand we hope to gain him the public approbation he so richly deserves.

**BECK IS ONLY A SYMPTOM**

Teamster President Dave Beck hung up an all-time record in his two-day appearance before the Senate's Select Committee on Improper Practices in the Labor or Management Field, with a score of 117 invocations of the Fifth Amendment to avoid answering as many questions on his alleged use of some \$320,000 of union money for his own purposes.

Whether or not his conduct constituted technical contempt of the Senate remained to be seen as the Committee recessed for two weeks with Mr. Beck remaining under subpoena. But Senator John L. McClellan, Arkansas Democrat and chairman of the Select Committee made his own position clear. "This witness, in my opinion, has shown utter contempt for this committee, for the Congress of the United States and his Government," he said.

"He has shown flagrant disregard and disrespect for honest and reputable unionism and for the best interests and welfare of the laboring people of this country.

"And above all, he has shown arrogant contempt for the million and a half members in the Teamsters' Union."

In an earlier reference to testimony that Beck had paid for about \$85,000 worth of personal purchases — with Teamster checks — Senator McClellan declared, "As far as this record is concerned, he was taking money from the union. I don't know any way to describe it less than theft."

Minutes after adjournment, the bouncy Beck told an inquirer he felt "Wonderful". And next morning in Chicago on his way home to Seattle — where he had been hung in effigy the night before —

he told reporters his Teamsters' Union would set up a million dollar press bureau in Washington. It would present, he said, "the true story" — which was what the senators had been pleading with him to do for two days, and for free!

But, whether or not the Teamsters and the AFL-CIO decide they have had enough of Dave Beck, James Hoffa, et al., whether they go to jail or remain at large, the purpose of the investigation must not be lost sight of. It is to determine what must be done to protect theoretically free American citizens and the nation's economy against a cynical labor hierarchy that threatens something new and unlovely in dictatorships.

Beck and his ilk are only symptoms. It is the disease that must be conquered if the patient is to live.

*Cadillac*

**Old Friends in a New Light!**

Let's assume you've known them for some time.

And now—in the moment of a glance—you first behold them in the company of a Cadillac car.

There's just no question about it... something wonderful happens!

For the presence of a Cadillac car underscores—and most dramatically so—many of the things that enable you to think well of them.

It goes almost without saying that their Cadillac lends form and substance to whatever measure of achievement life may have brought them.

Certainly, it reveals their interest in the safety and well-being of their fellow passengers.

And, most assuredly, it evidences the wisdom with which they select their personal possessions.

Incidentally, you may have noticed, of late,

that the Cadillac car has cast its revealing light on an ever-growing number of your own friends.

There is every reason why this should be so.

Its original cost is remarkably modest—and several models are, in fact, priced competitively with those of lesser makes.

Its operating economy is extraordinary—with a record of dependability and longevity that is without equal in the industry.

And its resale value stands at the very summit in used-car markets all across the land.

Certainly, this triumvirate of Cadillac economies deserves your personal investigation—and your dealer will be delighted to tell you the whole wonderful story at any time.

Stop in soon—for a ride and a revelation!

March 21, 1957

Sealed Bids, in one copy will be received in Court House, District Court Room, Ozona, Crockett County, Texas, until 2 p. m., CST, April 15, 1957 and be publicly opened and read, for the construction of Floodwater Retarding Structures, consisting of Earthfill Embankment and appurtenances on Johnson Draw Watershed, Site No. 1, located approximately 10 miles North of Ozona, Crockett County, Texas.

The major items of work consist of the following, all quantities being approximate:

1. Timber Clearing, 40 acres
2. a Excavation cut off Trench (Common Dry) 10,900 Cu. Yds.  
b Excavation Emergency Spillway (Common) 21,470 Cu. Yds.  
c Excavation, Emergency Spillway (rock) 7,100 Cu. Yds.  
d Excavation, Stream Channel (Common) 250 Cu. Yds.  
e Excavation Drainage Channel (Common) 85 Cu. Yds.
3. Embankment, Placing & Rolling (Standard Compaction) 242,000 Cu. Yds.
4. a Concrete, Class A 15.60 Cu. Yds.  
b Concrete, Class B 40.44 Cu. Yds.  
c Reinforcing Steel 1,105 Lbs.
5. Furnish & Install Reinforced Concrete Pipe, 28 in. I. D. 204 Lin. Ft.
6. Furnish & Install Galv. Bituminous. Coated Corrugated Metal Pipe, 30 in. I. D., 10 gauge 20 Lin. Ft.
7. Furnish & Install 8 in. Sluice valve and cut off Mechanism 1 Each.
8. Furnish & Install Anti-Vortex Baffle 1 Each
9. Furnish & Install new wire fence, including 2 gates 7,900 Lin. Ft.

