Steer Show To Be Held Saturday

Chamber Banquet To Feature Jackson

Show Is Part Of Junior Stock Show

Judy Mallett Will Be Master Of Ceremonies

The Muleshoe Chamber of Commerce and Agriculture will have their 25th Annual Chamber Banquet at 7:30 p.m. Thursday, January 30, 1975 in the Muleshoe High School cafeteria.

John D. "Jack" Jackson, around muleshoe with the journal staff

Clifton Boyd Allen was recently named to the President's Honor roll at the Mid-Continent Campus of Texas State Technical Institute, according to Lovell A. Pillow, General Manager of the Amarillo Campus. Membership to the President's Honor roll is attained by maintaining a 4.0 grade average.

Clifton Allen is majoring in Saddle and Tack Making and is the son of Mrs. Rose Allen of Route 2, Muleshoe.

The Friona-Bovina Knights of Columbus will host a trap shoot this Sunday, January 19, from 1:30 p.m. until dark.

The shoot will be held two miles northeast of Bovina.

Mr. and Mrs. Kenneth Henry and Mr. and Mrs. Tommy Black attended the Hereford Chamber of Commerce Banquet Thursday evening, January 9.

The names of Mr. and Mrs. Henry Bass were inadvertently left off the Nursing Home Christmas Greeting Card in the December 22 edition of the Bailey County Journal.

Special recognition for his ability as a corn grower has been given to Ben Roming of Muleshoe by the Producers of Funk's G-Hybrids.

His documented 1974 yield of Cont. on Page 3, col. 3

ground school instructor for American Airlines, Inc., Flight Academy, Greater Southwest Airport in Fort Worth, will be the guest speaker. Jackson has been with the American Airlines as an instructor for 14 years, the last seven at an instructor in the American Airlines Technical Training Group at Tulsa, Oklahoma, for five years.

He came to American Airlines from the Boeing Airplane Company where he was an instructor for over three years. In all his instructor experience totals 23 years, having worked at his profession in the U.S. Air Force and in Civil Service prior to Boeing. He resides in Hurst, Texas with his wife, Donna, and three children.

This year, a guest Master of Ceremonies will be added to the Banquet. Miss Judy Mallett, a former Miss Texas, will be the M. C. and will be the entertainment for the evening as well.

In all, the banquet promises to be an enjoyable evening for all. New officers and directors for the Chamber will be installed at the banquet and the outgoing officers and directors will be honored. Presentation of special awards will be made to persons who have been outstanding in contributing to the community.

Tickets for the banquet will be on sale immediately at the Chamber office. They will also be available from any Chamber Board member or any member of the Board of Blackwater Valley Soil Conservation Service. Tickets are \$7.00 per person and will entitle the holder to a steak dinner along with an entertaining evening.

If you wish to make reservations for tickets, please call the chamber office at 272-4248.

School Board Sets 1975 Election Date

The Muleshoe Independent School District Board of Trustees met in regular session Monday night, January 13.

After hearing the current financial report, the board discussed, reviewed and approved a 1974 Market Value Compilation Survey that was requested by the governor's office.

The Annual School Election will be held Saturday, April 5, 1975, at the High School Cafeteria. Terms of office are expiring for Lewis W. Shafer, Aubrey Heathington and Ernest Ramm.

The Quarterly Energy Conservation Report for the governor's office was reviewed and discussed as was the anti-trust suit instituted by the Attorney General's office of Texas against General Motors, Ford and Chrysler arising out of the claimed conspiratorial elimination of price discounts on government

fleet purchases of cars and trucks. The board checked the number and prices of school buses purchased by the Muleshoe schools since July 1, 1968 that was submitted to the attorney general's office.

The board approved the school calendar for the 1975-76 school year. The enrollment report as of January 10, 1975 was compared with last year. On January 11, 1974 there was a total of 1802 students in schools as compared to 1872 on January 11, 1974 for a total of 70 less students this year.

The board heard a progress report on the roof repairs and the installation of grounded electrical receptacles in all schools which is required by OSHA.

A settlement of \$3,500 was received from Travelers Insurance for repair of the bus that

was in a collision in September of 1973.

The Library Circulation report as of December 20, 1974 showed 10,714 books at senior high; 5,096 at junior high school 7,448 at Mary DeShazo Elementary, and 3,368 at Richland Hills Primary for a total of 26,626.

The board approved the employment of Mrs. Karen A. Williams for the position of special therapist. She is a graduate of Hobart, Oklahoma High School and attended Oklahoma City University and the University of Oklahoma. She received a B.S. degree in Speech Pathology from Texas Tech University in December of 1974.

The board discussed information brought back from the Texas Association of School Administrators Annual Advisory Conference held in Austin January 8-10. David Stovall, Tom Jinks and Neal B. Dillman attended the conference. The following work study sessions were attended: four sessions on school finance studies; Title IX, Civil Rights Act, Implications for School Districts; School Transportation; Indirect Cost Rates; Teacher Certification; Consolidated Application for Federal Funds; The continued Development of Comprehensive Special Program for Exceptional Children. Presentations were made by Governor Dolph Briscoe, Representative Dan Kuback, and Representative R. B. "Mac" McAllister.

