Kitty's Korner

By Kitty Montgomery

I am beholden to Mrs. Brooks Dozier for my column this week. She sent me the following clipping from a Dallas paper and I found it so interesting, I felt compelled to share it with you. According to the clipping it had been printed in several small newspapers before coming to the attention of a Dallas television personality. It is entitled "The Missing Day."

It concerns a missing day in time discovered and related by Harold Hill, president of the Curtis Engine Company of Baltimore, Maryland and a consultant in the space program. Mr. Hill stated that he thought one of the most amazing things that God has for us today happened to our astronauts and space scientists at Green Belt, Maryland. They were trying to determine the position of the sun, moon and planets 100 years and 1000 years from now. In order to do this they had to plot the orbits through past centuries.

They ran the computer measurement back and forth over the centuries and suddenly it came to a halt. The computer signaled that there was something wrong either with the information fed into it or with the results compared to the standards. They called in the service department to check it out and found nothing technically wrong. The computer still came up with the same discrepancy... a day was missing in space in elapsed time. The scientist were dumfounded. There was no answer.

One of the team remembered a reference to the sun standing still in the Bible. Upon checking, they found in the Book of Joshua a pretty "ridiculous" statement for anybody who has "common sense." According to the Scripture, Joshua was concerned because he was surrounded by the enemy and if darkness fell they would overpower him, so Joshua asked the Lord to make the sun stand still. "So the sun stood still in the midst of heaven, and hasted not to go down about a whole day." (Joshua 10:13) There was the missing day!

They checked the computers going back to the time it was written and found it was close but not close enough. The elapsed time that was missing back in Joshua's day was 23 hours and 20 minutes... not a whole day. They again read the passage and there it said, "about (approximately) a whole day." This still did not account for the other missing 40 minutes. The 40 minutes had to be found because in projecting spacial orbits it would be multiplied many times over.

Again the man remembered somewhere in the Bible that it said the sun went backwards. In 2nd Kings, Chapter 20, Hezekiah, on his deathbed, was visited by the prophet Isaiah who told him that he was not going to die. Hezekiah did not believe him and asked for a sign as proof. Isaiah said, "... shall the shadow go forward ten degrees, or go back ten degrees?" Hezekiah replied, "It is a light thing for the shadow to go down ten degrees: nay, but let the shadow return backward ten degrees." (2 Kings: 20:9-10) Ten degrees is exactly 40 minutes!

Twenty-three hours and twenty minutes in Joshua, plus forty minutes in 2nd Kings make the missing twenty-four hours the space travelers had to log in the logbook as being the missing day in the universe.

Well, that's it for this week. I must hurry home and get ready for my dinner date. Tom always takes me to Barnhart for dinner on Thursday evenings. No, I didn't make a misprint or let my mind wander. The little cafe there is open under new management and they serve Mexican food every Thursday, and it's really worth the drive.

ALMOST GOT AWAY FOR A LION SCORE - Gerald Huff runs a Big Lake punt back for a good gain Friday night in the first district game of the season. The Owls shut out the Lions 13-0, but Huff almost got away on punt returns a couple of times. Here

he is stopped by the Owls' defensive halfback Donald Wilson (No. 25). The Lions will host the powerful Coahoma Bulldogs tomorrow night before taking to the road for the next two games. Photo by David Wallace

Parents Organization To Assist 4H Program

R. J. Everett, Jr., was elected chairman of the 4-H Parents Club Monday evening. The club is a new organization formed by parents of 4-H members with livestock and related projects in agriculture.

Other club officers named were John Lee Henderson, vice-chairman; Mrs. Ruben Whitehead, secretary; Eddie Hale,

Deep Wildcat Set On UT Land West of Ozona

H. L. Hunt, Dallas, will drill a 9,500-foot Ellenburger wildcat in Crockett County, 18 miles west of Ozona, 1-7/8 miles northeast of the depleted one-well Howard Creek's (Canyon gas) field and seven miles northeast of the one-well Cox, North (Strawn gas) field. It is the No. 1-30-32 University.

