BILL JACOBY WINS MOTHER DAVIDSON TROPHY AS 4-H HONORED FOR ACHIEVEMENTS

200 Present at Awards Banquet To Recognize Accomplishments

Bill Jacoby, a 4-H club member for nine years, was named the winner of the Mother Davidson Memorial Trophy at the annual 4-H banquet held Monday night at the school cafeteria. The award goes each year to the 4-H member who is considered the best all-around 4-H'er during the past year. Consideration is given for the member's abilities as a feeder, judge, leader, school scholastics and 4-H record keeping.

Bill Jacoby

P. L. Childress, III, was named the winner of the Gold Star Award, which goes each year to an outstanding 4-H member. It is the highest award given on the county level by the Extension Service and Texas A&M College. Both the Mother Davidson Trophy and the Gold Star winners are selected by anonymous committees in the community. Donor of the Mother Davidson Memorial Trophy is a West Texas citizen who desires to remain anonymous.

Penn Baggett, perennial champion fat lamb feeder, received the trophy belt buckle from the Ozona Boot & Saddlery as the best 4-H herdsman. The Edgar Glasscock Belt Buckle went to Frank Childress for the "best effort" put forth by a 4-H club member during the year.

David Jacoby received the Coralie Meinecke Insurance Agency 4-H belt buckle as the best Junior 4-H Judge and Rex Bland received the Crockett County Abstract 4-H belt buckle as the best Junior 4-H Feeder.

Bill Williams received the Texas Sheep & Goat Raiser's Range Management District Award, an engraved silver belt buckle. P. L. Childress, III, received the Folger Coffee Company District Wildlife Conservation Award, a \$50 Savings Bond.

Ozona Volleyballers One Game From Title After 2 Wins In Row

The Ozona Girls volleyball team rolled toward the district title over the past week by traveling to Menard and winning two games and then returned home Tuesday to wallop outclassed Sonora in two games.

The two wins left the Felines with a record of four wins and no losses with just two games to play.

The Ozona girls will travel to Big Lake Friday night and then close out district play with Menard here the next Tuesday.

In winning 44 to 9 over Sonora Tuesday the Ozona team gained a cinch tie for first place and one more win will assure the girls the title.

The Ozona B team slaughtered the Sonora B, 79 to 5 but the A team played rather listlessly in easily downing Sonora's best unit.

Ozonan Earns Varsity Letter at Tex. Western

El Paso, Texas — Football letters have been awarded to 29 athletes at Texas Western College in El Paso, Coach Ben Collins has announced.

Among those receiving letters is Kent Babb, of Ozona, Texas, who plays halfback for the Miners.

The letter was Babb's first varsity award.

Among the awards was a posthumous letter to Glenn Reed, sophomore halfback from Sweetwater, Texas, who was killed in an automobile accident while the football seasons was in progress. His letter will be sent to his parents in Sweetwater.

The list of lettermen included three to freshmen, eleven to sophomors, eight to juniors, and six to seniors.

Timely Rain Brings Badly Needed Surface Moisture To Ranges

A more timely rain could not have been ordered by ranchmen than that which soaked a wide area of West Texas last Friday, with falls from 3/4 to two inches reported in Crockett county.

Ozona registered .7 of an inch of slow falling rain, triggered by a cold front which made for uncomfortable weather while the rain was falling but moderated with the passing of the front.

Some hail damage was reported in the western part of the county but for the most part the hail stones were small and no livestock losses are believed to have occurred.

With bountiful winter moisture in the form of snow and rain, West Texas range land has one of the best stores of deep moisture since before the drought. But extremely cold temperatures and wind had sapped the surface moisture somewhat and spring growth needed just the kind of rain that fell last week.

Mrs. Patten, Mother of Mrs. Maxine Saunders, Buried In Mississippi

Funeral services were held Sunday for Mrs. C. C. Patten, 56, of Boonville, Miss., mother of Mrs. Maxine Saunders of Ozona, who died Friday in a Memphis, Tenn. hospital.

Services were held in Boonville and at the graveside in Tupelo, Miss., her former home.

Survivors include three other daughters, Mrs. Harold Roberts of Wichita, Kans., Mrs. Herbert Smallwood of Columbus, Miss., and Miss Mary Sue Patten of Boonville; three sons, Charles W. Patten of Tupelo, Miss., Donald L. Patten of Verona, Miss., and Clemon Bryon Patten of Boonville, and fourteen grandchildren.

Spring Baseball Training Brings Out 25 Hopefuls

Concho Basin Entry Preps For League Opener May 15

The newly formed Ozona baseball team has started its spring workouts under the watchful eye of Managers Byron Stuart and Sgt. Chuck Jenkins. About 25 hopefuls are out for training in an effort to win a place on the team.

The team managers are confident that they can come up with a good team from the material at hand provided some good pitching develops and trainees will stick with the spring practice to sharpen up batting and fielding and get muscles in trim.

