Baptist Revival a Success.

A great religious revival and awakening is being held at the First Baptist church of this city this week, continuing from last. The meetings are being conducted by Dr. S. J. Reid of Belfast, Ireland, whose reputation as a preacher is international. Two services are held daily, morning and night. Large crowds are attending. The climax of attendance was reached Sunday night when extra seats had to be provided for the overflow audience. A number of additions to the church membership have been made and much interest manifested. The song service is under the direction of an expert, who has the assistance of an immense choir. Aside from the musical feature of the services, the sermons are no less attractive. Dr. Reid is a man of thorough education, deep thought and pleasing address. He never fails to hold the closest attention of his audience and this twice daily. It has been announced that this series of meetings is to close Thursday night.

Death of a Brother of Mr. Tenney.

Friday morning Rev. S. F. Tenney received a telegram telling of the death of his only brother, Mr. James M. Tenney of Fort Smith, Ark. Some of our citizens will remember his visits to Crockett some years ago. A Fort Smith paper says: "Exactly what time his death occurred is not known. Mrs. Tenney had been seriously ill for some time, and there is a nurse in attendance upon her. At an early hour this morning Mr. Tenney arose from his bed, went into another room and sat down in a chair. The nurse entering the room about 3 o'clock found him seated in the

chair, with a hot water bottle at his back, dead. She called the family physician, but when he arrived there was nothing that he could do. He pronounced death due to apoplexy. The city has lost a citizen who has been conspicuous in the business, social and religious life of the city for the last thirty years. He was born in Athens, Ga., sixty years ago, but spent a great part of his early life in Mississippi. He came here in 1879."

Rev. S. F. Tenney, on his way to Gettysburg, visited his brother.

ANOTHER THREE-STORY BUILDING A POSSIBILITY.

Plans for a New Building at Corner of Court House Square and Public Avenue Being Considered.

Rumor is current on the streets of Crockett that the old two-story brick house at the southeast corner of Court House square and Public Avenue is to be torn down and that a modern three-story structure of imported brick and plateglass is to take its place.

In order to verify the rumor, Mr. J. W. Young, the owner of the property, was seen by the Courier editor Tuesday, and he admitted that the old building was going to be remodeled, but he said further that the plans, while being considered, had not yet been decided on fully. The only definite information he could give out was that the building would be remodeled and greatly improved. Among the improvements contemplated are a plateglass front and side and possibly a third-story.

The building's present occupant, J. D. Woodson, has been given notice to vacate by October 1. Mr. Woodson has rented one of the Mayes houses on Main street, in the new block, into which he will move his goods by that date.

Another improvement that is talked of for the east side of Court House square is the remodeling of the Page buildings. These three buildings are to undergo marked improvement in the way of plateglass fronts, modern awnings, wider sidewalk and a change in the stairway, which is to enter between two of the buildings instead of at the side of one of them as now used.

Keep to the Right.

The Courier has been commended for its reference last week to the rules of the road in regard to automobiles and other vehicles, which are constantly violated in this city. The newspapers have come to be looked upon as educators in matters of this kind. Many people will now drive to the right who had never thought of doing so in the past. But it is not much worse to drive on the left side of the street than it is to drive down the center. The space in the center and left side of the street is to be used by vehicles passing in both directions. But what is worse is cutting across corners. It is as necessary to keep to the right in turning corners as it is when going straight ahead.

A friend who is interested in the speed of automobiles hands the Courier the following extract from the state law governing the highways: "No automobile or motor vehicle shall be driven or operated upon any public road, street or driveway at a greater rate of speed than 18 miles an hour, or upon any public road, street or driveway, within the built-up portions of any city, town or village, the limits of which shall be fixed by the municipal officers thereof, at a greater rate of speed than eight miles an hour, except where such city or town may, by an ordinance or by-law, allow a greater rate of speed; provided, the speed limit shall not apply to race courses or speedways." The penalty for violation of this law is fixed at a fine of not less than \$5 nor more than \$100. If the owner of the car is unknown, the number of the car can be taken

Call for Reunion.

The third annual reunion of Company I, Fourth Texas Calvary, Green's Brigade, has been called to be held in the city of Crockett, 17th and 18th of September, 1913, and every member is earnestly requested to be present.

The meetings heretofore held have proven such great success that every member of the company has joined in the demand for another reunion, and we are confidently expecting a full attendance.

The Daughters of the Confederacy are preparing to take care of our comrades and will have an interesting program for the occasion.