Inspection of the site may be made by contacting S. C. S. office, Ph. 112 Ozona, Texas. Complete assessment of the Invitation to Bids, Instructions to Bidders, Proposal, Contract, Detailed Specifications and Plans may be obtained by interested bidders by applying to Leta Powell, County Clerk, at Crockett County Courthouse in Ozona, Texas.

All work shall be completed within 242 calendar days from date of receipt of notice to proceed.

All bids must be accompanied by bid bond, certified check, cashiers check, money order or Surety Bond in an amount not less than ten percent (10%) of the amount bid. Checks or money order (s) if submitted shall be made payable to Crockett County. The successful bidder will be required to furnish performance and payment bonds in the amounts of 100% and 50% respectively of the contract; also, he will be required to execute a formal contract.

The authority and responsibility for issuance of the Invitation, opening of bids, determination of the successful bidder, award and administration of the contract is vested in Houston S. Smith, County Judge, who is the contracting officer, having been duly authorized to perform such functions.

All questions or matters pertaining to the Invitation, award and administration of the Contract shall be referred to Houston S. Smith, County Judge or Ralph White, whose address is Crockett County Court House, Ozona Texas.

Contracting Officer reserves the right to reject any or all bids.

**Two Plans To Grant** some form of standard deduction allowing tax relief of Small Business are being talked on Capitol Hill. One group is at work on a plan, not yet complete, to allow a percentage deduction for professional and little businessmen, with a ceiling on gross income. Another group is supporting a different plan proposing that any business employing less than 10 persons, whether an individual proprietorship, partnership or corporation, may elect to take a standard deduction instead of itemizing trade or business expense. Businessmen would keep a record of total receipts only, and taxable income would be arrived at by subtracting standard deduction from such receipts. Both plans, however, are merely in the talking stage at this time.

**The Texas Cities of Fort Worth and Dallas** usually agree on little and "fuss" over the use of airports, location of Federal agencies and the same time of day, just to name a few. However, they have found a common cause and are united to oppose a Commerce Department recommendation relating to proposed new highways in that area. Commerce wants to make the main highway between the two cities of the toll-road variety, and use a less desirable route for the tax-supported public highway. Fort Worth and Dallas have put aside their other differences to join in opposition to this plan.

**Long - Standing Feud** between Army and Air Force over guided missiles control program still continues, despite Secretary of Defense Wilson's recent memorandum outlining responsibility of each. Keeping this in mind, two appointive-posts in the Defense setup take on particular significance. General Nathan Twining of the Air Force steps up as Chairman of the Joint Chiefs of Staff, and Defense Secretary Wilson, said to be leaving the Cabinet in June, is reportedly to be replaced by Air Force Secretary Donald A. Quarles. If this occurs, both Twining and Quarles will be pledged to cast aside personal interests in the Air Force. No law has been found to change human nature, though, so the Air Force seems to be in a good position to promote its program over the Army and Navy, if the appointments are

made as rumored.

**During Early World War II**, the Federal Government leased a tract of land from the State of Louisiana and constructed Military housing on it. Since then, the lease has been renewed at \$1 per year every five years. The State, however, owns a mental hospital on a nearby tract, and wants to obtain the Military housing site. If this fails, the State insists the Federal Government buy the property the mental hospital is on so Louisiana may turn elsewhere to expand these facilities. Three years ago, Congressman George Long (D-La) pushed the State's request in this regard through Congress, but the Governor of Louisiana vetoed the bill. Long recently came before a House Committee, of which I am a member, again trying to get his bill through. One "old hand" on the Committee remarked: "If we pass this bill as we did before, will the Governor of Louisiana again veto it?" Replied Congressman Long: "I don't think so, as I gave him a pretty good cussing about the other veto." "You mean," another member inquired, "You cussed the Governor of Louisiana?" Long grinned. "I've cussed him all my life," he said. "He's my brother."