Location, on a 320-acre lease, is 1,650 feet from the north and 567 feet from the east lines of 32-30-University. It is two miles northwest of a 9,743-foot failure abandoned Dec. 20, 1953, which topped the Strawn at 8,440 feet and the Ellenburger at 9,186 feet.

PEARS TOO--Last week the Stockman pictured Ozona grown apples and now comes Mrs. Levoyd Parker to exhibit the huge pears grown on a tree in her yard. The tree was loaded with the oversize pears and the limbs needed support to hold the weight of the fruit. The tree is the Kieffer variety of yellow pear.

Rev. Alfred Wagner Hope Lutheran Pastor

The Rev. Alfred B. Wagner will become the new pastor of Hope Lutheran Church of Sonora and Faith Lutheran Church of Ozona in a special service of installation Sunday, October 24 at 4:00 p.m. The service will be conducted in the Sonora church, with Rev. Eric E. Wagner, a younger brother, of San Antonio, delivering the sermon.

Rev. Wagner's first regular service in Ozona will be Oct. 31, at 8:30 a.m. Ozonans are cordially invited to attend the installation service at Sonora.

Rev. Wagner was born in Giddings, Texas, Sept. 20, 1904. As a small boy, he moved with his parents to Port Arthur where he received his elementary training in a Lutheran school. He attended the Lutheran Academy at St. John's College in Winfield, Kansas and completed his theological training at Concordia Seminary in St. Louis.

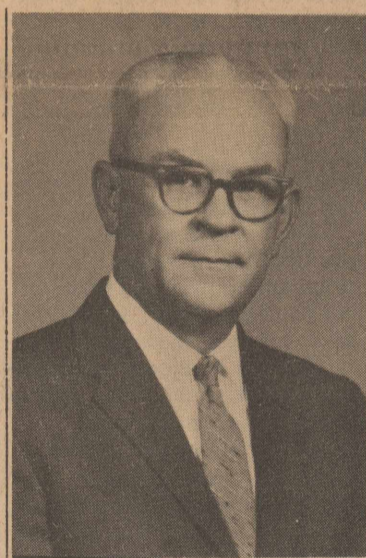

He has been pastor of Holy Cross Lutheran Church in Kerrville the past 23 years, before

Sophomores on the list are Lara Sue Arledge, D-n Davidson, Ann Glynn, Nikki Harrison, James Knox, Cindy Perez, Lessly Russell, Pat Sanker, Teresa Shaw, Craig T. Iiaferro, Karen Williams.

Junior honor students are Nancy Appel, Dana Collett, Debbie Deaton, Stacy Dockery, Bridget Dunlap, Mary Jo Hayes, Gilda Johnigan, Shelly Jones, Kay McMullan, Gerald Olson, Lida Tillman, Diane Womack. Seniors are George Allen, Eddie Beard, Janette Berry, Jan North, Monty Peltto, Susan Russell, Magdalene Sorola, Beverly Whitehead, Chuck Womack.

REV. ALFRED B. WAGNER before that, he pastored other churches in Texas. He was married to Miss Esther Meyer in 1928. They have two sons, two daughters, and nine grandchildren.

Senator Snelson Says Most Office Holders Sincere

A large crowd of Rotarians was on hand Tuesday noon to hear Senator W. E. (Pete) Snelson review highlights of the last legislative session.

As Senator Snelson reviewed the session, he discussed the scandals which had cast a spell of gloom over the legislative body. He urged his audience not to jump to the conclusion that "Everyone in politics is a crook," because of the recent scandals. Senator Snelson assured the Rotarians that the vast majority of those holding office were sincere, dedicated people.

Senator Snelson said that the silver lining in the cloud of gloom was the fact that publicity over the stock scandal had increased awareness and renewed interest in state politics on the part of the public. "Voter apathy," he said "always leads to problems." Senator Snelson told the group that 3,000 bills had been introduced in the session just ended and that 1,000 had been enacted into law.

