Kitty's Korner

By Kitty Montgomery

I never thought I'd live to see the day when I'd say this, but as far as rain is concerned, we've just had too much of a good thing. We'll probably look back in the dry years to come and wish we could have more days like those in good old 1971, but as things stand now, I think we've reached the saturation point.

Someone tells the tale about an out-of-towner flying into Ozona during our 9-inch rainfall and asking why roads ran down to the river on both sides of town (meaning Johnson Draw, no doubt) By the way, the 9 inches fell in a few days in August, in case you've forgotten. However, a five inch rain a couple of weeks ago sent the draws on another rampage, so it's getting to be a fairly common sight. Thank goodness for the flood control dams. We would, no doubt, have been washed away at least a couple of times this year without them.

kk

The parking space at our local post office is inadequate to say the least, but it becomes twice as bad when people pull into the parking lot and take up two spaces when one would do as well.

This is most noticeable at noon, when everybody rushes to get the mail. Another hazard is people who park on the wrong side of the street in front of the post office. How many head-on collisions have you almost had as you pull around the corner to park legally and find yourself bumper to bumper with someone who has whipped over from the wrong lane to park illegally? Sort of a shock, isn't it?

Since we can't enlarge the parking space, perhaps we could at least "drive friendly."

kk

Every football fan should have seen the Cowboy-Giants football game Monday night. It would be especially good therapy for those fans who sit in the stands when their high school football team is playing and berate their team for every little miscue. Instead of "The Game of the Week," it should have been entitled "How to Eke out a Win by Trial and Error." The Cowboy offense was so bad, it had to be seen to be believed.

I turned on the television to watch the first couple of plays and couldn't tear myself away. I could hardly help but wonder if there were any Cowboy fans left in Dallas Tuesday.

kk

On the national scene, speculation about nominees to the Supreme Court continues. I have yet to hear a name mentioned without a little mudslinging in connection. I really doubt the eastern establishment of liberal politicians and television news analysts and experts will find anyone the President names acceptable. One thing is sure, whoever is named will be subject to such extensive grilling before confirmation or lack of it, that his life will never again be the same.

It's a little hard to understand this attitude on the part of Congress, labor bosses, and bleeding heart liberals, when an investigation of William O. Douglas, who has been sitting on the supreme bench for years, would doubtless prove him an unfit nominee in several categories.

Girls Basketball

Tryouts Saturday

Miss Susan Webb, Ozona High School girls' PE teacher and coach, has announced that girls' basketball tryouts will begin Saturday afternoon at the high school girls' gym.

After about a week of practice, the varsity and junior varsity rosters will be announced along with the season schedule for both teams.

Selections for the Lionette varsity will be announced Oct. 26.

1971 FOOTBALL QUEEN Christy Davidson, daughter of Mr. and Mrs. Chas. E. Davidson, III, is presented by Lion Captain Monty Peltó, both seniors at Ozona High School, during halftime activities last Friday night in the homecoming game with Iraan. Miss Davidson was chosen by vote of the team and their choice was announced as the four candidates for queen were escorted onto the field by the football captains. Duchesses were Mary Jo Hyde, Suzy Russell, and Stacy Dockery. Photo by Don Ingram

Lions Open District Play Friday Night With Reagan Owls As Rivals

The Ozona Lions begin District play tomorrow night with traditional rival, Reagan County. Kick-off time is 8:00 p.m. at Lion Stadium.

While the Lions were giving the Iraan Braves a 41-15 pounding last Friday night, the Owls were losing a 6-0 decision to the Fort Stockton Panthers.

The Lions and the Owls go into district play with identical 3-2 pre-season records. The Owls ended the season last year as co-champions with the Lions for the district championship, although the Lions easily subdued the Owls in their own territory in the district opener last year.

Last year was a rebuilding time for the Owls, and although they have not been impressive this year, Coach Sewell warns against over-confidence on the part of Lions and Lion fans, and feels the Lions will have to be tough to take

the victory.

The Lions breezed by Iraan Friday night here and had the Braves down 14-0 at the end of the first quarter. The first score came when Gerald Huff knocked the ball loose from an Iraan carrier and caught it in mid-air, flying 42 yards for the first Lion score. Just minutes later, Sewell passed to Huff for 17 yards and another Lion score. Sewell made both PAT's good.

The Lions were held scoreless in the second period and the Braves pushed one across from the 4 to score. The PAT was good and at the half it was 14-7 in Ozona's favor.

