

## A Creek In My Back

By Allan R. Bosworth

As it will appear in the Roanoke, Times and the Norfolk (Va.) Virginian-Pilot

Ozona, Texas — Since the far-gone days of my boyhood in this pretty little western town, I have seen a lot of elephants, and once even rode on ones back in a howdah. (Down here, howdah is a way of saying hello, like "Howdah, partnuh.") But not even pink elephants can compare with the first two I ever saw, at the age of twelve, and of course none ever will.

The day the circus came to town, Ben Gilbert and I played hookey from school, reasoning that a circus was more educational than books, and besides we had to help put up the tent if we were going to see the show. In those days the town was eighty miles from a railroad, and the circus traveled in wagons and vans. Ben and I helped drive stake pins into the ground, and then when they started to hoist the so-called Big Top, the center pole fell and came within a yard of driving me into the ground.

Just then Ben looked up and said, "Here come the elephants!" Every boy should see his first elephants like that, and not through a fence at a zoo. These came into view a mile away, walking around the hill point on the dusty Sheffield road, swinging their trunks and looking as big as two houses. They had walked a hundred and twenty miles from Fort Stockton.

You walk an elephant a hundred and twenty miles, and he just naturally develops an elephantine thirst, I know, because the one of that afternoon we carried water for them. As a remember it, each drank about thirty gallons. Tonight, in my old town, there is a carnival, and I can hear the hulloaloo of the hurdy gurdy. Apparently they have two records. One is "Ain't She Sweet?" and the other, probably of the same vintage, is only a lost chord in my memory.

I went down there a little while ago, and walked the tented midway's hundred yards without chunking a cat, trying to puncture a single balloons with darts, getting sticky with cotton candy, or even riding the ferris wheel.

I suppose I am getting old. There was a ferris wheel in the old days, too. Like the elephants, it was the first I had ever seen. I wanted to ride it, and was clutching a dime in my grimy little fist to buy a ticket — but I never got to take that ride.

The ferris wheel was belt-driven by a one-lunged gasoline engine, and a Mexican woman named Belle Madelina had just filled an entire seat. She weighed somewhere around three hundred and fifty pounds. The engine went chug-a-chug-a-chug and then gasped and backfired just when Belle was nearing the top of the arc. Down came Belle, with the engine racing in reverse and the belt slipping.

They tried again — and again. They tried for half an hour, during which time one young couple was imprisoned at the top of the wheel, but they never could pull Belle over the top. It was the best show on the midway and drew a large crowd, but it wasn't making the carnival any money. Finally they refunded Belle's dime, and she went mountaineously down the midway, quaking with laughter.

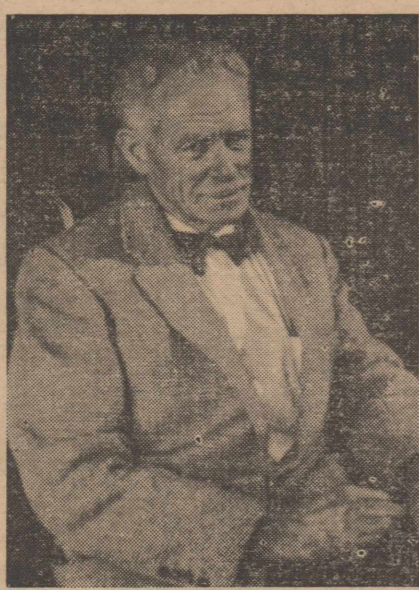

A wild west show came to town, too, advertising a fifty dollar prize for anybody who could ride a fearsome humped bull that was supposed to be half buffalo and half cow. The rider had to pay five dollars as an entrance fee.

Coots Curry put up his five dollars, and climbed aboard. He had busted some of the worst broncs in Crockett County, and he aimed to ride that hybrid bull to a far-thee-well.

The cinch slipped, the saddle turned, and Coots bit the dust. He demanded a re-ride, but the ringmaster smirked and said "On with the show!"

Coots followed the show to the

## Historical Society Hears Bosworth In Speech On Writing

## Naval Officer, Former Ozonan Speaker At Courthouse Meet

Nearly 130 members of the Crockett County Historical Society and their guests were present at the district Courtroom in Ozona Saturday night to hear Capt. Allan R. Bosworth discuss plans for a book about Ozona which he has been commissioned to write by Harpers.

Before Captain Bosworth was introduced, Alvin Harrell chairman of the nominating committee gave a report from his committee and that Miss Wanda Watson be recommending Joe Couch be elected president of the organization, re-elected secretary-treasurer. On motion of Mrs. B. B. Ingham, Sr., both were unanimously elected.

Captain Bosworth modestly touched on his interesting career, as an enlisted man in the Navy rising to the rank of Captain without benefit of Annapolis, as a newspaper man in California and as a successful free lance writer, author of numerous short stories and magazine articles and a number of successful books.

The mechanics of shaping up material for a book were outlined by Author Bosworth. He showed the audience some of the photostated materials gathered in his research preceding the writing of "New Country" his latest book and told of the broad plan of his forthcoming book, tentatively titled "The Ozona Story" for which Harpers has already signed contract. Some of the anecdoted material which may possibly find its way into that book, stories of the doings of Ozonans in his youth here, was divulged by Bosworth in a

Following his talk Capt. Bosworth followed his formal talk. question and answer period which worth gave the audience an opportunity to ask questions which he answered, at the same time relating a number of his early experiences in Ozona.

Following the close of the talk, members were given a chance to get copies of Mr. Bosworth's latest book, "New Country" autographed by the author. The book traces the wanderings of Capt. Bosworth's family before his mother finally settled down in Ozona with her family to stay.

## Sunray Helbing Test Has Strawn Gas Show

Sunray DX Oil Co. No. 1 Ruby Helbing, in 9-MN-GC&SF, Crockett County wildcat, 6½ miles south of Ozona and 2¼ miles north-northeast of the nearest production in the Hunt-Baggett (Strawn lime gas) field, flowed gas at the daily rate of 200,000 cubic feet, plus a light spray of load water, from the Strawn.

Flow was through perforations between 8,446-6 feet, which had been shut in 12 hours.

Earlier on a 40-hour swabbing test, recovery was 300 barrels of load water, Fluid level was 8,000 feet from the surface.

There still are 80 barrels of load to be recovered.

## Land Owners, Game Officials Confer On Next Year Game Laws

Only a small group of Crockett County land owners were on hand at the Crockett County Courthouse Monday morning for a fish and game regulation meeting.

Among the officials on hand were District Chief Warden, Mutt Reinhart, Eldorado Warden, Bill Works, and Crockett County warden David Allen along with two state game biologist.