"The legislative process is one of compromise," the Midland senator said, "and the final product has to pass before any cure can be had. Senator Snelson was guest speaker at the Civic Center Tuesday afternoon for a joint "Guest Day" sponsored by the Ozona Woman's Forum and the Ozona Woman's League, an annual event.

Petitions Being Circulated To Urge Action For Nursing Home

The movement which hopes to bring about construction of a nursing home for Ozona took more definite form during the past week when, at the invitation of the commissioners court, backers

prepared and began circulating petitions urging the court and the hospital board "to immediately pursue the establishment of an adequate nursing home facility in Ozona." The petition further

assured the court that the signers "understand that this will result in an increase in taxes in order to pay the bonded indebtedness for construction."

Although locations of the petitions had not been fully publicized, a total of 239 signatures had been affixed to the petitions.

The request for the court's consideration was made at the last week session of the Court by the Rev. John Berkeley, pastor of the Ozona United Methodist Church. Rev. Berkeley told the court he had been asked by friends to present the request and later endorsements of the proposal came from meetings of the Administrative Board of the Methodist Church and from the Ozona Rotary Club.

Copies of the petition have been placed in the Ozona National Bank, at the Ozona Stockman office and at the Community Center. Persons who wish to sign the document are invited to call at any of these places.

In discussions during last week's court session, members of the court expressed interest in the plan and county judge Troy Williams said the court had been probing the question for the past two years. He said that the court needed an expression from the people and invited sponsors to prepare and present a petition to the court, promising to pursue the matter with diligence.

Lions Meet Powerful Coahoma Here Friday

The Ozona Lions will host Coahoma in Lion Stadium tomorrow night in their second District 5 AA clash of the season. Coahoma downed Stanton 57-22 in their district opener last Friday night, while the Lions were upset by the Reagan County Owls 13-0.

The Coahoma Bulldogs have a 5-1 record coming into the game with the Lions, losing only to Sonora in their season opener, 20-16. The Lions season record stands at 3-3.

The Bulldogs bring a seasoned team for their encounter with the Lions, and will no doubt be favored to win the tilt. Last year the Bulldogs soundly trashed a more seasoned and experienced Lion unit

on their home field at Coahoma, so revenge could motivate this year's edition of the Lions and an upset could very well be in the making. The Lions can stay in the running for the district title with a win over the Bulldogs, and after last week's fiasco with the Big Lake Owls, they should be win hungry.

Big Lake had no trouble moving the ball on the Lions' home field last Friday night. On their first possession they drove straight for the goal line and only a fumble with the Lions recovering on the 5 yard line saved a Big Lake score. The Lions were held on downs and forced to punt.

The Owls drove from their own 48-yard-line and chalked up the score on their next series of downs. The PAT was no good, but their potent defense held the Lions to no gain through the quarter. The Owls picked off a Lion pass and were headed for pay-dirt again when the Lions recovered another Owl fumble on the Ozona 15. Held on downs again, the Lions were forced to punt. The Owls took the ball on their own 44 and drove for a first down only to have it wiped out by a penalty. Two plays later the Owls' David Hickman broke loose for 35 yards and another Big Lake score. Love toed the extra point, and that ended the scoring for the night.

Penalties and the tough defensive line of the Owls held the Lions to only 4 first downs and a total of 75 yards rushing and 28 yards passing, while the Owls rolled up 372 yards and 15 first downs with no gain in the passing department.

The Lion secondary allowed no yardage for the Owls in the air, and managed to knock down 7 Owl passes.

The second half was strictly a defensive battle, but the Owls still held the edge in yards rushing. The Lions tried to get their passing game going with no luck at all.

The Owls were inside the Lions 5 yard line and fumbled for their third time. The Lions

District Number Changed But Same Schools Included

University Interscholastic League authorities have notified Ozona High School that the school's classification will be District 7-AA for the 1972-73 and 1973-74 school terms.

Also removed from District 5-AA and classified 7-AA are Big Lake, Crane, Coahoma, McCamey and Stanton, so there will be no change in the competition in the district.

