## Bronte's Single Wing Attack Too Much For Lions

### Class B Squad Upsets Favored Ozona 29-24 Convincingly

By Ernie Boyd

The Ozona Lions found no answer to the Bronte single wing Friday night and even though they scored four times with comparative ease they lost 29 to 24.

If Bronte failed to find a defense for Ozona's speed, the Lions were at even more of a loss to defend against the Steer attack, as the home town boys hogged the ball most of the game and scored five extra points to the Lions' none.

Ozona opened the game with a fumble on its own 32 and then after scoring once, and trailing 8 to 6, they fumbled on their own 23 to put themselves out of the contest.

Coach Fred Hickman's charges tried hard but there would be fewer greener teams at defending a single wing than were the Lions. The Ozona defenders were out of position, failed to react, and on top of that did some pretty sloppy tackling, all of which was paying big dividends for Bronte on the score board.

The game began before a big crowd with the Steers kicking off to the Lions. On the first play Jim Doran, who played his top offensive game of the year for the Lions, broke through for four yard but fumbled and Bronte recovered.

The Steers caught everybody inside and swept right end for five yards, and then twenty, as Dee Arrott, a 160 pound junior tailback, did the running. A five yard crash up the middle by halfback Eddy Spiller and a costly five yard penalty set the ball on the one and fullback cracked over for the first score. Arrott then rifled a pass to Jerry McCutchen for two points and the Steers were in front to stay.

The Lions took the kickoff following a nice runback by Phillip Carnes and marched 70 yards for a score with Jim Doran going over from the four yard line.

The Lions would have scored on the third play of the drive had the ball carrier gone on the right side of his blocker instead of pulling a boner and cutting back out of an open field.

Tony Parker tried for the extra point, but the effort was short. The Steers received and were stopped deep in their own territory on the kickoff. On second down the Steers talented tailback got off a 64-yard quick kick and that set the stage for the Steers second marker.

On second down the Lion quarterback lateralled to Parker and (Continued on Last Page)

## Get-Acquainted Session For Teacher-Parents At Opening PTA Meeting

Ozona P. T. A. met Monday night in the North Elementary Auditorium for the first meeting of the new school year. Mrs. R. L. Bland, Jr., president, welcomed the teachers and parents.

Mrs. S. E. Carnes, program chairman, gave an outline of programs for the year. Each program has been especially planned for greater interest to all parents and teachers, she said.

Mrs. Joe Couch, finance chairman, reported on plans for the P. T. A. carnival to be staged in the city park tonight. Mrs. Harold Shaw presented the budget for the year which was approved by the group.

Teachers from kindergarten through high school, were introduced. After the formal session, members and guests met their own children's teachers in home rooms, and examined displays of student work. Miss Mikeska's third grade won the attendance award.

Refreshments were served to 185 persons by Mrs. Morris Bratton and Mrs. James Conaway, hostesses for the evening.

## Zooming Interest In Scouting Indicated By Open House Attendance

New interest in Scouting, forecasting one of the best years for Troop 153, was manifest at the open house observed by the troop and its leadership Tuesday night at the Scout cabin.

More than 100 boys and their parents and friends were present for the event, which preceded by one week the actual organization and enrollment of the troop for the coming year.

District Executive Lynn Yantis of San Angelo was here for the open house and addressed the Scouts, prospective Scouts and their parents on the aims and purposes of Scouting. A film showing what goes on at a Scout meeting was shown and skits by the boys and a song fest completed the evening's program. Assistant Scoutmaster Chuck Taylor was master of ceremonies. Scoutmaster Bob Hilley and Assistants Jackie Holmes and Bun Carpenter directed events.

## Lesson In Football For Woman's Forum

Ozona Woman's Forum met Tuesday in the home of Mrs. Carl Appel with Mrs. Jim Ad Harvick, as assisting hostess.

Mrs. T. J. Bailey, program leader, gave a history of football and introduced Brooks Dozier, guest speaker, who explained the primary formations and plays now generally in use in football.

A "buzz" session was followed by a business meeting. Mrs. John Coates presented plans for the member pilgrimage to the Praderanch Oct. 8. Federation counselor, Mrs. Bill Childress, announced that the district workshop will be in Brady Oct. 1.

Members present were Mmes. Carl Appel, T. J. Bailey, Charlie Black, James Childress, P. L. Childress, Bill Childress, Bill Clegg, John Coates, L. B. Cox, III, Tommy Harris, Jim Ad Harvick, B. B. Ingham, Jr., Pete Jacoby, Brock Jones, Dempster Jones, Marshall Montgomery, P. C. Perner, J. S. Pierce, III, C. O. Walker, Charles Williams, Jr., and W. H. Whitaker and guests, Mr. and Mrs. Brooke Dozier.

## Whew! Buffalos Don't Run Single Wings - But My, What a Lot of Big Fuffalos In Stanton Where Ozona Lions Due To Play Friday Night

By Ernie Boyd

Coaches Fred Hickman and Sonny Cleere sent the Ozona Lions through some rigorous drills this week in an effort to sharpen up their defense as the Lions prepared to invade Stanton in the season's fourth contest.

The Lions emerged from their loss to Bronte last week without injury but illness has had a number of the regulars out of school for a day or two at a time this week.

Line Coach Sonny Cleere appraised the Lions tackling efforts in Bronte as "lousy" and stated early in the week that if the Lions had incurred any injuries in the Bronte contest, they didn't come from efforts to tackle Steer ball carriers.

