

Staff Sergeant Warren B. Scudday Awarded Cluster and DFC

AN AIR SERVICE COMMAND STATION "Somewhere in England," S/Sgt. Warren B. Scudday, of 212 West Hill, Brownfield, recently passed through this Air Service Command station enroute to a well-earned rest after 31 missions as a gunner on a B-17 "Hot Rock."

Here Air Service Command officers "briefed him on necessity of safeguarding certain vital information he gained as a result of his combat experience.

Before his return to the States, S/Sgt. Scudday was awarded the Air Medal with three Oak Leaf Clusters and the Distinguished Flying Cross.

He is the son of Rev. and Mrs. A. B. Scudday of 212 W. Hill St., Brownfield.

Brownfield Sergeant Keeps Supplies Coming

Operating a crane at an important rail head in Great Britain, Staff Sergeant Raymond J. Proctor of Brownfield, handles the influx of supplies and equipment for this large base. His wife, the former Miss Dorothy Chisholm, and son, James Wesley, reside in Brownfield. Proctor enlisted in the army in March, 1933, and received his basic training at Camp Custer, Mich., and thus embarked on more than a decade of interesting military experience. He has attended infantry officer candidate school, aviation cadet school, an army air force band school and several army technical schools. In December, 1943, he transferred to the European theater.

Before entering the service, Proctor was a member of a well-known dance band which successfully toured many of the states. A high school graduate, he attended Lake Forrest college in Illinois for two years. A brother, Daniel F. Proctor, is an aviation mechanic in the navy, presently stationed in the British West Indies.

Alfred Smith, A.R.M., Leaves for Base

Alfred B. Smith A. R. M. left Monday for Big Spring, where he was to fly back to San Francisco. He had spent a 30 day leave here with his parents, Mr. and Mrs. Lee Smith.

Alfred enlisted in the Navy, January 1942. He served in the Central Pacific, 18 months, as an Aviation Radioman.

Mrs. Stafford's Nephew Killed in Action

Mrs. J. D. Stafford of this city received the sad word Saturday, the 19th, that her nephew, James Walter McClellan was killed in action somewhere at the front in Italy.

He and Mrs. Stafford's brother met not long ago in Italy and had a nice visit with each other.

Copl. Durwood Moorhead, from an Army Air base, in Florida, with his wife, are here this week visiting parents, Mr. and Mrs. Rudolph Moorhead. Durwood says he has gotten no more use to the alligators than we have to sandstorms.

Jim Graves, Phm. 1/C, USN, has been transferred back to the naval base at Great Lakes, Ill., and writes in so he won't miss a copy of the Herald.

There were not near so many service men here this week as has been for the past several. A lot of them must have been shipped out.

Three Killed, Four Injured in Car Wreck

Three persons are dead and four or five others are injured in a three car wreck near south brink of the draw, 5 miles north-way, about 12 o'clock Saturday east of the city on Lubbock high-way.

The dead are H. P. Lowe, 31, of Lovington, New Mex; Mrs. C. L. Covey, 44 and her daughter, Ruth, 20, who live on Route 3, out of Lubbock. The injured are Mrs. Lowe and two children, only slightly; C. L. Covey, husband and father of the dead women, who is still in hospital here, regarded as not serious. Roy Baker, driver of a coupe in the wreck, not serious. Other passengers were slightly injured. Lowe, a son of H. S. Lowe, prominent ranchman now living in Lubbock, had been there visiting parents, was returning home with his family, to Lovington. He was a nephew of the late Enoch Hunter of this city.

Exact cause of the wreck was not ascertained, but officers who visited the scene soon after, say from indications, Roy Baker, alone, was driving a coupe, north, and evidently hit rear end of the Covey car, also headed north, perhaps deflecting it over the center line, just as the Lowe car headed south approached. All three cars were badly damaged. The Brownfield Funeral Home's ambulance and attendants rushed the injured to local hospital, and brought all bodies to their home, where all were prepared for burial. Lowe's funeral was held at Methodist church in Lovington, Tuesday evening and burial there, under direction of Brownfield Funeral Home. Bodies of Mrs. Covey and daughter, were sent Sunday to Lubbock for interment. Lowe is survived by wife and two small children.

NO VACANT HOUSES IN BROWNFIELD

While there hasn't been a vacant residence or room in town for the past two years, three was all last year a few vacant business buildings, but they are all occupied now, and demands for more.

