Snow, Sub-Freezing Weather Reigns In West Texas

Week of Cold Weather Discomforts West Texans

A snow, which banked up to as 14 inches, covered Sterling City and all of West Texas Tuesday and Wednesday of this week. The snow started falling here in Sterling at about 9 o'clock on Monday night. Water pipes froze up almost all over town and many was the car that had to be pushed to get the motor started. Business lagged because of the unusual cold weather, and school was postponed for the remainder of the week. Supt. O. T. Jones said the water pipes were all frozen up and attendance would have been slight.

R. A. Garrett, nightwatchman, said that the temperature got as low as 8 and 10 Monday night or early Tuesday morning.

Although no state highways were closed in this part of West Texas, several bus lines cancelled some of their runs on account of the bad roads. The state highway kept the snow scraped off the highways in this vicinity. The officials asked that motorists take no unnecessary trips due to the dangerous condition of the roads.

Although not too hard on livestock in this region, some of the aged stock looked drawn. The weather began moderating on Wednesday.

BUT, before the day was over more snow began to fall and the ground was covered with about 5 more inches of snow by Thursday morning. The weather returned to sub-freezing and the weather bureau predicts more snow, sleet and rain for the week-end.

The Sterling City train was derailed between Water Valley and Carlsbad on Tuesday. A coach and tank car overturned. The train "split a switch" and the workers had to work in the below freezing weather to get the cars back on the rails. The task took the workers until Wednesday.

FUNERAL SERVICES FOR HORACE DUNCAN SPALTI, 14, HELD IN DALLAS

Funeral services for Horace Duncan Spalti, Jr., 14 of Dallas, were held December 23 at the Preston Road Christian Church in Dallas. Duncan was a member of that church and a student at the Highland Park Junior High School.

Duncan, son of Mr. and Mrs. H. D. Spalti of Dallas, was injured in a car wreck on the night of Dec. 18 while returning from a party with a group of his friends. Two other people were killed and four were injured in the head-on collision. Duncan died on Saturday, Dec. 21. His untimely death grieves his friends and friends of the family here in Sterling.

He is survived by the parents; a sister, Barbara Ruth, all of Dallas; his grandmother, Mrs. Ruth Allen; an uncle, Worth Allen; an aunt, Mrs. Fowler McEntire; all of Sterling City; and two other aunts, Mrs. Pearl Lichfield and Mrs. Fred Engler.

Attending the services from here were Mrs. Ruth Allen, the Worth Allens and the Fowler McEntires.

EWING F. MCENTIRE IS DISCHARGED FROM THE ARMY

Ewing Fowler McEntire, son of Mr. and Mrs. Fowler McEntire, arrived home Wednesday night, having received his final discharge from the Army. Ewing has been in Japan with the Army of Occupation for the past year. He landed in Lubbock Wednesday and the McEntires drove up to get him there.

George McEntire said he stayed at home during the holidays because he didn't want to be on the highways with all the heavy Christmas traffic. That's one good way to live out your allotted span of years.

"COWBOY" IS HELD IN CHECK CASES

Charges of check swindling were to be filed Thursday against a Sterling City, Texas "cowboy" arrested following a brief check-cashing spree here during the Christmas shopping period.

The man, who listed his occupation as "cowboy", apparently was about to make a professional change, police said. Passing the checks at four downtown Dallas business establishments, the Dallas visitor is alleged to have used the money to obtain a dress suit, wrist watch, fountain pen and wearing apparel.

Police said checks cashed amounted to more than \$200 and were drawn on the First National Bank of Sterling City. — Dallas Times-Herald.

A check shows the boy to be Richard Nave, a former ranch hand in Sterling County.

Baptists Still Have No Preacher; Services Next Sunday

Rev. M. T. McGregor of Waco, who was called to be pastor of the First Baptist Church here by the members, declined to accept the place. He made such announcement at the church last Sunday. Rev. McGregor served for three years as an Army Chaplain in the war, and was just discharged in March of this year. He is now finishing his work for a master's degree in Bible at Baylor University in Waco.

A Rev. McIntire, now pastor of the Harmony Baptist Church in Paducah will preach next Sunday morning and evening for the local church. All members are urged to be present to hear him.

COULSONS ARE DINNER PARTY HOSTS

Mr. and Mrs. C. L. Coulson were host and hostess to the annual "Sunday Before Christmas" dinner to the family of the late Mr. and Mrs. R. W. Foster.

The table was laid with a white linen cloth and centered with pine burs surrounded by holly and red candles. On each side of the centerpiece were silver sprays of grapes. Miniature candle Santa Claus and an angel choir were placed on the dining table with tall and frosted candles.