Even though the Bronte game did bring into focus some poor tackling by the Lions, it was not that any more than it was lack of experience against the seldom seen single wing attack that dealt the Lions so much woe.

The Stanton Buffalos were raised to 2A rank this season and will be facing the Lions for the third time in this series. Two years ago the Lions downed the Stanton crew 33 to 7 in Stanton but last year dropped a 20 to 13 decision to the Buffs in Ozona.

The Lions played the Buffalos last year with some four or five regulars benched because of injury and illness, but the most telling loss was that of passer Bob Meinecke whose absence allowed the Stanton crew to play in an eight to nine man front wall most of the game.

The Lions blew the contest in

Jess H. Hall

## Church Of Christ Gospel Series To Last Thru Sunday

### Paducah, Ky, Minister In Twice Daily Sermons This Week

Jess H. Hall, pastor of the Lone Oak Road Church of Christ in Paducah, Kentucky, will conduct a series of meetings at the Ozona Church of Christ, continuing through next Sunday, Sept. 25. The series began with opening services last night at the church.

Afternoon services beginning at 4 p. m. will be held today and Friday, with night services beginning at 7:30 scheduled for tonight, Friday and Saturday nights and the regular services Sunday, the morning hour at 10:45 and evening service at 7:30.

Following the Sunday morning service, the church will serve dinner for all its members and friends at the Granny Miller Hall, starting at 12:30 p. m. Spokesmen for the church extended an invitation to the entire community to attend any or all of the services and to join in the fellowship dinner at noon Sunday.

Mr. Hall formerly preached at both the Northside and Southside Churches of Christ in Abilene and has been at Paducah, Ky., since 1941. He has visited previously in Ozona and is described as an interesting speaker and an excellent Bible scholar.

the final period when they played sucker to a fake kick and allowed the invaders to pass for a first down on the Lion twenty-one yard line.

Stanton has already chalked up a 44 to 0 win over Big Lake and lost a season opener 16 to 0 to Merkel.

In last week's clash the Buffalos jumped into an early lead against Coahoma but had to hang on in the final period to win 26 to 21. The results of that game even though encouraging to the Lions might be as the result of overconfidence and not as inviting as it seems.

Stanton brought to Ozona last year a traveling squad of over forty players and had only three or four seniors in the starting lineup so it was figured that the Stanton team would be able to compete on even footing with most of its double A foes this fall.

If the defense played poorly last week it did not affect the offense greatly as the Lions scored on four of six possessions if you don't count two fumbles and one time that they came into possession when there was not time to do anything before the half.

The return to the T offense should be of great comfort to the Lions who are not nearly so poor a defensive club as was seemingly the case last week.

It is just a fact that today many high school boys grow up in the game without the slightest knowledge of what makes a single wing go or what a good one would look like. Without meaning to criticize anyone, the fact remains that Sonora and Sanderson for the past (Continued on Last Page)

## Spread In Gas Field South Of Ozona Indicated

### New Davidson & Hunt Wells Expand Fields Production Area

A two and a half mile spread for the Baggett (Strawn) gas field 11 miles south of Ozona, was seen in Santiago Oil & Gas Co., No. 1 Davidson, in 21-F-GC&SF, 2 1/2 miles east of the three well Baggett (Strawn) field, which flowed gas on a second consecutive drillstem test early in the week.

The Ellenburger wildcat flowed gas on a drillstem test in the Strawn lime topped at 8,907 feet.

On the one-hour and seven-minute test between 8,870-8,960 feet, gas surfaced in 3 1/2 minutes, flowing at the end of a 15-minute period at the rate of 310,000 cubic feet daily; in 30 minutes at the rate of 330,000 cubic feet daily; in 45 minutes, at the daily rate of 367,000 cubic feet; and at the end of one hour, at the daily rate of 416,000 cubic feet. Recovery was an unreported amount of gas-cut mud.

Flowing pressure was 110 pounds; initial and final 30-minute shut-in pressure were 3,950 pounds; and 3,775 pounds.

On the second test, gas surfaced in two minutes, rated at 340,000 cubic feet daily and increasing at the end of one hour to 714,000 cubic feet, on a one-hour test between 8,960-9,040 feet. Recovery was 130 feet of gas-cut mud. Flowing pressure was 60 - 100 pounds; 30-minute initial and final shut-in pressures were 4,040 pounds and 3,750 pounds respectively.

The project, slated for 10,200 feet to test the Ellenburger, was bottomed at 9,100 feet, preparing to take another test.

E. H. Hunt, Ozona, has shut-in for lack of pipeline connections his No. 2 Sue Hunt, in 6-J-GC&SF, third Strawn gas producer for the Refoil multiphase field of Crockett County, 10 miles southwest of Ozona.

Reports that the project had been completed for a calculated, absolute open flow of 15 million cubic feet of gas per day through perforations between 9,113 - 9,200 feet were in error.

Operator says the project will be potentiated when an outlet is available.

## Ozona Music Club To Open Club Year With Guest Night Supper

Ozona Music Club members will open the new club season with a guest night buffet supper Thursday evening, Sept. 29, in the home of the club president, Mrs. H. B. Tandy. Meeting time is announced for 6:30 p. m.

The club's executive committee met Saturday to discuss plans and projects for the coming year. Among projects of the club will be to bring concerts to this community, to encourage local music students and to sponsor a music therapy system.

