TSTA Welcomed All New Teachers

Teachers, administrative officials, school board members and guests met at the Muleshoe High School Cafeteria Monday morning for the annual TSTA Welcome to New Teachers breakfast. Wayland Ethridge, president of TSTA local unit, presided over the meeting and welcomed the new teachers after they were introduced by Muleshoe School Superintendent Neal B. Dillman.

Entertaining during the breakfast was Mike Hunt, a junior high school student, with selected piano renditions.

Special speaker for the breakfast was Lee Hicks, who is a field representative with the TSTA office from Austin. His talk was centered around "Human Relations," emphasizing relationship

MISS MULESHOE PAGEANT FRIDAY NIGHT--Fourteen young area beauties will be trying out for the Miss Muleshoe title in competition to be staged in Muleshoe tomorrow night, Friday. Also scheduled in conjunction with the Miss Muleshoe Pageant is the Little Miss Muleshoe Pageant, sponsored by the Mule-

shoe Jaycee-ettes. The young ladies contesting for the title of Miss Muleshoe are from left, Earnesten Tempiar; Kay Douglass; Karen Mayhugh; Jolene Rempe; Monica Griffiths; Greta Bamert; Jenny Milburn; Brenda Ruthardt; Rhonda Bland; Vanda Spurgeon; Stephanie Bryant; Judy Woodard and Donna Coker.

Fourteen Beauties Contest For Title

Nineteen Contestants Have Filed In Little Miss Muleshoe Contest

A radio personality who has assisted with Miss Muleshoe Pageants in the past will be master of ceremonies at the annual Miss Muleshoe Pageant here Friday night, Keith Ingram, a native of Clovis, who is now news director for KGNC in Amarillo will be here acting as master of ceremonies.

He is a graduate of Eastern New Mexico University and attended McMurry College for one year. Ingram is a member of the National Ski Patrol, a past member of the Clovis Golden Gloves. He has been in radio for the past four years, and is single.

One of the judges for the pageant will be Bill Southard, managing editor of the Clovis News-Journal. Southard is a native of New Mexico and attended Artesia High School. He spent four years in the Navy and is a journalism major from Eastern New Mexico University. Southard has been in the newspaper business since 1957 and has worked for the Amarillo Globe-News, and a newspaper in Artesia, while he lived in Pratt, Kan. He served as a judge and during the time he was judge, two contestants went on to win Miss America. He has also judged the Miss Hobbs contest.

Southard's wife is a school teacher and they have three children.

Second judge is Virgie Halle of Littlefield, who is owner-operator of Virgie's Beauty Shop. She has lived in Littlefield for 27 years and is widely known throughout the state

for her cosmetology activities. For eight years, Mrs. Halle was on the Texas Board of Hair Dressers and was president in 1968-69. She was chairman of the All-Texas Beauty Show in Dallas in 1970-71 and was with the legislative committee for hairdressers from 1968-71. Mrs. Halle has had experience judging beauty pageants for industry and civic organizations.

Fred Bruegel Jr., of Dimmitt is the third judge. Bruegel is a Dimmitt native and graduated from Texas Tech. He served with the Armed Forces in Korea. He is married and he and his wife, Bobbie, have five children. He is active in farming and has a grain elevator and is in swine production. For 10 years, Con't on Page 3, Col. 2

County Provides For Indigent Care

According to records in the office of Bailey County Judge Glen Williams, indigent care takes a fair chunk of county taxpayers' money each year. The four year total, and up to date in 1971, shows that a total of \$16,781.10 has been expended in various ways to indigent persons in Bailey County. Judge Williams explained that although Bailey County has no county division, the county assumes the responsibility where actual need is found. The judge said the Bailey County Commissioners Court makes in-

vestigation to determine if a person is in need and should be helped and how much aid the county should become responsible for.

Most persons come to his office to request help, he said and he finds out who they are, where they live, their personal circumstances, who they work for and what commissioner precinct. Unless it is an immediate emergency, Judge Williams contacts the commissioner and asks him to make an investigation. The commissioner refers back to the judge when he has completed his investigation and the judge takes the necessary action.