On the buffet a miniature scene of turkeys was placed on the snow banked background with a centerpiece of mixed fruit.

In the living room was placed a large lighted Christmas tree with a smaller one opposite on the mantle. Throughout the house were miniature reindeers and tiny trees. On the desk was a lighted manger scene and on the coffee table, a small sleigh with Santa and his reindeer that played "Jingle Bells" as the guests arrived.

Those present were Messrs. and Mrs. Rufus Foster, Templeton Foster, Reynolds Foster and son, Reynolds Lee, Forrest Foster and children, Marvin, Melvin and Temple Ann, Robert Foster and daughter, Jackie, B. A. Austin of Sanco, Foster Conger, Fred Allen and sons, Freddie and Ronnie, Ira Watkins and daughters, Deanna, Marie, and Karla Jean of Garden City, Mrs. Allie Foster, Miss Margaret Skeete and Ross Foster.

RECEIVES 21-JEWEL WRIST WATCH FROM TEXAS CO.

R. P. Brown received his 21 jewel Hamilton wrist watch from the Texas Co. last Saturday for 30 years of continuous connection with the sales division of the company. Mr. and Mrs. Brown recently were among the guests of honor at a banquet in Houston honoring such employees.

Win Texas 4-H Championships

IN recognition of their outstanding 4-H records in 1946 Dairy Foods Demonstrations, Home Grounds Beautification and Meat Animal activities, five Texas club members will receive state awards. The winners and brief outlines of their records follow:

Duane Boenig

Floyd Terrell

Dolores Williamson

Duane Boenig, 16, of Converse, receives a 17-jewel gold watch provided by Thomas E. Wilson, Chicago, for having the highest rating state record in the 1946 National 4-H Meat Animal award program. His six-year record in 4-H work shows that he handled 283 hogs and 575 fowl. He won many placings on his meat animal exhibits, including \$819.63 in cash prizes, which brought his estimated income from all 4-H projects to \$17,530.06. At the 1946 Houston Fat Stock Show, he showed the grand champion litter, grand champion pen of three barrows, champion Duroc pen of three barrows and received other major awards. He sold 19 of the 24 pigs exhibited for \$2,136.00.

Floyd Terrell, 17, of Plainview, wins state honors in the 1946 National 4-H Home Grounds Activity. His reward is a 17-jewel gold watch provided by Mrs. Charles R. Walgreen, Chicago. Among his home-landscaping achievements during nine years of club work are removing old unnecessary fences and repairing others, helping remove dead trees, leveling off two big holes in the yard, filling in an old cellar and planting grass over the area. Floyd also helped in planning and building the family's new 12-room modern home.

All of these activities were conducted under the direction of the Extension Service of the State Agricultural College and USDA co-operating.

Melba Pearce and Joyce Horn

Lone Star State's winners in the 1946 Dairy Foods Demonstrations are (individual) Dolores Williamson, 16, of Eastland, and (team) Joyce Horn, of Winters, and Melba Pearce, of Bradshaw, both 15. Each receives a \$50.00 U. S. Savings Bond provided by the Kraft Foods Co. Dolores demonstrated "Snack Bar", and the team's demonstration was titled "Custard Float". Dolores' demonstration was given before an audience of 150 people, and that of the team five times before 325 people. The purpose of the demonstrations was to gain experience in public speaking, and develop teamwork and sportsmanship.

HEN GETS LONG, COLD RIDE

An old white hen from Cack Cole's ranch, 18 miles out on the Big Spring highway, took the ride of her life on Wednesday of this week. The highways were still covered with snow and ice, and the weather was still cold. The hen had roosted on the fender brace just back of the left front wheel. As Jack Turner, employee of the ranch drove into town in his car, the old hen was given a good shower bath of ice, snow and cold water. When Turner parked his car in front of Hennigan's Market the hen was noticed for the first time. Some of the onlookers asked Turner if he was going to make the hen ride back to the ranch in the same perch, he said he guessed that he would put the bedraggled fowl in the back seat for the return trip.

Uncle Sam Says

Ponder these facts, niece and nephew. In 1937 many Americans bought the Series C Savings Bond, similar in every respect to the present Series E bond which millions of you are now buying regularly through payroll savings or at your bank or post office.

During 1947 the Treasury Department will hand over \$4 for every \$2 these wise Americans laid away 10 years ago. The total payoff in interest is a staggering sum—over \$100,000,000. Nearly 75 per cent of all buyers of Series C bonds held on to them for the full 10 years. You have the opportunity now to join your fellow Americans who will share in the Treasury Department's 1957 payoff of an extra dollar for every \$3 you invest now in Savings Bonds.

