Lady Burton.

Lady Burton, the widow the faing of the relics with which the house is stored is a grewsome necklass of human bones given by the king of Dahomey to Sir Richard Burton when he made him brigadier general of his amazons. The necklace was designed to be a present to the new commander's favorite squaw. Lady Burton is said to have viewed her husband's appointment with jealousy at first, but when she personally inspected the female warriors all such feelings In stantly vanished.

Australia and Immigration.

Australia is greatly bothered just now by a question akin to our Chinese problem. The Chinese immigration evil has been checked by strong restrictive measures and the imposition of a heavy head tax. There is now a

great and growing influx of Afghans, my life, and all the remaining days of eyes blazing. Panthans and other Asiatic tribes my existence will not be enough in "Insolent!
