prepotency of the Galloway blood.

Wheat.

Wheat is one of the few articles that will-sustain life indefinitely; but bread, made from white flour, will not. Why? Because the white flour currently used does not contain used my contrable arts of wheat. Bread made from flour which includes the entire grain, except the outside hill, is'a complete food. If children were raised on this kind of bread, instead of white bread, neither the dentist nor the doctor would be needed to oten, and the bones, brains and muscles of those growing up would be better stuff .- Ex. Liberal Discount on Large Bills.

New York World THRICE-A-WEEK-EDITION.

It stands first among "weekly" papers in size frequency of publication and treshness, variety and reliability of contents. It is practically a daily at the low price of a week-ly; and its vast list of subscribers, extending to every state and territory of the Union and foreign countries, will vouch for the accuracy and fairness of its news columns.

It is splendidly illustrated and among its pecial leatures are a fine humor page, ex-mustive market reports, all the latest fashion for women and a long series of stores by the greatest living American and English