The next meeting of the board will be Monday, February 10,

Jaycees Discuss Radio Day

The Muleshoe Jaycees met at noon Monday for their general membership meeting. Calling the meeting to order was Charles Moraw, president. Ray Haisell gave the invocation; Butch Duncan led the Pledge of Allegiance; and Monty Dollar led the Jaycee Creed.

Guests at the meeting included Johnny St. Clair, Kenneth Stice, Leon Watson, Nathan Bennett, and Joe Valdez.

Larry Gordon reported on Radio Day which will be held January 23. It is held each year during Jaycee Week. This year, Jaycee Week will be observed January 19-25 in Muleshoe.

Ken Ferguson reported on the Cont. on Page 3, col. 4

The Bailey County Junior Livestock Show officials have reported that the stock show will be divided this year into two different shows due to the fact that facilities are not large enough to house all of the animals.

The 1975 steer show will be held Saturday, January 18, with judging beginning at 2 P.M. at the school bus barn located at Muleshoe High School. The Barrow and Lamb Shows will be held Friday, February 21, at the same location.

It is anticipated that approximately 55 head of steers and 10 head of heifers and feeder calves will be exhibited at the show.

People in the area will have an opportunity to see many different breeds and crosses of

cattle on exhibition at this time, such as Hereford, Angus, Simmental, Limousine, Maine Anjou, Charolais and other crosses.

The show is open to any bonified Bailey County 4-H or FFA member who is currently enrolled in these programs with an on-going beef project.

All 4-H and FFA members are reminded that animals must be in place by 11 a.m. at which time entry cards and entry fees will be paid or received.

Everyone is encouraged to come out and see these livestock raised by local youths.

If any exhibitor has a question, contact the local county agent's office or the agriculture teachers at Muleshoe High School.

Welding Short Course Begins Jan. 20

A farm welding short course for adult farmers will be held January 20-23 under the sponsorship of the Muleshoe High School Vocational Agriculture Department, according to Neal Dillman, Superintendent, and Bill Bickel, teacher of vocational agriculture.

Joel R. Barton, welding specialist with the Vocational Agriculture Division of the Texas Education Agency and the department of Agricultural Engineering at Texas A&M University, will do the instructing in the course. He is headquartered at Texas A&M University.

Barton is a native of Glasscock County, Texas, and was reared on a West Texas ranch. He attended grade school Texas. He holds a B.S. degree in Animal Science from Texas A&M. After five years as a pilot in the U.S. Air Force, Barton served as an agricultural specialist in Texas state hospitals and special schools. In addition to regular classes, he set up farm shops and gave instruction in farm welding and general farm repair.

Barton joined the Agricultural Education Adult Specialist Program as Arc Welding Specialist in October, 1959. He has attended Hobart's Welding School for instructors in Troy, Ohio, and a special school on hard-facing conducted by industry personnel from Whittier, California.

Many welding short courses in various parts of the state have been taught by Barton and all have met with outstanding success, according to Walter Labay, area supervisor of vocational agriculture, Plainview, Texas. Arrangements for the adult education short course in welding and in other fields are made through Labay's office.

The short course at Muleshoe is scheduled to begin January 20 at 7:30 p.m. in the vocational agriculture building. During the dates the short course is in progress, Barton will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Bill Bickel.

Cotton Market News

The one millionth sample of High Plains cotton was classed on Friday, according to Paul R. Dickson, in charge of the USDA's Cotton Classing Office in Lubbock. "About 5,000 samples a day are coming in," he added.

The USDA's Agricultural Marketing Service reported Lubbock and Brownfield classed 62,000 samples during the week ending Friday, January 10. This brought the season's total to 1,004,000. On this same date last year the total was 2,179,000 Dickson said.

At Lubbock predominant grades this week were 42 and 52. Grade 42 accounted for 31 percent while grade 52 was assigned to 24 percent of the cotton samples. Thirty-eight percent of these samples were reduced one grade because of bark. This is up from 34 per-

cent the previous week.

The predominant staples were 31 and 32. Staple 31 amounted to 35 percent and staple 32 was 24 percent of the sample.

Micronaire readings in the premium range of 3.5 to 4.9 accounted for 13 percent of the samples. This compares to eight percent the week before. Micronaire readings below 3.5 accounted for the other 87 percent.

Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities in the 3.5 to 4.9 micronaire range were: grade 42, staple 31-28.65, staple 32-28.90 cents per pound. For grade 52, staple 31-25.60, staple 32-25.95 cents per pound. Mixed lots of cotton brought 21.00 to 28.65 cents per pound.

Prices paid to farmers for their cottonseed ranged from \$105 to \$145 per ton.

Boxing Results From Weekend Tournament

A Golden Gloves Boxing Tournament was held in Muleshoe Friday and Saturday January 10 and 11. The tournament was held at the Mary DeShazo gym beginning at 8 p.m., each night.