### EDITORIAL!

By Genelle Childress

As the old sun gets hotter and hotter and signs of winter are beginning to disappear everyone begins to think of the coming summer. Teachers with added bursts of energy are trying to cram every little tidbit of information into their students' minds. But, the students' minds (every once in a while) tend to wander to the end of the next six weeks when school will be over for the 1956-57 term.

There are 174 students in Ozona High School. Each possesses approximately 24 hours per day to spend as he sees fit. The total of these hours would bring the grand total of about 4,176 hours. A gigantic number of hours for one day, to be spent in good, bad, or indifferent ways. Stop and think what tremendous things could be accomplished in these hours. Now is the time for us to plan.

There are many, many jobs open to teen-agers in the coming summer, and to those who have the initiative to find them and the determination to work hard and make a go of them.

In our own particular community there are jobs in the oil fields, on ranches, and in stores and business houses of Ozona.

There are summer camps that are in need of counselors, and national parks hire teen-agers to help with the thousands of summer tourists.

Perhaps the field of employment is limited for girls and younger boys and the lure of the old fishing hole will pull some away from more ambitious desires.

Regardless of what you do, the summer hours are wonderful times to accomplish worth while projects, start new hobbies, and spend hours on self improvement! For constructive living during the summer — possibilities unlimited!!

### GUYS & DOLLS

It looks as if our "beach combers" made it home in one piece. From all we hear they had a grand time. The lucky ones were Beverly K., Mary Jo. W., Jimmy B. and Don L.

Miss Powers went along as sponsor and chaperone. They went to Galveston.

Who is June going with? Her latest flame is Jesse. You hardly see one without the other anymore. Before you know it she may be one of these "steadies."

A new romance seems to be "flaming" between Nonie and Mark. We hope it works out. Good luck kids!

If you see a blue streak flying by, it is only Rod on his new motor cycle. We think it looks like lots of fun and from what we

hear Mary Jo does to.

In case everyone hasn't heard, Bobby Sutton is in the hospital in San Angelo. He is in room 207. It gets awfully lonesome so let's everyone let him know we are thinking about him, and Bobby, get well soon. Bet Frances really misses him.

Whats this we hear about Alonzo M. getting married? Yes that's right. He married a girl from Ft. Stockton. Congratulations kids.

Congratulations to the track boys. They did a fine job Saturday by winning third place in district. Quite a few of the boys won medals. You will probably see a few of them around certain girls necks.

Sally in a cage? Well not quite, but it seems that Monday she accidentally on purpose got locked in the gym store room. Her stay was about 15 or 20 minutes. If you want to know anything about it just ask and I am sure she will be more than happy to tell you.

Susie C. along with a few other girls seem to be rather sore Monday. Some people just don't understand that they aren't "Cortez" or somebody like that. They went cave exploring and fishing. Guess maybe their mothers will tell them who they really are someday. Let's hope so!!

What's Becky driving around? A new Ford? That's right and it's very pretty Becky. Please don't wreck it. Be careful.

Say, what happened to Susie at the 4-H Banquet? It seems that

she got tickled about something and couldn't say anything, everytime she opened her mouth she just stuck her foot in it!

Oh, well that's all right Susie we know you had good intentions and there's always a next time!

### INTERSCHOLASTIC LEAGUE MEET

Saturday, April 6, a group of students from Ozona High School will go to Junction for the District Interscholastic Meet. There will be students entering in typing, shorthand, slide rule, extemporaneous speaking, ready-writing, poetry reading, and spelling. We do not have an entry in declamation this year as we have in the past.

These students have been preparing themselves for the contests by practicing diligently. The commercial arts students have been taking speed tests in typing and the shorthand students have been busily taking dictation. Many students are looking forward to the contests and others have been dreading it. Good Luck to everyone!!!!

### MONEY MUMBLES

A business man from Texas who was a visitor in New York stood watching a building being constructed. After an hour or so, he noticed a rough-dressed man also standing by, also watching, and smoking one cigar after another. Finally he said,

"How many cigars do you smoke a day?"

"About ten," the man answered.

"What do they cost you?"

"Twenty-five cents apiece."

"My, that's two dollars and a half a day! How long have you been smoking?"

