

STERLING CITY NEWS-RECORD

VOLUME 59 PUBLISHED EVERY FRIDAY AT STERLING CITY, TEXAS. "Since 1890" FRIDAY, NOV. 11, 1949 No. 45

FIRE DESTROYS THE STERLING FEED & FUEL BUILDING

A fire of undetermined origin completely destroyed the Sterling Feed and Fuel Company building here early Tuesday morning. The fire was reported at about 5:15 a. m., and was well underway when turned in. Firemen battled the flames until sun up, and the blaze smoldered all day. The building and contents were destroyed. Exact amount of loss was undetermined by M. C. Mitchell, owner. He reported that he had no insurance. The hay storage barn in rear of the feed store did not burn. The blaze made a bright light throughout the town. It could be seen for miles around against the early morning sky. The wind was not blowing so the blaze was easily held to the destroyed building by the firemen.

Barbara Garrett Second In Wool Style Contest

Barbara Garrett, niece of Mrs. Lee Reed, placed second with her wool suit in the "Make It Yourself With Wool-Mohair" contest that was held at the San Angelo College Monday night. The contest was sponsored by the Auxiliary of the Texas Sheep & Goat Raisers Association.

The competition was stiff and any place winner deserves a lot of credit. Barbara was the only person entering the contest from this county.

Barbara received \$10 prize money. Two of the judges told her that her suit was perfect, but the skirt was a little tight, which kept her from possibly taking a first place.

LIONS CLUB

Clyde Davis and Jim Farr of San Angelo were guests when the Lions met for the regular luncheon at the community center Wednesday.

Lion G. W. Tillerson, football coach, told of the approaching football game here Friday night with the Rankin Red Devils. He said that this game tells the tale whether we win the district or not. He expects the largest crowd ever at a game here.

Announcement was made of the stores and businesses closing here Friday, November 11.

The prize went to Garland Hoffman.

Leaving on a deer hunt near Rocksprings next Tuesday will be H. A. Chapple, Chesley McDonald, Roland Lowe, Riley King of Sterling and Bob Shepperd of San Antonio. Shepperd is a cousin of H. A. Chapple's.

Art Week Observed By Wimodausis Club

"A thing of beauty is a joy forever" was the quotation for the American art week program of the Wimodausis Club when it met Wednesday afternoon, November 9 in the club room of the community center, with Mrs. W. L. Foster, Jr. as hostess.

At the business meeting Mrs. W. N. Reed, Federation Counselor, gave a report on the Federation's program of progress. The club voted to have a food and bake sale Wednesday morning, November 23, and to stage a bazaar early in December.

The Nov. 23 meeting was changed to Nov. 22. The club voted to send \$2.50 to the Equador Relief Fund, also to send \$1 to the American Bible Society.

Rev. C. D. McEntire opened the program with a prayer. As the group sang "Little Brown Church in the Vale" Rev. McEntire gave a chalk talk. Mrs. C. A. Bowen gave a history of the song.

Mrs. H. L. Hildebrand gave a talk on "How to Judge a Picture." A picture analysis was given by Mrs. E. F. McEntire. Barbara Garrett modelled her suit that she won second place with at the wool style show in San Angelo Monday night.

Others present at the meeting were Mrs. Ray Lane, Mrs. Frank Cole, Mrs. Harvey Glass, Mrs. Minta Phillips, Mrs. T. S. Foster, Mrs. W. N. Reed, Mrs. Lura McClellan, Mrs. Roy Morgan, Mrs. C. D. McEntire, Mrs. S. R. Hefley and Mrs. Lee Reed, a guest.

Ligon-Burns Wedding Last Friday Night

Miss Claudia Ligon, daughter of Mrs. Ella Ligon, and Robin Burns were married at the home of Mrs. J. H. Bugg last Friday night at 7:45 o'clock. Rev. C. D. McEntire, Baptist pastor, performed the single ring ceremony.