The Lions owned the only score in the third period when Sewell passed to Jenkins for 22 yards and the score. Sewell added the extra point, giving the Lions a 21-7 lead going into the final period. With eleven minutes to go

in the fourth quarter the Braves capped off a drive with a score from the 1-yard-line and were successful in running for the two points, narrowing the Lion lead 21-15. This was the incentive for three more Ozona scores. The Lions drove 69 yards and Jenkins again caught a 20 yard pass from Sewell for the score. The PAT was no good, but the Lions held a comfortable 27-15 lead.

The next Ozona score came when Ruben Tambunga got loose for 88 yards and the score and Sewell kicked the PAT. With 15 seconds to go before the final whistle, Monty Peltó scored on a quarterback keeper to end an Ozona drive. The PAT was good and that ended the scoring for the night. Evidently the Lions had

Former Teacher To Be Honored At Reception Here

Mrs. Hazel Kirby Sunderman of Canyon, Texas, a war time English teacher in Ozona High School, will be the honored guest at a reception to be staged at the Ozona Civic Center Saturday evening, October 23, from 7 to 9 o'clock.

A group of former pupils of "Miss Kirby," who taught in the local high school from 1941 to 1945, have arranged the reception in her honor on the occasion when she will be in San Angelo directing a two-day clinic for teachers on the subject of teaching reading in the schools. Mrs. Sunderman is a representative of the State Board of Education in charge of its reading program.

Now a resident of Canyon, Mrs. Sunderman is Junior High Librarian in that city, but is available for weekend clinics for teachers on teaching children how to read. She will come to Ozona Saturday evening after completing the two-day clinic in San Angelo.

All former students and friends of Mrs. Sunderman are cordially invited to attend the reception.

OZONA APPLES - Mrs. Thomas Garza is shown with three large apples from the tree in her front yard at her home on Hwy 163 south. Largest of the apples weighed three-fourths pound and the smallest over one-half pound. The tree is three years old and Mrs. Garza has garnered three crops of apples. She estimated that the tree yielded at least six bushels this year.

Pipeline Firm Employee Hurt In Freak Accident

Only one serious injury was sustained in three potentially dangerous accidents in the county Monday. The three accidents included a freak accident at the McVean and Barlow location south of town, a car motorcycle accident in town and a one-car roll over south of town on Hwy 163.

David Philip Dorchuck was transferred to San Angelo after receiving treatment at the local hospital after a boulder fell on the lower part of his leg at the McVean and Barlow location while he was cleaning equipment tracks. The accident occurred at mid-morning Monday.

Two boys escaped all but minor injury at noon Monday in a motorcycle-auto collision at the intersection of Hwy 290 and Ave G. Mrs. Oscar Fikes in a late model Ford and Gary Scoggins, driver of the motorcycle, with Michael Barfield as a passenger, collided at the Gulf Station. Both boys were taken by Janes ambulance to the Crockett County Hospital where young Barfield was examined and found to be uninjured and Scoggins was treated for cuts and bruises and released.

At midnight Monday a one-car accident 2 1/2 miles south of Ozona on Hwy 163 sent a Crane youth to the hospital by way of Janes ambulance while two passengers were uninjured. Tim Browne of Crane was hospitalized overnight after jumping a narrow ditch in his 1969 Dodge Challenger and turning end over end, coming to rest right side up. Browne was hospitalized overnight but released Tuesday morning. Bob Caldwell of the sheriff's department investigated the accident.

Ellenburger Wildcat Slated West of Ozona

Lamar Hunt, Dallas, will drill a 9,600-foot Ellenburger wildcat in Crockett County, 22 miles west of Ozona, 1/2 mile northeast of the one-well Cox, North (Strawn gas) field and 1-3/8 miles northeast of the Perner Ranch (Simpson and Devonian gas) field. It is the No. 1-33-X-University.

Location, on a 320-acre lease, is 1,250 feet from the north and 2,225 feet from the east lines of 4-33-University. It was filed as an exception to Rule No. 37.

The Cox North opener, Texas Gulf Producing Co. No. 1-AA University, was finished Oct. 2, 1961, for a calculated, absolute open flow of 2.6 million cubic feet of gas per day through perforations at 8,470-564 feet. Slated to 10,500 feet, it was drilled to 9,758 feet.

Groundswell Of Public Opinion Behind Nursing Home For Ozona

A groundswell of public sentiment for construction of a nursing home to serve Ozona and Crockett County was apparent this week when various represented groups appeared before the Commissioners Court at its meeting Monday morning to offer encouragement and assistance to the court in bringing the project to realization.

Rev. John Berkley, pastor of Ozona Methodist Church, presented an appeal for action toward a nursing home. He re-

presented a group of interested citizens and appeared before the court at their request, he said.

Rev. Berkley pointed out to the court that there are presently large numbers of aging persons in the county who in all probability will need nursing care within the next few years and he urged the court to consider such need in its planning.

