Kitty's Korner By Kitty Montgomery

I came to work this morning so bright eyed and bushy tailed, I thought I'd set the world on fire whipping out this little column this week, but somehow it didn't work out that way.

Now it's way past the deadline and I'm exhausted, I've answered the telephone 999 times, sold fifty pieces of cardboard (one at a time), climbed up shelves in the back to get merchandise, customers call for (we keep a large inventory in front, but when I wait on a customer it's always in the back on the top shelf), been irritated since early morning by a jack hammer somewhere at the back of the courthouse, rat-a-tat-tat constantly, and been blasted out of my chair by loud trucks since dawn (if my car muffler created that much noise, I'd be thrown in jail for disturbing the peace). So, all in all, it's been a lousy day for column writing. I find it almost impossible to concentrate with constant interruptions. Guess I just have a one-track mind, and that is not a good qualification for my important job as "General Flunky" around here. Perhaps a replacement is in order.

kk

While I'm in this "everything is lousy mood," I might mention the new television series for fall. I have yet to see one that I would waste my time watching. Of course, I don't get to see them all because of football and sports, so it is entirely possible that I might find one or two that I could enjoy sitting through.

I was especially disappointed in the Jimmy Stewart series. He has always been one of my favorites. I happened to see one of the segments Sunday night and I was acutely embarrassed for him. I can't imagine an actor of his stature running around for a whole show trying to get in a bathroom or trying to build one onto his house. I think it was supposed to be funny, but it was anything but. This goes for most of the other situation comedies I've seen so far. This, of course, is with the exception of the network news. They are still the best situation comedy around. At present they are hard at work on the "prisoner's rights" project. They have yet to mention the rights of those violated by the prisoners, if they had not violated somebody's rights or the rights of the law abiding general public, they would not be behind bars. But this issue is lost on the crusading newsmen, so the daily insanity series continues.

Back to entertainment on television, I find the old faithful series as good as ever, perhaps a little too much of the same. However, there usually is a good movie or two each night and that seems to be the best viewing bet.

By the way, Bryan Montgomery is going to co-star in one of the old faithfuls, The F.B.I., Sunday night at 7 over ABC, so that should

Mrs. Barbee Is Found Wounded Near Mertzon

Mrs. Beall (Kathryn) Barbee was found at a point near Mertzon around 2:30 Tuesday afternoon suffering from a gunshot wound in the head, according to word received here at press time. Mrs. Barbee, who was alone at the time, was rushed to Clinic Hospital in San Angelo where she was to undergo surgery later in the afternoon, according to the information received.

The incident was investigated by Irion County Sheriff Alvie Baxter and Highway Patrolman Ed White, DPS, of Big Lake.

No further details were available at press time.

Crockett Oil Activity Spurt Noted In Week

A Crockett County field gained a new pay, a wildcat yielded oil and water on a drillstem test and a field gained a producer.

Third pay, Queen gas, has been opened in the Crockett County portion of the Millard North (Queen and Soma oil) field with recompletion of M&G and Schneider, Iraan, No. 1 H. M. Half, former Queen oil opener, six miles southeast of Iraan, for a calculated, absolute open flow of 210,000 cubic feet of dry gas per day.

Production was natural through perforations at 1,259-80 feet.

Original completion was July 25, 1959 by R. E. Sutton, Midland, as the No. 1 Half Estate, for a daily flowing potential of 155.99 barrels of oil, no water, through a 23-64-inch choke and perforations at 1,250-81 feet, which had been fractured with 10,000 gallons.

Earlier it tested through perforations at 1,461-67 feet.

Location is 460 feet from the north and west lines of 63-1-1&GN. (Original application was filed 330 feet from the north and west lines of the section).

The Soma gas opener, which was in Pecos County, has become depleted.

Driver License Office to Close 2 Days Next Week

The Driver's License office located in the DPS building will be closed Wednesday and Thursday, October 13 and 14, in order that the clerk may attend a school in Abilene.