In view of the fact that we are destined to enjoy very few years of life, many of us likely to have no other opportunity of meeting one another, it becomes very important that all the surviving members make a sacrifice to be present.

Expecting to meet you in Crockett and with warm and tender fellowship to each old soldier, I remain your friend and comrade,

A. M. Furlow.

A Mother Goose Party.

A novel entertainment was given by Mrs. A. H. Wootters in honor of her daughter, Miss Delha Mildred, last Saturday evening.

Mother Goose had summoned her goslings to the number of forty or fifty to meet her on the broad lawn surrounding the home of the young lady. The date of the meeting had been set for Friday, but when the storm came, Mother Goose, not wishing her tender goslings exposed to the fury of the wind and rain, by some mysterious means communicated the intelligence that the meeting would occur on Saturday instead.

The lawn was well lighted by an arc light which served as the moon under which the gambols took place. Chairs were set in a circle for fifty. Japanese lanterns added to the beauty of the scene.

Ready to receive her guests, Mother Goose was ably assisted by Old King Cole who appeared in a royal robe of red trimmed in ermine.

The home was brightly illuminated and decorated in gold and white for the festive occasion. In tripped the characters fresh from the pages of the story book. After each had registered in the guest-book provided by Mother Goose for the occasion, punch was served, and the characters expressed their pleasure in being able to visit Crockett.

Then the first notes of the grand march were struck and the characters, led by Mother Goose and Old King Cole, promenaded out to the lawn and after marching around the circle, took each his appointed place. Here each was given a little hand-painted souvenir hat of Mother Goose, on which was fastened a roll containing his part. Then the frolics began.

Jack-be-nimble jumped over the candle-stick, Robert Burns shoed Bessie, the little pony on which Mother Goose is accustomed to take her rides, Little Boy Blue did blow his horn, Mary Quite Contrary appeared with her rake and hoe, Jack Sprat refused to eat any fat, Polly did put on the kettle, Little Jack Horner sat in the corner, and so on, as Mother Goose called the roll, each stepped out and played his part under the light of the moon.

When Mother Goose was satisfied that the characters were still alive and happy, and each doing a share toward the entertainment of the

world, the scene dissolved into the misty past, to be called up later in the memory of those who witnessed the gay assemblage.

The goslings now thought they would like to play that they were a gathering of Crockett young people. They were provided with cards appropriately decorated with Mother Goose pictures. On the back of each card were numbers for twelve conversations. The young gentlemen immediately became busy fluttering about writing names or initials on the cards of the various young ladies with whom they wished to hold a five minute talk.

When this progressive conversation had continued for some time, the guests were summoned to the dining-room where delicious brick cream and cake were served.

A half hour before midnight, after a most enjoyable evening, the characters bade good night to Mother Goose and returned to the pages of their story book.

Mrs. Wootters was assisted by Miss Alice Fuller, who played the grand march, Mrs. John Markham, Mrs. G. O. Clinton of Chicago, Mrs. Charles E. Hayes and Mrs. E. F. Archibald.

Electric Gin Now Ready

The Crockett Gin is now ready and doing business in the most up-to-date manner. We respectfully invite close investigation of our methods by all citizens who believe in doing things in the most up-to-date manner at all times. We claim to have one of the finest and most up-to-date gins not only in Texas, but in the United States. We have some improvements that no other gin in the whole South has.

Operated by electricity, no troublesome brushes to hinder, we use the air blast instead. No steam about the plant to leak into the press box and damage the sample or bale. We pack the bale by hydraulics and tramp it by compressed air. We are asserting no extravagant accomplishments but most earnestly urge all to see and try us. We will pay you the highest price for cotton seed at the gin and give you as good a turnout as any gin in the world can, we bar none. If there is anything better to be had we will have it.

The "Schuttler" Costs Less Per Year Than Any Other Wagon Made

The cheapest priced wagon is the one which will save you the most money—and there is far more than the first cost to be taken into consideration with most wagons.

But with "The Old Reliable Peter Schuttler" it's different. With it, the first cost is practically the only cost. It's built right and stays right. It saves repair bills; it avoids break-downs; it reduces the after-purchase expense—and it wears longer than any other wagon built.

And with all its cost-reducing, time and trouble-saving features, the first cost of the "Peter Schuttler Wagon" is only slightly more than the first cost of the inferior makes.