Holiday Monday For TSTA Meet

Ozona School children will enjoy a 3-day weekend when classes dismiss tomorrow. The youngsters will have a Monday holiday in order that teachers may attend the District 15 Texas State Teachers Assn. convention in San Angelo.

Classes will reconvene in all schools at the regular time Tuesday morning.

PLANNING AHEAD TO LEAD THE BAND is this group of girls from Mrs. Otis Holt's School of Baton. The little girls performed for their first time during the snake dance and bonfire homecoming week. From left to right are, front row, Lisa Holt, Lori Clayton, Lisa Mitchell and Jennifer Marley. Back row, LaDawn Adcock, Kelly Schmid, Debbie Whitley, Jeannine Perry and Michelle Preddy. NO INNOCENT COCKTAILS

"There is no such thing as an innocent cocktail," says Dr. Melvin H. Knisely, head of a research team at the University of South Carolina Medical School.

Dr. Knisely reports that alcohol even in moderation, speeds up the destruction of nerve cells and initiates senility earlier in the life of any drinking person.

As a result of his findings, Dr. Knisely has himself given up alcohol. He explains that alcohol forms an adhesive substance in the blood which cuts off blood cells from their oxygen supply.

The blood sludging process also takes place in other diseases, such as arthritis, cancer and malaria. With their new-found knowledge of how to induce it, the South Carolina team is now attempting to reverse the process.

The results of this team's research suggests that the public be warned of the harmful effects of alcohol consumption. Such preventive measures have been taken with regard to cigarettes.

WASHINGTON NEWS LETTER

By Congressman O. C. Fisher

The president's wage-price control program survived attacks in the House and Senate last week when attempts were made to scuttle the wage freeze portion of it.

Another part of the New Economy package was a tax reduction, and a bill to achieve this was approved in the House.

Phase II of the new approach, announced by President Nixon, certainly has my full support. The continued controls will be extremely difficult to manage because of various hardship situations which will inevitably develop.

The new tax bill, approved in the House, calls for repeal of the 7% excise tax on automobiles, with the repeal also applicable to jeeps and pickups of under 10,000 pounds.

Opposition to compulsory busing is by no means confined to the South. In fact, even stronger resentment is popping

up in Michigan, the mid-west, and the west coast. The San Francisco Examiner took a poll on this question: "I am in favor of integrating schools but do not favor busing."

SENSING the NEWS

By Anthony Harrigan EXECUTIVE VICE PRESIDENT Southern States Industrial Council

SKEPTICISM IS IN ORDER

Nashville, Tenn.--Politicians and professors can't create wealth. Only the business man, the entrepreneur -- the organizer of an economic venture, create new wealth.

The notion that an alliance of officeholders and the academy can uplift the South is still with us. Early in October, some 70 politicians and professors from Southern states met at Durham, N. C., to form something called the Southern Growth Policies Board.

The organizers of the board say that they want the South to avoid the mistakes made in the Northern states. But the mistakes made in those states are in the area of excessive permissiveness on social issues, undue toleration of union power, a failure to act against lawless elements, and catering to welfare elements in the population.

On the basis of past experience with groups of this sort, it is not unreasonable to take a dim view of the board's future. In the mid-1930's, Dr. Howard Odum and his associates at the University of North Carolina in chapel Hill promoted a similar Southwide organization.

Interstate compacts can be useful. The Southern states have utilized them effectively in several areas, including higher education. But the truly effective groups of this character have eschewed politics or opinion-shaping.

WASHINGTON AND SMALL BUSINESS AS HEARD BY HEARD

Picking the Carcass Normally, the build-up of steel inventories by users of this metal keep the plants going full blast. But such is the volume of imported steel stockpiling is no longer necessary.

While a great deal is said about import quotas, they actually do not accomplish much, as they permit too much juggling of the economy by the bureaucrats. There is also a danger in high tariffs, per se.

This would in time kill two birds with one stone. First of all it would equalize competition between domestic and foreign producers in the American market. But it can be assumed with great validity, with the social unrest on these cheap labor nations that rather than pay high duties to sell to this country, there would be a trend to pay their workers more, and this in turn would give the foreign workers more purchasing power to enable them to buy more from the United States.

