## Playoff Ends For Ozona LL In Defeat At Crane

Ozona All-Stars went down to defeat last Thursday night at the hands of the Crane nine to the tune of 5 to 6. The Ozona Stars thus reached the end of the trail so far as the championship playoff series is concerned, after having won their first two starts against Sonora and Big Lake.

David Williams went to the mound for Ozona with David Bradley starting for Crane. Crane scored in the first inning and Ozona just missed tying it up in the top of the second when David Pagan was called safe at home by the plate umpire, who then reversed his decision.

Three runs were scored by Crane in the third. Errors loaded the bases in the fourth and another run scored for Crane, to put them in the lead 5 to 0, after they had retired the Ozona side with a triple-play, a rarity in Little League baseball. Tiny Rivera relieved Williams in the fourth.

Neither side scored in the fifth. Ozona rallied in the sixth to tie the score at 5 all. With one man on, Cuatro Davidson hit a ground rules double. A hit by Ruben Tambunga brought Hickman home, and Davidson scored on Jim Montgomery's single. Pagan hit a long home run over the left field fence, scoring Tambunga and Montgomery.

Phillip Perner went to the mound for Rivera in the bottom of the sixth. Crane scored, and that was the ball game.

Crane was defeated by Rotan, by a score of 7 to 2 in the first game of the Sectional 1 play-offs at Dumas, Monday night.

## Former Ozonan Is Promoted To Peace Corps Post

Phillip D. Hardberger of O'Donnell, veteran Peace Corps staffer, nephew of Mrs. Lowell Littleton and Mrs. Pleas Childress of Ozona, has been named executive director to Peace Corps Director Sargent Shriver, according to a news release from Washington.

Hardberger, 31, has been with the Peace Corps in Washington for the past three years. For the past year he has been deputy director of public information for the agency.

"Hardberger brings a vast amount of experience to this job," Shriver said. "He has been with the Peace Corps since its early days and has worked in several different capacities. His knowledge of the Peace Corps makes him particularly well suited for this job."

Hardberger, a graduate of Baylor University, was a reporter for the Waco News-Tribune and before joining the Peace Corps, worked as a free lance writer in Mexico, associate editor for Military Publishing Institute in New York. He was also in the Air Force for three years as a jet pilot.

He said he plans to return to Texas briefly in September to take the Texas State Bar examination. He holds a law degree from Georgetown University.

## Indians Defeat Strong Odessa Team Here Sun.

The Ozona Indians added another win to their string Sunday afternoon when they defeated the Odessa Dorados by the score of ten to five at Powell Field.

The visitors started off in the first frame as if they were going to run the Ozona Indians out of the park when James hit a home run with two on. The Indians came to bat in the bottom of the first and went the visitors one better by pushing over two runs to go ahead. The other scores for the Odessa Dorados came in the sixth and eighth innings.

Pitcher Alvin Sanchez and his teammates kept the Dorados well in check with their fine defensive play all afternoon, while they themselves scored seven runs in the ball game.

The Ozona Indians will play the San Angelo Oilers at Powell Field Sunday at 2:30 p. m. Reports indicate the Oilers have won quite a few games and should be a strong team.

## Court Denies Venue Change In Damage Suit

A suit asking damages totalling approximately \$4,000, filed on behalf of Mr. and Mrs. Lonnie Van Ness against the Lock Construction Co. of Midland will be tried here in October if a ruling Monday by District Judge Charles Sherrill stands up.

Judge Sherrill, following a brief hearing Monday, denied the defendants' plea of privilege and sustained the plaintiff's contending affidavits in a move to obtain a change of venue to Midland.

The suit, which asks damages approximately \$2,000 for costs of repairs and a like amount for depreciated value to the home, was the aftermath of a series of explosions near Ozona used in opening a ditch for a gas pipeline to the Shell Oil Co. gasoline plant north of the city.

The plaintiffs allege the force of the explosions caused extensive damage to their home in west Ozona in the Couch Addition. The Lock Construction Co. had the contract for the gas gathering pipeline system by which gas from the Northwest Ozona Canyon gas field is supplied to the Shell plant. High explosive charges were used in opening the ditch west of Ozona near the city, the suit charges, and the excessive force of the explosions caused damage to the home.

## Manhunt Fails To Capture Jail Escapee In Area

An extensive manhunt, concentrated around the Bill Baggett ranch north of Ozona, Thursday failed to turn up any signs of Concepcion Duran, escaped prisoner from Schleicher County jail.

After a tip that Duran had been seen in the area, every law enforcement officer in the county converged to conduct a thorough search of the surrounding countryside. The search was called off when all leads fizzled.

