#### Kitty's Korner

By Kitty Montgomery

Another Thanksgiving Day is upon us, and at the risk of being pessimistic, I do believe the world as a whole has less to be thankful-for than ever before. I do not speak of the material things which have increased a hundred fold since that first Thanksgiving Day, but of the spiritual and moralistic qualities so inherent in the Americans who first observed the day of Thanksgiving.

It seems almost impossible that just a little over 350 years ago our forefathers were fighting the wilderness to establish communities with home and churches under almost impossible odds. Their very spirit built this nation into one of the greatest in the annals of history. Today we are rich, corrupt and lazy. We wine and dine those who would see an end to our society as we know it, and turn our backs on faithful allies. We seem bent on self-destruction and the doors back to sanity and self-preservation seem closed and locked. Free enterprise, national pride, and individualism, are dirty words, along with capitalism, ambition and gain.

Our churches are empty, our bar rooms are full and our economy depends on the whims of labor leaders, Nadar's Raiders and partisian politics.

It is probably well that this day is set aside for giving Thanks to God, under Whom the nation was founded. He alone could perform the miracle of putting it all back together again, and it's highly possible that even He looks on it as a lost cause.

After last week and the insult to the President and the nation by AFL-CIO labor leaders at their convention in Miami Beach, I have come to the conclusion that labor unions have served their purpose in the United States. Polls have shown for years that the rank and file union members do not agree with their fat cat leaders. Organized labor has priced U.S. products out of the world market, having a great deal to do with with the inflationary situation we face in the

The AFL-CIO is the biggest monopoly in the nation today, and its head honcho, George Meany, is a dictator pure and simple. However, if you have noticed, nobody ever ventures to investigate that organization. Politicians fear the wrath of labor leaders like the plague and they are handled with kid gloves.

Union leaders are parasites who live off the dues of the rank and file union members. When they call a strike, they do not stand in line for relief or food stamps, the workingman who is a dues-paying member suffers this indignity, and the taxpayer pays.

They dictate policy to their members through union published periodicals. Many of which make the Daily Worker look absolutely blue. Union members are intimidated by union bosses and the average member has absolutely no say over how his union is run. However, recent elections have shown that the laborer has a mind of his own and has not voted in a bloc.

Now, while George Meany and his gang are trying to sabotage the administration's anti-inflation program, would be a very good time for a congressional investigation into giant labor unions. Perhaps Ralph Nader would be interested. He has investigated everything else. --0--

## Girl Cage Teams Win Three Of First Four

Miss Susan Webb's girl's basketball teams won three and were Mary Jo Hayes, 6; Jan lost one in the first week of play. In Sanderson for the season opener the Lionette varsity was dropped 45-38 while the B team picked up a 50-17 win. Thursday night on the home court the Lionette varsity overcame the Sonora girls 36-35 and the B team picked up its second win with a score of

Starting line-up for the Sanderson game saw the three senior captains, Christy Davidson, Mary Jo Hyde, and Jan North, in the forward positions. Starting for the Lionettes at guard positions were Nelly Sanchez, Dana Collett and Fanny DeHoyos. Starting lineup for the Sonora game was the same with the exception of Sally Bailey 7, and Martha Rita Welty starting in place of Fanny DeHoyos.

Mary Jo Hyde took scoring honors in both games, hitting for 19 points in the Sanderson game and 17 against Sonora. Others scoring in the San-

Coach Charles Spieker, head basketball coach, is looking toward a successful season this year in spite of the fact that the Lions have no height and are short on experience. Coach Spieker says the Lions have a lot of quickness and this should make up for some other shortcomings.

There are no starters back from last year's co-champion team, but three boys who saw a lot of action return to the team this year. They are Mike Jenkins, senior; Ruben Tambunga, junior, and David

#### Checks To Water District Pilfered In P.O. Break-In

as an accident turned out to be an act of vandalism when checks made out to the order of the Crockett County Water District Office began turning up in unlikely places after the glass on the post office box was found broken the weekend of November 6.

Bill Cooper, manager of the water district, found the glass broken on the box, but box with glass lying on top of it, he thought the glass had been broken accidently.

There have been no checks presented at the bank, but some checks have been found and turned in at the Water Dist- morning. rict office. Some who mailed checks on that weekend have discovered that they never arrived at their destination.

What was at first dismissed an accident turned out to be for their water bill on or around that date should check with the water district office to see if they received credit or if the check is missing.

#### Granddaughter of **Ozonan Honored** As H.S. Soloist

Lucy Gill, granddaughter of of Ozona, of San Angelo has been named to America's High School Soloist Hall of Fame, it was announced Thursday by the San Angelo Central High School Band Director Homer Anderson.

Miss Gill is one of 10 young musicians in the nation to receive the honor. She will be honored in the December issue of the School Musician Director and Teacher magazine, the sponsor.

Miss Gill, a high school HE'LL PLAY IN EAST-WEST SHRINE GAME! Ozona's Gary Sutton senior, has won a number of music competitions with her French horn. She has been a member of the San Angelo Symphony Orchestra for the last three seasons.