It is no secret that many American corporations are using a substantial share of their resources to develop manufacturing facilities overseas.

In addition, from all over the world, goods made by low labor wage nations are pouring into this country in an ever-increasing volume. A man who buys, for example, a suit made in Korea, is not in the market for a suit made in America.

It is indicative that around 20 per cent of the U.S. auto market is now imported.

It is also indicative that in the face of a steel strike in this country, United States producers have closed down plants.

Christmas Seal Packets To Be Mailed Out Soon

"Later this month many citizens of Crockett County will receive their envelop containing the traditional Christmas Seals. This year we will be asked to return our contribution for this important health work to a different location," Mrs. Fred Hagelstein, a member of the Board of Directors of the Big Country Area of the Texas Tuberculosis and Respiratory Disease Association announced this week.

To reduce the costs of administration and to increase overall efficiency the Christmas Seal mail appeal has been centralized and all record keeping computerized. All contributions this year are to be returned to Austin. All gifts will be credited to the county from which they came.

"We hope everyone responds generously this year," said Mrs. Hagelstein. "Remember, just because the gift is sent to Austin does not mean that Crockett County will not get the credit. Actually, we will receive more benefit, since the cost of soliciting will be reduced," Mrs. Hagelstein said.

Voter Registration Law Change In Effect

A new year-round voter registration law for Texas voters went into effect October 1. As a result of the new law significant changes may be expected in the political structure of the state.

The new law provides that voters may register at any time (except for a temporary cutoff 31 days before each election). Registration is good for three years, and is automatically renewed by participation in an election during that period. The old registration period was October 1 through January 31.

Eighteen to 21-year-olds may register and are eligible to vote in local, state and federal elections under a new U. S. constitutional amendment.

Roving or resident registration deputies may sign up voters anywhere -- apartments, union halls, club rooms, dormitories, industrial plants, office buildings, supermarkets or private residences. The law provides that "no voter registrar shall refuse to deputize a person." This is expected to increase sharply the use of deputies to round up voters.

Predictions range upwards of five million total eligible voters in 1972, an increase of a million over 1970.

Voters must have resided in the state a year and in a county six months to qualify for local election participation. Those who have lived in Texas more than 30 days but less than a year before the November 1972 general election may vote for presidential and vice presidential candidates under special residency registration with county clerks.

Ranch Predator Problem Subject TSGRA Meeting

What can sheep and goat producers do about their predator problem.

The subject will be explored in detail by a panel of experts at the Tri-annual directors' meeting of the Texas Sheep and Goat Raisers' Assn. Nov. 6, in San Angelo. The one-day session is set to begin at 8 a. m. in the University center on the Angelo State University campus.

"Primary purpose of the fall meeting is to develop a financing plan to insure an effective predator control program," said Sutton Allison of Fort Stockton, TS&GRA president.

Results of a recent survey conducted by the Texas A&M University Extension Service indicate that producers in 52 of the counties in the 77-county sheep and goat producing area are experiencing losses due to predators.

In explanation of the day's program, Allison further stated, "The panel of experts, moderated by TS&GRA first vice president, John Cargille, will discuss the present predator problem and how it is changing. In addition, the panel will explain how the sheep industry can raise additional funds to cope with this problem. All sheep and goat producers are being affected by predators, either directly or indirectly. It is high time we face up to our problems and do something about them. We hope that all sheep and goat producers will make plans to attend this meeting."

Committee meetings will start at 9 a. m. following registration at 8 a. m. The remainder of the meeting will be devoted to the Predator situation.

\$516 Collected For M.D. Fund In One-Day Drive

Income from the Sept. 14 March Against Muscular Dystrophy in Ozona was \$516.68 as reported by Campaign Treasurer, Mrs. Dean Scott. Serving with Mrs. Scott as Campaign Chairman was Coach John Ritchey.

Mrs. Scott expressed appreciation for all who helped in the campaign locally.