U. S. Treasury Department

OFFICIALS TAKE OATH OF OFFICE

One new official and the reelected county office holders took the oath of office in Sterling County this week.

Henton Emery was sworn in as the sheriff, tax collector-assessor. He follows the veteran sheriff, Vern Davis, who did not run for reelection.

Those reelected were G. C. Murrell, County Judge; W. W. Durham, County and District Clerk; O. M. Cole, County Treasurer; A. W. Dearen, Justice of the Peace; and Roy Foster, Herbert Cope Fowler McEntire and Herman Garlington, County Commissioners.

ALICE RENEE CUEN MARRIES LOUIS BADE IN EL PASO

Alice Renee Cuen of El Paso became the bride of Louis Henry Bade of Sterling City in a ceremony at the St. Joseph's Church in El Paso Thursday, January 2.

The bride is the daughter of Mr. and Mrs. J. M. Cuen of El Paso. She has been a nurse in an El Paso hospital the past several years.

Mr. Bade ranches with his brother, Julius, in the western part of the county, and is manager and one of the owners of the Frozen Foods locker plant here. He is the son of Mrs. H. Bade, pioneer ranchwoman of Sterling County.

Religious Broadcasts Start Next Sunday

The first regular Sunday morning half hour worship service over an independent network will be broadcast on January 5, at 7:30 A. M. These programs originate in Atlanta, Georgia, and are a part of the Southern Religious Radio Conference, an organization composed of radio committees from the Southern Baptist Convention, The Presbyterian Church in the U.S.A., the Protestant Episcopal Church, and the Methodist Church.

Each of these religious organizations broadcasts over this network for a period of three months. The Methodist Church will be responsible for the speakers for 13 weeks beginning January 5. They will be followed by the Baptist, the Episcopal and the Presbyterian churches in the order listed.

The speakers for January will be as follows: January 5, Bishop W. W. Peele; January 12, Senator John W. Sparkman, U. S. Senator from Alabama; January 19, Dr. Humphry Lee, President of Southern Methodist University; January 26, Bishop William C. Martin of Topeka, Kansas.

Music for these broadcasts will be furnished by the excellent choir of St. Mark's Methodist Church of Atlanta, Georgia.

Bishop Peele's subject will be "An Informed Church". Senator Sparkman will speak on "Our Responsibility for World Peace." Dr. Lee will speak on "The Community of the Confident", and Bishop Martin on "The Eternal God and a Changing World."

Residents of Sterling can hear these programs at 7:30 A.M. over stations WFAA, Dallas, WOAI, San Antonio, and KCRS of Midland.

HAVE YOUR INSURANCE REINSTATED THIS MONTH

VETERANS — You can have your insurance reinstated without a physical examination if it is done before February 1, 1947. And you don't have to pay the back premiums. See the V. A. representative each 1st and 3rd Thursday in the Sterling County courthouse.

D. L. Hunt and Mr. and Mrs. Lee Hunt took Dolores Hagerty to her home in McCamey last Sunday. She had been visiting the Lee Hunts during the Christmas holidays.

Mr. and Mrs. Claude Collins and daughter, Claudia, ate Christmas dinner at the home of Claude Collins, Jr. in San Angelo. Several of the Collins family from this part of the country also were at the dinner.

The John Clarks of Gonzales spent the Christmas holidays here with Mr. and Mrs. Will Atkinson and other relatives. John is the son of Mrs. Atkinson.

LOCAL ITEMS

Dale Hall, son of the D. Halls and student in New Mexico Military Institute, spent the holidays here with his parents.

Mrs. Pat Kellis and son, Jim Tom, of Mayer, Arizona, visited friends and relatives here this week. They visited Mrs. Kellis' parents in Coleman Christmas. Mrs. Kellis is teaching school in Arizona this year.

Mr. and Mrs. Buster Gober, students in Texas Tech at Lubbock, spent the Christmas holidays here with Mrs. Gober's mother, Mrs. James B. McEntire.

Mrs. J. S. Cole, Jr. has been in a San Angelo hospital for the past several days.

The Orrie Deals spent Christmas day in Mertzon with Orrie's father, Dr. E. O. Deal and other relatives.

The J. B. Atwells returned last Saturday from a two-weeks trip spent in Oklahoma and Arkansas.

Mr. and Mrs. Henton Emery spent the Christmas holidays in Crowell visiting Mrs. Emery's parents.

