## GRADY GOODPASTURE BUILDING PLANT THAT IS REALLY NEEDED IN BROWNFIELD

Not Just Visionary, But This Hustling Young Man Could Really See the Need of a Mixed Feed Plant and is Building It.

There are two or three things we have often wondered about. One is why we have to have all our bottled soft drinks brought in from other towns. Another, why in heck the necessity of shipping our grain to Lubbock, Fort Worth, McKinney, Sherman and other towns to have it ground into mixed feed, then shipped back here with a double freight added. Oh yes, of course, it is fine on the railroads, the truckers and the payrolls of those other towns, but how does it help us, except to sell the raw grain.

We Had a Young Man of Vision

In a direct way, it was no skin off our heels. Neither did we have to buy feed. But plenty people in the area did buy mixed and sweet feeds, chicken mash and what have you, and they were paying plenty for it, with a two-way freight bill added. But somebody had to supply the market. Therefore local dealers naturally handled the feed they thought best and offered them the best inducements. We know in reason they had as soon handle home feeds. There was a hustling young business man here by the name of Grady Goodpasture who had been having about the same thoughts as we, and was preparing to put them into execution.

Must Crawl Before You Walk

While not financially able right off the reel to put in what he craved, Grady nevertheless began his preparations. In the first place, he was a grain man. Last year he shipped some 300 cars, truck or rail. A year or two ago, he obtained his site of ten acres down at the west end of Broadway, across the railroad. This year, as he found time, he approached men who had experience, and the best figures he could get were around \$30,000 for a plant and machinery like he wanted. Grady said nothing; never told them that he already had a great part of the machinery. Therefore, instead of closing any deal, he began visiting plants all over Texas, getting ideas from owners, and some of these owners told him how they could improve on their own plants now. He is building nearly a third cheaper than the above figures.

Gets Busy to Handle Present Crop

So, Grady came home, began to assemble material, drew his plans and had the blue printed, assembled men, and started to work. He will not be quite ready when the grain crop begins to move, but he won't lack much. In fact, his building is probably 60 per cent complete and machinery will be ready to install as soon as the building is complete. The huge 50x100 ft. warehouse is practically complete, and they can begin buying grain as soon as they like. The elevator portion is about 50 per cent complete.

In the warehouse section will be offices cut off in which a man will be kept night and day to load grain of finished feed into trucks. The elevator section starts in the rear of the big warehouse, and itself will be some 50 feet above the floor level, and 25 feet below the floor level in concrete bins. This part of the building will be 50x40 feet, and three or four stories high above floor level and one below. In one of the larger concrete rooms underground will be set the big 240 horse power natural gas engine, which will supply power for the plant. All kinds of mixed and sweet feeds will be manufactured for livestock and poultry, and will be branded Vit-A-Feed. His plant has already been approved

by the State Food Department to make these feeds.

Grady will employ several men with year around payroll. The old rock house (DeShazo place) will be enlarged, remodeled and modernized, where some of them can live. Places will be provided for others as fast as possible. In fact a race is on with time now, but Grady is in personal charge of construction and is rushing his business as fast as possible.

Will Double Capacity Next Year

With ten acres, Grady has plenty of room down there, and you might say opening a new addition to the city. The Santa Fe has offered to build a spur track should he need one and we believe he will. But he stated that out of some 300 cars he shipped last year, all but six were handled by trucks. "Next year," stated Goodpasture, "I will double the capacity of the warehouse by building another just west of the present building. In it will be provided a room for truckers who come in late and wish to spend the night, a room with light, gas stoves and other conveniences, where they may rest, or put down their rolls and sleep if they wish to do so."

Gas and water mains, as well as power lines are being built by the city and gas company to the plant as fast as possible. When the plant is ready for operation, the Herald will give you some more information about it, and try to describe the machinery, and what it does. Grady will also put on a big advertising campaign to educate people to the fact that good mixed feeds can be made here the same as any where else on earth, as all use the same process.

## Arthur Tyson Added To School Faculty

Mr. Arthur Tyson of Calvert has been added to the faculty of the Brownfield Independent School District, according to a statement received from Emmitt Smith, superintendent of schools, late Wednesday afternoon. Mr. Tyson will teach English in the sixth and 7th grades and General Mathematics in the high school.

After receiving a Bachelor of Arts degree from Baylor University in 1937, Mr. Tyson did a year of graduate work at Southern Methodist. He majored in Social Science and English. Last year Mr. Tyson taught in the Kerens, Texas school system.

The NYA grant made by the Federal government made room for another teacher on the local school staff. Mr. Bost will instruct in Industrial Arts the entire day and Mr. Amo, who formerly taught seventh grade English and General Mathematics, will teach Physical Training and Journalism.

Mrs. Raymond Fitzgerald also is teaching in the high school, filling in for Mr. James in the science department. Mr. James left last week to continue studies in Texas A&M, but plans to return later in the year. Mrs. Fitzgerald graduated from Abilene Christian College in 1936 and taught one year at Plains High school.

## 'Boom Town' Showing In Brownfield First

T. L. Patterson, chamber of commerce secretary, tipped us off about Monday that possibly the Rialto was the first show house west of Fort Worth to put on "Boom Town." To make sure, we got in touch with Mrs. Ethel Jones, owner of the three Brownfield show places, Rialto, Rio and Ritz. She was not sure about the whole of West Texas, but said she was sure of this area, and thought it would come here just before Littlefield got it, and a week prior to Lubbock and still farther ahead of Lamesa.

So, Mrs. Jones has scooped 'em again, and we can all say with her—"the best and latest is none too good for Brownfield."

## Estimates 431,000 Bales for Plains Area

Lamb county will produce 10,000 more bales than any other of seventeen counties on the South Plains this year according to estimate of K. N. Clapp of Anderson, Clayton, as carried briefly in a story in last week's County Wide News.

J. Sam Lewis, feature writer for the Lubbock-Avalanche, who makes a continuous study of crop conditions on the South Plains, has assembled figures for each of the counties, and totaled them on Mr. Clapp's estimates. He is the second Lubbock expert to place Lamb in first place with 65,000 bales for 1941.

Hockley, according to Clapp, should rank second; Dawson third, Lubbock fourth; Lynn fifth; and Terry sixth.

In Crosby, Garza, Lubbock, and Lynn there will be fewer bales ginned this year than last, Clapp estimates.

Reports tabulated indicate further improvement in crop conditions over the area, with a few small areas that received some hail damage, Clapp's estimates are:

County	Estimate
Bailey	25,000
Briscoe	3,500
Castro	4,000
Cochran	18,000
Crosby	23,000
Dawson	50,000
Floyd	12,000
Gaines	4,000
Garza	7,000
Hale	24,000
Hockley	55,000
Lamb	65,000
Lubbock	49,000
Lynn	45,000
Parmer	6,500
Swisher	3,000
TERRY	37,000
TOTAL	431,000

—Littlefield County Wide News.

## Brownfield Men Visit Lubbock Legion Meet

James F. Black, Homer Winston, C. L. Lincoln, H. S. Black and J. D. Henson visited the Allen Bros. Post American Legion at their regular meeting Monday night. James F. Black and Homer Winston spoke on preparedness.

Refreshments were served, including a truck load of Terry county watermelons carried up by Homer Winston, and presented to his brother Legionnaires.

## Oldsmobile Displays New Six Series

Oldsmobile today launches its 1941 season with a display of six new series—three sixes and three eights—that present the widest variety ever offered in the 43-year history of the company. There is now both a six and an eight-cylinder Oldsmobile in each of the three price fields which the company covered in recent seasons.

Oldsmobile's exclusive Hydraulic Drive, that eliminates clutch, clutch pedal and shifts gears automatically, is again optional, at extra cost, on all models, and, due to enlarged production facilities, promises to be a decisively greater sales factor in 1941. Increased room and comfort, greater engine power, striking new body designs, and scores of detailed improvements all bear witness to the genius for progress that carried Oldsmobile in 1940 to the highest sales marks the company ever reached.

Examination of Oldsmobile's six lines of cars reveals that in the low-priced field, this year, the Special Series replaces the "60" models of former years. Wheelbase of this series has been extended to 119 inches, and horsepower of the six-cylinder model has been upped to an even 100 from the 95 of last year. Wholly new, and bound to attract keen interest in this highly competitive market is the new eight-cylinder Special Series, with 110 horsepower to give it flashing performance.

In the popular-price field, the "70" series of last year has for successor the Dynamic Cruiser Series. The bodies of this line are brand new, and a radical departure from any previous Oldsmobile design. The name Dynamic was chosen to suggest the feeling of fleet motion conveyed by these new cars. The long, arching sweep

## O'Donnell Game Forfeited, to Play Meadow

In a meeting of the Executive Committee of District 5-A, held in the Hilton Hotel Monday night, at Lubbock, O'Donnell, a recent entry into District 5-A, agreed to forfeit the O'Donnell-Brownfield game to Brownfield. This proposition was approved by the committee. The reason for this lay in a conflict between the schedules of both teams.

Local fans will profit from this due to the fact that this game would have been played away from home and in its place a game has been scheduled here tonight at 8:00 between the Meadow High school team and the local "B" squad.

The probable starting line-up from Brownfield will be:

Bill Moore, LE; Harold Dalton, LT; Joe Coy Shepherd, LG; Richard Elliott, C; Ralph Corley, RG; Billy Redford, RT; Calvin Stephenson, RE; Billy Greenfield, QB; Ladell Nelson, HB; Travis Pharr, HB; Spencer Murphy, FB.

Others who will see service are: M. J. Craig, Ewel McCrary, Edgar Self, Walter Burnett, Bobby Jones and Neil Burnett.

## FDR Signs Draft Bill, Calls 16,500,000

Washington, Sep. 19.—President Roosevelt signed the draft act Monday, fixed October 16 as registration day for 16,500,000 young Americans now subject to compulsory military training, and asserted the United States was marshaling its strength to avert the terrible fate of nations whose weakness invited attack.

The new law itself requires that all who on Oct. 16 have attained the twenty-first anniversary of their birth and who have not passed the thirty-sixth year must register. A national drawing by lot will determine the order in which questionnaires will be mailed to the men. On the basis of the questionnaires, local boards will place the men in various classifications—those available for immediate service, those deferred because of dependents, etc.

