Untried Lions Tackle McCamey Fri. Night In Non-District Tilt

The Ozona Lions will be in McCamey tomorrow night meeting the Badgers at 8 p. m. The contest will be the first of two non-district games before a steady diet of 8A competition begins.

New Lion coaches, Sam Mosley and Bill Gerber, have a veteran backfield and good overall speed but the team has an inexperienced line, lacking in size. Overall team weight is 157 lbs. — considered small nowadays among class A squads.

In the McCamey Badgers, the Lions will be facing a tough 2AA team ranked third in their district behind Alpine and Crane. A recent poll ranking the top ten teams in each of four classes had Alpine rated No. 1 and Crane No. 2 in Class AA.

Early reports indicate that McCamey has eight or nine starters back from the 1964 squad defeated by the Lions last year 20-0.

The Badgers expect to have a good first unit but lack depth, have average speed, and fair size. Their quick backfield is led by halfback Ridgely Hollifield.

Head Coach Mosley will start Billy Carson at quarterback, George Cox and Derold Maney at halfbacks, and Thomas DeHoyos at fullback in the backfield. The offensive line will see David Lewis at center, Larry Williams and Beto Ramos at guards, Gary Sutton and Marlin Farris at tackles, and Pon Seahorn and George Parker at the ends.

The defensive unit for the Lions will have Marlin Farris, Sutton, Lewis, and Jesus Tijerina up front. The cor-

Junior Hi Cubs 55 Strong, Open First Practice

Fifty-five boys were on hand to receive their football equipment Monday when Coach Chick Womack called for the first practice session of the 1965 Junior High School Cubs.

The Cub Squad will practice daily until September 16 when they tangle with Sonora here in Ozona at 5 p. m. The Sonora game will be the first of an eight-game schedule for the Cubs.

Included on the 55-man roster are eighth graders Tony Cullins, Tom Connors, Steve Hubbard, Morris Lee Coates, Tom Jenkins, Arturo Torres, Mike Womack, Sooner Williams, Ned Henry, David Hoover, Joe Fisher, Sidney Millsbaugh, and Gale Cavanaugh.

Seventh graders are Gary Bradford, Jim Bailey, Cuarto Davidson, Perry Cavander, Gary Davee, Tom Davidson, Fred Deaton, Lane Garrett, Craig Deaton, Alton Everett, Guy Hester, Bill King, Jim Montgomery, Robert Maldonado, Don Olson, Gregory Lara, David Pagan, Phillip Perner, Gregory Stuart, Curtis Weant, Terry Spruill, Chuck Womack, Chris Rebel, David Williams, Craig Williams, Pete Perez, Manuel Camarillo, and Ray Tambunga.

Sixth graders include Mike Jenkins, Ned Stephens, Terry Clingan, Phillip Reed, Bill Turland, Gary Notgrass, Forrest Henderson, Bill Edgerton, Jesse Ortiz, Dean Shaw, Gaspar Alvarez, Pete Ybarra, Carl Welsh, and Monty Peltó.

Coach Sam Mosley

nermen men will be Oscar Flores and Thomas DeHoyos with Beto Ramos and Williams at the linebacking spots. The defensive halfbacks are Billy Carson and Pon Seahorn, and the safetyman is George Cox.

David Stokes, Catarino Cervantez, Jack Applewhite, and Randy Upham are expected to see action on the offensive unit, with Charles Farris and John DeHoyos seeing duty at defensive spots.

Early this week the Lion squad elected team captains for the 1965 season. Elected captains are Carson, Seahorn, Williams, and Lewis — all seniors.

Funeral Services Held For Louisa Ramirez, Near 100

Funeral services were held yesterday afternoon for Mrs. Louisa Ramirez, an early day Crockett County resident, at the Catholic Church, with James Funeral Home in charge of arrangements.

Mrs. Ramirez died Tuesday morning at the State Hospital in Kerrville, where she had been confined since she suffered a stroke about a month ago.

She came to Ozona with her husband, the late Jose Maria Ramirez, about 65 years ago. For a number of years she did domestic work in homes in Ozona until her age forced her into retirement. Well known by Ozona residents, she was believed to be around 100 years of age.

Executive Board Of WSCS Meets

The WSCS of the Methodist Church met Wednesday morning in an executive board meeting with the president, Mrs. L. B. Cox, Jr., presiding. Rev. Leonard Garrett opened the meeting with prayer.

The program chairman for the year, Mrs. R. A. Harrell, outlined the programs for September. The theme for the year is "A Program is a Living, Vital Experience." The District Workshop of the WSCS will be held Sept. 14, in the Angelo Heights Methodist Church in San Angelo.