"Thirty years."

"Two-fifty a day for thirty years is a lot of money."

"Yes it is."

"Do you see that fine office building on the corner?"

"Yes."

"If you had never smoked in your life you might own that building."

The man took his cigar out of his mouth, looked squarely at his questioner and asked, "Do you smoke?"

"No, never did."

"Do you own that building?"

"No."

"Well, I do."

Mr. Harlan: "Would you sooner lose your life, or your money?"

Not-so-bright: "Why, my life, of course. I'll need my money for my old age."

### BAND CONCERT

A wonderful performance which proved that spring is here was given by the Ozona Band Tuesday night. Selections of different types were played and were enjoyed by

a large audience.

The highlight of the evening was the announcement of the winner of the Kay Simmons Memorial Award, given by Mrs. Joe Davidson. The outstanding qualities of these persons have reflected through the band and its work this year. Congratulations. Don Lott and Jimmy Carroll, who were joint winners.

Our band is fast becoming one of the outstanding bands in Texas. After hearing this concert, we can certainly say that this is true. Fine work, Mr. Smith and band!

**FOR SALE** — To highest bidder — to be moved. One four-room cottage with bath. Garage attached. Located 25 miles northwest of Ozona, Texas, in Todd field. See G. W. ## Step into a new world of Pure Luxury

# ROADMASTER 75

Custom Built by Buick NOW ON DISPLAY

A NEW CONCEPT in motorcar excellence awaits your inspection in the ROADMASTER 75 just introduced.

You will see what we mean the first time you glimpse the interior.

The impeccable tailoring and taste of the rich appointments are as obvious as the comfort is opulent.

The seats, for example.

They are meticulously fashioned in glove-finished fabrics of broadcloth or Nylon, with backs topped in supple, hand-buffed leather. They are thickly layered with contoured foam rubber. They are wide, deep, superbly soft.

The doors present a new standard of luxury and restfulness—fully uphol-

stered and softly cushioned from floor line to window.

The instrument panel, below the safety cushion, is chromed from end to end. The deep-pile carpeting is backed by foam. The integral armrests are fully in keeping with the spacious grace of the car.

The complete interior is matched by the mechanical excellence that is ROADMASTER tradition.

Indeed, nowhere else among the world's fine cars can you enjoy superb performance quite like that of a ROADMASTER 75—from the instant response of its brilliant new Dynaflo, to the smooth obedience of its all-new air-cooled aluminum front brakes — *newest and the finest in the fine-car field.*

Your Buick dealer is ready to show you this magnificent new automobile. See him this week.

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, April 5, 1928

A petition bearing hundred of signatures of residents of the Mexican suburb of Ozona as well as many of the American population of this city was being circulated this week preparatory to being presented to the sheriff and the grand jury, when it convenes, in an attempt to bring about a clean-up of moral conditions in the Mexican section. The petition asks that the sheriff and grand jury investigate conditions and afford relief to residents, citing that lewd women are numerous in the area and asking that they either be segregated or run out of town.

In the annual declamation contests to determine representatives to the district meet in San Angelo April 13-14, Carolyn Montgomery was first place in the junior girls division. Tommy Smith won second and Margaret Butler third. Only two boys entered the junior boys division, Massie Ray Smith winning first and Ethard Glover second. In the senior girls division, Mildred Davis won first and Kaleta Glee Cox second. Miss Marie Doty was director of the junior declamations and Miss Ethel Kaderli for the senior division. Rev. Meredith, Rev. Fulmer and Miss Lula Mae Evans served as judges.

Work was started this week on an extensive program of improvements to be made on the Ozona Garage building. The front of the building is to be completely rearranged and the rear of the show room and storage area extended back to make a more spacious interior.

An invitation to Democrats throughout the San Angelo area to join the city's delegation to Houston for the National Democratic convention on a special train of pullmans has been extended by Mayor W. D. Holcomb of San Angelo.

Mrs. W. J. Grimmer entertained the 42 club at her home Tuesday night.

Mr. and Mrs. T. A. Kincaid returned Saturday from Hartford, California, where Mr. Kincaid purchased 900 head of Rambouillet bucks from Ohas. A. Kimble of

Hanford, one of the best known breeders of fine sheep on the Pacific coast. About 750 head of bucks will be sold, the rest used by Mr. Kincaid on his ranches.