No positions are assigned as yet, the managers emphasize, and any of the men around Ozona who wish to try out for the team will be welcomed. Workouts are being held each week-day at 5 p. m. and at 2 p. m. Sundays.

"We hope to get the field in good shape but we need lots of help," said Sgt. Jenkins. "If you are big and strong we need your help in getting the field in good playing condition."

Efforts are being made to match a practice game around the middle of April on a Sunday afternoon, Jenkins said. It is expected that the team will be selected by mid April so that uniforms can be ordered.

A member of the Concho Basin league, the Ozona team will launch league play against Brownwood in Brownwood May 15. The Ozona team's league schedule will be published in the Stockman at an early date.

Eldorado Meet Win Third In Row For Ozona Lions

Locals Crack Three Meet Records For Plateau Relays

By Ernie Boyd

The Ozona Lions cracked three meet records Tuesday as they raced to their third straight meet crown in winning the Plateau relays in Eldorado with a overwhelming 149 points.

The meet which was scheduled for Saturday, was postponed until Tuesday due to rain and as a result some of the twenty-one schools entered were unable to attend the meet due to distance in most cases.

Joe McMullan posted his best time of the season in clearing the high hurdles in 15 flat to surpass a mark of 15.3 set by Junction several years ago. The other two records to fall in the meet were the 440 yard relay and the 880 yard relay marks.

The Ozona team of Tommy Porter, Johnny Jones, Tony Parker and Jim Doran cut one-tenth of a second off their best mark in competition this year to better by a full second the old mark of 46 flat with a new mark of 45 flat.

The Ozona 880 yard relay team composed of Tommy Porter, Jim Williams, Tony Parker, and Jim Doran also set a new mark with a 1:34.7 half mile.

Other outstanding performances by the Lions were Jim Doran's 10. flat hundred yard dash victory and Jim Williams' 131 ft. discus heave. For Doran the 10. time surpassed a recent 10.1 in the event here three weeks ago. Williams' 131 feet for first in the discus marked the first successful competition mark for the defending champion this year. Williams had previously posted only a 119 ft. mark in the meet here as his best mark in competition.

McMullan in addition to capturing first in the 120 H. H. also got second in the 180 L. H. and fourth in the broad jump.

Record 69 Votes Cast Absentee In School Board Race

Unprecedented Interest Manifest In April 2 Balloting

What is believed to be an all-time record high absentee vote has been cast in the election for four members of the district school board, slated for next Saturday, April 2.

Sixty-nine absentee ballots had been cast up to the deadline for absentee voting Tuesday at the county clerk's office, Miss Leta Powell, clerk, reported.

If the heavy absentee balloting is an indication, a record vote may be cast in Saturday's election. Voting places will be open at the courthouse in Ozona, and in the outlying county boxes at Powell Field, the Owens Ranch, the power plant and at the Millsbaugh ranch.

Four members of the board whose terms expire this year are candidates for re-election and five others are seeking the places, making a total of nine in the running for the four seats on the board.

First to announce for the four positions were Dick Henderson, P. C. Perner, Chas. E. Davidson, III, and Dr. Ralph Simon who made simultaneous announcements. The four present members of the board whose terms expire and who are candidates are J. B. Miller, James Childress, M. A. Lemmons and Byron Stuart. The ninth candidate is Jesse G. Adams, employe of Continental Oil Co. here.

The ballot order, as determined by drawing, will appear as follows: J. B. Miller, Dick Henderson, Jessie G. Adams, James Childress, Byron Stuart, Chas. E. Davidson, III, P. C. Perner, Jr., Dr. M. A. Lemmons, Dr. Ralph Simon, Jr.

Sun Oil Co. To Drill Deep Wildcat In West Crockett

Crockett County gained location for a deep wildcat and a field was assured a second producer.

Sun Oil Co., Dallas, will drill a 7,700-foot wildcat, 18 miles southwest of Ozona and 1 1/2 miles northwest of production in the Lancaster (Devonian) gas field. It is the No. 1 University.

Location, on a 320-22-acre lease, is 1,980 feet from the south and west lines of 4-29-University

A second producer and a 7/8-mile north-northeast extension to the Baggett (Strawn) gas field has been assured with the flowing of gas at the estimated rate of 1,150,000 cubic feet daily at El Paso Natural Gas Co. No. 1 Davidson, in 11-F-GC&SF, 10 miles south of Ozona.

Flow was through perforations between 9,028-076 feet, which had been fractured with an unreported amount.

The discovery, Cosden Petroleum Corp. No. 1 Baggett, a re-entry operation, was finalized for a calculated, absolute open flow of 10,300,000 cubic feet of dry gas per day through perforations between 9,106-180 feet. It originally was drilled by Mobil Oil Co. (Magnolia Petroleum) and abandoned at 10,300 feet in the Ellenburger, Sept. 16, 1958.

OZONA GIRL WINS HONORS AT U. OF T.