Present at the ceremony were Mrs. Bugg and Mrs. Ligon.

The bride is deputy county and district clerk and Mr. Burns is employed by the State Highway Department.

STORES CLOSED TODAY

The stores, bank, post office and school will be closed today due to the Armistice Day holiday, agreed to by the merchants the first of the year.

Tops among activities for the day is the football game between Sterling and Rankin tonight at 8 on the local field.

C. C. Ainsworth, Finis Westbrook of Sterling, and Doc Koberg and Don Anderson of San Angelo left the first part of the week for a deer hunt in New Mexico.

Clark Pool Gets Largest Well Yet

The Clark (San Andres) pool in southeastern Sterling County, nine miles west of Water Valley, has registered its largest producer, York & Harper, Inc., and J. T. Gibbins No. 3 L. C. Clark.

The well, the operators' third, pumped 222.23 barrels of 34.2 gravity, pipeline oil in 24 hours, with gas-oil ration 10-1. Production was natural from San Andres pay topped at 864 feet with total depth 1,026. Seven-inch casing was cemented at 845 feet.

No. 3 Clark is 2,332 from the north, 1,756 feet from the east line of section 6, block A, R.R. Wade survey. It is 660 feet east of York & Harper and Gibbins No. 1 Clark which was finished late in July, pumping naturally 14.4 barrels of 36.2 gravity oil in 24 hours from 868-73 feet.

York & Harper and Gibbins No. 2 Clark, south offset to the operators' No. 1 Clark, was completed late in September for 37 barrels of 35.8 gravity oil plus 39.8 per cent water. It topped the pay at 850 and drilled to 1,030 feet.

Casing was being cemented Wednesday to shutoff water in York & Harper and Gibbins No. 4 Clark, which had drilled to 485 feet. The test is a south offset to No. 3 Clark.

The wells in section 6-A-R. R. Wade are about 2 1/4 miles west of Placid Oil Co. No. 1 Clark, in the southeast corner of section 2-A-R. R. Wade, discovery well in the Water Valley (San Andres) pool in northwestern Tom Green County.

About 2 1/2 miles southwest of its No. 1 Clark, Placid in June completed No. 3 L. C. Clark, in Sterling County, for 17 barrels of 38 gravity oil plus 50 per cent water, in 24 hours, pumping. Five thousand gallons of acid had been injected through casing perforations at 890-893, at 1,090-93 and at 1,141-47 feet in 7-inch casing cemented at 1,314. No. 3 Clark is in the C NE NE 81-3-H&TC.

York & Harper and Gibbins are erecting more storage on the Clark lease. Their holdings approximate 2,600 acres.

SUN No. 1 PRICE IN MILLICAN FLOWS 98 BARRELS OIL

Sun No. 1 Foster S. Price in the Millican (Strawn) field in Coke County flowed 98 barrels of oil and five barrels of wash water in 14 hours and died.

The flow was through a three-eighths inch tubing choke and open hole from 6,057 to 6,073 feet, which had been acidized with 2,000 gallons. No. 1 Price was shut down to move the rig to the same operator's No. 7 Annie Cummings, 660 from the north, 1,860 feet from the west line of section 187-2-H&TCRR.

Sun No. 1 Price is 467 feet from the south and east lines of section 159-2-H&TC.

The driller of the oil test on the J. S. Cole ranch north west of town has drilled down to about 100 feet from where a good showing was made in the Parramore test. He has moved off rotary rig and will move in cable tools to finish the job.

Vickers Petroleum Co., Inc has staked out an oil test on Nora Coulson, section 14-13-SPRR. The test will be a 5,500 rotary test.

Humble has staked out an oil test on Myrtle B. Frost, section 40-33-5s-T&P in Glasscock County. It will be a 10,000 rotary test.

85% OF TAXES COLLECTED DURING OCTOBER

Tax assessor-collector Henton Emery's office here collected 85% of all taxes due during October. The taxpayers nearly all took advantage of the 3% discount earned by paying taxes during October.