O. K., Victor, We Make the Change

Had a letter recently from Pfc. Victor R. Trussell, who is now training at Camp Chaffee, Ark., asking us to change the address of his Herald from Camp Carson, Colorado. We are glad to do so. We have always tried to keep the ever changing addresses of service men from Terry straight now more than ever.

Our own son, in the navy, located in Hawaii islands, recently wrote us that he had finally gotten the Herald dated around the 22nd of July, and how he enjoyed it. And he called our attention to the fact this way: "I know it is a lot of trouble to change addresses for a dozen or so boys from Terry county each week, but I know how much they appreciate their papers, so do your best to get the Herald to the boys from Terry."

Col. Louis B. Reed Visitor in Brownfield

Col. Louis B. Reed, our district judge-lect, but who being a reserve officer in the United States army, has been serving his country at Ft. Sill, Okla., for the past two years, was a visitor in Brownfield this week, while on a short leave from his post. Col. Reed's home is in Lamesa.

Judge, or Colonel, Reed, as you like, stated that he was training men in the artillery replacement center at Ft. Sill. At all replacement centers, the idea is not to train a whole division, but that if this division needs some replacement gunners, they have them, or they can supply some engineers to another division, or some communication men with still another.

While here he called to get the Herald started to his street address at Lawton, Okla., where Mrs. Reed lives. Said he wanted to keep up with our "foolishments" down here in old Terry. And, we might add, he had a few choice jokes for us as usual, not smutty, but funny.

CAPTAIN NORRIS NORMAN RECEIVES DFC AFTER COMPLETING 25 MISSIONS

Captain Norris G. Norman, bombardier who completed twenty-five bombing missions in the European Theatre of Operations, received the Oak Leaf Cluster to his already-won Distinguished Flying Cross from Colonel Charles H. Dowman, commanding officer of Midland Army Air Field, the AAF Central Flying Training Command's key bombardier base at Midland, Texas. Captain Norman, the son of Mr. and Mrs. William E. Norman, of Meadow, Texas, received his bombardier wings at Roswell, N. M. He attended John Tarlton College and Texas A and M.

Cigarettes Used by Soldiers for Barter

Ament the scarcity of "tailor made" cigarettes, there is a vast number of reasons and conclusions given, the favorite being the soldiers overseas use them for barter with the natives. Anyway, those "coffin tacks" which up to a few weeks ago were plentiful, have all but left for parts unknown.

At best, you had better learn to "roll your own," or just fire up the old pipe—cigars are out too. Others say that with tire and gas restrictions, the wholesalers in the large cities just let 'em go to the nearby markets and call in the dogs. Anyway, as far as we are concerned, if the boys in the fox-holes can get better satisfaction and deals from the natives of the jungles of war areas with cigarettes, we say, "here's" looking at 'em. We'll get by pretty doggone well.

A returned soldier or marine from the Southwest Pacific put this one out a few weeks ago. He tried to get a native to skin up a tree and throw down some coconuts. The bush-head took on a far off look. Some money was displayed; still the distant view. A cigarette was displayed, and no sooner done than the native was skinning up the tree. Yeah! let 'em barter.

Mrs. Roy (Boots) Moreman opened her Boots Cafe, just west of the Farmers gin offices, on highway 380, Monday. Mrs. Moreman has had years of experience in the cafe business and you'll always get your money's worth at her place, as well as a friendly smile and the best of service.

CONGRATULATIONS

The proudest parents we've seen in a long time are Mr. and Mrs. Troy Noel. And justly so, for their's is a fine 8 lb., 2 oz. baby son, born in the local hospital early last Saturday morning. He will be known as Troy Fieldon Noel, jr. He's the spit image of his father—black hair and all. Mother and son were removed to their home on East Tate street, Wednesday.

SEAGRAVES BURGLAR ARRESTED IN LUBBOCK

A suspect, charged with theft of money from a Seagraves filling station last week, was arrested in Lubbock, Monday, and brought to Brownfield jail. On being searched, officers found a tobacco sack filled with a kind of dope, fastened to his leg.

He was carried on to Seminole to await trial. He is thought to be same party who, some months ago, snatched a ladies purse at Seagraves, as he was an itinerant. His name was not learned.

Bob Harris has had as his guest his father, of Ft Worth.