Miss Carol Friend, daughter of Mr. and Mrs. W. E. Red Cross Drive Still \$200 Short Of 1960 Drive Goal

With a few workers yet to report, the Crockett County Red Cross annual Fund Drive was still more than \$200 short of its goal this week, according to a tabulation of results to date made by Roy Thompson, drive chairman.

Red Cross contributions to mid-week stood at \$988.36, Thompson said, with two or three workers yet to report their receipts.

The local chapter goal was set this year at \$1,200, which will take care of the local chapter needs and meet the quota fixed by the National Red Cross. A one-day house-to-house drive was made last week and workers will continue in their efforts to reach all residents with the Red Cross appeal. If you have not been contacted, you may leave your contribution to the Ozona National Bank.

12 Teams Compete In City Bowling Tournament Here

Three-Day Event Sees 40 Bowlers In Action On Lanes

In the recent Ozona City Bowling Tournament there were twelve teams entered, 20 doubles teams and forty individuals. The tournament was run off on Tuesday, Wednesday and Thursday nights in two divisions. Each team or individual competed both on a scratch and handicap basis.

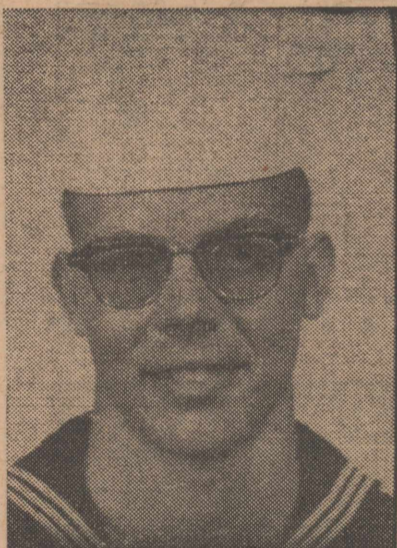

In the team event Semmlers Texaco came in first in the scratch division and second in handicap. They scored 2600 in scratch and 2945 in handicap. This team was composed of Dick Webster, Jim Dudley, J. G. Hufstader, Floyd Hokit and Joe Williams.

The handicap winner in the team event was Spencer Welding with a handicap total of 2987. Spencer also came in second in Scratch with a pin total of 2561. This team was composed of Jesse Adams, Roger Dudley, Melvin Semmler, Roy Killingsworth and Byron Patterson.

In the doubles event James Scott and Charles Annett came in first in both scratch and handicap with a pin total of 1083 and 1239. The team of Floyd Hokit and Jim Dudley was second in scratch with a total pin of 1036 and Claude Montya and Byron Stuart were second in handicap with a pin total of 1188.

In the singles division O. D. Paulk was first in the scratch division with 575 pins. Gene Williams was second with 561 pins and Byron Patterson was third with 554 pins. In the handicap division Gene Williams was first with a total of 669 pins while O. D. Paulk was second with 659 and Dick Henderson was third with 634 pins.

In total pins in all events John Redden was first in both scratch and handicap with Floyd Hokit second in both.

WITH THE GLOBAL COMMUTERS

As Russia's Nikita Khrushchev warned in Paris to his twelve-day task of alternately blowing on the ashes of Franco-German conflicts of the past century and bragging of Soviet armed strength, Britain's Prime Minister, Harold MacMillan, packed his portmanteau and umbrella for Washington, taking off on what would seem, at least, a related mission.

Word from the White House that President Eisenhower had asked "the Prime" to hop over and see him seemed a little out of key with other reports that the British have been pushing hard for US acceptance of the latest Red proposal on banning nuclear weapons tests. There was also the feeling in some quarters that our English cousins were a little alarmed at the forthrightness of the joint statement of the President and West Germany's Chancellor Adenauer on Berlin the week before.

As matters stood at the Geneva nuclear parley, Russia had accepted the Eisenhower proposal of February 11, that all such weapons tests, in space, the atmosphere and the ocean be banned and that all underground tests above the level of the Hiroshima bomb (19 kilotons) be banned — with the proviso that lower powered underground tests also be suspended for four or five years while scientists on both sides figure out means of detecting such blasts.

Historically, the US position is that we will not consider even a temporary moratorium on blasts which cannot be detected, and both the Atomic Energy Commission and the Pentagon are emphatic on the need for further low-power tests to improve the Minuteman and Polaris missiles, the Army's tactical atom bomb and development of anti-missile missiles. But the State Department, allergic as ever to what other people might think, is urging further compromise with the Reds.

Obviously, Mr. Macmillan is moving in on this official difference of viewpoint to buck for Secretary Herter and his boys. His conversations with the President, the White House intimated, might be held at Camp David, where Messrs. Eisenhower and Khrushchev said whatever it was they said to each other last September.

Out of conjecture over these exchanges, imaginative newsmen concocted a wraith known as the 'Spirit of Camp David.' This ghoul is apparently due to walk again.

OUCH!

It all started back before World War I when some scientist with the Department of Agriculture were experimenting with the cross-breeding of various shrubs and plants. One day they crossed a hyacinth with spreading taxus, and they got a creeping, virulent, evil growth that now infests the whole government — hyataxus.