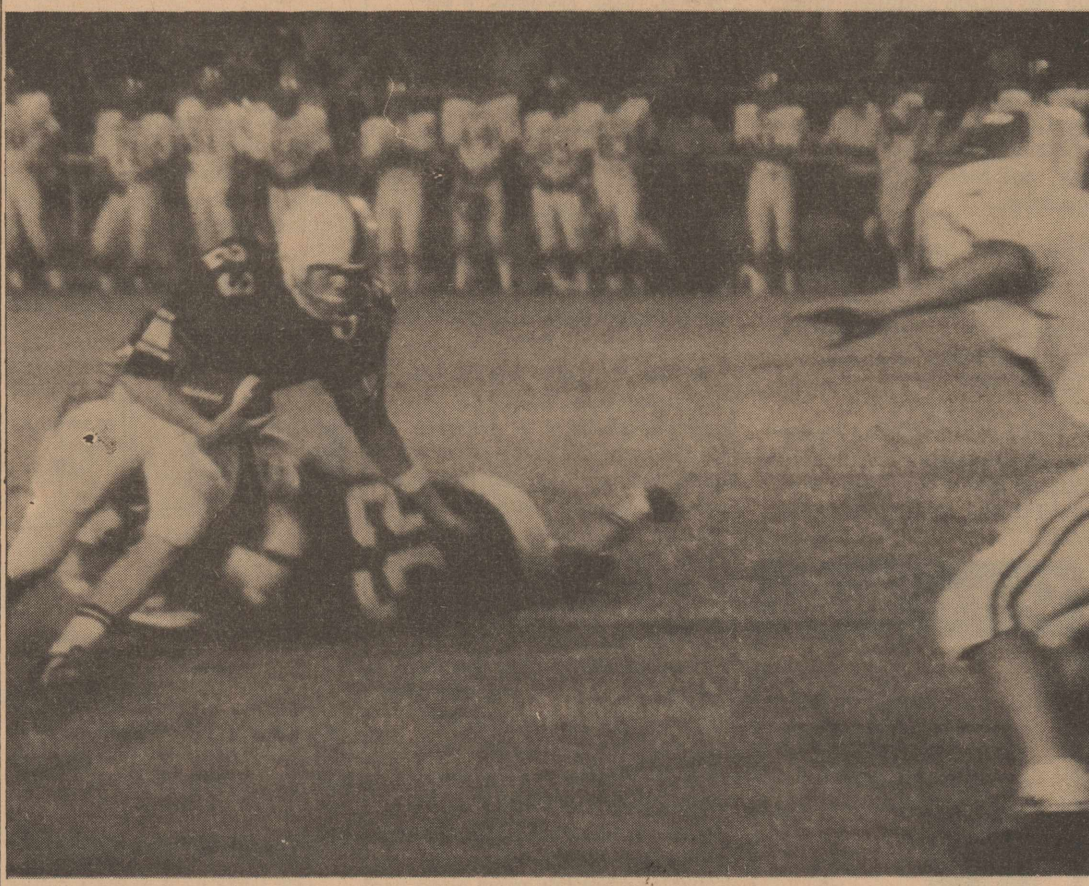

Regular hours of from 8 a. m. through 12 noon, Monday through Friday will resume Friday, October 15.

C of C Prepares Hunt Directory

Approximately 685 lists of available hunting leases in the county for the coming season have been mailed from the Ozona Chamber of Commerce office.

Many more inquiries are expected before the opening of the season November 13.

Resellers who have not registered their leases with the Chamber of Commerce office, and who wish to be included on the revised lists, are asked to call or bring their listings by the Chamber office before the Oct. 15.

IN A LOST CAUSE -- Tim Evans (23) tries valiantly to get the winning score for the Lions after a 9-yard punt by Sonora gave the Lions the ball on the enemy 25-yard line, but is unable to break the clutches of a Bronco tackler even with the help of a block from Rick Hunnicutt (52). The tough Sonora defense held the Lions to no gain and on fourth down they got the ball back in almost the same spot the Lions took over. The non-district contest with Sonora ended 10-8 in favor of the Broncos. The Lions held a one-point lead going into the fourth quarter, but lost the decision on a field goal by Sonora's Mata. Junior Varsity Hosts Sonora Juniors Tonight

The junior varsity will host the Sonora J-V tonight at 6:30 at Lion Stadium while both Cub teams will be in Sonora for a double header.