The Methodist Church Administrative Board went on re-

cord at its meeting Monday evening favoring the establishment of a nursing home here. Motion was made by Mrs. Charles Williams, Jr., chairman of Christian Social Concerns, that the Crockett County Commissioners Court and the Hospital Board be urged to immediately pursue establishment of a nursing facility. The motion passed unanimously. The members of the Board recognized an increasing need for the facility and were aware that it might mean an increase in taxes, but urged immediate action while oil property valuations are favorable.

Another body of civic leaders, the Ozona Rotary Club, headed by John Lee Henderson, III, at its last meeting approved unanimously a resolution placing the organization on record as being in favor of immediate construction by the county of an adequate nursing facility.

County Judge Troy Williams told the group that it would take pressure from the public to get the court off a "high middle" in its consideration of the question. He said the court thoroughly recognizes the need for a nursing home facility and had had it under study for the past two years or more.

The court suggested that Rev. Berkley and the groups he represented have a petition prepared and circulated to secure signatures of persons favoring such construction and who are willing to pay any additional taxes that might be necessary to support the same.

Rev. Berkley stressed in his discussion the need for a "really nice" nursing home, declaring that if such a facility were provided there would be little doubt that it would be kept full to capacity. Successful nursing homes are presently being operated in Eldorado and Sonora, and these facilities are being used by a number of Ozona senior citizens.

Lions Club Pancake Supper Friday Night

The Ozona Lions Club will sponsor a pancake supper Friday night before the Big Lake-Ozona football game. Pancakes will be served from 5 until 7:30 p.m. at the Civic Center. Tickets will be \$1 and will be sold at the door.

The Lions Club plans to make the pancake supper an annual event to raise money for their many civic and community projects through the year.

Rain Records Tumble With 9-Months Total of 29.8 In.

Another 1.25 inches of rain fell on Ozona last Thursday night and Friday morning, bringing the yearly total to a fantastic 29.81 inches of moisture. The rainfall Thursday night was general throughout the county with the heaviest totals reported in the south section. Skies cleared Friday afternoon, but rain and drizzle had been common for the first week in October daily, for a rainfall of almost two inches.

Rainfall for the year has already more than doubled that of 1970, in spite of the fact that no rain of any consequence fell until April of this year.

The total rainfall for 1970 was 11.15 inches.

Until April severe droughty conditions prevailed in the county. No rain was recorded in November and December of

Court Orders Repair Of Roads Damaged By Rain

Jack Gillitt, county road department superintendent, reported to the Commissioners Court at its regular meeting Monday that the streets and roads had suffered much damage from the recent rains. He was instructed to make needed repairs as rapidly as possible.

Edwin Kirkland, administrator, made the monthly hospital report. He reviewed numerous renovations he felt were needed to upgrade the hospital.

A preliminary floor plan sketch for the proposed addition to the civic center building to expand facilities for the youth recreation program at the center. Commissioners Black and Marley, who are in charge of the project, were asked to proceed with preparation of plans and specifications after some minor corrections were made.

The county agent's monthly report was approved.

HIGHLIGHT OF HOMECOMING was the traditional snake dance and bonfire last Thursday night. Ozona High School majorettes and twirlers perform as the Spirit of Lion Country band backs them up. A large crowd of fans look on while the huge bonfire

burns in the background in spite of a drizzling rain. Skies cleared the following night for the homecoming game and the Lions emerged victorious. A dance for ex-students Saturday night culminated the homecoming activities. Photo by Don Ingram

ANOTHER FORGOTTEN LESSON OF HISTORY

The sale of American scrap-iron to Japan before Pearl Harbor, soon returned to us in bullets that killed thousands of Americans, used to be the guilt-laden symbol of policy that recklessly put profit above national security.

Despite the opposition of the Chiefs of Staff and the Defense Department, Washington has withdrawn its opposition to the sale of \$12-million worth of British computers to Soviet Russia. The doors have thus been opened to similar sales by American producers. Its backwardness in computer technology has been one of the critical bottlenecks in Soviet industry. Moscow has promised that the British computers will not be used for military purposes. But at the very least, as Admiral Hyman G. Rickover has warned, they will "free other computers of Soviet design for weapon use."

Expert analysis of Soviet weapons on display in the Israel-Arab war of 1967 and in the protracted conflict in Indochina has identified the low quality of trucks as a conspicuous weakness in Soviet military equipment. Under a \$700-million contract the Mack Truck company would cure that weakness by building the world's largest truck factory in Russia. So far there has been no sign that our government disapproves the deal. Only a year ago a similar proposal by Ford was blocked by Washington — that's how fast the hope of profit is taking priority over the logic of national security!

