Soldier Writes Egypt Is Interesting Pageant

SOMEWHERE IN EGYPT, 38th General Hospital, April 17, 1944. Dear Mr. Strickland—Just a brief word from the land of the Pharaohs. It has been about 15 months since I wrote you. At that time we had just arrived from the States, having been there about four months. Our hospital was not finished and the sick were taken care of in wards, not yet finished. Our stay seemed to be brief, as Rommel was knocking at the door of Egypt, being at El Alamein. The tide turned for the allies and the enemy was forced from North Africa back across the Mediterranean sea. Our hospital was finished and as the old saying goes: "it was hell among the yearlings" for awhile.

It has been quite some time since we have had any casualties of war. The last coming during the invasion of Italy. We are nothing more than an evacuation hospital of these patients that are destined for the zone of the interior (U.S.A.) for further hospitalization. We take care of patients from the base here, and our own unit. The Persian Gulf Command furnishing most of our evacuation patients. Some, of course, from different parts of Africa.

I have worked most of the time on an officers' medical ward, but the past six months having been spent on a quarantine enlisted men's ward. I have waited on most of the common diseases known in the States, plus those common over here, which have long since been stamped out in the U. S. Time nor space does not permit further enumeration. I know of no place in the States which would compare favorably with the varied nationalities encountered here, unless it would be our own New York—its climate of my immediate vicinity compares favorably with Tuscon, Arizona.

Arabic and French being the two principal languages spoken. French being the predominant one. Almost any language may be heard in any of the cities, however.

The native Arabs dress being the only difference noted, as the others dress no different than at home. Modes of entertainment follow the same as it does in Brownfield. The pursuit of outside entertainment, such as games, etc., show a touch of England. Soccer, cricket, rugby, and tennis being the predominant. Our game of football did not go over so hot with people here.

The Nile river is the life-blood of Egypt. On its overflow depends the outcome of the year's crop. Every available space is utilized for agriculture, and the land is built up by hauling the soil in. Alfalfa, small grains, vegetables, citrus fruits, and bananas being the chief crops. From the planting to the harvest, implements which were in common use in the time of Cleopatra are used. The land is broken with a wooden plow, powered by a yoke of oxen. The grain is cut by hand with a small knife. The camel, burro, and farmer himself, is used to carry the grain and is threshed by tramping the seed out with the oxen.

The farmer's home is shared with whatever domesticated animal he may have. It is beyond me to see how he lives in such surroundings. His returns from crops only suffice to obtain the bare necessities. The laborer of Egypt presents the same picture. The small pay received just buys those things which hold life together.

In the upper classes of Egypt the picture is reversed. They have all those conveniences that we enjoy: good cars, nice homes and plenty to eat. It is true that it comes high and prices are outrageous, but I suppose this is true everywhere.

But, in all fairness to Egypt, there are lots of things to take

Farmers Are Planting On Recent Moisture

In the spring time the old man's fancy turns to planting. Spring, though coming this year on the installment plan, has finally arrived. Following the recent light and scattered rains, the farmers are making use of the season, and most of them are planting this week. Some claim ample moisture, while others say they could use a little more. Oldtimers say May 20th to June 1st is the proper planting time, any year. So they are well on time this year. The land has been prepared earlier than usual. The scarcity of seed is causing many to be cautious about planting too soon. Planting over is a custom they are tired of. This is one instance, it seems, where it might pay to be near-late.

Thos. D. Zorn Gets Promotion

Thomas D. Zorn, who for the past 14 months has been with the U. S. armed forces in the Indo-Burma jungles, has recently been promoted to the rank of chief warrant officer. Mr. Zorn was graduated from Texas Technological college, and prior to his induction taught school both in Brownfield and at Monahan. He is the son of Mrs. Maud Zorn, well-known resident of Meadow, Texas, where she has been prominent in educational activities for many years. His wife, Reba Ferne Zorn, and their two children, Donald and Norma, live at 309 East Tate street, Brownfield.

Zorn is now attached to a quartermaster unit along the Ledo Road, fabulous highway which snakes its way through the moon-soon-drenched Patkai mountains into Burma, where General Stilwell's Chinese troops and Merrill's Marauders are pushing the Japs south through the Mogaung valley.

Mrs. L. O. Miller of Snyder, Texas, is here visiting Mrs. E. L. Redford, her sister-in-law.

under consideration. She has to import nearly all of those essentials that we at home have. The only tillable land she has is that which can be reached by the Nile's waters. The majority is a barren waste of sand. She depends a good deal on tourist trade, which has been reduced to nil.