Mrs. Jim Moore and her mother, Mrs. Reese, have moved to Junction to make their home.

Miss Mary Kincaid, a student at Hockaday in Dallas, is spending the week's Easter vacation here with her parents, Mr. and Mrs. T. A. Kincaid.

Mrs. Mary Armentrout was severely shaken and bruised last week when the car in which she and her son, Elmer Armentrout, were riding overturned on the way to San Angelo.

A suit styled Jim Ferguson and Archer county vs J. M. Shannon and Humble Oil & Refining Co and the Gulf Production Co. over part of the Archer county school lands now in the Shannon ranch in Crockett county was filed here in district court this week.

Miss Annie Lee, daughter of Mr. and Mrs. Pat Lee, who is a freshman at C. I. A. this year, is spending the mid-term vacation with her parents.

Joe Pierce, Jr. returned Monday from Hot Springs, Ark., where he was at the bedside of his father, J. S. Pierce, who has been seriously ill in the resort town.

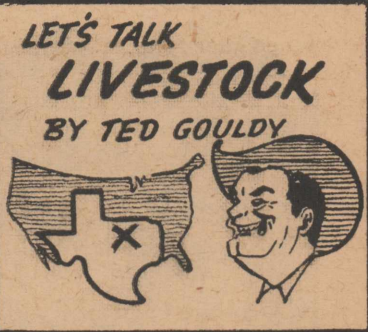

#### LADIES GOLF ASSN.

The Ladies Golf Association met last Thursday for their weekly play of golf and bridge. High score in bridge went to Mrs. Joe Clayton. In golf, winners were Mrs. Joe Pierce and Mrs. Dempster Jones. Bridge hostess was Mrs. Byron Stuart. Others attending were Mrs. Sherman Taylor, Mrs. Clay Adams, Mrs. Jess Marley, Mrs. James Scott, Mrs. Marshall Montgomery, Mrs. Ashby McMullan, Mrs. W. E. Friend, Jr., Mrs. Joe Clayton and Mrs. Pat Patterson.

#### LIVESTOCK

Cows Weaken, other Cattle, Calves Steady

FORT WORTH, April 1—Clearing skies brought considerably larger numbers of cattle and calves to market on the opening session Monday at Fort Worth and all around the major marketing circle. However, at Fort Worth the only casualty was cows which opened steady, but later sales were 50 cents and some bids \$1 lower than the extreme highs of last week.

Fed mature cattle were again in

small supply, however, rather liberal numbers of lightweight fed yearlings and fed heavy arrived, and met firm prices as most slaughter interests apparently needed some numbers. High grade stockers were again scarce, but quality considered sales in this category were fully steady to strong.

Comparative prices: good and choice steers and yearlings \$18.50 to \$23.00; common and medium \$13.00 to \$18.00; fed heifers \$22.00 down; fat cows \$12.00 to \$14.50; canners and cutters \$9.00 to \$12.50; bulls \$10.00 to \$15.00; good and choice slaughter calves \$18.00 to \$22.25; medium and lower grades \$12.00 to \$17.00. Stocker steer calves \$22.00 down; steer yearlings \$20.50 down; a few medium to fair stocker cows at \$10.00 to \$13.00; some load lots of rather agey cows at \$12.00 had 200 to 300-pound calves at side at \$21.

Sheep, Lambs Slow and Weak Milk Lambs \$23.00 Down

Trade was rather slow and prices weak at Fort Worth Monday

on sheep and lambs, with some bids and sales of stocker and feeder lambs sharply lower, and all classes selling in line with last week's sharp break in prices.

Good and choice milk fat lambs \$22.00 to \$23.50; cull to medium milk lambs \$15.00 to \$20.00. Good

and choice old crop lambs \$20.00 to \$22.00, with cull to medium kinds \$12.00 to \$19.00, and a few hard culls below that range. Slaughter ewes sold from \$5.00 to \$7.00. Old bucks around \$5.00. Aged wethers \$13.00 down.

**HOMEMAKERS CLASS**

Members of the Homemakers Class of the Baptist Sunday school met at the church Tuesday. Hostesses were Mrs. Charles Butterfield and Mrs. J. M. Crump. Devotional was led by Mrs. D. C. Murphy. Mrs. S. E. Carnes was named teacher to succeed Mrs. Jack Brewer, who resigned after seven years as class teacher to move to San Angelo.