Visitors at the Lee Hunt's last week were the Stencil Hunts and D. L. Hunt of El Paso and the Homer Hagertys of McCamey.

Visitors in the Vernon Blackman home during the Christmas holidays were Mr. and Mrs. Bill Jones and daughters Clara Bell and Nora Estell of Levelland.

Dr. W. J. Swann, local physician, has been confined to his bed with a bad cold this week. Colds are prevalent in this section at present, and the medical mainstay for quite a part of the country hereabouts took one while delivering a baby in a drafty house on Christmas Eve.

The A. A. Berrymans spent the holidays visiting in Hemphill, Jasper and Kingsville.

Mr. and Mrs. Earl Bailey spent Christmas in Paris with Mrs. Bailey's mother, Mrs. George Hull, and other relatives.

Your Home
By Frances Ainsworth SC

As I was scanning through my son's history book the other evening, I ran across a very interesting article. It described one of the first loaves of bread . . . made centuries ago in the Swiss lake-dwellings of the Stone Age. Actually the bread resembled our modern biscuits, and as I read the article, I marveled at the stamina of the women in those days. Why, it took at least a whole day to make bread! Acorns were boiled, then dried and crushed into powder. From this the dough was prepared, laid on flat heated stones and covered with hot ashes for baking.

It certainly makes one thankful for modern house-keeping conveniences, doesn't it? Think of our delicious, flavorful bread coming to us fresh from the ovens. No hot ashes are used to cover our bread! Instead, each loaf is automatically wrapped in waxed paper to insure its freshness and keep it sanitary.

As for biscuits—well, I use a ready mixed flour. I just add water and the dough is set for kneading and cutting. It takes just a few minutes. I always keep several packages on hand.

Incidentally, I just learned that ready-mixed preparations were almost taken off the market. When first introduced, the shortening in the mixture penetrated the carton and gave a greasy appearance to the package. Then manufacturers began using waxed paper inner linings, and the products immediately gained popularity. Waxed paper kept the carton clean and the contents fresh and sanitary.

You know, it's really fun to keep house and prepare meals, today—but we'd be actually lost without all our modern time-savers, wouldn't we?

American Royal Grand Champion Steer

KANSAS CITY, MO.—Jack Hoffman, 15 year old Ida Grove, Iowa, 4-H Club boy and his 1,212 pound Hereford steer, T O Pride, which Dean H. H. Kildee of Iowa State College selected as Grand Champion over 1,100 others of all breeds at the American Royal Livestock Show.

The steer's excellent type, smooth thick finish and unusual development of high-priced cuts carried him to top honors in the 4-H Steer Show, then to "Grand" of the Junior Division, and finally to supremacy over the three breed champions in the Open Show.

T O Pride was purchased a year ago weighing 480 pounds and sold during the American Royal to the Williams Meat Co. of Kansas City, Kansas, for a new world's record price of \$35.50 per pound. Karl Hoffman, Jack's father, holds the record price for a carload of fat steers, also Herefords, at \$2.00 per pound. This was Jack's third showing at the Royal and his success proves the wisdom of "If at first you don't succeed, try, try again."

**Chili Adds Zest to
Cold Weather Menus**

"When there's a spicy fragrance coming from the kitchen, everybody knows it's a batch of chili cooking," says the Country Cooking editor of nationally-circulated Capper's Farmer.

"You can't keep folks waiting long," she writes. "All are anxious to dip into a steaming bowlful.

"If the kids come to your house after a game, give them chili, bread and butter, a bowl of fruit."

Chili

1 lb. ground beef	2 tsp. chili powder
2 c. tomatoes	1 tsp. salt
No. 2 can kidney beans	1/4 tsp. pepper
	1 chopped onion

Brown onion with ground beef. Add tomatoes and kidney beans, chili powder, pepper and salt.

Cover and simmer for 1 hour. Add extra seasoning to taste and serve piping hot. Serves 6.

**Smooth Line Social
Asset to 'Teen-Agers**

A SMOOTH line is the most interesting distance between two points of conversation. Practically everybody has a line. Or maybe you're just developing your own brand of chit-chat.

That's what a line is—a fund of small talk flavored with an individual's personality, Holly Miller reminds 'teen age readers of nationally-circulated Capper's Farmer.

"A line doesn't have to be insincere just because you think of things to say beforehand and consciously practice them so that they come out easily," she counsels in the magazine.

"Special features are what make a line your own. Here's one—nickname friends for famous people. Call girl friends Hedy or Lauren and watch them preen. Fellows get a kick out of being referred to as Superman or Hope."