DO WE WANT RESPONSIBLE GOVERNMENT?

A national committeeman of one of the great political parties is quoted as saying, "The voter doesn't care whether government is responsible. The voter wants to know what it is doing for him." The judgment is a cynical one. But that does not mean that it is wrong, or can easily be disproven. Indeed, some of the most successful political figures of the last generation have followed the dictum almost exactly. And the present burden of debt and taxation, along with the steady decay of individual freedom, individual responsibility and basic individual morality is, in part, their monument.

What remains to be seen is whether the majority of voters have just drifted with a tide, or have not recognized it for what it is, or honestly "don't care whether government is responsible." If the last is the case, this country is done for, and the only thing to speculate about is when the final curtain will come down on what used to be called the American Dream. The one hope is that the voter will recognize that what welfare state government is doing to him is a great deal more important than what welfare state government is doing for him — and will revolt before the last battle is lost.

OZONA LODGE NO. 747 A. F. & A. M. Regular meeting on 1st Monday of each month.

OUR STATE DEPARTMENT officials and our President need the skills and dexterity of a tight-rope walker to cope with the situation in Cuba.

As an example of how fast things can change, the President included in his foreign aid bill some \$350,000 for Cuba when it was being prepared a year ago. In the meantime, a lot of water has gone under the international bridge, and the Administration is frankly embarrassed that the request to aid Cuba — now being strongly criticized by a House Subcommittee — was ever included in the budget.

Meanwhile, the bearded Fidel Castro almost daily inflames the Cuban people by shrilling his bitter, anti-U.S. speeches; his government is seizing the property in Cuba of U.S. citizens and arresting our citizens there on the slightest pretense while claiming that the U.S. government is trying to overthrow Castro.

This naturally does not set well with United States citizens whether they are Members of Congress, Executive officials responsible for conduct of foreign policy, or private citizens. The natural inclination is to rush in and whale the country tar out of Castro and the Red-loving friends who surround him, but of course this is neither the practical nor sensible thing to do.

The only way we may directly intervene in Cuba is by a show

WE HAVE BEEN WAITING ever since his blast at the Administration for ineptitude in managing our Defense for Missouri's Senator Stuart Symington to drop the other shoe.

"I am a candidate for President of the United States," he said, in a 500 word announcement to the press. "My number one goal," he confided, "is to unite this great country of ours." He also said, "I am in this fight to win," — which may come as a surprise to Messrs. Kennedy, Humphrey, Johnson, Stevenson — and Butler.

of force. But if we do this, are we not open to the charge of being the big, bullying aggressor nation jumping on the weak and relatively defenseless smaller nation? We criticized Russia severely — as did most nations outside the Red bloc — for crushing the freedom revolt in Hungary, and we protested strongly against the intervention of the Red world power in the internal affairs of that small nation. If we are to be consistent and maintain our historic policy of non-aggression, we cannot honestly consider in any seriousness direct intervention (which is by way of force) in Cuba.

Cuba is, after all, an independent nation and the mere fact that she lies geographically near the U. S. does not make us her lord and master. We must also admit that the leaders of Russia and Red China have accused the United States of no less than has Castro for many years, and yet where is the responsible man or woman who would insist that we should go to war with these two nations over their harsh words?

SEVERAL FACTORS MUST be considered by our State Department officials trying to avoid force. First, the balance of trade between the U. S. and Cuba for the past several years has favored our nation by about \$10 million per month. Second, if we withdraw all contact with Cuba, or intervene with force, Russia would leap into the breach and establish a beachhead in a nation just 90 miles from the continental United States. Third, reaction throughout the world and especially in Latin-America probably would be adverse to the "big" United States taking on "little" Cuba. But fourth, and most important, we must consider the fact that we have an important military base — Guantanamo Naval Base — in Cuba that we need to retain. It is an important command post and supply center for us, being the hub of our anti-submarine warfare program for the protection of our East Coast and the Caribbean. From that point we

service and maintain our own submarines, picket ships and anti-submarine forces. The continued operations of this base is very vital to the maintenance of the security of the United States. All this brings to mind a point we dwelt on in the Report last week; that the conduct of foreign affairs is the most complex function of government in these days of ultimate weapons and international tensions. The point where peaceful cooperation and coexistence ends and appeasement begins is dimethin. But so is the margin between traditional firmness and reckless saber-rattling on the troubled world stage.

THIS BEING AN election year, you will probably hear a lot of political oratory and read many statements bearing on the qualifications, background and platform of candidates for various offices.

It came, therefore, as something of a surprise last week, when I read the announcement of a candidate for local office in one of the 19 counties I represent. Here's what his tradition-smashing state-

ment said: "I have not lived (here) for a long time, nor did I graduate from the (local) high school. I am not active in civic affairs, lodge, school, or church work and I have no plans to do any great things if elected. I'm just running for the salary." Some of you may find that amusing and, frankly, a bit refreshing in this very political year.