Club officers for the year are Mrs. Tandy, president; Mrs. Brooks Dozier, vice president; Mrs. R. K. Wimberley, recording secretary; Mrs. Ken Cody, church music; Miss Geneva Knox, publicity; Miss Lucille Farmer, music service to the community; Mrs. Roy Killingsworth, historian; Mrs. Ottis Pridemore, treasurer, and Mrs. Herbert Kunkel, reporter.

## SON TO VANNOYS

A son, Perry Gene, was born Saturday, Sept. 17, at the Crockett County Hospital to Airman 2C and Mrs. G. L. Vannoy of Ozona Air Force station.

## KENNEDYS HAVE SON

Mr. and Mrs. Floyd Kennedy are parents of a son, Olin Arthur, born in the Crockett County Hospital last Thursday, Sept. 15. The Kennedys recently moved to Ozona from Sheffield.

## Annual PTA Carnival Tonight In City Park

Ozona P. T. A. annual carnival the organization's only money-raising event of the school year, will get under way at 5:30 this afternoon and continue as long as the crowds have money to spend in the dozens of booths, games and entertainment features to be offered.

The food booth will be open promptly at 5:30 so that patrons may eat supper in the park and enjoy a full evening of carnival entertainment. The various booths have been assigned to classes from the grades through high school. They are as follows:

Kindergarten: Popcorn and pony cart rides.

First grade: Dart gun, wishing well and go fishing.

Second grade: Grab bag, clown booth, milk bottles.

Third grade: Crazy hats, cat stand.

Fourth grade: Hoop-a-la, bean bag.

Fifth grade: Break-a-a-record, jewelry store.

Sixth grade: Dart balloons, shooting gallery.

Seventh grade: Bowling booth.

Eighth grade: Archery booth.

Junior High: Tamale booth.

Freshmen: Spook house.

Juniors: Cake auction.

Seniors: Side show, to be held in the courthouse.

Student Council: Chunk the wet sponge.

P. T. A.: Food booth.

## Abilene Minister Leads Revival At Calvary Baptist Week-Long Series To Start Sunday; Rev. Carter Preaching

Revival Services will begin Sunday, September 25th and continue through Sunday October 2nd at the Calvary Baptist Church. Rev. Hugh Stiles, pastor, announced this week. Rev. Charles Carter of Abilene will be evangelist and Harold Shaw of Ozona will be in charge of the song services.

Mr. Carter, has filled the pulpit at the First Baptist Church of Ozona several times and is known to many of the citizens of Ozona. He has held revivals in several states including California, Arizona and New Mexico. His pastorates include churches in Texas and also in Arizona. His most recent evangelistic services were held in Fort Stockton at the North Side Baptist Church and also at the Mother Holmes Baptist Church in Sheffield.

Services for the local revival will begin at 7:30 p. m. each night. Prayer meetings will be held at 7:00 p. m. along with choir practice. One of the special events of the meeting will include a barbecue dinner on the last day of the revival.

The Calvary Baptist Church is in the process of constructing its new church plant on Avenue I. Ground breaking services were held last Sunday and actual construction will begin following the revival services.

The members and friends of Calvary Baptist Church extend a very special invitation to everyone in Ozona to attend these services.

## MILLERETTE LEAGUE

The Millerette bowling league met Tuesday night to adopt new rules and make plans for the winter league season. The new winter league play will open Thursday night, Sept. 29, at 7 p. m. All bowlers must be present by 7 or before three frames have been completed or forfeit the first game. Copies of the league rules will be given to each member before league play starts.

## Oil Firm Denied Fresh Water Use In Schleicher Co.

### Threat To Ozona, Sonora Water Supplies Stopped By RRC

Announced plans of the Cities Service Oil Co., to use fresh water from a shallow depth in its waterflooding operations in the Page field in Schleicher county, near Eldorado, were knocked into a cocked hat when the plan was brought to the attention of the Texas Railroad Commission.

In response to an appeal by the Sonora Lions Club, on the ground that use of the quantities of fresh water contemplated, from depths corresponding to that of the sources of supply for the cities of Ozona and Sonora, would endanger these municipal supplies, the Texas Railroad Commission reminded the Cities Service that it had been granted the waterflood permit on the basis of use of salt water obtained at a depth of 1800 feet — not fresh water at a depth of approximately 450 feet.

Early in August, the Sonora Lions prepared a letter to Cities Service requesting that they refrain from using fresh water in the extensive waterflooding operations planned in the Page field. The company, according to a letter to local interests received this week, "advised us that they were 'fortunate in obtaining an excellent supply of fresh water at a shallow depth' and that they were 'contemplating' the use of this water in waterflooding the Page field."

The Sonora group then appealed to the Texas Railroad Commission against this threat to theirs and their neighbor city's source of municipal water, and received a copy of a letter dispatched by the Commission to the Cities Service Oil Co., which stated:

"The Commission, at a formal conference on September 6, 1960, reaffirmed its prior approval of your waterflood application of the Page Field, Schleicher County, Texas, as submitted; that is, that salt water obtained from an approximate depth of 1800 feet is to be used for injection purposes. Production and injection of fresh water must cease."

"We know your organization is deeply concerned in protecting our underground fresh water supply, and will appreciate the action of the Railroad Commission," Joe Nance, president of the Sonora Lions Club, wrote the Crockett County Water Control District, in reporting results of its efforts.

