AFTERNOON IN FERRUARY.

BY B. W. LONGFELLOW.

The day is ending, The night is demond The march is frozen, The river is dead.

Through elends like ashes

The snew commences; Mark se longer The read ever the plais

While through the meadows, Like fearful shadows, A funeral train.

The bell is pealing. And every feeling Within me responds To the dismal knell

Shadows are trailing. My heart is bewaiting And telling within, Like a funeral bell.

Alexander H. Stephens Before a Georgia Audience.

A correspondent of the Cincin nati Gazette gives the annexed amusing and graphic account of a

Alexauder H. Stephens : "Alexander H. Stephens emerg-ed from the Kemball House, wrapped up in three overcoats and a horse blanket. The bundle with a white head sticking out was put in a carriage right end up, and propped in position by two crutches The bundle their coughed, and said it was all right, and away the carriage rolled to the Capitol. The bundle was then taken out, unroiled, till Stephens was found. Leaning on two stout men, with two more carrying each a crutch, the procession entered the House of Representatives. The building was packed as I never saw it packed be fore. Ladies, politicians, members of the Legislature, citizens, niggers and children had all turned out. When Stephens appeared there went up a shout. It was long and loud, and was followed by another footsteps.

louder and longer. Then, when that died out, another started and ram its course. Mr. Stephens bow-ed acknowledgements as well as he could, considering that the two stout men made a sert of moving white head, there was more cheer ing and applicate. It was plain that he was dismissed in that Stephens had the hearts of the To Prince Van Bismarch: ished his popularity, so far as one I relieved you from the duties of might judge from the demonstrathe public Ministry. But you know was lost in any part of the hall, un- granting to you a relief. distinctness, although his voice did

And this weak and wasted skeleton of a man spoke thus for more than two hours.

Why Amadeus Abdicated.

not seem to be unduly elevated.

Senor Ferrer De Coute, editor of revolution, made the following state-

The Spanish intolerance of foreign interference, he thought, was little understood by toreigners. No ministry and no government would be supported or tolerated for any length of time that submitted to foreign dictation or looked to any other government for countenance or support. That was the chief mistake made by the provisional government that ended with the namednation of Prim and the enthronement of au Italiau. That whole movement with concocted and carried into execution by men who lived by and for office. They main-tained a certain amount of influence and control with the army, but of citizens. The exhaustion followthe loss of Caba as a consequence of continued revolution than to any Inherent power in the govern-

A morning paper had endeavored to show that the advancement of Don Hidalgo had precipifated this trouble. This Senar de Conto thought to be totally unlounded. The real operating cause was the correspondence between the Spainb government and Mesers. Tish and Sickles. A government only tolerable before became intolerable when such correspondence was received complete by a Spanish king.

to the one just declared would, in excess of 2064 of arrivals over dehis opinion, culminate within the partures. first four or five days. The Carlists San Diego has recently attracted already in arms might crystalize, much attention from the fact that in opposition to a republic, with the it has been made the tirminus of adherents of Prince Altonso and the projected Texas and Pacific other elements of discord, and the Republic would be in great danger, Prince Alfonso had a powerful in is reported to be in a flourishing priesthood and bigotry. He was supported, besides, by the northern provinces forming the old Kingdom of Navarre. The constitutional menarchy had deprived these propublic appearance and reception of vinces of long established priviteges, such as immunity from milftary service, exemption from tax on tobasco, and free municipal govern-ments. They had joined with Carlos in hopes of having these privileges re established. Faiture to act in concert, he thought, might weaken the power of this opposition, but protracted civil war to likely to re-

treduced my bill, which applied to all hinds of stock and it was referred to the proper committee. I soon discovered that the majority of the committee were onthat time I am satisfied that the centiment is pensiderably changed to regard to the

their position, and do amends for ... I am new waiting for further change, as ous misrepresentation of the people and the people have not had time to think who sent them to the Legislature, the matter ever and consider it in all its as well as those living here who bearings. It is true that it would work had no hand in bestowing the honor quite a revolution in the industrial pursaits of the country. But wheever will carefully calculate the advantages of the measure to the agricultural interests of WE HAVE before us, kindly toan the Sinte, and weigh it against the diead handling, and by a man whose coat mand and need of it will forever hallance the objections. In addition to this it is adopt or reject at pleasure, by a vote at han on the place shall be sold in the the ballot box, and to give the stock-raiser

I am sir, very truly, ASHLEY N. DENTON.

since on the subject of preposed ditches of "Epsom salts" is moving the bewels of What we would like to see, how.