New group leaders were named, including Mrs. Tom Everett, Mrs.

Charlie Butterfield and Mrs. Dudley McCary. Secret pal names were revealed and drawn again.

Others present were Mrs. R. G. Pitts, Mrs. Bob Franklin, Mrs. George Hester, Mrs. Elmo Wallace, Mrs. J. P. Pogue, Mrs. Otto Pride-more, Mrs. J. W. Howell, Mrs. Clovis Womack, Mrs. Buck Moore, Mrs. Clyde Woodall, Mrs. Ted Lewis and Mrs. Homer Good.

**RUTH CLASS MEETING**

The Ruth Class of the Calvary Baptist Church School met Friday night in the home of Mrs. Matlock. Devotional was given by Mrs. Bessie Matlock and prayer by Mrs. Allen McKinney. Mrs. Doris Stephens was elected secretary and Mrs. Della May Teston, reporter. The meeting was closed with prayer by Rev. E. E. Morgan, pastor, after which refreshments of coffee, cake and hot chocolate were served by the hostess.

Attending were Mrs. Dan McBroom, Mrs. E. E. Morgan, Mrs. Ann Byran, Mrs. Doris Stephens, Mrs. Dallas Mae Teston, Mrs. Allen McKinney, Mrs. Irene Strothers, Mrs. Leon Dowdy and Mrs. Bessie Matlock.

**It's good to know you!**

● Knowing you means that we can know your needs. That's important to us—and to you, because as your local oil jobber and distributor it's our job to store and distribute the petroleum products you and your neighbors need for comfort and convenience.

We are local businessmen, proud to know our neighbors and the kinds of oil products and services they need. That's our part in the progressive oil industry that brings better living to this community. This is our pledge that we will continue to serve you and our community well.

"That proves it to me... the J-2 Rocket is like two engines in one!"

GOLDEN ROCKET IS HOLIDAY COUPE

**HE:** Right! This J-2 Rocket\* is really a new driving experience!

**FRIEND:** Well, I've handled a Rocket Engine before, but nothing like this. They've always had pep, but this one's got that extra pep when you need it!

**HE:** Don't forget economy.

**FRIEND:** Yes, but you can't feel economy.

**HE:** Feels pretty good to the pocketbook.

**FRIEND:** Right! But it beats me how you get economy with a big car like Olds.

**HE:** Easy. For cruising around, you just use one dual-barrel carburetor.

**FRIEND:** Bet that waters down your performance some.

**HE:** Not a bit. I've got regular Rocket performance right through the economy range. And believe me, that's plenty. But if you need more power...

**FRIEND:** Then what?

**HE:** Go to Stage Two. You just saw what that does. Give it three-quarters throttle and you've got three dual carburetors dishing up more power and torque.

**FRIEND:** Tell you the truth, I've always liked an Olds. Thought we might get one ourselves some day.

**HE:** Checked the price lately? You'd be surprised how easy it is to own.

\*277-h.p. Rocket T-400 Engine standard on all models. J-2 Rocket Engine, with 300 h.p., and special Rocket Engine, with up to 312 h.p., available at extra cost.

**Donald Taylor NROTC Student at U. of T., Commended by Officer**

Mr. and Mrs. Bill Taylor of Ozona, whose son, Donald, is enrolled in the Naval ROTC unit at the University of Texas where he is working toward his University degree and a commission in the United States Navy, have received a letter from Captain D. G. Irvine, U. S. Navy professor of Naval Science at the University, praising young Donald's work and inviting the parents to "drop in at the unit and get acquainted."

"Together with you I take pride in the fact that your son is enrolled in the NROTC here at the University of Texas," the letter read. "His voluntary enrollment with your approval indicates a devotion to our country's service that surely was imparted to him by you. We will do all in our power here to continue to build upon your fine beginnings those qualities of character and knowledge that will make your son an effective naval leader. As Americans we are sometimes reluctant to use, in fear of sentimentousness, the old fashioned word God and Country, duty, honor and freedom. Recent events in Europe have certainly added new lustre to these words and the ideas embodied herein. It is in this spirit that I have enclosed a copy of our Navy Credo. It is the sincere desire of all of us in this unit to make this Credo a living thing to your son."