The following is a list of fights and winners on Friday night:

Jamie Ruiz of Hereford defeated Tony Rojas of Muleshoe; Ruben Anguino of Muleshoe defeated Cookie Alvarado of Tullia; George Mendea of Levelland defeated Jerry Alvarado of Tullia; Harvey Rodriguez of Tullia defeated David Ruiz of Hereford;

David Tijerina of Hereford defeated Manuel Alacencia of Lubbock; Albert Ontiveros of Muleshoe defeated Jesse Herrera of Hereford; Israel Reyna of Muleshoe defeated Duane Eby of Olton; Fabian Ruiz of Hereford defeated Abel Zuniza of Levelland; Tommy Merdez of Levelland defeated Michael Martinez.

Also on Friday night, Ruben Reyna of Muleshoe defeated Mike Gordon of Lubbock; Johnny Campos of Muleshoe defeated Henry Martinez of Plainview; Martin Martinez of Plainview defeated Danny Rodriguez of Tullia; Mike Rodriguez of Muleshoe defeated Bobby Mendea of Levelland; Robin Black of Levelland defeated Danny Mata of Tullia; Danny Garcia of Olton

USDA Will Issue New Food Stamp Series In March

The U. S. Department of Agriculture (USDA) will replace the current 50 cent, \$2, and \$5 food stamp series with a \$1, \$5, and \$10 series on March 1.

USDA's Food and Nutrition Service (FNS) said that the larger denominations were prompted by the volume of coupons needed to meet increased food stamp allotments, paper shortages, and increased production and shipping costs.

The new food stamps -- brown (\$1), purple (\$5), and blue-green (\$10) -- use a more sophisticated design to deter counterfeiting. They are incorporated into redesigned, revalued coupon books.

All current coupons not is-

sued by February 28 of this year, will be collected and destroyed. FNS said that food stamp recipients must spend their current food stamps by June 30, 1975 since retailers will not accept any old coupons after that date.

Authorized food stamp stores will use the \$1 coupon for making change instead of the current 50 cent coupon and credit slips of 99 cents or less for change under \$1. FNS advised retailers to redeem the current food coupons as soon as possible; banks will continue to accept them for redemption until August 1, 1975.

Values and colors of the new coupon books follow:

Coupon book value of \$2 will have two \$1 coupons inside book, color of ink on cover will be green. Coupon book value of \$7 will have one \$5, and two \$1 coupons inside book, color of ink on cover will be purple. Coupon book value of \$40 will have two \$10, three \$5, five \$1 coupons inside book, the color of ink on cover will be brown-gold. Coupon value of \$50 will have three \$10, three \$5, and five \$1 coupons inside book, the color of ink on cover will be blue. Coupon book value of \$65, will have four \$10, four \$5, and five \$1 coupons inside book, and the color of ink on the cover will be reddish-brown.

Local Family Left Homeless

Fire left a Bailey County farm family homeless this weekend. The Bill Simpson family fled their home Sunday afternoon moments before the blaze engulfed it.

Bailey County Fire Chief H. E. Raeder reported that two trucks were sent to the home located two miles north on four miles west of Enochs, but the home was engulfed in flames before fire units could arrive.

Left without most of their belongings, the Simpsons took their children, ranging in ages Cont. on Page 3, col. 5

Sunflower Meeting Set Here Thursday

A meeting on the growing of sunflowers will be held in Muleshoe Thursday (today) at 7 p.m. in the council chamber at Muleshoe City Hall. The meeting is being sponsored by the Muleshoe Chamber of Commerce Agriculture Committee.

Due to the interest shown locally in the growing of sun-

flowers as a new crop, the 1975 sunflower program will be presented.

Growers Seed Association of Lubbock will furnish the seed and the Co-op Mill of Lubbock will contract the acreage.

Denver Ford, district sales manager for Growers Seed will be in Muleshoe with a com-

plete program from preparing the seed bed to turning sunflower seed into money. Contracts can be initiated the night of the meeting.

The receiving point in Muleshoe will be the Muleshoe Co-op Gin. Any additional handling information may be obtained from Earl Richards.

JAYCEES RECEIVE AWARDS. Three Muleshoe Jaycees were honored Friday night, January 10, with a Farewell Party at the Muleshoe Country Club. Each Jaycee was presented a plaque for his service to the local chapter. Pictured left to right are

Charles Moraw, Jaycee president who presented the awards; Bob Addison who will be moving to Fort Sumner, N.M.; Bill Russell who is moving to Clovis; and Jim Rankin who will be moving to Dallas.

1974 Appears To Be Safest Year On Texas Highways

AUSTIN--Though final figures won't be available until late March, it appears that 1974 was the safest year on Texas streets and highways in a decade. And if the traffic death rate per 100-million miles is compared with prior years, 1974 was the safest year on record, Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said he be-

lieves the 1974 traffic toll will reach 3,042 when all reports are received. If so, this will be a saving of 650 lives from the record 3,692 lives lost in 1973. The latest comparable death toll was 1964 when 3,006 persons were killed in Texas traffic.

Of the 3,042 deaths, it is estimated that the final rural total will be 1,817, with 1,225

traffic fatalities estimated to have occurred in incorporated cities. Rural deaths decreased about 19.2 per cent from 1973 totals, while those in cities are down approximately 15.1 per cent.

Speir said the death rate per 100-million vehicle miles, which is the nationally accepted criteria of traffic safety effectiveness, is forecast to be

3.9. Last year it was 4.6, with these numbers comparing to 14.6 when the DPS first began tabulating traffic statistics in 1937.