Among the matters discussed were minor changes in the fishing laws and the bow and arrow hunting season. Some counties have a bow and arrow season prior to the gun season on deer, but Crockett county does not presently make any distinction between the two methods of hunting.

Probable recommendation will be for a continuation of the permit method of taking antlerless deer in this county (with landowner permission) and the usual season on all types of game, the wardens indicated.

## Ozona Women Attend Fly-In Breakfast At Midland Airport Sun.

Pat Barbee and Mildred Goodson flew to Wink Sunday for a fly-in breakfast given by Nancy Brumlow, manager of the Wink airport. Plans were discussed for the Air Base to be held Sept. 29 at Midland in conjunction with the Air Show featuring the Blue Angels. Bob White, pilot of the hypersonic rocket plane X-15 will be present also.

The Midland Chapter of "99" have two women flying in the "Power Puff Derby" this year. Barbara Speed of Midland will pilot a 1961 Mooney. Nancy Brumlow of Wink will act as her copilot. They plan to leave Midland July 1 for Oakland, Calif. The race course this year will be from Oakland, Calif., to Wilmington, Delaware. The Texas girls are 47th to take off.

## Moore's Oilers Continue To Set Torrid L.L. Pace

## Seem Headed for 1st Half Run-Away Victory March

By Ernie Boyd

Moore Oil continued to make a run-away of the first half of the Ozona Little League season by swatting Ozona Oil 15 to 10 Monday night following a 6 to 1 win over B&B last Thursday.

The Ozona Oil-Moore Oil contest was largely a case of Moore's regulars building up a big lead and then finding its reserves having trouble holding the pesky red legs.

Thursday's ball game was a different story as right hander Tony Garza blanked the Oilers for the first three frames before being relieved. B&B took the lead in the top of the fourth when they picked up a run, but Moore tied the score in their half, and tied off on Garza's successor for five runs in the sixth to win 6 to 1. Catarino Cervantez worked 5 innings to win for Moore.

B&B got another fine pitching job from Garza Monday as the hard throwing right hander blanked Mason through four frames and left the mound with the Grocers leading 2 to 0. But his reliever got little fielding help from his teammates and a four-run sixth inning rally after two were out fell one short as the Grocers lost 10 to 9.

Allen Merritt started and worked the first four innings for Mason.

Merritt and Albert Grosbeck teamed to pitch the Mason team to a perfect week last Thursday when they took a well played 4 to 1 win from Ozona Oil. The Motor Co. picked up three runs in the first frame and even though they were cut off pretty well after that, the lead was ample as the Oilers were able to touch the Mason pitching for but one run.

## Southern Part Of County Soaked By Torrential Rains

## Draws Run In Some Areas; Devil's River On Rise

Heavy rains triggered by a fast moving cold front poured much needed moisture on large areas of Crockett County early Tuesday morning, even though Ozona and the northwestern quarter of the county missed the downpours.

Rains in excess of three inches were reported around Juno which caused a good rise on Devils River along with the nearest thing to general rains in the county in some time, set draws to running and which sent a number of fishermen to higher ground.

The rains began around Brock Jones ranch northeast of Ozona and ranged from an inch and a half starting at Albert Bailey's to over two inches on the Bill Childress ranch in the southwest.

Reports of good rains ran as far west as he area west of the Pecos but no rain reports had been received of any North of U. S. 290.

A few reports, some of which were unconfirmed, were as follows: Alvin Harrell 1.4, Wayne West 1.5, Mrs. S. M. Harvick over 2.00, Vic Pierce 1.5, Roy Miller, 1.3, Ira Carson from about an inch near the house to over an inch south., Joe Clayton .6, Hugh Childress 1.5, Jake Young 1.5, Bill Childress from 2 to 3 inches, Early Baggett 1.1, Jake Miller from .3 a the house to over an inch to the east, the Blakeney ranch received over 3 inches and Bill Clegg and Jany Childress were reported to have gotten rain, Bud Cox 1.25 over part of country.

Some of the area hit by the rains had not received moisture in nearly a year, while many of the others who have gotten rain recently were jubilant over the chance presented for young plants spawned by the earlier moisture to now.

## Miller Robison, Former Ozonan, Victim of Hail Storm at Marfa Ranch

Miller Robison, former Ozonan and now ranching south of Marfa suffered considerable property damage last week when a tremendous hail storm hit his ranch.

Hail as large as hen eggs heavily damaged the house, cars and fences on the ranch and piled up as deep as three feet in places. The heavy hail was concentrated on the Miller Robison, Tom Robison, C. B. "Mutt" Black and George Howard ranches.

The hail was accompanied by hard rain, and dry lakes and stock tanks caught as high as ten feet of water to help offset some of the hail damage. Draws ran bank full for the first time in a good number of months and the Marfa Sentinel stated that the rain had exceeded the fall for the last five months. In areas of Crockett County this would not be a sensational total.

The heavy hail was concentrated on a strip about 10 miles wide and of undetermined length and was in great enough quantities that pictures, looking very much like winter time snow scenes, were taken the day after the hail fell.

## Killingsworths To Vacation on Trip North

Mr. and Mrs. Roy Killingsworth and son, Roy Neal, left Ozona this week for New York State where Roy Neal will serve as a counselor at Camp Hunter in the Adirondack Mountains.

Mr. and Mrs. Killingsworth plan to turn the trip into a vacation trip visiting various places of interest in the east.

Roy Neal will be a Junior at the University of Texas next fall where he has been cited for his fine scholastic work for the past. He spent his first year in college at West Texas where he made outstanding grades' transferring to Texas University last fall.

## Fort Worth Christian College Chorus to Sing At Church of Christ

Fort Worth Christian College and High School Chorus, under the direction of Dale Welsh, will appear in Ozona, at the Church of Christ, Wednesday, June 27 at 7:30 p. m. Jess Hall, the minister of the church, announced this week.

The chorus travels with 40 voices, but is composed of 90 voices at home. The chorus, under the able direction of Mr. Welsh, has received wide acclaim during this school year, having presented 66 programs. Theirs is a program of inspiration and edification in music. You will enjoy hearing them because they sing a cappella.

There are 20 appearances scheduled for the Chorus on their summer tour, including East, South and West Texas and two programs in New Mexico.

The public is cordially invited to hear this inspiring program of music.

## Miss Loretta White Accepts HE Teaching Post In Ozona High

Miss Loretta White, a spring graduate at North Texas University, where she was an honor student, was employed Wednesday as home economics teacher at Ozona High School.

Miss White is a resident of Albany, Texas, where she attended high school and was an honor student.

The new teacher will replace Mrs. Janie Hull who has been the head of the home economics department for 16 years, prior to her retirement from the profession last spring.