(Continued from Page One)

Deeney Holden tied for fourth. Meinecke got 10'6" which is one of his low marks for the year but strong winds bothered the vaulters throughout the afternoon.

In the high jump, Carl Montgomery picked up third place and Muggins Good fifth. Montgomery also gained fourth place in the 440 yard run and anchored the Ozona mile relay into fourth place.

Meinecke got fourth place in the shot, the only event in the field in which the Lions did not garner more than one place.

Phillip Carnes won sixth place in the high hurdles despite a badly cut knee sustained in hitting a hurdle.

In addition to his two legs on winning relays, Tommy Porter won fourth place in the 220 yard dash while Tony Parker took fifth in the same event also taking part in two winning relays.

Martin Castellano took fourth place in the 880 but the inability of Sanderson to appear in all pro-

bability saved the meet record from falling in this event.

Coaches Chick Womack and Sonny Cleere will take the Ozona team to Eagle Pass this week in their last regular season meet before starting state run-offs in Ozona next week. The Eagle Pass meet will pit the Lions against larger schools and will sharpen the competition in all events.

Coach Womack hopes that the increased competition will get his team to a fine edge for next week's district meet but does not expect too many first places if any in face of the competition.

Being an attentive and enthusiastic audience encourages persons giving a program.

Last Thursday the Sul Ross Modern Choir entertained the high school and junior school with a variety show.

The students were both attentive and enthused. They gave a hearty welcome to the two former Ozona students, Tomas Lopez and Jimmy Carroll.

The Lake View High School Choir visited the high school to hear the program. Their director is a former Sul Ross student. Ozona students were very receptive hosts.

Many thanks go to the Sul Ross Choir for the program and to the students of Ozona High School and Junior High School for their spirit and cordiality.

SENIORS OF THE WEEK

Seniors of the week this week are June Bunger, Bama Burton, and Ronnie Beall.

June Childress Bunger was born on May 23, 1942 in San Angelo to Mr. and Mrs. George Bunger. She attended Ozona Schools from kindergarten through her senior year. June plans to attend Texas Tech in Lubbock, and major in elementary education. While in high school, June was a member of the Press Club, Annual Staff, and Wayne Spearman Fan Club. She was selected Freshman Class Reporter, Junior Favorite, 4-H Sweetheart, Football Queen, and Cheerleader. June was in the run-off for Most Popular, and she was on the Honor Roll for four years.

Bama Eudora Burton is the daughter of Mr. and Mrs. A. F. Burton. She was born November 11, 1942 in Farmington, New Mexico. Bama started to school in Shiprock, New Mexico, but she moved to Ozona during the second grade. Bama plans to enter Texas Tech this fall, and major in elementary education. Bama has been in F. H. A., Choral Club, Press Club, and Junior Play. She was Historian and Treasurer for F. H. A. She played volleyball for two years.

Ronald Edwin Beall, better known as Ronnie was born April 23, 1942 in San Angelo to Mr. and Mrs. Pink Beall. He attended school in Ozona for twelve years. Ronnie plans to attend Baylor next fall. While in high school, Ronnie participated in football, track, and Interscholastic League Ready Writing.

BAND SPRING CONCERT

Next Thursday the band will present its annual spring concert in the High School Auditorium. Featured on the program will be the pieces that are to be used in the band contest in San Angelo.

STUDENTS PREPARE FOR LITERARY EVENTS

Ozona High School students are preparing for the District Interscholastic League Contests to be held in Menard on April 2. In most cases, the first and second place winners will then be eligible for the Regional contest at Lubbock, April 23. The winners of the State contest are often given scholarships for their ability in a particular field.

Of the many events in which our school participates each year, the Interscholastic League Contest is one of the most beneficial. This event not only offers competition with other schools; it also provides an opportunity for the student to learn.

Of the twelve events in the competition, Ozona High Students are entering ten.

Local directors are appointed at each school. It is the duty of these directors to train the students for contest.

Roy Neil Killingsworth is the only Ozona student entering number sense. Sally Baggett is entering declamation, Mary Lou Zunker and Linda Millsbaugh are entering poetry reading and the extemporaneous speaking event will be entered by Ray Moxley.

Margo Pogue and Ronnie Beall will participate in ready writing, with June Bunger and Roy Neil Killingsworth entering the Journalism event. In this particular event the participants will go directly to the Regional contest in Lubbock on April 23.

Five students are training for the typing event, of which three will get to go. They are Jan Pride-more, Don Nell Carnes, Roy Neil Killingsworth, Peggy Harvick and Roberta Johnigan.

Entering spelling this year are Margo Pogue and Golda Goodman.

Eight boys are training for the slide rule event. Three will get to go.

The one-act play which was entered this year was "Sparkin'". The cast included June Bunger, Camille Adams, Sally Baggett, and Jim Williams.