Lions only managed one place, senior Ricky Crawford, tied with Coahoma's Joe Elmore for the center position, both boys receiving the same number of first team votes.

Ozona's Ruben Tambunga, who placed both on offense and defense on the All-District first team last year, got places on the second team both offense and defense, as did Gerald Huff, who was a substitute back last year. Both boys are juniors and will have another go at it next year.

Ozona Lions placing on the Mr. and Mrs. John E. Bohannon second team were junior end, Randy Crawford; senior guard, Bill Edgerton, who received honorable mention last year; with Tambunga and Huff rounding out the Ozona boys on offense.

Lions placing on the second team defense were lineman Joe Martinez, 170 pound, junior; Gary Whitley, 160 pound junior linebacker, and Tambunga and Huff rounding out the Ozona choices as backs.

Strangely enough, Mike Jenkins, 190 pound senior end, who headed up the Lion defense and was named second team on both offense and defense last year, failed to secure a spot on either team.

## Man Wanted For Murder Picked **Up Here On Traffic Violation**

By a sheer trick of fate, a man wanted for murder, car theft, and a convicted felon, was picked up here on a minor traffic violation. Patrolmen John Harris and Gary Hill, DPS, were credited with the capture. The two patrolmen also investi- officers took off in the patrol gated three treffic accidents during the week.

## **Deer Harvest Heavy Despite Hot Weather**

A check of deer storage and it at the Trading Post. processing places reveal a much larger number of deer harvested in the county this year than at the same time last year. Also, the deer brought in for weighing and processing have generally been fatter and in better shape than in previous years.

Hubert Baker, manager of the Chamber of Commerce, reported this week on the standings in the hunting contest. He also mentioned that Cooke's Market is processing a moose. The animal was killed in Colorado and the hunter is presently hunting in Crockett County.

Baker said he felt the larger number of hunters this early in the season is the result of early mailings by the chamber to those who had hunted in the county previously.

This far in the young season, W. H. Bunger, Jr., is at the top of the list for the deer with the most points. He killed a 14-pointer on the Bunger ranch and registered it at Cooke's Market.

#### **Woman Suffers** Serious Injuries In Accident Here

Mrs. Jackie Kerby was transferred from the local hospital to Shannon Hospital in San Angelo last Thursday where she was listed in serious condition.

She was hospitalized last week when she was thrown from her horse at the rodeo arena, but her condition was reported "good" with only scratches and bruises at midweek last week.

After being transferred to the San Angelo facility, she was reported suffering from a fractured jaw, a punctured lung and all ribs broken on her left side. According to relatives here, she will be hospitalized for an indefinite length of time.

The largest field-dressed deer so far was killed by Jack Baggett, Jr., dressed out at 126 pounds and weighed in at the Trading Post.

A run-down on the hunting contest will be given weekly and is subject to change each

#### **Funeral Service** Here Friday For Mrs. J. P. Pogue

Funeral services for Mrs. J. P. (Margaret) Pogue were held Friday at 4:00 p.m. in the First Baptist Church with burial in Cedar Hill Cemetery under the direction of Janes Funeral Home.

Mrs. Pogue, 56, died Wednesday afternoon in Shannon Hospital in San Angelo after an illness.

She was born Margaret Jane Deland Sept. 11, 1915 in Ozona and was married Oct. 12, 1932 to J. P. Pogue in Carlsbad N. M. She had lived in Ozona all her life.

Survivors include her husband; a son, Norris Pogue of Riverside, Calif.; a daughter, Mrs. Margo Stirling of San Antonio; her mother, Mrs. Maggie and hope to open their store Crawford of Ozona.

off in the Mustang. Officers gave chase and caught the couple at the first bridge west of Ozona on Hwy 290. The man fled the car on foot, but the officers caught him and brought him back for questioning. Investigation revealed that he was wanted around the country for numerous crimes, the most serious of which was a murder charge in Los Angeles, Cal. He is in Crockett County Jail awaiting extradition.

Two wrecks in the city Sunday resulted in no injuries and minor damage to all but one vehicle. Sunday at 2:35 p.m. Mr. and Mrs. Roy Eavenson were stopped at the red light at the intersection of Hwy 163 and US 290, headed west in their 1970 Rambler, when a 1970 Plymouth driven by Rita Welty also headed west, hit the rear of their automobile. There was minor damage to the autos and Mrs. Eaverson

complained of a neck injury. That afternoon around 5 p.m. a collision on Monterrey Street caused heavy damage to one car involved. Ramon Sanchez was attempting to turn south in a 1969 Chevelle when he was hit in the side by a 1964 Chebrolet driven by Luis Tijerina. No one was injured, but the Sanchez car

was heavily damaged. A freak accident Thursday night at 9:30 is still under investigation by officers. The three-car wreck involved three local teen-agers. Dana Collett was attempting to turn right into the parking lot at the M & M Cafe on Hwy 290 when her 1968 Chevrolet was hit on one side by a Mustang driven by Pete Maldonado and on the other side by a car driven by Gene Martinez. The second collision sent the car spinning around in the highway and it finally came to rest against a telephone pole near the restaurant. There was heavy damage to Miss Collett's car but neither

## AUTHORIZED DEALERS CHRYSLER MOTORS CORPORATION 9 out of 10 new Chryslers registered in the last 10 years are still on the road.