All three teams lost last Thursday to their Big Lake opponents.

The Junior Varsity lost to the Big Lake J-V 7-0 in a game played here last Thursday night. The Lion J-V had 80 yards passing to 7 for Big Lake, 58 yards rushing to 105 for Big Lake, and 9 first downs to 6 for Big Lake. Leading the defense for the Lions was Jimmy Tambunga and the leading rusher was Romaldo Cervantez. Leading passer was Jeff Stuart with 2 out of 4 for 35 yards.

In Big Lake Thursday night, the seventh grade lost the first game 26-0 and the eighth grade took a 20-16 loss.

The Cub scores came on a pass from Ronnie Pearl to Ricky Perry. Pearl tossed the ball to De La Rose for the extra points. The second score came on a 6-yard run by Pearl, who also ran for the two points.

.62 In. Added To Wet Fall In Weekend Rain

A cloudburst Sunday afternoon left .54 of an inch of rain on Ozona. The storm came on the leading edge of a cold front which dumped up to 6 inches of rain northwest of Crockett County and hail was reported in some area towns.

The front dropped temperatures several degrees in just a few minutes, after an uncomfortably hot Sunday. Mist and light rain all day Monday amounted to .08 of an inch, giving the city a two-day total amounting to .62 of an inch.

Sections in the northwest part of the county reported up to two inches of rainfall for the two days.

Tuesday brought warm sunshine and afternoon and evening showers were in the forecast for the remainder of the week.

Co. Seek Full Time HD Agent

Crockett County is still actively seeking a full-time Home Demonstration agent, and Judge Troy Williams announced this week that the Commissioners Court had requested that the Home Demonstration Agent at large be allowed to spend more time in Ozona. The request was granted and until the county hires a full-time agent, Mrs. Mary B. Watson, HD agent at large will be assigned to Ozona for two extra days a month.

Mrs. Watson will be in Ozona Monday for her regular visit. She has requested that all interested groups, such as 4-H leaders, HD Club members, Civic Center leaders and others meet with her at 4 p. m. at the Chamber of Commerce office to discuss the priorities and needs for a full time agent in the county.

Lometa Rites For Father Of Ozonan

Funeral services for Roy F. Kirby, 88, father of L. D. Kirby of Ozona, were held Tuesday afternoon in Lometa Baptist Church with burial in Lometa Cemetery.

Mr. Kirby, a long-time resident of Lometa, died Sunday night in Lampasas Nursing Home.

Mr. Kirby was born Aug. 16, 1883 in Goldthwaite. He had lived in Lampasas County most of his life. He was a retired farmer and rancher, a member of the Lometa Baptist Church, and Masonic Lodge and Eastern Star.

Other survivors include two sons, two daughter, two brothers, two sisters, eight grandchildren and two great grandchildren.

Lions Primed For Iraan After 10-8 Loss To Sonora Fri. Night

Coach Rip Sewell's Ozona Lions are primed and ready for the Iraan Braves tomorrow night in Lion stadium. The game will be the annual homecoming game for Ozona High School and homecoming activities are scheduled for half-time.

The annual snake dance and bonfire will be held Thursday night following the junior varsity game with Sonora. The snake dance will begin at 8:15 and will end with the bonfire at 8:45 at the football field.

The Lions suffered their second straight loss of the season at the hands of the Sonora Broncos Friday night, dropping their season record to 2-2, and will be looking for another pre-district win before the start of district play next week with Big Lake, here.

In spite of several game-winning breaks, the Lions lost a 10-8 decision to the Sonora Broncos at Lion Stadium Friday night.