Egypt can boast of some beautiful sights, and varied amount can be seen in the larger cities of Cairo and Alexandria. The pyramids, ancient ruins of cities that flourished thousands of years before Christ. The zoo in Cairo, which took me five separate days to see all of it. Animals I had seen, or heard of, in abundance. It would take pages to tell of all I have seen. A person could use days to see those things I have not seen here in Egypt. I have hopes to be able to go to Luxor and Assam, about 400 miles up the Nile, "In the Valley of the Kings," before I return.

Through the courtesy of the American Red Cross and a seven day furlough, I was permitted for 16 pounds (\$65 American money) to see all of the Holy Land. It would cost a small fortune to do so from the States. The actual cost of the tour was five pounds (about \$20). I will tell you all about it later some time, if I am permitted to do so.

I had often heard some one speak of the American way of life, and had not given it much thought. Since coming across, it has been brought to me more ways than one. You learn to appreciate what it means and the longer you stay the more it is appreciated.

Have kept on the lookout for boys from Terry county, but so far have failed to see any one. Sergeant Edwards, who recently returned to the States for O.C.S., being the only one encountered. We came across together.

I enjoy the paper, and it comes through alright. It is late, but that is to be expected. Tell those who have boys across that the best way to build up their morale is through mail. Nothing is appreciated more than a letter from home.

Sincerely yours,
Cpl. T. B. Moorehead

Lions Attend District Meet

Lions of District 2-T, comprising most of West Texas, held their annual convention this year known as war counsel at Plainview last Sunday and Monday. Lee Johnson of Wink was elected district governor for next year, succeeding Jack Griffith of Panhandle, who visited here recently. Herbert Chesshir, Leo Holmes and wife, Dennis Lilly and wife, Eunice Jones, Herman Heath, Frank Sydowski and wife, and J. B. Ricketts, local Lions, attended.

R. I. Cook, former commissioner and for many years a resident of the Johnson community, now residing at Mena, Ark., is here this week visiting his son, Earl, and daughter, Mrs. Jack Wright.

S1/C Lois S. Tilger of the coast guards of Norfolk, Va. is spending a 10-day furlough with his parents, Mr. and Mrs. E. L. Tilger of Meadow. He has been in service since September, 1942.

Seaman Pete Mitchell is here this week from Seattle, visiting his parents. Pete is on one of the rebuilt battleships from the Pearl Harbor disaster.

T. C. Hogue, Jr., of Portsmouth, Va., will leave today after spending a 15-day furlough with his parents, Mr. and Mrs. T. C. Hogue, sr. He went into service December 7, and is a coast guardsman.

S2C Jack R. Mitchell has just completed training for Radar in Seattle, Washington, and is now spending a 16-day furlough with his parents, Mr. and Mrs. C. E. Mitchell. Jack finished high school here in 1942 and attended Abilene Christian college one year before entering the navy in September. When he reports back, he will be on duty on the U.S.S. West Virginia.

Sgt. Buddy Gillham of Abilene and Mrs. Gillham of San Antonio came in Saturday and visited relatives, then went to spend Mother's Day in Canyon with Mrs. Etta Gilham. They visited in the Johnny Criswell home Monday before returning to Abilene.

Pfc. L. L. Gollehon, stationed with the medical corps of the Chickasha army base at Chickasha, Okla., was here Tuesday visiting his sister, Mrs. Joe Goodwin.

THE FOLLOWING IS A RECENT LETTER FROM OUR GOOD FRIEND PFC. BILLY SIMS.

"I will drop you a line to let you know that I enjoy your paper more than ever before. It brings things around home a little more near to me. By just reading the Terry County Herald I find out where a lot of my old friends are, that helps a lot when you never see any of the people that you have always known. Thanks very much for such a good home town paper.

"I thought that I would just let you know that as of a few days ago there were special orders issued by Col. J. B. Duckworth, qualifying me as a marksman with the U. S. Carbine, calibre 30; marksman with the automatic pistol, moled 1911; marksman with 45 revolver. I was also qualified to wear the Good Conduct ribbon.

The army has been very good to me, learning me things that I never knew before. I have been an instructor now for the last nine months. Instructing in all kinds of guard and M. P. work. I also work as an M. P. part of the time. I enjoy my work very much. There is one thing, though, that I want more than anything else—and that is for this war to get over as soon as possible. For I, as well as all the other boys, want to get back to good old Terry county, and all the nice folks there.

Tell every one hello, and to KEEP THE HOME FIRES BURNING FOR WE WILL BE HOME TO THEM SOON."