Sept. 8, a general meeting with the Spiritual Life Chairman, Mrs. Leonard Garrett, giving the meditation, will be held at the church. Mrs. A. S. Lock, secretary of Membership Cultivation and her committee, are at work on the total program of the Society and new members. The meeting closed with prayer. There were fourteen in attendance.

New Enrollment Record Set With School Opening

Ozona Schools kicked off the 1965-66 term Monday morning with an overall enrollment of 1,067, an increase of 47 students over the record opening day enrollment a year ago, Supt. L. B. T. Sikes, reported yesterday.

High School enrollment was up 17 over a year ago, and North Elementary showed an increase of 28. In Junior High, the seventh and eighth grades were up 9 from last year, with South Elementary showing an increase of 12.

Pupils attending the Lockett School were absorbed into the other schools.

Enrollment by grades follows:

High School: grade 12, 45; grade 11, 40; grade 10, 61; grade 9, 85; Total 231.

Junior High: grade 8, 93; grade 7, 87; total 180.

South Elementary: grade 6, 38; grade 5, 55; grade 4, 36; grade 3, 52; grade 2, 43; grade 1, 57; kindergarten, 37. Total 318.

North Elementary: grade 6, 45; grade 5, 59; grade 4, 58; grade 3, 38; grade 2, 54; grade 1, 43; kindergarten, 41. Total 338.

Total enrollment 1067, an all time high for Ozona Schools.

No Arrests In Rash Of Home Burglaries Here

Burglaries of Ozona homes seem to be on the increase the past few weeks, with the perpetrator or perpetrators so far going unapprehended.

The W. E. Friend, Jr. home was burglarized Sunday night. A window screen had been cut and the back door screen had been completely torn out, with entry made through the bolted back door.

After several robberies in the neighborhood, Mrs. Friend had moved most of her valuables to her ranch home. However, the robber had used a hammer and chisel to remove a Yale lock from a closet door. The only missing item was some change from a box on a dresser.

Mrs. Friend drove into her driveway Sunday night to pick up her paper, but did not enter the house. Since the closet door that the thief had so laboriously pried the lock off, had not been opened, she feels sure that the arrival of her car on the driveway frightened him away.

Monday night the Lindsey Hicks home was broken into and completely ransacked, with broken eggs all over the house and everything in the refrigerator thrown on the floor. When Mrs. Hicks re-

Need Volunteers For Blood Bank

The Walking Blood Bank is in dire need of participants, according to Norman Olson, of Crockett County Hospital.

All men and women between the ages of 18 and 50 are urged to go by the hospital and have their blood typed. They will be given a billfold size card with their blood type, name, etc. on it. This is a free service and only takes about ten minutes of your time.

Often, in case of an emergency, knowing your blood type can be a matter of life or death.

New Band Officers Named; to Show off New Uniforms Fri.

Band Director Tommy Sanders released the names of newly elected officers of the 1865-1966 Ozona marching band. New Officers include Frank Welsh, president; Billy Carosn, vice-president; Celia Houston, secretary; and Larry Don Webb, sergeant-at-arms.

Sixty-five of the seventy-five students enrolled in band will take the field during the halftime at McCamey Friday night in the first public appearance of the OHS Band. Band members will be decked out in their new purple, gold, and white uniforms for the first time.

The OHS Band will leave for McCamey at 4 p. m. tomorrow.

Record Number 4-H Members In Feeding Project

A record number of 4-H members, forty or more, have indicated to county agent Pete W. Jacoby, that they plan to feed lambs in the 4-H program this winter. Several members plan to carry goat feeding projects and a number have indicated interest in horse feeding projects.

Boys and girls ages 9 to 18 are eligible for 4-H club work and should contact the county agent soon as possible if interested in feeding livestock in the 4-H program. The date for starting a feeding project will soon end and no projects may start after the final date is set.

The following have started or plan to start a lamb feeding project; Steven Hubbard, Steve Taliaferro, Craig Taliaferro, Duwain Vinson, Eugene Vinson, Janie Edgerton, Skookie Edgerton, Don Edgerton, Bill Edgerton, Larry Williams, Kathy Williams, Tom Davidson, Cuarto Davidson, Christy Davidson, Dan Davidson, David Joe Bean, Alton Everett, Bill Everett, Fannie Everett, Rex Bland, Buddy Couch, Fred Deaton, Diana Deaton, Debbie Deaton, Gregory Stuart, Jeffrey Stuart, Charles Childress, Jim Bob Bailey, Sally Bailey, David Jacoby, Lellee Mitchell, Miltz Friend, Mike Baker, Pat Fitzhugh, Eric Fitzhugh, Cyndie Whitehead, Beverly Whitehead, Gale Cavanaugh, Jim Williamson, Jimmy West Morris Lee Coates and Dwight Childress.