Murder Charge Is Result of Car Wreck

The Terry county grand jury late Monday returned two indictments, charging murder without malice against Roy Baker of Meadow, as a result of the three-car wreck five miles north of Brownfield late Saturday night, in which H. P. Lowe of Lovington, N. M., and Mrs. C. L. Covey and daughter, Ruth, were killed. Baker, who was in a local hospital for several days, was allowed bail of \$2,000 in each case. The indictments named the two women as victims. A second count in each indictment charged the defendant with driving while in a drunken condition.

Only 2116 Votes Cast in Primary

In comparison to the first primary, a very light vote was cast in the second. County Chairman H. R. Winston gave us the following figures:

For attorney general: Sellers, 777; Martin, 1102.

For supreme court justice: Critz, 637; Simpson, 1240.

For state representative: Douglas, 994; Smith 1016.

For county sheriff: Price 1160; Gossett, 956.

Sellers carried the state for attorney general, and Simpson for court justice. Smith carried this district for representative and Price was re-nominated sheriff.

State Fire Marshall Visits Brownfield

Frank Williams, chief of the firemen school, from the A and M college, was here Wednesday, and as a guest of Fire Chief Eunice Jones, and lectured at the Lions luncheon, expaining the many things the public can do that reduces fire insurance rates. He praised the efficiency of our fire department.

Murry Fly, of Odessa, former district governor of the Lions clubs, also was a guest, and demonstrated his memory, by, after lunch, calling by name and pointing out each of the 46 members he had met before luncheon.

FHA HOUSES GOING UP

Construction is well under way on several of the 12 FHA houses being built in Southwest part of town. They will be for sale as they are completed, persons engaged in essential war work.

According to W. W. Price, who receives applications for same, all approvals so far have been to those engaged in petroleum production. They are offered for sale, before considering renals.

Friday and Saturday rains amounted to .80-inch, here, cooling things off, and helping grass and late feed.

Terry County's Gins Making Ready for Season's Run

Terry county's fifteen cotton gins, are ready and making ready for the coming ginning season, which their managers estimate to yield about the same as last year. As they were already in good condition, only replacements and repairs were necessary to make this seasons run.

The gin at Meadow that burned last year, has been replaced by new owners, Sykes & Davenport, under manager, O. E. Echols. The Farmers Co-Op, with Tom Brown, manager, and West Texas Gin, there with J. M. Burleson manager, are ready for business.

R. H. Tudor, owner of the gin west of Needmore, was here last week, finishing repairs and cleaning up. Lee O. Allen, the ginner of Tokio, announces the installation of much new equipment and repairs, only waiting for the "Go" signal. The McNabb gin at Gomez, purchased last spring by Lee Fulton, has about completed all repairs and expects to be ready. The two gins at Wellman, W. A. Campbell owner and manager, with Mr. Griffith, manager, are finishing all replacements and cleaning up. Herman Chesshir, owner of the Forrester gin, says his plant under management of his brother, Leonard, will start with the season. Union gin, a Farmers Co-Op, with A. B. Crow, as manager, succeeding Ed Evans, who moved to Seminole, expects to be able to take care of his vicinity on time.

In Brownfield the Farmers Co-Op's two gins, under management of M. M. Scott, are making extensive repairs, installing new engine in one, otherwise cleaning up, and will fire up on time. West Texas Gin, oldest in the county, with Herman Chesshir, manager, have finished mopping up processes and are ready to go. Roy Phillips owner and manager of the Northside gin, is busy finishing this week. The Independent Gin, with Frank Weir long time manager, is also ready, after making all necessary repairs.

All the gins have capacity to promptly handle a much larger than our normal crop. All however, complain of labor shortage, and expect usual difficulties, on that score.

Compress Also Ready

Mr. E. O. McIver, resident manager of the local Compress and Warehouses, says he is ready to go any time, having only to make minor repairs. They have ample facilities, with nine standard bonded warehouses to handle all cotton produced in this territory, having cared for as much as sixty thousand bales in one season. They employ one hundred men through the rush season, but has his key men already engaged.

Melon Growers Meeting Called

A. L. Hartzog, county agent, in announcing a meeting of Terry county melon growers to be held in the district court room, Saturday, September 2, urged that all Terry county melon growers be present for the purpose of planning an expanded market for melon growers in this area.

