War Fund Drive To Start Next Week

Sterling County Candlelight, Communion Service Held

The United War Chest Fund campaign in Texas will be opened with a "kick-off" radio program from 9:30 to 10:00 p. m. Monday October 9. The program will be carried by all state networks, and arrangements are being made to have all independent stations tie in on the chains. It is expected that the "kick-off" show will be carried by every radio station in the state, said Judge Chappell Murrell, Sterling County chairman.

The Sterling County quota is \$1353 this year. Many \$50 and some \$100 donations will be needed if Sterling is to reach the goal.

The Sterling committee is composed of Chappell Murrell, chairman, Mrs. Tommie Johnson, treasurer, S. M. Bailey, and Jack Douthit (publicity).

MARK MATHIS, GOLD STAR

THE LATE LT. MATHIS

The Methodist and Presbyterian churches observed World Communion Service last Sunday night at the Methodist Church. A candlelighting service for their men in the armed forces was held in connection.

As the boys' names were read (for each star on the service flags) Carolyn Foster or Beth Abernathy would light a candle and some member of his family would go to the communion rail. Gold candles were lit for gold stars of Jack and Mark Mathis, nationally honored heroic U.S. bombardiers.

Mrs. Lester Foster was chairman of the committee in charge of arrangements.

and Evening Worship 8:00 p. m.

A new class is being organized for all high school young people and those who have recently graduated. Mrs. Homer Brown is sponsor and assistant teacher and Mrs. Rufus Foster is the teacher.

Harold M. Kautz, engineer with the U. S. Soil Conservation District, is here for a week's detail of work. Kautz is now a district engineer, working out of Fort Worth. He plans to move his family to Fort Worth as soon as he finds a house.

Texan Is Legion's "Man of the Year"

Selected as "Man of the Year" for his outstanding record in advancing the principles of Americanism advocated by the American Legion, Horace H. Shelton (left), attorney of Austin, Tex., is shown at the national convention in Chicago as he receives the \$1,000 Lewis S. Rosenstiel Award for distinguished community service. The award is presented annually by Rosenstiel, chairman of the board of Schenley Distillers Corp. Making the presentation is James F. O'Neil, of Manchester, N. H., vice-chairman of the Legion's National Americanism Commission.

Baptist Pastor Resigns

REV. C. B. STOVALL

Rev. C. B. Stovall, pastor of the First Baptist Church here for the past five and one-half years, has resigned effective October 15, and will go to the First Baptist Church of Stanton as pastor. Rev. Stovall came to Sterling from the church at Goodnight, Texas.

On Wednesday night at the W. M. S. meeting (Week of Prayer) the church honored the Stovalls

Martin-Lappin Nuptials

Mr. and Mrs. Jess Martin of Sterling City, formerly of Robert Lee, announce the marriage of their daughter, Georgia Bell, to Pfc. Guy Lee Lappin, son of Mrs. B. H. Sanders of Decatur, Ill. The marriage took place at the home of the groom's mother September 27.

The bride is a graduate of Sterling City High School, and has been employed at Levine's in San Angelo since her graduation in 1943.

Pfc. Lappin served at San Angelo Army Bombardier School and received his wings at Tyndal, Fla.

Mr. and Mrs. W.H. McDonald, Mr. and Mrs. Lee Hunt, and Mrs. Marvin Churchill returned last Friday from a trip to El Paso.

with a parting social following the meeting. H.M. Carter, on behalf of the church, presented the Stovalls with a chair. Refreshments were served.

The best wishes of their friends go with the Stovalls to their new home and field of work.

Lions Club to Sponsor Projects

Seth Bailey presided at the Lions Club Wednesday in the absence of the president, Clyde Davis. Visitors were Rev. C. B. Stovall and Betty Jane Donalson. Betty Jane sang two solos and played one piano solo. Rev. Stovall spoke briefly.

The prize went to R. P. Brown. The club voted to sponsor the War Fund Drive which begins next week. The club voted to send the Boys Ranch at Copperas Cove \$30. The club also voted to sponsor and build a shelter for service men passing through town.

Mrs. Marvin Churchill, Mrs. T. F. Foster, and Mrs. Rufus Foster served the luncheon.