## Early Bird League Organized For New Winter Season Play

The Early Bird League of women bowlers held its organizational meeting Tuesday morning at Miller Lanes. New rules were made for the coming winter season.

All teams will bowl Tuesday morning, Sept. 27, at 9:30 a. m. to establish averages, with league play to start Tuesday morning, Oct. 4, at 9:30 a. m. on a handicap basis.

Sponsors for the league are Elmore's Gulf Service, Miller Lanes, Ozona Stockman, Brock Jones Oil Industrial Life, Ivy Mayfield, Marg's Beauty Shop, Evans Foodway and Hi-Way Cafe.

Women who do not bowl on teams in this league and wish to substitute are urged to go to the bowling lanes and bowl three lines as in regular league play and turn in their score sheets to the manager so that they will have an established average.

The Fidelis Sunday School class of this First Baptist Church of Ozona held a lawn supper at the home of Mr. and Mrs. Leo Bawcom last Saturday night. Guests of honor were Mr. and Mrs. Bob Haynie and Rev. Frank Dearing.

*Now... Gas Ranges bring you another important cooking "first"*

**ACCURATE OVEN CONTROL AS LOW AS 140°!**

At last, here is glorious freedom from the frustrations of dinner delays and dried-out foods. With the remarkable FLAME MASTER oven control, you can cook meals even hours in advance... secure in the knowledge that whenever your family or guests are ready... the meal is ready, at precisely the right serving temperature!

Until now, most temperature settings below 200° have been "guesstimates" — subject to wide fluctuations. The FLAME MASTER provides pin point accuracy at any setting from 550° down to 140°! What's more, it lets you pre-warm your best dishes without danger... thaw foods more quickly and evenly. For example, a 7-lb. turkey can be thawed in about 2½ hours vs. 14 hours at room temperature!

Check with Pioneer or a Gas Appliance dealer about all the wonderful advantages of the new Gas Ranges and "find out what Gas is doing these days"!

fuel for a growing empire **Pioneer Natural Gas Company**

### Hospital Landscaping Finished, Womans Club Turns To Club House

The Ozona Woman's Club voted to change the Club's memorial fund from the hospital landscaping project to the Club House fund, which is the club's special project at this time. The hospital management feels that the landscaping of the grounds is complete for the present.

A local hospital was a special concern of the Woman's Club from early years. When the need arose for a larger county hospital, the Woman's Club under Mrs. Max Schneemann as president, agreed to carry the petition to get signers asking for a bond issue vote. Voters approved a \$200,00 hospital bond issue overwhelmingly in May 1955, and soon the modern, well equipped hospital was a reality.

In July, 1956, under the then president, Mrs. L. B. Cox, Jr., the club adopted beautification of the hospital grounds as a special project. A committee composed of Mrs. Max Schneemann, Mrs. J. W. Henderson, Mrs. Ewart White, Mrs. Eldred Roach and Mrs. Bailey Post, was named to supervise the

work. Landscape architects drew up a planting plan with a ten-year period for completion.

With the planting and dedication in May, 1960, during the presidency of Mrs. Ewart White, of the little Memorial Park which honors Crockett County war veterans, the landscaping project was completed for the present. Should the hospital be enlarged or further landscaping be found necessary, the club will take charge of the work. In the meantime, those who wish to make memorial gifts to the hospital should contact J. B. Post, hospital manager, who is in charge of the hospital memorial fund.

Many individuals and organized groups helped in the landscaping project for which the Woman's Club expressed appreciation. Organizations assisting were the Woman's Forum, Ozona Garden Club, Epsilon Sigma Alpha sorority, The War Service Board had a fund of \$309.47 in the bank which was donated to the project and was applied to the War Memorial park. The hospital board gave \$200 from their memorial fund and the bronze plaque for the marker in the Memorial Park.

The Club Memorial fund received \$737.85 from members and

friends, these gifts bazaars, candy and cake sales made it possible for the club to complete the project. All specified trees, plots and shrubs have been marked by the club with bronze plaques.

### CROCKETT HOSPITAL NEWS

Patients admitted to hospital since June 13th: Mrs. F. M. Cooper, Ozona, accident; Mrs. Floyd Kennedy, Ozona, obstetrical; Mrs. G. L. Vannoy, Ozona, obstetrical; Mrs. Kenneth Stanton, Ozona, medical; Mrs. C. V. Fuller, Ozona, accident; Mrs. Domingo Leal, Ozona, medical; Mrs. Richard Garcia, Ozona, obstetrical; Mrs. Placido Borrego, Ozona, obstetrical; Mrs. Santos Porras, Jr., Ozona, obstetrical.

Mrs. L. A. (Red) Greer, has returned from a visit with relatives in Somerville, Texas.

### Ozona Buick Dealer Views 1961 Models In Jet Trip To Detroit

Buddy Moore, Ozona Buick dealer, was among Buick dealers from all over the United States, to visit in Detroit, Michigan, where the dealers got a preview of the 1961 Buicks, soon to be announced.

Moore flew from Dallas, as guest of the Buick Motor Co., to Detroit aboard a jet airliner, flying at 22,000 feet and at a speed of 370 miles an hour. The Ozona Buick dealer had the rare privilege of sitting in the cockpit with the three crewmen while they were flying the big jet and listening in through headphones to the radio communications with ground stations as the flight progressed. Although the new Buicks are exciting, the jet flight was the highlight of his trip, Moore said.

