

A Creek In My Back

As it will appear in the Roanoke Times and the Norfolk (Va.) Virginian-Pilot

By Allan R. Bosworth

It's a long time, now, since any American newspaper perpetrated a good, solid hoax — if a hoax can be solid — on the Great American Public. Readers are no longer so gullible; newspapers are much more responsible than they were a century or even half a century ago — if for no other reason than the fact that they face stiff competition.

I had some experience as news editor on a metropolitan daily, and one of the things I learned was this: Never — not even on April Fools' Day — wait till the end of the piece to say, "The above is all untrue," or "this, of course, is a joke," or the like.

This is dangerous, indeed. Thousands of readers never get to the end of the story.

A Washington Sunday paper recently carried a two-column feature headed "The Hairy-Carey Bill." It was beautifully done. The Hairy-Carey Bill would provide one free haircut a month to "all over 65, regardless of ability to pay, and whether the individual has hair or not." Read on far enough, and the President is quoted as saying, "When I was elected I promised the American people a trimming, and I'm going to see that they get it." And the story has the ATS (American Tonsorial Society) voicing opposition to the proposed legislation. . .

A footnote in italics revealed that the author of this delightful bit of spoofing was unknown, and that it appeared in the Journal of the American Medical Association. It is, to be sure, a beautiful satire on socialized medicine.

But I will bet you the price of a haircut that a large number of senior citizens did not read the footnote, and that the satire escaped them. Come next presidential election, and they'll expect the Hairy-Carey Bill to be part of the Democratic platform, and will raise hell with a number of bewildered Congressmen who failed to support the measure. We have, as everyone knows, a number of bewildered Congressmen.

If you want chapter and verse to bolster my belief that the Washington editor has stuck his neck out a foot, read a book called "Hoaxes" by Curtis MacDougall, (Dover Publications, Inc.) Professor MacDougall recounts more than 500 famous hoaxes — and about 150 of them occurred in the newspaper field.

In America, these really began with the celebrated "moon hoax" of the New York Sun, in 1835, when it was reported that an eminent British astronomer, at the Cape of Good Hope with a new telescope, had seen "furry, winged men, resembling bats," on the moon.

The Sun allegedly had the largest circulation of any paper in the world — 19,360. Other papers began reprinting the series of moon articles before the author confessed.

In 1844, the Sun did it again with "Astounding News by Express via Norfolk; the Atlantic Crossed in Three Days; Signal Triumph of Mr. Monck's Flying Machine." This went down in history as the "balloon hoax", and not everyone knew that it was written by a man of considerable imagination named Elgar Allan Poe.

The New York Herald, in 1874, ran five columns of an "eyewitness" account of the escape of all the animals in the Central Park zoo, and said 49 persons were dead, 200 injured, and twelve of the animals still at large. The last paragraph, subheaded "The Moral of the Whole," revealed that the whole thing was aimed at exposing the zoo's shortcomings. But they say that James Gordon Bennett (who owned the paper) read part of the story, and collapsed in bed, and a famous correspondent who was later Joseph Pulitzer's secretary rushed to the office with two revolvers and shouted "Here I am!"

You don't have to go back that

Dist. 2 Directors, TS&GRA, Elected At Meeting Here

Report On Activities Of Association Given By President

Nearly a hundred ranchmen and their wives, representing nearly every county in the sprawling District 2 of the Texas Sheep & Goat Raisers Association, met at the country club in Ozona Tuesday to elect directors to the Association from the district and to hear some reports on activities of the Association.

V. I. Pierce, acting as chairman of the host group, opened the meeting and introduced the district chairman, Worth Durham of Sterling City, who presided.

E. G. Cauble of Big Lake, president of the TS&GRA, outlined some of the late activities of the Association and urged every producer to become a member to bolster the Association in its constant battle in behalf of the ranching industry. Mr. Cauble reported on the meeting of Australian and New Zealand Meat Boards with American interests in Denver, Colo., calling attention to the threat of foreign imports to the domestic industry.

"It's no longer sufficient to watch one or two bills in the legislative and congressional hoppers," Mr. Cauble said. "We need to keep constant watch to protect our interests and we need the strength to back up our requests."

T. A. Kincaid, Jr., past president of the Association, and a member of the Southwest Animal Health Research Foundation board, told the group of the progress in the present campaign to raise the balance of a \$3 million producer fund to assure success of the screwworm control program. The campaign is presently pointed to those ranchers who have not contributed, Kincaid said, but if it becomes necessary to keep the fight alive those who have previously given may be asked to dig deeper.

Tom Wallace, secretary of the TS&GRA, was present at the meeting as was Mrs. James Baggett of Ozona, who is president of the Women's Auxiliary of the Association.

District 2 is entitled to 19 directors of the Association, based on number of members and amount of dues paid. In addition, the district has two others who are automatically directors, Past President Kincaid and President Cauble.

Ford Pass, Punt, Kick Contest Here Nov. 3

Ozona boys from 7 through 11 years of age will be given an opportunity to enter the Ford Motor Co. Punt, Pass and Kick contest in which boys of this age all over the nation compete for valuable prizes.

First prize will be a jacket, second prize a football helmet and third prize a football.

The local competition, sponsored by the Woody Mason Motor Co., local Ford dealers, will be held at Lions Stadium Saturday, Nov. 3. All boys in the eligible age group are invited to enter.

The contest tests the ability of a boy to pass a football straight, punt one straight and place kick or drop kick one straight. Entry blanks and information are available at the Woody Mason Motor Co.

New Test Spotted In West Crockett County

Williamson Petroleum Co., Midland, will drill the No. 1 Northern Natural-University, as a 3/4-mile west-northwest outpost to Devoni-an production in the Ingram multiphase field of Crockett County, 11 miles east of Sheffield.

Location is 1,980 feet from the north and 660 feet from the west lines of 1-29-University. Contract depth is 7,600 feet; ground elevation, 2,700 feet.

Historical Markers To Be Placed on 2 Ozona Buildings October 30

Marking of two Ozona buildings of historical interest, the courthouse and the Ozona National Bank Building, designated by the Historical Survey Committee for historical medallion markers, will take place Tuesday, October 30, at 4 p. m., Joe Couch, president of the Crockett County Historical Society, sponsors of the Medallion building marking here, announced this week.

Following the afternoon ceremony, there will be a meeting of the Historical Society and guests in the basement of the courthouse annex at 7:30 p. m. when Millard Cope, publisher of the San Angelo Standard-Times will be the guest speaker. Other out of town speakers may also be here for the meeting, Mr. Couch said.

Another feature of the program will be a review of the history of old Fort Lancaster in western Crockett County by Mrs. Sherman Taylor.

Lions To Meet Potent Big Lake There Friday Night

Franklin And Holmes Two Reasons Owls Are Favored

By Ernie Boyd

The Big Lake Owls will be rated three touchdown favorites over the Ozona Lions Friday night when they meet in Big Lake with the winner emerging the decided district favorite.