Terry melons are of excellent quality and the 1944 crop is considerable larger than any grown heretofore. Truckers are coming in increased numbers, but many growers have indicated a need for exploring new marketing possibilities. Growers will discuss the forming of a permanent melon growers association.

Mr. and Mrs. Tommie Hick and son, spent last week with their aunt, Mrs. L. R. Pounds.

Board of Development Planning Mexican Aid

At a meeting of the Terry County Board of Development, Monday night, it was decided to make an effort to procure a building with some grounds, and to aid in installing a cafe and barber shop, and such other business and recreational opportunities for the Mexican people coming here through the cotton hadvest season.

It was pointed out these folks would enjoy their stay better to have a meeting place of their own, besides it might save embarrassment to others. It seems best, too, that the town, through its civic clubs of business men, should prepare such things in advance. Sponsoring it, perhaps in a way that would pay its way, and no one to be at too much expense.

Even if did require some financial outlay, with a bumper crop on hand, good prices, shortage of labor, it would be worth it, to keep the peace and goodwill of all, as well as save this valuable crop.

The board invites suggestions and aid, and those desiring to work in the project, and have helpful suggestions, are requested to contact O. L. Peterman or J. O. Gillham.

Lucas to Head County War Fund Drive

The Terry County War Fund Drive, beginning October the 10th through October 31, with a goal of \$4,600, will be headed up by Mr. T. C. Lucas, of Meadow, was announced by Mr. Claude C. Merri, representative of the United War Chest of Texas, after having consulted with local officials headed by Mr. J. O. Gillham, State Director of the Texas War Chest, who was appointed to that position by Governor Coke R. Stevenson.

Mr. Lucas said that appointments for the special gift committee comprised of J. O. Gillham, Virgil Burnett and W. R. McDuffie. Spencer Kendrick has agreed to serve as secretary-treasurer for the county drive, and that others to head various phases of the program in the different localities will be announced at a later date. He further stated that a workers' organization dinner will be held in the near future. A. L. Hartzog is to serve as publicity chairman.

Huge Watermelon Crop Being Harvested

Over 200 tons of watermelons have been shipped from Brownfield, to this date, and according to Moury Lewis and other dealers, not half the yield of over 500 acres is yet in. They estimate one thousand tons will be shipped in truck load lots, besides liberal local consumption, this season. The mellons are of large and uniform size, and extra good quality with high acreage yield.

Melons, like our other crops, are a month later by nature than mid-Texas, and thus hit an exhausted market, and netting good prices. Dealers have no trouble in selling them.

Terry County Big Grain Producer

Local grain dealers estimate an increase in yield over last year, in grain sorghums in this territory, on account of increased acreage, and equally as good yield. Over six hundred cars were shipped from Brownfield last year. C. D. Gore Grain Co. are installing new machinery and are ready to receive several cars now. Grady Goodpasture's new elevator is about complete, he is also building one at Seagraves and one at Ropes, both will be ready with the season.

Mr. and Mrs. Boyd Wilson and daughter, Dale, vacationed last week with relatives in Oklahoma, returning Monday.

Instructions for Enrollment In Local Schools

The Brownfield Consolidated Independent Schools will open the 1944-45 school term with the following schedule for the week:

Monday, Sept. 4, 9:30 a.m., general faculty meeting for all teachers in the high school library. The remainder of the day will be spent with each principal working with his respective teachers. Children will not report for school Monday.

Tuesday: Busses will run on Tuesday and children will report to school at 10 a.m. All children will report to following schools: Jessie G. Randall, West Ward, Gomez, Tokio, and Wheatley.

At Gomez and Tokio, grades one to seven will be taught. For high school, the following schedule will be followed: Tuesday, 9 a.m., to 1 p.m., seniors will enroll; 2 p.m., to 4:45 p.m., juniors will enroll; Wednesday, 9 a.m., to 1 p.m., the sophomores will enroll; from 2 p.m., to 4:45 p.m., all freshmen will enroll.

Regular classes will start in high school at 10 a.m., Thursday. Students are requested to please enroll according to the above schedule.

Schedule for West Ward: Grades five to eight; students report to the following rooms Tuesday morning at 10 a.m.: Eighth grade children whose names begin with the letters "A" to "G" report to room No. 10; "H" to "M" to No. 20; "N" to "T" to room No. 22; and "U" to "Z" to room 21.

Fifth grade: names beginning letters A-M report to room 36; from N-Z to room 35.

Gomez: all students report to the auditorium where they will receive instruction from the principal.