The first quarter was a disaster for the Lions. They were unable to move the ball when they had it and they couldn't stop the Sonora ground game. The Broncos got on the scoreboard first with a well executed 70 yard drive that saw two Sonora men, Street and Noel, plunging through the Ozona line numerous times. Street swivel-hipped it in from the 10-yard line for the score and Henry Mata kicked the PAT, giving Sonora a 7-0 lead with a little over five minutes left in the first period.

The Broncos lost a little of their offensive momentum when Street took the ball on a Lion punt and ran 80 yards for a Sonora score only to have it called back on a clipping penalty.

Two minutes deep in the second quarter, Ozona got its opportunity. Mike Jenkins

Sgt. Flores Wins Bronze Star In Vietnam Action

Award of the Bronze Star has been made to Ismael Flores, son of Mr. and Mrs. Leandro Flores of Ozona for his action in Vietnam.

Staff Sergeant Flores was cited for heroism in connection with military operations against a hostile force in the Republic of Vietnam May 30, 1971.

He distinguished himself by heroic action while serving as Medical Advisor, Hieu Nhon District. Sergeant Flores with total disregard for his personal safety, ignored intensive fire while securing one side of the American advisor's bunker which the enemy was closing in on. Seeing one sapper within 20 feet of the bunker getting ready to throw a satchel charge on it and knowing he did not have a clear shot at the enemy from within the bunker, he came out within full view of the enemy to engage the sapper. Later he saw a wounded Vietnamese soldier lying on the ground. Again with total disregard for safety of his own life and with the enemy fire increasing, he ran to the wounded soldier. With enemy rounds exploding all around him, he treated the man without once thinking of himself, and only until the man was properly cared for did he take the soldier to a more secure area and return to the Advisor's bunker. After returning to the bunker and realizing that the Vietnamese medic was seriously wounded, he set up an emergency aid station and began treating the wounded. With the intensive enemy fire decreasing and all the wounded treated for their wounds, he successfully medicated them. Staff Sergeant Flores' heroic actions were in keeping with the highest traditions of the United States Army and reflect great credit upon himself and the military service." the citation reads.

Sergeant Flores is still serving in Vietnam. He is a fourteen year veteran of the U. S. Army. His wife, Gretel, and two sons, David and Roy, live in Aurora, Colo.

Girl Injured In Mini-Bike Pickup Crash

Two potentially serious accidents were investigated by Patrolmen John Harris and Gary Hill, DPS, over the past weekend. Although property damage was heavy, those involved escaped serious injury.

A mini-bike and pickup collision at the intersection of Ave. J and 11th Street Saturday night at 9:15 sent Cheryl Cole to the hospital with facial injuries where she was treated and dismissed the next day. The collision occurred as Miss Cole was traveling north on Ave. J and Oscar Kost was traveling south on the same street and preparing to turn onto 11th St.

Melton Lujan Esparza of McCamey escaped injury about midnight Sunday night when he tried to dodge a deer standing in the path of his late model Dodge sports car and hit a bridge around 14 miles west of Ozona on Hwy 290. Esparza was traveling toward Ozona when he came upon the animal in the roadway. He swerved and went off the road on the opposite side. As he righted the auto, it came in contact with the bridge and literally sliced an entire portion of the car off on the driver's side. Esparza suffered a slight cut on the lower leg. Damage to the car was heavy.

Father Moeller To Big Spring

Father Louis Moeller, who has been pastor of Our Lady of Perpetual Help Catholic Church here for the past 4 1/2 years has been transferred to a parish in Big Spring. Sunday will be his last day at the local church.

His replacement is Father James Plegens, who comes here from Carlsbad where he pastored a small church.

Father Moeller came to Ozona from a parish in Odessa.