The Owls, who are undefeated in six games thus far this year, will have Tommy Franklin, a 210 pound speedster, at fullback and the state's Class A sprint champion Mike Holmes at quarterback. For these two reasons, the Owls will have to reign as heavy favorites.

At the 7:30 kickoff time, the Owls will thus far have dominated such teams as Stanton, McCamey, Sonora, Sanderson, Coahoma and Marfa, while the Lions have suffered a loss at the hands of Sonora and earned a tie with McCamey.

In Holmes and Franklin, the Lions will be facing the two best backs they have faced this year and the problem of containing the wide spread of Holmes and the inside power of Franklin is one that no one has solved as yet.

Despite the rather bleak outlook the Lions are not selling out before game time and plan to make their presence felt Friday night.

Big Lake's defense, which has improved since the season began, has leaked rather badly at times and the Lions are hoping that the leaks plus a good Ozona defense can give them a shot at outscoring the big Owls if nothing else.

The Lions will be strengthened by the return of Richard Vargas to the lineup. Vargas missed the Iraan game with a badly bruised hip and was held out of last week's contest.

The Lions have shown steady improvement in recent weeks and one of the big factors in their defensive showing has been the addition of Billy Sanchez to the defense. (Continued on Last Page)

Moore Shows Making One Week Stand Here

Many Ozonans are finding entertainment this week at the midway where the Moore Carnival Shows are making a week's stand under sponsorship of the Ozona Volunteer Fire Department.

The Moore Shows are not newcomers to Ozona, having shown here in 1958 and again in 1959 under auspices of the Ozona Lions Club. The company boasts 15 rides and shows for the children and adults.

The show will continue each night through Saturday night of this week. It is located on the lot just south of the States' Highway Department maintenance headquarters.

Doe Deer Hunting Scheduled In Two Areas Of Crockett

Permits To Be Available In Southeast & Far West Edge

Two comparatively small areas of Crockett county have been designated by the Texas Game and Fish Commission as areas in which doe deer may be taken, with permit from the landowners, in the coming hunting season, David Allen, local game warden, announced this week.

The county area east of Highway 163 south of Ozona to the Sutton county line and south of a line running through the Joe T. Davidson and F. F. Friend ranches and south to the Val Verde county line is one of the areas in which taking of doe deer will be permitted. Permits in this area will be issued for two doe deer to the section of land.

Another area will be on the Pecos river in extreme west Crockett county, east to the L. B. Hoover and Tom Mitchell ranch roads on top. Only those ranchers who wish permits and who think they have an excess of deer need apply for permits in this area, the warden said. One deer per 200 acres will be permitted in this area.

A meeting of game wardens from six counties was held in Llano last Friday, Oct. 19, to determine where doe deer hunting is to be permitted. Biologists have completed their survey of deer population and find the population about normal, warden Allen said, with the game more numerous in spots than others.

Biologists from the Game and Fish Commission in Austin will be in Ozona November 1 from 8 a. m. until 5 p. m. to issue permits to ranchers who wish to allow the taking of doe deer on their land. This will be the only time landowners will be able to get such permits here, Warden Allen said.

"We would like also to remind everyone who is going to allow day hunting or lease of their land for hunting this year to purchase their shooting reserve licenses early along with the books for record keeping," the Warden said. "These licenses may be obtained at Collett's Trading Post in Ozona."

"The new Game Law Digest for 1962 should be here and ready for distribution by November 1. We would like for everyone to have access to one of these books."

Ozona Pair Wins Partnership Tourney At Country Club Here

Bill Clegg and Brooks Dozier, a couple of home town golfers, took the one-day, 27-hole two-man invitational team title here Sunday with a 102 score, six under par.

Second place in the championship flight wound up in a tie with the combos of James Scott and T. J. Bailey of Ozona and Bruce Armstrong of Big Lake and Ted Wright of Midland both scoring 103's.

There was a tie for the first flight honors at 106 with H. O. Allen and Troy White of Big Lake and Bobby Rutledge and Jimmy Attaway, also of Big Lake, knotting honors.

In the second flight, it was a three-way tie at 108, even par, among Joe Williams and Dick Webster of Ozona, Jake Broyles and John Lewis of Big Lake and Red Greer and Buddy Moore of Ozona.

Jerry Hopkins and Clayton Hamilton of Big Lake took the third flight honors with 113 while second place went to Steve Presler and Fields Parker, McCamey, with 116.

In the fourth flight, the title was won by Charles Williams and Warren Taliferro of Ozona with 122 while second place went to J. D. Poage and Dusty Nevills of Big Lake.

Will do IRONING in my home. Call 392-2028. 1tp

Junior High And B Teams Play Double Header With Iraan

Ozona Jr. High will be seeking its second straight win of the season Thursday afternoon at 4:45 when they entertain the Iraan Junior High at Lion Stadium followed by a game between the Ozona and Iraan B teams.

Coach Chick Womack's gridders, who have been missing the win column by narrow margins this fall, walloped Big Lake 28 to 6 last Thursday and this week will be seeking revenge for a one point loss at the hands of the Iraan team in Iraan four weeks ago.

The Ozona B team will be trying to add its second win over the Iraan reserves, having scored a 2 to 0 win over the Iraan crew in Iraan when they first met earlier in the season.

Coach Brooks Dozier's charges have not found much in the way of an offensive punch this season, but have played well on defense as witness their record which, with the exception of Eldorado's talented crew, shows nothing but low scoring contests.

Iraan Smothered Under Avalanche Of Lion Tallies

Pecos Side Crew Unable To Cope With Lion Attack

By Ernie Boyd

The Iraan Braves found a tomahawk a rather ineffective weapon in hunting Lions last Friday night when they came out on the short end of a 36 to 0 score at Lion Stadium.

The game opened district play for both teams, although the Braves found the fare about the same outside of league play, as they were charged with their sixth straight defeat this year.

The Lions opened the scoring in the first quarter by hammering 88 yards to score with fullback Brent Moore picking up the last 9 yards on a sweep around right end. Leroy Cooper passed to Scott Mahon for the two points and for all intents and purposes the game had been decided.

The Braves were never able to sustain any sort of offense for more than a few yards and only avoided a disaster through the Lions choice of staying on the ground and out of the air.

Early in the second quarter, the Lions drove deep into Brave territory before getting stopped on the ground but Cooper once again found Mahon wide open and passed to the Lion wingman for a first down on the one from where Cooper sneaked over on second down. The try for points was no good.

Following the half the Lions struck again when halfback Pete Montgomery hit halfback Dubbie Scrivner in the open for a 35 yard touchdown pass. Cooper once again passed to Mahon for the points to run the score to 22 to 0.

The final two touchdowns came with as many subs in the game as possible but the first of the two was the thriller of the night. Scrivner found a brief hole at left tackle and emerged in the clear after a few seconds to dash 54 yards for the fourth score. An attempt to (Continued on Last Page)

Cub Scout Pack To Meet Tonight At 7

Cub Scout Pack 164 will meet Thursday night at the North Elementary at 7:00 p. m. Several new Cubs will be presented their Bobcat badges and a number of the older boys will receive badges and arrow point awards they have acquired during the past summer.