Talent Bar Drops Qualifying Race Result of Injury

P. C. Perner's Talent Bar, the horse that made Ozona famous a couple of weeks ago by winning the Rainbow Futurity at Ruidoso Downs, had a bit of bad luck at the trials last Saturday.

Due to a cracked knee bone, he finished fifth in his heat, and didn't qualify for the All-American Futurity coming up on Labor Day. He suffered the injury in the Rainbow, but after x-ray it was thought he had broken a blood vessel. After responding to treatment, he was a favorite to win last Saturday.

However, on getting out of the gate, the injury really showed and he finished fifth. After the race and several x-ray pictures, the fracture showed up.

He will be put out to pasture for six to eight weeks, and after that length of time he will be good as new, the owners were assured by the attending veterinarian.

4H Members Are Enrolled In Food, Nutrition Group

Crockett county 4-H club members interested in foods and nutrition are being enrolled now, according to County Agent Pete W. Jacoby. Project groups are being organized according to age and experience, with training of the members under supervision of adult and junior 4-H leaders.

This past year, 94 4-H members were enrolled in foods and nutrition including six boys. Membership in 4-H club is available to all boys and girls, ages 9 to 18 years of age, who desire to improve themselves by learning improved practices in agriculture, home economics and related fields through project demonstrations.

Purposes of the 4-H foods and nutrition program for local young people is to develop their appreciation of the part food plays in our daily living; to develop an understanding of the principles of nutrition as they relate to good health; to develop skills in planning, purchasing and serving of good tasting, attractive and nutritious meals; to produce and conserve part of the family's food where practical; to develop an enjoyment of food and food preparation and to help others to learn and do these things.

"Volunteer adult leaders are needed to work with these young people who enroll in 4-H to improve themselves and who become more useful citizens to our community through their training," Jacoby said. Adults interested in working with these young people in the Foods program and boys and girls interested in this training may contact any of the following for information of the program; Mrs. Taylor Deaton, Mrs. Sam Perner, Miss Dorothy Price at the Ozona Community Center or county agent Pete W. Jacoby.

Indians Wind Up Season With Twin Loss To Angels

Ozona Indians ended the season last Sunday by giving up both games of a double header to the league-leading San Angelo Angels. The Angels shut out the Indians in the first game 3 to 0, and steam-rolled them in the second with a score of 11 to 1, leaving the Indians with a 15 win 5 loss season to their credit.

Rudy Martinez went to the mound for the Indians and went all the way, giving up 3 runs in the sixth inning.

Alvino Sanchez assumed the chore for the Indians in the second game. It was three up and three down for both teams until the fifth inning when the Angels scored 5 runs.

BB Martinez scored for Ozona in the sixth to give the Indians their only score of the day.

With the Angels scoring 1 run in the sixth and 4 in the seventh to put them ahead 9 to 1, Tony Garza relieved Sanchez on the mound and gave up one run in the ninth.

A mysterious mid-air collision last Thurs. of 3 T-38 jet trainers from Laughlin AFB remains a mystery at press time today exactly one week after the tragedy which took the lives of three Air Force men, 25 miles southwest of Ozona.

After a three-day search by Air Force officials, with Ozona airport as a base of

Vote Sept. 7 On Hiking Membership Of Texas Senate

Along with voters in other counties of the state, Crockett county voters will be asked to approve or disapprove next Tuesday, Sept. 7, a constitutional amendment which would increase the membership of the Texas Senate from 31 to 39 members.

Although there are 901 qualified poll tax paying citizens in the county, plus others eligible by exemption, the total vote on the proposed amendment is expected to be light in this county, despite the spirited fight being waged by the AFL and CIO and other liberal groups against its adoption.

There will be only three polling places open in the county, one at the courthouse in Ozona, one at Powell Field and another at the West Texas Utilities Co. power plant in northwest Crockett County.

The special election to decide the size of the Texas Senate is the first of a record number of proposed amendments to the badly battered Texas Constitution to be submitted this fall. In November, there will be a total of ten proposed amendments submitted at the general election.

4H Members Win 9 Firsts In Dist. Record Judging

Crockett county 4-H members entered seventeen 4-H record books in district judging last week in Fort Stockton. All of the record books were named county winners prior to entering the district judging. Members received nine first place awards, six second place awards and a third and fifth place award.