Mrs. W. S. Brumage will visit her parents, Mr. and Mrs. S. G. Shafer in Dallas next week.

## AGRICULTURE AND "ISMS"

The advocates of alien "isms" work in many fields. And one of those fields, in the opinion of Fred H. Sexauer, president of the Dairyman's League Cooperative Association of New York, is agriculture.

Mr. Sexauer pointed to the radical-inspired strikes which have occurred in the New York milk shed in recent years. Communists, he said "ran the show," and openly boasted of it. And a few non-Communist farmers were taken by clever camouflage.

Matters such as this may seem of small significance—but they are all part of the "fifth column" drive to disrupt and destroy the America that we know. We all must be on our guard. And agriculture, along with the rest of us, must fight in defense of the democratic traditions which are being assailed throughout the world.

of the top from windshield to rear bumper is as eloquent of speed as the fuselage of an interceptor pursuit ship. A 4-door sedan and a club sedan are included in this series, with either six or eight cylinder engines, on a generous wheelbase of 125 inches.

Last year's Custom Eight Cruiser, with the front seat full five feet wide, proved far and away the most popular eight Oldsmobile ever built in its entire history. This year, the Custom Cruisers appear with refinements of detail and finish, and with the option of either eight or six-cylinder engine. The mammoth front seat is, of course, as wide as ever, and widening the tread in the rear has made possible widening the rear seats.

## Brownfield Gets NYA Shop Unit

Through the unified efforts of city, county and local school officials, Brownfield is the proud possessor of a National Youth Administration shop. All boys in Terry County between the ages of 17 and 24 inclusive, who are not in school are eligible for work in the shop unit. The program got under way last Tuesday in the Brownfield high school with Mr. John Bost, industrial arts instructor in the high school, as supervisor.

Two aims of the Federal government in planning a shop here are evident. First, the program will give Terry county boys an opportunity to earn up to \$16 a month in addition to their regular employment. Also, it is of educational value. Young men are offered a chance to learn trades and the use of power tools and other shop machinery.

Brownfield is a direct beneficiary of the NYA project, a payroll of \$8,000.00 coming into the community annually. Boys signing up for work are allowed to arrange their own time schedules. Each boy is allowed to work 80 hours per month and may conveniently make out his own shifts. The shop is open from 8 in the morning until 5 in the evening, including Saturday.

A boy may come into the high school shop eight hours a day for ten days or may work four hours a day for twenty days. Or, better still, for boys having steady employment, they may labor in the shop during their leisure hours at twenty cents per hour. Everything is made to order for the boys who wish to enter into some form of shop work.

Applications should be turned in to Superintendent Emmitt Smith at the Brownfield High School as soon as possible. Time rolls are being made up and shifts arranged. Metal and wood construction work of all types will be carried on throughout the unit. Considerable electric work will also be done. The NYA shop is not being run in competition with any private concern, but will act in the capacity of an apprenticeship for aspiring tradesmen.

All work will be completed for public organizations, but for individuals or individual firms. The high school shop is being renovated and equipped with all modern machinery and power tools. When the shop is finished, it will rank with the foremost work shops in the state. Direct supervision of the project comes from the National Youth Administration office in Lubbock.

## Cooking Demonstration to be Held Here

Announcement of a cooking demonstration to be held in Brownfield, was made yesterday by H. F. Heath, District Manager for West Texas Gas Company.

This demonstration will be held at 2:00 p. m., Thursday, October 3rd in the office of the West Texas Gas Company, and will be conducted by Miss Mary Alice Crosson, Home Service Director for West Texas Gas Company.

Miss Crosson is to discuss the better methods of cooking, by preparing oven and broiler meals. Corrections for baking at this altitude will also be discussed.

All ladies in Brownfield and surrounding territory are invited to come and bring their friends.

## Just a Bit of Rambling Notion Strikes

Both Jack families went down to Coahoma in old Howard to spend the week end, and had a lot of fun, plenty to talk about and a lot to eat. They also have some pretty good crops down there, and watermelons equal to Terry, only not so large watermelon fields.

The crops between here and there are good most of the way in Terry, Lynn and Dawson, but more spotted in Lynn county than elsewhere, particularly in the O'Donnell section, that usually produces a good crop.

Mr. Swain has returned to his home in Chandler after visiting his daughter, Mrs. Retha Lovelace here.

## BROWNFIELD MERCHANTS PREPARE FOR FALL RUSH WITH LARGE STOCK OF GOODS

Business Men Bought Very Heavily This Summer, Believing There Would be an Extra Large Demand for All Kinds of Goods. Re-Orders to be Hard to Fill.

As far back as the latter part of July, it became evident that there was going to be an unusually big crop produced in Terry county, and our merchants and their buyers who visited the wholesale markets bought as they had not bought in years. They not only bought in large quantities, but they bought to suit those who were looking for something moderately priced, as well as for the more particular as to quality.

Summer goods were either sold at slashed prices or stored to make room for a huge fall and winter stock of goods. This is also true of all places of business, many of which are enlarging their quarters or preparing to build larger quarters of their own.

Brownfield has never been classed in the booming class, but it has had a steady growth from the early twenties up to the present, and the growth has not been makeshift or mushroomy, but of a substantial nature. Therefore the business men of all lines have utmost confidence in the future of the town, and are really putting their money as well as faith in the continual growth.

Other large concerns, such as West Texas Cotton Oil Co., Magnolia, Pierce Construction Co., large trucking concerns and others have become sold on Brownfield as a logical location for them, and others, many others are due to follow suit. No wonder then that our merchants can with abiding faith buy as they have never bought before, and this fall and winter they are due to sell as they have never sold before. Anticipating this, they are adding to their sales forces as never before.

## Terry to Have An Exhibit at the Fair

It is of course well known to every one that we would not hold a County fair this year for the reason that a suitable place could not be had, but in view of the fact that Terry County never failed to have an exhibit at the Panhandle South Plains Fair, since it was changed to a district affair and was the only county on the Plains that had such record, R. N. McClain, County Agent and J. E. Shelton decided that our record should not be broken, so for the last several weeks they have been assembling an exhibit and have almost completed it and believe it will compare favorably with any exhibit that will be shown.

Now it is no small task to complete an exhibit of this nature as it is necessary to visit many farms in order to procure choice products and afterwards prepare them for showing and it certainly would be appreciated if citizens who visit the fair would take time to visit our booth as well as other county exhibits and determine for themselves whether we have made a good showing or not.

## Neighbors Fill Sick Man's Silo for Him

Jess Smith stated to a Herald representative this week that 26 of Chock Hamilton's neighbors met at his farm last Monday and Tuesday and cut and put in 111 tons of silage for him. Chock is being treated at Mayo Clinic at Rochester, Minn.

Not to be outdone, the neighbor ladies prepared dinner for the workmen the two days they were at the Hamilton farm. There just ain't any better neighbors in the world than right here in Terry.

## Rotarians Entertain Wives and Faculty

Local Rotarians entertained their wives and the local school faculty at the school gym Tuesday night with a chuck wagon barbecue including that good old Son-of-a-Gun, ranch style beans, potatoes, potato salad, cookies and pop.

A short address by Homer Winston, and introductions of all present featured the entertainment.

## Wednesday, Oct. 2 Tag Day in Brownfield

Buy health in bottles for some undernourished child in your school!

Wednesday, Oct. 2, has been designated by the West Ward Parent-Teacher Association as Tag Day in Brownfield. Every patron and friend of the school will have the opportunity to buy a milk tag from the Room Mothers of the West Ward School.

The money will go into the fund provided each year to buy milk for children who need milk and cannot have it at home.

Wear a tag and be in style! The milk will be kept on ice in half pint bottles to be distributed by a special committee to undernourished children. Any child may buy a cold bottle of milk for mid-morning or noon lunch. The profit from the sale of milk will go back into the Milk Fund.

Mrs. Cordia Mae Cates, Chairman of the Milk Fund.

## October 2, Brownfield Day at P.S.P. Fair

Wednesday, October 2 is Brownfield Day and Children's Day at the 27 annual Panhandle South Plains Fair which will be held this year September 30 to October 5, according to an announcement made this week by C. E. Maedgen, President of the Fair association.

Special band concerts will be given each afternoon on the band stand in front of the Merchant's Building and radio broadcasts of those concerts will be made.

The Goodman Wonder Shows, a thirty-five-car carnival will cover the more-than-a-mile long midway, offering varied entertainment for young and old.

A special delegation from here will visit the Fair in Lubbock, and all those who would join are asked to contact the paper.

## Permian Basin Association Breakfasts

The preliminaries of what is to be a permanent Permian Basin Association for Brownfield, was inaugurated at a breakfast at the Wines Hotel, Wednesday morning at 7:45. Approximately 20 persons attended, with Tom May, as master of ceremonies.

Mr. Wilburn Page, Executive Secretary of the Association, of Midland, addressed the gathering. A committee composed of most of those present was appointed to solicit membership in the organization.

## B. C. Alsop Has 30 Acres Fine Melons

B. C. Alsop, who lives a few miles southeast of the city, was in last week and stated that he had the finest melon patch of about 30 acres he ever saw. He thought then they would not be ripe for two weeks, but we understand he is loading out this week.

Mr. Alsop stated that he had 30 acres of Johnson grass he wished to kill, and got it killed about June. The ground was rich and in fine shape, so he planted it in melons.

## Durward Moorhead Sub. P. O. Clerk

Durward Moorhead, son of Mr. and Mrs. Rudolph Moorhead, is now substitute clerk in the local post office. Durward made second highest grade out of 48 who took the examination.

We understand that one of the Malcolm boys made the highest grade, but as he had a school, he decided to take that and teach.

Mrs. A. W. Turner of Lathams Dry Goods was confined to her home because of illness this week.

Mr. and Mrs. George Lynch and son of Amarillo are guests of Mrs. G. W. Graves. Mr. Lynch is Mrs. Graves' grandson.

Jesse Ferguson and family are entitled to a pass to the—

NATIONAL EDITORIAL ASSOCIATION  
1940 Active Member

"Moike" Hogg, the big millionaire offspring of commoner, James Stephen Hogg, is still a bolter, and bolting seems to have become a habit with him. In fact, if Moike is a Democrat, we are a jackrabbit.