The addition of Miss White, rounded out the high school faculty with the band position having been filled last week with the hiring of Eddie Green as band director.

## Ozona FFA Team Third, 4-H Fourth In Judging At Sonora

## Local Teams Make Good Showing In Annual Wool Show

Crockett county 4-H and Ozona FFA judging teams made a good showing at the Sonora Wool Show Judging Contests last week in Sonora. In the National 4-H Wool Judging Contest, Jay Miller won fifth high individual honors. The team placed fourth in the contest. Other team members were Frank Childress, David Jacoby and Bill Williams.

In the wool show contest, Ozona FFA was third over-all high team. Members were Keith Mitchell, Scott Henderson, Tommy Everett and Moe Barbee. The 4-H senior team placed fourth over-all with team members Bill Williams, Jay Miller, Jack Applewhite and Larry Williams.

The 4-H junior team was third over-all high team in the junior division. Team members were Rex Bland, Duwain Vinson, Lellee Mitchell and Diltzie Bland. Rex Bland won third high individual in range judging. The junior team placed second in range judging, fourth in wool and also fourth in mohair judging and was high team in livestock judging.

In the senior division in range judging, Ozona FFA was second and Crockett Co. 4-H fourth. The Ozona FFA team placed third in wool judging and scored in livestock judging. Moe Barbee was third high individual in livestock judging and Hugh Coates tied for second in wool judging.

Others from Crockett county who judged in the contest were Rick Hagelstein, Jim Semmler, Aaron Shackelford, Doug Moore, Steven Hubbard, Fred Deaton, Bill Ross Childress and Kathy Williams. County agent Pete Jacoby coached the 4-H member and M. A. Barber coached the Ozona FFA members.

## Area Golfers Are Poised For Ozona Week-End Tourney

## Strong Field Expected To Try Course In Week-End Meet

The annual Ozona Country Club invitational golf tournament will be staged at the club this week-end with a strong field of competitors seeking the title in the seven divisions of play.

A field of 112 golfers, six flights plus the championship, is expected for Sunday's play and will find the Ozona course in what is considered to be its best physical condition since it was laid out.

Boots Armstrong of Big Lake will be back to defend his title won last year, but faces some of the best competition to be found in the area, in such golfers as Ted Wright of Midland, Attaway, Adams, and Fowler of McCamey, Lewis, Huddleston and Bryolles of Ft. Stockton, White, McKinney, and Allen of Big Lake, Bud Reeves of Monshans and Bob Pool of Del Rio, along with J. W. Nevill of Sonora, all expected to make a strong bid for the title.

Ozona will also have some golfers who could make trouble for the best of them. Beecher Montgomery, James Scott, Arthur and Art Kyle, Brooks Dozier, Bill Clegg and T. J. Bailey are all capable of winning the title.

Committees appointed by the club president have been hard at work on the courses for several months and a great deal of work has been done on the tees and fairways which should make the course more pleasant to play.

Activities will begin Saturday when partnership, low ball play will begin along with qualification for the championship flight.

Saturday evening a barbecue will be held for club members and guests and Sunday championship play will be held in the six flights plus the championship flight. The field has been limited to 112 golfers and entry scores in the top flight must be scored on the Ozona course.

Marlon Smith, the Club professional, and the club tournament committee are in charge of the tourney.

Prizes to be given to the Medalist flight winners, runners up, and consolation champions and runners up, will be pro line equipment and trophies.

## Two Ozona Jr. Rodeo Hands Tie For Point Honors At Big Lake

Mary Ann Pitts and George Cox tied for high point honors in the Big Lake, Junior Rodeo last week. Mary Ann won the barrel and flag races while George Cox won the flag and pole bending races. George also won the goat hair pulling but due to lack of competition no points were given in the last event.

Other Ozona riders who won honors in the Reagan County event were Robin Jones who lost a flip for first place in the pole bending and Judy Black who won the flag race in the senior division.

Little Steve Bland tied for a saddle in the rodeo held at Ysleta. For Steve it was his second win in as many weeks. Other Ozonans entered in the far west Texas rodeo failed to place.

This week some of the Ozona rodeo contestants will travel to Ft. Stockton to compete there. The Stockton rodeo has both the junior and senior divisions.

Mr. and Mrs. Phillip Schneemann have returned to Grants, N. M., following a visit here with Mrs. Schneemann's parents, Mr. and Mrs. Fleet Coates, and Mr. Schneemann's parents, Mr. and Mrs. Max Schneemann and other relatives.

Mr. and Mrs. Steve Longino and their two sons of Sulphur Springs, Texas, will be visitors in the home of Mr. and Mrs. Ernie Boyd of Ozona early next week. Mrs. Longino is Mr. Boyd's sister.

**The Sick American**

Former Governor Charles Edison as director of the company Committee for Public Affairs, has mailed to all McGraw-Edison employees a copy of a letter by an unnamed San Franciscan. It was published in the Copley newspapers in California, but deserves the attention of all the author's fellow citizens in the other 49 States as well. The writer says:

"I am one of the Americans who heard Mr. Khrushchev tell our nation that my great-grandchildren will grow up in a Communist world. For some time now, this has bothered me. I am not a brave man — not even a big one — I am now 50. I paint my own house, repair my own car, grub my own devil grass, and nurse a modest savings account — I am a law-abiding man on the quiet side, and dissension makes me terribly nervous. Frankly, I am the kind who simply doesn't have it in him to fight anyone ever."

He goes on to report coming across "the huge old family bible" in the attic with his great-grandmother's journal of her covered wagon trek across the Great Plains to the wild, new land of California.

"On the trail she wrote of sickness and hunger, and heat and cold, and dust and thirst, and the deaths and births like beads strung together on a thread of hope — hope of freedom and a land of plenty for their children yet unborn . . . As I read, I began to think about America and what it all stands for; and I thought about our enemies and what they intend

to do to America — to its freedom and its hope.

"And, suddenly, I realized that I am a sick American. I mean really sick . . . I am sick of bureaucrats who tell me that my enemy is not really my enemy and that I should live together with murderers and tyrants. I am sick of government that hasn't the guts to clean traitors out of its own offices. And I'm sick of being a nice, pleasant guy about it . . . I am sick of my country being ridiculed all over the world. I am sick of pink-fingered diplomats and lily-livered politicians who place personal career above the fate of the flag.

"I am sick of 40 years of relentless, creeping, cancerous Communist godlessness that never once has wavered from its avowed purpose of conquering that flag and seeing it trampled in the mud under Russian boots. I am sick of my genteel desire to stand pat and pray while the enemy advances. I am sick of educators who teach tolerance of subversion and of clergymen who would have me quail at the spectre of battle and turn my cheek in fear of what our enemies might do.