"Twist your own double talk. Originate superlatives and epithets for your own use. Something a duller character would call 'swell' might be 'gee-gosh-gorgeous' to you.

"Listening is part of a good line. Learn how to draw out a new acquaintance with easy questions.

Practicing your line is essential, she adds, suggesting that the family is the best audience for breaking in a new catch phrase or joke. If the reception is lukewarm, polish the story up a bit before springing it on the public.

Uncle Sam Says

You have heard people say, "why save at a time when prices are going up?" We cannot all be economists; and it is perhaps just as well, for they seem to differ a great deal among themselves about the future. But we all know this: A man who saved a dollar 10 years ago is better off today than the man who didn't; and other things being equal, the man who saves a dollar today will be better off in 1957 than the man who doesn't.
United States Savings Bonds offer you the opportunity to save at a profit. Thus every \$3 you lay away now will come back to you in 1957 with an extra dollar in interest. You don't have to be an economist to know a good thing when you see it.

Air Freight Widens Farm Produce Market

Peaches, melons and other farm products being put aboard airline plane for quick haul to consumers.

A thriving new air freight industry crisscrossing the skies with cargo planes is opening a wider market to farmers for perishable products which need rapid transit to reach consumers in top quality condition, Clyde Zimmerman writes in an article in nationally-circulated Capper's Farmer.

In the last 2 years, tonnage cargo flown by plane has increased 600 per cent, he points out.

"Current trends indicate fresh fruits and vegetables, flowers, meat and baby chicks, already moving by air, will vastly increase in amount," he declares in the magazine read by 1,300,000 farm families.

Air freight is fast. New, larger faster-4-engined planes will cut transcontinental schedules to 10 or 11 hours. This speed is expensive. Products hauled by air must sell at

premium prices.

Current air rates, although still above those of surface carriers, are low enough so crops such as berries, lima beans, spinach, lettuce, tomatoes, cherries, cauliflower and melons are moving in sky vans from certain areas to Middle Western and Eastern cities.

"Farmers can look to broader markets with air freight because consumers prefer vine-ripened and tree-ripened fruits and vegetables over those that ripen in transit," writes Zimmerman. "Eating quality and nutritional value of such products are higher."

Railroads may enter the air-freight business, Zimmerman says. A few railroads have already announced the organization of air-freight corporations as affiliated companies to engage in air transportation.

Now that the Holiday season is over, let us pause to reflect on the value of these and other pleasant holidays to civilization. Holidays—you know—were originally, and still remain, days to be set apart for exemption from hard labor.

And there is where Reddy Kilowatt shines—freeing housewives everywhere from many hard tasks. A few of Reddy's holiday contributions to the homemaker are:

Washing machines instead of the wash board

Refrigerators replacing window milk boxes

Ranges in the place of smoking hot cook stoves

Air conditioners supplanting pelmetto fans

Blankets superseding the mountains of fatigue producing bed covering

Reddy Kilowatt's electric service is available to make every day a holiday—by lessening the housewife's hard tasks.

Lemon grass and citronella now are being raised in quantity in Guatemala for use in scenting toilet soaps.

During its three weeks of nestling life the crow eats about 10 ounces of food daily, or a total of 13½ pounds.

Ham and Bacon Stacks Offer Luscious Treat

"For a special luncheon there isn't any better dish than Ham and Bacon Stacks," writes Marjorie Griffin, Rural Home editor of nationally-circulated Capper's Farmer.

"This luscious treat offers ham and pineapple slices rolled inside bacon, and in the middle of it all is a mashed sweet potato patty," she tells homemakers in the magazine read by 1,300,000 farm families."

HAM AND BACON STACKS
4 strips bacon ½ lb. ground ham
4 slices of pineapple 1 c. mashed sweet potato

Cross two strips of bacon. Lay on one slice of pineapple. Shape the mashed sweet potato into 4 patties and the ground ham into 4 patties. Top each pineapple slice with a sweet potato patty and a ham patty. Fold over ends of bacon on top of each stack and fasten ends together with a toothpick. Place in baking dish. Bake in 350° F. oven for one hour. Serve while hot.

Plastics Brighten Home

Plastics are making their home entrance in everything from window screens to furniture upholstery. Tharen Petersen points out in nationally-circulated Capper's Farmer.

These adaptable synthetics will be seen in many forms. Some will be pressed into fine films, some made into thread to be woven into fabric and some molded into thicker sheets, giving a leather-like appearance, she writes in the magazine read by 1,300,000 farm families. Molded plastics are being made into dishes, accessories, furniture and other parts for home equipment.