Out of \$119,336.90 assessed taxes on the rolls, all but \$18,313.24 was paid in October. \$101,023.66 was the amount collected, said Emery.

These figures include state, county and school taxes.

CUB MEETING MONDAY NIGHT

Cubmaster Claude Raney announced this week that the regular Cub meeting would be held in the Girl Scout house next Monday night. Worth Durham and Earl Campbell are to help on the program, said Raney.

Sterling Records Votes Against Amendments

STERLING SWAMPS PAINT ROCK 47 TO 6

The Sterling Eagles went all out last Friday to stay at the top of the District. They completely overpowered the Paint Rock Indians and held them to one first down the first half. The Eagles were not long in getting their first touchdown. The Eagles kicked to the Indians and held them for downs. Sterling took over on their own 30 yard line. A few line plunges by Leroy Butler and Henry Bliznak took the ball to the Indian 15 yard line. A pass from Butler to Grosshan accounted for the touchdown. Loy Mitchell plunged over for the extra point. First quarter score was 7-0 Sterling. Soon after the first quarter, Henry Bliznak went around left end and behind beautiful blocking went some 30 yards for a touchdown. Elroy Butler made the extra point. Larry Glass took a handoff from Gann and went some 60 yards before he was tackled on the 1 yard line. Henry Bliznak plunged over and Larry made the extra point. Halftime score was 21-0 in favor of Sterling.

Soon after the second half started Leroy Butler passed to Grosshan for a 20 yard gain and another touchdown. Henry Bliznak made the extra point. Sterling scored again in the third quarter on a line plunge by Loy Mitchell good for 50 yards and a touchdown. Grosshan made the extra point. Henry made two more touchdowns in the fourth quarter to make the final score 47 to 6.

Paint Rock did their scoring in the fourth quarter on a pass play to Dillard who was run out of bounds on the 1 yard line after gaining some 50 yards.

Sterling led in first downs 8 to 4 and in yards gained, 450 to 105 for Paint Rock. Sterling had 8 penetrations to 1 for Paint Rock.

Sterling will meet the strong Rankin team here Friday night.

Pep Squad to Perform at Half

The Sterling Pep Squad will perform at the half Friday night as usual but with a different formation. The lights will be turned off at the half and we will leave you to guess as to the formation. Be on hand to witness the affair.

The Pep Squad is ably directed this year by Miss Louise Guinn. They have performed at most of the ball games and have put on some formations at games. Last Friday at Paint Rock they formed a letter "I" and then gave a war dance around the formation.

HAS ANOTHER OPERATION

Mrs. W. L. Emery underwent another operation in a San Angelo hospital on Tuesday of this week. She underwent one kidney operation about ten days ago. Reports are that she is doing well or better than was expected.

Big Ball Game Tonight

The Sterling Eagles will play host to the Rankin Red Devils on Eagle Field here Friday night November 11 at 8 p.m. This will probably be the outstanding game in District 8 for the entire season. The winner of this game will become the favorite to represent the district in bi-district play. If the Eagles win they will clinch a tie for District. If the Red Devils win they will go into a three way tie for the lead with Sterling and Forsan.

The Eagles became a favorite to win after they plastered the Indians from Paint Rock Friday on the Indians home ground. The Eagles will outweigh the Red Devils about seven pounds per man. On comparative scores the Eagles defeated Forsan at home 33 to 12 and Forsan defeated Rankin at Rankin at Rankin 21-14. The Eagles have not lost a conference game and they are out to win Friday night.

Two years ago the Eagles defeated Rankin here 16-0 and last year at Rankin the Eagles won 32-6. The Rankin team defeated Water Valley Friday night at Rankin 44 to 8 after trailing at half time 8 to 6. Rankin holds non conference vic-

Sterling voters did not turn out in large numbers, but those who did voted overwhelmingly against the ten proposed amendments to the state constitution. The largest vote for one of the amendments was 31 for the amendment that the Legislature may provide trials in lunacy cases without juries. However, 60 votes, or two-thirds of the votes for this one were against.