Two prizes were won in the Texas Electric Program. A third place district award was won by Richard Reinberg with his record on Electricity, which earned him a prize of twenty dollars, and the Crockett County 4-H Electric Program Record Book placed second in district competition and will receive a prize of fifty dollars.

The Limazona-Tejas Club won two first places on records in Health and Safety. The club will receive engraved certificates from the State 4-H Club Office for their first place district wins.

Two senior 4-H records won first place district awards and have been entered in state competition. David Jacoby won first place in the Santa Fe Achievement Award Program and Larry Williams received the first place award in the Conservation of Natural Resources Program. State winners in these programs receive an all-expense paid trip to the National H-4 Club in Chicago this fall. Janie Edgerton, the other senior entry from the county placed fifth in district competition in the

operations, identification was confirmed late Sunday in Del Rio. The victims were identified as 1st Lt. Luther Lee Threadgill, 27, of Brady; 2nd Lt. Nicholas M. Zopolis, 24, of Shelton, Wash., and 2nd Lt. Robert Jung of Trenton, Ill.

At approximately 1:40 p. m. last Thursday Chon Bravo and Carlos Reyes, employed on the Ira Carson ranch, saw four Air Force planes in the sky above the shearing pens where they were working. The two men said it looked as if three of the planes touched and after a deafening explosion they only saw one plane still in flight and the two pilots eject from a crippled plane. They saw no sign of the other two planes.

Two officers parachuted to safety, 1st Lt. Howard B. Newton of Westerville, Ohio, and 2nd Lt. Frederick Beatty, of Parkersburg, W. Va. Two employees of the J. W. Henderson Jr., ranch heard the explosion and looked up to see the two chutes. They took the officers to the ranch house, where Henderson, awakened from a nap by the blast, took them into Ozona and to the airport. Neither pilot was injured, though badly shaken, and they asked not to be questioned. However, Henderson said he heard them asking each other if they had seen any more chutes.

The area was swarming with Air Force personnel before night and two of the planes were found on Howard's Draw about four miles apart on the Henderson ranch. Bits of wreckage, indicating the planes apparently disintegrated on collision, were scattered over a wide area.

Friday morning, there was an air of secrecy about the entire operation. Planes, helicopters and buses of Air-Force personnel poured into Ozona. Entrance to the crash area was guarded, with no one permitted to enter except the Air Force searchers. Offers of help from local officials and residents were refused, and rescue operations were conducted only by the Air Force Friday, though a unit of Del Rio's Civil Air Patrol helped in the aerial hunt.

Because of the rugged hills and canyons in the crash area, an aerial search yielded next to nothing. However, permission was granted by the county coroner to remove parts of bodies found Friday to Del Rio for autopsy and wreckage of the third plane was found.

All day Saturday the search went on, and enough parts of the dead men were found Saturday afternoon to make positive identification. The other two discoveries were made Saturday afternoon when Ira Carson, on request by the Colonel in charge, had his men take the

From Your State Capitol

FPC Asked To Reconsider — Atty. Gen. Waggoner Carr has filed a rehearing motion with the Federal Power Commission on its recent decision to set the area price for oil gas in the Permian Basin at 14.5 cents per mcf and for new gas well gas at 16.5 cents.

Both the oil industry in the basin and the State had requested a price of not less than 20 cents mcf on all gas.

Carr said the lower ceiling price set by the FPC would "have a direct and material effect on the State's revenue from taxation."

Poll Tax Suit Judges — A three-judge panel has been designated to hear the federal court suit attacking the poll tax as a voting requirement in Texas.

Named by Fourth U. S. Circuit Court of Appeals Judge Elbert Tuttle to hear the suit Judges Homer Thornberry and John R. Brown of the Fifth Circuit Court of Appeals and Judge Adrian Spears, chief judge of the U. S. District Court for the western district of Texas.

"Medicare" Swindlers Circulate — Sen. Walter Richter of Gonzales, chairman of the Governor's Committee on Aging, warns elderly Texans to beware of offers being made in the wake of Medicare passage.

Said Richter: "None of the Medicare programs go into effect before July, 1966, and anyone trying to collect money at this time for any purpose whatsoever in connection with Medicare is bound to be a fraud."

Warning followed reports in Dallas that two persons claiming to be Social Security workers tried to "enroll" people in Medicare, then demanded money for the "service". They were denounced by the Social Security Administration.

Short Snorts — Texas Education Agency reports that 33 of the state's 1,370 school districts drew warnings of failure to submit acceptable desegregation plans as required by new civil rights act.

Draft quota for October will total about 1,504, a slight increase over September, according to Col. Morris S. Schwartz, state selective service director.