The Ozona campaign was part of a nation-wide fund raising campaign to finance application of the latest breakthroughs in research to the treatment of Muscular Dystrophy in human beings.

Besides treatment, a free camp is conducted for all the patients in the area each summer. Transportation is also provided without cost as well as a special attendant for each patient.

All patient services are provided without cost to patients residing in Ozona and throughout the South Texas area.

Inspection at the Border

Acting on an anonymous tip, customs agents at the Mexican border halted a yellow station wagon for inspection. Sure enough, they found contraband watches hidden in the glove compartment.

In due course, the driver of the car was brought to trial on a charge of smuggling. But in court, he stood on his constitutional rights.

"They had no grounds for searching my car except for one anonymous telephone call," he pointed out. "This is a clear case of 'unreasonable search and seizure', which is forbidden by the Fourth Amendment. Therefore, they cannot use the evidence against me."

But the court disagreed and found him guilty as charged. The court said searches at the border, unlike searches inside the country, need not be based on "probable cause"—mere suspicion is enough.

Why should the law allow more leeway in searches at the border than inside the country? Because of the historical right of each nation to put whatever limits it pleases on entry into its territory.

Nevertheless, the search itself must still be carried out in a reasonable manner. While mere suspicion will justify the search of a car, it will not necessarily justify an intimate search of the person. Thus:

A woman crossing the border on foot was stopped because a customs inspector "had a hunch" that she was carrying narcotics. Ordered to strip in the presence of a matron, she was indeed found to have a quantity of heroin in her clothing.

Nevertheless, this evidence was held not admissible in court. The judge said such an intensive search could not be conducted for such a flimsy reason.

But in another case, the compulsory stripping of a woman was upheld. This time, suspicion was based on specific information furnished by a reliable informer. With that much to go on, ruled the court, customs officials were entitled to take a very good look.

THE NEWS REEL

A re-run of "The Ozona Story" as gleaned from the files of "THE OZONA STOCKMAN"

Thursday, October 22, 1942

Funeral services were held here Monday afternoon for Mrs. Mary Louisa Perner, 78, one of the thinning ranks of pioneer mothers of Crockett county, who died at her home Sunday night after an illness.

An epidemic of resignations by members of the faculty of Ozona public schools has plagued school authorities in recent weeks. So far all vacancies have been filled.

With Royal Caswell, superintendent of the Texas-New Mexico Pipe Line Station west of Ozona, as instructor, a new Red Cross First Aid course will be offered in the near future.

Miss Posey Baggett who has been employed at Goodfellow Field is now at Concho Field.

Rains of from three to six inches fell in the county the past week.

A new high price for fall wool was set here this week when the Ralph Watson clip of 16,000 pounds was sold at 40 cents a pound.

Woman's Society In Study Session

The Woman's Society of Christian Service met October 13 in the conference room of the church at 2 p. m. under the leadership of Mrs. John Berkley for the second session of the study Technetics. The study deals with the social and moral problems related to technological change and the Christian's Mission in this age.

A film, "Fruits, Vegetables and People," was shown, which depicted the world's food flight and the migrant worker who harvests the food.

Members of the Society were given an opportunity to sign the petition supporting the county nursing home.

Present were Mrs. S. M. Harvick, Mrs. Buddy Phillips, Mrs. Douglas Fisk, Mrs. B. B. Ingham, Mrs. Roger Dudley, Mrs. Stephen Perner, Mrs. James Lively, Mrs. L. D. Kirby, Mrs. Hill, Mrs. Bailey Post, Mrs. A. S. Lock, Mrs. L. B. Cox, Jr.

Mr. and Mrs. Frank James returned to their home here recently after a tour of the Western states in their motor home.

Tips For Gardeners
 From The Ozona Garden Club
 By Mrs. Bailey Post

Our locality is not the only area missing the usual fall color which should reach its peak of brilliance this and next month. Two factors are necessary for the production of red fall color -- sunlight and cool nights. There must be warm, bright, sunny days during which time the leaves manufacture sugars. Such days must be followed by cool nights. We have been having the cool nights, but very few sunny days the past month. Perhaps this is the reason for so little color to this date. Several of those who have visited the eastern and northern states say the color has not appeared there either.