All 35 Texas moonshine stills, count 'em, were found right down in the narrow pineywoods section of East Texas, by the state enforcement boys, this past month. West and Central Texans still have to put up with bottled in bond.

Candidate Willkie was greeted in California by crowds in which many yelled, "we want Roosevelt." That was all ok, as all is fair in love, war and politics. But we think the Californians went too far when they heaved eggs of uncertain vintage at Mr. Willkie. Shame on you "Killifornians."

A fine thing those English flyers in their spitfires did not suspect that that old Buzzard, Goering was flying over London to inspect the damage he had done to private homes. We suspect those Tommies would have gotten a bit reckless in order to bring his plane down in flames.

Hal Collins, representing the Willkieites at the Democratic State Convention at Mineral Wells, took time out to blast the New Deal. Then Sonny Boy Elliott Roosevelt took time out to wrap Hal's body around a few Palo Pinto blackjack trees, figuratively speaking. And he did a whole of a good job putting Collins in his place.

Editor Peter Molyneux in the big business magazine, Texas Weekly, states that the press is with him in supporting Willkie. Then to prove his point, he quotes several papers, two small Texas weeklies and a second rate Texas daily. The rest are northern republican papers, among them being that Standpattiest of Standpatters, the Atchison (Kan.) Globe. Sure, they agree with any kind of Republicanism.

Senator Ashhurst of Arizona who once expressed himself as against a third term for President was challenged in the Senate as to his position now. "I am an advocate of the right of public men to change their minds," he replied. "In this particular instance I have not changed my mind, but I am confronted with such a situation that I must vote for a third term or a third rater, and I prefer to vote for a third term rather than a third rater."

Neighbor Seminole is to have another bank, a thing they have been without since the closing of the First State Bank of Seminole in 1932, the last year of Republican rule. People who had to live through several years in towns without banks following Hoover's bank closing era, tell us that it is the hardest thing imaginable, to do business in a bankless town. Congratulations are in order for our neighboring county seat town.

Old Sharley Armour Guy of the Ambulance-Shurnal, Hubbock, accompanied by the "Little Woman," took time out to visit the nation's capitol to see how friend Willkie was faring. Not so good, he found, among the mine run of the people, but when he visited a "Yot" club, manned by several multi and just plain millionaires over at Baltimore, he found that they were predominately for the Utility Candidate. But Sharley isn't happy, there are not enough voters among the "Yottish" people to put Wendell over.

Most of the daily papers, and a great many of the weeklies have modernized and streamlined and

headlined until they have almost become a crossword puzzle. It keeps one busy winding around two and three column headings, chasing up the rest of the reading matter, that may finally be found on page five, column six and 7-8ths. And every article has to have a big headline, no matter if it is just a smattering account of Bill Smith backing up to a red hot stove, Tom Brown poisoning a sheep-killing dog, or old Dan Tucker being late to his supper. It appears to us like too much trying to kill space, or force some one to read what he doesn't want to read. But that is the modern idea of journalism and newspaper make up, so mote it be.

Two interesectional football games will be held at the Cotton Bowl during this year's State Fair of Texas. University of Texas will meet Oklahoma University October 12, and Southern Methodist will meet Auburn on October 19. Both will be afternoon games.

Mrs. Ruth Lees of Wichita Falls visited her sister, Mrs. Chas. Leonard, a few days this week.

The New Farmers of America, a Negro organization corresponding to the Future Farmers of America, will have an exhibit in the Agriculture Building at the State Fair of Texas, October 5 to 20.

**The Weather, Parity Money, Worms**

Under one headline, we are giving you a brief lowdown on three items that need nothing long winded. As to the weather, it has been right chilly, reminding us that we are going to have to quit Mr. Grigg's ice one of these days, and go to buying Herman Heath's gas. Cloudy over the week end with a half inch of rain. Not needed but accepted in the spirit it was sent.

Aside from the \$41,000 parity money we reported last week, the County Agent reports that around 300 additional checks were received since then, totaling around \$29,000. Other checks expected daily.

As to the leaf worms, they are good, bad and indifferent. Some farmers report heavy infestation. Some report none to amount to anything

**ATTEND TEXAS PUBLIC HEALTH ASSOCIATION**

Dr. W. S. Brumage, Miss Marguerite Cunningham, Walter Breedlove and Jeff Reese, Jr. will attend the Texas Public Health Association in Fort Worth Monday, Tuesday and Wednesday of next week.

**JAVELINA CAUGHT IN TRAFFIC**

Houstonians are still wondering just how a javelina, the only native wildhog in North America, found its way onto the streets of Houston recently. The javelina was dodging in and out of traffic during the morning rush hour when it was finally caught by F. L. Dotson. It was presented to the Houston zoo. Just where the wild hog came from is still a mystery. Most javelinas in Texas are found in the southwest portion of the state, a considerable distance from Houston.

Arthur Tyson of Calvert arrived here Tuesday to teach in the local school.

**Visits the Scenes Of His Childhood**

Mr. and Mrs. J. E. Young and sons, Louell and J. E. Jr. and family of the Union community, spent a week visiting his relatives, sister, Mrs. J. I. Whisenant and family of Buda; an aunt, Mrs. Jessie Smith and son, Joe Smith and family of Austin. Also a nephew and family, M. P. Whisenant and family of Austin.

While in Hayes county, they went to the old home of Mr. Young at Mt. Sharp, and found only the old rock chimney and foundation standing. The old school house was also gone. Took dinner with an old friend, Tom Jennings and family, both getting up in years with only one son at home out of 14 children. Changes everywhere told the story of being away 38 years, some sad ones too.

Leaving Austin, Brownwood was the next stop, where J. H. Osburn, an uncle, and family were visited, then on to Bangs for a visit with an aunt and uncle, Mr. and Mrs. Stephens and Jim Osburn. From there the Young family went to Abilene for a visit with Mrs. Young's niece, Mrs. Ralph Wyndam and Mr. Wyndam. Then on to Post for a short visit with their daughter, Mrs. J. H. Norman and husband.

And say, the best place yet is good old Terry where the best crops grow; the Youngs report.

Mr. and Mrs. Alton Webb, have recently had their home on Lubbock avenue remodeled. They have added another room, had the interior competely redecorated and the exterior stuccoed.

**Notice of Road Bond Election**

THE STATE OF TEXAS }  
COUNTY OF TERRY }

TO THE RESIDENT QUALIFIED ELECTORS OF TERRY COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 11th day of October, 1940, in Terry County, Texas, to determine whether or not bonds shall be issued by said County in the amount of \$290,000.00, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Terry County, Texas, and whether or not ad valorem taxes shall be levied annually on all taxable property in said County for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity, in obedience to an ELECTION ORDER passed by the Commissioners' Court of Terry County, Texas, on the 9th day of September, 1940, and which said order is in words and figures as follows, to-wit:

**Order of Road Bond Election**  
THE STATE OF TEXAS }  
COUNTY OF TERRY }

ON THIS 9th day of September, 1940, the Commissioners' Court of Terry County, Texas, convened in regular session, at the regular meeting place thereof in the Courthouse at Brownfield, Texas, the following members of said Court, to-wit:

R. A. SIMMS, COUNTY JUDGE, presiding; and  
T. D. WARREN, COMMISSIONER, Precinct No. 1;  
GEO. W. HENSON, COMMISSIONER, Precinct No. 2;  
J. F. MALCOLM, COMMISSIONER, Precinct No. 3;  
W. B. MARTIN, COMMISSIONER, Precinct No. 4;

being present and participating, came on to be considered the petition of C. E. Ross and 62 other persons, for an election to be held in said Terry County, Texas, to determine whether or not bonds be issued by said Terry County, Texas, in the amount of \$290,000.00, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Terry County, Texas, and whether or not ad valorem taxes shall be levied upon all taxable property of said Terry County, Texas, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity; and,

IT APPEARING to the said Court that said petition is signed by more than fifty (50) qualified resident property taxpaying voters of said Terry County, Texas; and,

IT FURTHER APPEARING that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Terry County, Texas; IT IS, THEREFORE, CONSIDERED AND ORDERED by the said Court that an election be held in said Terry County, Texas, on the 11th day of October, 1940, which is not less than thirty (30) days from the date of this order, to determine whether or not the bonds of said Terry County, Texas, shall be issued in the amount of TWO HUNDRED AND NINETY THOUSAND DOLLARS (\$290,000.00), in conformity with the Constitution and laws of the State of Texas, for the purpose of the construction, maintenance and op-

eration of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Terry County, Texas. Said bonds to bear interest at a rate not to exceed THREE AND ONE-FOURTH PER CENTUM (3 1/4%) per annum, and to mature serially not to exceed twenty-five (25) years from the date thereof; and whether or not an ad valorem tax shall be levied annually upon the property of said Terry County, Texas, subject to taxation; for the purpose of paying the annual interest on said bonds and to provide a sinking fund for the redemption of said bonds at maturity.

THE SAID ELECTION shall be held under the provisions of the Acts of the Thirty-Ninth Legislature, First Called Session, Chapter 16.

ALL PERSONS who are legally qualified voters of said Terry County, Texas, who are resident property taxpayers of said County and who have duly rendered their property for taxation, shall be entitled to vote at said election.

ALL VOTERS desiring to support the proposition to issue the bonds shall have written or printed upon their ballots, the words: "FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

And, those opposed to the proposition shall have written or printed upon their ballots, the words: "AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

THE COUNTY CLERK of Terry County, Texas, is hereby authorized and directed to cause said notice of election to be published once each week for three consecutive weeks, in some newspaper of general circulation that has been continuously and regularly published for more than one year previous to the date of this order, in Terry County, Texas, and, in addition thereto, by posting notices of such election at four public places in Terry County, Texas, one of which shall be at the courthouse door of said County, for three consecutive weeks prior to said election.

A COPY of this order, signed by the County Judge of Terry County, Texas, and certified to by the County Clerk of said County, shall serve as a proper notice of said election.

The above order having been read, it was moved by Commissioner T. D. Warren and seconded by Commissioner G. W. Henson that the same be passed and adopted. Thereupon, the question being called for, the following members of said Court voted 'Aye': Commissioners Warren, Henson, Malcolm and Martin; and the following voted 'No': None.