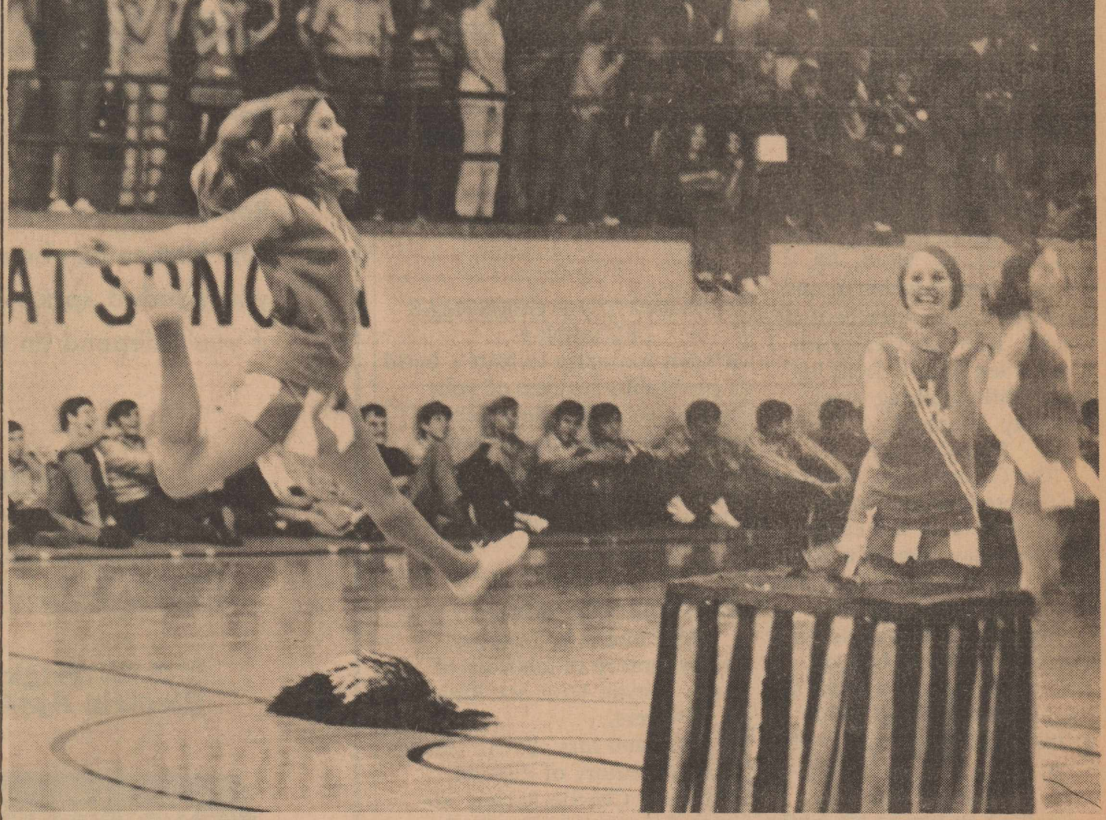

Kay McMullan Shelly Jones Place In Show

Shelly Jones and Kay McMullan participated in the AQHA Youth Show in Midland last Saturday.

Shelly, riding her mare Changacita won third place in pole bending, fourth in reining and fifth in Western Riding.

Kay, riding Flicka's Glo, won first in the barrel race, second in the Western Riding, fourth in English Pleasure, fourth in reining and 6th in Horsemanship.

Accompanying the girls to Midland were their parents, Mr. and Mrs. Dempster Jones and Mrs. Frank McMullan, Jr.

A NURSING HOME -- OZONA'S DESPERATE NEED

When Crockett county entered into a contract with Medica Diversified of Eldorado to manage the Crockett County Hospital, a nursing home in connection with the hospital and under common management was a projected goal of the county commissioners court.

Then came the furor that resulted in dismissal of Medica Diversified and payment of a forfeit by the county to void the contract.

Apparently with the dismissal of the Eldorado group from local hospital management went also dismissal of any idea of building and operating a nursing home -- a facility which Crockett county desperately needs.

Neighboring towns of Sonora and Eldorado both have modern and well operated nursing homes -- and those nursing homes are proving all that is available to a number of aging Ozonans. A cursory look about one now will reveal a prospective continuing and growing need for nursing home facilities here.

There are presently -- and perhaps there have always been -- numbers of senior citizens in Ozona, many facing the prospect of spending their declining years in a home where they can be cared for. Among these persons are numbers who have spent most if not all of their lives here and who deserve a facility in which they can at least be in their home town until their time ends. Many of them have contributed much to this community in service and taxes and they deserve no less than an opportunity to complete their span of years in home surroundings.

