WASHINGTON, Feb. 5. - The Hiver question again presented itself to the Bland, chairman of the house committee on coinage, weights and measures, made a favorable report on his bill to coin the silver seigniorage in the treasury. At the same time Mr. Charles W. Stone of Philadelphia, presented an adverse report from the minority of the committee. Mr. Bland's proposition is advanced with a view to supplying the treasury with \$56,-000,000 of silver or silver certificates to meet current expenses. It was originally intended that the coinage of this amount of silver seigniorage