"In all honesty, the thing of which I am sick is the man who let these things come to me: myself. And by the living God who made me, Sir, I am a sick American who intends to get well."

The letter is signed "Fed-up Citizen". Are there enough more, we wonder, who will make up their troubled minds to get well?

It's Not Easy to keep up with the National Dept. Before we recover from the shock of Former Budget Director Maurice Sjan's estimate of a trillion dollars, Senator Harry Byrd says it's \$1.2 trillion. And foreign experts say that's right.

Then the House votes the Administration request for a \$208 billion debt ceiling! Which means we have an iceberg-type debt — most of it out of sight.

No nation in all history, we presume, ever owed so much to so many.

**GOLF-BRIDGE ASSN. MEET**

The Country Golf-Bridge Association met last Thursday for the weekly games.

Mrs. Jess Marley won the low net on the golf trophy play.

Bridge hostess was Mrs. Arthur Kyle. High score in bridge went to Mrs. Early Baggett, second high to Mrs. Joe Clayton, low to Mrs. Bill Cooper, and cut went to Mrs. J. S. Pierce III. Others attending were Mmes. Charlie Black, Hillery Phillips, Joe Pierce, Jr., Jack Williams, Marshall Montgomery, Ashby McMullan, Sherman Taylor, Bill Bradbury, Boyd Baker, John Childress, T. J. Bailey, J. B. Parker, Sid Millsbaugh, Jr., V. I. Pierce, Byron Williams, George Bunker, Carl North, Jess Marley and Scott Peters of Austin.

**TO BOY SCOUT CAMP**

Several members from Boy Scout Troop 163, sponsored by the Ozona Community Center, will leave Sunday to attend the Scout Camp at Sol Mayer. Tomas Lopez will be the adult in charge of the boys for the week. Carlos Lopez is working as part of the camp staff there this entire summer and both of them are assistant Scoutmasters of Troop 163. Their father Francisco Lopez is the Scoutmaster for the coming year.

Miss Gynel Walker, daughter of Mr. and Mrs. C. O. Walker, left Ozona Monday for Lovington, New Mexico, where she and three of her class mates at ACC will meet to leave on a trip that will carry them to Los Angeles, San Francisco, Seattle, and the world's fair, and thence into Canada before returning home.

**Plans For Promotion Lamb, Wool & Mohair By TS&GRA Auxiliary**

The Ozona unit of the Woman's Auxiliary to the Texas Sheep and Goat Raisers Association met Monday in the home of Mrs. W. E. Friend.

Fifteen members were present and plans were made to meet following the regular quarterly meeting of the state Auxiliary.

In the October meeting it is hoped that a demonstration of weaving by the Hill Country Weavers, who card, spin, dye, and weave

from wool and mohair can be presented.

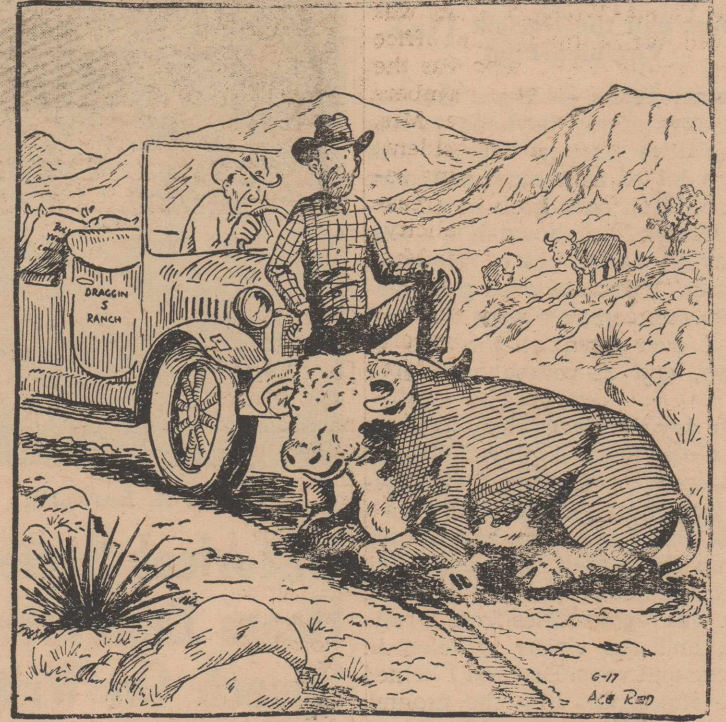

It was decided that the group would cooperate with other civic groups in supporting the "Miss Wool" and "Miss Mohair" appearance here in connection with the "Make it Yourself with Wool Contest." The Auxiliary urged housewives to buy and serve lamb and plan to present new and delicious recipes for preparing lamb in pu-

blications available to the local housewife.

Also discussed was the desire of the group to promote some instruction in the local high school home economics department on the preparation and serving of lamb. The project would give future homemakers the knowledge and experience needed to make practical use of lamb in the home.

# 1910 - THE OZONA WOMAN'S CLUB - 1960 FIFTY YEARS OF COMMUNITY SERVICE

Past President

This is the last of a series of articles tracing the history of the 50-year-old Ozona Woman's Club through each succeeding administration of the organization presidents. The articles were prepared by Mrs. L. B. Cox, Jr., and have been published by the Stockman during the club's golden anniversary year which closed with the club's final meeting of the season in May.

Mrs. Taylor Word  
1960-1962

The fiftieth year anniversary of the Ozona Woman's Club was observed during the term in office of Mrs. Taylor Word, who was the thirtieth president. Other members of her corps of officers were: Mrs. J. B. Miller, first vice-president; Mrs. Roy Thompson, recording secretary; Mrs. Hubert Baker, treasurer; Mrs. L. B. Cox, Jr., publicity; Mrs. Ivy Mayfield, historian; Mrs. Evert White, parliamentarian.

The theme for study was "A Backward Glance - A Forward Look", under the direction of Mrs. J. B. Miller, the program chairman, and committee members, Mrs. J. W. Henderson, Jr., Mrs. L. B. Cox, Jr., Mrs. Stephen Perner, Mrs. Hubert Baker, and Mrs. V. I. Pierce.

The golden anniversary year book, which was dedicated to charter members, was outstanding. It contained a history of the club, list of all past presidents, with the course of study and a complete In Memoriam.

Mrs. W. T. Bradbury was the new member.

The fiftieth year of club work began with a breakfast on Sept. 13th in the garden at the home of Mrs. J. W. Henderson, Jr., with Mrs. B. B. Ingham, Sr. assisting hostess. The new president Mrs. Taylor Word gave the purpose of club work, citing adult education, community cooperation, representation in Federation projects and social fellowship. She gave the club's projects for her term of office as donations to local health drives, starting a club house savings account fund, cleaning and beautifying highway to cemetery, publicize the need for a public library, a local presidents council of all service clubs and the annual clean up campaign.