At the present there are three active Cub Scout dens in Ozona and more are trying to become active. Any boy between 8-11 who is interested in becoming a Cub Scout should attend this meeting. Parents are also invited as more mothers are needed to help organize the new dens.

Joe Pierce, IV, Still Unconscious After Sat. Night Accident

Young Rancher Suffers Skull Fracture In Pick-Up Mishap

Joe Pierce, IV, young Crockett county ranchman, was still unconscious in the Crockett County Hospital yesterday from head injuries suffered Saturday night when the pickup in which he was riding slammed into a bridge on Highway 290 west of Ozona.

Although his condition was still considered critical attending physicians were more hopeful at mid-week as favorable responses were noted. His condition was believed much improved yesterday.

Young Pierce was found sprawled on the pavement beside the wrecked pickup by the driver of a transport truck. The truck driver evidently happened on the scene seconds after the accident. He said that when his lights picked up the scene, the injured man was on his hands and knees in the road but sank immediately to the pavement where he lay unconscious when the truck driver got to him. A passing motorist was stopped and word was sent to Ozona for an ambulance while the truck driver stayed at the scene with the injured Pierce.

A skull fracture and concussion resulted from a blow on the side of the head, either suffered when he was slammed into the windshield from the impact or was thrown to the pavement. A brain specialist from San Antonio came here to examine the injured man and advised keeping him as quiet as possible while the injury was healing. Both he and local physicians held high hopes for his recovery.

Pierce was on his way to his ranch and is believed to have dozed at the wheel. The pickup was off the pavement but a few inches when it slammed into the concrete bridge at Howard Draw. The pickup swerved and came to rest against a railing in the middle of the bridge, still upright on its wheels. The vehicle was severely damaged.

Mrs. W. N. Hannah Is Buried Here In Services Tuesday

Former Ozonan Died In Hospital At Plainview

Funeral services were held at 2 p. m. Tuesday from the Church of Christ in Ozona for Mrs. Alberta Hannah, 68, widow of the late W. N. Hannah, former owner of the Ozona Laundry and Dry Cleaning business in Ozona for many years.

Mrs. Hannah died Saturday in a Plainview hospital. She had lived in a retirement home in Plainview for the past two years. Services were conducted by Jess Hall, minister, with burial following in Cedar Hill Cemetery.

Mrs. Hannah was born July 5, 1894, in White County, Tenn. Her husband died here in 1957. She taught music here for many years and was a former president of the Ozona Music Club.

Surviving are one daughter, Mrs. Ed Lewis of Plainview; one son, Bill L. Hannah of LaPonce, Ark.; one sister, Mrs. John McCurdy of White House, Tenn., and six grand children.

A READER WRITES (Bless Her)

"I just had to write a note and let you know how much we're enjoying the Stockman" comes a note from Mrs. L. A. (Vicki Carroll) Awbrey, Jr., now of North Highland, California. "We'd be lost without it," Vicki wrote more. "I didn't really realize what a good paper you have until I got out here. It's surely good to be able to read about the people at home. Give our love to all."

Glory Be, We Bare Our Teeth At Last!

We must add our voice of approval to the president's pronouncement of the quarantine of Cuba and of the prompt marshaling of the necessary forces to implement the manifesto.

We must also join in the seemingly nationwide opinion, too, that the action was much too long in coming. The fault here must be laid to two administrations. It should have been halted at its very inception — the first time American property was seized without proper recompense — and it should have been halted on any given day since that time.

The president was firm and unequivocal in his outline of the new American policy which now seems bent on doing a bit of rat killing in Cuba. It sounded good to hear an American president saying what every patriotic American has wished he would say for month after dreary month of absorbing insults flung by the bearded maniac in Havana and the Muscovite Butcher of Budapest. It was comforting to hear American sabers rattle, to see American armed forces unlimber guns and point them at the head of an avowed enemy who needs only to be seriously threatened with force to turn tail and scamper. (To the UN for more promises, no doubt.)

Why we withdrew from the Cuban patriots at the Bay of Pigs — why we would entertain for one second the blackmail attempt of Castro with the invasion prisoners — why we closed our eyes to the military buildup by Communist Russians in Cuba and called it "defensive" — why we waited until such strength had been accumulated in Cuba that actual global nuclear war had to be risked to stop it, those are questions which remain unanswered. But it is good to know that at last we are going to take action to rid ourselves of this cancer in the western hemisphere. At the risk of war to be sure, but then we could never subscribe to the "better red

than dead" philosophy.

Now that the step has been taken, we sincerely hope it goes all the way and the Cuban rat nest is cleaned out but good. We hope, too, that the action, taken two weeks before the general election in the United States, with the make-up of the Congress at stake, was in no wise political. If it was, we predict it came too late again.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — Texas doctors are about to open a campaign for legislative approval of a constitutional amendment bringing Texas under the Kerr-Mills program.

Through it the Federal and State governments would jointly pay a hospital and medical bills of all retired persons receiving less than \$1,800 a year and unable to qualify for old age assistance. Uncle Sam would pay 75 per cent; the State, 25 per cent.

Doctors believe there are 350,000 Texans over 65 who would be eligible.

School Land Leases — Latest leasing of State school lands boosted the permanent school fund beyond the half-billion mark, Land Commissioner Jerry Sadler reported.

In exact figures, it is now \$500,639,012.

During the past 21 months, \$35,500,000 has been placed in the public school available fund. State university and college lands in the same period produced \$32,684,992. Permanent fund now stands at \$385,995,002.

Another Holiday — State offices closed and employees took the day off last Friday. There was no evidence around the Capitol as to why.

Those who sought to do business with the State found doors locked and halls deserted. Not even

the elevators were running. This, much to the dismay of visitors to the tall granite edifice.

Fact that parking space was plentiful was some consolation.

Reason was — Columbus Day. It came without warning and left without ceremony.

It was just one among the many days the Capitol closes shop while businesses throughout the state remain open.

Early Balloting — With absentee voting at hand (Oct. 17) comes the realization that the Nov. 6th General Election is almost here. Little enthusiasm has been stirred by either the Democratic or Republican candidates.

Capitol observers predict a light vote. That, they feel, would be to the advantage of the Republican candidates since it is conceded that the anti-administration voters will go to the polls en masse.

Nose Counting — Population in fast growing Texas will increase 2,150,000 by 1970.

Texas Research League predicts 11,800,000 people for Texas by the end of the present decade. The 1960 census showed the state's population as 9,650,000.

By 1985 Texas' population will have soared by 16,000,000. Most explosive trend, says the League, will be the rise in the college-age group — expected to rise 53.4 per cent.

Sale Tax Income Low — Texas' limited retail sales tax, passed by the 57th Legislature, accounted for only 10.31 per cent of the state's revenue during the fiscal year ended Aug. 31. So report Robert S. Calvert, State Comptroller.