Brightly colored foliage of our deciduous trees and shrubs interspersed with evergreen plants, presents an array of fall beauty. The blazing reds of native sumac, red maples and oaks are the first fall colors. Then come the bright yellows of the elms, red bud, persimmons, pecan, pomegranate, oaks, hackberry and Chinaberry.

Trees with a multitude of colors, from wine to red to yellow are the tallows, crepe-myrtles, sugar maple and crab apple. Foliage of trees and shrubs growing in the shade usually do not show much red fall color.

The best time to plant trees, shrubs and woody vines in the Southwest is during the fall and early winter months. Container grown plants are the only ones available in early fall. After deciduous plants become dormant and lose their leaves, they may be dug either bare-root or balled-and-burlapped. Points to remember before moving plants: deciduous or evergreen plants about 12 feet in height are seldom moved

RECIPE OF THE WEEK
 From Kitty's Kitchen

Halloween punch and cookies can be enjoyed by adults as well as children.

Creamy Orange Punch
 2 cups orange-flavor Hawaiian punch, chilled (from a 46-ounce can)
 1 quart vanilla ice cream
 1 pint orange sherbet
 Put half the punch, half the ice cream and half the sherbet in an electric blender; blend until ice cream and sherbet are melted. Pour into glasses. Repeat, using remaining ingredients. Serve at once with straws.

Halloween Cookies
 2 1/2 cups unsifted flour
 1 teas. baking powder
 1/2 teas. salt
 1/2 cup butter
 1/2 cup veg. shortening
 1 cup firmly packed light brown sugar
 1 egg
 1 cup finely chopped walnuts

On wax paper thoroughly stir together the flour, baking powder and salt.
 In a large mixing bowl cream butter and shortening and brown sugar; beat in egg. Stir in flour mixture and walnuts. Wrap dough in transparent plastic wrap and chill until firm enough to roll, about an hour.
 On floured pastry cloth, with floured stockinet-covered rolling pin, roll out the dough 1/4 at a time to 1/8 inch in thickness. Cut out with Halloween cookie cutters. Place on ungreased cookie sheets a couple of inches apart. Bake in preheated 350-degree oven until lightly browned around edge, 8 to 10 minutes. With spatula remove to wire racks to cool.

CROCKETT'S COVE

I get plenty of teasing from the fellows at the plant about my cove. They call it "Crockett's Cure-all for Tired Executives." And they're right.

Drifting alone on the still water, tiny under the full sky, things fall into perspective. A bird calls, upriver a fish arches, a passing breeze brings blossom scent, Somehow, no matter how thorny my problem, the harmony of God's nature takes the kinks out of me.

Things weren't always this way. A few years back a tree was just a tree to me -- a lake, a lake. Now, wherever I look, I see God's goodness.

It all started one evening when, worried and depressed, I wandered into a church. I can't remember now what was sung or read, but I will never forget the sense of God's presence. Since then, God's Church and teachings have been my strength.

Your church offers inspiration and a fresh viewpoint. Take advantage of it.

Mr. & Mrs. O. D. West Celebrate Fiftieth Anniversary

Mr. and Mrs. O. D. West were honored with a reception on the occasion of their 50th wedding anniversary Sunday afternoon at the Civic Center.

Receiving guests were the honorees, and their three daughters and their families, Mr. and Mrs. Leonard Boyd of Ozona, Mr. and Mrs. F. L. Lambert of Seattle, Wash., and Mr. and Mrs. D. F. Miles and son, John, of Centralia, Ill. The three daughters were also hostesses for the affair.

Serving were sisters of the honored couple, Mrs. Jack Jones of Midland, Mrs. Mark Thompson of Talpa, Mrs. Irene Cribbs of Houston and Mrs. Tom West of Coleman.

Music was furnished by Miss Susie Russell and Miss Lea Montgomery at the piano.

Members of the houseparty included Mrs. Mike Clayton and neices of Mr. and Mrs.