The DPS director said total vehicle traffic accidents during 1974 were down more than six per cent from 1973. The latter year saw 464,226 collisions compared to an estimated 432,100 in 1974.

"In normal times, we might

have expected increases in both accidents and deaths during 1974," Speir said. He noted that both licensed drivers and registered vehicles rose last year--the drivers reaching almost 7.5 million and vehicles about 8.3 million.

The question, then, is what actually happened to cause the dramatic reduction and Speir believes the answer lies in fact-

ors associated with the energy crisis.

"It appears that vehicle miles driven declined from 30.6 billion in 1973 to just over 78 billion in 1974. This reduction in driving, coupled with the reduced speed limit, especially on rural highways, seems to have made most of the difference," Speir said.

But he also attributed credit to improvements in vehicles and highways, beefed-up enforcement, and increased public awareness generated by both governmental and private ef-

orts. On the subject of enforcement the DPS chief pointed out that Highway Patrol troopers last year issued a record 678,664 speeding citations--an increase of 121 per cent from the 306,668 in 1974. Moreover, the 1974 speeding arrests a lone exceeded total Highway Patrol arrests for all violations in 1973.

Total arrests for all violations in 1974 exceeded 950,000.

Speir cautioned that an increasing disregard for the 55 mile speed limit, as evidenced by the arrest figures, may cause deaths to rise once more in 1975. He pointed out that the largest reductions in total fatal accidents during 1974 came early in the year when there was better voluntary compliance with the speed law.

He noted that Department of Public Safety statisticians are conducting an in-depth study of the 1974 traffic accident reports and said this information would be used to "fine tune" enforcement activities in the year ahead.

Savings Bond

Sales of Series E and H United States Savings Bonds amounting to \$4,794 in Bailey county were reported today by County Bond Chairman Mrs. Dean Spraberry. Sales for the eleven-month period totaled \$68,691 for 11% of the 1974 sales goal of \$60,000. Sales in Texas during the month of November amounted to \$17,763,713, while year-to-date sales totaled \$212,780,156 with 90% of the yearly sales goal of \$236.8 million achieved.

Plains Cotton Growers, Inc., January 8 took actions which set the organization on a 1975 course of legislative work aimed at putting producer income protection back into the government cotton program, maintaining agriculture's high priority in the allocation of natural gas and other fuel supplies, and seeking handling techniques that will make "barky" cotton more usable on the open-end spinning system.

Larry Combest, Agricultural Assistant to Senator John Tower, a guest at the meeting, expressed the temper of the board when he said that if Government continues to ask farmers to expand production, the producer must be given some assurance of acceptable prices that is not in the present law "which has become obsolete very quickly."

The only protection available to producers on 1974-crop cotton under current law is a 25.26-cent Commodity Credit Corporation loan, basis middling inch cotton, which is far below 1974 production costs, noted Donald A. Johnson, PCG Executive Vice President.

A much misunderstood 38-cent "target price" in the law will be of no help at all on the 1974 crop, Johnson continued, even though current market prices are well below 38 cents.

The law specifies that producer payments under the target price system will be equal to the difference between 38 cents and the average price received by all farmers for all cotton. That average, because of 1973 crop cotton sold in 1974 prior to the price break, and 1974-crop cotton being delivered on contracts written in 1973 and early 1974, according to USDA calculations, is around 50 cents per pound.

Declaring that the low loan and target price system "have proven totally inadequate in the protection of cotton producers against financial ruin . . ." the PCG board adopted a five-point resolution calling for:

1. A Commodity Credit Corporation loan level realistically related to the inflated cost of production, and a CCC interest rate no greater than six per cent, in order that the loan program can be used effectively by producers as an orderly marketing tool;
2. CCC loan regulations which guarantee producers the opportunity to hold cotton under the loan for a minimum of 28 months;
3. CCC resale prices which under no circumstances will permit government-owned cotton to compete in the marketplace with grower-owned cotton;
4. A target price for cotton high enough to reflect the tremendous increase in production costs since 1973 and a method of computing the average price paid to farmers for cotton which will reflect actual on-the-spot cotton purchases during a given year without the influence of contract purchases reflecting market conditions a year or more removed; and
5. The defeat of any and all proposals which will in any way restrict or depress markets for U.S. cotton either here or abroad.

This resolution will be mailed to all PCG board members with a request that they discuss with farmers in their respective counties and convey to PCG other suggestions which may need to be included in a more specific legislative policy for subsequent board approval.

PCG President Don Marble of South Plains leveled a "gross misadministration" charge at USDA in connection with procedures being used to determine producer eligibility for payments under the law's disaster provisions.

Marble cited, as one of many, an example in which a farmer who inadvertently underplanted his 108-acre grain sorghum allotment by less than 2 acres was being denied over \$4,000 in payments on a 66-acre cotton allotment which was destroyed by hail too late in the season for replanting. He referred to the procedure which resulted in the payment denial as USDA's "mandatory substitution rule."

Marble, Johnson and others met with USDA officials in early December seeking a correction of these inequities, but were unable to report any significant success.