That, you might say, could be the moral obligation which should stir the community. But there is no incentive for such a project. It could be an economic boon to the community in bringing in people and providing jobs for others. Such homes, for the most part, have been profitable for the operators.

No individual, so far, has come forward with a plan to build a nursing home and it seems all that's left is for the county to build the facility and either lease it or hire somebody to operate it. The solution might not be that simple, but certainly this county has the resources to provide every public need of its citizens and this is a most pressing need. Comparatively speaking, this county is virtually free of bonded debt and a move should be launched at once to bring about a nursing home in Ozona comparable to that being successfully operated by our neighbors.

WASHINGTON NEWS LETTER

By Congressman O. C. Fisher

The prestigious National Guard Association, which supports the Guard's activities throughout the country, held its 93rd annual Conference in Honolulu last week, attended by more than 2,500. As Chairman of the House subcommittee which handles all National Guard, Reserve, ROTC, and related legislation, I was a guest speaker at the gathering.

The National Guard, in peacetime under control of the various Governors, provides instant call-up service to cope with riots, civil disturbances and natural disasters.

A half million men are authorized to serve in the Guard. By and large, they are well equipped, well trained, and highly motivated. There were 147 Texans at the Honolulu meeting.

As we approach the zero-draft, the National Guard and other reserves are expected to play an increasingly important role in the defense establishment. It is essential that adequate incentives be provided to attract the necessary number of qualified young men into this branch of military service. Our committee has that objective in mind.

Resignations of two Supreme Court Justices -- Mr. Black and Mr. Harlan -- sent shock waves through Capitol corridors. President Nixon, in choosing replacements, now has his greatest opportunity for lasting service to our country -- more so than any President since Franklin Roosevelt, whose

appointees left much to be desired. Two "strict constructionists" are expected to be submitted to the Senate for confirmation. This probably presages long drawn out debates.

One of the appointees is expected to be U. S. Rep. Richard Poff of Virginia. Poff, a 20-year veteran in Congress, would in my judgment make an excellent choice. My next door neighbor, I consider him admirably qualified to serve on the nation's highest court.

Mr. and Mrs. Leonard Bryant of Fort Worth spent several days here last week with their daughter and her husband, Mr. and Mrs. Beecher Montgomery.

Woman's League Hears Speaker On POW Issue

The Ozona Woman's League met Tuesday in the home of Mrs. Tony Allen with Mrs. Buster Deaton assisting hostess.

Mrs. Herb Noelke introduced the speaker, Col. Jack H. Morgan, USAF Ret., who presented a program on prisoners of war. Col. Morgan, a 28-year serviceman and a Vietnam veteran, is currently in the news department at KCTV in San Angelo. Col. Morgan told the group that since the first prisoners were captured in 1964, a total of 1,500 men have been captured or listed as missing in action. Of this number 450 are known prisoners of war and of this number only a few have been allowed to communicate with their families. Since 1969 an extensive letter campaign has been waged by the citizens of the U. S. Morgan said that he feels these letters have "not endangered and have possibly helped the prisoners of war."

"At least," he said, "now the world knows the plight of the POW's, who are being held for international blackmail."

Morgan feels that writing letters to Hanoi no longer have a great effect. He suggests writing to congressmen and representatives asking what is being done for the POW's. "Carry your convictions through communications," he said, "that's where the most good can be done."

Other members present included Mmes Bill Armstrong, Bill Black, Erby Chandler, Bob Childress, Mike Clayton, James Dalby, Jerry Davenport, J. G. Hufstetter, John R. Hunnicutt, Jess Marley, Bruce Mayfield, Frank McMullan, Jr., Mike Miller, Van Miller, Charles Spieker, Jeff Sutton, Dan Pullen, and guests, Mrs. John Richey, Mrs. Jim Peck, Mrs. J. B. Ozona Girl Named To White Horse Riders

Abilene, Tex. -- Five freshmen and four sophomores have been selected as White Horse riders at Hardin-Simmons University, reported Mrs. Barbara Currie, sponsor.