West, Mrs. Buddy Ratliff of San Angelo, Mrs. Clifford McDonald of San Angelo, Mrs. Jack Joyce of Big Lake, Mrs. Pat King of Ozona, Mrs. Bruce Mayfield of Ozona.

Also Mrs. Joe Boy Chapman of Ozona, Mrs. J. C. Balcom of LaPorte, Mrs. Don Wigham of Abilene, Mrs. Lorin Seals of Abilene, Mrs. Gerald McNevin of Dallas, Miss Stacy Chapman of Ozona and Miss Sandy Mayfield of San Angelo.

The serving table was centered with an arrangement of yellow roses. Yellow mums completed the decor.

Mr. and Mrs. West, who owned and operated the Dairy King here for many years before their retirement in 1969, were married October 15, 1921, in Talpa, Texas. The bride's only attendant was her sister-in-law, the late Mrs. Ivy Mayfield.

Annual Tasting Supper Of Garden Club 5 To 7 Today

A large crowd is expected this afternoon and evening at the Annual Tasting Supper, sponsored by the Ozona Garden Club at the Civic Center.

Mrs. Glenn Sutton, overall chairman for the supper, said the categories in foods will be the same this year except for a chili and bean table, especially for the male customers who do not care for the fancier dishes.

The food has been prepared by club members and recipes are for sale at 25¢ each at the supper. Tickets are \$1.00 and may also be purchased at the door. Serving time is from 5 to 7 o'clock.

Mrs. Sutton also announced chairmen and committees for the annual affair. In charge of publicity is Mrs. Bailey Post; tickets and hospitality,

Youth Quake To Be Sponsored By Sonora Baptists

Ray Garnett, pastor of Primera Baptist Church in Sonora, and former driver license patrolman for Ozona, has announced that his church will sponsor a "Youth-Quake" in Sonora Saturday, Oct. 23.

Featured speaker is Skip Allen, 17 year old former drug addict, and son of Dr. Jimmy Allen, pastor of First Baptist Church of San Antonio and president of the Southern Baptist Convention.

An added attraction will be Lonny Hatter and a group from Baylor University.

Ozona youth are cordially invited to join with young people from Sonora, Eldorado Junction, Rocksprings and other area towns for a rally and rap session with Skip at 2 o'clock Saturday afternoon on the courthouse lawn and attend the singing, preaching and rap in at 7 o'clock that evening, also on the courthouse lawn in Sonora.

Reception Here Saturday Night For 'Miss Kirbie'

A reception Saturday evening at the Civic Center will honor Mrs. Hazel Kirbie Sunderman, former Ozona High School English teacher.

A group of her former pupils has arranged the reception which will be held from 7 until 9 o'clock.

Mrs. Sunderman, Junior High School Librarian at Canyon, Texas, will be in San Angelo for a reading conference sponsored by the Texas Association for the Improvement of Reading, of which she is president.

The conference is to be held Friday and Saturday and Mrs. Sunderman will arrive in Ozona after its close Saturday afternoon.

Mrs. (Miss Kirbie) Sunderman taught in Ozona High School from 1941 until 1945. All her ex-students and friends are invited to attend the reception.

FIRST BAPTIST RUTH CLASS MEETS

The Ruth Class of the First Baptist Church met Tuesday evening in the home of Mrs. George Glynn. Assisting hostess was Mrs. Bob Moore.

The hostess brought the devotional, and a musical selection was presented by Mrs. Bob Falkner, Mrs. Gary Elmore and Mrs. Ted Dewes, accompanied on the piano by Mrs. R. L. Brown.

Mrs. Bobby Halydier presented yearbooks and the group discussed plans for the class Christmas project. Everyone was encouraged to begin now to save for the Lottie Moon offering for foreign missions.

Others present were Mrs. N. D. Neyman, Mrs. Scottie Houston, Mrs. Beryl Ruthardt, Mrs. Weldon Maness, Mrs. Jack Davee, Mrs. Perry Hubbard, Mrs. R. J. Everett, Jr., and Mrs. Garland Allen.