In this connection, the board adopted the following resolution:

"That the Board of Directors of Plains Cotton Growers, Inc. commend its officers and staff for actions taken in an attempt to remedy the obvious injustices that have resulted from arbitrary rulings and procedures in the administration of the law's disaster provisions, and 'Further instructs the officers and staff to continue exploring all practical avenues of relief for 1974 and of preventing similar injustices in connection with the 1975, 1976 and 1977 crops.'"

Methods for handling cotton containing bark in such a manner as to make it acceptable to yarn spinners using the open-end system will be sought in a study now in the planning stages at Texas Tech's Textile Research Center.

Farmers interested in attending the short course should call Bill Bickel or Keith Bray, vocational agriculture teachers. An entry fee of \$5.00 will be charged. Farm Welding Short Course Certificates will be presented to each enrollee who attends all the training sessions.

Barton states that the short course will be adjusted to wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlled by the operation in running a bead and sticking an arc, types of electrodes, preparation of joints, distortion, cutting, hard-surfacing, and pipe welding.

"Short courses in welding as well as in other areas, are now available to farmers throughout the state under a cooperative program between the Texas Education Agency and Texas A&M University," stated Bob Jaska, associate professor, Department of Agricultural Education at Texas A&M University, who coordinates the program for Texas A&M.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people.

PVT. AND MRS STEPHEN RAY MANASCO

Miss Floyd, Manasco Exchange Vows

Miss Connie Sue Floyd became the bride of Private Stephen Ray Manasco, Tuesday, December 31 in the Trinity Baptist Church of Muleshoe at 6:00 p.m. Rev. V. L. Huggins officiated the double ring ceremony. Parents of the couple are Mr. and Mrs. Auston R. Floyd of Muleshoe and Mr. and Mrs. Ray Manasco of Muleshoe.

Altar decorations with an archway of greenery with yellow and white flowers and ribbons. The candelabras of white tapers and greenery were accented with yellow and white ribbons. Presenting the organ selections was Mrs. Wayne Hardage and the soloist was Sylvia Riels. She sang "More" and "The Two of Us."

The bride was escorted to the altar by her father. She wore a floor length gown of white tulle with a lace train cascading from a bow at the waist. She had long lace sleeves with wide lace over satin accented with buttoned cuff. The waist length veil of imported silk illusion was held by a crown of lace. She carried a cascade bouquet of white and yellow carnations with baby's breath with streamers of love knots and tiny bells.

For something old she wore a necklace belonging to her late maternal great grandmother, something new was her wedding attire, something bor-

rowed was the head piece for her veil, something blue was her blue garter and she wore pennies in her shoe in the year of their births.

Cheslea Williams served as maid of honor. Flower girl was Kristy Manasco, sister of the groom. They wore yellow silk crepe floor length empire waist dresses with long fitted sleeves and a high neckline and stand-up collar. The maid of honor carried long stem carnations of yellow and white with ribbon streamers. The flower girl carried a basket of yellow and white love knots.

Benny Floyd, brother of the bride served as bestman, Chad Griswold, nephew of the bride, was ring bearer, Ushers were Howard Manasco, brother of the groom and Gary Herring. Candlelighters were Kevin Manasco, brother of the groom, and Steven Griswold, nephew of the bride.

The reception was held in the Fellowship Hall of the Trinity Baptist Church. The table was decorated with yellow flowers and the table cloth was white net with wide felt border of flowers and sequins. Silver and crystal appointments were used. Mrs. Ronnie Parker, sister of the groom, served the wedding cake which was tiered over a waterfall fountain and trimmed with yellow roses with a bride and groom on top. Carron Floyd cousin of the bride served the