Memorial Service

HELD FOR DURWOOD RHODEN

A memorial service for Durwood Rhoden was conducted last Sunday night at the First Baptist Church. Durwood, a U. S. Marine, was killed in action at Saipan by the Japs in the summer.

Rev. C. B. Stovall conducted the service. Mrs. Tommie Johnson, Clyde Everitt and George Loper played the Marine hymn. Mrs. Clyde Davis read a poem and Jean Mathis and Betty Jane Donalson sang "When They Ring Those Golden Bells" as a duet.

An Army Air Force man named Reynolds, of Kerrville, wrote the family that he had seen Durwood's grave on Saipan in the 2nd Division's cemetery. He said the cemetery was well kept and nice.

Sgt. Mitchell Is Safe

Sgt. Z. Max Mitchell, husband of Liska Bengé Mitchell, who was reported "missing in action" by the War Department since September 5, has turned up in England safe and sound. Notice to that effect was received here last Friday.

Mrs. Earl Welch Honored

Mrs. Earl Welch was honored recently with a farewell party by her friends of the Divide community. She was presented with an occasional table as a farewell gift. Mr. and Mrs. Welch have moved to Water Valley.

O. M. Cole, Jr. and family of Somerville are here visiting the O. M. Coles, Sr. and other relatives.

Mr. and Mrs. Will Augustine visited their son, Tommie, at Camp Hood last week-end. They were accompanied by Mrs. C. C. Ainsworth.

Mac Bengé and John Vogel returned Tuesday night from a trip to Van Horn. Mr. Vogel lives in San Angelo.

Informal Concert

An informal concert was given Tuesday night at the Methodist Church featuring George Loper and his violin, with Mrs. Ed. H. Lovelace accompanying on the piano.

Mr. Loper, talented violinist, graciously played for one and one-half hours to an appreciative audience.

Mr. Loper has been stationed here with a geophysical crew and is leaving this week.

Enrolls at A.&M.

Mr. and Mrs. Nick Reed and Trina Beth returned home Sunday from a trip to College Station, El Campo and San Antonio. They took Neal J. to College Station where he enrolled as a freshman in A. & M. He is majoring in veterinary medicine.

In El Campo they visited Mrs. Reed's sister, Mrs. Boyd. In San Antonio last Saturday night they saw A. & M. beat Tech 27-14. Neal J. came over to San Antonio and joined them at the game.

Milk-Made Desserts Easy on Sugar Ration

TEMPTING to the eye and pleasing to the palate, milk-made desserts can be easy on the sugar ration and kind to the budget.

That's the practical tip to homemakers given by Alice M. Cooley, director of home economics of the National Dairy Council in nationally circulated Capper's Farmer.

"Vary the popular stand-bys, custards, rice and bread puddings, by cutting their already low sugar content with sweetening of honey, ma-

Try orange custard sauce on gingerbread squares. Replace 2 tbsp. of each cup of milk in custard with 1 1/2 tbsp. orange juice and 1/2 tsp. grated orange rind. Serve chilled.

Spread chocolate pudding between sponge cake layers. Sift confectioners' sugar over paper doily atop cake. Lift doily carefully.

ple sirup and corn sirup," she advises in the Rural Home section of this leading farm magazine.

"Prepare packaged cake and gingerbread mixes; try toppings of custards or fruit sauces. Add milk to packaged puddings; cook and serve chilled in pies or between layers of cake.

"Thus with a little ingenuity a busy homemaker accomplishes three purposes. Sugar is spared, the family is pleased, and providing the day's milk requirements—a minimum of a quart for every child and a pint for every adult—is made easier."

Add milk to pudding mix, cook and turn into baked pie shell. For a feathery light filling, fold in beaten egg whites. Chill well.

One of the things which help to either make life run smoothly or make it most difficult is the type of food habits your baby will develop under your guidance. You want him to learn to eat a variety of foods and enjoy them. After all, eating is one of the joys of life. So, see that mealtimes are happy times, so that your baby will learn to associate food with joy.

A healthy baby will have a good appetite and if ALLOWED to eat and to enjoy his food, will continue to have a good appetite and will gladly learn to eat a variety of foods. Occasionally, just as you do, he will not have as keen an appetite as at other times and will not eat so much.

Your baby probably knows a good deal better than you when he should eat less food. He may be coming down with a cold. Anyway, if he does not want to eat the usual amount, urging on your part will not accomplish much except antagonism. Healthy babies do not starve themselves. Therefore, if baby does not want to eat, remove the food after a reasonable time has been allowed and offer nothing until the next meal time.