And every cent of the extra cost goes into extra quality. There's no more profit on a "Peter Schuttler Wagon" than on the so-called other standard makes. The difference in price is due entirely to the difference in material and the difference in the way this material is put together. It is this difference which makes the "Peter Schuttler" by far the cheapest priced of all wagons in the long run.

Nothing but the very highest grade, specially selected hickory and white oak is good enough for the "Peter Schuttler Wagon." And even it does not come up to the Schuttler standard until it is seasoned by natural air-dried process for from three to five years in sheds specially built for the purpose.

Great pains are taken by long-experienced wagon-makers and skilled blacksmiths in the manufacture of the "Peter Schuttler Wagon." The best of refined iron is used, and it's shrunk on hot, thus charring and preserving the wood and insuring a perfect fit. Every wheel is measured and its tire welded to exact size, then brought to a cherry heat, and shrunk into place by being plunged into cold water, in the same way that the old

The Old Reliable Peter Schuttler Farm Wagon

original Peter Schuttler did it sixty-nine years ago. That is why the tires never come loose on a "Peter Schuttler Wagon."

Every piece of wood in the "Schuttler" gear is given a bath in boiled linseed oil, thereby closing the pores and protecting it against moisture. The paint is ground in linseed oil and then spread on smoothly and evenly with a brush—not dipped. It takes three years to get an axle in right condition for a "Peter Schuttler Wagon," and even then it must pass the regular rigid inspection to which every "Schuttler" part is subjected before it can be used.

These are only a few of the many reasons why a "Peter Schuttler" is the most economical wagon you can buy.

Come in and inspect it.

W. of Crockett, the same containing about 296 acres of land, out of the Arthur Henrie headright, and bounded as follows: Beginning at the S. E. corner of M. J. Chamar labor. Thence North 67 East 100 vrs to corner of James Murphy and Arthur Henry. Thence S 23 E 860 vrs to Arthur Henry's S. E. corner on J. Durst north boundary line. Thence South 55 West with J. berg's E. B. line 930 vrs. to M. J. Chamar S. W. corner. Thence North 67 East with Chamar's S. B. line 1000 vrs to the place of beginning. Plaintiffs allege that they and those under whom they claim title to said land have been in the actual, continuous, peaceable and adverse possession thereof, under title, and deeds duly registered for periods of five and ten years, respectively, and specially plead the five and ten years statutes of limitation in bar of any adverse claim to said land by the defendants or any of them.

Plaintiffs claim title to said land under certain deeds, conveyances and transfers, which are fully set forth in plaintiff's original petition.

The fact that there is no deed or transfer out of Martin Lacy to any one of any part of said 1-3 of a league of land, that the records do not show any authority in the Admr. of C. L. Wall's estate to make deed to Milton Gary, that there is no authority shown in the Admr. of the Estate of W. F. Wall to make deed to Milton Gary, that there is no authority shown in D. M. Coleman and H. W. Beeson to make deed to James F. Ford guardian of Mary E. F. Jacobs after the death of said Milton Gary, that there is no deed or order of court transferring the legal title from James F. Ford to his ward Eliza F. Heard (nee Jacobs), that the deed from Eliza F. Heard to Mattie Hopkins is not signed by S. A. Heard husband of the said Eliza Heard, and that the acknowledgement to same is defective, that there is no release of the deed of trust from G. A. Floyd to C. T. Burtis, that there is no deed or transfer out of G. A. Floyd to any one of said tract of land, that there is no judgment, order of sale or sheriff's return to support the sheriff's deed from A. D. Roper to H. W. Brown, that there is no deed from H. W. Brown to any one of said tract of land, that the acknowledgments to deed from W. R. Brown, J. Q. Brown, and Amelia Musson and John Q. Musson to Bettie Erwin, Jim Erwin, Birdie Allee and S. T. Allee is defective, and that the claims of all others of the defendants are unknown to plaintiffs, create and cast a cloud upon plaintiff's title, which plaintiffs would show should be cancelled and held for naught. Plaintiffs would show that none of the defendants have any right, title or interest in said land.

Plaintiffs would show that there has been no deed of partition between plaintiffs of the interest of each in said land and that they are authorized to join herein as plaintiffs.

Plaintiffs pray that citation issue, and for judgment for the title and possession of said land, quieting plaintiffs' title to same, removing all clouds therefrom, substituting all missing links, and for such other and further orders and decrees, both in law and in equity, as plaintiffs may be entitled to, for costs, and for special and general relief.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

Witness, John D. Morgan, Clerk of the District Court of Houston County.