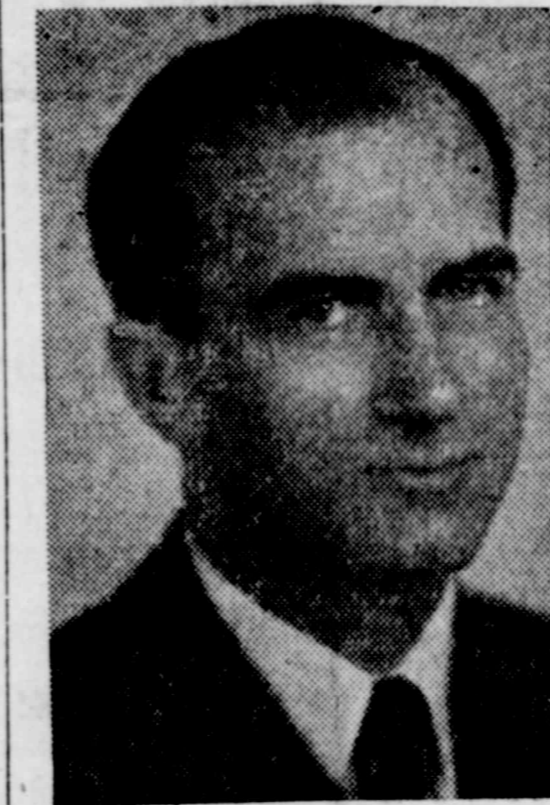

As ever, a friend,
Pfc. Billy J. Sims

Chapman Enters Race For the State Senate

Alton B. Chapman of Floydada, district judge of the 110th Judicial District of Texas, and president of the state judiciary, has authorized the Herald to formally announce his candidacy for state senator of the 30th Senatorial District of Texas.

Judge Chapman, the youngest district judge in Texas at the time

of his appointment had successively been county attorney two terms and district attorney. He resigned the latter office on his appointment as judge, after serving four months in that capacity.

As district attorney, his record shows he tried approximately 200 cases, with the loss of only three.

A stock farmer "on the side," he raises milking shorthorns. He is a director of the Panhandle-Plains dairy show at Plainview; is a director of the Texas Milking Shorthorn Breeders' Inc., and has been an exhibitor at the Plainview show for the last several years.

He has never asked election to any office for more than two terms and has never lost a voting box in Dickens county, where he was reared.

He was born at Rochester, Haskell county, Texas, July 22, 1904, and moved with his parents and the other 10 of the 12 children of the family to Dickens county in 1918, where he lived until four years ago. At that time he, Mrs. Chapman, and their three sons moved to Floydada to be in the center of his judicial district. He was educated in Simmons university at Abilene and the University of Texas, at Austin.

Judge Chapman issued the following statement:

"If elected senator, I shall represent the best interests of the people as a whole, without obligation to any corporation or special interests of any individual or group. I have no fight whatever with corporations. They serve useful purposes; we need them and they have their rights. But, I promise, if elected, that I shall not, during the time I am your senator, accept retainer fees from any corporation. I do not believe a man can serve two masters.

The most important question before the people today is the war effort. Any power this office may have that can be directed toward winning the war will be used by me to the end that your fighting men may return to their loved ones and to the institutions for which they are fighting. In this connection, I shall support any legislation the laws of land will permit that will insure a White Primary for Texas.

I shall support a program of social security for the aged, the blind and the dependent children, and give my best efforts to the welfare of all state eleemosynary institutions. I am a strong believer in schools and will do my best for all schools and the teachers who are giving so unselfishly that the state educational system may go through the war.

West Texas has always had to fight for her rights in the legislature. I feel that my experience qualifies me to ably represent this area of Texas in her fight for her part of the rural aid money, fair share of oil production, more uniform freight rates, more equal apportionment of paved highway funds and her other rights as a part of Texas.

I believe we should clear our state of debt and build a surplus for the reconstruction period—which is sound business for our state as well as the individual. I know of many leaks that can be

Rev. Fred Walker Resigns Pastorate

The pastorate of Rev. Fred Walker will close in Brownfield on Sunday, June 4th after six years as the minister of the Presbyterian church here. He has accepted a call to become pastor of the Bethany Presbyterian church at Dallas, beginning June 15th.

Mr. Walker stated that he leaves Brownfield only because of the larger field of service and wishes to thank everyone who has befriended him or helped in the work of the church while he has been here.