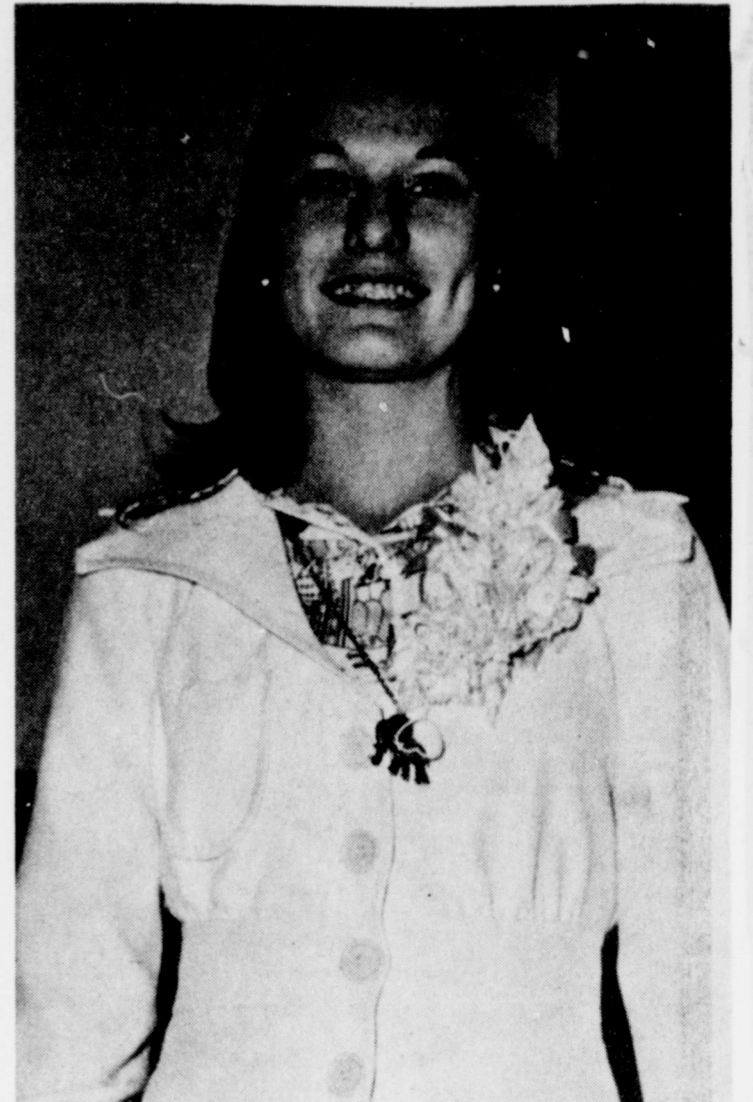

punch. Mrs. Dale Griswold, sister of the bride, registered the guests.

Those in the house party were Mrs. Ance Ashford and Mrs. Lester Baker of Muleshoe. For a wedding trip to New Mexico the bride wore a printed street length dress, with white accessories and a corsage which lifted from her bridal bouquet. Following the wedding trip the couple returned to Muleshoe where the new Mrs. Manasco will continue her Senior year in Muleshoe High. The groom is now serving in the United States Army as a Private at Camp Polk, Louisiana.

The rehearsal dinner was hosted by Mr. and Mrs. Ray Manasco parents of the groom, in the home of Mr. and Mrs. Ronnie Parker on December 30.

Miss Kinnie, Otwell Unite In Marriage

Miss Rebecca Diane Kinnie became the bride of HT3 Jerrell C. Otwell, Sunday, December 22 in the First Baptist Church of Sudan, Rev. V. L. Huggins, pastor of the Trinity Baptist Church officiated the double ring ceremony.

Mr. and Mrs. Maurice Kinnie of Sudan and Mr. and Mrs. Jerrell R. Otwell of Muleshoe are the parents of the couple.

Altar decorations were two baskets of white carnations tied with blue and white bows. A memory candle finished the decorations. The family pews were marked with blue and white bows. Presenting the piano selections was Mrs. Dale Jayhay of Muleshoe, Soloist, Miss Debbie Kerr of Muleshoe sang "Time In A Bottle", "We've Only Just Begun" and "The Wedding Prayer".

The bride was escorted to the altar by her father and given in marriage by her parents. She wore a floor length gown of white organza over satin fashioned with a scoop neckline and bishop sleeves accented with lace. The pearls she wore were given to her by the groom. The shoulder length veil of fingertip illusion edged in lace was attached to a satin bow. She carried a cascade bouquet made up of blue and white carnations accented with streamers tied in love knots and wedding bells.

To keep in the bridal traditions, something borrowed was a white Bible belonging to her sister-in-law, something old was her grandmother's wedding band; something new was her wedding attire; and something blue, she wore a blue garter. She also carried pennies in her shoe minted in the year of

their births.

Mrs. Gwen Schweppe of Carlisle served as matron of honor. She wore a floor length light blue dress with bell sleeves accented with white lace around the scooped neck. She wore a white carnation corsage.

Donnie Kinnie, brother of the bride, served as bestman. The usher was Larry Kinnie, brother of the bride.

The mother of the bride wore a floor length blue double knit dress accented with a scooped neck and bell sleeves edged in silver. The mother of the groom wore a floor length blue brocade double knit princess dress with long sleeves. They both wore a pink corsage.

The reception was held in the Fellowship Hall of the First Baptist Church in Sudan. The

bride's table was decorated with a white lace over blue tablecloth. The centerpiece was the traditional three tiered wedding cake trimmed in blue roses and

The groom's table was decorated with an ecru lace over blue tablecloth. The centerpiece was a double wedding ring cake. Coffee was served from silver coffee service. Miss Debbie Kinnie, sister of the bride, and Miss Vicki Doty served the guests. Mrs. John Kinnie, sister

Mrs. Powell, Mrs. Anderson Honored At Farewell Party

In spite of the cold snowy afternoon, many friends came by the First Methodist Church to bid farewell to two ladies who are moving from Muleshoe. The occasion was a Farewell Reception honoring Mrs. Thelma Powell who will soon be moving to Amarillo to make her home, and Mrs. Jewell Anderson who has just recently moved to Lubbock. The Easter-Doreas Circle and the Fidelity Sunday School Class of the Methodist Church were the hostesses Sunday afternoon from 3 until 4:30. During the receiving hours, the women were presented with a Love offering given by friends in the church and in the community. In making the presentation to Mrs. Anderson, Mrs. Harold Allison recalled the time when the Allison families first moved to Muleshoe and were looking for a church home and that it was Mrs. Anderson who made them feel so welcome into the fellowship of the church and in the life of the community, and she was sure this was the memory of 'Jewell' as she is affectionately known by so many friends. Mrs. Ray Edwards made

the presentation of the Love offering to Mrs. Powell telling her how much she will be missed as a member of the Sunday School Class, in the Wesleyan Guild, in the Mary Martha Circle, in so many ways because she is a person of strength and virtue. She ended with the words from the Mizah Benediction: "May the Lord watch between me and thee while we're apart, one from the other."