Given under my hand and the Seal of said Court, at office in Crockett, this the 28th day of July A. D. 1913.

Porter, Mrs. Emma Brown, Addie Cox, Perron Cox, Berta Taylor and Shell Taylor are defendants, the cause of action being alleged as follows:

Suit to remove cloud from title to the following described tracts or parcels of land to-wit:

All that certain tract or parcel of land, situated in the county of Houston and State of Texas, about two and one half miles west of the town of Crockett, being a part of the Daniel Harrison survey and bounded and described as follows: Beginning at a rock for corner in the Halls Bluff road, a red oak 48 in mkd X brs S 69 E 14 varas. Thence S 15 W 590 1/2 varas to a stake for corner. Thence S 27 W 694.2 varas to a stake for corner on above mentioned road. Thence with said road as follows: N 58 1/2 W 108.4 varas, N 54 W 344.2 varas, N 51 W 281.2 varas, N 44 1/2 W 370.1 varas to the place of beginning, containing one hundred and seventy nine and two tenths acres. (Magnetic variation 8 degrees East.)

2. All that certain tract or parcel of land, situated in Houston County, Texas, about two and one half miles west of Crockett, being a part of the Daniel Harrison survey and bounded and described as follows: Beginning at the S E corner of the tract of land of twenty acres owned by George Leroy out of said Daniel Harrison survey, a stake for corner in the Halls Bluff road N 77 E 250 varas from Buchanan's S E corner. Thence N 20 E with the E B line of said 20 acres tract to the N E corner of same, corner on

Pine 20 in dia. Thence S 77 W with the N B line of said 20 acres tract, 250 varas corner on the E B line of said Buchanan tract, a pine 20 in brs East 3 varas, being the N W corner of said 20 acres. Thence N 20 E with the East line of said Buchanan tract at 926 varas corner in Navarro road at N E corner of Buchanan tract a red oak 20 in mkd X brs S 20 W 16 varas. Thence N 62 1/4 W with said Navarro road to where the N line of the said Harrison survey crosses said road. Thence E with N line of Harrison survey to N E corner of same on S B line of White league a P O brs S 30 W 10 4-10 vrs. do brs S 33 E 10 6-10 vrs. Thence S with the W B line of the A. E. Gossett headright at 950 vrs. corner on N W line of F. Johnson league. Thence S 55 W with N W line of F. Johnson league corner where said line crosses Hall's Bluff road. Thence with the meanders of said road in a westerly direction to the place of beginning containing 110 acres of land, more or less.

Plaintiff claims title to said land under certain deeds, conveyances, and orders of court which are fully set forth and described in plaintiff's said original petition.

Plaintiff further alleges that he and those under whom he claims title to the land above described, have had peaceable, continuous and adverse possession of said land, under deeds duly registered, cultivating, using and enjoying the same, and paying all taxes due thereon for a period of more than five years before the commencement of this suit, and he claims title to the said land under the five years statute of limitation.

Plaintiff further alleges that he and those under whom he claims title to said land have had peaceable, continuous and adverse possession of same, cultivating, using and enjoying the same for a period of more than ten years before the commencement of this suit, and he claims title to the said land under the ten years statute of limitation.

The fact that there is no conveyance from Daniel Harrison or from the heirs of Daniel Harrison to any one and no conveyance from I. D. Adams, Isaac Adams, S. E. Loeb, Lem Haas, S. Frank, Henry Bur, Ferdinand Bur, M. W. Ellis, L. J. Crow, S. D. Drennan, L. D. Drennan, Jacob Allbright, Benjamin Ellis, Joel D. Leathers, I. W. Burton, S. B. Lacy, Isaac Adair, R. J. Blair, John Blair, Lizzie J. Blair, Mrs. L. J. Blair, Ruby J. Blair and that the probate proceedings in the guardianship of John Blair, Berta Blair and Addie Blair are defective and that the defendants are setting up and asserting some kind of title or claim to the above described premises the nature of which is unknown to plaintiff, creates a cloud upon the title of plaintiff to said land.

The plaintiff further alleges that having sold and conveyed portions of the above described land to J. L. Hail, and H. A. Baughman by deeds retaining an express vendor's lien upon the land sold them, sues as well for the benefit of the said J. L. Hail and H. A. Baughman as for himself to remove cloud from the title there-

to as he has obligated himself to do.