The Club was hostess at a golden Anniversary Tea honoring the charter members and each of the past presidents, held in the Fellowship Hall of the Methodist Church on September 27. Mrs. Word greeted the guests and introduced the leader, Mrs. Will Baggett, who has been an active member the entire life of the club. Mrs. W. E. West gave the invocation and Mrs. M. O. Volentine, an art

objects. The club voted to close the hospital landscaping project, as this was completed, and to establish a club house fund-raising project. Cook books of members favorite Christmas recipes were endorsed as a money project. The club voted \$10.00 to aid in lighting the city park for Christmas.

For the fine arts program the club presented one of its own members Mrs. Charles Williams, Sr., in a one-man show. Her exhibit was of water colors, pastels, oils and china painting. A two-piano ensemble by Mrs. Morris Bratton and Mrs. L. B. Cox, III, completed the program.

On the Study "An Honest Look at Our Public Affairs" Mrs. V. I. Pierce discussed farm surpluses. Mrs. Taylor Word spoke on oil imports and our economy, and County Attorney Dixon Mahon explained tariffs and American business. Mrs. Brooks Dozier sang accompanied by Miss Jan Pridemore.

Since Finland is the foreign country that TFWC is studying, the club had a program on Finland's amazing stand for Democracy in the very shadow of Soviet Russia. Mrs. Word, president, announced that Mrs. Hubert Baker the District Chairman of Education, would be on a panel to discuss the "Advance Through Knowledge" at the Heart O' Texas district workshop in Ballinger on Feb. 18. The treasurer Mrs. Baker announced \$91.00 given to the club house fund through memorials, and \$57.43 from the Christmas Cook-book. Mrs. Max Schneemann was elected club model for the Woman's Forum Spring style

show.

Our State Parks was the topic for study in March with Mrs. O. D. West as speaker, stating Texas has 47 state parks a few built around historic sites, under the supervision of the State Park Board of six members and the governor. A poem "Ballad of the Big Bend" by Mrs. Frank Friend was read by Mrs. Stephen Perner. Mrs. Word was elected delegate to the Heart O' Texas District Convention in San Angelo. The club voted to sponsor the annual clean-up campaign.

The President's club report placed third at the district convention, the Golden Anniversary Year Book, placed first and the club was a 100% subscriber to the TFWC Club Woman. Mrs. Hubert Baker also attended the convention.

The Club had a study on education of adults. Mrs. Baker district chairman of education, named 27 reading courses available for home study by correspondence from the University of Texas.

Guest day was in memory of Mrs. P. T. Robison, a long-time member of the club. Mrs. Sherman Taylor reviewed, "The Last Will and Testament of Cherry Layne" by Lee McGriffin. Members of the Woman's Forum and Woman's League were guests in the home of Mrs. Evert White.

The religious program, a paper written on Religion In The Space Age, by Mrs. J. A. Fussell, was read by Mrs. Joe Pierce, Jr. Miss Lola Mae Daniel showed colored slides and spoke on her summer experiences in Alaska at a Baptist Mission to the Athabascos Indians.

The year closed with a program on "Water, Our Most Wasted National Resource" in fellowship hall of the Methodist Church. Mrs. S. M. Harvick gave a devotional on

God and Man Can Be Partners, and Dick Ketchum of the Soil Conservation Unit, showed a colored movie narrated by Walter Cronkite illustrating the growing need for water conservation in the U. S. Mrs. Word announced the clean up campaign one of the most successful and that the highway department would place state signs warning of fines for dumping trash on highways. She also reported the club house fund at \$226.

For the second term as President, Mrs. Word had the following corps of officers, Mrs. Bailey Post, first vice-president; Mrs. R. H. Knox, second vice-president; Mrs. Joe Pierce, Jr., recording secretary, Mrs. Stephen Perner corresponding secretary; Mrs. Hubert Baker, treasurer; Mrs. L. B. Cox, Jr., Publicity; Mrs. Ivy Mayfield, historian; and Mrs. Evert White, parliamentarian.

The theme of study was "Look to This Day" and the club voted to meet only once a month.

The Ozona Woman's Club and the Woman's Forum were guests at a coffee by the Ozona Woman's League in the home of Mrs. Clay Adams, to hear Mrs. A. T. Carleton of Houston, vice President of the Texas Federation, who spoke on the Scope of Federation.

The club year began with a coffee-Williams, Sr., for a program on friendship in tribute to the late Miss Mary Eleanor Breckenridge of San Antonio, a former distinguished Texas Federation Club Woman.

A pageant illustrated with flowers on the qualities of Friendship was directed by Mrs. Ted White. Mrs. Morris Bratton directed the federation song. Mrs. Stephen Perner spoke on the romance of the table silver, and had an exhibit of china and silver. Mrs. L. B. Cox, Jr. presented the club with the

club history of the past fifty years, including a volume of pictures of all past presidents and charter members, and two bound volumes of all past year books. The club in the Christmas shop project for voted to aid other service clubs the McKnight State Sanatorium in Carlsbad. To cooperate with the Woman's Forum in publishing a monthly TV and Movie Guide; ten dollars was voted to aid in Christmas decorations for the city park. Mrs. A. C. Hoover was the delegate to the district workshop in San Angelo.

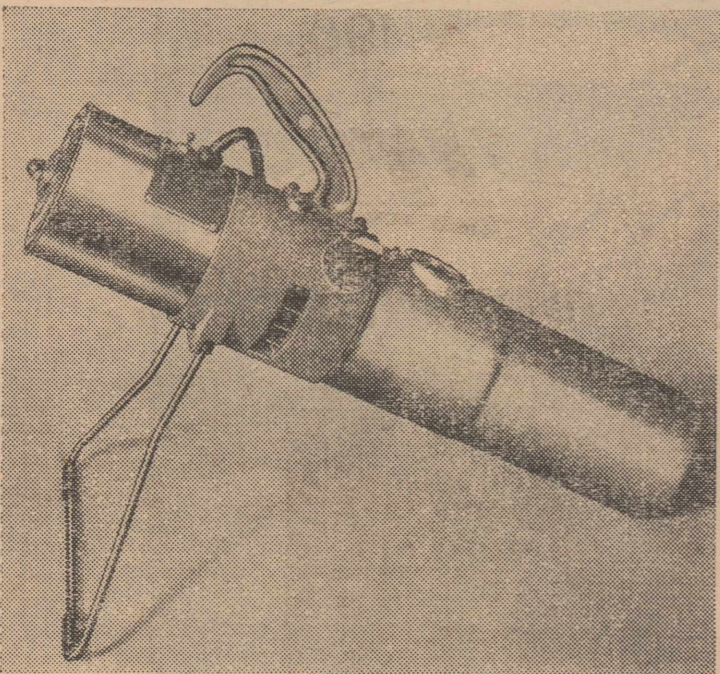

For Federation Day a seated tea was given to honor Mrs. Harry Griffiths of Austin, State President, in the home of Mrs. Evert White. Guests were members of the Forum and the Woman's League. Mrs. Griffiths, who was introduced by Mrs. Hubert Baker, spoke on her recent good will trip to Finland.