He came here after pastorate in Clifton, Arizona and Webster, Texas. While a student, he served as assistant pastor in Elizabeth, N. J., and Chicago. He has three degrees, the B. A., M. A., and B. D., taken at the College of the Ozarks, Columbia University and the Presbyterian Seminary of Chicago. While in Brownfield, he has been a member of a number of community organizations such as P.T.A., Lions club, Junior Chamber of Commerce, Scoutmaster and Cubmaster, County Ministeria Alliance, and for several months has served as principal of the Junior High school.

The work of the local church has grown in a number of ways during his pastorate. The church building has been remodeled, a manse (parsonage) built, and the property landscaped. The membership of the church has trebled and the Sunday School enrollment has increased materially.

Mr. Walker stated that it will be about the first of July before a new minister can be secured to take his place. There will be a congregational meeting Sunday morning following the church services at which time he will present his resignation.

Agricultural Award On Display Here

The achievement award trophy, won at the Chamber of Commerce meeting by the local Jaycees for their sponsoring various phases of agriculture and calf-feeding, is now on display at the J. B. Knight Hardware.

Jaycee Directors' Meeting Slated Soon

Directors of the Junior Chamber of Commerce will meet at the Thompson cafe for breakfast on Tuesday morning, May 23rd at 7:30.

TYPHOID AND SMALLPOX IMMUNIZATION CLINIC

Mrs. Griffith, the county health nurse, will have clinics in the court house clinic room Wednesday and Saturday mornings, 9 to 11:20 o'clock through June 28, for the purpose of completing children's immunizations and for any adults who may wish to receive typhoid serum or smallpox vaccinations.—Paul G. Capps, M. D., director.

HOME DEMONSTRATION MARKETING COMMITTEE BUY FRESH PINEAPPLE COOPERATIVELY

The marketing committee of the Terry County Home Demonstration clubs are making plans to buy pineapple for canning, cooperatively.

Any person, whether they be a HD club member, or not, may order pineapples through the committee. Mrs. L. M. Lang, 618 East Broadway, is chairman of the committee. Anybody who is interested in buying the fruit by this cooperative plan, should contact Mrs. Lang, or call her by phone at 396-M.

plugged to help in this situation. I believe in remedying the problem in this manner rather than through sacrificing social security and other worthwhile programs.

For years I have had the ambition to serve the people of this district as their senator. You are entitled to a senator whose background of education, morals, ability, and dependability is such that you will have no cause to apologize for him personally or professionally. Please help me and I promise you an honest, efficient and respected administration."

More Boys Enter The Army and Navy

Last week the following volunteered to the navy: L. V. Langford, Lee Roy Graywunder, Robert E. Jones, and Floyd E. Joplin.

Tuesday the following left for the army induction: Jamie Paden, Jas. B. Ray, Kenneth V. Van Zandt (transfer from Harlingen) and Clarence R. Vance.

Wednesday the following went to the navy: Perry Crawley, Elvin Baggett, Curtis Trussell, Hollis Hartman, Joe Schrum, Edwin Wright, Finnis Shook and Vernal Pat Brothers; all being under 26 years of age.

The new draft decree is arranged in three categories: 1st: 18 through 25; about 100 subject, but very few deferments will be allowed. Most of these are farm boys. These deferments will be gradually reduced.

Twenty-six through 29: deferment only in essential work, and must be necessary to that work.

ELDER WARREN A. HENRY TO PREACH AT LOOP SUNDAY

Warren A. Henry, former pastor of the Church of Christ at this place, asked us to announce he will preach for the Church of Christ at Loop, Texas, Sunday, May 21st, at the morning service and will also preach to the Loop high school a baccalaureate sermon that night. His family will be with him and he stated he would be delighted to meet any of his old friends from here who might be able to attend.

Warren says he likes Brownfield and its people, and believes it is one of the most hospitable cities he has had the privilege of living in. He is now located and working with the church at Dexter, N. M., having recently sold his property at High Rolls, New Mexico.

Cottonoil Mill Hosts To Big Barbecue

The West Texas Cottonoil mill was host with a barbecue on last Friday to their many customers, ginners, employees, and friends.

O. L. Peterman, genial boss at the mill, is a true West Texan and knows how to put on a West Texas feed of "son-of-a-gun," which in polite society is spoken of as "The Gentlemen from Odessa"—brown beans, barbecue, coffee, lemonade, cokes and tea.

Guests were in attendance from nearby town. Something over 400 people enjoyed this get-together. The local Rotary club were special guests.

The oil well six miles north of town, though encountering mechanical trouble, is reported to be down more than 2,000 feet. The Gulf company is also coring some tests south of town, the latter for geological study.