You are further commanded to serve this citation by publishing the same once in each week for eight successive weeks previous to the return day hereof, in a newspaper published in your county; but if no newspaper is published in said county, then in the nearest county where a newspaper is published.

Herein fail not but have you before said court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have

executed the same.

Witness John D. Morgan, Clerk of the District Court of Houston County.

Given under my hand and seal of said court in the City of Crockett this the 12th day of July A. D. 1913.

To the Sheriff or any Constable of Houston County, Greeting:

You are hereby commanded to summon the Unknown Heirs of Joseph Hodges, and the Unknown Heirs of Wm. G. Logan, deceased, by making publication of this Citation once in each week for eight successive weeks previous to the return day hereof in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the nearest County to your County, to appear at the next regular term of the District Court of Houston County, to be held at the Court House of said Houston County, in the town of Crockett, on the fifth Monday after the first Monday in September, A. D. 1913, the same being the 6th day of October, A. D. 1913, then and there to answer a petition filed in said Court on the 2nd day of August, A. D. 1913 in a suit, numbered on the docket of said Court No. 5466, wherein A. M. DeCuir and G. Q. King, are Plaintiffs, and the Unknown Heirs of Joseph Hodges, deceased, the Unknown Heirs of Wm. G. Logan, deceased, and Louise Williams are Defendants, and said petition alleging that the plaintiffs are the owners in fee simple, being lawfully seized and possessed of the following described tracts or parcels of land lying and being situated about four and one-half miles South East from the City of Crockett, in Houston County, Texas, same being a part of the Joseph Hodges League, and described as follows:

FIRST TRACT. Beginning at Robert Terry's most Southern corner, near the Crockett and Pennington road, a P.O. 15 in marked X for corner. Thence South 35 West 18 vrs, to stake in said road. Thence South 55 East with said road 1000 varas to Patsy Hopkins corner in said road. Thence North 55 East 360 vrs, Tony Williams corner. Thence South 55 West 801 vrs, corner on Beevers line, a hickory 20 in dia marked X brs S 10 W 10 vrs. Thence South 35 East 701 vrs, corner in old field. Thence South 44 West 574 vrs, a pine 10 in dia brs S 34 W 3 vrs. Thence South 17 1/4 West 620 vrs to the place of beginning, containing 55 1/2 acres of land, more or less.

SECOND TRACT. Beginning at a willow 8 in dia near Spring. Thence North 74 West 270 vrs, stake for corner, pine 12 in dia marked X brs North 3 vrs. Thence North 43 West 232 vrs stake for corner, pine 10 in dia brs North 37 East 1 vrs. Thence South 80 1/4 East 632 vrs, stake for corner, a black jack 15 in dia brs South 90 East 1 vrs. Thence South 21 West 280 vrs to the place of beginning, containing 19 1/2 acres.

Plaintiffs set out in their original petition all of the deeds under and by virtue of which they claim title to said land. Plaintiffs further plead the five and ten years' statutes of limitation alleging that they and those under whom they claim title to said land have had and held the peaceable, continuous and adverse possession thereof, cultivating, using and enjoying the same under deeds duly registered, paying all taxes due thereon, for periods of five and ten years respectively immediately preceding the filing of this suit. Plaintiffs further allege that the deed from Joseph Hodges, the original grantee, to Henry Raguet and Wm. G. Logan, of date November 20th, 1837, only an undivided one-half interest in said league is conveyed, and that no partition has ever been made between the owners of that part of said league acquired under said deed, and the owners of the other part of said league, though all of the various owners of said league have taken possession of the specific portions thereof claimed by such owners, and that by reason of the failure of such partition a cloud is cast on plaintiffs' title. That Henry Raguet purporting to act as administrator of Wm. G. Logan, by deed dated January 5th, 1838, conveyed the interest of said Logan to Jacob Snively, but there being no administration proceedings in the estate of said Logan and no orders of court authorizing such administrator to convey, a cloud is cast on plaintiffs' title. That in the deed from Louise Williams and Tony Williams to Thomas Felder, dated January 1st, 1894, one note for the sum of \$100.00 was executed to said Louise Williams, which note has been paid, but no release being obtained, a cloud is cast on plaintiffs' title. Plaintiffs pray judgment for said land, removing all clouds therefrom and quieting their title to same.

Herein fall not, but have before said Court, at its next regular term, this writ, with your return thereon, showing how you have executed the same.