O H S SPORTS

Seven high school boys have organized a golf team, under the supervision of Principal J. A. Pelto. Art Kyle, Brent Moore, Joe Friend and Bill Jacoby make up the first team, ranking in that order. The second team is made up of Hal Long, Jimmy Baggett and Bobby Tabb. The team will travel to San Angelo Saturday, to a four way meet between Big Lake, Lake View, Brady 'B', and Ozona. They will play in the District Tournament in Big Lake, April 13.

The volleyball team is on their way to closing out a successful season. The girls played Sonora, in Ozona, last Tuesday night, and they will play Iraan, in Iraan, on April 5. The games start at 6:30 and 7:30. The last district game will be played against Menard, in Ozona, 6:00 and 7:30 on April 12th. The Regional Meet will be held in Lubbock, April 22-23 and the State Meet will be in Abilene, (Continued on Page Six)

THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas —
GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Crockett County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: W. D. Bell and the unknown heirs, devisees and legal representatives of W. D. Bell, and Mrs. W. D. Bell and the unknown heirs, devisees and legal representatives of Mrs. W. D. Bell,

Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court, 112th Judicial District of Crockett County at the Courthouse thereof, in Ozona, Texas, by filing a written answer at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 18th day of April, A. D. 1960, to Plaintiffs' First Amended Original Petition filed in said Court, on the 5th day of March, A. D. 1960, in this cause, numbered 3087 on the docket of said Court and styled Pleas L. Childress, Jr., et al, Plaintiffs, vs. G. L. Gray, et al, Defendants, wherein the following named persons are Plaintiffs: Pleas L. Childress, Jr., John W. Childress, Ruth Graham White, joined by her husband Williams E. White, Della Graham, a widow, Rachael Graham Childress and husband, Hugh Childress, Jr., J. Neil Smith, Melissa Childress Smith, Elizabeth Childress Mitcham, joined by her husband, F. G. Mitcham, Leta Graham Glover, joined by her husband, Clinton A. Glover; and wherein the following named persons are Defendants: G. L. Gray, Ann Tippet Mann and husband, Jack Mann, Homer J. Tippet Cowden and husband, Jax M. Cowden, Jr., June Tippet Sanders and husband George B. Sanders, Thelma Tippet Amacker and husband, Robert Percy Amacker, Mary V. Sharrar and husband, William H. Sharrar, George Luther Marsh, William Norman Marsh, Charles Edward Marsh, Minnie Schroeder and husband, Wade Henry Schroeder, Hattie Hart and husband, James Hart, Dorothy Fahringer and husband, John Fahringer, Hester Landis and husband, Wayne Landis, Joanne Marsh, Lawrence Marsh, John Marsh, Kathleen Marsh, Ed Guy Branch; W. D. Bell and Mrs. W. D. Bell, their unknown heirs, devisees and legal representatives if either be deceased.

Plaintiff's suit or cause of action is one involving the title to that particular tract of land located in Crockett County, Texas, and described as follows:

Being all of Section 5 in Block W, TC Ry. Co. Original Grantee, Crockett County, Texas, and containing 640 acres, more or less.

Plaintiff's petition is in the statutory form of trespass to try title and is brought for the purpose of determining the legal rights of all of the named parties Plaintiffs and Defendants, in and to the lands and all interests therein, as above described, all as is more fully shown by Plaintiff's first amended original petition on file in this suit.

The Defendant W. D. Bell is apparently claiming an undivided one-half interest in and to all interest owned by Mary V. Sharrar, et al, in and to the lands above-described, as reflected by an instrument recorded in Volume 104, Page 481 of the Deed Records of Crockett County, Texas, and the other Defendants, Mrs. W. D. Bell, and the unknown heirs of W. D. Bell and Mrs. W. D. Bell, collectively, if W. D. Bell be deceased, assert a claim equal in amount to that claimed by W. D. Bell, as set out in said instrument.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said Court at Ozona, Crockett County, Texas, this

the 5 day of March, 1960.

The track boys went to Eldorado Tuesday afternoon, to compete in the track meet which was to be held last Saturday, but was postponed because of rain. The team will go to Eagle Pass this weekend, to meet stiff competition. Ozona is again the scene of the district track meet, which will be held on April 9.

The tennis team, Bill Meinecke, Tommy Fields, Pierce Miller, Johnny Childress, Buddy Anderson and Billy Cornelius, went to Big Lake last week, to play practice games. Bill Meinecke and Tommy Fields won doubles against Big Lake. Pierce Miller and Buddy Anderson were tied with Big Lake when the game was rained out. Big Lake will return the visit the latter part of this week. The district tournament will be held in Junction, April 12.

TONY PARKER RECEIVES HONOR

Tony Parker, high school, junior, has been named by the Southwest Sports Publication Inc., as one of the boys to be featured in a Texas football magazine, written for Texans about Texans. It will deal with all schools. 1-A through 4-A their outlook, and top players.

A conservative guess as to the number of boys competing was 25,000, and out of those 25,000 boys the editors selected (with the help of coaches and sports writers) 115 boys who they think are the state's schoolboy elite. The magazine, which will include a printing of 80,000 in the initial edition, will be available at all newstands in Texas and Arkansas.

