Governor Kellogg has issued all for an extra session of the Louisiana Legislature to convene on the 14th of April next. The proclamation of the Governor limits the subjects for the consideration of the Legislature to adjusting the political differences; the revenues of the State, how to coffeet and disburse; amending the funding bill so as to prevent fraud; the condition of New Orleans; the relief of the commerce of New Orleans ; and to incoperate a board of trade.

Peace seems to have been restored to Louisiana under the wise management of a Republican Congress; the vary air seems redoleut with good feeling. McEnnery disappears from yiew; and the White League fraternity throw up their hats and hurrair for Kellogg. The viperish press of New Orleans contain words of approval and praise; and from all appearances, a political milienium has been inaugurated in the pelican State. This will all do very well until the next general election. when we may expect a repetition of political troubles in Louisians, as both parties are thoroughly corrupt.

An Important Foct.

The voluntary testimony of thousands establishes beyond all doubt a fact of vital importance to the sick and debilitated, viz., that Hostetter's Stomach Bitters is an absolute specific for remittent and intermittent fever, dyspepsis, constipation, billourness, mental depression, sleeplessness, chronic diarrhos, and all diseases of the stomach, liver and bowells. The unsule prescribed medicated stimulants usually prescribed in these cases only aggravate the symptoms, instead of removing them. The Bitters, on the contrary, set as a correct ive and invigorant, without producing the unpleasant and dangerous consequences of the old school practice. The action is mild and scothing to the irritated stomach and bowels, promoting digestion and pre-venting flatulence, nausea, headache and all intestinal irregularities. A wineglass ful before meals greatly assists digestion. The convalencent may use them with great benefit, as a means of rectoring strength and cheerfulness.

Consumerty se, Take Notice.—Every moment of delay stakes your cure hopolose, and much depends on the judicious choice of a semedy. The amount of testimony is favor of Dr. Seconck's Pulmonic Syrup, as a cure for consumption, tar exceeds all that can be brought to support the preferences of any other medicion. See Dr. Schenck's Almanac, containing the certifusates of many persons of the highest recepetability, who have been restored to health, after being pronounced incurable by physicians of acknowledged ability. Schenck's Pulmonic Syrup alone has cured many, as these evidences will show; but the cure is often promoted by the employment of two other remedies which Dr. Schenck provides for the purpose. These additional remedies are Schench's Sea Weed Tonic and Mandrake Pills. By the timely use of these medicines, according to directions of any person they timely use of these medicines, according to distolions, Dr. Schenck certifies that mea-any case of consumption may be cured. —a Dr. Schenck is professional at his prince cipal office, Corner Sixth and Arch Sta., Philadelphia, every Monday, where all let-ters for advice must be addressed.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most eco-nomical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and earefully selected for excellent quality; and I consider it the BEST PREPA-RATION for its intended purposes."