Jim Campbell, Foy Moody, H. O. Hoover, and Charles Taylor, all members of the Ozona School faculty, were in Abilene last Saturday night to attend the football game between A. C. C. and E. T. S.

### LADIES GOLF ASSN.

The monthly luncheon of the Ladies Golf Association was held at the country club last Thursday. Luncheon hostess was Mrs. Byron Williams. The table was centered with a large arrangement of rose colored zinnias.

In golf play for the day, low putts was won by Mrs. Dempster Jones, low-net and trophy play also by Mrs. Jones. The most points on pars, birdies and eagles in golf for the last months was won by Mrs. Jess Marley.

Bridge hostess following the luncheon was Mrs. W. W. West. High score went to Mrs. Jack Williams, low to Mrs. Charlie Black and cut to Mrs. Joe Pierce, Jr.

The Association is invited to a one-day tournament in Son Angelo on October 6. A one-day tournament is planned here for October 27.

Attending were Mmes. J. S. Pierce, III, Marshall Montgomery, Gene Williams, Jack Wilkins, Lloyd Sherrill, James Baggett, Nelson Long, Hugh Childress, Jr., Leroy Zunker, John Childress, J. M. Baggett, Nip Blackstone, Early

Baggett, Jess Marley, Dempster Jones, Charlie Black, Joe Pierce, Jr., W. W. West and Jack Williams.

### GLEANERS CIRCLE

Members of the Gleaners Circle, Methodist W. S. C. S. met Wednesday morning in the home of Mrs. Joe Tom Davidson, with Mrs. Joe Pierce, IV directing the study on "What Is The Church." Others present were Mmes. Bailey Post, W. O. Reeves, H. B. Tandy, J. W. Henderson, John Childress, Buster Deaton, R. K. Wimberley, James Kirby, L. D. Kirby, R. A. Harrell, O. D. West, C. F. Brown, Ruben Whitehead E. O. Crenweige S. M. Harvick, W. O. Mills, Joe Pierce, III, Joe Pierce, IV., Joe Pierce, Jr., Keith Mitchell and John Madray.

Mr. and Mrs. Sammy Martinez, Jr., and their baby have returned to California after a visit in Ozona with Mr. Martinez's parents, Mr. and Mrs. Samuel Martinez. The young Mr. Martinez a graduate of Ozona High School and A&M College, is employed as an engineer by a large aircraft corporation in California.

## LITTLE THINGS MEAN A LOT

How long has it been since you have given someone a compliment? We often think nice things about people, but seldom do we tell them.

We all need praise and encouragement or our self-respect and confidence is shaken.

There are many helpful and unrequired things people do that others take for granted. A good example of this is our teachers. Many of them could be earning more money in other fields, but they have the desire to teach. A good way to show them our appreciation is to make a sincere effort to learn.

A small compliment on someone's appearance can often make their day a much brighter one. Why must most of us leave unsaid some pleasant truths that would make others happy?

Compliments are often left unsaid because of jealousy. Such as when someone achieves an accomplishment you were not able to achieve. Learn to be a bigger person.

In the art of praise, sincerity is essential. It is sincerity without flattery that makes a compliment believable.

Something good can be said about everyone. We have only to say it.

## FAR O'ER THE FIELDS OF BATTLE "WAVERS" THE PURPLE AND GOLD

What has become of our school spirit? Has our student body forgotten what school spirit means or have we become too interested in ourselves to give a little time and respect for our school or to exert a little interest or energy for it.

One of many instances which proves that we may be losing our school spirit is an incident that happened last Friday during the pep rally. When everyone was supposed to be standing at attention while the school song was being played, many were too busy trying to make their way out of the building. This was a definite example of our lack of school spirit.

Another incident is the way only a few cheered at the football game last Friday night. It is no wonder that the team lost because only a few students were supporting them in the stands. How can the team have any spirit when none of their fellow students have any?

This is something that can be remembered if the student body will only consider their own personal feelings toward our school and act accordingly.

## PARKING PROBLEM MAY PERPETUATE PETITION

Hark! New town project wanted! A definite improvement on "the hill" is needed. To realize this, compare the old days with modern times.

First, there comes the problem of getting up there. In the days of riding horses, traffic was no problem. As many as six horses could prance side by side up that rugged path. Now, with these automobiles, it is hard to squeeze through the bushes on those narrow roads. It was sheer murder for a horse to step on that rugged, rocky path, just think what it is doing for our well-worn car tires. Thus, it seems very necessary that a four-lane, paved highway be constructed for a safer, more pleasant journey to the hill.

Next, comes the problem of parking space. Considering the size of the horse, the young lovers had ample space in which to park. Now, with all these large cars with monstrous tail fins, the small parking area creates quite a problem. This continuous search for a place can prove to be very vexing for the ones who are already peacefully settled, as some smart-alec pulls up behind them and shines his bright lights into the

car of the one who is parked. A good remedy for this, would be for a bulldozer to spend two or three hours of work clearing out more space on the hill.

Then, last of all, it's the entertainment part. In the old days, whenever the young man serenaded his best gal with his guitar, there were no neighbors around to disturb. Now, if you happen have KOMA turned up a little too much, don't be surprised when you hear a ping-g-g sound over the car. It's just the neighbor on the hill shooting a friendly warning to cut that blasted radio down so he can get some sleep.

So, if you see a group of kids going around town with a piece of paper, think nothing of it. They just have a petition for improvements on "the hill."