Meanwhile Congress has authorized huge credits by Export-Import Bank — in effect credit guaranteed by the U.S. taxpayer — for trade with Communist nations. Our government appears hell bent on repeating the "scrap-iron to Japan" blunder on a larger scale.

SENSING the NEWS

By Anthony Harrigan

EXECUTIVE VICE PRESIDENT

Southern States Industrial Council

HANDOUT 'HUMANITARIANISM'

In accepting the "Great American Humanitarian Award" given by the American-Nigerian Committee, U. S. Sen. Ernest F. Hollings (D-S.C.) repeated the familiar liberal theme that the nation needs "a national commitment to end hunger. It is a theme that is irritating to working citizens who must pick up the tab for the free-loaders on relief."

Sen Hollings would have better served the country had he stressed the need for a national commitment to end parasitism and welfare-chiseling. Only the day before Sen. Hollings spoke in New York City, The New York Times said that the state controller reported the fraudulent cashing last year of about \$4 million in duplicate relief checks. Ironically, New York officials apparently aren't planning a crackdown on offenders. Instead welfare recipients will be able to draw money as well as food stamps from accounts established in their names at neighborhood banks. Certainly, that's something new in government giveaways -- individual, taxpayer-supplied bank accounts for non-workers.

In his speech, the "Great American Humanitarian" from South Carolina complained that millions of families "are getting no help whatsoever" from the taxpayers, adding that "they are denied the right to participate in the food stamp program solely because our government has decided that to feed hungry Americans would be fiscally irresponsible."

No doubt food stamp recipients -- many of whom are well-dressed and who enjoy purchasing choice cuts of meat and other goodies with taxpayer's funds -- will be gratified at Sen. Hollings' solicitude for the non-working population. The citizens who have to pay the bill for the parasites may

not be pleased, however. They may wonder whether the senator read the federal government's statistics on welfare, published the day before Sen. Hollings received the "Great American Humanitarian Award." The Department of Health, Education and Welfare disclosed Sept. 23 that total welfare spending for the last fiscal year was \$16.3 billion, an increase of 27 percent over the previous year and almost twice the \$8.9 billion figure of four years ago. The number of persons on the welfare rolls increased by 17 per cent during the last fiscal year.

These statistics tell a story of growing indolence and dependency in our society. Relief began in the 1930s as a temporary measure. Today, welfare is a way of life. Food stamp programs, which Sen. Hollings had a major role in pushing through the Senate have created a new and privileged class of hand-out recipients. New and privileged class of hand-out recipients.

The ordinary working man is understandably resentful of the food stamp programs. He buys hamburger in the supermarket while the food stamp recipient buys items the working man can't afford. Proponents of food stamps deny this, but anyone who spends a little time in supermarket checkout lanes gets the truth about the food stamp abuses.

No one wants Americans to be without food. Certainly, public assistance should be available to people who are destitute. But many of the people receiving welfare or food stamps are people who refuse to accept such jobs as are available. Moreover, political sentimentality about the hunger issue has made idleness profitable. Increasingly, the incentives in our society encourage withdrawal from the work force. Officeholders do their cour-

Three Ozona Students Attend Connally Tech

Waco -- M. E. (Sooner) Williams, Jr., Reginald Kerby and Morris Coates, all of Ozona are students on the James Connally Campus of the Texas State Technical Institute in Waco, Texas.

Williams is enrolled in laser electro optics technology, Kerby in aircraft and power plant mechanics and Coates in livestock and ranch operation for the fall trimester at State Tech. In its sixth year of operation, TSTI is the state's first technical school. The multi-campus operation also has facilities at Harlingen, Sweetwater, and Amarillo.

Ozona JV Play Big Lake Tonight

The Ozona Junior Varsity will be in Big Lake tonight for a game with the Big Lake J-V and the Cubs will host the Big Lake junior high teams.

The seventh and eighth grade teams won their double header in Sonora last Thursday night, 20-0 and 14-6 respectively, while the J-V lost to the Sonora crew on the local field 24-0.

Gene Castro blocked a Sonora punt to set up the first Cub score. After a first down, quarterback Ronnie Pearl sneaked the ball in from the 3. He also added the extra points with a run.

The seventh grade scores came when Blake Moody scored on a 6-yard run and Ronnie Schieder ran for the extra points. Moody scored from the ten for the second score, and the third Cub score came when Wilson Hill pushed one over from the 2.

Wildcat Set On Half Estate

McGarr & Clutts, Abilene, will drill a 1,500-foot wildcat in Crockett County, five miles southeast of Iran and 1/4 mile north of the Fergus (multipay Grayburg gas) field, producing at approximately 2,392 feet. It is the No. 1 Half Estate. Location, on a 180-acre lease, is 487 feet from the south and 650 feet from the east lines of 70-1-1&GN.