Both Mrs. Anderson and Mrs. Powell have been active in the work of the Methodist Church, and the United Methodist Women, and it could be said of them, these words taken from the book, "A New Joy". . . "Happy is the woman who allows God to use her strength for His own good purposes. This woman has gentle power. . . she claims nothing for herself, but gives her life away in service to her family, to her friends, to her community, and to all those whom God has placed "in her basket". For by serving them, she is serving Christ. Like her Master, she is truly meek - not weak - and as He served others with no thought of anything in return,

so does she. Yet, love, respect, an honored place in the world, a feeling of worth and usefulness - everything a woman craves - will be hers. What more could a woman want from this world?

Registering guests was Mrs. Jim Denison from Houston, Mrs. Anderson's daughter. Serving from the tea table, which was centered with a large arrangement of mums and daisies in tones of bronze and gold. Those in the house party were Mrs. Frank Ellis, Mrs. J.E. McVicker, Mrs. C. B. Melton, Mrs. Johnie Prater, Mrs. Ray Edwards, Mrs. Harold Allison, Mrs. Ben Chapman, Mrs. Sam Fox, Mrs. Oscar Allison, Mrs. Neal Dillman, Mrs. J. A. Nickles and Mrs. Matilda Slemmons.

Mrs. Owen Powell has lived in Muleshoe 12 years. Before living here she lived in Amarillo where she worked at White and Kirk. Mrs. Powell worked at Cobb's for 10 years.

Mrs. Powell has two children and five stepchildren. They are Vaughn Edwards of Amarillo, James Biggs of Stanton, Texas, Raymond Powell of Dallas, Goodwin Powell of Lubbock, Helen Rome of McAllen. Billy

Powell of Oklahoma City and Kenneth Powell of Muleshoe. Mrs. Powell has been very active in the Methodist Church. She will be moving to Amarillo, soon.

Mrs. David Anderson moved to Muleshoe in 1926 from Norman, Oklahoma, with her parents, the late Mr. and Mrs. I. W. Haney. She graduated from Muleshoe High School with a class of 11.

On March 7, 1931 Jewell Haney married David Anderson, in

1932 they moved away from Muleshoe. She was active in church and civic organizations. In 1942 she moved back to Muleshoe to live with her parents while her husband served the U. S. Air Force in the Caribbean area. During this time she kept books for the Edward Gin. They had two children, Mrs. Jim Denison, now of Houston and Hal Anderson of Lubbock. Her husband died in 1967.

She is now living in Lubbock.

Question: If an FDIC-insured bank fails, when and how will I get my deposit back?

Answer: If an FDIC-insured bank is closed and liquidated, FDIC will start to pay insured depositors up to the statutory limit within 10 days after the closing.

Question: How good is FDIC insurance?

Answer: Since it's creation in 1933, The FDIC has never failed to honor it's deposit insurance commitment. To date, in all failed banks insured by FDIC, over 99% of all deposits, insured and uninsured combined, have been paid or made available to their owners.

Question: Can I get more than \$40,000 insurance at the same bank?

Answer: Yes, if you hold accounts in different legal ownership capacities. For example, if you are married, you can have an account in your name insured up to \$40,000; your spouse can have an account in his or her name insured up to \$40,000 and you and your spouse can have a joint account insured up to \$40,000. If you hold several accounts in the same ownership capacity, however, the maximum insurance to which you are entitled is \$40,000-- even if the total amount in all of the accounts is more. The new law has not changed the rules -- only the dollar amount in insurance has been changed.

Auxiliary Reviews Last Years Project

Muleshoe Hospital and Nursing Home Auxiliary met January 9 for a regular business meeting. Members of the auxiliary and one guest, Mrs. Kathy Hardage, met in the meeting room of the Auxiliary's Thrift Shop to hear a report from their recent Project Christmas Card. In the absence of the project's chairman, Mrs. Kenneth McGehee, Mrs. Herb Ramage reported that approximately \$2800.00 was raised to be spent on the purchase of a Blood Gas Analyzer machine for the Hospital's Lab. The total cost of the machine is \$4000.00 and the balance of this will be paid out of profits made in the Thrift Shop, which is a Second-Hand store owned and operated by the Auxiliary women and donated to by the people of the community. With the profits made from the vending machines in the hospital, owned and serviced by the auxiliary, and the Thrift Shop profits, another \$5000.00 will be spent on equipment for the hospital such as a croup tent and an EKG Treadmill, new fire proof carpet for the Day Room and the Shampoo Room in the Nursing Home and a new electric hair dryer for the Shampoo Room, which the Auxiliary members operates for the convenience of the hospital patients and the ladies who are residents of the Nursing Home.

"Lifeline", Mr. Munn, "Our responsibility is to justify our existence on this earth" seems to sum it all up. If clubs and church groups would volunteer some of their time to help, not as a member of the auxiliary, but just as a citizen who has the time and wants to make it count for something important. Another quote, "There is at least one useful and highly important task in this world that will not be done unless you do it. . . There is some face upon which there will never appear a smile of joy unless you help put it there. . . There is someone with a breaking heart who will not have the courage to try again unless you offer to help them. . . There is some person who will not get through this day of doubt unless you share with them some of your strength. . . For God has proved no substitute for you."