Sunday's Herald signed C. H., in which the writer attempts no argument in favor of the proposed job; but tries to rideale the fashionable low-necked party the arguments of my first article, by classically and graceful. This I freely admit. It is not necessary to these times, more thorough and rethe absurdity of attempting to relieve any of them, can be right, Bat if medical liable than any committee, because overflows in the manner proposed. As to print that C. Harnett proposed to construct one of them for \$40,000, and -, the other for \$30,000. The first of these I have verified, the other, I am told, is an error, C. H. speaks of the amount "seriously" contemplated. I cannot say whether the proposal to build one for \$40,000 was serious, or a huge joke, the party that made

It did occur to me that the value of me that money would have to be borrow- venting sickness with the standard vegeed, at, at least 12 per cent interest; whethor the increased taxes would pay this inter-

The details of the aurveys on which is preposed to make these ditches have not been made public, but a casual inspection of the line of the one to pass the San Pedro Spring, shows that it varies but little from a level. Will C. H. explain how the flow of water is to be obtained, suffielent to have any perceptible effect upon the torrest that fills the river in times of everflew! If C. H. or any one else who knews, will solighten the public as to exnetly what is proposed, and addace arguments in favor of it, the object of my tiret cemmunication will have been accomplished, as I desire nothing more than a fail discussion upon full information before any contract is entered inte.

In concinsion, I would recommend to C. H. the use of a dictionary; the sentence about "longitudinal" distance involving arcana" would not sound as well if written a lengthwise sentences involving secureta well known to every tyre. &c.; nor is "learned pandit" very applicable when plete stock of transposed into its equivalent-a man learned in the science, religion and literature, of the Brahmin.

In New Orleans recently a city lady and country gaptleman paid a visit to the skating rink. After seeing the ladies and

"Oh," he replied, "It is profit good, but nes near se good as the blondes."

"You just wait a mement until you see eme of the ladies tumble and you will blink it is fifty times butter," anid his com-

A gentleman, favorably known in high circles in Philadelphia, named Jacob Stone, was relating to a Sabbath School his travals in the Holy Land, and among other things, told the scholars of the assent of Mount Piegah. On the fellowing Sunday a teacher asked, in the course of the leason, who ascended Mount Plagah. A little

WHEN a woman has a hen to drive into the coop she takes hold of her hoeps with both hands, and shakes them quietly toward the delinguent , and says "Shew! there"

The hen takes one look at the object to convince herself that it's a roman and then stalks majestically into the coop in perfect disgust of the sex. A man don't do that way.

He goes out of doors and says, "It is singular that nebody can drive a be nbut myself," and picking up a stick of wood hurls it at the offending biped and observes "Get in there, you thief". The hen immediately loses her senses and dashes to the opposite end of the yard. The man straightway dashes after her. She comes back again with her head down and followed by an assortment of stove wood, fruit cans and coal clinkers, with a much puffing and very mad man FROM SWITZERLAND, in the rear. Then she akims up on the stoop, and under the barn, and 6000 YARDS BAREGE, of all colover a feuce or two, and around the house, and back again to the coop all the while talking as only an excited hen can talk, and all the while followed by things convenient for 5-1-radif. is on the sawbuck, and whose perspiration and profauity appear to have no limit. By this time other hens have come out to take a hand in the debate, help dodge the misailes - and then the man sava every morning, and puts on his things and goes down street, and the woman housed and contented in two mi. A. BOID DOREMES, D. D. S. outes, and the only sound heard on the premises is the hammering by the oldest boy, as he mends the broken pickets.— Denbery News,

IT IS no secret that Protessor Agnesis is a strong opponent of the Darwinian theory of natural selection. Not long ago he ges intro-duced to a lady whom he was aure-of having met before. She told him that he was mistaken. He lenghingly replied: "Well, we have known each other, but I presume it was when we were both touch."

The Boston Post in anth doubt them, it has proven a great My article in the Expense a few days statement that a recently discovered mine the earth in Minnesota.

> Dr. L. Regers states that in his practice Average states that in his practice he was nashed so see a patient who was attacked with pain and swelling of the hip, simulating acute rheumatism, which finally culminated in a large absence which required opening. Absence after absence apeared, five in all. Supparation profus od partions of the dea day to day-auffering intense. trem day to day—suffering intense. At this stage has commenced the use of the El-ixir, and when fully under its influence patient made a rapid recovery. He says: "I gave him no other medicine, only as was necessary to correct the discovery. necessary to correct the disturbed con-dition of the secucions; consequently the combatment of the disease must be attri-buted to the influence of the 'Lodo Brom-Thave since used this new agent in a

large number of cutaneous diseases, and am highly gratified with its effect. I con-sider it a valuable acquisition to our thera-peutical agenta, and could not think of be-

ing without it."
In Rheumation and Piles. - Dr. X. T BATES, in a comunication to the "Journal Materia Medica," says: "I have found the Elixir lode-Bromide Calcium, Compound, by far the most satisfactory alterative I ever has tried them—and among them are some of the leading ones in town—as the best and purest which have ever been manused. In the treatment of Rheumatian and Piles it has proved itself a powerfu and useful remedy and a valuable acquisi of medicinal roots, barks, and herbs known to sience and have not their equal as pre-

tion to the 'Materia Medica.".