During this first-year period it produced a total of \$14,660,600.57, to rank fourth in the major income sources of the State.

Veteran's Insurance Planned — Land Commissioner Jerry Sadler announced that the Veterans' Land Board had concluded preliminary arrangements to provide group creditors life insurance for some 30,000 veterans who have purchased land under the state's \$200,000,000 program.

Sadler said the plan is to guarantee full ownership of land to a veteran's widow or heirs at modest annual premiums.

Hold up on that Christmas Gift Shopping until you visit the Woman's League Bazaar at the Village Shopping Center Nov. 14.

FOR SALE — Westinghouse refrigerator in good condition. \$35.00 Call 2-2361 or 2-3265.

Kay Pitts, daughter of Mr. and Mrs. R. C. Pitts of Ozona, was listed among last week's visitors to the State Fair of Texas at Dallas.

Wayne Albers Gets Air Force Promotion

Malmstrom AFB, Montana — Wayne W. Albers of Ozona, Texas, has been promoted to airman second class in the United States Air Force.

Airman Albers, a jet engine mechanic in the 341st Consolidated Aircraft Maintenance Squadron here, entered the service in June 1961.

The airman, a graduate of Ozona High School, is the son of Mr. and Mrs. Larry E. Albers of Ozona.

CROCKETT HOSPITAL NEWS

Patients admitted since Oct. 16: Mrs. Julian Cedillo, obstetrical; Mrs. James L. Moore, obstetrical; Mrs. Jesus L. Ramirez, surgical; Mrs. B. G. Wood, obstetrical; Paulo Hernandez, surgical; H. B. Cooper, surgical; Mrs. Amelia Zapata, surgical; Mrs. Jessie O'Rear, medical; Joe S. Pierce, IV, accident; Roger Dudley, Jr. medical; Mrs. Jose Molina, obstetrical; Tom Powers accident; Cynthia Wood, accident; Mrs. Eloy Martinez, obstetrical.

Patients dismissed: Mrs. Bud Cox, Mrs. Julian Cedillo, Mrs. James L. Moore, and infant daughter, Mrs. Jesus L. Ramirez, and H. B. Cooper.

DAUGHTER TO MARLEYS

Mr. and Mrs. Jess C. Marley are the parents of a daughter named Jennifer Lou, born in a San Angelo hospital last Wednesday, October 17. The baby is a granddaughter of Mr. and Mrs. C. O. Spencer and Mr. and Mrs. Jess J. Marley, all of Ozona.

WHITLEY WELDING SERVICE

I am now in the welding business in Ozona, operating from my home, 308 Smith St., (south of football field) and will appreciate your business. All kinds of welding. Fully insured. Phone 2-3036. JUNIOR WHITLEY 1c

Mrs. John Hobaugh of Ozona spent last week in Mineral Wells, where she visited her father, W. L. Daniel.

Rutherford Visits In Ozona Briefly On Tour Of 16th District

Congressman J. T. Rutherford, back home after a 10-month session of Congress, visited in Ozona Friday afternoon and evening. Later, he attended the Iraen-Ozona Lions Football game.

Rutherford, who had but 17 days after the adjournment of Congress to visit 19 counties in the 16th District, made some 325 miles on the day he visited in Crockett County. He had started in Odessa at 7 a. m. and ended the day around midnight in Fort Stockton.

"My time is short because of the long session of Congress," he said "and because of the fact that I chose to place my public duty ahead of personal or political considerations. I stayed on the job for

West Texas, and thus gave the people of this area their voice and vote on all issues."

LOLA MAE DANIEL CIRCLE

The Lola Mae Daniel Circle of the First Baptist WMU met Wednesday morning in the home of Mrs. Jim Carpenter. Mrs. Lyle Strifler presided. Mrs. Geo. Loudamy was leader. Taking part on the program were Mrs. Robert Moore, Mrs. Ted Lewis, Mrs. J. T. Keeton and Mrs. Huey Ingram. Others present were Mrs. A. G. Walters, Mrs. Robert Lance, Mrs. Myrtle Mitchell, Mrs. W. C. Smith and Mrs. Joe Bean.

Tom Powers suffered a broken leg when a horse fell with him at the Joe Tom Davidson ranch late last week. He is able to be out on crutches, with the injured leg in a cast.

The News Reel
A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Oct. 26, 1933

Mrs. Harry J. Friend, Mrs. Sid Schwalbe and Mrs. Schwalbe's two small children were injured, none seriously, Tuesday when the car in which they were riding collided with another driven by Miss Gladine Coates at the street intersection a block west of the Hotel Ozona.

J. M. Hefner, administrator of the Powell Land Co. of Dallas, the E. M. Powell estate, was a business visitor in Ozona this week.

A pair of parrot-nappers who kidnapped a parrot, the beloved pet of an aging Sheffield couple, Mr. and Mrs. Boyer, were sought here this week by the sheriff's department on receipt of telephone advice from the Sheffield couple. The parrot-nappers were not found but the parrot, captured in the flat south of Ozona by Tot Grimmer and Fats Kyle, was later returned to the distraught Sheffield couple.

About 1,000 head of mixed calves are being loaded at Barnhart today for Jim Phillips, going to points in Missouri and Illinois. The calves are from herds of P. L. Childress, Steve Perner, Bob Bisset, Jack Holt and Tom Murphey.

Ranchmen of Crockett and surrounding counties are preparing to wage war on the prickly pear, darling of the eastern tourist and scourge of the western range. A new type of spray gun and a new poison solution has been developed by a San Antonio firm and, after months of testing on army reservation lands near San Antonio, is ready for tests on the range type.

Plans for the annual Red Cross meat canning for the relief of needy persons during the coming year are being perfected by the Crockett County Red Cross Chapter in cooperation with the local RFC relief committee.

Elect Ed Foreman

ED FOREMAN would make the 16th Congressional District a top hand in Washington. This district has needed a first-class representative in Congress since 1954.

Foreman, an energetic, aggressive, vigorous young man, is conducting the most determined campaign we have witnessed. He is visiting and shaking hands with thousands of the voters in the 16th Congressional District, taking them his message of conservatism is government.

We know right where Ed Foreman stands.

We recommend that the citizens of the farflung 16th District listen to what Ed Foreman has to say and then compare him with the present representative in Washington, J. T. Rutherford.

Rutherford has had almost eight years in Congress to show what he could do for his district and for the nation. We think he has been weighed in the balance and found wanting.

Rutherford's forgetfulness in not reporting on time a \$1,500 political contribution through Billie Sol Estes should be examined carefully by his constituents. It was the largest single contribution he had received, yet he forgot to report it before the deadline.

His explanation was that he overlooked it and he could have "dropped his teeth" when he discovered it. That may be good enough for some people but it is not good enough for us.

We urge the voters of the 16th District to take advantage of this opportunity to get the services of a young, well-equipped, forceful representative in Washington. We think Ed Foreman would increase his worth to us every year he served in Congress. We insist the incumbent has not done that.