## CLEERE CELEBRATES WITH CANDLES; NOT CRACKERS

Coach Byron Cleere has once again made history, by being "teacher of the week". He made his debut in 1932, when he was born on Independence Day, July 4, in Myra, Texas.

Coach Cleere attended Alice High School and Abilene Christian College where he received a B. S. degree.

As he states, he "became head of the house" in 1955, when he married Mrs. Cleere. They are now the proud parents of one son, Kirk, 18 months.

The Cleeres are members of the Church of Christ.

Before coming to Ozona to teach Coach Cleere taught 1 year at Brownfield. Coach Byron Cleere teaches Texas History, American History, Civics and coaches football and track. He has been in Ozona 6 years.

## FIRST HALLOWEEN CARNIVAL KEEPS WITCHES AND GOBLINS FROM DANCING

The first P. T. A. Carnival was held in 1912. Mrs. L. B. Cox, Sr., was president at the time. The purpose of the carnival was not to raise money, but to entertain the teenagers so the teenagers would not go to a dance.

## COME ONE! COME ALL!

Hurray!! The Annual P. T. A. Carnival is about to begin!! The P. T. A. Carnival is being held tonight and the gates will open promptly at 5:30.

The freshmen will add a touch of Halloween with the House of Horrors. The sophomores will hold down the Country Store, selling everything from a funny book to funny hats. The juniors will have the cake auction. The seniors will have the Side Show which will be held in the court room of the Court House. The Student Council will have the Sponge Throw, and the targets will be prominent citizens.

The carnival is being held in the City Park for the purpose of raising money for the P. T. A. and classes.

## BIRTHDAY CALENDARS SOLD BY OZONA BAND BOOSTERS

The Ozona Band Boosters Club has taken up a new money-making project. This year they are selling birthday calendars. They have taken this up to make money for the band treasury. Each year they help the band take a trip, or they buy something for the band.

The calendars are on sale now and may be purchased from any band booster. The town has been divided into sections and each section assigned to a member so that everyone will have a chance to buy one of these calendars. If by some chance you are missed, you can notify the president, Mrs. Homer Good.

The calendar will have a picture of the band on it and will have the birthdays and anniversaries of anyone who wishes to have them on there. The calendars will sell for \$1.00 each and the listings will sell for 50 cents each. Club listings will cost \$6.00 per year. An additional calendar for the same family will be only 50 cents.

Your purchase of one of these calendar for your home will be helping the O. H. S. band.

## HORN FLY HIGH ON SINGLE WING

If the Lions never see a single wing offense again it will be too soon. The single wing not too single when the Bronte offense came around your side. It looked like there were about six men coming right down your throat. It is over now but we all profited from

this game. Although it was a great disappointment to lose, we all gained something. (bruised egos).

The Bronte football team was listening to some wild music in their dressing room before the game and it must have done some good. Bronte had a couple of "Purple People Eaters" playing tackle, and they ate their share of purple (Continued on Page Five)

Morning Shave or Night-time Shower...  
Your Flameless Electric Water Heater Gives You Round The Clock Hot Water

Whatever the time of day — wherever your need for hot water — you'll always have all the hot water you want, when you heat water with flameless electricity.

There's never any work or worry. Just turn the tap, and there's a steady stream of really hot water—enough for your entire family's needs.

The electric water heater is one modern appliance you can install — and then forget! It's completely automatic and dependable — clean as your flameless electric light — equipped with thermostatic controls that see to it that you'll enjoy round-the-clock — round-the-house HOT water!

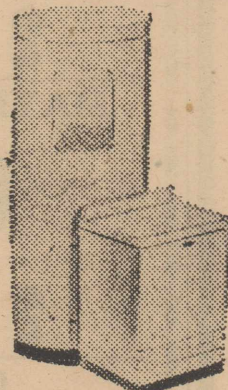

**NEW!**

**1¢ RATE**  
(WATER HEATER)

When you choose an electric water heater WTU will give you a special water heater rate of ONE CENT a kilowatt hour. You do not have to have any other load requirements and the rate applies to residential and commercial customers alike.

## A FRIGIDAIRE Electric WATER HEATER

IS ASSURANCE OF QUALITY

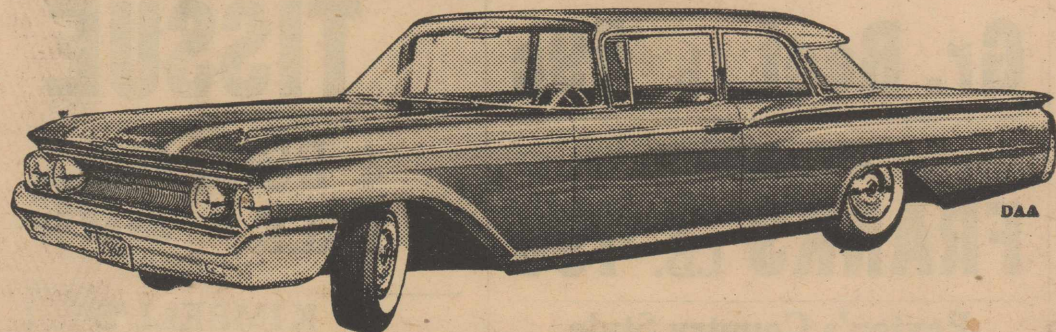

Your Assurance of Quality — The Frigidaire One-Year Warranty and Nine-Year Protection Plan is your assurance of quality. Whichever model you buy — Imperial or DeLuxe — it's protected against tank failure for 10 years. The entire Water Heater, including electrical controls, is covered by the One-Year Warranty. And under the Protection Plan, the tank is fully warranted for an additional four years after expiration of the first-year warranty, with a liberal allowance granted if replacement of the tank is necessary in the sixth through tenth year.