Tokio: report to school at 10 a.m., Tuesday and the principal will give instruction about enrolling.

Wheatley: colored school, report to school at 10 a.m., Tuesday and instructions will be given concerning enrolling.

Jessie G. Randall: grades 1-4—first grade children whose names begin with the letters A-F report to room 12 (Mrs. Alice Craft). Letters G-L report to room 15 (Edith Creighton); M-R to room 14 (Mrs. Lennie Cox); S-Z report to room 13 (Miss Creola Moore); Second grade names beginning with the letters A-F report to room 5; G-L to room 4; M-R to room 3; and S-Z to room 2; Third grade A-H to room 8; I-P to room 11; and Q-Z to room 6; Fourth grade: A-H to room 7; I-P to room 9; Q-Z to room 10.

So far we have been unable to find a band director. We are also in need of a music teacher for the Jessie G. Randall school. I would appreciate any information that might lead to finding teachers to fill either of these places.

Cottonoil Mill Making Ready

Mr. O. L. Peterman, manager of the West Texas Cottonoil Co., here announced this week, that they were cleaning house, making all necessary repairs and would be ready for business when the season opens this fall. This mill, a \$300,000.00 investment, has a capacity to process all the cottonseed raised in Terry, Yoakum and Gaines counties.

The oil extracted is used both in war and civil uses. The by-products, cake and meal, containing high protein content, is used in feeding livestock. Mr. Peterman has just returned from a conference with Government agencies, and expected hulls to be free of restrictions, but didn't anticipate much difference than last year, in the other.

The first bale of 1944 cotton was ginned Thursday P. M., by the West Texas Gin. The cotton belonged to Tom Warren Jr.

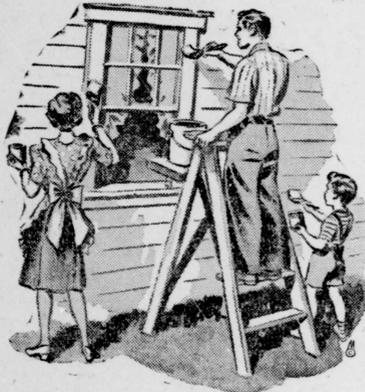

To determine the real value of money, just try to borrow some.

Mid-August Labor Outlook Report

According to the information received from Mr. C. Hohn, Extension Service Farm Labor Supervisor, by A. L. Hartzog, County Agent, cotton picking in deep south Texas has reached its peak with about two-thirds of the lower valley and Corpus Christi areas, already gathered. 20,000 bales in Nueces county.

The County Agent announced that a Farm Placement field man will be located in Terry county, to help relieve the fall rush, as in former years. His office will be located with the County Agent, and he will work under direction of Extension Service.

The Agent suggests that a great deal can be accomplished in the way of increasing labor supplies if each farmer will contact, through card or letter, leaders in migratory crews employed by him in former years and request that they come back to this area again this fall. Those desiring to employ migratory labor should list their needs with the County Agent's office at the earliest date possible, otherwise, crews might report to the Agent and their immediate placement could not be possible.

Schools to Begin Next Week

The Meadow school, with Hamilton Still, superintendent, began its term last Monday.

It was understood they had full complement of teachers. Union school, with V. D. Armstrong, as Superintendent, will begin next Monday, they are short four teachers out of 11. Wellman, with J. T. Jones, Superintendent, also begins Monday, it is thought they are short 6 teachers out of 14. Brownfield Consolidated schools, in Brownfield, will also begin Monday, as shown elsewhere in this issue.

It seems the teacher problem is still with us, as last year. Some relief was had in recent transfer in state funds, and by raising local taxes to supplement teachers salaries, yet officials are hard put to procure full complements.

Jack Collier of Vernon spent the first of the week with his sister, Mrs. Gosdin of the Alexander drug store, and his brother, Roy Collier.

Will Arnett, pioneer settled of this county, now living at Meadow, was in the local hospital early this week, having suffered a heart attack. His sister-in-law, Mrs. John Raymer of Lubbock, and a former resident of Brownfield, was here to see him, Monday.

No vice is so bad as bad advice.

Mr. and Mrs. Tom May and daughters, Joe Pete and Ida May, and Mrs. M. B. Sawyer, left for California, last Friday, to be gone about a week, after which time, they will drive Murphy May's car back here.