Ed Foreman is a civil engineering graduate of New Mexico A&M, now New Mexico University. He was recipient of the Outstanding Civil Engineering Graduate Award. That is typical of his accomplishments. He is active in civic endeavors in his home city of Odessa.

We recommend Ed Foreman to the voters of the 16th District. We think he would be a bargain. We are entitled to the best representation we can get. That means replacing the incumbent, J. T. Rutherford.

(Paid Pol. Adv.)

(Paid for by Crockett County friends of Ed Foreman)

Mr. and Mrs. R. A. Evans of Eldorado were here the first of the week to be at the bedside of their

daughter, Mrs. Royce Smith, who is ill at her home here. She is reported much improved.

Carl North left yesterday for San Angelo where he will undergo an operation for removal of his tonsil. His mother, Mrs. J. J. North, accompanied him.

Texas Needs John Connally!

Only John Connally can provide our state the caliber of strong, responsible leadership to meet the problems and opportunities ahead.

A VOTE FOR JOHN CONNALLY IS A VOTE FOR:

- Educational opportunity.
- Better job opportunity.
- Economy in government.
- Increased attention to our elderly and dependent.

REMEMBER!

Democratic Texas has the lowest total per capita taxes of any major state in the nation. Vote to keep sound economical government.

Vote for Democrat

John Connally

HOW IS FREEDOM PRESERVED?

Freedom can be preserved and kept secure only through the election of sincere, honest and incorruptible public officials by an alert and concerned citizenry.

Freedom is lost when good men are indifferent to their responsibilities, when public officials forget the oath of office, when special privileges are purchased with impunity and ill-gained fees are lightly "forgotten."

Ed Foreman Endorsed For Conservative ACA For Seat In Congress

Washington, D. C. — Ed Foreman was endorsed to day by Americans for Constitutional Action (ACA) in his bid for election to the House of Representatives from the 16th District of Texas.

ACA is the nationally prominent, non-partisan organization dedicated to the support and preservation of Constitutional government.

Ed Foreman's endorsement was announced by Admiral Ben Moreell, Chairman of the Board of ACA. This brings to Foreman the support of a number of distinguished citizens, Democrats, Republicans and Independents, on ACA's Board including the Honorable Herbert Hoover, 31st President of the United States; the

Honorable Charles Edison, former Democratic Governor of New Jersey; Allan B. Kline, former President American Farm Bureau Federation; Walter B. Martin, former President American Medical Association; and Lloyd Wright former President of the American Bar Association.

In announcing the endorsement of Foreman, Admiral Moreell stated: "From Ed's excellent civic and business record and his statements of principle, we are certain that when elected to the Congress of the United States, he will vote for safeguarding the God-given dignity of the individual and promoting sound economic growth, and against 'group morality' and a socialized economy through centralization of power."

Admiral Moreell continued, "Ed Foreman's platform vividly portrays a courageous man who is

sincerely interested in the well-being of all people and our nation as a whole."

Instruction In Care Of Lambs Given 4-H

Crockett county 4-H Club members attended a lamb selection and grooming clinic held Saturday morning at the Bill Baggett ranch north of Ozona. Mr. Baggett and Penn Baggett showed the 4-H clubbers how to select their lambs how to fit them for showing and how to show them in the ring.

Members attending in the senior division were Penn Baggett, Keith Mitchell, Lelcee Mitchell, Diana Couch, Jill Graves, Larry Williams, Rex Bland, Gary Sutton and Bill Bo Everett, and in the junior division, Diltize, Becky and John Bland, Freddy Deaton, Kathy Williams, Buddy Couch, Charles Childress, Alton Everett, Fleet Coates, Morris Lee Coates, Tom Davidson, Cuatro Davidson, Mike Baker and Steven Hubbard. Parents present included Mr. and Mrs. Bill Baggett, Mrs. R. L. Bland, Mrs. Taylor Deaton, Roy Coates, Tom Everett, Taylor Deaton, Mrs. G. K. Mitchell, Joe Couch and Troy Williams.

Week Of Prayer Is Observed This Week

Week of Prayer and Self Denial will be observed this week under sponsorship of the Woman's Society of Christian Service of the Methodist Church. The week's program fosters spiritual growth through prayer, meditation and support for misison projects.

Mission support in foreign fields will include medical work and primary education in Hong Kong; district dormitories for Korea and women's work in Okinawa. In the United States, support will go for the building fund for educational institutions, a gymnasium for the Navajo Methodist Mission school, a dormitory for Holding Institute and a class room building for Boylan-Mather Academy.

The worship service and program meeting will be held Friday, October 26, at 9 a. m. in the sanctuary of the Methodist Church.

OZONA GIRL REPRESENTS BAPTIST GROUP AT TECH

Miss Don Nell Carnes, daughter of Mr. and Mrs. S. E. Carnes of Ozona and a 1962 Ozona High School graduate, has been selected as freshman representative to the Texas Tech chapter of the Baptist student Union.

OZONA LODGE NO. 747

LABORATORY FOR ELECTRICAL POWER

West Texas Utilities Company maintains a laboratory and a full time chemist in each of the power plants to check the chemical content of water used by WTU. Chemical content of the water helps to determine the frequency of equipment overhauls.

Boilers, turbine blading, cylinders, piping, steam inlet valves, condensers, water pumps, and much other operational equipment is impaired by chemicals in the water. Close laboratory control of water conditions can prevent equipment breakdown before it happens. This is just one of the many maintenance procedures by WTU to assure you a continual flow of electrical power!

HELPING YOU LIVE BETTER ELECTRICALLY!

Accurate and Complete

RANCH RECORD

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

EDITORIAL

By Penn Baggett

How many people can honestly say that they have never been guilty of gossip? There is probably no one who has not been or will not be his "brother's keeper" while letting his own affairs take care of themselves.

Human nature is such that every man will, at sometime in his life, condemn another's actions unjustly — even if no action worthy of censure was committed.

The factor which is the very basis of rumor, yet is characteristic of everyone, is that stories are seldom, if ever, told the same way twice.

Rumor is certainly not always harmful and can definitely be very entertaining. Surprisingly enough, those most often responsible for the spreading of rumors are not so-called "habitual gossips," because these "vile characters" are soon found to be unreliable and their stories are disregarded. Those likely to do most harm are sincere, intelligent people who intend only to tell an amusing or interesting story. Too many times these stories are built through a stair-step process, into something which is little more than a very amusing or interesting bare-faced lie.

The easiest thing for one to do after hearing a "juicy bit of gossip" concerning an individual or a group is to connect others to the deed. It seems natural that if one hears of several serious crimes being committed in a city, he might assume that the town is full of dangerous lawbreakers. Such a reason is as valid as assuming that because the President lives in Washington, D. C., everyone living in Washington, D. C. is President. It is easy to pass on gossip, easier to exaggerate it and then pass it to someone else, and it is impossible to replace it in the minds of all who hear it with truth of the matter from which it comes.