During the 1959 season Parker scored 17 touchdowns for 102 points. He caught four passes for 108 yards and one touchdown. The speedy halfback carried 175 times for 997 yards, and averaged 5.82 yards per carry.

Y. W. A. GIRLS MEET

The Jewel Abernathy Y. W. A. girls met at the First Baptist Church Wednesday. The program was given by Mrs. Harold Shaw. Punch and cookies were served. Present were Beverly Alford, Don Nell Carnes, Bama Burton, Jayne Cole, Janie Everett, Vicki Carroll and Mrs. Shaw.

FFA BOYS HAVE HAY-RIDE

The F. F. A. boys had a hayride Saturday night and invited dates. They enjoyed a ride to Pleas Childress's ranch.

After arriving at the designated spot, a dirt tank, a fire was built and hot dogs cooked.

Special guests were Mrs. Barber, Mr. and Mrs. Leath, and Mrs. Barber's mother, Mrs. Ridley. Mrs. Noelke took pictures.

STUDENT COUNCIL ATTENDS CONVENTION

The student council officers for 1960-61 will attend the State Convention of Student Councils which is to be held in Amarillo beginning April 6. Those attending are Jim Freeman, President; Johnny Childress, Vice President; Sandra Whitaker, Sect. - Treas.; Barbara Barber Senior Representative; and Student Council sponsor, Miss Jean Powers.

This year Miss Powers is in charge of one of the topics to be taken up in the problem clinic — "The Relationship of the Student Council and School Clubs."

While they are there the council will attend several assemblies and workshops. Each member will attend a special class devoted to the ways he can better fulfill his office and class.

SENIOR BAR-B-Q TO BE HELD SATURDAY WEEK

Saturday, April 9, at 12:00 noon, the Ozona High School Seniors will have a barbecue at the football field. This barbecue will cost \$1 and will be one of the last chances for the Seniors to make money for their trip.

Chef "Pierre" Harlan has reported that the goat meat is in prime condition and should be extremely delicious.

The barbecue is during the break of the district track meet. Everyone come out!

Marriage Plans Of Miss Becky Davidson And Giles Hayes Madray Revealed By Her Parents

Mr. and Mrs. Joe Tom Davidson announce the engagement and approaching marriage of their daughter, Becky, to Giles Hayes Madray, Jr., son of Mr. and Mrs. Giles Hayes Madray of San Antonio. Grandparents of the bride-to-be are Mr. and Mrs. Joe T. Davidson of Ozona, and Mr. and Mrs. H. E. Hill of Big Lake. Her great-grandfather is W. J. Cutbirth, also of Big Lake. Grandmother of Mr. Madray is Mrs. Lula Nutt, of Cotulla.

Becky is a graduate of Ozona High School and a student at the University of Texas where she is

a member of the Longhorn Band. Mr. Madray will graduate from the University in August, and is a member of Acacia.

The wedding ceremony will be performed by the Rev. Morris Bratton for the couple and members of their families at the Ozona Methodist Church on June 4th.

Marketing Increase Noted At Union Stock Yards For February

A market report issued at the Union Stock Yards San Antonio showed an increase in the volume of livestock sold through the Yards for February of 1960 over February of 1959. Every division showed an increase in sales, which was also accompanied by very favorable prices in every division.

February of 1960 saw 17,368 cattle — 4,892 calves — 4,030 hogs and 4,155 sheep and goats. These were substantial increases over 1959 and the increases were 5,470 cattle or 31% cattle or 31%; 2,065 calves or 42%; 575 hogs or 14% and 90 sheep and goats or 2%. These increased volume of livestock is felt to be only an indication of the growth which has taken place in the livestock industry of

south and southwest Texas in the last several years and the big increase in marketing which is expected at the Union Stock Yards during 1960.

SORRY FOLKS!

Yes, We Are Sorry to Have Kept **CARROLL ABBOTT** from Visiting You!

You see, Carroll Abbott wants to go to Austin and work for you as your State Representative. He should have been out asking for your votes . . . But we had a job to do here, a big job!

One of our industries was fixing to leave the Hill Country. We had to hurry to keep it here. It was do-or-die. We needed the help of everybody, especially men of Abbott's caliber.

With others, Abbott responded to the challenge. A two-week whirlwind campaign of day-or-night netted \$45,000. That financed a Foundation and kept our industry at home.

He's back in the race now; you'll see him soon. It's easy to see why we like Carroll Abbott. You'll like him, too!

Sheepmen's Promotion Program Boosts Wool And Lamb Demand

About 4½ years ago sheepmen from this area joined with others across the country in a program of promotion and advertising of their products. The program is now one of the finest of its kind in agriculture, creating greater interest in lamb and wool to help boost a sheep industry that was flat on its fleece a few years ago.

The promotion organization is the American Sheep Producers Council at Denver, entirely supported and governed by sheep producers.

Sheepmen contribute one-cent per pound of wool and five cents for each 100 pounds of lamb sold into the promotion fund. This promotion fund contribution comes from the sheepman's incentive payment, a payment he receives on wool which comes from duties on imported wool.