Judge Williams said this usually winds up by the judge having to make a quick decision on what action to take, especially in emergency cases. For instance, related the judge, the hospital called and said they had an emergency who needed to go to John Sealy Hospital at Galveston. Because of the type of emergency, and the fact that John Sealy Hospital charges only \$3 daily for care, arrangements for major surgery are made at John Sealy when and where possible. The judge commented that John Sealy is a branch of the University of Texas Medical School and has some of the finest doctors and surgeons in the state of Texas.

Round trip by a bus costs \$49 he added, and this cost plus the \$3 charged by the hospital is much less expensive than private hospitals.

He cited an instance when a

Jurors Summoned For County Court

Seventy-two prospective jurors have been summoned to appear in County Court at the Bailey County Courthouse Monday and Tuesday to hear several cases pending before Bailey County Judge Glen Williams.

One of the main cases scheduled is the assault on an officer charge filed against Daniel Dominguez Rojas, who allegedly assaulted Muleshoe City Police Officer Buddy Black on Sunday, July 18.

According to police records, Black had been summoned to an address on West Fifth where a disturbance was taking place and Rojas apparently objected to being arrested. He was subdued by Black, a man who lived on the block where the assault allegedly took place and a visitor from out of town.

Rojas was jailed and charged with assault on an officer and assault on a female. Muleshoe Police Chief Harold White and Patrolman Forrest Williams, who were summoned from their respective homes, reached the West Fifth address shortly after Black left for the Bailey County Law Enforcement Center with Rojas. Black was the only officer on duty at the time of the alleged assault.

Summons to appear as prospective jurors at 1:30 p.m. on Monday, August 30 are Mrs. John Blackman, E.T. Battaes, Harvey Blackstone, Billie Bayless, Alvis Burge, Mrs. Beck Allen, Mrs. Jake Burkett, Douglas Bales, Spencer Beavers, Juarene Bovell, Ruth Briscoe, Gary Mac Brown, W.R. Bowers, June Boyce, Mrs. Tom Bogard,

Robert A. Berry, Jesse Bryant and Jim Burkhead.

Also, Walter Marie Boness, Charles E. Bratcher, Mrs. Jacques Baker, Curby Brantley, Mrs. Carl Bamert, Harvey Bass, Buford Bates, Mrs. T.J. Brantley, Elizabeth Barnett, Mrs. J.E. Burch, J.K. Adams, Naomi Dorris Ashford, Kelly Joe Barnett, George A. A. Noe Anzaldua, Mrs. J. E. Anderson, Roger Albertson and Mrs. B.H. Black.

Prospective jurors summoned to appear for possible duty in County Court on September 1 at 9 a.m. include Bill Cunningham, Frances Bruns, J. D. Black, Mrs. Cleve Bland, D.E. Beller, Wayland Altman, Mrs. A.M. Carpenter, Mrs. Cecil H. Buhrman, Bernis

Three Hospitalized From Sunday Wreck

Several persons were injured early Sunday night in a near headon crash of two station wagons 3.3 miles southwest of Muleshoe on a county dirt road, around 7:45 p.m.

Driver of one of the station-wagons, which was traveling west at the time of the accident was Mrs. Ernest Martin, who was accompanied by her two sons, Larry, 14, and Robert, 12. Mrs. Martin received emergency treatment at West Plains Memorial Hospital and was transferred to Lubbock Methodist Hospital Sunday night where she immediately underwent surgery on a broken hip. Family members reported that Mrs. Martin was progressing well at present. Her son, Larry, was treated for a cut on his head and Robert had no injuries in the accident.

Henry McLaughlin of Amherst, driver of the second stationwagon, was transferred to Glaveston for further treatment of his injuries from the wreck. Also transferred Tuesday, along with McLaughlin, was Jimmy

Smith, also of Amherst. Both the men had multiple injuries and McLaughlin was pinned in the auto for several minutes following the collision. The left front door of the auto had to be pried open before he could be removed to take to the hospital. Two other passengers in the McLaughlin vehicle received minor injuries. They were Hubert Wilson of Amherst and Sammie Neal of Sudan.