OZONA B TEAM EDGED BY BIG LAKE B

The Ozona Lions B-team traveled to Big Lake last Thursday where they were edged by the Owl B-team 8-0. It was a tight, hard fought game, and the outcome rested in the hands of fate throughout the entire game.

Coach Dozier had praise for his boys for their fine showing and cited Steve Livesay, Mike Walters, Sammy Cervantez, and Pon Seahorn for fine defensive play, and for good offensive showing named Billy Carson and Tomas Garza.

In one of the brightest moments of the game for Ozona, Billy Carson connected with Tomas Garza for a 74 yards pass that carried from the Ozona 6 to the Owls' 20. However, the boys were unable to sustain the drive and score.

The only scores of the game came on a touchdown by Love and a setback in the Lions end zone.

Tonight the Junior High and B team will host the Iraan Braves with the Junior High game starting at 4:45 and the B team beginning at 6:15.

The reason for the time change is to facilitate the burning of the bonfire.

AYER STAFF CHOOSES NEW MEMBERS

Nine new members were chosen at a recent organization meeting of the Ayer Staff.

The following girls were added to the staff: Freida Kay Noelke, Andie Elliott, Diana Coates, Janie Gilliam, Cindy Henley, Floydine Moss, Priscilla Sprugers, Tommie Neel, and Pat Womack.

Old members consist of Pauline Maness, Kathy Doran, Robin Jones, Arlene Gotcher, Jann Smith, Helen McCaleb, Gail Johnigan, Gracie Chandler, and Cheryl Clayton. Ayer photographers for this year are Brad Harris and Keith Mitchell.

The 1962 Ayer proof has been received in satisfactory condition. Many students anxiously await the Ayer's November arrival.

A definite date has not been set for the taking of school pictures. The photographer will be in Ozona between November 12 and 16. Students will be notified of the exact date.

DISTRICT GAMES BEGIN

AT 7:30 P. M.

Now that district football is underway, all games will begin at 7:30 instead of 8:00 p. m. Everyone should keep this in mind in order to arrive in time for the opening kickoff. The games played away from Ozona will also begin at 7:30, including tomorrow night's game at Reagan County Stadium where the Lions will face the Owls in a key game.

Office Supplies at the Stockman

SPORTS

By Joel Huff

The Lions started district play right last Friday by beating Iraan 36-0.

Texas looks as if they might go undisputed in the Southwest Conference this year after squeezing by Arkansas 7-3 last Saturday.

There seemed to be a little trouble Sunday between the Texans and the New York Titans. After being tackled on catching a sideline pass, Abner Haines got up swinging, and then, 34 seconds later, another near brawl was started.

Ozona will travel to Big Lake this week to meet the undefeated Owls in probably the Lions' most important game of the year. Although Big Lake will be a heavy favorite, I believe the fired up Lions are capable of pulling off one of the biggest upsets of the year.

Perhaps Coach Hickman should put on a new play which seemed to work well for Green River, Wyoming High School team. The

(Continued on Page Seven)

EDITORIAL

By Ernie Hanson

School spirit is very necessary to every school if it is to be successful in any of its endeavors.

When a group of boys go on a football field for a game, they like to hear the cheering of the crowd that they know is behind them "All the way". In return, the players will play their best to win the game. Those boys spend two or three hours every day on a football field, working for an upcoming game, and they have a right to expect "backing" from every single person who isn't playing. When they receive it, a little extra effort to win the game is given.

Pep rallies are a way of showing enthusiasm for a team. Pep rallies are held to show the players and coaches that the people are really behind them. If the pep rally is dead, the boys could be just as dead on the field.

Enthusiasm shown in a pep rally is likely to be returned by the team on the field when it's time for them to do their part.

Let every student in Ozona High School do his part!

Demonstrating new '63 Chevrolet truck features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension — easier on truck, load and driver.

Users of new conventional medium- and heavy-duty units who have to operate in close quarters are going to like the narrower front ends (up to 7 inches).

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula? This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

THE "NEW RELIABLES" FROM CHEVROLET

Quality trucks always cost less

See the "New Reliables" now at your Chevrolet dealer's!

KNOX MOTOR COMPANY

Lions Roar

(Continued from Page Six)

quarterback, who had been wanting to try the play all season, called to the referee, "haven't we got a 5-yard penalty on this play?"

With that, the center handed the ball to the quarterback, who paced off 5 yards past a team of bewildered opponents, and then sprinted the last 71 yards for a touchdown to bring victory to his team with a 20-13 win.

So far, in district 8-A play, 3 teams are undefeated, and these are the standings:

Team	W	L
Big Lake	1	0
Ozona	1	0
Eldorado	1	0
Rankin	0	1
Iraan	0	1
Sanderson	0	1

This week's schedule.

Eldorado at Iraan
Ozona at Big Lake
Sanderson at Rankin

Last week's results

Big Lake 38, Sanderson 8
Ozona 36, Iraan 0
Eldorado 34, Rankin 28

BIG LAKE CONSIDERED GREATEST DIST. OBSTACLE

By Joel Huff

"I believe we can win district if we beat Big Lake," stated Coach Fred Hickman in an interview last week.

Coach Hickman went on to say that we are picked third in district right now.

"Big Lake is picked first, Eldorado is picked second, and we are picked third; however I think that we are a better team than Eldorado and should be able to beat them."

"Although we do not intend to concentrate on only two individuals, our strategy for Big Lake will be to stop Franklin before he gets up steam, and to keep Holmes from getting outside of us," explained Coach Hickman.

Lack of substitutes is the Lions' main weakness, while tackling seems to be one of the brighter spots according to Coach Hickman.

"Everyone knows that there is never a cinch game, but I felt that Iraan was the easiest game this year," said Coach Hickman.

WIGS AND TOUPEES

By Cheryl Clayton

If you are one of those unsuccessful 3-dab-men, perhaps you are in need of a change. Who says that a man's healthy, handsome hair must be his own? To become a dashing Don Juan, one might resort to using a toupee, and continue being a 3-dab-man. The only change would be the use of a strong reliable glue instead of Bryl Cream.

Many females are wondering how they would look in a wig. In future years, it is contended that there will be as many bald women as men. This will certainly create a necessity for extra hair.

Owning another head of human hair permits a woman to emerge as a Cleopatra, Jackie Kennedy, Bridget Bardot, or any other celebrity whom she chooses. Women may be as different about their appearance as their mood dictates.

Few people realize that wigs have been worn in Ozona High School. A look at the 1961 Ayer reveals several beauties wearing wigs. Douglas Moore and Brad Harris made quite a hit on Freshmen Day, two years ago, with their own creations. Instead of being fashioned of human hair, these were made of a cotton mop.

FFA ELECTS OFFICERS

Ozona chapter FFA officers were elected Tuesday, October 16. The new president is Paul Perner; Moe Barbee was elected vice-president; David Childress was chosen secretary; and Rick Hagelstein was voted treasurer. Keith Mitchell is the new reporter; and Joe Boy Chapman was chosen sentinel.

Kathy Doran, a senior this year, was voted FFA Sweetheart.