On the fine arts program in the home of Mrs. Max Schneemann the guest speaker was Mrs. Thomas Head of San Angelo, who had a fine exhibit of her work in water color, oils and pastels. A Club member, Mrs. Hillery Phillips, spoke on ceramics, and had a display of her work in painted china, ceramics and bisque figurines.

Mrs. Lowell Littleton a former club member, was guest speaker on the Christmas program directed by Mrs. S. M. Harvick in the home of Mrs. Ira Carson. Mrs. Littleton reviewed the "Story of Christmas in Monticello" by Helen Topping Miller. Mrs. Joe Pierce, IV, sang Christmas songs accompanied by Mrs. L. B. Cox, III. Mrs. Word announced that two large boxes of gifts had been sent to the state orphanage. Also a \$25.00 cash gift was sent to CARE to aid in the GFWC self-help project in nine Latin American countries.

### HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — Texas' crime situation looks a little better.

FBI reports covering the first three months of 1962, based on statistics from the 12 largest cities, show major crimes down 6.7 per cent.

Across the U. S. in cities of comparable size, major crime rates rose one per cent.

**Too Many Colleges?**—Dr. Ralph Green of the Texas Commission on Higher Education thinks the legislature should quit creating four-year, state-supported colleges.

He told a House Committee on Saving Taxes that 20 state colleges are about enough.

Legislators have extended state support to four new colleges in the last four years.

**Water Supply** — Texas enters the summer with its major reservoirs 76 per cent full.

Texas Water Commission reports that May rains couldn't keep up with use and evaporation, so the water supplies shrank by 291,000 acre feet.

**Livestock Rules Amended**—The Texas Animal Health Commission, after hearing pleas of livestock market operators, relaxed rules designed to speed up the eradication or at least control of brucellosis (undulant fever).

Commission action amending the rules came just before they were to go into effect June 15.

Before the change, the rule would have required testing for brucellosis before cattle could be moved from one market to another.

As amended, the rule says the cattle may move from one approved market to another approved market without having to take the test. This was put on a trial basis.

Restriction of movement was opposed by representatives of the big stockyards at San Antonio, Fort Worth and Houston. Auction markets also had an ardent champion present.

James D. Sartwell, president of Houston's Port City Stockyards,

said the economic effect of the proposed rule could be "dangerous", particularly so in view of "the predicted downturn in cattle prices now beginning."

**Firing Resumes** — There was only a brief respite from campaigning after Democratic primaries.

John Connally, the Democratic nominee for governor, and Jack Cox, the Republican nominee, both had their chance to talk at the meetings of their respective state executive committees Saturday, convening to canvass the returns.

Campaigns will start in earnest September 18th, when both parties have their state conventions.

But the two young gubernatorial nominees both have state campaign headquarters in operation in Austin. They sound like they plan all-out campaigns in the summer and fall.

Sen. John Tower will be a major campaigner for the Republicans. Vice President Lyndon B. Johnson and Sen. Ralph Yarborough will take to the stump for the Democrats.

They are beginning to make this look like a two-party state. Whether the label sticks depends on what the voters say on November 6th.

**Safe Driving Plan** — The State Board of Insurance will hold hearing June 29th on automobile insurance rates and rules.

High on the agenda will be proposals to revise drastically the "safe driving insurance plan" by which those with accidents or traffic law violations pay more, while those without them pay less.

Statistics say the plan has cut rates for 78 per cent, raised them for 22 per cent. But the complaints about the plan being received by legislators indicates that even those who save aren't too happy with the possibility that one slip might run up their rates.

Drastic revision is possible. Without revision of the plan, a rate cut is in the cards. But if penalty provisions are reduced, it may wipe out the chance of a rate cut.

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, June 22, 1933

Miss Dorothy Miller and J. Glyn Cates stole a march on their many friends here last Friday when they slipped away to Carlsbad, New Mexico, where they were united in marriage by Rev. H. G. Weldon, pastor of the First Baptist Church of Carlsbad.

With only two more games of the first half left to play the baseball club sponsors, players and fans held a mass meeting Monday night and unanimously decided to go into the second half of the league schedule, which starts after July 4.

New Blood in the Giant pitching staff has been arranged for the second half of the struggle. Slim Kinsey T. C. U. Horned Frog pitching ace the past season and one of the top Southwest Conference hurlers, has been signed for mound duty with the Giants and is expected to report here from Ft. Worth this week.

Colglaiser and Hoff, Inc., of San Antonio, who have the contract for caliche base and asphalt topping on a 1 mile stretch of the Ozona-Barnhart road from Ozona north, were awarded another Crockett County contract by the Highway Commission in session Tuesday.

The firm presented the lowest bid for triple asphalt surfacing on the recently completed 15 miles of Highway 27 from Ozona east to the Sutton County line.

An appeal to Ozona residents to co-operate in housing visitors here during the seventh annual Rodeo Race Meet, Stock Show and Sale July 3, 4, and 5 was issued this week by the Crockett County Fair Association through its President Wayne West. One of the largest crowds in the history of the local fair is expected to be here during the three-day celebration this year.

Miller residences to make a loop between the two highways converging in the center of the downtown section.

Mr. and Mrs. Massie West have returned from the World's Fair in Chicago where they were recent visitors.

Mr. and Mrs. Paul Perner have returned from Temple where they took their small daughter, Mary Louise, for a tonsil operation last week.

As a result of a recent conference between County Judge Chas.

Davidson and County Clerk Geo. Russell and members of the state Board of County and District road bond indebtedness in Austin, the state board has agreed to assume \$228,311.82 of Crockett County's outstanding road bond indebtedness. Judge Davidson reported to the Commissioners court last week.

## Woman's Club

(Continued from Page 3)

The International Affairs study led by Mrs. J. A. Fussell was on the growing threat of Communism, held in the home of Mrs. Taylor Word. Mrs. Roy Thompson discussed the spread of Communism in Latin America. The guest speaker was Mrs. Nip Blackstone of the Woman's Forum, who reviewed "The Masters of Deceit" depicting G-Man, J. Edgar Hoover's Book the communist threat to the U. S. Members of the Woman's Forum were guests. Mrs. Word announced that club models to the spring style show would be Mrs. Ted White and Mrs. J. B. Miller.

