DR. WHITTER, MARRIAGE QUIDE,

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OE FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic prop-erties, prevents the hair from falling out, as it stimulates and nourished the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPA-RATION for its intended purposes."

A Word of Advice to Travelers. The Missouri, Kansas & Texas Railway has become so well known to the people of Texas, as one of the finest and most comfortable Roads on the continent to travel on that it seems almost unnecessary that we should say aughtin its praise. Yet we cannot ever get back from a trip over this line without eaving something in praise of the management, who always seem to be striving to make their patrons comfortable, while traveling over their road. The track is always in the best possible condition and trains are at all times run at uniform speed. Pullman's finest Drawing Room Sleeping Cars accompany all through passenger trains are at all times run at uniform speed. Pullman's finest Drawing Room Sleeping Cars accompany all through passinger trains, and if you are going north or east, by making your wants known, you can go either via Hannibal or St. Louis. And for Kansas City, Denver, Californis, or any of the Northwestern States or Territories, it is much the best route we have from Taxas. Their Dining Stations and Hours for Meals are all that a treveler could wish for, and in fact there seems to be nothing left undene to render a trip over this line pleasant.