Mrs. Smith Receives Art Award

Mrs. Jack Smith received word from Betty Wallace of Shreveport Louisiana that she had won second place with a watercolor "A Study in Green" in the "Women of Talent Exhibit" Women in the Ark-La-Tex, (Arkansas, Louisiana, Texas) areas were invited to submit three original works to hang from January 5th, 1975 until January 26, 1975 in the Louisiana State Exhibit Building in Shreveport.

Entries were by invitation only and the exhibit was sponsored by the Cadlo Branch of National League of American Pen Women. Each year members of the league, recommend work of unknown artist, whose work they have seen and they feel is worthy of exhibition, in this once a year event, The Art Gallery, in the State Exhibit Building, have attracted state, national and foreign attention. Paintings are changed eight times a year and frequently include famous collections. New exhibits provide a flow of new attractions and encourage repeated visits of students and other persons who enjoy the arts.

A reception was held in the Gallery on January 12, between the hours of two and four, with awards being presented at this time. However, Mrs. Smith was not able to attend, due to illness.

The Consumer Alert

By John L. Hill Attorney General

AUSTIN---Consumer debt--we've all been reading about it, and most of us have experienced it in some measure. It's a well-publicized fact that many consumers who previously committed themselves and part of their income for time payments on major appliances, cars, revolving charge accounts, perhaps loans, are now facing a money crunch. This is because other bills for essentials such as gasoline, utilities, food, clothing, and housing have skyrocketed in the meantime in a manner which couldn't be foreseen.

Some consumers who have never before had money problems are shocked to realize that their monthly bills eat up all of their paycheck--and then some.

What happens in such a situation, and what can a consumer do about it? The Attorney General's Consumer Protection Division lawyers say many consumers simply do not know how to extricate themselves when they have been caught up in a web of debt.

Some refuse to accept the fact that they must make changes in their way of living. Others panic, not knowing how to deal with the problem, or who to turn to for information and assistance. Still others try to ignore the problem, hoping that in a few months it will correct itself.

But most often, say our Consumer Protection experts, this just doesn't happen. What does happen is that the situation usually gets worse. Sometimes it isn't until letters from creditors begin to arrive, pressing for payment of overdue bills, that the consumer faces the fact that adjustments must be made.

By that time, his overdue debts may have been turned over to a professional debt collection agency by his creditors, who themselves may be caught in a money crunch.

Many debt collection agencies perform a necessary service for creditors, and operate strictly within legal and ethical bounds. A few, however, do not.

The Attorney General's Consumer Protection Division attorneys remind consumers that

debt collectors who use threats, harassment, or unfair means to collect payments are violating the Texas Debt Collection Practice Act.

In the Attorney General's brochure "A Practical Primer for the Texas Consumer," several examples of specific illegal actions are included:

- Threatening to file unwarranted criminal charges against a person.
- Using profane or obscene language to abuse a consumer.
- Making annoying telephone calls to the consumer or his family.
- Trying to collect extra charges not legally chargeable to the consumer.

Others include using a misleading name to contact a consumer; misrepresenting that the agency is some way connected with a federal, state, or local government entity by use of some official-looking insignia; or misrepresenting that a debt is being collected by an attorney if this is not the case.

Our Consumer Protection attorneys also caution consumers trying to overcome a chronic monthly cash shortage against dealing with "debt consolidation firms," often called "debt adjusters." Such firms are illegal in Texas.

Services Held Tuesday For Mrs. Garoutte

Mrs. Shirley Ann Garoutte, 35, died at 12:45 a.m. Monday at her home in Stratford, where a local physician pronounced her dead from smoke inhalation.

The death came after a fire in her home Monday.

Services were held at 2 p.m. Tuesday at the First United Methodist Church in Stratford with Rev. J. Frank Perry, pastor, officiating.

Burial was in Stratford Cemetery under the direction of Morrison Funeral Directors.

She was born November 2, 1939 in Muleshoe. She had lived in Stratford for the past six years, moving there from Muleshoe. She was a member of the First United Methodist Church of Stratford.

Survivors include her husband, Clifford; one daughter, Mrs. Bob Hamlin of Amarillo; one son, Jack Barber of Muleshoe; her mother, Mrs. Evelyn Latham of Muleshoe; two sisters, Mrs. Joy Berry of Lubbock and Mrs. Jan Shue of Amarillo; and one grandson.

Some of the puzzles of life confound us, but we're always able to find someone who knows all the answers.

Some out-of-state "debt consolidation" firms advertise in magazines and by mail, however, and their promises sound appealing to indebted consumers; "Send us a list of your monthly bills and the amount of your income. We'll pay your bills and have enough left for your living expenses!"

What the firms fail to advertise is that the fee for such services may be exorbitant, and that this is usually the first item deducted from your paycheck. Whatever remains is divided between you and your creditors.

For assistance with consumer complaints, contact the Attorney General's Consumer Protection Division, your county or district attorney, or your local Better Business Bureau.
