Ozona Girl Cagers Dumped By Sundown In Regional Contest

By Ernie Boyd

The Ozona High School girls basketball team ended its 1961 62 season in Regional Play in Lubbook Saturday when they were dumped 73 to 38 by eventual Regional Champion Sundown.

The Sundown team which also won regional and made the state meet last year had four regulars returning from that squad and had little trouble with the Ozona team.

Janie Lara led the Ozona attack with 16 points but the Sundown team was never in any real trouble. Don Nell Carnes was second with 13 points and Beverly Alford contributed 9. Sue Janes of Sundown dropped in a whopping 32 points for the winners.

The loss left the Ozona team winner of its district and bi-district and with a season won and loss record of 20 wins and 9 losses.

Who ever thought a car that saves like this could have so much sizzle? Chevrolet engineers, that's who! Liveliness and luxury for a low, low price were exactly what they had in mind to begin with. And they began from scratch with a whole carload of ingenious new ideas designed to give you more for your money. That spunky 6 with gas-sipping stinginess is just one example. Another: a new unitized Body by Fisher that's fit for a full-size family inside, easy to park