In Neuralpia and Oberthea.—H. R. Niss-Ly, M. D., Pemberton, Ohio, says. "I have recently used the Iodo-Bromide of Calcium, Compound, and have been highly gratified with its action "

In Chronic Irritable Floer.—Dr. S. H.

POTTER, says: "It has proved itself in every case a very valuable and potent romedy. I have been using it on a Chronic Irritable Uleer on my own person, arising from a severe concusion five years since. Singular as it seems, nothing else promotes hea thy granulations, nothing else can be tol-erated, and yet this acts like a charm. "Both internally and externally, I have found it more efficacions than any ether medicine that an experience of forty years

enables me to select."

In a Case of Serofulous Abscess. - Dr. F. M. Hanvey, Ontario, Canada writes: "The Elixir of Iodo-Bromide Calcium, Com-pound, is a magnificant remedy. I am using it with marked success in a case of Sorofu-lous Abscess in the upper part of the fe-mur. I think more of this samply than of all the many alteratives I have noticed in medical journals for the last two years." In a Case of Cancir.—H. H. Pikeck, M. D., Rutland, Vt., writes: "I am using the Iodo-Bromide of Calcium, Compound, as a lotion, and the Elixir of the same internally, with the happiest results. They have far exceeded my expectations. My patient about his form

Form of Proposal, Guarantee and Certificute. PROPOSAL.

The undersigned

p.m; Leave Camezon Tuesday and Friday No. — be accepted by the Postmaster proposed, with good and sufficient sureties.

This we do, understanding distinctly the guarantors.

CERCITETCATE.

The undersigned, postmaster at -day at 7 a m;

Arrive at Cameton next days, by

the complete of the second seco 12 m; Leays Canteces Tunday and Friday men of property, and able to make good their guarantee; and that bidder and guarantors are above the age of 21 years. Rids of \$6,000 and noward must be ac-

companied by a certified check, or draft, on some solvent bational bank, equal to on some sorvers balloust ball, equal to 5 per contain on the present ainnal pay on the route; or in case of new service, not less than 5 per contain of one year's pay proposed in bid.—(Section 253, act of June 8, 1872.)

The Postmaster must not sign the certificate until the sum of the bid is userted, and the bid and guarantee signed by all the parties, and dated.

leate until the sum of the bid is inserted, and she bid and guarantee signed by all the parties, and dated.

Each bid must be guaranteed by two responsible persons. The bid and guarantee should be signed plainly with the full name of each person.

The Portmaster General reserves the deemed strayagants and which may be deemed at trayagants and also to disregaril the bids of falling contractors and bidders. (Act of June 8, 1872, action 249.) to Lampasse, 50 miles and back, thin MEQCIRED BY SECTION 246 OF AN AUT OFFICER "QCALIFIED TO ADMINISTER

post office laws, or disobeying the instructions of the department; for refusing to discharge a carrier when required by the Department to do so; for running an express as aforesaid; or for transporting persons or packages convoying mailable matter out of the mail.

3. The Postmaster General may order an industrial exception of the mail, therefor a warmate increase on the contract pay. He has change schedules of departures and arrivals in all cases, and particularly to make them conform to connections.

reglecting to take the mult from, or de-liver it two, a post office; for suffering it to be wet; injured, destroyed, robbed, or lost; and for refusing, after demand, to

are and arrivals in all cases, and particularly to make them conform to connections with railroads, without increase of pay, provided the running time be not abridged. The Postmaster General may also discontinue or curtail the service, in whole or in part, in order to place on the route superior service, or whenever the public interests. In his judgment, shall require such discontinuance are curtail them. other cause; he allowing as full indemnity to contractor one menth's extra pay on the amount of service dispensed with, and a prevale compensation for the amount of service retained and continged.

9, Payments will be made by collections from, or drafts on, postmasters or other-

State of ----, undertake that, if the fore- 11. Bidders are cautioned to mail their going bid for carrying the mail on route proposals in time to reach the Department the day and hour named (3 p. m., March 1873), for bids received after that time at 7 a m;

Arrive at Brenham next days by 6

Fropounds in vited to end at Caldwell.

General, the bidder will, prior to the late will not be considered in competition with June, 1873, suter into the required obligation. Neither can bids be considered in which are without the greater required. which are without the guarantee required by law, and a certificate of the sufficiency of such guarantee, and the oath of the

> vice strictly according to the advertisement, and then, if they desire, separately for different service; and if the regular be considered.
>
> 13. There should be but one route bid

> the name and residence of the bidder (that is his usual post office address), and the name of each member of a tirm, where a

company offers, should be distinctly stated 15. Bidders are requested to use, as far as practicable, the printed proposals furished by the Department, to write out in copies of them.

Altered bids should not be submitted

nor should bids once submitted be with-drawn. So withdrawn of a hidder or guarantor will be allowed unless the with-drawal is received twenty-four hours pre-vious to the time fixed for opening the pro-