"We checked out everything we could think of, but I don't believe it was him," said Sheriff Billy Mills. "He was seen south of Sonora yesterday, and we have alerted ranchmen to be on the lookout for him but I don't think he was around here."

Officers feel sure he is not in the Crockett County area, since a week has passed without any reports of his stopping for food or being seen in this vicinity.

MONEY CHANGERS IN THE TEMPLE

Time was when "sandwich money" meant the nickels, dimes and occasional quarter which we carried to school when mother was too busy to pack lunch. But now it means small change, itself, and still true is that fine old expression "What good is money? You can't eat it!"

If things continue the way they're going, we unhappily predict that the day will come when Uncle Sam's metallic sandwiches will contain just about as much nourishment as any bread and butter variety which one of them will buy. For no matter how hard we try, we can't force ourselves to accept the official explanation that it's a shortage of silver, and nothing more, which has brought about those silver-less coins. That same parent-sponsored instinct which caused us to clutch our school days' sandwich money tightly right up to lunch-time keeps telling us that Uncle Sam's spend-thrift ways have more to do with the impending change in our coinage than the negligence of prospectors or the exuberance of photographers using up silver in film.

We recall that something similar to these new sandwich coins used to show up now and again on the school grounds, when someone would dip a penny in quicksilver and try to pass it off as a dime. Come to think of it, one of those old mercury-coated pennies probably would have more intrinsic value than one of Uncle Sam's newfangled sandwich

dimes. It may come to pass that it will have had more purchasing power, too, with or without its quicksilver coating.

Whether we have silver in our pocket, or a sandwich, we rather suspect that unless this new kind of money changer is driven from the temple of our government soon, were going to need a new kind of Samson, one who will hold the pillars in place, to keep the gilded dome from crashing down upon all our heads.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — Gov. John Connally's future plans are the talk of the capital.

On his decision hinges the political future of many Democratic candidates for numerous federal and state offices.

No one in his party wants to run against the popular Democratic party leader and top vote-getter, but there is talk of his possible retirement. This would change the complexion of many races in 1966.

Connally has indicated that he will make his plans known before the General Election in November. This in order that other state political figures, whose moves depend on his, can set their own sails.

Interstate Highway — Plans for development of a section of Interstate Highway 10 west of Fort Stockton in Pecos County have been approved by the Texas Highway Commission.

Area extends from 5.9 miles west of Fort Stockton to 7 miles east on the present US 67.

Highway Hearings — Texas Highway Commission, working on its busiest docket in years, heard 19 county delegation request \$82,167,010 for highway construction projects.

The Falcon Tourist Route Association gained a generally favorable reaction from the Commission when it asked that a 207-mile route from San Antonio to Zapata be given a single number.

Texas Tourism Gets New Boost — A Texas movie entitled "Texas — Land of Contrasts" soon will be available for showings before civic groups throughout Texas and the nation.

It is a professional job produced entirely within the Texas Highway Department, except for the guest commentator. Its estimated value is \$70,000. But the department self-produced it for \$9,300. More than 100 copies of the color film now are being made by the Department.

First to sign up for showing was the Texas Press Association. TPA scheduled the film for its 15th Annual Advertising Convention in Galveston on September 11. Bob Warner, former newspaperman now a Highway Department information officer, will handle the Galveston presentation.

Mr. and Mrs. T. J. Bailey attended the summer stock production of the Broadway play "Damn Yankee" in Ingram Wednesday night.

Mr. and Mrs. Ed Downing of Odessa, former Ozona residents, were in town last week visiting friends.

Mr. and Mrs. Lowell Littleton were in Eastland Monday to attend the funeral of Mr. Littleton's uncle, John Henry Littleton. Mr. Littleton was a retired Baptist minister. He was stricken with a heart attack last Sunday morning while attending church.

Sonora To Trace Colorful History In August Revue

Sonora, Texas — The history of Sonora, from the time of the Indians to the present, will be re-enacted at Sonora Park here Friday and Saturday nights, August 20 and 21, as a part of the 75th anniversary celebration.

Under direction of Jeff Miller, director of the San Angelo Little Theater, the historical revue will have a cast composed of local people and will incorporate music and dancing in the presentation.

The story of Sonora begins with the mound-builder Indians, ranges through the time of the Apaches and Co-

manches, through the days of the establishment of the Border Forts, and sees the country finally settled by sheepmen. Following the founding of the town of Sonora in 1890 by the late Charles F. Adams, business houses, saloons and homes sprang up, and the town and county became a frequenting place for many of the most notorious Western badmen of

the day. In the spring of 1901, Sheriff E. S. (Lije) Briant shot and killed Will Carver after receiving word that Carver was wanted for the murder of "one Thornton" in Concho County. This, too, will be a part of the pageant.