D. 1913, in a suit, numbered on the docket of said Court No. 5468, wherein O. C. Goodwin is Plaintiff, and the Unknown Heirs of William White, deceased, and the Unknown Heirs of Edward Currie, deceased, are defendants, and said petition alleging that the plaintiff is the owner in fee simple, being lawfully seized and possessed of the following described tract or parcel of land, lying and being situated in Houston County, Texas, about four miles North 45 West from the town of Crockett, same being a part of the William White League of land, on Hurricane Bayou, and more particularly described by metes and bounds as follows, to-wit:

Beginning at the South West corner of T. J. Waller's 145-35-100 acre tract on said White League, an iron stake for corner on the East Bank of Hurricane Bayou, from which a white hickory (dead and down) 10 in dia mkt X brs N 30 E 9 1/4 vrs. Thence North at 219 vrs, crossed Crockett and Palestine

Thence North 89-36' West with said line 367-8-10 vrs to an iron stake for corner from which a Pine 28 in dia brs S 47 E 4 vrs. (The same being the North East corner of Gray's 40 acre tract on said White League.) Thence South at 451-63-100 vrs passed Gray's South East corner and Dr. Stokes' North East corner at 2452 vrs, set stake for corner on North Bank of Hurricane Bayou. Thence down said Bayou with its meanderings as follows: S 61 1/4 W 42 1-10 vrs. S 78 W 15 7-10 vrs. S 33 1/4 W 88 8-10 vrs. S 69 1/2 E 18 9-10 vrs. N 68 1/4 E 32 1/4 vrs. N 82 1/4 E 38 1/4 vrs. S 1 E 59 vrs, to the place of beginning, containing 136 2-10 vrs.

Plaintiff sets out in his original petition all of the deeds under and by virtue of which he claims title to said land. Plaintiff further pleads the five and ten years statute of limitation, alleging that he and those under whom he claims title to said land have had and held the peaceable, continuous and adverse possession thereof, cultivating, using and enjoying the same under deeds duly registered, paying all taxes due thereon, for periods of five and ten years respectively immediately preceding the filing of this suit. Plaintiff further alleges that there is no deed from William White, the original grantee of said property, conveying the same, which casts a cloud on plaintiff's title. Plaintiff further alleges that said tract of land was a part of a certain tract conveyed by F. H. Bayne, Trustee for Edward Currie, to J. C. Wootters, the said F. H. Bayne purporting to convey same in and by virtue of a deed of trust executed to said J. C. Wootters by said Edward Currie, by said Deed of Trust has been lost or destroyed, and there is no authority, as shown by the records of Houston County, for the conveyance by the Trustee to said J. C. Wootters, which casts a cloud on plaintiff's title. Plaintiff prays for judgment for said land, substituting all missing deeds, removing all clouds therefrom, and quieting his title to same.

Herein fall not, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

To the Sheriff or any Constable of Houston County, Greeting:

You are hereby commanded to summon the heirs of Moses Gregg, deceased, whose names are unknown, the heirs of Wm. Y. Lacy, deceased, whose names are unknown, the heirs of Wm. Lacy, deceased, whose names are unknown, and the heirs of Charles McH. Ellis, deceased, whose names are unknown, to appear at the next regular term of the District Court of Houston County, to be held at the courthouse thereof, in the City of Crockett, on the first Monday in October, 1913, being the 6th day of October, A. D. 1913, then and there to answer a petition filed in said court on the 4th day of August 1913, in a cause numbered 5471 wherein Fannie Beller, joined by her husband, Fred Beller, Dee Ellis, a minor, Biazie Ellis, a minor and Cal Ellis, a minor, suing herein by their legal guardian, Fred Beller, and Jennie Caldwell, joined by her husband M. F. Caldwell, are plaintiffs and the unknown heirs of Moses Gregg, deceased, the unknown heirs of Wm. Y. Lacy, deceased, the unknown heirs of Wm. Lacy, deceased, and the unknown heirs of Charles McH. Ellis, deceased, are defendants the cause of action being alleged as follows: Plaintiffs represent that they are the owners in fee simple and are seized and possessed of the following described tracts or parcels of land to-wit: All that certain tract or parcel of land situated in Houston County, Texas, about 9 miles South from the town of Crockett, a part of the Moses Gregg league and being a part of the Chas. McH. Ellis homestead tract. Beginning at the S W corner of said homestead tract at a Post Oak marked X. Thence East 800 varas to a rock for corner (bearing trees 2 post oaks mkt X.) Thence North 224 varas to stake and rock for corner. Thence West 800 varas to rock for corner (bearing tree a pine mkt X.) Thence South 224 varas to place of beginning and containing 40 acres of land.