Mrs. J. W. Henderson, Jr., directed the study on conditions in our own country on the public affairs program in the home of Mrs. N. W. Graham, Mrs. V. I. Pierce reviewed the article "Trust Your Instincts. Mrs. Clubwoman" by Dr. Charles Malik, former president of the U. N. General Assembly, now a professor at the American University in Washington, D. C. The guest speaker, Mrs. R. A. Harrell recounted her trip with her family to Washington last June to attend the graduation of her son Roy, who received a master of International Affairs degree from the American University, at which time Dr. Malik was the principal speaker.

Mrs. Ira Carson announced improvements in the city park and the club voted to purchase a bird bath and a figurine for the center planting. Mrs. O. D. West, president elect, and Mrs. Word were elected delegate to the heart of Texas District convention to be held at Junction.

The club members were guests of the Ozona Woman's Forum for a program featuring Youth, which presented the local high school H. E. contestants under the guidance of Mrs. Janie Hull, in the make-it yourself with wool project. This nation wide contest is under the direction of one of the Ozona Woman's Clubs own members, Mrs. S. M. Harvick, who is state chairman.

A panel on education today was coordinated by Mrs. Roy Killingsworth. Others on the panel were Miss Lola Mae Daniel on public education trends, Mrs. O. D. West, on communication media, Mrs. Hubert Baker, on Literacy, Mrs. Ira Carson on Education of the American Indian, and Mrs. Taylor Word gave a review of the address by Mrs. L. E. Dudley of Abilene, chairman of the GFWC Department of Education, delivered at the Heart of Texas District Convention.

Mrs. Word announced that the club press book won the sweepstakes at the district convention. The club in cooperation with the Womens Forum and Woman's

League and with the Garden club will sponsor the annual clean up campaign.

The Woman's Club honored a departing member, Miss Lola Mae Daniel, with a gift coffee in April in the home of Mrs. Joe Pierce, Jr. Miss Daniel is retiring as a teacher in the public schools and will leave in June as a missionary in the Southern Baptist Church either to Germany or the Orient.

The year's work closed with a meeting for installation of new officers and the club's annual report in the home of Mrs. L. B. Cox, Jr. A color sound movie was shown by Bill Cooper on project Hope. Mrs. Word gave the president's report including these items, \$20.00 to Warm Springs Foundation in Gonzales, \$10.00 to Crockett County Welfare fund, \$5.00 each to Heart, T. B., March of Dimes, State Headquarters maintenance fund, GFWC Maintenance fund, and \$3.00 each to all scholarship funds. \$10.00 to the Cancer drive. As a token of appreciation the club presented Mrs. Word with a gold charm bracelet.

Lena Word, the youngest daughter of Robert Pinkney Carson and his wife, Nevada Enright Carson, is a native of Ozona. Her father came from Mississippi to Blanco County and later migrated to Crockett County, and settled at Emerald. He moved to Ozona when the county seat was chosen in 1891. Her mother, born in Nevada, moved to Live Oak County with her family and later came to Ozona with her sister and family, Mr. and Mrs. Tom Sealy. Here she was married to Bob Carson in the home of Mr. and Mrs. W. P. Hoover in 1896.

Lena was educated in the Ozona Public Schools and then attended Draughan's Business school in Abilene. When she returned she "kept books" for the W. E. Smith Drug Store. She was married to John Taylor Word in Ozona and they are the parents of one son, Dr. Joe Max Word, who is now a resident surgeon in Saint Mary's Hospital in Grand Junction, Colorado.

Mrs. Word has been a long time member of the Ozona Methodist Church, working in church school and the Woman's Society of Christian Service. She was an interested supporter of the schools and president of the P. T. A. and since her son's graduation has been a member of the San Angelo A&M Mothers Club. Her personal hobbies beyond her home and family are, gardening, painting, sewing, and photography. The Ozona Woman's Club has been one of her civic interests and she has held many officers and worked every way she could for its success.

With this history of the thirtieth president, Mrs. Taylor Word, ends the fifty-year history of the Ozona Woman's Club.

A message from the Treasury of a free people

How to help keep freedom in your future for \$4.33 a week

The sum of \$4.33 a week will buy you a dozen Savings Bonds in a year. A few years of this and you'll be \$1,000 richer.

Nothing wrong with being rich. The more savings strength we have as individuals, the more strength we have as a Nation.

But there are some other rather remarkable wheels you set in motion when you buy U.S. Savings Bonds.

As your Bond dollars grow, your country uses them to protect the things America stands for. And to make sure that you and your family will always enjoy the freedoms which a handful of brave Americans set their names to on July 4, 1776.

Buy Bonds for freedom now. All you need to make this investment is a few dollars a week and a belief in America.

Buy an extra Bond during the Freedom Bond Drive

**Ozona Couple Back From Vacation Spent In Hawaiian Islands**

Mr. and Mrs. Ira Carson of Ozona have just returned from a two-weeks vacation trip to the Hawaiian Islands. Making the trip entirely by air, the Ozonans left San Angelo and flew to Los Angeles in five hours and after an 8-hour lay-over in that city continued by jet airliner to Hawaii, another five-hour jaunt.

They reported the climate delightful, the flowers most beautiful and smooth sailing by air both ways. They were fortunate in being there on Memorial Day and attended the memorial service at the Punchbowl Cemetery where 17,000 World War II American service men are buried. Each grave marker was decorated with flowers and a United States flag.

Mr. and Mrs. Carson also saw the colorful Hawaiian Parade on King Kamehameha Day, honoring the king who conquered all the islands and united them under one government. The King's statue, in front of the old Palace, was decorated with flower leis 40 feet long.

But Mr. Carson was perhaps most interested in a visit to the big Parker Ranch on the largest island, Hawaii. The ranch is spread over 800 sections of land, 400 owned and 400 leased government

**PRIZES OFFERED IN CHILD PHOTO CONTEST**

Winston B. Lucas of Irving, Texas, professional photographer, will be in Ozona Monday, June 25, for a one-day picture taking stand. Lucas has announced a contest to pick the three best child pictures, with \$20 in photos as prizes for the winners. Under an arrangement with the Stockman, Mr. Lucas will furnish pictures of Ozona children to be published in the newspaper at a later date at no charge to the parents. The only charge to be made will be for prints as ordered by parents.

land. This spread runs 36,000 head of cattle, 1600 head of horses and 4500 head of sheep. Mr. Carson thought maybe the place was a little overstocked with sheep.

**Ozona Boy Admitted to Scottish Rite Hospital**

Andres Galindo, thirteen year old son of Mr. and Mrs. Eginio Galindo, of Ozona, was admitted on Wednesday, June 6, to the Scottish Rite Hospital for Crippled Children in Dallas.