PASSED AND APPROVED, this 9th day of September, 1940.

R. A. SIMMS, County Judge, Terry County, Texas.  
T. D. WARREN, Commissioner of Precinct Number 1.  
G. W. HENSON, Commissioner of Precinct Number 2.  
J. F. MALCOLM, Commissioner of Precinct Number 3.  
W. B. MARTIN, Commissioner of Precinct Number 4.

ATTEST:  
H. M. Pyleatt, County Clerk and Ex-Officio Clerk of the Commissioners' Court of Terry County, Texas. (Com. Court Seal)

THE POLLING Places and presiding officers of said election shall be, respectively, as follows:

S. E. Brownfield, VOTING PRECINCT NUMBER 1. County Clerk's Office at Court House. Presiding Judge: Fred Smith.  
N. E. Brownfield, VOTING PRECINCT NUMBER 2. Tax Assessor & Collector office in Court House. Presiding Judge: L. C. Heath.  
N. W. Brownfield, VOTING PRECINCT NUMBER 3. County Judge's office in Court House. Presiding Judge: W. F. Green.

S. W. Brownfield, VOTING PRECINCT NUMBER 4. County Superintendent's office in Court House. Presiding Judge: R. B. Perry.  
Union, VOTING PRECINCT NUMBER 5. Office of Union Gim in Union School District. Presiding Judge: J. A. Drennon.

Meadow, VOTING PRECINCT NUMBER 6, in Meadow High School, Meadow, Texas. Presiding Judge: T. C. Lucas.

Johnson, VOTING PRECINCT NUMBER 7, in Johnson School House in Johnson School District. Presiding Judge: Hardin Joyce.

Tokio, VOTING PRECINCT NUMBER 8, in School House in Tokio School District. Presiding Judge: C. P. Buchanan.

Poole, VOTING PRECINCT NUMBER 9. Poole School House in School District. Presiding Judge: J. M. Trussell.

Wellman, VOTING PRECINCT NUMBER 10. Wellman School House in Wellman, Texas. Presiding Judge: J. R. Garrison.

Gomez, VOTING PRECINCT NUMBER 11. Church of Christ, House of Worship. Presiding Judge: B. O. Black.

The above and foregoing NOTICE OF ROAD BOND ELECTION is issued and given by me, pursuant to authority conferred by the above and foregoing order of the Commissioners' Court of said County, and I hereby certify that the above and foregoing is a full, true and correct copy of the order of said Court, ordering said bond election, and also the Minutes showing the passage thereof.

WITNESS MY HAND AND THE SEAL OF THE COMMISSIONERS' COURT OF TERRY COUNTY, TEXAS, this 9th day of September, 1940.  
H. M. Pyleatt  
County Clerk and Ex-Officio Clerk of the Commissioners' Court of Terry County, Texas. (Seal)

—IN ORDER TO EXPEDITE THE HANDLING OF YOUR GOVERNMENT COTTON LOANS, WE SUGGEST YOU CALL ON US BEFORE YOUR CROP BEGINS TO MOVE. WE HAVE SOME SUGGESTIONS TO MAKE WHICH WILL RESULT IN SAVING OF TIME AND MONEY FOR YOU.

## Deal With People You Know And Who Know You.

### Brownfield State Bank First National Bank.

Mr. and Mrs. Jack Reiver and daughter of El Paso are visiting Mr. and Mrs. James King and Mrs. Reiver's father, L. A. Jett.

Mrs. Queenelle King and Mrs. Jay King are visiting Miss Dorothy Porter in Wichita, Kansas.

Mrs. Fred Robertson of Fort Worth, Mrs. R. E. Parchman of Lorenzo and Mrs. Arthur Lay of Lubbock were recent guests of Mrs. Lee O. Allen.

R. N. McClain and Mon Telford were Plainview visitors, Monday.

Mr. and Mrs. Edward Jackson and baby, who were moving from Pampa to Seminole visited his aunt, Mrs. W. C. Smith and family Sunday.

Mrs. Eldora White was a business visitor in Tahoka, Tuesday.

## The Santa Fe's 80th Birthday

The Santa Fe was born September 17, 1860, in a tiny, one-story brick building in Atchison, Kansas. There thirteen men met to form "The Atchison and Topeka Railroad Company," with Cyrus K. Holliday, founder of Topeka, Kansas, as its first President.

**Beginnings**  
Cyrus Holliday envisioned a great railroad that would supplant the slow and dangerous traffic over the old Santa Fe Trail—a railroad reaching deep into the prairies, piercing the mountains, ever serving and growing with the Southwest.

Those were stern, hard times on the raw frontier. The drought of 1860, the Civil War and the post-war chaos prevented construction until November, 1868, when ground was broken at Topeka. On June 28, 1869, the first Santa Fe train was operated from Topeka to Carbondale. The line was extended to Emporia in August of 1870.

**Westward**  
Settlement quickened along the new right-of-way, as Santa Fe's land and immigration department pushed surveys west of Emporia. The rails reached Newton in July, 1871, and Hutchinson, Great Bend, Larned, Dodge City and the Colorado line in 1872.

**San Diego, Galveston, Chicago**  
After 1876, many branch lines were constructed in Kansas. Settlers poured in. The main line was pro-

jected across New Mexico, Arizona and California. Colonization continued westward into those states and into Texas and Oklahoma. Santa Fe, New Mexico, was reached in 1880; San Diego, California, in 1885; Galveston, Texas, in 1886, and Chicago in 1887. Thousands of tourists followed the early settlers. The Santa Fe became the outlet for the innumerable products of a vast Southwestern area.

**Today**  
Today, with 41,000 employees and 13,414 miles of track, the Santa Fe directly serves Illinois, Iowa, Missouri, Kansas, Oklahoma, Texas, New Mexico, Colorado, Arizona and California.

**The Santa Fe and the Southwest**  
Down through the years the Santa Fe has endeavored to develop Cyrus Holliday's dream—a great pioneer's dream of that swift, sure transportation without which no frontier, no matter how rich, can hope to fulfill its destiny. In that effort we have marched shoulder to shoulder with the people of the Southwest, in good times and bad, in friendship and understanding.

On our 80th birthday, we of the Santa Fe pledge a continuation of the service ideals of its founders.

*E. C. Jones*  
PRESIDENT

THE HOME IS NO PLACE FOR THE WASHING

### S.S. CLASS HAS BARBECUE AGED LADY PASSES

Forty couples of the Methodist church met at the home of Mr. and Mrs. J. M. Telford, Thursday evening of last week, for a steak barbecue. Following the meal Mrs. Roy Herod and Gene Hurt led the group in a "sing-song."

Misses Faye Hogue and Katherine Underwood were Lubbock visitors, Sunday.

Ray Christopher was a business visitor in Amarillo, Saturday.

Miss Queenelle Sawyer, who was among those from Brownfield to attend the premiere showing of The Westerner in For Worth last week, which included the personal appearance of the leading stars, stated to this person that Gary Cooper was sure a handsome man—but as an after thought—he is married.

Tilden C. Brown is having the old homestead house on Broadway worked over, painted, papered, etc. Tilden says homes are easy to rent here, but he believes rents are high enough, and all one has to do to keep them rented is to keep them in a good state of repair. Since work of remodeling has begun on that house, he has had a chance to rent it a number of times.

J. L. Sims flashed another dollar bill in our face last week to pay on subscription. By the way, his son-in-law, Mike Blair is our authority for the statement that it must have rained five or six inches down there Saturday night, as that very sandy country was fairly floating in water Sunday.

The new First State Bank of Seminole is to open in the near future. Seminole has not had a bank since 1932, when so many were closing during the time of Herbert Hoover's Around the Corner Administration.

A certain very fine lady who lives over in the Sligo section of Yoakum, renewed of late, but as we cannot tell her name under penalty of losing her subscription, we have to thank her here and let it go at that.

### REBEKAHS MEET

Mrs. Voyed Howard, President of the Rebekah Assembly of Texas, met with the local lodge last Saturday night. Ten members of the Lubbock Lodge and one member from Plains were visitors.

Following the meeting refreshments were enjoyed at the new Palace Drug store.

There is to be another meeting of the lodge Monday, Sept. 30, at the Odd Fellows Hall at 8:00 p. m. All members are urged to be present.

Mr. and Mrs. C. E. Ross and Mrs. G. H. Holmes were in Dallas and Quitman last week. Mr. Ross attended business in Dallas and the ladies visited relatives in Quitman.

L. R. Pounds has stepped up his Herald to Sept. 1941.

We thank Mrs. Bertha Stahler for her renewal.

## Stop at the DOUBLE DOT IN SNYDER

We invite all our friends in Terry County to call and see us at our place of business in Snyder, on the southeast corner of square, when you are visiting here or passing through.

Bill Rommel and E. C. Carson of the Ross Motor Co. were in Sweetwater Monday to attend a Buick sales meeting.

### CARD OF THANKS

We take this method of expressing our deep gratitude for your thoughtfulness, loving sympathy and tribute of food and flowers during the illness of our wife, mother and grandmother. May God bless each of you.

—Mr. D. A. Ridgway, Mr. and Mrs. B. L. Thompson, Mr. and Mrs. R. B. Ridgway, Mr. and Mrs. Barnes and the grandchildren.

Mrs. Bill Gore left Thursday for Louisiana, where she will join Mr. Gore, who is employed by an oil company and is located near Shreveport.

Mr. and Mrs. W. R. McDuffie transacted business in Lubbock, Saturday afternoon.

### BILL SAVAGE SEEING SIGHTS OF CHICAGO

Read a letter this week from Bill Savage, who is to attend the Chicago Institute of Technology, and teach some classes while working for his masters degree. The letter was addressed to his mother and sister, Mrs. Iva Savage, and daughter of Lubbock.

Bill has been seeing the sights of the parks, zoos, planetarium, big stores and show places while getting ready for the institution to open. Also got to see Candidate Willkie and Chicago's welcome to him.

We are hoping Bill will have an unusually successful school year.

## THE RECORD Facts That Concern You

No. 22 of a series

## ...BUT WHY COURT-MARTIAL THE WHOLE REGIMENT?

There are bound to be one or two bad soldiers in every regiment. But why court-martial the whole regiment?