Scholastic Census Now Complete

The scholastic census reports at the county superintendent's office show Brownfield to have 2,064, Meadow 542, Wellman 403, and Union 322, a total for the county of 3,331, plus about 100 others in the county, plus about 100 others in the county but in county line districts under jurisdiction of adjoining counties.

ALTON B. CHAPMAN, CANDIDATE FOR STATE SENATOR SPOKE AT FIRST BAPTIST CHURCH SUNDAY

"The Church in the Post-War World," from a layman's viewpoint, taken from Psalms 33:12, was the talk given at the First Baptist church Sunday by Alton B. Chapman, Floydada, district judge of the 110th judicial district of Texas, and president of the state judiciary.

Those hearing Judge Chapman were high in praise and that he was a fluent speaker and in the manner handling the subject, showed him an ardent Bible scholar. He filled Rev. Brian's hour, who was at Denver City, giving a baccalaureate address.

Adams, WFC Head, Announces 5th Loan

A state quota of 464 million dollars for the Fifth War Loan, June 12 to July 8, has been announced by State Chairman Nathan Adams of the War Finance Committee of Texas. This is the largest sum yet and the drive will be "a big and vital effort," Adams said.

Of the total, 236 million dollars has been set for individual Texans alone, 125 million dollars of this to be in Series E bonds.

Counties throughout the state are announcing their quotas now. "It is going to be big and tough—the biggest and the toughest drive," Adams said in warning that all of the nearly seven million people of Texas must face the facts.

But "it can be done," Adams insisted. "It has been proved."

He pointed out that during the Fourth War Loan more was raised than the total quota for the Fifth. The over-all goal for the Fourth was 395 million dollars and Texans subscribed 480 million dollars.

"No one is exempt," Adams said. "Our boys are dying for you and for me. Think of the invasion and you cannot think of not buying war bonds."

"Our victory volunteers must, of course, do a large part in cutting out the great Texas market," he said in praising the past efforts of the victory volunteers.

"It will be a severe home-front test for every person in the state," he said.

County War Bond Chairman Virgil Burnett is getting his committees selected to make the drive to raise the \$475,000, quota set for Terry county in the 5th War Loan drive, starting June 12th, and ending July 8th. \$205,000 of this amount must be Series E bonds. Series E, F, and G bonds and tan otse etainotainotaino and txanesot etainotainotaino and tax notes C, sold anytime between June 1st and July 31st, will count on our quota.

The county will be worked according to the four school districts and each district quota set accordingly, says Burnett, who will have his list of chairman and their helpers ready for publication next week. Let us all pull together and put this drive away over the top.

Next Week Observed As Cotton Week

As will be seen by the ads of our local business men, in this issue, next week has been designated as Cotton Week—on paper. But there will be many weeks in reality, to plant and harvest a crop. Old King Cotton, still reigns in the South. Although there are many other crops, useful and necessary, to our living and comforts, cotton is still the money crop of the South. In recent years, for its oil and protein by-products, the seed has become about as valuable as the lint. Some prophesy that with increased machinery, we may soon be raising cotton for the seed, and the lint as the sideline. The recent good prices for maize and row crops is causing some concern, as many are considering planting only grain though it is believed the acreage, generally will be normal. The market prices for it all is yet unstabilized, but experience has shown that if you will pull your cotton through—the cotton will pull you through.

But few of us know the many and varied uses of cotton and its seed, and new uses being developed. The government is now taking over cottonseed hulls in the manufacture of synthetic rubber. Cotton and its seed are very essential for war purposes, as well as domestic uses.

LEJUNE LINCOLN HOME ON FURLOUGH

Lajune Lincoln, in the U. S. navy, flew in here from Seattle, arriving Mother's Day, which is his birthday, and is spending a 14-day leave with his parents, Judge and Mrs. Lincoln. He has seen service on a cruiser in the Pacific.

They are expecting Vernon Lincoln to arrive late this week from a boot camp at San Diego.

WEST TEXAS GIN

HOBBY TEA FOR MAIDS AND MATRONS

Mrs. Roy Wingerd and Mrs. Jessie G. Randal were hostesses to a hobby tea for the members and guests of the Maids and Matrons' club Tuesday afternoon at 5 o'clock.

The tea table was covered with a white embroidered linen cloth and centered with a crystal basket of red rambling roses.

On each corner of the table was a small crystal bowl of red roses. The tapers and holders were white. Punch, cake, sandwiches, olives and mints were served to about 30 guests.