Recently, at their annual meeting in Denver, the directors voted to hike the promotion budget from \$2,589,000 to \$3,200,000 of which approximately \$1,673,000 is earmarked for lamb promotion and advertising and \$1,229,000 for wool promotion and advertising, beginning the fiscal year, July 1.

Jim Nugent

Candidate For State Legislative Post Has Five Point Platform

A five-point program or platform has been adopted as the launching pad for the candidacy of James E. (Jim) Nugent, Kerrville attorney, for state representative from the 78th district, which includes Crockett county.

Mr. Nugent is for economy in the state government, for the Farm-to-Market road building program, interested in veteran's problems, for higher pay for teachers and for higher old-age pensions.

"Since tax money is subtracted from what is available for living expenses and business expansion, I will give my utmost efforts to see that all state agencies practice economy in the use of your tax dollar," the candidate said.

"Ranchmen and farmers are the backbone of our state and nation and their problems will receive my full attention," Nugent said in announcing support of the F-M road program.

He pledged to work for first class schools with "particular interest to schools in sparsely settled areas," and to "see that our teachers receive an adequate living wage."

"The plight of the deserving old people of our district and state due to inflation is a disgrace in a state

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Stockman's Austin Bureau

Austin, Texas — It's nine months until the 57th Legislature comes to Austin to pass laws, appropriate money and, probably, enact new taxes. But the major decisions are being made now.

Whether it's the warmer weather or the dwindling time — (first primary is only a little more than a month off) — the deciding process is now going full tilt.

Candidates have their literature off the presses and their campaign organizations in action. Challenges and promises are being made, mostly centered on one issue — meeting the state's in-the-red financial predicament.

In most areas legislators are being forced, if their announcement platforms aren't clear, to say pretty specifically what sort of new tax they would favor.

On the statewide level, it's the same. Jack Cox, with the backing of Former Gov. Allan Shivers, has come out for a 2 percent sales-tax-for-education. Gov. Price Daniel has consistently maintained that the state's financial problems are not so great they cannot be solved by other means.

Ranchers Expect Good Year — Reflecting the age-old Texas philosophy that everything depends on

that is enjoying the greatest prosperity and highest income in history," the candidate said... "Too long this state has delayed in complying with the will of the people who amended the constitution to provide additional monies and benefits each month for our senior citizens and for this I will work unfalteringly.

"When elected, I will represent the wishes of the people of this district as you advise me," Nugent declared. "I will not be the tool of any special group or faction."

rain, most Texas ranchers are wearing a smile this spring.

Members of the Texas and Southwestern Cattle Raisers Association meeting in Austin said wet weather had put a "season" in the ground. Prolonged cold meant a lot of expensive feeding, but, in general, the cattlemen look to this year as one of the best ever.

Cattle Measures Urged — Cattlemen voted to seek governmental action in these areas:

1. State and federal agency help to enable railroads to operate more efficiently and economically.

2. Legislative enactment of a stronger trespass law to protect land owners.

3. Full authority for the Texas Animal Health Commission to direct the brucellosis eradication program begun under a law passed by the Legislature in 1959.

4. Confirmation by the U. S. Sec'y of Agriculture of the Association's right to carry out its brand registration and inspection program.

5. Launching by the USDA, as quickly as possible, of a screw-worm eradication program in the Southwest similar to the dramatically successful Florida program.

Bridge Work Set — Texas Highway Commission has announced plans to spend \$5,216,500 in strengthening or rebuilding more than 100 bridges.

They are bridges regarded as not strong enough to take the increased 72,000 lb. load limit authorized by the last Legislature. At present these bridges are "zoned" to prevent use by trucks loaded to the limit.

What's The Difference?

The difference in price between today's prescriptions and those of 20 years ago can easily be figured. The difference is measured in dimes... sometimes even in dollars. But how can we measure the difference in results? Surely, no value can possibly be put on a life saved by a miracle drug that didn't exist 20 years ago!

"Worst roads in the world, but this new Chevy takes all the roughness out!"

Out near Wathena, Kansas, farmer Milt Roundy tends 800 acres with only one helper—his 1960 Chevrolet pickup. The truck almost never runs on Kansas's fine state highways—in- stead it averages about 3,500 miles a month on unimproved back- country trails or on hauls into the fields, off the road. "In my book, these are the worst roads in the world," Mr. Roundy says, "but this new Chevy takes all the roughness out. It doesn't fishtail or whip around like other trucks — I can steer it with one finger!"

They're speaking right up, these owners of '60 Chevrolets. Everywhere you go, they're giving out glowing reports on a revolutionary new truck ride that leads to a bigger day's work at less expense; praising truck power that knows the most about saving money. It's Chevy's total newness they're talking about. And you'll be talking, too, once you turn a new Chevrolet loose on your money runs. Your dealer can get you started, right away!

It takes Chevy's new Torston-Spring Ride to smooth out a road like this!