House Speaker Ben Barnes is seeking a Texas Legislative Council study concerning restoration and operation of old Texas forts and missions for possible development of a tourist attraction "Texas Mission Trail" similar to that developed in California.

Fall Hints From Your Garden Club

This is the month to renew old lawns and establish new ones. Feed and seed thin spots and fill low spots with new loam.

Study your perennials and see which have become overcrowded. Reset and divide those which need it.

Add Dutch iris, tulips and other choice bulbs to your bulb collection.

Cut back scraggly annuals to encourage late fall growth.

First Garden Club meeting is September 13, at the home of Mrs. Cecil Hubbard. This year the theme is "Challenge of Achievement". The yearbook is very exciting, and every club member is expected to be on hand for this first meeting.

You won't become a gardener by attending the meetings, but you will get wonderful new ideas, inspiration and help. You will learn how to do things better and more easily that lead to a full and enjoyable home life.

Garden Club officers for this year are: Mrs. Glenn Sutton, Pres.; Mrs. Jess Marley, Vice pres.; Mrs. Perry Hubbard, Recording Sec.; Mrs. Ivy Mayfield, Corresponding Sec.; Mrs. Q. A. Brentz, Treas.; Mrs. Stephen Perner, Publicity and Historian; Mrs. A. S. Lock, Flower Show Chairman; Mrs. Bailey Post, Parliamentarian.

Play it safe—while at play! As careful as you may be you're going to run into a dangerous situation sometime during your adventures into the great outdoors.

It can happen when you're walking, sitting, lying down, boating, skiing, fishing, swimming, shooting, hunting — or merely observing.

Fact of the matter is danger lurks everywhere — indoors, outdoors, at home or abroad.

Too often people are caught unprepared when the surprise incident happens.

How do you prepare yourself for the unexpected? That's mighty hard to do unless you are anticipating trouble. But there are a few precautions you can take, and a few items you can carry with you, that will minimize the danger.

For instance, if you're headed for an area where snakes may reside — stick a snake bite kit in your pocket, tackle box, or gun case. We carry one in the trousers pocket every time we hunt or fish. In addition there's one in the fishing tackle box, and the ammo box or the gun case.

We've had only three encounters with snakes, but one was enough to impress this angler with the importance of being prepared.

Once a rattler wraps itself around your arm you'll not forget this little precaution.

However, we suggest you don't wait until something happens to form the habit of carrying along a snake bite kit. They're small, not much larger than a medium-sized pocket knife and their weight is nil.

If you are going boating—then good life preservers are a must.

We used to think it foolish to wear a life jacket while fishing with the old buddy in a safe boat well equipped with flotation.

But not after the little 14 ft. fiberglass rig hit a sub-

merged boulder and knocked both of us overboard — and one of us unconscious.

It's a peculiar sensation to awaken 10 to 12 feet under water and not know which direction is up. Teaches you one thing though — that a life jacket or ski belt can be man's best friend.

One doesn't shy away from life jackets after an experience like that. In fact he seeks them out, and is even mighty careful about his choice.

Let others chide you if they like, call you sissy or "fraydy-cat" — you just wear that jacket anyway. At least you won't end up in the brim-deep.

Nowadays you can buy a cigarette-pack-size pair of inflatable water wings; or an inflatable shirt. They'll keep you afloat providing you're conscious enough to squeeze the pack or pull the release cord on the shirt when the accident happens.

But with a good life preserver already on you're as close to 100 per cent safe as you can get and still be in the water.

Storms create big problems. You'll be surprised how suddenly a storm can get into high gear. If your motor conks out, or the boat springs a leak during a storm you're in real trouble, even on a relatively small lake — not to mention a Texas-size one.

That's when you need to call on flares. Most people think of flares in terms of big boats and the Atlantic or Pacific waterways — or maybe the Gulf of Mexico. But they're mighty, mighty handy on lakes — when the helping hand of a friend is needed.

Genrus makes a compact "Lifesaver" kit that resembles the tear gas pen that women are beginning to carry in their purses. Works on the same principle but is a little more potent. It will eject the flare some 350 to 450 feet into the air and can

be seen as far as 60 miles away.

If you've been stranded on the lake in a sinking boat, or with a burned out motor, or the boat afire, or even with a broken shear pin, it's a helpless feeling — even if a storm isn't brewing.

Too many times boats will pass you by when you hail them — or just wave right back at you in a friendly salutation — not realizing you're in need of assistance. But when a flare is shot skyward there's no mistaking that signal — even on the Fourth of July.

Put one in your tackle kit. All of which reminds us of the importance of having some type of noise-making equipment handy.