The letter went on to explain the NROTC set up, pointing out that some 25,000 lads took the examinations competing for about 1800 appointments to the 52 NROTC colleges and universities. "Your son's success in obtaining

**Deferred Grazing Is Best Method To Bring Range Back To Normal**

College Station — Deferred grazing can give the good perennial range grasses the boost they now need for survival, declares A. H. Walker, extension range specialist.

In some areas of the state, such grasses as sideoats gramma, little bluestem and switchgrass are now making seed. This situation, according to Walker, is most unusual since these grasses normally produce seed in the fall. Overgrazing and the prolonged drouth have interfered with the normal growth habits of the range plants and "mother nature" is doing her best to reseed the ranges. Give her a chance to succeed by deferring as much range now as is possible, advises Walker, for the improved moisture situation should materially add to the benefits to be derived from deferred grazing.

Grasses need top growth to make root growth, and because of the drouth, root systems are far below normal and need time to get re-established. Walker believes that ranchmen generally should be able to rest at least a fourth of their range without overstocking the remainder. He emphasizes that it is better to remove all stock from a pasture than to stock lightly. A few animals can graze off the good plants left and keep them from making seed.

Walker suggests that the best conditioned pastures be rested first. On these will be found more of the good grasses and their recovery will be faster. The rest period will vary, he says, but the longer the better or until the good grasses have produced a seed crop. Graze the deferred pastures moderately during the winter, he ad-

vises, in order to plant the seed and distribute the litter.

As for reseeding, Walker says, if as much as 15 percent of the good or key grasses are left on the range, defer than reseed. Reseeding is expensive and hazardous and requires some type of seedbed preparation, he says. And, too, reseeded ranges must be rested. His advice, don't reseed but give the pastures a year's rest and see what happens. Local county agents can supply information on how to help the range recovery.

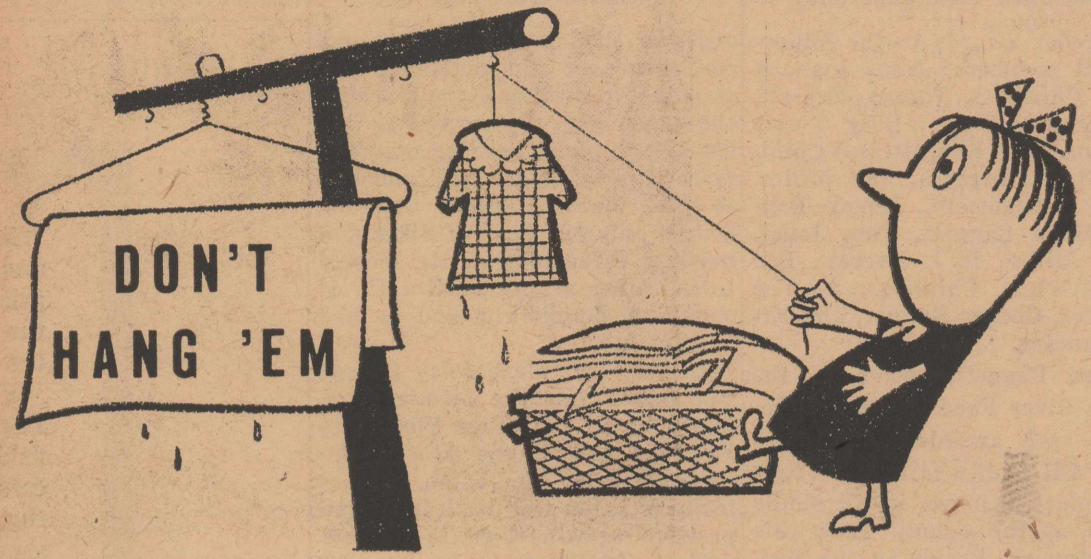

**CROCKETT HOSPITAL NEWS**

Patients admitted to hospital since March 26th: Alton Tuckness, Big Lake, medical; Mrs. Victoria Castro, Ozona, medical; Ernest Dunlap, Ozona, medical; Mrs. Pablo Morin, Ozona, surgical; Dana Thomas, Ozona, medical; Hector DeHoyos, Jr., Ozona, medical; Lynette Tigner, Ozona, medical; Juan Sanchez, Jr., Ozona, medical; Mrs. Oscar Groff, Ozona, medical; Mrs. Jerry L. ### 4-H Achievement — Ozona Cubs Win —