GARDEN CLUB MEETS

The Ozona Garden Club met Monday afternoon at the Civic Center with Mrs. Max Schneemann and Mrs. Herbert Kunkel as hostesses. Mrs. O. D. West presided over the business meeting and the program was presented by Mrs. J. C. Schroeder.

The program, entitled "Table Magic," featured four segment tables with floral arrangements, appointments and accessories which were appropriate for a bridal tea, a bridesmaids luncheon, an ice cream supper and an after football game supper.

Letters to the Editor

Letters to the Editor-- Dear Kitty, I thought I would enclose this clipping from the Waco paper to let you know how well several Ozonans did in the "Heart of Texas" fair being held here this week. Ozona is not mentioned, as they asked for my name and address when I entered the items. The competition here is really tough so I was especially delighted that all the articles placed either first or second. They will receive ribbons and prize money. Not much but enough to keep them in Cokes or coffee for a week or so. Only wish more people there would enter things like this. Having been to the League Bazaar, I know the talent is there, and it's always nice to be recognized for it.

Just wanted to pass on this bit of news and hope it makes the Tuesday deadline. Sincerely, June Cameron (Mrs. Tom Cameron) Ed note: See story from clipping for Ozona winners.

National 4-H Honors Won By Ozona Girls

College Station -- Three Crockett County 4-H girls have turned their years of outstanding project work into free trips to the 50th annual National 4-H Congress, November 28-December 2, in Chicago.

The girls named as state winners were Elizabeth Zapata in the Health program, Melissa Zapata in Home Management, and Mary Frances Martinez in the Santa Fe Achievement program. The announcement came from the state 4-H office.

Elizabeth, 16, is the daughter of Mr. and Mrs. Pete Zapata of Ozona. She is a junior at Ozona High School and has been a member of the Texas 4-H Club for eight years. Her trip to the Congress is furnished by Eli Lilly and Co. which also provides seven scholarships of \$700 each at the Congress.

She has completed 10 projects in 4-H work, serving as a junior leader on many of them. In 1964 she received the county medal in the health program. The award winner has served as president of her local club and as a council delegate to the district organization. She plans to become an elementary school teacher.

Melissa, 17, is Elizabeth's sister. She is a freshman home economics major at Texas Tech University. During her eight years in 4-H work, she completed 11 projects and received numerous awards for her exhibits at food shows. Her trip is provided by Tupperware Co. which sponsors eight scholarships of \$700 at the Congress.

Melissa has been awarded blue ribbons in the county food show and twice received trophies for her food show projects. She plans to become a home demonstration agent.

Mary Frances, 18, is the daughter of Mrs. Elvira Martinez of Ozona. She is a sophomore at Angelo State University where she is majoring in elementary education. She has been a member of 4-H for eight years. Her trip and a \$500 scholarship are sponsored by the Santa Fe Railway System. The company also furnishes three other 4-H state winners with \$500 scholarships.

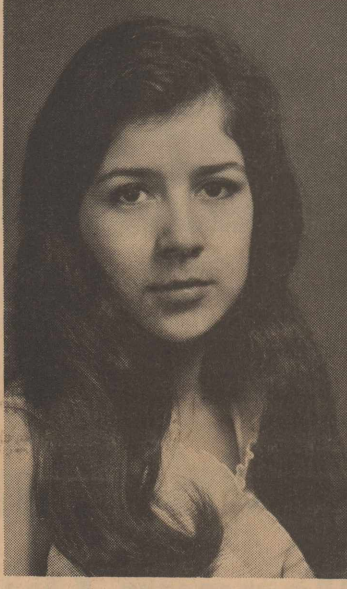

Mary Frances completed 12 projects in 4-H and she is an experienced exhibitor at food shows on the county and district levels. Last year she was named as a Gold Star Girl. In 1968, she was chosen as a delegate to the Danforth Camp. She has attended 4-H Roundup four times and has collected numerous awards at county dress reviews. The award winner has served as president of her local club and as a delegate to the county council.

Tips For Gardeners

From The Ozona Garden Club By Mrs. Bailey Post

It's later than you think, so with frost approaching, do take time to enjoy the beautiful green of the hills and valleys wherever you may go on a weekend trip or perhaps from your own windows.

Many of the towns around us are stressing a general fall cleanup in October, so we don't want Ozona to fail to keep grooming yards and urging others to do so. Old trash may harbor insect pests or diseases, so should be placed where it can be hauled off. A sanitation program includes pulling up all of the spent bedding plants, cutting off tops of browned perennials, raking the ground to collect the surface debris, and removing from the garden. Also, plants that are now being dug and divided, should be carefully cleaned and all injured, diseased or dead leaves and stems removed.