Perhaps he should have a little more variety. Not the same cereal every day, but a wheat cereal food one day and an oatmeal the next day. Both are especially prepared for babies. If he has learned to eat two or three vegetables and has had plenty of time to become accustomed to them, then gradually add another vegetable to his menu.

Glamour In Industry

The modern girl who works in a war plant may seem to lack glamour while on the job but who knows what a pair of coveralls can really cover? This is Marilyn Tribolet, Fruchauf pin-up girl for Southern California.

Marilyn is 19 years old, has been with the trailer company in Los Angeles for 16 months and, as the Spanish costume (?) suggests, is of true Castilian and French descent. We might add that she doesn't work in this brief outfit but normally wears a trim slack suit.

TECUMSEH, MICH.—Henry Ford and Perry Hayden, a miller here, are cooperating on an experiment to demonstrate the truth of a Biblical text concerned with the reproductive powers of wheat in six years. Four years ago 360 kernels of wheat were planted on Ford's Tecumseh farm. This year the product of this original planting requires a 14 acre field and yielded about 300 bushels. Charles Figy, Michigan Commissioner of Agriculture, predicts that the 1946 yield when the six year period ends, will be over 100,000 bushels. Henry Ford told Mr. Hayden that upwards to two thousand acres from his extensive Lenawee county farm will be available for the final crop in 1946. This illustration shows Henry Ford standing with Perry Hayden alongside one of the latter's new Fruehauf trailers. In the background is shown a portion of the harvesting operation during which equipment from bygone days was employed.

Assembly Program

Superintendent O. T. Jones has announced that there will be four interesting and educational assembly programs given in the course of the school year. These programs will be presented in the high school auditorium.

The first of these programs is scheduled for October 25 at 3:00 p. m. "Reptiles of North America" is the subject to be discussed by an authority, Jack Raymon.

The admission prices have been tentatively set for grade school children, 10c; high school students, 15c; and adults, 25c.

Mr. and Mrs. W.H. Gayle and daughter, Mary Evelyn, of Fort Worth, visited Mrs. J. S. Cotten and Miss Vera Cotten here last week.

By Lillian B. Storms
Not so very many years ago, there used to be a quite common ailment, called Spring Fever. Grandmother had a remedy, usually sulfur and molasses, which contained some of the food values which had been lacking in the family diet during the long winter. The fruits and vegetables available to our grandparents were much more limited than ours and often did not last throughout the winter. They could not find a wide variety of vegetables on a grocer's shelves as we can, almost regardless of the season. We may not use our advantages as we should, at least for most of the family. But there is one member of the family we realize should have the "right food in the right amount at the right time," and that person is the baby. The ingenuity of some young parents has brought to your baby a wide variety of strained foods, of high quality. No longer does a busy young mother need to go to the grocery store every day to find what vegetable is available, and then take whatever she can find. This problem has been solved for her and daily saves her valuable time. Your baby has a choice of evaporated milk, sealed in sterile cans, or pasteurized milk; either one of them are much safer than the milk our grandmothers could buy. There are special baby cereals, thoroughly cooked, flaked and dried, ready to serve simply by adding milk or formula. No more long cooking in the home and then straining to render the cereal or the vegetables suitable for a young baby. The little cans of baby's vegetables and fruits bring a variety for your baby, all year around, which grandmother didn't have.

Clubs Have Initiation Ceremonies

The new members of the Future Farmers of America and the Future Homemakers of Texas were initiated into their respective organizations last Monday.

The day began with a 9:00 a. m. assembly program. The initiates, seated upon the stage, were made to sing a number of songs, embarrassing enough to the performers; but very comical to the audience. Ancel Reed and Betty Jane Donaldson, representing the older members of the club, had charge of the program.

Throughout the day and after school hours the neophytes were literally "put through the paces" by the upper classmen.

The formal initiation took place Monday night at the school building. The initiation for the girls was held in the home economics department. The boys held their initiation ceremonies in the agriculture room. After the ceremonies, the members gathered in the gym where they enjoyed cookies made by the girls and drinks furnished by the boys.

Party at the Knights

Last Friday night Anna Lou and Dixie Knight entertained a number of their friends with a tacky party at their home. The guests participated in games appropriate for the occasion.