(Continued from page one)

best feeder awards to the following 4-H members; Alma Ingham, Frank Childress, Tommy Everett, Jacquelyn Williams, Billy Troy Williams, Penn Baggett, Bob Childress, B. B. Ingham, Jay Miller, Bryan Montgomery, Jimmy Baggett, Mark Baggett, Pam Jones, Pierce Miller, R. J. Everett, Bill Jacoby, Pleas Childress, Susie Chandler, George Bunger, and Erby Chandler.

James Baggett, owner of the Devil's River Feed Company, presented cash awards to members of the 4-H club who had the first three place winners in all single classes at the county show this past January. Receiving the cash awards were the following; David Jacoby, Bob Childress, Mark Baggett, Bryan Montgomery, Penn Baggett, Erby Chandler, Susie Chandler, Frank Childress, Jacquelyn Williams, Billy Troy Williams, Larry Williams, Freida Kay Noelke, Joe Everett, Pam Jones, and Pierce Miller.

County Agent Pete Jacoby presented all members of State Championship Teams with certificates. Receiving these were Carl Conklin, Roy Mann, and Johnny Jones of the State Champion Grass Judging Team; Jacquelyn Williams, George Bunger, and Pierce Miller of the State Champion Range Judging Team; Carl Conklin, George Bunger and Pierce Miller of the State Champion Wool and Mohair Judging Team; and Frank Childress, Jay Miller, and Bill Jacoby of the State Champion Junior Wool and Mohair Judging Team.

Mrs. H. C. Noelke, Jr., and Mrs. James Childress, 4-H adult leaders, presented 4-H club pins to the following first year members; Alma Ingham, Judy Ingham, and Janie Everett.

Ray D. Siegmund, District Agent of Fort Stockton, made the principal address. L. B. T. Sikes, Superintendent of the Ozona School system, was master of ceremonies. Pleas Childress, III, gave the invocation.

Approximately 150 persons, including five out-of-town guests, attended the 4-H program and chicken dinner furnished by the 4-H Mothers Club.

crossbar, had their work cut out for them but did not have the strength to overcome the work of the bigger boys. Richard Sikes tied for second place, needing only one more chin to tie for first and two to win. Mario Galindo tied for fourth only one back of Sikes and needing three to win. He seemed to be going strong until a fit of coughing caught him and he had to give up.

In the third place relay George Blackstone ran the opening lap, handing off to George Ybarra, to Freeman and Wayne Albers who brought home the baton. Albers took the baton well back in fourth position to win third in a close decision for second.

The Cubs brought home a hatful of medals, with only Galindo not receiving one. He lost out on his toss for a tie for fourth in the chinning. Deeney Holden and Bill Semmler were other boys making the trip. Each of these two boys lost out in their specialty when they failed in their high jump attempts.

We are most proud of our cubs: Undefeated in football, District Champs in basketball, and now District Champs in track.

We are looking forward to another as we start softball this week.

Final standing and points totals of teams in the meet:  
Ozona 28  
Sonora 24  
Eldorado 24  
Junction 9½  
Menard 1½

#### FRIDAY BRIDGE CLUB

The club met last Friday with Mrs. Ira Carson. High score prize went to Mrs. Ben Robertson and low to Mrs. Lovella Dudley. Cuts were won by Mrs. Joe Pierce and Mrs. Eldred Roach. Others present were Mrs. W. W. West, Mrs. Ewart White, Mrs. Bailey Post, Mrs. Early Baggett, Mrs. Hillery Phillips, Mrs. Max Schneemann, Mrs. Tom Harris and Mrs. J. W. Henderson.

Bobby Sutton, son of Mr. and Mrs. Glen Sutton, and Ozona High School top-athlete, is under treatment in the Clinic Hospital at San Angelo for an infection.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. GET A DEMONSTRATION!

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet was the champ in handling ease, braking, acceleration, passing ability, smooth-

ness of ride and other driving qualities you want in a car.

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen

cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!

*Chevy showed it's still the champ... at Daytona... and in the Decathlon!*
