Kitty's Korner By Kitty Montgomery

The biggest part of Ozona was in McCamey last Friday night for the opening football game of the season. In fact, it looked like there were more Ozona fans than McCamey rooters. It was quite a thriller in spite of the fact that we lost the game by a measley 2 points. The Lions out-played the Mc-Camey team by a wide margin, chalking up 14 first downs to McCamey's 3. However, they didn't outscore them. I expect the numerous penalties against Ozona had a great deal to do with the

What Is

It is more powerful than combined armies of the world. It has destroyed more people than all the wars of the nation.

It is more deadly than bullets; has wrecked more homes than the mightiest of guns.

It brings sickness, degradation, and death; it destroys, crushes, and maims.

It gives nothing, but takes all.

It is everyone's worst enemy - but two few seek to avoid it – It is CARELESSNESS!

• We earn the right to be called a "service" station every day! We earn it because every day of the year we're ready with extra care for your car-extra service for you.

You see—to us, running a service station means more than just keeping your car supplied with gasoline and oil. It means offering the kind of special care that can actually add thousands of miles to your car's life and give you more driving safety.

Giving your car that kind of service is our job as part of America's competitive and progressive oil industry. Drive in today-let us show you what real service is!

Plymouth sales in Texas are booming!

What are the reasons for Plymouth's popularity in Texas? The Plymouth Valiant is one. Texans hear about Valiant's smart styling, peppy performance and the close-out deals and head for their Plymouth Dealer's showroom. There they discover that Valiant is the

compact that hasn't forgotten why you buy a compact. And there's also something else that Texans go for ... Valiant's 5-year/50,000-mile engine and drive train warranty*. And now during close-out time, you can get immediate delivery on any Valiant in stock.

*Here's how Plymouth's 5-year/50,000-mile engine and drive train warranty protects you: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential and rear wheel bearings. Required maintenance: The following maintenance services are required under the warranty-change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.