Chosen were Nan Alexander, freshman of Tuscola; Connie Byrd, freshman of Rotan; Chris Clegg, sophomore of Ozona; Patsie Greer, sophomore of Abilene; Mardean May, freshman of Ovalo; Penny Tieman, freshman of Midland; Marsha Webb, freshman of Richardson; Nema Westmoland, sophomore of McAllen; and

Cindy Wiley, sophomore of Merkel.

Miss Clegg was also a White Horse rider last year at H-SU. Six of the girls actually ride the horses, while the other three will be alternates in cases of emergency.

Judging the tryouts were Mrs. P. L. (Sandra) Childress, a former white horse rider from Ozona; Mrs. Billie Johnson, GRA barrel racer from Blanco; and Miss Sue Jennings, instructor in physical education at H-SU.

Miss Karen Mosley, a student at the University of Texas at Austin, and former Ozonan, visited friends here over the weekend.

Tips For Gardeners

From The Ozona Garden Club By Mrs. Bailey Post

"And when the silver habit of the clouds comes down upon the autumn sun, and with a sobered gladness the old year takes up His bright inheritance of golden fruits, A pomp and pageant fill the splendid scene"

- Henry Wadsworth Longfellow
Enjoy the color of October, but resist the temptation to be "just a spectator." Soon after the last rose blooms and dahlias taste frost, your garden will be preparing for winter. In the meantime, October decks the scene with bursts of burnished color.

This is the time to put into action some of the plans you made months ago, it's a time to visit your nurseries for more good ideas, and for solutions to some of your landscaping problems. You will find garden centers with many new varieties of plants as well as your old favorites. October planning will reward you when your garden awakens in the spring. For brilliant colors in your garden next spring you will get the best quality of bulbs this month.

Beware of ordering or buying plants from nurseries that you do not know about, which advertise new, unusual, rare and fast-growing plants. Many of these will not grow in our area, even with good care. They cause the waste of thousands of dollars each year.

Prepare flowering vines and others for winter by pruning them this and next month. Prune out dead and diseased wood and excess growth. An ideal schedule is to remove old wood every second or third autumn, leaving some old wood for flower bud formation. Among vines that can be cut back to the near ground or within a foot or two of the ground are the autumn-flowering clematis, jasmine, honeysuckle, perennial sweet pea, silver vine and queen's wreath. Other vines that benefit from fall pruning include Boston and English ivy, hybrid clematis (this blooms on new growth),

trumpet vine and Virginia creeper. If you want large mum blooms disbud now by rubbing out all but one or two buds on each stem you have left on the plant and stake if needed.

Many lots and alleys have been cleaned, but there are still a number that prevents a good view when driving. Everyone is urged to continue fall clean-up.

A reminder that the Garden Club will meet next Monday at 1:30 p. m. at the Civic Center. The program will be on "Table Magic."

Table Tip: The decorative background and accessories in the room sets the style for your table, whether you have a definite period room or a combination of traditional and contemporary. The background not only influences the style, but also suggests the colors and degree of formality of your table setting. The occasion also determines the degree of formality and the spirit within the scope established by the room.

A CORRECTION
A missing line in the middle of last week's Stockman story on the drowning of Gustavo Sorola in Johnson Draw left a somewhat garbled paragraph which at least one reader misread. The paragraph should have begun with "One of the men secured the rope around his waist and was going to wade into the water to get Sorola." The story continued that Sorola had disappeared when the men returned to the scene.

LIGHTED WINDOWS

It's after hours. Yet most of the windows are bright. Perhaps the cleaning crew is at work, or a few executives catching up on their mail.

Whatever the reason, the lighted windows glow with purpose. The dark windows are blank, austere and forbidding. What a difference one flick of a light switch can make!

People are like the windows of this building. Some, radiant with the joy of living, find days full, happy and useful. They are fun to be around. Others, gloomy and sad, find life lonely and meaningless. Their company is tedious.