The leaves of deciduous (non-evergreen) trees and shrubs should be carefully collected, and either placed on the general compost pile or stacked separately to make leaf mold, if the leaves are free of insects and disease.

There is more time now than in the spring for garden construction, such as paths, terraces, rock gardens and other features. Roses should be at peak bloom this month and they surely are at the Redwood Motel and the Tom Mitchell home. Should you be where you can visit municipal rose gardens, take your notebook and make notes of information on colors and varieties you may want for fall or spring planting. Now you can buy roses in containers to allow time for them to get established before severe freeze. Your mums still need care with regular attention. Continue watering frequently to

produce steady growth and buds. Also feed lightly each week with one teaspoon fertilizer per gallon of water. Discontinue when color shows in flower buds.

Root prune wisteria that failed to bloom last spring to encourage flowering next spring. With a sharp spade, cut through the roots in a circle about three feet from trunk.

While the days are cooler and nights are frost free, move your indoor plants outside for two or three weeks. Apply liquid fertilizer and water well to encourage strong growth. Foliage plants such as pandanus, dieffenbachia, philodendrons, rubber plants, and schefflera will take on a healthier glossier appearance. And crotons become more colorful outside. Be careful to place plants in a shady area beneath trees or large shrubs, so the bright sunlight won't scorch them. Be sure to listen to weather forecasts and bring plants inside when frost is predicted. Don't make the mistake of repotting plants just because you are bringing them inside. Flowering houseplants bloom more profusely when their roots are slightly crowded. Repot in larger size pots only those that were pot-bound last winter.

PANDALE STUDY CLUB

The Pandale Study Club met last Thursday in the Pandale Community Center with Mrs. W. O. Mills as hostess.

Mrs. Henry Mills Jr. introduced Mrs. Ernest L. Worley, of the Del Rio Chapter of Planned Parenthood Federation of America. Mrs. Worley spoke on the effect of the population explosion on food supplies, ecology, health and the standard of living.

The Del Rio Chapter has been commended for having one of the best programs in the state, and is planning to set up clinics in Comstock and Langtry.

Mrs. Elmo Arledge, president, appointed Mrs. Carl Malone trip chairman for 1972. Mrs. Ted White announced plans for the family trip this year. Seven members of the club and their husbands will travel to Austin November 6 for the Baylor-Texas football game and tour the LBJ Library the following day.

The Club will be presented an award for their service to the San Angelo Center at Carlsbad during a luncheon in San Angelo Tuesday.

Others present were Mrs. Al Mills, Mrs. R. J. Everett, Mrs. Welton Bunker and a guest, Mrs. Max Stool of Del Rio.

THE NEWS REEL

A re-run of "The Ozona Story" as gleaned from the files of "THE OZONA STOCKMAN"

Thursday, October 15, 1942

Spectacular success was chalked up Tuesday by a crew of Ozona men who secured contributions of \$684.25 for the Boy Scouts.

Most Ozona business places will close Saturday afternoon for the Ozona-Menard football game.

Pvt. P. C. Perner, in the Army Air Force specialist group at the San Angelo bombardier school, was a weekend visitor with his parents here.

Ozona school children collected 8 to 10 tons of scrap metal here the past week for the war effort.

Olin Lusby, former manager for the West Texas Utilities Co. here, has enlisted in the Army Air Corps.

Sale of the 67,000 pound Floyd Henderson clip of 12-months wool at 48 cents a pound was reported last week by Melvin Brown of the Ozona Wool and Mohair Co.

Accompanied by an electrical storm, torrential rain Wednesday night brought 1 1/2 inches of moisture to Ozona.

Mr. and Mrs. Levon Parker are the parents of a son born October 9 in a San Angelo Hospital. The boy weighed 7 pounds and 6 ounces and has been named Alton Levon.

Mr. and Mrs. Clay Adams are the daughter of a daughter born Friday in a Fort Stockton hospital. The little girl has been named Ann Camille.

Mrs. Eddie Bower and daughter, Joan, are here from Shreveport, La. for a visit with Mrs. Bower's mother, Mrs. Vera Baker.

The Woman's Society of Christian Service met yesterday afternoon in the home of Mrs. Early Baggett to continue the study on Latin America.

Frank Wyatt, a son of Mrs. F. M. Wyatt of Ozona, who enlisted in the Seabees Naval construction unit, left New

Jersey last week for active duty.

Mr. and Mrs. Lee Childress and Mr. and Mrs. Early Baggett spent the weekend in San Antonio. Mrs. Scott Peters, who has been under the care of a physician there, returned with them.

Mr. and Mrs. C. E. Davidson, Jr. and Muggins and Charley spent the weekend in San Antonio.