Mrs. Martin said she sent her 14-year-old son more than a mile to the highway to summon aid following the accident. Officers immediately sealed off entrance to the road where the wreck occurred until the ambulance and emergency vehicles could get onto the road and reach the accident unhampered by sightseers. Both vehicles were heavily damaged on the left front, with the left front of the McLaughlin vehicle broken from the body of the stationwagon.

Although the road was dry at the time the accident occurred

Square Thru News

Reporter: Nelda Hunt

The last week before school activities get in full swing is always a busy one and for the Muleshoe Square Thru it has been a full week of square dancing fun. It seems that all of the members have vacationed for a few days or loaded up and went to where the dancing was. The full week started on Friday, August 13, when the annual Ruidoso Weekend of Square Dancing was held. Names of the ones going from Muleshoe included Mr. and Mrs. Jimmy Presley, Sherman and Melinda; Mr. and Mrs. Curby Brantley, Stephanie and Curby, Jr., Mr. and Mrs. Joe Odum, Bobbi, Brauni, Brandi and Joe Bob; Mr. and Mrs. Kenneth Henry, Sharla and Sherri; Mr. and Mrs. Lewis Shafer, Robert, Ellen and Linda; Mrs. and Mrs. Jack Dunham, Dana, Shelly and Rohnda; Mr. and Mrs. Eugene Black and Marilyn; Mr. and Mrs. John Gunter, John, Brent and Garry; also Ronnie Scott, Joyce Puckett, Johnnie Mc, Terry Burton and Curtis Carpenter. This large group had lodging together and reported a very enjoyable weekend. Rain didn't hamper their square dancing abilities and we heard that the horse races went on as usual. We didn't hear very much about the horses so we guess the Muleshoe group just watched.

The group rested a few days then on Friday night, they loaded up and traveled to the Bovina Bull Town Days August 20. This was a street dance with our own Ed Gunnels calling for the visiting squares. Trophies were presented to the top three squares, and Square Thru members Sherman Presley and Betty Gunnels. We are real proud to have this trophy won by some of our do-si-doers. Others attending the dance were the Robert Copelands, Jack Dunhams, Ike Wilcox's, Jimmy Presleys, Curby Brantleys,

Carl Ellingtons, Joe Odums, Ronnie Scott, Joyce Puckett, Johnnie Mc., and Eddie Gunnels. The member's children go along and many of them dance now so that is real good promotion for family fun.

Then on Saturday night, August 21, our club called Ed Gunnels, Bobby Graham and Leroy Coffee both of Clovis called a dance on the Sears parking lot in Clovis. They did a real fine job and will join together again on Thursday, September nine, at the Clovis Fair. We'll be looking forward to that and hope that if you are over that night you will drop by the square dancing is. Dancing Saturday night were the Presleys, Dunhams, Brantleys, Ronnie Scott, Joyce Puckett, Odums, Gunnels and Johnnie Mc.

The Muleshoe Square Thru held their regular dance Monday night, August 23. Hosts were Mr. and Mrs. Lewis Shafer, Ronnie Scott and Joyce Puckett. Refreshments of punch and homemade cookies were served to approximately 50 people, some of these were visiting from the Y-Squares and Swingin' Wings of Clovis. Everyone seemed rested from the summer vacations and talk centered around RAIN, I believe everyone has had enough.

Speaking of vacations, I guess the rain really promoted them for the Square Thru. The Eugene Shaw family visited in Burkburnett, Texas for a few days; the Willie James' visited in Ruidoso and in Oklahoma with relatives; the Robert Hunt family traveled to the east and south Texas areas and reported it hot. We're all back home now though and ready to get back in the groove of things. Some of the local dancers plan to attend the street dance at Portales this Thursday night, August 26, and the Littlefield street dance will be Saturday night, August 28. Our banner is down there so I guess we'll have to bring it home. That covers the dancing for now -- come dance with us at our next regular meeting, September 13.