You can buy all kinds of horns for your boat. The squeeze bulb type lasts the shortest — since rubber deteriorates quickly on the water and in the hot sun. Those that are air or gas powered are better. But eventually they play out. The electrical type — the storage battery operated — lasts longer. And of course the best is the hand-operated siren. It seems to always work.

If you can't afford a horn get one of these squeeze balls that have a built in piercing whistle. They're cheap and can be replaced often without great expense.

Mainly what you want is something with which you can attract attention. Of course you can always resort to the old standby — a man's shirt or a woman's petticoat — waved in the breeze. If there's a storm coming there will be plenty of breeze.

Whatever the weather — be careful!

In mills and factories across the country, they never stop working. By night as well as by day, the wheels of commerce grind out the goods we need as a nation.

It's a twenty-four hour job, this business of production, and it's a vital job — to you, your family, your town, our whole country. Like most vital jobs, it can't be stopped.

Faith is a vital job, too. It isn't simply something that God gives you, free of charge, on Christmas and at Easter. You have to work for real faith. You have to earn it. You have to keep at it.

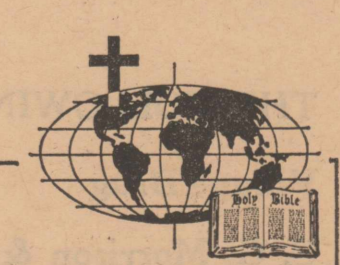

Fortunately, to help you gain and sustain this vital faith, you have the Church to guide you. Start attending every Sunday and there absorb the wonders of God's teachings.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mrs. John Stephen Kenley
... nee Jan Carol Pridemore

Miss Jan Pridemore Is Bride Of John Kenley

Miss Jan Carol Pridemore, daughter of Mr. and Mrs. Ottist Boyd Pridemore, became the bride of John Stephen Kenley, son of Chester H. Kenley and the late Mrs. Kenley of San Angelo, in a double-ring ceremony at the First Baptist Church last Saturday evening, with Rev. Harry D. Trulove, pastor of the First Baptist Church of Fort Stockton, officiating.

Miss Pridemore was given in marriage by her father. She wore a gown of pure white silk organza fashioned in a colonial design. Tapered sleeves were accented by wide ruffles of imported re-embroidered chantilly lace ending at the wrists. Tucks and wide chantilly lace bordered the softly pleated bell skirt. Her chapel train was caught with a bow at the waist line and her silk illusion veil fell from a double bow of silk organza. The bride wore pearls, a gift from the bridegroom, and a brooch which belonged to her great-grandmother.

The bride carried a colonial bouquet of white sweet-heart roses, stock, lilies of the valley and English ivy.

Matron of honor was Mrs. Alvin Spreen of Ballinger, cousin of the bride. Bridesmaids were Miss Susie Jo Schmidt of Post, Mrs. James Robert Childress, Jr. and Miss Rebecca Barnes of San Angelo, cousin of the groom.

Attendants wore dresses of azalea pink silk organza, similar in design to the bridal gown, featuring wide ruffles of self material on the tap-

ered sleeve. They wore colonial bonnet-veils of matching fabric. Each carried a single long-stemmed ruby red rose.

Russell Reed of San Angelo was the best man and groomsmen were Roger Dolliver of San Angelo, Ray Kenley of Houston and Allen Kenley of Lubbock, all cousins of the groom.

Ushers included James Kenley of Houston, cousin of the groom, Earl Deland, Jr. of Wichita Falls, Charles Conner and Eugene Conner of Menard, cousins of the bride, and James Fulgham of San Angelo.

Candles were lighted by Gay Ann Spreen of Ballinger and Jake Pitts of Bishop, both cousins of the bride.

Vocal selections were presented by Rev. and Mrs. Max Brown. They included "Oh Perfect Love", "Wedding Prayer," and "Entreat Me Not to Leave Thee." Mrs. M. A. Barber and Mrs. Tom Sims were violinist and organist.

Baskets of mixed white flowers, magnolia leaves and garlands of English ivy adorned the sanctuary.

A reception followed the ceremony in the church fellowship hall with similar floral arrangements decorating the reception rooms.

Serving at the bride's table were Mrs. Zona Hallcomb of Bandera, Mrs. J. W. Howell, Mrs. Lowell Littleton and Mrs. Sherman Taylor.

After a wedding trip to New Mexico, the newlyweds will be at home in Abilene where the bride will attend Hardin-Simmons University

and the groom will attend Abilene Christian College. They will live in the Radford Hills Apartments.