SUPERNATURAL

His dejected face slumps under a shabby hat. We don't know who he is. But we know what he is. He is a MAN. One of us! To his loved ones he may be a disappointment. To himself he may be a failure. To society he may be useless. But to God he is a SOUL — like each of us! And therefore his whole life can change . . . when one day he'll discover the power and strength and hope with which every soul is endowed. Quietly, behind the closed doors of a pastor's study, the Church is daily helping men to come to grips with their problems. Sunday by Sunday its pulpits are imparting faith and courage for those secret inner struggles.

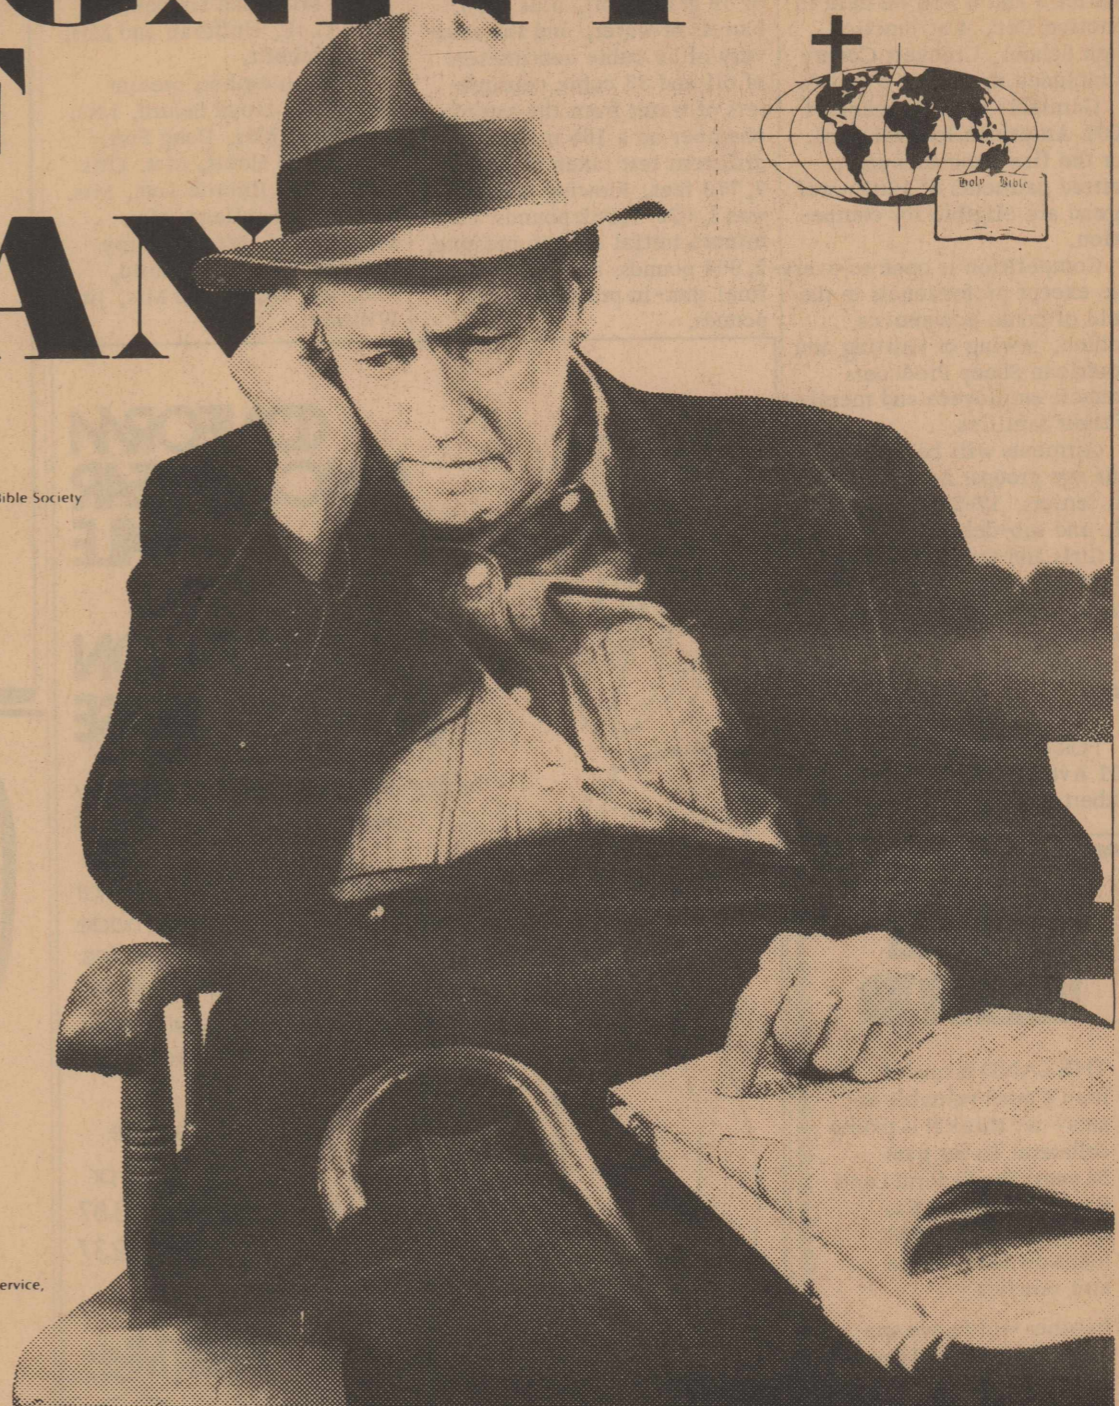

The century-old Christian concept of the dignity of man has never rested simply on who and what we are. It is founded on the vision of what — with God's help — we can become.

Four Girl Scout Troops Celebrate Troop Birthdays

Four Girl Scout troops celebrated Troop Birthdays last Tuesday at the Ozona Community Center. Troops were Brownie Troop 55, Junior Troop 60, Cadette Troop 19 and Senior Troop 221.

These troops are all sponsored by the Center. The Brownie and Junior Troops have been continuously registered with the same Troop numbers since 1941.

The girls had planned and prepared the program with each group presenting songs, dances or stunts.

Mothers and guests enjoyed birthday cake and punch along with special guests, Mrs. Floyd Hokit, neighborhood chairman, and Mrs. Joe Clayton, President of the board of directors of the Ozona Community Center.

The following leaders helped the troops celebrate: Mrs. Antonio Gomez, Mrs. Oleo DeHoyos, Mrs. Blas Vargas, Miss Ethel Wolf, Miss Dorothy Price and Mrs. Herculano Delgado.

Chris Perner Wins NASA Service Medal For Moon Mission Work

Houston -- Chris D. Perner, formerly of Ozona, but now employed by the National Aeronautics and Space Administration's Manned Spacecraft Center, was awarded the NASA Exceptional Service Medal for his contribu-

tions to the successful Apollo 15 mission.

Perner, the son of Mrs. Stephen Perner of Ozona and the late Mr. Perner, is a graduate of Ozona High School and Texas Tech University.

His gold imprinted certificate reads:

