The Howe Sewing Machine.

For some years I have been actively engaged in increasing the facilities for manufacturing my Sewing Machines, and have succeeded in organizing a most complete system, combining perfection of workmanship with the largest productions at the smallest cost.

In order to obtain these results, time, labor, money, and the EXPERIENCE OF MY LUPE, as a practical mechanic, have been freely contributed, and I believe, with success. Further to facilitate the manufacture and sale of my Machines, The Hown Machine Co. has been organized, and the business will be carried on in the HOWE MACHINE Co. has been organized, and the business will be carried on in the name of that Company, under my supervision. The enviable reputation of my Machines has induced persons to use my name in connection with Machines of an inferior description—and I have, therefore, to protect myself and the public, adopted, as an especial TRADE MARK, A MEDALLON, having in the centre the profile of the Inventor surrounded by the legend, "ELLAS Howe, JR., INVENTOR AND MAKER, NEW YORK, U.