The same applies to beer retailing. Out of hundreds of thousands of wholesome, law-abiding beer retailers, there is bound to be a small minority who disobey the law or permit anti-social conditions.

To protect your right to drink good beer, the Brewing Industry wants even this small minority of undesirable retailers eliminated entirely. Beer is a refreshing, appetizing beverage — the

beverage of moderation. We want every beer retail establishment to be as wholesome as beer itself.

To that end, we have instituted a "clean-up or close-up" program—now in operation in some states and being extended to others. We'd like to tell you about it in an interesting free booklet.

Write:—United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.

**BEER...a beverage of moderation**

# FEATURE BY FEATURE

# FROM BUMPER TO BUMPER

YOU'LL SAY IT'S

# "FIRST BECAUSE IT'S FINEST!"

MEET the new Chevrolet for '41, and we are confident you'll say, "It's first because it's finest—Again Chevrolet's the leader!"

For this car is the result and the reward of almost ten solid years of Chevrolet leadership in motor car sales... leadership that has brought with it unequalled manufacturing economies and unequalled value-giving powers... leadership that now makes it possible for Chevrolet to offer you a motor car which surpasses all previous levels of luxury in the lowest price field.

This new Chevrolet for '41 is a much bigger car in all ways—with a longer wheelbase and greater over-all length—with longer, larger, wider Fisher Bodies—with exceptionally comfortable interiors giving "3-couple roominess," or ample space for six passengers, in the sedan models.

Your Chevrolet dealer cordially invites you and your family to visit his showroom... invites you to make a thoroughgoing test of the finest motor car Chevrolet has ever built... invites you to eye it, try it, buy it—today!

## School Children to Get Passes to Fair

Officials of the Panhandle So. Plains Fair Association have designated Wednesday, October 2nd as Brownfield Day.

The high school band is invited to give a concert at the band stand on that day. Free passes will be issued from the offices of the Fair Association in the Lubbock City Hall to all members of the band.

Free passes will be given to school children by their school officials in the next few days.

## TO OPEN LADIES READY-TO-WEAR

Mrs. Lee E. Balfanz of Abilene and her sister, Mrs. Laura Copeland of Midland, plan to open a Ladies Ready-to-Wear Shop in the near future in part of the building until recently occupied by the Palace Drug Store. Mrs. Balfanz and two daughters, Misses Ellen Lee and Beverly, have already moved here and Mrs. Copeland expects to join them soon.

The building is to be completely redecorated and remodeled.

## DR. BRUMAGE SPEAKS TO MEADOW CLUB

Dr. Brumage and Miss Cunningham appeared before the Meadow study club Thursday of this week, when Dr. Brumage spoke on Syphilis and showed a talking picture titled "Let's Open Our Eyes." Miss Cunningham also spoke on health topics.

## FOUR SQUARE CHURCH

Service Friday evening, 8:00. Saturday afternoon gospel service at bandstand at 3:15.

Sunday morning, Sunday school at 10:00. Our goal is still 150. We believe we can make it and we want you to come and help us make it. We'd welcome all who are not in Sunday school somewhere, to our friendly little church on the Lubbock highway.

Morning worship at 11 o'clock. Topic, "The Ministry of Angels unto Men." Sunday afternoon an old fashioned prayer meeting at 3:00.

At 7 o'clock, young people's service. The pastor will be speaking to the Crusaders. We invite all young people to this service. Evening worship at 8 o'clock. Everyone welcome.

Pastor, Rev. Carl Wilson

Red Tudor and salesment, Carl Lewis, Lucky Pace and Lefty Kizer, were in Big Spring Tuesday to attend a district Ford sales meeting.

## Look At Your Hat!

Everyone else does. Get your old hat ready for fall. Will make you a new hat at low cost. Your individual style to fit your head. 17 years in Lubbock.

## BAPTIST CHURCH

Rain is nearly always welcome in Terry County, but always affects the crowd at church as people here are afraid of rain when they attend preaching but the congregation was fair last Sunday.

Next Sunday is promotion day in our bible school and the pupils will be promoted to higher grades of work and will receive their lesson helps covering the next three months. Those helps are the best obtainable and are of great assistance to children as well as adults in the study of the bible. Who has ever tried to teach the word of God that has not felt his need of help from any source obtainable. Every one is urged to bring the bible, but to study it before coming and read everything possible on the topic to be considered. If you and your children are not now attending a bible study elsewhere will you not come next Sunday and enroll and receive your helps as we start a new and the last quarterly period of 1940.

The first Sunday in October the new teachers and officers will take charge for the coming year and it is the hope of the church that the church school shall be enlarged in numbers as well as in the character of the work.

The enlarged building we now occupy has made great possibilities for the teaching of the bible and it is not a child's play job but a challenge to the church and the officers and teachers of the school. May we increase our enrollment to 800 and our average attendance

at 400 at least. We welcome you as a helper to make these things possible.

## WCS ORGANIZED

The Women's Society of Christian Service was duly organized at the Methodist church Monday with over fifty women registering as charter members. The register will be open until Oct. 1 and anyone registering between now and then will still be considered a charter member. We greatly appreciate these new members and solicit their presence and especially their prayers in our new work. Come and if you can't be anything but a bench warmer, be a good one.

## DELTA-HAND CLUB MEETS

Mrs. Crawford Burrows was hostess to the Delta Hand club, last Thursday at her home.

Mrs. Will C. Brown scored high and Mrs. Martin Line second high. Each was given a pottery creamer and sugar.

Refreshments of salad, cookies and tea were served.

Among are recent new readers are, L. R. Riney, Wellman; S. A. Rible, Meadow; Earl Cook, city; Hallie Harred, Tokio; Mrs. Bruce Bailey, Rt. 5; W. E. Gore, Eunice, La.; Mrs. Iva Savage, Lubbock.

## CHURCH OF CHRIST SENDS CLOTHING TO TIPTON HOME FOR ORPHANS

Fall and Winter clothing was sent to the Tipton, Okla. Orphans home this week by the Church of Christ for the three children that they dress. The church provides the entire wardrobe of two boys, aged twelve and fourteen and a ten-year-old girl.

## THE WAGES OF SIN

While Game Department wardens have not been able to gather sufficient evidence to prove a case, it is believed a head-lighting deer hunter came to grief recently in East Texas by being shot in the knee by his companion on their illegal hunt. The accident appeared to happen in this manner: Both the hunters were in the same field. The light carried by one failed to operate properly and he sat down to overhaul it. The other hunter, seeing something reflected in his light and believing it to be deer eyes, blasted away. His companion went to the hospital with a knee shattered by buckshot.

## ATTENTION Mr. Cotton Farmer

### COOPERATE AND HELP YOUR CAUSE

At this time when competition is more keen than at any time in history, the large variation in the bale weights of American cotton is one of the handicaps that American cotton suffers on the world market. Bales of excess weight result in broken machinery, broken bands, burst bagging, loss of valuable space in cargo ships and valuable storage space. **YOUR GINNER WILL BE GLAD TO PLAN WITH YOU. MAKE YOUR BALES WEIGH FROM 450 TO 550 POUNDS.**

Your cotton is now going in the government loan and before this cotton is sold there will probably

be heavy penalties for overweight bales. FROM THE UNITED STATES DEPARTMENT OF AGRICULTURE WE LIST THE FOLLOWING REASONS FOR BALE WEIGHT STANDARDIZATION:

The wide variation in weights of American cotton bales has become a serious problem in the cotton industry. Cotton growers, ginners, compressmen, cotton merchants, cotton manufacturers, and transportation agencies would all benefit from a greater degree of standardization of bale weights. They can all cooperate to advantage in an effort to solve this problem.

Although the average weight of the so-called American square bale of cotton is approximately 500 pounds, the bales vary in weight from less than 300 pounds to more than 800 pounds. These extremes in weight create a number of serious problems in the handling and marketing of cotton.

Extra heavy bales are disadvantageous to the cotton industry in that:

1. They place undue stress on gin press equipment which often results in the breakdown of such equipment with accom-

panying loss of time and money to ginners and inconvenience and loss to growers.

2. Such bales are difficult to tie out properly both at the gin and at the compress. They usually go through marketing channels with a ragged and clumsy appearance.

3. They often cause damage to expensive compress machinery.

4. Most of the so-called "air outs" complained of by cotton mills and which develop when the bales are compressed, are found in heavy bales.

5. Such bales slow down compress operations causing loss of time and extra expense in connection with the process of compression.

6. In many cases, they require extra ties to hold them together and broken ties are a more common occurrence in the case of such bales.

7. Bagging does not hold up well on heavy bales. They require the more extensive use of hooks in handling and cause trouble in loading for shipment. Frequently the bale package is damaged in the process.

8. Cotton trade rules provide that bales exceeding certain weights may be rejected. The maximum weight allowed for merchantable bales varies for the different trade organizations from 650 to 700 pounds.

# Announcing the big NEW FORD 1941 FORD

In some years, some cars take a big jump ahead. *The Ford does that for 1941.*

It has jumped ahead in size. It's the *biggest Ford* we've ever built, *inside and out. It's wider.* It has a *longer wheelbase.* Its seating room is *wider* by as much as 7 inches. It has *new wide doors and semi-concealed running boards.*

You'll notice also a new beauty, achieved by a skilful blending of mass with *longer flowing lines. Larger wind-shield and windows* give better vision all around.

One of its biggest advantages is the *new soft ride.*

New, slower-action springs give a slow, gentle, gliding movement. A *newly designed stabilizer* helps absorb road shocks, and maintains balance on sharp curves and in cross winds.

*More rapid acceleration* to match its familiar speed and power makes this new Ford an even livelier car to drive.

These are only a few of this new car's outstanding features. It represents all the rich experience gained in building more than 28 million motor cars.

Any Ford dealer can give you many good reasons for making this your 1941 car.

Get the Facts and You'll Get a Ford!

## PLAINS—

Mr. and Mrs. J. H. Morris and Mr. and Mrs. Kit Morris were visiting relatives in Plainview, Saturday night and Sunday.

Mrs. Clyde Perry and children visited in Brownfield, Saturday night.

Mrs. J. M. Harris is visiting in the home of Mr. and Mrs. Bill Harris Powell this week.

We are sorry to report W. S. Pruitt is very ill again this week.