Warren Massengale of Lamesa, spent last week with his aunt,

Mrs. Slick Collins.

Mrs. Joe Howard, of Oklahoma, is here visiting relatives of her husband, Tech. Sgt. Joe Howard. She stated that Joe was someplace in Italy.

L. D. Dewberry and wife of Plainview, brother of Melvin

Dewberry, advertising manager of the Jones Theatres, spent the weekend, here.

Ed Thompson was in Tuesday to Gawk around town while his wife did the family wash.

John Beck, prominent Terry county farmer, was in this week to renew for his Herald, and the one going to his brother at Comanche, Texas.

Dr. J. D. Moorhead of Meadow was a visitor here Monday. He stated he was feeling reasonably well.

CITATION BY PUBLICATION

THE STATE OF TEXAS.—To John Robert Fuller, Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M., of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of October, A. D., 1944, at or before 10 o'clock A. M., before the Honorable District Court of Terry County, at the Court House in Brownfield Texas. Said plaintiff's petition was filed on the 15 day of August, 1944. The file number of said suit being No. 2956.

The names of the parties in said suit are: Emma Fuller, as plaintiff, and John Robert Fuller as defendant. The nature of said suit being substantially as follows, to-wit: a suit for divorce, alleging plaintiff's residence in State for a year and six months in the county prior to filing of suit; marriage Nov. 29, 1934, and defendant abandoned her in 1935, and continue abandonment for more than three years and for custody of their six children.

Issued this the 15 day of August 1944.

Given under my hand and seal of said Court, at office in Brownfield, Texas, this the 15 day of August, A. D. 1944.

Eldora A. White, Clerk District Court, Terry County, Texas.

ST. CLAIR VARIETY STORE

The Evert Lathams and Clovis Kendrick's left last Sunday for a few days in Ruidoso.

Mrs. C. C. Bryant was in the Herald office late last week to get the Herald started to her brother, David Perry SF 1/c, who is now with the fleet somewhere in Pacific area.

P. E. Askew and J. E. Spear Sr., were in Saturday to renew for their Heralds.

Mrs. E. C. Groves, who now resides in Calif., was in last week to renew for her Herald.

Relatives of Cpl. Charles O. Sears, learn that he has recently landed in England.

Mrs. Gladys Green of Crosbyton, was here last week visiting her daughter, Miss Leverne, of the local telephone exchange.

Mr. and Mrs. Archie Waddell, Pauline, George and Ralph Murray, visited the Carlsbad Caverns and various places of interest in New Mexico, last week.

PLAINS

Mrs. Bob McDonnell, Mrs. Pride and Margaret, were in Brownfield Monday.

Mr. and Mrs. R. R. Myers of Ft Worth, are here visiting her brother, Stanley Bowers and family.

Mrs. J. P. Robinson, Mrs. C. F. McCargo and Vivian Mayes, were in Lubbock, Monday.

Lady Clare James and Mrs. Kit Morris, spent the weekend in Lubbock.

Gene Coke and girls, Sidney Christene and Jimmie, went to Ft Worth over the weekend, for Mrs. Shorty Coke and baby, to visit here.

Mr. and Mrs. Paul Stanford of Stanton, visited his uncle, P. G. Stanford last Thursday.

Mrs. Francis Smith spent a few days last week visiting the Tubbie's, in Morton.

Evangelist Warren A. Henry, former minister of the local Church of Christ, called Saturday to say "Hello!" The editor being out of town, he asked Mrs. L. H. Bates, who had charge, to tell us that the "Preacher" Henry called.

Being out of town over the weekend, we missed Mrs. Belle Hillyard and two sons, of Dallas, who called. Mrs. Hillyard was for some ten years a valued employee of the Herald, and Mr. Hillyard was an assistant cashier of the State Bank. They are moving to San Antonio, where he is being transferred by the auditing department of the Liquor Control Board, of which he is now an employee.

Also Mrs. Curley Edwards called to see about our health. But she failed to bring along anything to eat to see if our appetite was in good working condition.

A MOTHERS PRAYER

"God, Father of Freedom, look after that boy of mine, where ever he may be. Walk in upon him. Talk with him during the silent watches of the night, and spur him to bravery when he faces the cruel foe. Transfer my prayer to his heart.