The roll call was answered by an exhibition of each member's hobby.

The program included a sing-song by the group. Violin solo by Mr. Alexander Mench, accompanied by Marion Wingerd. An appropriate talk of Mrs. W. M. Adams, who has served one year as president, was given by Mrs. W. A. Bell. Betty Holmes closed the program with a tap dance, accompanied by music by Marion Wingerd.

D. B. Gordon was released from the local hospital Tuesday following appendectomy operation.

Charlie Lou Gaston is visiting her sister, Mrs. Clarence Hinkle, this week.

THE OLD JUDGE SAYS...

"Guess we're pretty lucky in our town, Judge, that we don't have the youth problem you read about in other places." "Don't know as you can call it lucky, Harold... we saw it coming with the war and we did something about it before it hit us. We gave our 'teen age youngsters the recreational facilities they needed and really wanted. Those familiar with this wartime problem know that young folks go to places they shouldn't only when the proper places

are not provided for them. Young people always want to be with others of their own age... want their own type of entertainment. Town after town has found out that once these simple wants are met, the problem is well on its way to being licked." "Guess I didn't really know how far-sighted our town really is, Judge. If we hadn't looked ahead we wouldn't have had anybody or anything to blame but ourselves, would we?"

Smith-Clapp Vows Exchanged Sunday

Miss Ruby Nell Smith of Lubbock, daughter of Mr. and Mrs. J. S. Smith of Brownfield, and Roger Wheaton Clapp, first lieutenant, A. G. D. Army of the United States, son of Mr. and Mrs. H. Rowland Clapp of Guilford-Baltimore, Md., were united in marriage Sunday afternoon at 5 o'clock at the First Baptist church in Brownfield with Rev. A. A. Brian officiating.

White calla lilies and fern decked the altar which was lighted with white cathedral candles burning in wrought-iron candelabra. Bruce McCarty, son of Mr. and Mrs. S. C. McCarty of Lubbock, lighted the candles.

Miss Juanda Ruth Turner of Brownfield played Traumeri, Concerto No. 1, and "I Love You Truly" as a prelude and during the ceremony she offered "Indian Love Call," a tradition among brides of Tech Ko Shari social club.

The wedding solo, "Because," was sung by Mrs. Brunette Harper.

The bride, given in marriage by her father, wore a two-piece heavenly blue crepe suit. A halo veil was attached to her hat, made of small white flowers. She wore pearls, elbow length gloves and black accessories and carried a bridal bouquet of spring flowers showered with stephanotis.

Sister Is Attendant

Mrs. Guthrie Allen, jr., of Plainview, who attended her sister as matron of honor, wore a navy blue two-piece suit with white and black accessories and carried an arm bouquet of gladioli.

The bride's mother wore a rose dress with black accessories and a corsage of gardenias.

Capt. J. E. Johnson of Salt Lake City was the best man.

Guthrie Allen, jr., Cleon Denison of Jackboro, cousin of the bride, Frank E. Hanks and Lt. Richard F. Rabbe were ushers.

When the couple left for a wedding trip to Santa Fe, the bride was wearing a two-piece green suit with brown accessories and a corsage of orchids.

Mrs. Clapp, a graduate of Brownfield high school, attended Texas State College for Women at Denton and was graduated from Texas Technological college in 1940 where she was a member of Ko Shari club, the Forum, on the staff of campus publications, and listed in Who is Who Among College and University Students. She taught school at Tahoka for one year and for the last three years has been teaching at Dupre elementary school in Lubbock. She is a member of Epsilon Sigma Alpha.

Lt. Clapp is a graduate of Gilman school, Baltimore, and a graduate of Princeton university, class of 1934, where he was a member of Quadrangle club. He is a member of Green Spring Valley Hunt club, Garrison, Md., Bachelor's Cotillion and Junior Association of Commerce, Baltimore. He was associated with the manufacturing department of Continental Can company in Baltimore before entering the service. He was formerly stationed at Texas Tech college with the A. S. T. P. Unit.

L. E. Hamilton and family are recent arrivals in our city from Winters, Texas. He and J. Clarence Lewis, another Winters man, will be associated together in the new Firststone store opening up just east of the First National bank.

Mr. and Mrs. Kyle Graves left Saturday to spend Mother's Day with Mr. Kyle's parents in Stephenville.

Mr. and Mrs. Sam Bob Thrash-San Angelo, spent the week end with Mr. and Mrs. Bill Heflin and children.