"They Came From Spain" To Begin September 2

"THEY CAME FROM SPAIN," the story of the Palo Duro Canyon and the arrival of the Conquistadores there will open September 2, 1971, in the amphitheatre in the park. The star will be the Canyon. Starting with the Creation there in Light and Sound, the story will unfold until the arrival of the Spaniards in 1541 and the principal part will describe the events of their story within the Canyon walls. This part of the story will be told with action and sound and light.

The 2000 mile trek from their gathering place in Compostela, Mexico, to the Canyon will be in still another technic, film. Cameramen have just finished shooting part of the march. On a typical day of filming the gamblers at the park admit forty extras at six o'clock in the morning ready for make-up, beards, mustaches, sideburns, and long Indian wigs; vans are opened to remove armor, helmets, swords, cross bows. Four beautiful Spanish saddles reaching two feet below the seat on each side are polished. Foot soldiers with halberds eight feet

long, women that play and camp followers and some of their children, men with banners and flags, all gather at a place in the Canyon resembling a mountain pass for the first shots of the day. Two cameramen, Bill Rhew of Amarillo and Jim Sullivan of Dallas, finished shooting on August 11.

The 250,000 brochures in full color describing the show are being distributed. The first mailing will reach travel agents, motel managers, guide book publishers, museum curators, educational administrators and other interested persons who were alerted about the new production two months ago.

Write "THEY CAME FROM SPAIN" for tickets, for information, or for brochures. The show will play Thursdays, Fridays and Saturdays in September and October. Prices for adults are \$2.50 a seat, for children, \$1.00. Inquire at Box 268, Canyon, Texas 79015 or call 806-655-2182. Street address in Canyon is 2010 Fourth Avenue where the daytime boxoffice is.

Dr. F.B. Barnett of Marlin Texas, will arrive in Muleshoe Friday morning to meet at four p.m. with Chamber of Commerce directors and others to discuss plans for erecting a monument to the mule, an animal which played an important role in the pioneer days of Texas.

Dr. Barnett, who styles himself "an expert on the mule", has taken an active interest in seeing that some sort of fitting tribute is given this unique animal.

Due to the efforts of the Muleshoe Chamber of Commerce, Dr. Barnett and his associates have more or less settled on Muleshoe as the location for the statue.

Enrollment figures in the Muleshoe School District August 28 showed a drop of 153 in the expected number of students. Total enrollment Monday came to 1,747 in the school district, while pre-enrollment figures exceeded 1,900. Richland Hills Elementary Monday had a total of 503, while DeShazo had 494, Junior High School had 408 and Hilltop enrolled 43.

Bill Moore, an outstanding worker in youth activities here the last several years, brought an inspirational message for the Rotary Club program Tuesday.

"We don't believe a child will ever grow wild if he is home raised," Bill said. The speaker paid tribute to men and women here who are devoting time strength and money to the youth movement and to the youngsters who are taking a part in it.

Eight county girls entered in the Bailey County Farm Bureau Contest were Betty Ann, Marilyn Austin, LaVayne Gregory, Joyce Eaks, Doris Ann Fields, Lynda Lowe, Shirley Mathiesen Gloria Shaefer. The winner crowned was Miss Fields with Joyce Eaks, as runner-up.

The largest flight of planes ever to land at Muleshoe Airport will fly in from Amarillo Saturday at 7:30 a.m., bearing at least 45 Amarillo wholesalers and businessmen who will be met by Muleshoe business and civic leaders. The group of visitors will be entertained at breakfast at Legion's Cafe and taken for a tour of area farm lands before going downtown to visit stores and business establishments. The 18 planes will be met by Mayor W.T. Bovell and Chamber of Commerce president Muri Wilson, heading a welcoming committee of local people.

Roger Albertson has been named manager of Cobb's Department Store in Muleshoe, replacing Gerald Priobth. Albertson comes to Muleshoe from Lubbock where he has been with Cobb's for four years.

"If it came to it, I'd rather have stalks and T-E Liquid Feed Supplement than wheat."

Says Carl Chandler of Tulia, Texas

Mr. Chandler has been feeding T-E Liquid Feed Supplement for three years. Last year he ran 80 mother cows and 70 calves on grain sorghum stalks, from October through February, with T-E Liquid Feed Supplement fed free choice.