"Keep my boy inspired by the never dying faith in his God. Throughout all the long days of a hopeful victory, wherever his duty takes him, keep his spirit high and his purpose unwavering. Make him a loyal friend. Nourish him with the love that I gave to him at birth, and satisfy the hunger of his soul with the knowledge of my daily prayer.

"He is my choicest treasure. Take care of him, Oh God. Keep him in health and sustain him under every possible circumstance. I once warmed him under my heart. You warm him anew in his shelter under the stars. Touch him with my smile of cheer and comfort, and my full confidence in his every brave pursuit.

"Fail him not--and may he not fail You, his country, nor the mother who bore him."

MAY HAVE TO ISSUE B-5 GAS COUPONS

"B-5" gasoline coupons will be issued to fill future applications for "B" gasoline rations when present Ration Board supply of "B-4" coupons is exhausted and will be valid immediately upon issuance, District OPA Rationing Executive Ely Fonville has announced.

Because of a shortage of "B-4" coupons in this region, the "B-5" coupons were validated early and gasoline dealers are being notified.

Fonville also pointed out that all outstanding "B-4" coupons are still valid.

AMERICAN FIGHTERS ALL

--- they gear their efforts

to a quick and complete

VICTORY ---

● The power of our Invasion forces on the continent of Europe, now reigning death and destruction upon the Nazis, staggers the imagination of those who pause for a moment to realize that even as the tide of the battle in the west turns toward Victory for the Democracies, our Forces in the Pacific beat back the Japanese with the weight of unbelievable American Might.

● From whence came the overwhelming number of planes, guns, tanks and bullets with which our heroic fighters so gloriously move now toward Victory? From the sweat and toil of the loyal American men and women in our factories where your war bonds are being converted into weapons by those who work night and day to mesh their efforts into the bravery of our fighting men. Today even as we honor those who fight so ably, we pay tribute to the men and women who made the weapons with which they fight.

TROOP 45 HAS CIRCUS

The regular pack meeting of troop 45 Cubs, ended in a circus, last Friday evening in the little city park at intersection of Lubbock and Tahoka highway. Each den participated in stunts as high rope walkers, clowns, or animal acts, with costumes to carry out the different themes.

There were about thirty-five cubs present with a good attendance of parents and friends, together with the Den Chief, Richard McDuffie and the Scout leader, N. T. House.

The next meeting will be the last Friday in September, as announced by N. T. House, with the location to be announced later.

Mr. House urges all members to be present at the next meeting with as many parents and friends as possible. Brownfield parents, who has boys from the ages of 9 through 11, or know of anyone who does have, should see Mr. House, at Latham's Dry Goods, and get these boys started in this worthwhile organization. The training they receive will help them all through life.

O'Dell Quante Visits Plays and Works

For a boy of only 15 years, it strikes me, O'dell Quante deserves mention of having spent a very interesting as well as industrious vacation.

He spent the first two weeks visiting friends in Jackson, Miss., Pensacola, Florida, and New Orleans, La. He then came back to Fort Worth and secured a job at the Frank Kent Mfg. Co., making airplane parts for Consolidated Aircraft Corporation. While there he joined the Teen-age Canteen, he was on the air, over Station KFJZ, four times on quiz programs, two of which he won.

Just recently he returned home to get ready to start to school, and had a week's trip to San Diego, Cal., to visit his aunt and uncle, Sgt. and Mrs. Clyde Eicke.

Mrs. O. L. Peterman will return this week from Ruidoso, where she was joined by her daughter, Miss Marie, of San Angelo, for a two weeks vacation.

BAPTIST CHURCH NEWS

The revival meeting closed Sunday evening. Rev. Paul Briggs of Pampa, Texas, who assisted the pastor, proved to be a great song

leader as well as preacher, and captivated our people and we hope he may come our way again. The visible results of the meeting were 20 approved for baptism and

and 22 received by letter and the membership of the church were revived spiritually, and are better prepared to carry forward the work of the church.

The attendance last Sunday for the Bible study was 554, which is the largest number ever recorded in this church, but many new members were added who should become regular in their attendance.

The new rooms being completed up-stairs to house the young peoples department, will be ready in another two weeks, and will make a valued addition to our church plant, and the cost is estimated to be about six thousand dollars and this should take care of that department until they

have an attendance of nearly one hundred.

The pastor left last Sunday evening to assist in a meeting with the Memorial church of Temple, Texas, and Rev. George Dale, former pastor of the Tahoka church, will be here to preach morning and evening.