A Cum Laude graduate of Ozona High School, the bride attended San Angelo College and Baylor University. For the past two summers she has been music and youth director of the First Baptist Church of Ozona.

The groom, a graduate of San Angelo Central High, attended San Angelo College. At present he is attending Abilene Christian College.

Other out-of-town guests included Mr. and Mrs. Cecil Barnes, Marcus Barnes, Mr. and Mrs. Gordon Kenley, Mr. and Mrs. Sewell Kenley, Mr. and Mrs. Vernie Horner, Miss Martha Brown, Miss Jo Brown, Mrs. Ruth Sims, Miss Lou Ann Sims, Mr. and Mrs. Jack Fulgham, Mrs. E. R. Reed, Miss Jean Conner, Mr. and Mrs. Phillip Lockett, and James Jordan all of San Angelo.

Mr. and Mrs. Robert Conner of Menard; Mr. and Mrs. Alvin Spreen of Ballinger; Mrs. W. M. Watley, Mr. and Mrs. T. L. Sparkman, Mr. and Mrs. Clyde Larance, Mr. and Mrs. Arthur V. Jennings of Coleman.

Also Mr. and Mrs. Raymond Kenley and Mr. and Mrs. James Kenley of Houston; Mr. and Mrs. Charles Pitts of Bishop; Mr. and Mrs. Brentz Kenley of Lubbock; Mrs. Katherine Hill and Mrs. Militia Hill of Eldorado; Mrs. Miers Savell, Mr. and Mrs. Bill Savell of Sonora; Mr. and Mrs. Clayton Puckett, Miss Jana Robbins, Mr. and Mrs. Dow Puckett of Fort Stockton and Mrs. Gene Linthicum and Miss Rebecca Russell of Barnhart.

The Friday night rehearsal dinner for fifty was held in the banquet room of the Ozona Civic Center. Chester H. Kenley and Miss Ila Kenley, father and aunt of the bridegroom, were hosts.

Discussing the kerosene and water method of washing windows in the drug store yesterday, Alma James came up with another use for kerosene. She says a few drops on some sugar is good for any kind of winter cold. I didn't ask her whether you rub it on or swallow it.

Kitty's Korner

By Kitty Montgomery

After years of trying to apply modern child-rearing methods, I have come to the conclusion that my grandmother had a point. She always said "give a child an inch and he will take a mile."

We've been so busy trying to keep our children free of complexes that we have developed a complex psychoses. We are not sure when to say no, or whether we should.

I believe the answer lies in using some plan common sense. We might all get rid of our complexes if we used a plain old "no" and meant it more often. No explanations to follow, just plain and finally "no", with an occasional whack for emphasis.

If my memory serves me right, the "dog days" are supposed to be over with the coming of September. Ozona certainly had its share of misery before they passed on into history this year. A rash of robberies and purse snatching, the theatre burning, the tragic jet crash, and Talent Bar's bad luck at the track. Things should be looking up now that we are well into September.

Kiddie Club registration at the Community Center got underway Monday, with around 45 pre-kindergarten children looking forward to classes which began Wednesday. The little pre-kindergarten is open to children of all races and specializes in social development and the teaching of English.

Ablly manned by Misses Dorothy Price and Ethel Wolfe, and in operation for the past several years, I would say it has a headstart on Operation Headstart.

With all the burglaries going on it might be a good time to oil up the old shotgun. A sprinkling of buckshot in the right place might act as a very good deterrent to the persons or persons unknown.

Mrs. Ronald Berry and daughter, Cynthia, are visiting Mrs. Berry's parents, Mr. and Mrs. P. L. Childress. Mrs. Berry is the former Genelle Childress.

Tissie Mitchell gets blamed for a lot of things, but this time she is not guilty. Can't vouch for the past and future, but she was really blameless in this instance.

We're going to miss the Sunday afternoon ballgames at Powell Field. It had come to be our favorite past-time to watch the Indians wallop their opponents and we looked forward to it each week.

Because we couldn't find a parking place, we missed last weekend. But we'd like to congratulate them all for a fine season. They are all good sports with a lot of enthusiasm and we are looking forward to seeing them play again next season.

Well, the constant stream of tourists has slowed to a trickle. Only one carload has stopped today to take pictures of Davy Crockett and enjoy the shade in the city park. At the height of the summer they were lined up to hustle their kids out and pose them in front of the Davy Crockett statue. Cars from every state in the Union. I'm a little ashamed of myself, only today I read the inscription at the base of the statue.

So far we haven't found a place for a dancing studio. The response from mothers has been tremendous, but without a studio or place to teach we seem to be out of luck. Next time we vote on bonds for a public building, it might be a good idea to vote on the rules at the same time.