James Allbright of Oklahoma is here visiting his sisters, Mrs. Warner Hayhurst and Mrs. Les Covington.

Mr. and Mrs. Hayes are sporting a new Packard.

The Methodist revival is in progress. Rev. Hanks is doing the preaching. Everyone is invited to attend.

Clarence Dikes of Artesia, N. M. is here visiting his sister, Mrs. William Anderson.

## LAHEY

The precautions that have been taken against the worms on the cotton may not be of much value if the rains continue to come, as we have received the last few days.

Those visiting in the Tiger home Sunday were: Winona Thomason, Gladys Webb, Pauline Thomason, and Edna, Annie Low and L. T. Redding.

Prebble Thomason visited with Christine Thomason, Sunday.

Robbie Cravens was the guest of Juanita Green, Sat. night.

Some of Jim Webb's relatives were visiting them over the week end, but their names were not learned.

Mrs. Cravens is in Mineral Wells.

## TO ATTEND SISTER'S WEDDING

Mrs. Bob Patterson will attend the wedding of her sister, Miss Edna Coonauger and Mr. Jim St. Clair in Idalou Friday evening. Both parties are known here as Miss Coonauger has frequently visited Mrs. Patterson and Mr. St. Clair is a former employee of Collins Dry Goods. The couple will make their home in Levelland.

Mrs. C. A. Copeland of Meadow was a Brownfield visitor, Tues.

taking treatment. She is doing all right.

The Busy Bee club will meet with Mrs. Briscoe, Thursday. Everyone is urged to attend.

Wanda Pearl Thomason visited Maxine Thomas, Sunday.

Mr. and Mrs. Shoryl Thomason visited in the Jimmie Thomason home Sunday.

## Tilden C. Brown Celebrates 64th Birthday

At the home of his mother, Mrs. J. O. Brown, Tuesday at high noon covers were laid for twelve. The birthday cake with its pink candles and white rose decorations, and lettering, "Happy Birthday" added grace to the lovely table.

Personnel were the kindly editor, A. J. Stricklin, Mr. and Mrs. Tilden C. Brown, Mr. and Mrs. James Brown, granddaughter, little Joan Brown of Post; Mrs. F. E. Moses, sister, Houston; Mr. J. D. Davis, Gomez; Mr. and Mrs. S. D. Mitchell, Meadow, aunt and uncle; Mrs. H. Shugart, Miss Hazel Beard, Mrs. J. O. Brown, city.

The fine birthday cake was baked by his sister, Mrs. Moses, and there was quite a bit of excitement in trying to get the penny, thimble, nickel, etc.

In This Corner

We told you five months ago to watch this column for a wedding announcement from the West Texas Gas Company's office, so here 'tis—Miss Ona Faye Tittle, after five months with the West Texas Gas Co., is to wed Aggie Thornton of Crane, in the very near future. Every girl that has worked in this office has gotten married in a few months. There has been a landslide rush for the job from the girls of Brownfield as well as other points, and why shouldn't there be, they all find excellent husbands and it's a sure thing to get married. Miss Oletha Luker will be the new bookkeeper and if tradition runs true, the next from that office. So, we say again, watch this corner, for the time they work gets shorter. It may be real soon. Herman Heath should collect a bonus from each girl.

Called in Monday to see the little six-weeks-old adopted son of Mr. and Mrs. T. J. Lamar. He was a perfect little darling, all cuddled and asleep in his bassinett—are they proud of him? You should see the proud foster father when he shows him to visitors, the mother was out when we called. When you see him you will be ready for a trip to an orphanage if you have a childless home.

Had the pleasure of bathing in the Salton Sea in Southern Calif., while on my vacation. The water was more than luke warm and just perfect for swimming when you get beyond the breakers, or so swimmers say that were more brave than we, being raised in this dry climate. The water is said to be ten times saltier than the ocean and we believed it after catching a mouth full. It is also said a person won't sink. It is worth a stop-over in Indio, to go out and dip but you will have to wait until after sunset as it gets quite warm, was some 120 in the shade one day while we were there the guest of a brother and sister, but all or most all homes are air-conditioned and you don't notice the heat. Indio as well as the Salton Sea town, is the home of the most delicious dates one ever ate, and we believe the only place in California where they mature. They have every variety and there are some of the loveliest homes out in these orchards that you would never suspect being there from the highway, in fact, it is winter haven for millionaires and they say thing really come to life beginning middle of September.

Met the loveliest middle-aged lady on the return trip home, and as her sister in Los Angeles had packed her a box of "goodies" she would have us taste some. Her ice box cookies were so delicious we begged the recipe so as to pass it on to our readers:

Place in a pan, 1 cup sugar.  
1 cup of water.  
1 cup seeded dates.  
Cook until quite thick (about 20 or 30 minutes), set aside to cool. The above is the filling.

2 cups brown sugar.  
1 cup Crisco or other shortening, cream these ingredients, add to this three well-beaten eggs, then sift together 1/4 teaspoon of salt and 1/4 teaspoon of soda and four cups of flour, work this in the Crisco and sugar mixture and put in the ice box to chill. When you are ready to cook them, roll real thin and spread with the filler and fold over and cut and bake in a hot oven until crisp.

We have eaten so many new and novel dishes on our rounds this summer that we may pester you to try them but right now before the peach season is over you must try this peach cobbler—

Melt half cup of butter, half cup sugar in pan and place your peaches on this, and over this pour a batter made of 1 cup sweet milk, 1 cup sugar, 1 cup flour, and two level teaspoons of baking powder. Bake real slow until done.

We are told there has been a new law passed in California—that customers are not allowed to handle the vegetables—this sure would work a hardship on some housewives that just have to pinch fruits and vegetables, whether they want to buy or not.

RECENT BRIDE HONORED

Mmes. J. H. Griffin, Frank Weir, John King and Miss Wanda Graham honored Mrs. Clyde Dallas, recent bride, with a gift shower, Wednesday afternoon at the Griffin home. Fall flowers were attractively arranged throughout the entertaining suite and a large crystal bowl filled with snapdragons and corn flowers on a reflector formed the centerpiece for the lace-covered table.

Mrs. Frank Weir presided at the register.

Refreshments of cookies and punch were served by the hostesses.

LUBBOCK SUPT. TO SPEAK TO P.-T. A.

Dr. M. B. Irwin, Superintendent of the Lubbock Public Schools, will speak to a joint meeting of the two Parent-Teacher organizations of Brownfield on Thursday, Oct. 3, at 4:00 p. m. in the high school auditorium. His discussion will be centered around Parent-Teacher relationship.

Dr. Irwin is an arresting speaker and draws his remarks from a broad experience, all members of the Parent-Teacher organizations, patrons and friends are urged to hear Dr. Irwin's discussion of this important subject.

KOLONIAL KLUB MEETS WITH MRS. WINGERD

Mrs. L. M. Wingerd entertained the Kolonial Kard Klub, Friday afternoon of last week at her home. Mrs. Telford scored high for members and Mrs. Lane for guests.

At the close of the game, refreshments were served to Mmes. Lane, R. Christopher, E. C. Davis, R. N. McClain, J. M. Telford, H. F. Heath, A. A. Sawyer, Money Price, T. L. Treadaway, I. M. Bailey, L. Nicholson and Bruce Zorns.

MUSIC CLUBS TO MEET HERE SAT. SEPT. 28

A meeting of the Lamesa, Seagraves, Plains and Brownfield Music clubs will be held Saturday, Sept. 28 at the home of Mrs. A. J. Stricklin.

Hostesses for the affair will be Mrs. J. M. Welborn, Joe Price, Robert Noble, C. T. Edwards, Bob Brown and Mrs. Stricklin.

JOHNSON H. D. CLUB

The Johnson Home Demonstration club met on Tuesday afternoon, Sept. 17th in the home of Mrs. L. S. Salsler, with the president, Mrs. Hardin Joyce presiding.

After a business session, Mrs. R. D. Jones demonstrated dried corn and okra. Refreshments of hot chocolate and cookies were served to 13 members.

The next meeting will be Tuesday, October 1st at the home of Mrs. Alvis Patton.

All the ladies of the community are urged to come and join our club.

MRS. McDUFFIE ENTERTAINS LAS AMIGAS CLUB

Mrs. W. R. McDuffie entertained Friday afternoon at her home, when those present were members of the Las Amigas club and several additional guests.

Mrs. James H. Dallas scored high and Mrs. Hartwell second high. Traveling prize went to Mrs. Troy Noel.

Refreshments of stuffed tomatoes, potato chips, whipped cream cake and iced tea were served to Mmes. Spencer Kendrick, Wilson Collins, Earl Anthony, Hoard, J. M. Welborn, Jack Bailey, Guthrie Allen, Jack Stricklin Jr., W. S. Brumage, Troy Noel, Lee O. Allen, Orb Stice, J. H. Dallas, J. J. McGowan and J. M. Moxley.

Mr. and Mrs. C. T. Edwards were in Amarillo on business, Thursday of last week.

E. L. Williford visited his cousin, Mon Telford last week. He was en route to Roswell. Mr. Williford is deputy sheriff of Hardin county.

John Black

Is entitled to see "Argentine Nights"

At RIALTO, Fri.-Sat. (pass good for one only)

RED CROSS TO MEET

Mrs. Ruth Moore announces that there will be a meeting of the Red Cross at the Presbyterian church, Saturday at 4 o'clock. Anyone who would be interested in knitting a sweater, please contact Mrs. Moore at the court house. The Brownfield chapter is being urged to make more garments.

MISS ADAMS SECRETARY BOARD OF PUBLICATIONS

WACO, Sept. 21.—Miss Mildred Adams, Baylor University student of journalism from Brownfield, was chosen Thursday as secretary to the Board of Publications.

Miss Adams, a senior, is a member of the Press Club, Beta Sigma Chi, and Sigma Tau Delta. She was editor of the Summer Lariat and is now managing editor of the Daily Lariat.

She was a graduate in 1937 of Brownfield High school and later attended Mary Hardin-Baylor and Texas Tech. She is the daughter of Mr. and Mrs. W. M. Adams of Brownfield.

MRS. MOORE HONORED

Mrs. Charlie Moore was named honoree when the Federated study club of Gomez entertained with a birthday party for her Sept. 19 at the home of Mrs. Denver Kelly.