COUNTY HD CLUB

The County Home Demonstration club held its regular meeting Saturday, May 13, at 2:30 p.m., in the district court room. For opening exercises a reading was given on "How to Succeed," by the chairman, Mrs. Karl Griffith. The president of each club present answered roll call with a report of their work. The minutes were read by the secretary, Mrs. R. D. Jones. Twenty-three members and two

visitors were present to represent seven of the 10 home demonstration clubs of the county. The reports of the council committee on exhibit, expansion, recreation and reporters were given. Mrs. Locke who is sponsor of the Girls' 4-H club at Meadow gave a report of their club work. Mrs. C. E. Hicks, Miss Leola Leach and Mrs. A. J. Bell gave their reports on the district association, held at Lubbock April 21.

We had with us Miss Katy Adele Hill, district delegate from A and M College Station, who gave an interesting lecture on the home demonstration work. We, as club members should profit by the educational talk Miss Hill made us.—Club reporter.

Mr. and Mrs. J. O. Gillham and daughter are visiting and attending business in Dallas this week.

Mr. and Mrs. J. H. Griffin and family left Monday evening for Whitesboro, Texas, to attend to business.

NOTICE BY PUBLICATION IN PROBATE

THE STATE OF TEXAS: To the sheriff or any constable of Terry county, greeting:

You are hereby commanded to cause to be published (in a newspaper of general circulation, which has been published continuously and regularly for a period of not less than one year in your county), at least once a week for 21 days previous to the return day hereof, copies of the following notice:

THE STATE OF TEXAS to all persons interested in the estate of N. W. Jeter, deceased.

Lillie E. Jeter has filed an application in the county court of Terry county on the 11th day of May, 1944, for the final partition of the funds of said estate, among the heirs at law of the said N. W. Jeter, deceased, and for final closing of said estate, which application will be heard by said court, on the third Monday in June, A. D., 1944, the same being the 19th day of June, A. D., 1944, at the court house thereof, in Brownfield, Texas, at which time all persons interested in said estate may appear and contest said application, should they desire to do so.

HEREIN FAIL NOT, but have you this writ before the court at the time aforesaid, with your return thereon, showing how you have executed the same.

GIVEN under my hand and seal of said court at office in Brownfield, Texas, this, the 11th day of May, A. D., 1944.

H. M. PYEATT, clerk, County Court, Terry County, Texas.

What's all this about tires?

WHO CAN BUY THEM? **HOW GOOD ARE SYNTHETICS?** **WHERE CAN WE BUY THEM?**

WHO CAN BUY THEM?

...The Office of Price Administration has recently extended rationing regulations to make all "B" and "C" gas ration card holders eligible for Grade 1 top quality synthetic tires. This means that when the present tires of these card holders can no longer be recapped, they are eligible to buy the new U.S. Royal DeLuxe. "A" card holders are eligible for Grade 3 tires... used tires, recaps, "war" tires and seconds.

HOW GOOD ARE SYNTHETICS?

...All synthetic tires are far better than even the most optimistic tire men thought possible. From all over the country reports from car owners are pouring in that the new U.S. Royal DeLuxe is turning in performance even beyond expectations. Backed by years of work in the pioneering of synthetics, and built by craftsmen who have learned how to use every ounce of materials to give the greatest possible service, the U.S. Royal DeLuxe is the best tire buy on the market today.

WHERE CAN WE BUY THEM?

...If you have a Grade One Tire Certificate, you can buy the new U.S. Royal DeLuxe where you see the familiar U.S. Tire sign. If your U.S. Tire Dealer does not have your size in stock, be patient. All popular sizes are now rolling out of the giant U.S. factories in increasing quantity. Your Dealer will take care of you as soon as stocks are available.

MAKE YOUR NEXT TIRES U.S. ROYAL DeLuxe

The makers of America's pre-war tire quality leader, the U.S. Royal Master, are building into the new U.S. Royal DeLuxe all the skill and experience, the extra mileage, safety and depend-

ability that made Royals the quality leaders for years. When you are eligible for new tires, be sure you get the best. Go to the dealer with the familiar U.S. Tire sign and get U.S. Royal DeLuxe... there is no better tire made!

Where you see the U. S. Tire sign, you will find a local, independent business built on experience, knowledge, skilled service and products of quality.

FREAK EGGS

Mrs. D. H. Griffin of Wellman brought in a giant egg one day last week; it weighing 4½ oz. In handling the egg, you can feel another egg on the inside as it knocks when turning it over.

Also bringing in a freak egg—

a quite small one on the inside of another, was Mrs. Lawrence Green. The first egg had no yolk, and in holding the small egg to the light it does not show to have any yolk.