Your Flameless Electric Water Heater Can Be Installed Most Anywhere — It's Safe!

men.  
Practice will be a little difficult this week and everyone will be looking forward to the three hour bus trip this Friday. We will probably be going through the ABC's of defense, which is to tackle the boy with the ball.  
Most football players have hopes that the films of the Bronte game will be hi-jacked along the way. The football players were not the only one out for tea Friday night. Jim Doran made a beautiful 80-yard run, the coaches were watching the Bronte twirlers and thought it was Parker that made the run. While Parker was on the bench resting from his supposedly 80-yard run, exhausted. Jim Doran was trying to keep up with the plays.  
Football players invite all spectators who are blood thirsty to watch this week's practices.

**Notes From The County Agent's Office**  
By Pete W. Jacoby

The state 4-H record judging has just been completed according to information received in the county agents office this week. Each year delegates to National 4-H Congress and other state winners are selected on basis of their accomplishments as shown in their 4-H Club records.

Members of the State 4-H Judging committee spent three busy days at the State 4-H Office at College Station last week scoring and comparing more than 500 records — all winners in previous district 4-H contests.

Judges — composed of extension subject — matter specialists in agriculture and home economics and several district and county extension agents — examined the records for evidence of personal development and leadership ability of the 4-H Club member as well as the 4-H projects and activities completed.

You will have a chance to read about some of the fine accomplishments of these boys and girls during the months of October and November. Names and stories of the boys and girls who will represent Texas at the National 4-H Congress in Chicago November 27 to December 1 will be released during October.

There are really no losers in 4-H contests because each member has a chance to better his or her own score each year — or, as their motto goes — they work to "make the best better."

Four Crockett County 4-H Members had records in the state judging, Pierce Miller, Pam Jones, P. L. Childress, III, and Bill Jacoby all are hoping to win a state

award.

Many stores use tight transparent film for packaging fresh, unfrozen cut-up chicken or other ready-to-cook poultry and meat. For the stores this is a convenient, sanitary self-service, and rapid sale prevent storage problems. For storage in home refrigerators or freezers, extension foods and nutrition specialists of Texas A&M College suggest certain precautions.

A loose wrap is recommended for fresh, unfrozen poultry and meat in household refrigerators; for freezer storage a durable, moisture-vapor-resistant wrap is needed to protect against drying out or "freezer burn."

In the home refrigerator a tight wrap in a moist atmosphere encourages growth of micro-organisms and development of off-odors. Micro-organisms that grow on uncooked meat at refrigerator temperatures are not known to be toxic, but they do cause unappetizing tastes and odors.

Fresh meat and poultry keep best at 32 to 35 degrees F. in home refrigerators. For practical home use, here's a guide to refrigerator keeping, based on USDA and other research: Loosely wrapped fresh meat, 3 to 6 days at 38 degree F. (shortest time for fresh pork); loosely wrapped fresh poultry 2 to 3 days at 35 degree F. (shortest time for cut-up poultry); loosely wrapped organ meats, such as liver, 2 days at 38 degrees F.; loosely wrapped chopped meat, 1 day at 38 degree F.

When fresh, unfrozen meat or poultry reaches the home kitchen, loosen the tight film for refrigeration. Often, it's better to remove both film and paperboard tray, place meat on a plate, cover loosely with waxed paper or foil and put in the refrigerator. Chicken giblets, often packed in a separate

bag under the pieces of cut-up chicken, keep best in the refrigerator out of the bag, loosely covered, and apart from the rest of the chicken.

**WILLING WORKERS CIRCLE**

The Willing Workers Circle of the Methodist WSCS met Wednesday in the home of Mrs. A. S. Lock with 21 members present.

Mrs. Lock, chairman, presided at a business session, "The Community" by Deitrick Bonhoeffer, a Christian who was imprisoned and killed during World War II, and whose writings were smuggled out to the free world, was the study topic. Mrs. Morris Bratton led the study.

Present were Mmes. Demp Jones, Evert White, N. W. Graham, W. R. Baggett, Charles Williams, Sr., L. B. Cox, Jr., Paul Perner, J. A. Fussell, B. B. Ingham, Sr., Ralph Jones, V. I. Pierce, George Bunger, Jack Baggett, L. B. Cox, III, Stephen Perner, Floyd Henderson, Tom Harris, Bill Cooper, Morris Bratton and Charlie Black.

ENJOY TV in the bedroom, den or kitchen with an extra connection. A combination bargain for a limited time — brand new 1961 Philco slim portable TV set and an extra connection for your home — your total cost \$199.95. Call Ozona Television System, Phone 2-2012.

Mr. and Mrs. Rankin Kennedy of Taylor were visitors in the home of Mr. and Mrs. T. J. Bailey in Ozona last weekend.

Bob Hodges, former golf pro at the country club here, now living in Houston, sends greetings "to all the gang at the country club from Bob and Lois" along with his Stockman subscription renewal.

### Bronte Too Much —

(Continued from Page One) the ball got away on the 23 yard line, where Bronte covered the loose ball for the second time deep in Lion territory.