A cordial invitation is extended to all to worship with us.

Wellman Schools To Open Monday

The Wellman schools will officially open the 1944-45 term of school on Monday, September 4, but pupils and patrons will not meet until Tuesday morning at 9:30 for the annual opening faculty meeting and plan the working schedule, the issuance of books and classification of students.

Supt. Jones is desirous that pupils clearly understand their classification. A pupil will be classified a freshman until he has at least three credits, a sophomore on three to seven credits, a junior on seven to eleven credits, and a senior if he or she has as many as eleven academic credits. The above named credits must all be academic credits.

Busses will run on the same time schedule that was used last year and on much the same routes. The busses will not make their first runs until Tuesday morning, September 5.

Certificates for two new busses have been secured by Supt. Jones, but the busses cannot be delivered until after October 1, but the old busses have been overhauled and are in good shape.

The following named persons are the employed personnel of our school for the year:

J. T. Jones, superintendent; S. H. Winn, high school principal and social science; Mrs. Josie Oliver Hill, high school English; Mrs. Lizzie F. Jones, high school math and library; Miss Virginia Tubbs, home-making and science; open: commercial and girl P.E.; OSY—farm machinery and shop—Millard Holliday; Jim H. Harper: elementary principal, seventh grade; Mrs. A. F. Kelly, sixth grade; Mrs. Lee Lyon, fifth grade, Miss Heloise Trotter, fourth grade; Mrs. Quincy McBeath, the third grade; Mrs. Eula Sneed, the second grade; Mrs. Rosa E. Truitt, first grade, and Mrs. H. T. Clark, music (piano and violin).

Millard Holliday, bus foreman and driver No. 3; Jim H. Harper, buss No. 5; H. E. Truitt, buss 4; S. H. Winn, buss 1; and Mrs. Addie Wade, buss 2.

Building superintendent and ground keeper: J. D. Roberts, sr.

General assembly on Tuesday morning will open the term for all pupils. New pupils enrolling in any grade, except the first, should bring with them their last year's book cards and report cards, and have transcripts of work done with them. Remember, no busses will run Monday, but will run on last year's schedule beginning Tuesday morning. All the public is invited to be with us Tuesday at 10 a.m.—Supt Jones.

LOCAL ELECTRICIAN DIES IN HOSPITAL IN LUBBOCK

Fay Hankins, who moved here with his family in the early spring from Lubbock, died with heart trouble in a Lubbock hospital, last Thursday and was buried in Tulla, Friday, according to reports reaching here.

Mr. Hankins was an electrician by trade and had moved here to open a shop. He leaves a wife and one small daughter.

CARD OF THANKS

I take this means of thanking the voters of Terry county for the nice vote of confidence they gave me last Saturday. I hereby pledge the voters to carry on again to the very best of my ability. To those who choose to vote for my opponent, I have nothing but the kindest feelings, and will serve you when occasion arise just as I would any other citizen. Again thanking you, I beg to remain, Very truly yours
Joe B. Price

THANKS VOTERS—

I wish to thank each and every voter who supported me in Saturday's election and hold no ill will against those who did not support me.

Sincerely yours
S. H. (Sam) Gossett

Mr. and Mrs. Terry Redford and small daughter, Terre Sue, left the first of the week for Ruidoso, where they will spend several days.

Mr. and Mrs. E. D. Ballard have returned from Ruidoso, where they spent several days.

Green Pastures Important to Winter Grazing

With the approach of fall, the attention of Terry county farmers is again directed by A. L. Hartzog, County Agent, towards the possibilities of green pasture crops through the winter as a source of much needed protein in the rations of dairy cattle, swine, and other livestock.

Wheat, barley, rye, and varieties of frost proof peas, such as the Austrian winter pea, may be used to produce such winter forage. Wheat and barley, and rye, particularly adept themselves to planting between the rows of grain sorghum or cotton, keeping in mind that though a wheat drill is of course best for use in planting, one can plant without the use of a wheat drill. The agent suggests that seed of these crops is often broadcast by hand before the last cultivation and is consequently covered by the sweeps. This early planting produces a well developed plant that will stand a great deal of grazing after the other crop has been removed.

Why not mix a little tender, succulent wheat, rye or barley pasture with the stalk field for grazing your livestock this winter?

Now is the time to plant in order to produce plants vigorous enough to stand pasturing this winter.