With all the burglaries going on it might be a good time to oil up the old shotgun. A sprinkling of buckshot in the right place might act as a very good deterrent to the persons or persons unknown.

From Kitty's Kitchen

Recipe of the Week

Swedish Meat Balls in Burgundy

¾ lb. ground chuck
¾ cup packaged dried bread crumbs or corn flake crumbs
1 small onion minced
¾ teaspoon corn starch
Dash of allspice
1 egg beaten
¾ cup light cream
1 ½ teaspoon salt
¼ cup fat or salad oil
3 tablespoons flour
2 cups water
1 cup burgundy
2 beef bouillon cubes
½ teas. pepper
1 ½ teas. sugar
Bottled sauce for gravy

1. Combine chuck, crumbs, onion, cornstarch, allspice, egg, cream, ¾ teas. salt; shape into 24 to 26 balls.

2. Drop meatballs into hot fat or oil in skillet, a few at a time; brown well on all sides then transfer to plate.

3. For sauce, stir flour into rest of fat in skillet; stir in water, Burgundy, bouillon cubes, ½ teas. salt, pepper, sugar, and enough bottled sauced for gravy to make light brown. Cook stirring till smooth. Arrange meatballs in sauce; simmer, covered, 30 minutes.

Serve on hot mashed potatoes, fluffy rice, or buttered noodles. Makes 6 servings.

This recipe was given to me by my brother, Dick Bagby several years ago. Being an excellent male-type cook, he collects unusual recipes. The most unusual being a Hungarian goulash, with twelve cloves of garlic simmered in it. I've never had the nerve to try it, but will be glad to pass on if anyone is interested.

Incidentally, the above recipe may be altered to serve 20 with the greatest of ease, here's how: Make four times the above recipe, with these exceptions: In large Dutch oven, reduce fat for browning balls to ½ cup. For sauce, increase flour to 1 cup; reduce water to 1 ½ quart, Burgundy to ¾ cups, salt to 1 teaspoon. Makes wonderful buffet entree, and can be served from chafing dishes.

turned the next day from San Angelo, where Mr. Hicks is hospitalized, she discovered a very valuable ring missing from an upturned jewelry case.

After the thief finished his work in the Hicks home, he stepped across the alley and entered the home of Mrs. Clay Adams. Up to this point he had only entered homes where the owners were absent. Flushed with his apparent success, he entered through the kitchen door while Mrs. Adams slept in an upstairs bedroom. While prowling around he broke a couple of dishes and apparently fearing discovery, he fled through the open door, knocking a chair over in his haste.

Mrs. Adams was aroused by the noise of the falling chair, but hearing nothing further she went back to sleep. She discovered the open door and overturned chair the next morning. The sheriff's department was able to get footprints from the trail the intruder left across a freshly watered flower bed.

As of this writing, local officials have found no clue to the robber's identity.

Urge Rural areas Ok Amendment In Sept. 7 Voting

Austin — Texas voters will go to the polls Tuesday (Sept. 7) to vote on a constitutional amendment of great importance to the people in rural areas and small and medium size towns of the State.

The amendment up for approval is Senate Joint Resolution 44 that will permit the State Legislature to increase the membership in the State Senate from 31 to 39, and thereby avert the possibility of decreasing the voice of rural Texans in State government affairs.

Unless the amendment is approved at the election, the remaining alternate will be the adoption of another re-districting plan which would take away voting strength in most of the small and medium-populated counties of Texas and add to the voting strength of urban areas. Under this plan, Houston would be a accomplished by expanding the senatorial districts in sparsely-populated areas.

By adding eight to the Senate membership such as is proposed in the amendment to be voted on Sept. 7, equitable re-apportionment as ordered by the U. S. Supreme Court, can be met. Under this plan, the big cities would have equitable representation, yet not at the expense of rural Texas.

These facts are being brought to the attention of voters by a group called the Committee for Fair Representation headed by Jim Taylor of Austin and J. Tom Suggs and Preston Weathered of Dallas.

Miss Katrina Hardburger, teacher in South Elementary returned this week from an extended tour of Europe. Leaving June 6, she visited the Scandinavian countries, throughout Europe and toured Greece.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman Sept. 3, 1936

A five-game series to decide the 1936 Permian Basin baseball championship will open on the Ozona diamond Saturday, Sept. 12, with the Ozona Giants, first half winners, pitted against the boisterous Crane Gulfmen, second half leaders, for the West Texas baseball crown.

Accurate and Complete

RANCH RECORDS

Are More Important

Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

Easy To Keep - Complete Record - In 1 Volume

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.