Prizes went to Jackie Durham as the tackiest boy and to Margaret Skeete as the tackiest girl.

The guests included Jim Butler, Jackie Womack, Laverne Knight, Billy Rusk, Bonnie Ruth King, Billy Hudson, La Vone Allen, Harold Emory, Mary Ann Bynum, Jackie Durham, Margaret Skeete, Bobby Edwards, Gordon Bufford and Bobby King.

The following parents chaperoned the group:

Mr. and Mrs. Riley King, Mr. and Mrs. J. F. Skeete and Mr. and Mrs. Dick Knight.

Grade School News

The sixth grade, as well as the whole school, was deeply saddened to lose Clinton and Miss Hodges's mother, Mrs. Fred Hodges. Mrs. Hodges was one of the sixth grade room mothers.

Those absent from the sixth grade last week were Billie Jean Nichols, Geneva Reed, and Henry Bliznak.

The eighth grade enjoyed helping fill to the Red Cross boxes last week.

Trinabeth Reed is back in school after a week's vacation. She visited in Bryan, Houston and San Antonio while away.

The students are hoping their mothers will join P.T.A. this year. The boys and girls are saying, "Join at once and help our school."

The first grade has a new pupil, Bobby Wayne Dickerson. Don Aiken has moved away.

A Time for Planting . . .

THE broad lands of Europe and Asia, freed of the oppressor, can now be planted again. The farmers in Russia and Poland and other ravaged countries can raise food to banish the specter of starvation . . . if they get the seed.

You can help them make their fertile acres fruitful once more. You can bring them new hope, new faith, and a chance to grow their daily bread. You can help—with your gift to your local War Fund this year.

Through this fund, not only is seed provided for fellow farmers, but a host of other kindly things are done for our own and our allies all over the world.

This once-a-year war drive provides such vital necessities as books and sports equipment for prisoners of war; entertainment for millions of Ameri-

can boys through the U. S. O.; medicines and surgical equipment for our fighting allies; aid for struggling China; help to men of the merchant marine who often lose all their possessions to the hungry oceans.

The money you give will yield many-fold. Give once—and you give to many organizations engaged in sowing good will. The need this year is very great. Won't you try to increase the amount you gave last year?

The Baptist Church

Below is a brief report of the work of the First Baptist Church since the coming of the present pastor. These are the reports taken from the minutes of the Association 1938--1943, the year before our coming and the last record of the Association. The Association meets next week, and the record for 1944, which is better than that of 1943, will be given at that time.

Total gifts of the church for all purposes in 1938 were \$2,910.00.

Total gifts of the church in 1943 were \$4,769.79.

Total Sunday School enrollment in 1938 was 195, average attendance 49.

Total Sunday School enrollment in 1943 was 171, average attendance 58.

In 1938 the church reported 217 members, in 1943--225.

The report for 1944 is well over \$5,000 given to all causes with 218 present church membership, and a better Sunday School attendance than reported either 1938 or 1943.

We do not boast of this report, but we are thankful for what has been done, and for the cooperation which has made it possible.

Card of Thanks

We have enjoyed the work in Sterling City and appreciate the fine friends we have here. You have been grand to us for which we are deeply grateful. We have had some very happy experiences, and some that have been disappointing; this is what all of us must experience in life. But we pray God's grace shall help us to be humble in our successes and submissive in our disappointments. As we prepare to leave Sterling City we pray that there shall be that fine spirit of cooperation in all community affairs which we have enjoyed here and that the church shall grow under the leadership of the man God has for the church in the future.

To all of you in the churches and those not affiliated with any church, let us say we appreciate your friendship and cooperation during our stay here. We have tried to be that in every thing. We have spent all our income in Sterling City; we believe that is right. You have been generous to us; we believe we owe you that consideration.

With deep regret and with a heart of love and appreciation for all who have helped make our stay in Sterling pleasant and profitable,
 Sincerely,
 The C. B. Stovalls

Many homes are getting that stunning message from the War Department every day. We do our best—with words, memorial services, gold stars, etc., but what a small consolation it is to the families who lost their manly sons.

Silently we can resolve to give heavier to the War Fund, buy more War Bonds, use less gasoline and tires, and thus have our part in shortening the war and making such messages end.