"To Chris D. Perner in recognition of his outstanding contributions to the success of the Apollo 15 mission: the long list of accomplishments of this scientific expedition included the first use of the improved spacecraft, the lunar roving vehicle, remote control television, expanded communications, enhanced crew mobility, and the first deep space extravehicular activity.

This extraordinary lunar exploration produced vast and unique additions to our store of scientific data from inflight observations as well as from the lunar surface, and accomplished all of the planned scientific and engineering objectives!"

Along with his certificate, he received a medal with wreath, rosette and NASA insignia imprinted across its face.

The awards were made in Houston October 5, by NASA Administrator James C. Fletcher, Assisting Dr. Fletcher were George M. Low, Deputy Administrator; Christopher C. Kraft, Jr., Deputy Director at the Manned Spacecraft Center, and the crew of Apollo 15.

Former Manager Ozona C Of C Killed In Auto Accident Mishap

Luther Walker, 39, former Ozona Chamber of Commerce manager, was killed in a car-truck collision the morning of Oct. 4, seven miles west of Sherman, Texas on Hwy 82, according to a report in the Pauls Valley Daily paper.

According to the report, a Texas Highway patrolman reported that Walker was traveling east and a cattle truck was traveling west. The patrolman said that Walker's car collided

with the truck in the westbound lane and was dead on arrival at a Sherman hospital.

Services were held Wednesday at 9:30 a.m. from the First Baptist Church in Paul's Valley with burial in Walker's home town of Haskell.

Walker was manager of the Ozona Chamber of Commerce from May, 1963, shortly after the organization was formed, until January of 1965. He and Mrs. Walker were members of the First Baptist Church here.

Survivors include his wife, Joyce Helen, of Pauls Valley, Okla.; a son, Kevin of the home; two daughters, Karen and Kathy of the home, and several brothers and sisters.

THE LAND

THE LAND is one of man's most valuable assets - we think it is prime collateral. In the past 54 years the Federal Land Bank of Houston has made almost 200,000 loans on Texas farms and ranches.

In other words, we specialize in making farm and ranch real estate loans - long term loans with prepayment privileges.

See us today for full details, no obligation of course.