With one animal per ten acres, and salt fed free choice, the average daily consumption of supplement was 1.3 lbs. per head.

Rate of gain for his calves was 2 lbs. per head per day.

When Mr. Chandler takes his cattle off stalks, he puts them on grass. And he keeps T-E Liquid Feed Supplement out year-round. Because, says Mr. Chandler, "The cows just do better and my calf crop is larger."

STATE CAPITAL Highlights AND Sidelights

By Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN, Tex.--Legislative Redistricting Board met here August 24 to begin consideration of state senatorial reapportionment.

Shortly after the Board announced its meeting date, Gov. Preston Smith issued a sharply worded statement calling on the Board to forget "political considerations" and start work on a House of Representative redistricting bill also.

Smith noted the fact that Atty. Gen. Crawford Martin's appealing a district court decision invalidating the 1971 legislative act which attempted to reapportion the House does not preclude the Board from preparing for any eventuality.

Supreme Court of Texas, Governor noted, may uphold or over-turn the district court's August 2 decision that the Legislature illegally divided more than 20 counties. In either case, he said, the Board should be prepared with a House as well as a Senate reapportionment plan to avoid the need for a "million dollar" special session of the Legislature.

Lt. Gov. Ben Barnes, a member of the Legislative Redistricting Board, expressed surprise at Smith's blast. He said the Board has made no decision not to consider House redistricting and, indeed, has not even discussed the issue.

Board has just 60 days to draw the reapportionment after its initial meeting which means its lifespan expires in late October.

State Supreme Court Chief Justice Robert W. Calvert said the Court will meet within 48 hours after receiving a request for an appeal hearing and can reach a decision in 10 days or less.

Attorney General Martin said a transcript of the lower court proceedings is being speeded to completion and can be placed before the Supreme Court within another week.

AUTO INSURANCE RATE CURB ASKED--Governor last week called on the State Board of Insurance to permit no increases in auto coverage rates this year.

He summoned three members of that agency to his office to hear his proposal.

I'm sure you've all noticed how that many of the yards look better this summer. We feel like much of the credit goes to the Ladies Auxiliary of the Chamber of Commerce and their yard of the month project. A special thanks goes to Bill Moore, H.M. Hefner, Dorothy Wood, Jerry Mayo and Mrs. Clarence Jones. As you already know the yard of the month for August goes to Mr. and Mrs. Bill Hamblin, 1822 West Birch and Honorable Mention goes to Ellen Spence, 804 West 2nd.

Corky Green, Clean-up Campaign chairman for the Chamber of Commerce, called a meeting Thursday morning. The action oriented group, with several new members, changed their names to Muleshoe Community Improvement Board. Look for a cleaner, brighter Muleshoe and much of the credit will go to the MCIB. New members signed up this week are H.A. Hobbles and Gifts, Gene McGuire, Bittner Tire Company, Sanitray Barber Shop and Bailey County Cemetery Association. We appreciate these civic minded businesses and citizens and their interest in building a better Muleshoe by joining their Chamber of Commerce.

Board is due to meet this month to review requests of insurance companies for increases totalling almost 10 percent on all types of auto insurance. Board staff members have proposed a modest 2.8 percent average hike effective September 1.

Governor asked the Board to begin study immediately of no-fault insurance plans with a view toward adopting one for Texas. He said Massachusetts achieved a substantial reduction in auto insurance rates under its no-fault concept.

Smith also urged the Board to study the feasibility of establishing a flexible and competitive insurance rating system in an effort to reduce rates.

"We are confident that a suitable alternative to the ever-rising rates could be found -- if the insurance industry and the agencies of state government wish to find them," said Smith.

WATER BONDS SOLD--A Chicago firm was low bidder on a \$25 million Texas Water Development Bond issue to help build or improve sewage treatment facilities.

Issue was the first step in a \$100 million program authorized by voters May 18 for loans to cities, towns, river authorities and water districts. State loans make political subdivisions eligible for increased grants from federal government for water quality improvement.