School Lunchbox Gets Zip With Citrus

A LUNCHBOX can be as full of zip as the tangerine or orange tucked in, Marjorie Griffin, Home Editor of Capper's Farmer, advises mothers faced with the daily problem of making their school-age youngsters' noon lunch zestful.

"It can be just as refreshing as the thermos of grapefruit juice," she writes in the Country Cooking section of the magazine read by 1,250,000 farm families. "Citrus fruit supplies vitamin C as well as interest to the lunchbox."

Another citrus delicacy that can perform the twofold assignment of providing a tempting dessert for home meals or a toothsome addition to the lunchbox, is Orange Bread. It is simple to make and quickly becomes a family favorite.

This bread requires only 1/2 cup of sugar and may be served with or without frosting.

Orange Bread.

- 1 large orange
- Hot water
- Raisins
- 1/2 cup nuts
- 2 tablespoons shortening
- 2 eggs, beaten
- 1 teaspoon vanilla
- 1/2 cup white sugar
- 2 cups flour
- 1 1/2 teaspoons baking powder
- 1/2 teaspoon soda
- 1/4 teaspoon salt

Squeeze juice from orange and add hot water to make 1 cup. Put rind and pulp of orange through food chopper and add raisins to make 1 cup. Combine liquid, fruit, nuts and melted shortening. Add eggs and flavoring. Add sifted dry ingredients in 3 portions. Mix only enough to dampen flour. Bake in a moderate oven (350-F.) from 50 to 60 minutes.

This recipe for Orange Bread was selected from hundreds sent in by readers of the Country Cooking department of the farm magazine, which invites homemakers to submit practical, wartime recipes each month.

CHRISTMAS PACKAGES FOR G. I. JOE

Let's Get Them Off Early!

REDDY KILOWATT
Your Electric Servant

Army and Navy rules for shipping unsolicited Christmas packages overseas are the same as for last year—but correct addressing is more important than ever.

The package must be mailed between September 15 and October 15. They cannot weigh more than 5 pounds, be more than 15 inches in length, nor more than 36 inches in length and girth combined. Perishables are not allowed and fragile things will be strongly discouraged.

Remember that incorrect addressing can delay delivery for 90 days or more. One reason this is true: Just among the Navy's enlisted men there are 16,000 Smiths, 300 of them with identical first names and middle initials.

North Concho River Soil Conservation District News

Board of Supervisors:
 Zach Jones, Chairman
 L. R. Reed, Vice Chairman
 Foster S. Price, Secretary
 J. R. Mims, Supervisor
 J. W. Cox, Supervisor

George Broome has a good growth of Buffalo, side oats grama and other desirable grasses on a pasture which he has deferred since the time of the first good rains this fall. By deferring his pasture following good rains, he has taken full advantage of the moisture made available by the rain for growth of grass and has given the grass opportunity to develop a deeper root system which will in turn increase the productivity of the grasses next year. John Reed built .7 additional miles of ranch road and 2.2 ad-

ditional miles of fireguards last week. Both roads and fireguards were blocked to prevent erosion. A total of 2.3 miles of ranch roads and 4.2 miles of fireguards have been constructed during the last two weeks.

Foster S. Price delivered his lambs from the Silver and Panther Gap ranches this week. They weighed 69 pounds.

J.W. Cox was reelected for a five year term as supervisor of Zone 1, Glasscock County Area, of the district at a meeting at Garden City, October 3.

Rainfall in the District October 2 and 3, was reported as follows:

H.G. Garlington	.60
W.N. and L.R. Reed	.25
Bade Bros.	.15
J.I. Cope	.80
George Case	.17
J. T. Davis	.45
Tommy Humble	1.87

Card of Thanks

We wish to express our appreciation to all who, during our hour of sorrow, came to comfort us, and for the beautiful flowers and the many other kindnesses extended us.

PICTURE SHOW SOUND EQUIPMENT REPAIRED

The sound equipment has been repaired at the Palace Theater, announces Horace Donalson, owner and he expects the pictures to be better heard now, and no recurrence of the recent trouble.

SHORE LEAVE—Torpedoed American seamen do a turn in the Victory Garden at a rest center maintained by United Seamen's Service, member agency of the National War Fund. Rest and exercise for convalescent merchant seamen provided by USS enables many to return to the sea. (No. 114)