The second fumble proved just as costly as the first, even though it took a penalty to get the Steers moving. The Lions stopped Arrott for no gain at left tackle, and then swarmed him when he attempted to cut back on the next play. The Lions did something amiss, however, and drew a penalty halfway to the goal from the spot amounting to a 13 yard whack.

With a first down on the 10 the Steers punched on in with Arrott going over from the one. This time the Steers kicked the extra point and led 15 to 6.

The Lions took the kickoff and marched to the Steer four yard line where Jim Doran glanced off a tackler and raced into the end zone for what appeared to be a score, but the whistle-happy referee who blew the whistle from time to time all through the game without apparent reason, ruled that he had blown the ball dead for a loss. The Lions, finding themselves needing about seven and facing third down, punched twice but lost the ball on the one.

The Lions still had a chance to score if they could hold the Steers, but Arrott promptly raced fifteen yards upfield on a play that did as much to break the Lions back as any play all night.

The half ended with neither side threatening again even though Bronte had the ball almost all of the balance of the second period.

Ozons fans hoped that at half time the Lions would be able to put together some defense for the seldom seen single wing but such was not the case.

Ozons kicked off into the wind to start the third quarter but that was of no importance as the Steers took the ball and moved steadily down field to the Lion four yard line where the able Arrott picked up three before handing to Robinson who went into the end zone. This time the try for points was not good.

The Lions got this one back when they took a short kickoff and raced to the fifty. Starting at mid-field the Lions moved into the end zone in just five plays with Tony Parker cracking over from the one. The point try was foiled by a fumble.

The final Steer score came following the kickoff in one of the Steers best drives of the night. Bronte covered 78 yards taking up some ten minutes of playing time in the process. After going to the Ozons four with several penalties paving the way, the Steers were caught holding on the four yard line and penalized fifteen yards to the 19. With fourth down and 19, Dee Arrott faded back and threw a floater into the end zone that was grabbed by Jerry McCutchen for the score. Arrott fired a bullet up the middle to McCutchen for two points and that was too much for Ozons.

The Lions got the TD back so quick that fans were still talking about the last Steer score when Jim Doran picked up a fumble on the kickoff and raced 75 yards for a score. Doran got a good block just as the wave of defenders arrived at the same moment and the fleet Lion fullback slipped through the hole and struck for the sidelines. Several defenders had good angles on the fleeing Lion but were late at the crossroads. The try for points was not good.

With time running out the Lions managed to stop a fourth down try for a first down by the Steers, and the Lions quickly scored again. Jim Freeman started things rolling with a swing around end that got nine yards, and then fired a 25 yard pass to Carl Montgomery who made a beautiful leaping catch on the four yard line.

Another pass to Montgomery was dropped in the end zone before Freeman rolled through a big hole

Crockett County  
Traffic  
Drive Safely

for the TD. Again the try for points was no good.

The final Lion scored came after the clock got inside five seconds.

Statistics wise the game was about as close as the four T.D.s each indicated but really it seemed that Bronte had the game pretty well sewed up from the second score on.

The Lions never did at any time look like they could hold the Steers and therefore they never had the ball. Two costly fumbles, a badly blown whistle, and a few other things were not too good for the locals, but as one observer pointed out you can't win many football games when the other side scores 29 points.

The loss was a blow to Coach Fred Hickman, who comes from Robert Lee, a real rival of the Steers. With an unbeaten ball club he wanted to win. Playing a class B school he thought he ought to win, but such was not to be the case.

The Lions had a light squad considerably outweighed in the line and of even more importance the Lions were almost totally without experience against a single wing.

Mr. and Mrs. Bryan McDonald of Canyon, former Ozonans, were here the first of the week for a brief visit with relatives.

### DO YOU KNOW ... Now Stanton —

(Continued from Page One)

how proud we are of our selection of fine diamonds?

I mentioned before that Mr. Baker is a Certified Gemologist and as such has received an extensive education in the study of diamonds and others beautiful gems. Do you know that our prices quality for quality, value for value, cannot be beaten anywhere? Beware of the so-called bargain in diamonds!

We offer diamond engagement and wedding rings for as little as \$39.50 a set, up to many thousands of dollars. An exquisite cocktail or dinner ring of diamonds makes a lovely gift which the wearer will always treasure.

Perhaps you have been wondering what could be done with those diamonds that have been handed down in the family, or those from a worn out ring? Bring them in and let us show you a selection of new mountings which will transform your diamonds into a beautiful ring. As a matter of fact, we expect a factory representative here this fall with a beautiful selection of mountings. If you are interested in seeing them, let me know now, and I will be happy to contact you upon his arrival and, as always, there will be no obligation to buy.

several years have had poor single wing attacks, such was not the case with Bronte.

In addition to the fact that the Bronte team presented an ably executed single wing attack, the Lions were perhaps at a long time low in experience against such an attack. Wayne Albers who started the game at tackle was the only Lion in the line last week with any noticeable experience against a single wing foe.

In present day football with all but one or two teams and in many cases all of the teams to be faced in a year running some type of T attack it does not prove profitable for a coach to spend any more time than he has to teaching his team how to defend against the single wing.

Also in defense of the Lions, your writer pointed out to the reader last week that the two most

effective ways to combat the single wing were with big tackles and greatly talented ends. The Lion tackles are small and the ends green even when facing a T attack.

The Lions will enter the Stanton contest as a two touchdown underdog. A loss would drop the season record to two and two but

if the Lions can find a way to win the season record will be a very fine three won and one lost.