CLASS NEWS

Several of the Classes have news this week.

Juniors: The deadline for getting money and orders for mums is October 29. Orders must be placed with the florist by the 31st.

The Sophomore decided to hire a band from Sul Ross for the Christmas Dance.

The Freshmen wish to thank the room mothers for their help in the side show.

GOSSIP

By Tommie Nell

Wonder who did such a good job in stealing all the Juniors' cardboard boxes. Heard they haven't got a single one left!

Noticed that the stop light has something added. Wonder who put it there? Highway Department?

Does anyone know who the three girls were that ran out of gas in front of a station Friday night?

Seems as though Gail Johnson surely had fun watching Rex's radio all day Sunday. How about it Gail?

While the cats are away the mice will play, right Celia?

The girls of the third period bookkeeping class seem to be enjoying Mrs. Taolieferro and the bookkeeping machine — ever since last Friday.

Why doesn't someone ask Floydine Moss about certain notes she writes in fifth period study hall?

We've heard that somebody has decided to reform, could there be a reason behind this?

It seems as though Terry Newton worked hard last weekend,

wonder what on?

Where was it that Brad Harris went after the dance last Friday night? Care to tell us Brad?

Priscilla Spurgers seems to have a special route when she goes to get a coke after school. Is that right Priscilla?

Wonder what would happen to Gladys Matheys and Helen McCaleb if they ever got caught writing notes in fourth period study hall?

Is it true that Helen M. has stolen someone's boyfriend?

Alice McKee seemed to really be exercising her lungs for a certain boy at the football game last Sunday afternoon.

BONFIRE TO BE HELD TONIGHT AT 8:15 P. M.

At 8:15 p. m., tonight, following the B-team game, the annual bonfire and pep-rally will be held at the south end of the football field.

A snake dance will start at the high school building and win its way to the football field. There the bonfire which will burn an Owl in effigy, and a following pep-

rally will ensue.

In previous years the bonfire has been held for Sonora, and although we still have scheduled games with the Broncos, it was the unanimous choice of both the players and the students to change the bonfire to the Big Lake game.

A MANAGER'S NIGHT OUT!

By Robert Cox

Every Friday night brings a football game, and the heroes from both teams fight for the right to wear the victor's crown, all through the contest, eyes are on the players, but there is an unsung hero on the sidelines who does his share of the work, too. He is the manager.

The job of a manager is a rat race. He always has something to do, or should have something to do. During time outs, he must rush onto the field with ice, which he forgets to do every now and then. If a piece of equipment is broken or lost during the contest, it is the job of the manager to fix or replace it.

Half time is an exciting time for the manager. He gets to sort pills, fix arm pads, run get ice for a cut, or take care of any other situation which might arise.

After the game the manager has a whole locker room to amuse himself with. He gets to clean the locker room and sack all the washables for the laundry.

Then, consider that the manager's job is not over yet, he must go through almost the same thing every day of practice.

FLANAGAN APTITUDE TESTS FOR FRESHMEN

The Flanagan Aptitude Classification Tests will be given to the Freshmen only, Monday and Tuesday, October 29 and 30.

The Freshmen will take tests all day Monday, but they will go to their regular first period classes on Tuesday; then, they will take their tests beginning with the second period.

There are nineteen tests which will be administered. They will deal with arithmetic, vocabulary, expression, memory, and many other varied topics.

MEDIUM-PRICE DODGE—Dodge today unveiled an expanded line of medium-price cars, increasing the number of models from six to nine. Six of the 1963 models are in the deluxe Custom 880 series and three in a new, less-expensive 880 series. Dodge officials said the 122-inch-wheelbase line provides big-car styling, luxury and performance at a moderate price. The new 880's go on sale at Dodge dealerships November 14. Pictured above is the Custom 880 four-door hardtop.

San Angeloan Is Tops At Ladies Golf Tourney

The annual golf and bridge tournament of the Ladies Golf Association was held last Thursday at the country club here.

Winner of the tournament was Mrs. Truett Smith of San Angelo with a gross 89. Runner up in the championship flight was Mrs. Clayton Webster of San Angelo, and third was Mrs. Ora Lee Sharp of McCamey.

First flight winner was Mrs. Elsie Adams of San Angelo, second Mrs. Lee Fawcett of Sonora and third Mrs. Dempster of Ozona.

Second flight winner was Mrs. Margaret Smith of San Angelo, second was Mrs. Sam Schuber of San Angelo.

Third flight winner was Mrs. Ernestine Hext of Eldorado, second Mrs. Jack Baggett Ozona, third Mrs. Lunetta Morgan of Sonora.

In the nine hole flight, first place went to Mrs. Joe Pierce, Jr., Ozona, second Mrs. Betty Stewart of Sonora and third Mrs. Jerry Tittle of Sonora.

All winners were presented golf balls.

Bridge was played in the morning, the winner being Mrs. John Lee Henderson, high Mrs. Carl North second high and Mrs. Hugh Childress, Jr., cut prize.

In afternoon bridge, play, high score went to Mrs. Joe Clayton, second high Mrs. Brock Jones and cut Mrs. Gene Lilly. High for the day's play was won by Mrs. Joe Clayton.

The door prize went to Mrs. J. S. Pierce, III.

The serving table held an arrangement of magnolia leaves, pumpkin, fruits, and vegetables, depicting the fall season.

There were about 60 in attendance for the day's games. Cities represented were San Angelo, Mc-

Camey, Sonora, Eldorado and Ozona. pro, Mrs. Jack Baggett, golf, Mrs. Jack Williams bridge and Mrs. Hugh Childress, Jr., Association president.

**Ozonan Participates In Maneuvers Of 4th Armored In Germany**

Grafenwhor, Germany — Army Specialist Four William T. Pinkston, son of Mr. and Mrs. William D. Pinkston, Ozona, Texas, recently completed eight weeks of intensive field training with other members of the 4th Armored Division at the Seventh Army Training Area in Grafenwhor, Germany.

The training included day and night tactical exercises emphasizing mobility and chemical, bio-

logical and radiological warfare. An essential part of the training is range firing of individual and crew-served weapons including the Army's new M-60 machinegun and the 105 and 120-millimeter tank guns.

The 4th, a major element of NATO forces in Europe, plays an essential role in maintaining world peace.

Specialist Pinkston, assigned to Battery A of the division's 78th Artillery in Crailsheim, entered the Army in February 1961, completed basic training at Fort Hood, Texas,

and arrived overseas the following July.

The 22-year-old soldier is a graduate of El Paso High School and a 1960 graduate of the Agricultural & Mechanical College of Texas, College Station.

He was employed by the Prudential Insurance Company, Houston, before entering the Army.

His wife, Linda, is with him in Germany.

**A Creek In My Back —**

(Continued from Page One)

far. Forty five years ago this December, Henry L. Menken sat himself down to his typewriter, meaning, he said later, to enliven the war days (1917) with a little "harmless fun." He wrote an alleged history of the bathtub in America, dating its advent from December 10, 1842 in the home of one Adam Thompson of Cincinnati.