A salad plate and iced tea were served to the ten guests. Mrs. Moore received a shower of lovely gifts.

GOMEZ 4-H CLUB

Our Home Demonstration agent, Miss Holloway, met with the girls at the Gomez school, Sept. 17, at 9:30 for the purpose of organizing a 4-H club. There were 39 girls present, also their sponsor, Mrs. R. C. Young.

The following officers were elected. Wilma Waters, pres.; Billie Jean Swain, vice pres.; Velda Page, Secretary; Joanna Furr, scrap book editor; Imogene Brown and Lilwanda Key, song leaders; Maxine King, Joanna Furr and Dixie Jean Redford as pianists. The club will meet twice each month on the first and third Tuesday morning from 9:30 until 11 o'clock. The teachers have made arrangements for the pupils to attend these meetings without interference with their school work.

JUNIOR MAIDS & MATRONS

Junior Maids and Matrons club met Tuesday afternoon Sept. 24 in the home of Mrs. Homer Newman.

Minutes were read and approved and the regular business discussions held. The finance committee reported that a rummage sale would be held in October to raise money for the club project. The project has not been definitely decided, however, several things are being discussed.

A Parliamentary Program was given. Mrs. Virgil Crawford gave an interesting discussion on Parliamentary Usage, which will prove very helpful in carrying out our programs of this year. Irene Adams gave a discussion on some of the things the Junior Clubs can do.

A delicious refreshment plate of coco cola, coconut macaroons and chocolate cookies was served to the 18 members present, by the hostess.

The next meeting, October 8, will be in the home of Mrs. Tom May with Mrs. Bruce Zorns as hostess.—Club Reporter.

JOHNSON P.-T.A. CONTEST

The fight is on! The Johnson P.-T.A. is offering a cash prize of \$1 to the room that secures the most membership for the P.-T.A., and believe it or not, the children are really working. It is undetermined just now whose room will win the dollar. So, parents, if you would like for your child's room to win this contest, just send us your membership dues and tell us how you would like for your vote to go. You are entitled to a vote for each room you have a child in.

Much interest is being shown in P.-T.A. work in this community this year, and we feel sure that much good will be accomplished for the school. Our association has grown from 12 members year before last to 43 members last year, and it begins to look like our roll will be still larger this year. Every parent and patron is invited to join with us and take active part in the activities and entertainments of our association.—Mrs. L. S. Salsler, Pres. Johnson P.-T. A.

BUSINESS AND PROFESSIONAL WOMEN'S CLUB

The Business and Professional Women's Club held their regular dinner meeting at Cocanougher's Cafe Tuesday night, Sept. 24. Minutes were read and approved of the previous meeting and regular business discussions held.

Guest speaker of the club was Miss Vaneta Cross, District Director of Plainview and Mary Watson Jones, member of the Plainview club was guest.

Miss Cross discussed program theme for the coming year. The program theme for the coming year is "Making Democracy Work" and there are some very interesting discussions to be had. District Conference is to be held in Vernon, Texas on Oct. 12 and 13, and a number from the Brownfield club plan to attend.

Our club is very fortunate to have the District Educational Director, Mrs. Roy Wingerd as a member of our club.

President, Margaret Travis, asked that all club members pay their dues before October 1, as a 25c penalty will be attached on unpaid dues at that time.

Other guests of the club were Miss Maudie Jo Fields, who played a piano solo, Miss Margetta Holloway and Mrs. Ruth Moore.

There were 9 members present. The next meeting will be Oct. 8, in the home of Margaret Travis.

—Lola Lowrimore, Reporter.

CHURCH OF CHRIST LADIES MEET

Ladies of the Church of Christ met the second Friday in Sept. at the home of Mrs. Ona Rambo, and quilted two quilts, one of them a friendship quilt, which was presented to Mrs. James F. Black. There were twenty present. Mrs. Rambo served refreshments of cookies and punch to the group.

The ladies will meet the second Friday in October with Mrs. Arthur Green.

The ladies of the church of Christ met each Tuesday afternoon at 3:30 o'clock at the church for a Bible study. Next week's lesson will be the fifth chapter of First Peter. All ladies of the church are urged to be present.

# "BOOM TOWN" FLASHES ONTO RIALTO SCREEN!

## GABLE AND TRACY IN FIST BATTLES

Gable started asking to make an oil picture three years ago. At the age of eighteen he was a tool-dresser in Oklahoma oil fields, and his father, William Gable, has been an oil man most of his life. Gable and Tracy do their first fist fight as opponents (they fought with boxing gloves in "San Francisco.") They fight in a swanky New York office. During a close-up in the first staging of the fight, Gable sustained a cut lip that postponed the remainder of the action for a week. Tracy does the load of fighting in the remainder of the picture. He and Gable fight 3 mugs, Tracy knocking out two of them. Later Tracy knocks down

two more and hits Gable during the fist fight, but the scrap is stopped. Five fights for Tracy in one picture. Marion Martin, called Broadway's most beautiful girl when she was with Ziegfeld and George White a few years back, is principal in the girl fight. She'd never scrapped before and Director Jack Conway decided pre-instructions would hamper naturalness. So wildly did she and Carlotta Monte slap, scratch and hair-pull that they didn't hear Conway's "Cut!" He raced in to separate them and became the only casualty when he was bit in the mouth.

Mr. and Mrs. L. H. Perkins spent the week end in Rotan and Snyder with relatives.

Mrs. J. M. Elmore and granddaughter Norma Jo, returned to their home in Perryton, Thursday, after visiting in the home of their daughter and aunt, Mrs. Ray Christopher. Miss Tommy Smith, cousin of Mrs. Christopher of Dallas, was also a recent guest in the Christopher home.

Mrs. M. G. Tarpley visited her mother and brother in Fort Worth last week. She returned by the way of Abilene and visited her sons, Chad and Boy. Mr. Tarpley and children, Grace Lenore, Larry and Mrs. J. B. Huckabee joined her in Abilene for the week end.

Mr. and Mrs. H. L. Stewart of Tahoka spent the week end here.

Mr. and Mrs. Crede Gore had as their guests Sunday, Mrs. Geo. Gafford and daughter, Joyce and Mr. and Mrs. Chesley Lasley, all of Hobbs.

## FIFTY BUILDINGS RAILROAD YARD AND DOZEN OIL WELLS IN STUDIO-MADE 1919 BOOM TOWN

CELEBRATING A WEDDING ANNIVERSARY . . . Spencer Tracy and Frank Morgan congratulate Claudette Colbert on her first year of marital happiness with Clark Gable in this scene from "Boom Town," star-studded adventure drama, opening Sunday on the Rialto screen. Also starred in the fast-action story is Hedy Lamarr, shown with Gable in inset at right.

"Boom Town" went into production on March 21st and was ten weeks in the making. The estimated cost of production is one million dollars. The picture required twenty-seven location sites, including various Southern California oil producing and refining spots as far away as Bakersfield. The story entails five fist fights in which Gable and Tracy indulge, a scrap between two girls (Marion Martin and Carlotta Monte), Gable riding a bucking mule, a head-first dive by Gable and Tracy into a sea of mud, a fight to blast out a blazing oil well with "nitro," a well that comes in a sat water geyser, an oil gusher booming in, a comic "underwear" scene with Gable and Tracy, and a hold-up scene in which a load of equipment hauled by sixteen mules is hi-jacked.

**HEDY LAMARR HAS FIRST SIREN ROLE**

The picture is Hedy Lamarr's first as a siren. Always before as a heroine, now she is a husband-stealer. Her role is shortest of any played by the stars, but every scene is a good one. She took the part to prove versatility and acting progress. She snipped four inches off that famous hair style to play the role. Incidentally, Claudette Colbert celebrates her tenth year of using bangs. She started vogue for bangs among stars, has never used anything else. In 1939, Miss Colbert signed for two M-G-M pictures. First was "It's a Wonderful World," with James Stewart. Studio promised second picture would be with either Gable or Tracy. She's with both in "Boom Town." It was a problem to locate the automobiles used in the picture. The period when they were used was 1919 and 1920. Of course, the cars had to antedate that year in models. The studio combed Southern California and by renting and purchase obtained sixty cars. The studio also had to locate samples of the license plates for 1919-20-21.

# The Stars are out-ALL FIVE!

All plus-powered with the new FIREBALL ENGINE

All party-dressed in 1941's SMARTEST STYLE

This is the cyclonic CENTURY

Here's the sprightly SPECIAL

IT'S probably no news to you, since we simply couldn't keep those strapping big new Buicks off the street.

But it's official now: the bright and glittering stars of the 1941 season are out—so at any Buick showroom you can see the best automobiles Buick ever built.

You'll see a massive grille, a trim speed-stream radiator ornament—and behind them not one but five series of cars that are gorgeously new from dread-naught bumper to direction-signaling taillight.

You'll spot a SPECIAL that not only looks like but definitely is the biggest package the money has ever bought.

You'll size-up a 125-horsepower

SUPER that's still the shiningest style-star of the season, for all the efforts to duplicate its beauty.

You'll lay eyes on a CENTURY broader, longer, bigger in every way, with an additional twenty-four horsepower under its thrusting hood—and a ROADMASTER that's its rival in action and the very picture of super-streamlined grace.

an additional twenty-four horsepower under its thrusting hood—and a ROADMASTER that's its rival in action and the very picture of super-streamlined grace.

...and the sleek-lined SUPER

You'll see a Buick LIMITED that is close to twenty feet of sheer spacious luxury—top-of-the-line in finish, richness and meticulous appointment.

All this your wonder-wide eyes will tell you, then your ears begin to take things in.

You'll learn here's lower-sprung weight—a better, steadier, softer ride.

Here are sensational new micro-poise-balanced engines—FIREBALL Eights that get extra lift and power-wallop from still further progress in Buick's exclusive Dynaflex combustion principle—here's a brand-new Compound Carburetion that combines the lift of an extra engine with economy stepped up a full 10% to 15%!

Here are rugged new frames and new Flash-Way signals. New quiet-easy Concentric Shifting and new Permi-firm steering. New lovely body lines and new inside roominess. New instrument panels, new oil-bath air cleaners, new concealed running boards—even new clocks.

Yes, here are new things galore, modern new features by the dozen—but one thing is old, and hasn't changed a bit.