### That should tell you a lot about the cars we sell.

Whether you own a big or small car, pay a little or a lot, the one thing you don't need from a car is trouble. You want a car that will hold up. A car that's built to last. Well, we're with you. Just look at this figure: 9 out of 10 new Chryslers Newport Royal 2-Door Hardtop

registered in the last 10 years are still on the road.

This includes all the various owners, any kind of terrain, and numbers of miles. But every Chrysler is designed and built the way you want it-to last. So even if you won't be keeping a car for years and years, it's good to know you've got all that quality going for you in your first year as well as in later years.

> CHRYSLER Plymouth

CIDAA

You gotta have heart.

The quality of a Chrysler starts deep down in the heart of the car. That's where you've gotta have it. That's where you get it. With such time- and road-proven features as Chrysler's torsion-bar suspension and Torque-Flite automatic transmission. The rigid strength of unibody construction. And a 7-step dip-and-spray anti-rust process. Extra care like that is why so many Chryslers stay in great shape.

**Every Chrysler Imperial** is road-tested at the factory. If our cars aren't right, we don't want

you to have them. For example, every Imperial is put through a road test at the factory that includes over 100 different checks before it reaches you. This year every Chrysler car offers a

new optional electronic ignition system that does away with the points and condenser that can wear out. This helps keep the engine tuned longer. And a tuned engine means cleaner exhaust. From our lowest-priced Chrysler

Royal to our big, luxurious Imperial, Chrysler cars are built to last. The same is true of every Chrysler-engineered car we sell-Valiant, Duster, Cricket, Satellite and Fury.

We think that's the kind of car America wants. That's the kind of car we'd like to show you. Come see us

ORGANIZED CRIMINALS

Organized crime is an old story in the United States. Gangster elements sometimes seem to be a state within the state. But organized convicts is something new and profoundly shocking.

The organization of prison inmates isn't simply a bad dream. It is a reality. In California, convicts and former convicts have formed a group known as the United Prisoners Union whose slogan is "power to the convicted class." #### Tips For Gardeners From The

Ozona Garden Club Mrs. Bailey Post

With the arrival of Thanksgiving holidays upon us, you nay consider the time until Christmas very short. We should all be thankful for the lush coverage of grass on the land of our area. It furnishes food for the many animals, protects the soil from erosion by the gusty winter winds and dust storms that polute the air we breathe.

The fall colors have never been more beautiful than they are this year, at least since we have been here. I failed to mention last week the many different varieties and colors of the marigolds that have been in bloom for some time. The whole town is aglow with tints, tones and shades of many hues and colors.

Take note of the plants, trees and shrubs you may want to plant for next year's landscape. November to February is planting time for woody ornamentals, which might help you in making out your Christmas list of gifts to those who need plants or like gardening.

If you have a small area and want an easy-to-care-for garden, plan a mini-garden that will reflect your needs and tastes. They can be appealing and a joy to care for. There are many small and dwarf plants to be used in narrow borders, along walks, corners, built in flower boxes and many attractive containers and pots. Some gardens have been created on a do-it-yourself basis while others have been pro-

fessionally landscaped.

The flower catalogues or wish books are coming most everyday now, so look them over to help you in your plans and selections of plants, trees and shrubs.

Fall gardens are furnishing many fine vegetables for the grower, friends and neighbors. To me nothing takes the place of good home grown vegetables and have the pleasure of watching them grow and of gathering them later. Prepare now the space you may want for the next spring garden.

A reminder to plant pansies if you haven't don so.

#### **Wool & Mohair** Incentive Rates Same For 1972

Washington, D. C. - The U. S. Department of Agriculture today announced that the incentive price of 72 cents a pound for marketings of shorn wool and a support of 80.2 cents a pound for mohair will continue unchanged in 1972 from 1971 levels.

These prices are in accordance with the National Wool Act as amended by the Agricultural Act of 1970 which requires that the support shall be at the above levels for each of the three marketing years through the end of 1973.

Pulled wool will continue to be supported at a level comparable to the incentive price for shorn wool through payments on unshorn lambs.

Shorn wool payments will be based on each producer's returns from sales. The percentage will be that required to raise the national average price received by all producers from shorn wool up to the announced incentive price of 72 cents a pound. For example, payments on 1970 marketings, which began in April, were made at the rate of 102.8 percent of the dollar return each producer received from the sale of shorn wool. This percentage was based on the difference between the incentive price of 72 cents and the national average grower price of 35.5 cents a pound.

Mohair payments will be calculated in a manner similar

Payments to producers on the 1972 calendar year marketings will be made beginning in April 1973. Applications for such payments must be filed not later than Jan. 31, 1973.