The effects were formidable and future generations may, unfortunately, remember the Sage of Baltimore for his "bathtub hoax" above all else. Mencken confessed, time and time again, but the story was off and running. Professor MacDougall's book gives a year-by-year account of its reappearances in various forms, through the 1920's, through the 1930's — Alexander Woollcott, among others, fell for it — and right up to 1952, when President Truman told the story in a Philadelphia speech.

The Great Bathtub Hoax, indeed isn't dead yet. It will crop up any day, now. And thanks to a Washington editor who put the "disclaimer" at the bottom, you can look for a lot of people to expect a free haircut along with their bath. As for the anonymous author of the Hairy-Carey Bill... what can he do but commit hara-kiri?

**Dist. 2 Directors —**

(Continued from Page One)

All directors were re-elected at the meeting here, and Mr. Durham was re-elected chairman of the group. The directors from this district who will be re-elected at the annual meeting in San Antonio in December are Worth Durham, chairman, Alvie Cole, E. F. McEntire and Gene Allen, all of Sterling City; James Baggett, W. A. Childress, W. E. Friend, Jr., V. I. Pierce, T. A. Kincaid, Jr., and Joe Tom Davidson, all of Ozona; G. C. Magruder, Merton; E. S. Mayer, Jr., Barnhart; R. B. Ferguson, D. K. McMullan, Mort L. Mertz, E. G. Cauble and John Pearson, all of Big Lake; W. W. Harral of Rankin; and Hawley Vancourt of Crane.

**Growing Family Problems? —** Add a large bedroom and bath, \$35.47 per month. No money down. For free plans and estimates call Wm. Cameron & Co., Phone 22681 Collect Sonora.

**Lions vs Big Lake —**

(Continued from Page One)

fensive unit which gives them some pretty good front men in Robert Cox, Penn Baggett, Brent Moore and now Sanchez.

The Lion ends are small and so are the linebackers but both groups have proven ability to hit hard and have most of the teams limited speed.

Another note of encouragement has been the rapid improvement of the pass defense which has in recent games picked off five enemy passes, allowing no deep completions. The strong Owl running game has opened the long pass to the Owls on numerous occasions this year and will doubtless be employed this week as the bomb to break open any congestion that might arise.

Little Leroy Cooper, when given any protection, has proven himself an able marksman and this year received excellent support from his receivers such as Bill Bowman, Scott Mahon and Jimmy Semmler not to mention the fine efforts along that line by the half-back corps composed of Pete Montgomery, Dubbie Scrivner and Richard Vargas.

The Lion running game has been unexpectedly potent this season, particularly when the forwards have been able to give the play time to get well in motion. The Lions have gone well outside but have proven equally dangerous inside with their quick openers and varied counters.

The Ozona student body plans to hold a bonfire Thursday night and try to have the Lions at a fever pitch by game time Friday night. Both Ozona and Big Lake now stand at one won and none lost in district play.

**Americanism Program For Woman's League**

Ozona Woman's League will meet in the home of Mrs. Joe Bean Tuesday afternoon, with Mrs. Jimmy McMullan assisting hostess.

Leader for the Americanism program will be Mrs. James Chapman. Slides of scenes in the newest state, Hawaii, will be shown and explained by Mrs. Ira Carson, a member of the Ozona Woman's Club.

Plans for the Club's bazaar, to be held Nov. 14, in the village shopping center will be discussed at the meeting.

**Iraan Smothered —**

(Continued from Page One)

run over the two points failed and the score remained at 28 to 0.

The night's final tally came as a kind of personal victory for Lion full back Bernabe Villareal, who carried the ball on almost every play, finally crashing over from the 4 yard line to end a 50 yard drive. The drive began on Bill Bowman's second interception of the night and ended as Bowman took a pass in the end zone for the two points following the score.

The Lions held a decided margin in every phase of the game except punting and here the Lions punted only once for a fine 36 yards.

In first downs, Ozona had 20 to 7 for Iraan; picked up a stag-

gering 324 yards rushing to 108 for the visitors, and had a big edge in passing with 87 yards to just 2 for Iraan.

Ozona went into the air 9 times, counting point tries, and completed 7 with one going incomplete and one desperation throw late in the game intercepted.

Iraan went air borne 8 times, completed one for 2 yards and had two picked off by the Lions' Bill Bowman.

Dubbie Scrivner and Pete Montgomery tied for yards gained with 88 each and Brent Moore was close behind with 76. Bernabe Villareal had 56 and Iraan's leading rusher Freddie Dry had 38 yards, all totals being net.

Defensively the Lions once again got top performance from Billy Sanchez, and Penn Baggett

had one of his better games thus far. However, as the score and figures indicate, it was the whole Lion team had a big hand in the Iraan demise.

For Iraan, Bruce Jackson and Bobby Beckett both gave the Lion running game a great deal of trouble and on the whole the line backing of John McFadin and William Mabry was good.

Now a new I. E. H. Home can be yours, for No Money Down, built on your own lot anywhere. Choose from many 1, 2, 3, or 4 bedroom models. For FREE information, Call Wm. Cameron & Co. 22681 Collect in Sonora.

**WMU CIRCLE MEETS**

The June Cooper Circle of the First Baptist Church WMU met Wednesday morning in the home of Mrs. Bob Pitts, circle chairman. The prayer calendar was read by Mrs. Jerry Perry. Mrs. Pitts presided at a short business session.

The program, "Significance of the WMU Emblem," was led by Mrs. D. R. Carr. Eight members were present. The meeting closed with prayer.

Mr. and Mrs. Pete W. Jacoby and David visited the A&M Campus and with their son, Billy, a first year student at A&M. They witnessed the TCU-A&M football game at College Station Saturday, and report young Bill doing fine in his college work.

**COME SEE THE '63 SUPER TORQUE FORD GALAXIE AT YOUR FORD DEALER'S TODAY!**

Talk about lively... it's got the look, the power, and now the feel of the Thunderbird!

If you like your pleasure bold and lively, you won't need a second invitation to discover this beautiful new Galaxie with super torque. What is super torque? It's the satiny thrust you get when up to 405 Thunderbird V-8 horsepower (optional) is put to work in an efficient new way that's Galaxie's alone. Add the Thunderbird velvet of a new ride developed at a cost of \$10 million, and the going is so smooth you must feel it to believe it! And, like all new Fords\* for '63, our glamorous Galaxie has all the money-saving, service-saving features that cut your service stops to twice a year or every 6,000 miles. So see it soon. In fact, see all 44 lively new models for '63—big lively Ford Galaxies, middleweight Ford Fairlanes, compact new Falcons!

**NEW SWING-AWAY STEERING WHEEL!**  
Until now, a Thunderbird exclusive! The steering wheel moves to the right a full 9 inches to make getting in or out easier. The wheel and steering column can be moved only when the transmission selector is in "Park" position. With the selector lever in other positions, the column is locked securely in driving position. Available in any Galaxie equipped with power steering and an automatic transmission.