Also another tract or parcel of land situated in Houston County, Texas, about 10 miles South from the city of Crockett and being a portion of the Y. W. Lacy 200 acre tract on the Moses Gregg league and being a part of the 100 acre tract sold to J. R. and S. C. Hairston by J. T. and Green Hartt. Beginning at the N W corner of said 100 acre tract. Thence South 455 yards to a stake bearing a Post Oak about 12 in dia marked X and a red oak about 18 in dia. Thence N East 440 yds to stake bearing a black jack 8 in dia X. Thence N 256 yds to Dr. Charles Ellis South line to a stake no bearings. Thence West with said Ellis line 400 yards to place of beginning containing 30 acres of land.

That plaintiffs claim title to said land under and by virtue of the following conveyances, decrees and documents, to-wit:

1. A title from the Mexican Government to Moses Gregg of date the 28th day of May 1835.
2. A deed from J. R. Hairston and wife to W. M. Ellis, of date January 11, 1894 conveying thirty acres of the above land which deed is duly recorded in Volume 15 page 402 of Houston county deed records.
3. A deed of partition between W. M. Ellis, J. C. Ellis and Ida M. Kelley, and her husband T. E. Kelley of date January 15, 1897, under which W. M. Ellis receives 40 acres of the above described land.

Plaintiffs further allege that they claim title to the land above described under and by virtue of the statute of limitation of five years. Also that they claim title to said premises under and by virtue of the statute of limitation of ten years.

Plaintiffs further allege that the fact that there is no deed from Moses Gregg, the original grantee of said land to any one conveying said land, and that there is no deed from all of the heirs of Charles McH. Ellis, deceased, to said land, and that the defendants are setting up and asserting some kind of pretended claim of title to said land, the exact nature of which is unknown to plaintiffs, creates a cloud upon plaintiffs' title thereto.

You are further commanded to serve this citation by publishing the same once in each week for eight successive weeks previous to the return day hereof, in a newspaper published in your county; but if no newspaper is published in said county, then in the nearest county where a newspaper is published.

Herein fall not but have you before said court, on the said first day of the next term thereof, this writ, with your return thereon, showing how you executed the same.

The election held in Houston county Saturday, to determine whether pool halls should be prohibited, resulted in a victory for the prohibition side. Lively Replies to Sharp.

Mr. Editor:

I noticed an article in your last issue from Mr. Stell Sharp. At first I decided to pay no attention to it, but for fear some of the people would not know that it was a misrepresentation I would ask for a little space to correct some of his false insinuations.

First: There is one fact in his statements. He did appear before the court as the record of the court will show.

The court contracted with each of the foremen of each crew, giving them the same price, all except one crew who is furnishing the teams and tools and the county is furnishing the men and feeding the teams and paying \$2.00 per day per team, and the other foremen are furnishing their teams and tools and feeding their own teams and furnishing their own skinnors, and they draw \$4.50 per day. Now does any fair thinking man see how a contractor can give as much for a team as he gets when he has to furnish tools, pay for all breakage and furnish every necessary expense? Every man that is working under my foreman is perfectly willing to work for \$3.50 per day per team.

I want the public to fully understand that I have not hired one hand nor team on the road. That is the foreman's duty and not mine. All that I have to do in regard to the teams is to see that too many are not put on to be used to an advantage.

Now I want the public to know why Mr. Sharp is misrepresenting the court. He cut himself out of a job by his own conduct. He went to the foreman for a job the first day and because the foreman would not give him \$4.50 per day he didn't like it and I was informed that he made some vile threats and tried to get some of his neighbors to join him, but to no avail; again we were informed that he begged the people up and down the roads not to let us get water from their wells.

We were also informed that he tried to smuggle one of his teams on the road through one of his neighbors and his last resort is to write up the court through the county papers.

Now, to Mr. Sharp's suppositions: He supposes that I draw \$8.00 per day, more or less, during the sitting of the board of equalization, \$3.00 per day for my work, and road services \$5. Shame on any man who tries to misrepresent one who tries to do his duty as I have.

Now, I will give the last mule I have if any man can find my name on the pay roll or where I have drawn any money at all out of the road and bridge fund of district No. 3. The law provides how we get our pay.

In regard to building a new jail. Yes, that is our intention and we don't ask the advice of anyone when there is a necessity for anything. We are building a new jail because the old one is decaying and we don't want to be responsible for any one's life.