Thirty-seven years ago, Scottish Rite Masons founded the hospital, dedicated to an effort to provide a chance at a normal life for the handicapped child. Since 1925, more than 130,000 children have been admitted for treatment to the hospital, which is supported by public contributions and bequests.

Expertly staffed, unusual physical facilities and devoted interest in the individual, make the Scottish Rite Hospital an outstanding treatment center which serves the entire state.

next town, Sonora. When the bull ride was announced, he leaped forward, paid his five bucks, and cinched the saddle to suit himself. He rode the bull to a fare-thee-well, and collected fifty dollars.

The show was playing one night stands. When it opened in Eldorado, Coots was in a ringside seat. He picked up another fifty dollars.

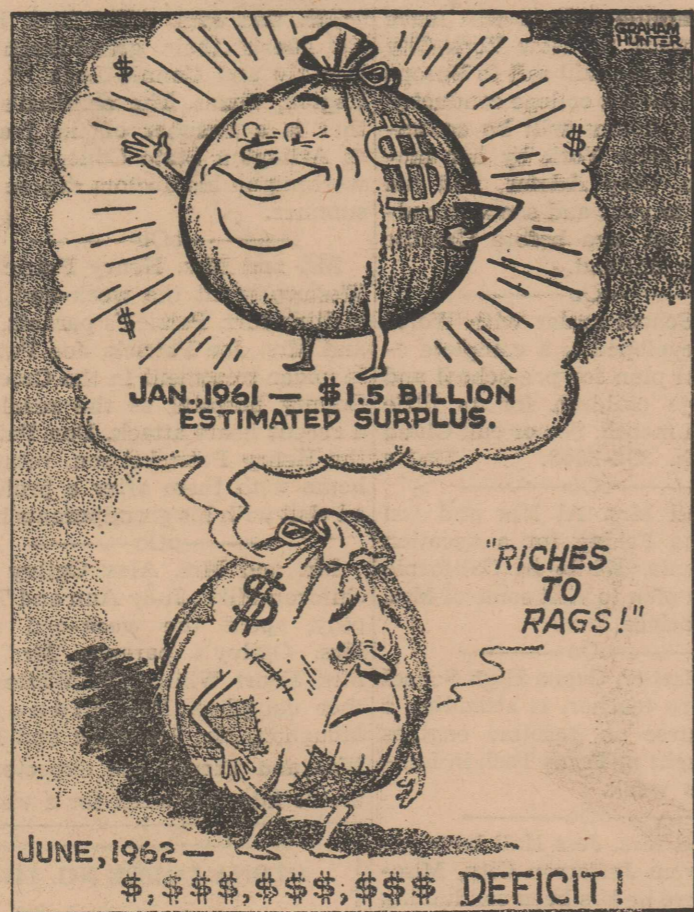

That sort of thing could break a little wild west show, in those days, and it nearly did. In the town of Menard, the ringmaster refused to let Coots ride. He yelled for the sheriff — and once more rode the bull.

Coots was making himself a career out of riding that bull. But in Junction, the next evening, the show retired the act. I heard that the whole enterprise went bankrupt a few days later.

Moral: Never take a wild west show too far west.

**Ozonans Attend Austin Wedding Of Miss Susan Brown - Richard Swint**

Miss Susan Brown, daughter of Mr. and Mrs. Hiram S. Brown of Austin and granddaughter of Mrs. J. M. Baggett of Ozona, became the bride of Richard Bennett Swint, son of Mr. and Mrs. F. E. Swint of Paris, Texas, Saturday evening at the Harris Memorial Chapel in Austin.

The altar decorations featured standing baskets of gladioli and chrysanthemums in shades of yellow and white, flanked by candelabra and fern. The altar rail and candelabra were garlanded with mock orange blossoms.

Given in marriage by her father, the bride wore an heirloom gown, first worn by her maternal grandmother in 1909 and also by her mother, the former Lillian Baggett of Ozona. Panels of hand-made rose point lace draped over each shoulder. Crocheted buttons ornament the front. A rose point waistband, high in the back, dipped to a point in front over a gored skirt of hand made net, appliqued with lace over horizontal pin tucks. Her fingertip veil of illusion was held by a Stuart cap of shirred illusion. She wore a diamond and

pearl pin, given by her grandfather to be worn with the wedding dress and worn by many of the family's brides.

The bride's bouquet was a cascade of majestic and Esther Reed daisies in powder blue and white, with English ivy and streamers of blue and white.

Miss Sally Baggett of Ozona, daughter of Mr. and Mrs. James Baggett and a cousin of the bride was one of the bridesmaids.

At the reception in the home of the bride's parents following the ceremony, Mrs. J. M. Baggett, Mrs. James Baggett and Mrs. Duane Oswald of Ozona were among members of the houseparty.

After a wedding trip to Washington and New York the couple will be at home in Houston where he will be a senior in Baylor college of Medicine and she will attend Rice University.

Mrs. Swint was a student at the University of Texas, majoring in chemistry. She was a member of Spooks, Orange Jackets, Alpha Lambda Delta, freshman scholastic honorary, and Junior Fellows. She was treasurer and pledge class president of Delta Gamma sorority, outstanding Freshman Council Advisor, orientation leader, Cactus Goodfellow, and American Specialist grant to India in the State Department cultural exchange program last year.

The groom received his B. S. in chemistry from Baylor University, where he was a member of the Men of Baylor, and at the Baylor College of Medicine is a member of the men's chorus, and reporter for Alpha Epsilon Delta, honorary pre-med fraternity.

**TWICE AS MUCH COOLING**

*With the patented features of Paramount Coolers*

Yes! This famous Paramount 5000 c.f.m. evaporative cooler gives you up to twice as much cooling because of these patented features:

- Many coolers lose as much as 70% of cooling efficiency because dust, dirt and salts clog the filters. Patented No-Clog Sta-Fresh Filters are guaranteed clog-proof, assuring 100% cooling efficiency all summer long.
- Filters saturated with water become heavy and often sag and settle from the top, drawing hot, unfiltered, uncooled air into the cooler which may create as much as a 70% cooling loss. Patented Grip-Lock Filter Holders are guaranteed to prevent sagging and settling of filters assuring 100% cool, clean, filtered air.
- Without correct water trough adjustment, sections of the filters remain dry, resulting in substantial cooling loss and costly service expense. Patented Free-Flo Visible Water Troughs with external adjustment assure 100% saturation, and 100% cooling for the entire life of the cooler.
- Added feature — Patented Window Closing Attachment lets you close and lock your window. Eliminates entry of dust, rain and drafts into your home.