The following year an early morning fire all but destroyed the young town, wiping out the south side of

Main Street and causing some \$70,000 in damages. The town built back — this time in stone.

Live action, movies and old photographs will be used to depict the colorful past of this town which, like others in the West, has grown from a brawling settlement of tents and gambling houses to an industrious community of progressive citizens.

# TIPS FOR OUTDOORSMEN

by Vern Sanford

**Reversing Line**  
Reversing the line on a reel can be a dreary job at best. But you can make the operation ten times easier by using your home as a king-size spool.

Tie free end of the line to a corner post, or door knob, or any other handy projection, then walk around the house until reel is unwound. This is guaranteed to prevent tangling.

**Treatment for Burns**  
Camp burns can be treated with at least two common substances that doctors suggest.

First is tea. Tannic acid in tea soothes blistered skin and is excellent for treatment of sunburn.

Second is the white of an egg. Albumen is the stuff in eggs that dyes and heals. Apply one or the other and let dry. Then repeat the treatment.

**Stop Short Strikes**  
Often when trailing a pork rind on your lure, especially on a bait equipped with a treble hook, the fish will strike short. There are two ways to remedy this.

First is to switch to a tail-hook pork rind. Second, open the eye of another hook and attach it to the shank of one of the treble hooks.

**Inexpensive Rod Carrier**  
You can make a serviceable rod carrier out of unwanted cardboard rug tubes. Use tin cans (picked to fit) to close the ends.

Soak the cardboard in cheap paint and it will last a long time.

**Emergency Ice Box**  
To transport fresh fish homeward when you have no ice chest, pack the fish in some ice in the spare tire well of your car.

For added protection and to preserve the ice cover the well with a wet tow sack.

When you arrive home simply remove the fish and flush out the well with the garden hose.

**Rubber Bands on Trotlines**  
Trotlines usually tie lines ashore to limber tree branches that will give with the strike of a heavy fish.

In places where there are no branches to tie to, use large rubber bands cut from old inner tubes and tie to a

stake driven into the bank.

**Protection For Rods**  
Plastic cement "painted" on the metal surfaces of rods or reels will help prevent the severe erosion problem caused by salt water.

**Wire for Sinkers**  
You can make emergency sinkers out of discarded electrical wire bent to form a loop.

Sinker slides over the catchingest bottoms, yet still gets the bait down.

**Silencing the Bow**  
Why take a chance even the slightest twang of a bow string might scare game and give away your position?

You can silence your bow string with rubber bands cut from an inner tube. Bands should be at least six inches long and tied top and bottom to bow string about two inches from tip.

**Marshmallow for Bait**  
When catfish won't hit anything else, try soaking a marshmallow with olive oil.

**Gets Rid of Fish Smell**  
To remove the fish smell from your hands after cleaning your catch, try washing your hands with chlorophyll toothpaste.

Lemon juice also will deodorize the fishy smell. Better yet, avoid the smell in the first place by wearing thin rubber gloves while cleaning the fish. A pair of gloves like housewives use while washing dishes will fit nicely in the tackle box.

**Nylon Hose Protect Gun Case**  
To put your gun away for a long time, grease it well and slip it into a discarded nylon stocking. Then place the gun in the regular case.

The nylon will keep the grease and oil from soiling the interior of your gun case.

**For Cleaner Windshield.**  
Add a teaspoon of detergent to the water in your windshield cleaner reservoir and see how fast tough road grime washes away.

**Keeps Hunter's Seat Dry**  
When deer hunting, tuck a square piece of heavy weight, waterproofed canvas in your belt. You can use it to keep your seat dry while sitting on damp earth.

**Shadows Scarce Fish**  
Fish can see you. And they can detect shadows.

So, keep low when you approach clear water. And, never fish so your body throws its shadow across the water.

**Wash to Remove Hairs**  
Dip squirrels, rabbits and other hairy small game in water before skinning. This keeps tiny hairs off the flesh.

**Hide Keys in Hub Cap**  
Taking car keys on a long hunt can cause problems. While changing pants or when sitting down you may lose the keys.

Here's how to lock your car and still have keys handy. Just pry off a hub cap, toss the keys inside and replace the cap. They will be there when you return.

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas as for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of the Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giving of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability.

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**WHAT DOES THE TENTH MEAN TO YOU?**

What does the tenth of the month mean to you? Has it no significance - other than another day has dawned? Have you stopped to think - and count your bills? Consider this is the day your merchants have depended upon?

