These days, our minds are as busy as switchboards! There are so many things to think about, at work, at school or at home. Even our leisure hours often require a lot of mental activity ... and peace of mind seems very far away.

19 — Student Council

Yet peace of mind is possible for us all, when we turn to God for relief from the tensions of modern living. He is fully aware of all our problems and difficulties, and He is always ready to lead us to a greater serenity of spirit than we have ever known.

That is why, when we take a little time from our busy lives to attend church, we leave feeling refreshed and strengthened. We have shared in His divine gift of peace.

This Sunday, God's call to a new and certain way of meeting the pressures of life is a personal call . . . for you.

#### THE CHURCH FOR ALL . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of charac-ter and good citizenship. It is a store-house of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and materia support. Plan to go to church regu-larly and read your Bible daily.

## Garden Club **Chalks Up Big** Success With Tea

Ozona Garden Club's Tasting Tea, held last Thursday afternoon at the Civic Center, was a big success according to all reports.

Mrs. Larry Arledge, chairman, was very pleased with results of the tea and gave credit to her committee and to garden club members who all did more than their share toward the success of the project. The committee for the tea included Mrs. Bailey Post, Mrs. Glenn Sutton, Mrs. Charles Schneider, Mrs. Allie Lock and Mrs. Perry Hubbard.

Each club member brought two different dishes in the category of their choice. There were 64 dishes of salads, casseroles, desserts, snacks and dips, breads and a special table of candies and cookies.