Board said it expects 40 or 50 applications for assistance by October 1. It will act on the first ones at its meeting here September 16-17.

Local units can borrow 25 percent of cost of a sewage treatment project from the state. Federal government will provide 50 to 55 percent of the cost where a state program exists.

Halsey, Stuart and Co. Inc. and Associates bid effective interest rate of 4.9533 percent for the issue.

AG OPINIONS--Attorney General Martin said in a recent opinion that Texas cities and counties may charge beverage cartage permit holders and local distributor permit holders additional liquor fees.

In other recent opinions, Martin concluded:

* Justices of Peace must take a 40-hour course of instruction determined by state-supported accredited institutions of higher learning in performance of their duties unless they are licensed attorneys.

* State departments may pay premiums on group insurance policies for regular, part-time and temporary seasonal employees.

* Non-elective state officers or appointees who accept other non-conflicting state positions of honor, trust or profit must receive clearance of their agency heads.

* Bell county court at law has jurisdiction in eminent domain and probate matters, and vacancy in judgeship would not change jurisdiction.

* A sheriff has no authority to release prisoners in his custody prior to expiration of sentences imposed and may be compelled to re-arrest maturely-released prisoners.

* Professional services procurement act of 1971 is not applicable to landscape architects licensed by Board of Architects.

APPOINTMENTS--E. C. McFadden of Dallas was reappointed by Governor Smith to Occupational Safety Board for a two-year term.

Governor also announced these appointments to Texas Vending Commission, effective September 1:

Don M. Edmondson of San Antonio, Gene R. Hendryx of Alpine, Jack C. Morgan of Kaufman, Gilbert G. Seelmeyer of El Paso, L. C. Butler of Houston and Raymond B. Williams of Dallas.

George M. Smith of Center was named to Sabine River Compact Commission.

18-20 YEAR OLD VOTE REGISTRATION--Voter registration has, in effect, been reopened for newly-enfranchised 18-20 year olds to permit them to sign up at any time prior to March 1, 1972, close of the voting year.

County registrars have been instructed to accept applications from 17, 18, 19 and 20 year olds, with registration certificates to be effective for any election held 30 days or more afterward. Young voters who failed to register during the registration period which ended February 28 may now present their applications to tax assessor-collector either in person or by mail.

They must sign up again October 1 or thereafter to remain eligible to vote in elections beyond March 1, 1972.

VOTE MACHINE SALE HALTED--Secretary of State Martin Dies Jr., Texas chief election officer, announced a temporary

YOUTH FOOTBALL COACHES AND PLAYER -- Young Scotty Windham, in his Cowboy uniform, depicts a typical Youth Football Inc. player. He is the first Lazbuddie youth to sign up for the program since youths from that community

halt in voting machine sales over the state.

Dies said a survey indicated certain equipment has been discontinued and other machines have not been inspected by the state for many years.

While electronic or punch card voting devices are also being reviewed, Dies said temporary suspension of sales applies only to voting machines. Review of voting machines offered for sale will take "very little time" if companies cooperate, he added.

TIGHT WELFARE CONTROLS ADVISED--New State Welfare Commissioner Raymond W.

Vowell, in meetings with field workers, is urging tighter controls on welfare caseloads.

He also is calling for greater effort at detection and elimination of fraud in claims and limitations on Texas' Medicaid Program. Vowell has been visiting 17 regional offices of the Welfare Department in a two-week swing.

SHORT SNORTS
Highway Department has approved an expanded program for multiple use of highway right-of-way--or parks, parking areas and recreation.

Texas Animal Health Commission announced that author-

ities are very close to bringing Venezuelan Equine Encephalomyelitis, a major threat to the state's horses, under control.

AFL-CIO has prepared a man-for-man voting record of the Texas Legislature based on 16 selected issues.

1971 Hunting Laws Similar For Waterfowl

Anticipating excellent fall flights again this year, waterfowl regulation frameworks, within which States select their 1971-72 hunting seasons, are approximately the same as last season, Secretary of the Interior Rogers C. B. Morton announced today.