HERALD: \$1 yr. in Terry county!

The several five-room dwellings being erected by the Stanolind Pipe Line company on East Tate street, are nearing completion.

Mr. and Mrs. Hugh Holmes of Compton, California, came in Tuesday afternoon to visit Mr. and Mrs. G. H. Holmes. Hugh has been in defense work, but is on sick leave.

Mr. and Mrs. Herman Trigg came in last Friday evening to visit her parents, Mr. and Mrs. A. J. Stricklin. Mr. Trigg returned Sunday, but Mrs. Trigg will remain a few days with her father, who is ill.

Mr. and Mrs. E. J. Hubbard of the Johnson community were in shopping Tuesday.

A SOLDIER'S DREAM

By Harry A. Johnson

A hot meal on the table;
A good sleep in a bed;
No bullies to fear, no shells to dread.
Chicken on Sunday, or most every night;
Gonig out bowling, or taking in a fight;
Soda at a fountain, beer at a bar;
I'm going out tonight, may I take the car?
I live like a king in my civilian way.
And I shall go back to it, some sunny day.

Cpl. Harry A. Johnson, writer of above, is a brother of Mrs. J. D. Stafford, and was written while in a fox-hole. He has been in the battle zone 18 months. He had taken his training at Camp Bowie from where he went to Africa, then to Sicily, where he came within an inch of losing his life, had to swim 100 yards with 100-pound pack on his back. Harry lived here in 1936.

Jim Neill Completes Air Officer's Course

Jim H. Neill, having successfully completed his course at the air forces candidate school at Miami Beach, Florida, has received his commission as second lieutenant in the air forces of the army of the United States. His duties will be to direct vital administrative and supply operations of the army air forces in theatres of operations all over the world.

As a civilian, 2nd. Lieut. Jim H. Neill lived at Lamesa, Texas. His parents, Mr. and Mrs. George W. Neill, live at 321 West Broadway, Brownfield.

Pvt. John W. Day Now In England

AIR FORCE COMMAND STATION, "Somewhere in England"—Pvt. John W. Day, son of Wiley Day of Brownfield, is now overseas and has participated in a course designed to bridge the gap between training in the states and soldiering in an active theatre of war.

At one of the air service command stations known as control depots, Pvt. Day was carefully processed by classification experts who made certain that he was well-fitted for the job assigned to him. Security training, personal hygiene, a talk by a special service officer informing him of facilities for healthful recreation, and a lecture by the chaplain are all in turn part of the G. I.'s preparation for his overseas duty.

His next station will be one from which America's fighting planes take off to smash the Nazi war machine.

Before entering the army he was employed as a farmer.

CARD OF THANKS

We wish to express our appreciation to our friends and neighbors for their kindness shown us in the passing of our father, N. F. K. Foster.

Mrs. J. F. Wells. Miss Ethel Foster.

Willing worker wants job in dairy

Sofenate, the new all-round disinfectant of Dr. Hess & Clark.

I'm a powder and I'm really dynamite to harmful bacteria. Just put me in some water and I'm ready to go to work. I'm what they call stable in solution—for that reason, you use the same solution for days. Boy, I'm the berries. And I can sanitize anything, from the seams in a milk pail to a hard-to-get-at teat cup.

And, say, if you got any disinfecting around a chicken house, or hog shed, I do that, too. I'll stick with you for the duration. So you give me a trial.

I dreamed I was knee-deep in clover

It's a long, long time 'til pasture time and the strain begins to tell in the cow barn.

On the basis of records from the Research Farm, we suggest that you try Dr. Hess Stock Tonic to help forestall a seasonal lag in milk production. Research Farm cows getting Stock Tonic give as much as 10 pounds more milk for every 40 pounds of grain consumed.

Stock Tonic is of threefold importance. It supplies tonics. It furnishes minerals. It is a reliable source of highly stable vitamin D.

Milk is a vital food to a nation at war—produce all you can. We believe Stock Tonic will help you produce it at a profit.

GARDEN GOING BUGS?

Go after the bugs that destroy gardens and ruin crops. Do it now with Watkins Cryolite Dust.

Cryolite is recommended by many State Agricultural Stations as the practical answer for controlling most insect garden pests.

Watkins Cryolite Dust is effective to use. You need less to get results. It contains sodium fluoaluminat endorsed by U.S.D.A. as an insect killer. Kill the bugs while they're young and tender. When they get older and tougher, they are harder to stop and do more damage. Use Watkins Cryolite Dust to do a good job at reasonable cost.
