

Call for a Republican State Convention - Federal Office-holders move.

In another place will be found the call for a Republican State Convention to assemble at Homestead on the 26th of May.

This call has been made at the request of a large number of leading Republicans in different portions of the State.

The office-holders and the ring-leaders of the democratic party are upon the attention of every loyal man and good citizen in the State.

At the request of many Republicans, and in the absence of the chairman, I call a Republican State Convention to be held at Homestead on the 26th of May.

When the democratic editor who writes the Constitutional Convention, ventures to discuss the question, he seldom gets beyond the patent denunciation that the present organization was "brought forth in ignorance, conceived in sin, and forced upon our people by the bayonet."

Remarks Made at the Grave of Dr. A. M. Dickinson.

By a Friend.

One month ago, my friend Dr. Dickinson, feeling that his earthly career was drawing to a close, requested me to make a few appropriate remarks over his grave to those who appeared present.

It is no time to depart from the well-defined usage of political organization. Let a Convention assemble under the call made by Adolphus Zadek.

LOCAL AFFAIRS.

The Baker House is being unroofed. Mr. Garza, the owner, will have another story added and the building handsomely finished off.

Death.—Mr. Johnson Traggott Hirt, an old citizen of the city, departed this life at his residence on the 26th inst. Mr. Hirt leaves his wife, Mrs. Amalia Hirt, and two daughters, Mrs. Auguste Kirchner, and Pauline Weber, and many friends who mourn his death.

SENTENCE.—Joe Williams (white) was sentenced to-day by Judge Noonon to the Penitentiary for five years for theft of a horse. On being asked if he had anything to say in his defense, he said: "I had nothing to say before the war, but I had a lot to say after it."

Chambers (colored) was sentenced to two years in the penitentiary for stealing a shawl. Chambers expressed himself very indignantly at his treatment and said that when he had finished his term he intended to go to some "white man's" country.

FIRE—DRUG STORE BURNED.—About 11 o'clock last night the alarm of the fire department was sounded. The drug store of Mr. J. H. Perkins was discovered to be on fire by some one passing in the rear of the building, and the alarm was given. Before the engine arrived the fire was nearly extinguished by the efforts of the firemen.

The fire originated in the rear office, which is used as a private apartment by Dr. Graves, who it seems was away in the country last evening and the building was left unoccupied. The fire was discovered at 11 o'clock and it was the work of an incendiary.

The firemen arriving they threw the water up stairs and down, damaging to a great extent what the fire had not touched. The fire was soon extinguished. Fortunately the oils and greases in the drug store did not ignite. The loss of the building and the damage to the building, which belongs to Mrs. Terrell, formerly Mrs. Maverick, will be at least \$10,000. There was no insurance on the drug store.

"ELI PERKINS"—HIS LECTURE AND HIS FUTURE.—"Eli Perkins" finished up his visit to our city in a brilliant style, and so matter if Mr. Perkins ever comes back to our city, he will not be soon forgotten. He came here with his bride, and was made welcome by several of our leading citizens who know the personality of Eli Perkins, and he found his surroundings as pleasant as his stay was lengthened out far beyond his calculations; he came to see us and not to bore us, or to make money, but his high reputation as a humorist could not escape a public testimonial of some sort, and upon being urged to favor our citizens with a public lecture, he agreed out of complacency to do so.