That's the plain rockbottom fact that when you see Buick you've seen the best of the bunch.

Make it the first one you see for '41, and save yourself a lot of fruitless looking around.

## "Best Buick Yet"

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

### Let's Swap

Eee Eye Hill of the Tahoka News says he's going to cut loose some of these days and write up some of the prominent personages of the South Plains. While we are quite modest, Eee Eye, we might give you an interview and furnish you a mat.—Terry County Herald.

Get your mat ready, Jack; we don't need an interview. We know a lot about you already. As to the mat, we suggest that you use that picture you had made five or six years ago when you were still a very young man. Of course a later photo might look a bit more natural, but we hate to mess up—we mean we want our front page to look as good as possible. And by the way, how about a swap? Why not at the same time ornament your front page with a recent picture of us, together with a modest write-up—just a column or two—of the distinguished editor of The Lynn County News? We believe your readers would really enjoy it, touched up with the embellishments which you alone know how to devise. Whatcha say?—Lynn County News.

And this is a view of Mr. Hill when the subscriber says take my name off your list.

This is a view of Eee Eye when a delinquent subscriber pays up.

OK, Editor Hill, and as we are already pretty well fixed up on illustration matter, we proceed with our part of the bargain. Eee Eye Hill, subject of this sketch, was born way back somewhere in the latter third of the past century, and was old enough to holler hurrah! for Clark or hurrah! for Hoag as the case may be. To our mind's eye, he spent most of his childhood near the banks of Little River, not far from its confluence with San Gabriel. So, most of his youth was taken up on creeks and rivers drinking branch water, and ever since has though it was nearer man's natural drink than licker. Being near so much water, he also early in life became a deepwater Baptist, and started arguing.

His yen for discussion, oral or written, lead him to wish to become an attorney. So, after he'd swept the local schools clean of all learning, he sought greater schools to conquer, and he ended up by becoming an attorney. Seeing the need of men to take the "other side" out around Roscoe, he headed for the west, and nailed his shingle in plain view of those who wanted to find an attorney that understood their side was right. He helped so many win their arguments, that soon people in general thought he was just the man to win the State's side of the argument, and he was elected "Deestric" Attorney for the Sweetwater district.

Success crowned his able clashes with the legal giants of the section. But there was one thing that bothered his outlook of the future. He had a bunch of boys growing up with nothing in particular to do after school was out. In the meantime, he had saved a number of grands, and so one day he slipped off up to Tahoka, and with little preliminaries entered the sanctum sanctorium of Bob Haynes, owner, editor and publisher of the Lynn County News. The time of day was passed, politics and religion discussed a bit, and they found that each were kinder Democratic in their views, and that both were deepwater Baptists. Suddenly as thunder out of cloudless heavens, Mr. Hill asked Mr. Haynes what he would take for the News. Haynes cleared his throat and named a price that he thought would bounce Hill off the caprock. But Hill snapped him up so quick that Haynes turned a bluish red behind the ears and stammered acceptance.

So, we have had a mighty fine neighbor editor now since 1924 that will fuss and fight with us (editorially) but will loan us anything he has in the shop. Being highly educated, he sometimes uses five dollar words with a mixture of Latin that sends us to Uncle Noah's dictionary, but we have learned a lot from Eee Eye's discussions of this and that subject. Boy, we think a lot of our neighboring county seat editor to the east, and we could think of a lot of other good things to say about him, but we would have to put it in installments.

REMEMBER THE Rexall DRUG STORE FOR BEST VALUES ALWAYS

J. O. Gillham, A. D. Repp and W. R. McDuffie made a business trip to Lubbock, Wednesday.

Mr. and Mrs. Bill Ed Watson have begun the construction of a five-room clapboard home on East Tate street.

Mrs. Bill Ed Watson is co-hostess with Mary Katherine Rice, Mis Pauline Stafford and Mrs. B Malone with a gift shower and party at the F. R. Friend home in Lubbock, Friday to honor Miss Mollie Davis, bride-elect of James Halsey.

Fancher Gaston and wife have moved here from Ralls to make their home. He will be employed by Tom Cadenhead. Mr. Gaston is a brother of Mrs. T. W. Bruton.

Practically every variety of wild life native to North America can be found some where in Texas. Much of this wild life exists as it did thousands of years ago in the Big Ben Section of Southwest Texas.

**BILLS' DAY AT RALLS ON OCTOBER 8TH**

Ralls is to sponsor one of the most unique celebrations of the Southwest October 8—the "West Texas Bills' Day" celebration.

About four years ago, we conceived the idea of organizing a Bills' Club, to which anyone by the name of Bill, Billy, William, etc., (man or woman boy or girl) might belong. The mayor formally proclaimed a Bills' Day, and we believe it to be the only one of its kind in the United States.

**JOHNSON NEWS—**

There will be a pie supper at the school house Friday night, sponsored by the Johnson P-T-A. Proceeds will go toward purchasing much needed play ground equipment. Come early and bring a pie and a purse.

About 20 school girls have expressed a desire for a 4-H Club here. They have selected Mrs. C. W. Jones as their sponsor and organization of the club will be soon.

Our school board had a new roof put on the school building Saturday. It was completed just in time for the heavy rain which fell Saturday night.

May of our farmers have been busy the past week poisoning worms, although they tell us they have not damaged the greater portion of the crops.

Mrs. J. A. Bench presented each of the teachers with a lovely pot plant for their rooms. Thanks a lot Mrs. Bench. Your thoughtfulness is much appreciated.

Aunt Zula Patton, who has been visiting at Tokio, has returned to Johnson.

R. D. Jones, Tech student, spent the week end with home folks.

Miss Jim Smith visited friends at Pleasant Valley over the week end.

Miss Naomi Bearden spent the week end with her parents, Mr. and Mrs. R. S. Bearden of Plains.

Mr. and Mrs. L. S. Salsar and son visited Mr. and Mrs. Earl McNeil of Scudday, Sunday.

Visitors in the E. W. Hart home Sunday were Mr. and Mrs. Stewart of Harris and Mr. and Mrs. G. G. Hart of Tokio.

Mesdames M. V. and Harold Hill of Tokio, visited Mrs. W. V. Hart Monday.

Mack Pickett, who attends Tech, spent the past week end with his parents, Mr. and Mrs. W. I. Pickett.

**RACCOON SUCKLES DOG**

A dog in Liberty County has an unusual family. In addition to her several puppies, she is suckling a small raccoon. The young coon gets as much attention from the dog as does her puppies, according to the state game warden who reported the existence of the unusual family to the executive secretary of the game department.

Texas elementary school children will be the guests of the State Fair of Texas, Friday October 11. High School students will be guests on Friday, October 18.

**SUNSHINE In a Bottle**

What other food can claim the Universal popularity of dairy products? What other food is so healthful, beneficial and good? What other food so inexpensive?

BROWNFIELD FRIDAY-SATURDAY TEXAS

## Another Prominent Citizen Passes

Up until last Sunday, apparently Mr. L. D. Chambliss who lives on his farm two miles north of town, was in his usual good health, except for a slight heart trouble. But Sunday afternoon, he was taken seriously ill, and during the night he developed a bad case of pneumonia. Monday he was brought to the hospital, where he died about six in the afternoon.

Thus has passed another fine and highly respected citizen, who was a model husband and father, and a real neighbor. Mr. and Mrs. Chambliss have raised a large family, all of which have made fine men and women, as all are virtually grown. And a father and his wife that can do that in this modern age, are surely worthwhile to their community.

Funeral services were conducted at 10 o'clock a. m., Wednesday at the First Baptist Church, of which the deceased was a member. Rev. Avery Rogers officiating. Interment in Brownfield cemetery, Brownfield Funeral Home in charge of arrangements.

Besides his wife, he leaves three daughters and seven sons, all of which attended the funeral. The daughters, Mrs. J. J. Gunter, Pool community; Mrs. Ola Belle Arnett, city, and Miss Lois, still at home. Loyd, Sam, Marcus, Roy, J. W., city; Robert of Plains, and Woodrow of Hollywood, Calif., the latter coming by plane to Amarillo. The only other living relative, a brother, S. H. Chambliss of Lampasas, attended the funeral. He had 16 grandchildren.

Mr. Chambliss was born at Crockett, Texas, Dec. 2, 1868. He was married to Miss Lula Mae Thornton, Sept. 25, 1899 in Montague County, Texas. To this union were born 12 children. The family moved to Terry county in 1924.

C. Vance Weld and C. B. Caughy of Warren, Penn., visited Mr. and Mrs. Paul F. Lawlis in Levelland and Dr. and Mrs. E. C. Davis here this week.

Mrs. Lera Shultz and Mrs. Albert George of Taloga, Okla., visited their sisters, Mrs. Lee Orville Lewis and Mrs. Roy Collier this week.

Miss Mamie Drennan, Miss Monah Perry, Misses Cleo and Doris Chambers spent Sunday in Hamlin, visiting Miss Drennan's parents.

Miss Mildred and Mary Nell Adams recently renewed for the Herald before leaving for Baylor.

Mr. and Mrs. E. L. Sturgis and children spent the past week end in Ruidoso.

Joe Safady of the Hub Store was a business visitor in Dallas this week.

Mrs. Vance Chatman was called to Atlanta, Ga., Monday because of the serious illness of her mother.

W. M. (Goldy) Goldston, made us happy with his renewal recently.

Mrs. A. J. Glasgow is visiting in the home of her son L. J. Dunn and Mrs. Dunn.

A wire from the Mayo Clinic, Rochester, Minn., Wednesday bore the encouraging tidings that Choc Hamilton had stood the operation fine, and the growth on his brain was not cancer.

Mr. and Mrs. Mike Lowrance of Floydada were guests in the home of Mr. and Mrs. S. T. Murphy, Sunday. Mrs. W. E. Lowrance, mother of Mrs. Murphy, accompanied them here and will visit in the Murphy home for a time.

## EAT "OUT" MORE OFTEN

Plan a frequent dinner for the family here. Mother will enjoy rest from the task of meal planning. You'll find the food delicious and reasonable. A well balanced meal for as little as 40 cents. We serve waffles.

WE SPECIALIZE IN SAVORY MEXICAN DISHES

Cooked by Chefs who know "how."