Hoping this will explain fully to Mr. Sharp and others.

Yours to serve,
S. H. Lively.

Sharp Replies to Lively.

Crockett, Texas, September 5, 1913.

Mr. Editor: Kindly permit me to reply as briefly as possible to some of Mr. Lively's general discourse. Anyone, reading it closely, will see that he jumps over and around all the points I made. I asked him if it were a fact that he drew \$3 a day as Commissioner on the Equalization Board, and during the same time drew \$3 a day for road attendance besides saving \$2 a day by boarding and feeding his horse at the road camp. He evades these questions, which I take as an admission that he was drawing all these per diem sums as charged.

In a general way, he indulges in a lot of flim-flam flummery in answer to specific points. I made the assertion that he as commissioner was approving bills of his road boss for \$4.50 per day for each team for which Commissioner Lively only allowed farmers \$3.50 per day for same work. Again I repeat that he discriminates against the farmers who pay taxes, in favor of a man who does not live here and

who does not pay taxes. All this fuzzle-guzzle about tools is moonshine and he knows it, as I had my own scrapers and tools.

He says every man working under his foreman is willing to work for \$3.50 per day per team. It is not so. He does it because he cannot get more and knows that he is entitled to as much per day per team as Lively's road boss. This discrimination is an outrage and all know it.

Mr. Lively says he will part with his mule if he has received a dollar from Road District No. 3.

Mr. Lively may not appear on the pay roll as receiving money from Road District No. 3, but how much have you received of this same money through other sources? Deny it if you dare.

How about that commission on the steel and iron bridges that have been built? Then, how many days were you drawing \$3 a day on the board of equalization and at the same time drawing \$3 a day on the roads besides the free grub and the free mule feed? And to make a long story short, are you and have you been entitled to draw (legally) one cent from the day your family moved to Walker county and occupied the premises you bought in your own name in that county? Do you not know that your citizenship is where your family is; and has not your family been living at Dodge for more than six months?

Is it not a fact that you bought these places in your own name? Did not you charter a car and load it with all your household effects, live stock, vehicles, implements, etc., and send them to Dodge? Is it not a fact that when you rented your place to B. Singleton in this county, you reserved a room for appearances and that you have not stayed in that room as many as three times since your family moved? Is it not a fact, moreover, that to strengthen your illegal claim to the office of Commissioner you planted a small goober patch?

Is it not a fact, Mr. Lively, that your two sons, Houston and Tyer, one 14 and the other 12 years old, are enrolled on the Walker county school list?

Don't you know you could not enroll these children in Walker county unless your home was in Walker county? Don't that fix the citizenship of your family as being in Walker county?

And does not the citizenship of your family in Walker county fix yours there?

Then, how can you claim to be a citizen and commissioner of Houston county?

Don't you recall, Mr. Lively, that formerly Mr. Kent vacated his office as commissioner because he had removed from one commissioner's precinct to another, in Houston county?

How can you be entitled to hold the office, being a Walker county citizen?

No, Mr. Lively, you are not entitled to one cent; not only this, but the county attorney or some other should enter suit against you and your bondsmen to recover all that has been paid you since you put off your title as a citizen of Houston county.

Nor is that all; is it not a shame and an outrage and a public scandal that a Walker county citizen should be permitted to hold the position of commissioner in Houston county? Bought a place there of some 200 acres more or less. Whose family is there! Whose children have been enrolled there!

And Mr. Lively himself hurries there as soon as the court adjourns and there he abides until the return of the day for the court to meet in regular session.

Now, isn't that a shame, I repeat? No, Mr. Lively, the court of which you are an illegal member ought to rise in the exercise of their sworn duty to protect the interests of the people and put you out.

The people are investigating this matter for themselves. They are wondering why and how it is that, with all these facts as they are, some one has not decided that you have no claim to this position through which you have been drawing illegal hundreds of dollars.

Is it any wonder that the people are talking about mass meetings and petitions with a view of asking the entire court to resign—if in the face of such facts this same court has not the courage and manhood to purge itself of foreign citizens?

Is it any wonder that the people in Walker county are laughing in their sleeves at the humiliating fact

that there is no official or official body in Houston county with judicial capacity and courage to pass on a question of citizenship?

They certainly have cause for indulging in such hilarity and the people of Houston county are blushing with shame.

Somebody will have to answer to the people for all this.
Stell Sharp.
