There is no adjusting, we serves to answay, me delay in adapting? It is always ready for use! It is a perfect little woodse? It is a ministure gaint, doing more work and of a better quality, than the most elaborate and costly. One-half of the labor is fully sived by its use, and the clothes will last our hard former than by the old plan of the rub beard. It will wash the larguest blank-oughly! In a word, the abilities of any fabric: from a quilt to a Lace Curtain or Cambrie Handkerchief, are equally within the capacity of this LITTLE GEM is It can be fastened to any tub and taken off at will.

No matter how deep recret dischange has deliver and derivator at once become the first deal many exist against Washing Machines, the moment this little machine; seen to perform its weaders, all declute of its cleaning forth its numerous advantages over all others, and from hundreds whe have throws aside the unwieldy, or seless machines, which have signally failed to accomplish the object promised in profusiont and loud acounding advertisements.