What makes the difference? Where can you turn if life seems troublesome? You can't flick a switch to change an attitude.

The secret is in your church. Worship and study there, and welcome the living presence of God into your heart and mind. Your whole life will be lighted and your days filled with new happiness.

Football—

(Continued from page 1)
fell on a Sonora fumble in Sonora territory and on the first play from scrimmage Tambunga picked up the Lions' first first down of the game. The Lions bogged down on the Sonora 36 yard line, but with fourth down and six yards to go, Tambunga made it another first. A fifteen yard penalty against the Lions made it first and 25, but Tambunga and Huff did the honors and the Lions were knocking on the Bronco door with third down and goal to go. Quarterback Sewell bootlegged around left end for the Lion score. Sewell hit Webster in the end zone on a fake kick and the Lions led 8-7. Adjustments in the Ozona line stopped the Bronco's ground game and they were only able to chalk up two first downs in the entire second period, allowing the Lions to take the one-point lead with them to the dressing room at the half.

The third quarter was fairly even with neither team able to score. One Sonora drive was ended when David Sewell intercepted a Bronco pass on the Ozona 30-yard line. The Broncos tried a field goal from the Ozona 30 later in the period, with no results. The Lions were on the Sonora 25 at one point and tried to run it on 4 and 8 but the ball went over.

The fourth quarter belonged to the Broncos with Noel and Street both breaking for some spectacular runs and the Lions unable to move the ball. The Lions were unable to complete a pass throughout the game and the Sonora defenders evidently were well informed that stopping Tambunga would stop the Lions' ground attack, which is exactly what they did. Tambunga left the game with an injured knee in the fourth period of play.

The Bronco's Noel got loose in the middle of the quarter to give the Sonora crew a first down on the Ozona 10 yard line. It looked like a sure touchdown for the Broncos, but Lion defender Bill Edgerton managed to get to the Sonora signal caller a couple of times for losses and they were forced to settle for a field goal by Mata, which gave them the victory. 10-8.

Lady luck smiled on the Lions again, however, when a bad punt by Sonora gave the

Lions the ball on the Bronco 25. Luck ran out with the downs and the ball went over to Sonora in almost the same spot the Lions received it. The Broncos drove into Lion territory despite a 15 yard penalty before the clock ran out.

Sonora had 14 first downs to 8 for Ozona, picked up 229 yards rushing to 116 for Ozona, completed two out of five passes with one interception, while the Lions were 0 for 5.

The Lions out-punted the Broncos with David Sewell punting five times for a 40 yard average, his best of the season; and the Broncos had 3 for 27 yards average.

northwest of Iraan, five miles northwest of the depleted Meek (Strawn and Canyon) field and one location southeast of the depleted Hanson (Grayburg) field, reversed out 28 barrels of 36 gravity oil and 17 1/2 barrels of water on a drillstem test in an unidentified zone, probably Ellenburger.

Tool was open 165 minutes on the test taken at 7,698-770 feet. Recovery from the sample chamber was 50 cubic centimeters of oil and 33 cubic centimeters of water.

Flowing pressure was 1,026-1,962 pounds; one-hour initial shut-in pressure was 2,904 pounds; and two-hour and 40-minute final shut-in pressure, 3,276 pounds.

Drilling continued below 7,845 feet on an 8,800-foot contract.

Texaco Inc. Midland, No. 2-B C. E. Davidson Jr., lower Canyon producer 7/8-mile east-southeast and the same distance east-northeast and 1 1/2 miles west of lower Canyon production in the DePaul multiphase field, eight miles southeast of Ozona, was finalized for a calculated, absolute open flow of 1.806 million cubic feet of gas, with gas-liquid ratio of 105,263-1. Gravity of liquid is 60 degrees.

Production was through perforations at 7,859-995 feet, which had been acidized with 2,000 gallons and fractured with 32,000 gallons and 74,000 pounds of sand.

The Canyon sand was topped at 6,320 feet and the lower Canyon sand at 7,859 feet kelly bushing elevation of 2,479 feet.