Most species of ducks are expected to be moving down the flyways in about the same numbers as in 1970, which was a good year for waterfowl hunters. Mallard flights should be about the same as a year ago.

The regulations are based upon predictions by biologists for Interior's Fish and Wildlife Service who have been making aerial surveys of the nesting grounds in recent months.

Their optimism comes from habitat conditions on the prairie pothole country of Canada and the northern United States where many of the favored game ducks breed. Conditions have been described as "excellent" the past three years following several years of drought.

The framework regulations are established after recommendations are made by State wildlife agencies, flyway councils and major private conservation organizations.

Even with the generally good situation, there are still special restrictions on some species such as canvasbacks, redheads, wood ducks, and black ducks in

Byron Fullerton of Austin has indicated interest in running for governor as a Republican next year.

Department of Public Safety Director Col. Wilson E. Speir reports one out of 16 miles driven in the U. S. is driven in Texas.

The regulations are designed to maintain high breeding population levels of waterfowl, while furnishing excellent hunting opportunity.

Specific hunting regulations within the frameworks issued by the Federal Government will be announced by State fish and game agencies.

Copies of the Interior Department's regulatory announcements may be obtained from its regional offices in Portland, Albuquerque, Minneapolis, Atlanta, and Boston, or from State fish and game agencies.

Unlike previous years, they will not be available at post offices.

Migratory Birds Include Doves Says Wildlife

AUSTIN - A reminder from the Texas Parks and Wildlife Department: the recent law change allowing use of "unplugged" shotguns for non-migratory game birds and animals in Texas does not apply to either white-winged doves or mourning doves. Both are migratory birds, so the three-shot limit applies, just as it does to ducks, geese, woodcocks, jacksnipes, rails and gallinules.

Robert C. Byrd, Senator (D-WVa): "It is high time that professors who distort the perspective of young minds... be purged from our educational institutions."

Cool, Rainy Weather Hampering Cotton

The cool, wet weather has improved yield prospects in grain sorghum and soybeans, but cotton production has been slowed considerably due to reduced fruiting and stimulated vegetative growth.

Some maturity time has been lost since August one that can never be completely recovered. The prolonged cool, rainy spell will have some important effects on the remainder of the season points out J.K. Adams, co-agent. First, vegetative or top growth will take place at the expense of fruit development. The thick canopy of leaves that prevents sunlight getting to the lower parts of the plant will cause many young bolls to shed and slow down development of bolls which have set near the bottom of the plant.

Excessive shedding of squares and young bolls can also be expected after a prolonged, cloudy period points out Adams. Shedding of small bolls usually occurs three to ten days after white bloom, but the completion of the shedding process is slowed by low temperature and may not be too evident until the temperature rises again. Bolls that are ten days older will seldom shed. Rapid vegetative growth usually follows excessive fruit shed.

Producers can expect to see an increase in the wilt diseases since weather conditions have been ideal for infection to develop during the last two weeks. Symptoms will become more evident as warmer weather returns and plants are subject to greater moisture stress.

A boll set from a white bloom in late August will require 60 to 70 days to open depending on temperature. Thus bolls being set now will not reach maturity before November one points out Adams. Lower than normal temperatures would lengthen the boll period and bolls set after this date would be more subject to severe damage by first freeze.

The micronaire of fiber from late set bolls will be low and recent cool weather has likely reduced the micronaire of fiber in the earlier set crop. No doubt, the overall micronaire of the crop can be expected to be lower than usual. Very little effect on staple length is expected. Wet, cloudy weather would tend to increase fiber length slightly while lower temperatures would likely reduce length. Thus, two opposite effects on fiber length have been in operation. It is unlikely that fiber strength has been changed.

With a normal or higher temperature and normal freeze date much of our cotton has an opportunity to make good yields of acceptable quality fiber. Adams encourages producers in Bailey County to carry out early irrigation cut-off and give careful attention to proper insect control programs. Producers should consider herbicides for layby weed control rather than mechanical cultivation. Frequently, root pruning from tillage increases fruit shed and wilt disease. So in view of our present maturity situation this year's crop will demand our best management during the short time remaining before frost.