They have depended upon You the last thirty days - For purchases you've made and promised to pay - They were glad to extend credit as a convenience for you - Now you must cooperate in the good old American way.

We are too prone to accept our blessings and privileges, too. In fact - we are too ready to say "charge it please"

With never a thought as to the day of reckoning - That day is here - the merchants in you believe.

So let us all make an honest and sincere effort, To pay our obligations on time - It will strengthen our economy - make our future secure - Otherwise, CREDIT is not worth a dime.

As you have read the above doggerel or verse - What did it do to your thinking or views? Did it remind you and make you realize your pledge: To pay on the tenth your just dues?

Kitty's Korner

By Kitty Montgomery

After attending the District play-off game in Crane last Thursday night when Ozona all-stars met the Crane all-stars to determine the district Little League championship, I am beginning to understand these articles I have been reading in regard to adult participation in Little League. When winning becomes so important that honesty and fair-play fall by the way, it is high time that something be done. Every person sitting in the stands saw the chief umpire call an Ozona boy safe at home and then reverse his call after a glance at the Crane dug-out. They also heard the announcer, who should have been completely impartial, coaching the Crane team over the public address system. These are just a couple of examples of poor sportsmanship on the part of adults that Little League fans saw last Thursday night in Crane.

Being human, any umpire is going to make an occasional bad call, but never so consistently one-sided if they adhere to the principles of

fair play. It was every bit as much an injustice to the Crane ball players as it was to the Ozona boys who suffered the penalty.

Our Ozona officials have been consistently fair and honest. Although I have often disagreed, they call them the way they see them to a man. However, in all fairness to the boys who play the game, the officials should be selected from other towns in these play-offs. You never know in advance who is going to win the toss.

One of our local residents reported seeing a large flaming object in the sky northwest of Ozona Sunday night. Mrs. Richard Miller said that the object was quite large and cone shaped and looked like falling fire as it disappeared in a matter of seconds. Reports of these unidentified flying objects have come in from all over West Texas. According to the Standard Times, Tuesday morning edition, the objects are meteors and they will appear again August 12 and November 13, in more abundant numbers.

Lewis Hill, Jr., son of Mr. and Mrs. L. J. Hill, returned home this week from Children's Medical Center in Dallas, where he underwent closed heart surgery two

weeks ago. The Hills discovered that Lewis had a congenital heart defect when he was 8 days old and that if he didn't outgrow it, someday he would have to undergo surgery.

Lewis is 11 years old now, and has been active in sports the past couple of years. He was one of the pitchers on Moore Oil Little League team and during the past season, after a flare-up with his heart, had to quit and prepare for heart surgery. Mrs. Hill says there is every reason to believe the operation was a complete success and that Lewis will be able to resume his activities in the near future.

There is at least one woman in the world who aspires to look her age. In a local beauty shop the other day, I overheard Alice McMullan complaining to her operator that after her last appoint-

ment her friends all commented that she looked 15 years younger. After being asked if she didn't want to look younger, she replied "goodness no. I've been here all these years and when people look at me I want them to know it."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows: "Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Board and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of said bonds may not exceed four and one-half per cent (4 1/2%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Fund, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of such lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds; and the proceeds of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys.

The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a bona fide resident of the State of Texas, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby proposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following: "FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law." If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

**Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings or other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

Stephen F. Austin State College at Nacogdoches  
Sul Ross State College at Alpine  
Angelo State College at San Angelo.

"Eighty-five per cent (85%) of such funds shall be allocated by the Comptroller of Public Accounts of the State of Texas on June 1, 1966, and fifteen per cent (15%) of such funds shall be allocated by said Comptroller on June 1, 1972, based on the following determinations:

"(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

"(3) All of the funds allocated on June 1, 1972, shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of fifty per cent (50%) of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.

"Not later than June first of the beginning year of each succeeding ten-year period the Comptroller of Public Accounts of the State of Texas shall reallocate eighty-five per cent (85%) of the funds to be derived from said Ten Cent (10¢) ad valorem tax for said ten-year period and not later than June first of the sixth year of each succeeding ten-year period said Comptroller shall reallocate fifteen per cent (15%) of such funds to the eligible state institutions then in existence based on determinations for the said ten-year period that are similar to the determinations used in allocating funds during the twelve-year period beginning January 1, 1966, except that enrollment projections for succeeding ten-year periods will be from the fall semester of the first year to the fall

semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ten Cent (10¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1965, at which election all ballots shall have printed thereon:

"FOR the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping buildings and other permanent improvements at certain state institutions of higher learning."

"AGAINST the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.