George D. Morgan of San Angelo received 71 votes for state school board member to 6 for Gordon Griffin of Brownwood and 1 for John T. Rowntree of Lampasas.

Only 92 votes were cast. The new super-secret ballot was used. The ballots are numbered in two places and the one number is perforated, which tears off and is deposited in a separate box from the main ballot. The little numbered part is kept only for 60 days and then destroyed.

Sterling voters cast their votes as follows on the proposed amendments:

1. For—The Constitutional Amendment authorizing the Legislature to provide for civil service in counties upon a vote of the people therein, 13. AGAINST 77.
2. For the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members, 11. AGAINST 72.
3. For the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts, 20. AGAINST 66.
4. For the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law, 17. AGAINST 71.
5. For the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof, 19. AGAINST 71.
6. For the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees, 17. AGAINST 75.
7. For the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law, 28. AGAINST 64.
8. For the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts, 26. AGAINST 64.
9. For the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases, 31. AGAINST 60.
10. For the Amendment to the State Constitution qualifying women as grand and petit jurors, 24. AGAINST 66.

STERLING LEADS THE CONFERENCE

The Sterling Eagles still remain at the top on Six Man District 8. Rankin is still on the trail along with Forsan who is standing by hoping for an upset here Friday night so they can get a share of the district. Here are the standings:

Team	Won	Lost	Stdg.
Sterling City	6	0	1000
Rankin	5	1	833
Forsan	5	1	833
Paint Rock	4	3	571
Water Valley	2	4	333
Christoval	2	4	333
Mertzon	2	5	286
Courtney	1	5	167
Garden City	1	5	167

This week's games will find Mertzon at Christoval, Courtney at Forsan, Water Valley at Garden City, and Rankin at Sterling City.

THE AMERICAN WAY

SWING OF SOUTHWEST FARM MARKETS

By United States Department of Agriculture

(USDA)—Southwest farm markets developed a mixture of higher and lower price trends during the past week, the U.S. Department of Agriculture's Production and Marketing Administration reports.

Sorghums declined 7 cents a hundred pounds and wheat a cent a bushel. Texas white corn advanced 3 to 5 cents a bushel, yellow corn a cent, barley 1 to 2, and oats a half cent. No. 2 Texas white corn closed Monday at \$1.59 to \$1.61 and yellow corn \$1.40 1/4 to \$1.41 1/4. No. 2 yellow milo brought \$2.07 to \$2.12.

Good quality rough rice advanced in price last week, but much of current offerings was of lower grade because of weather damage. Feed markets generally had a weaker tone, but little price change was noted in southwest trade. Hay remained in slow demand at about unchanged prices. Peanuts turned firmer in improved demand.

Good demand for eggs held prices firm during the week despite increased production in midwestern states. Dallas paid 43 to 44 cents a dozen for current receipts, and Denver 35 to 42. Fort Worth took candled mixed colors at 45 to 48. Re-handled current receipts brought 50 cents at New Orleans. Young chickens held about steady for the week. Hens weakened, as fall culling increased supplies.

Sweet potatoes strengthened despite heavy haulings. U. S. No. 1 Porto Ricans loaded in Southern Louisiana over the week-end at \$2.45 to \$2.55 per 50 pound crate. Most of the current harvest is going into storage. Fort Worth received more South Texas carrots,

squash, peppers and tomatoes.

Dressed meats sold mostly weak to \$3 lower than last Monday at New York.

Sharply increased cattle and calf numbers at southwest markets last week contrasted with moderate decreases at midwest terminals. Cows and stocker calves lost up to 50 cents or more at Texas markets, but cows advanced at Oklahoma City. Other classes showed little change. Denver sold cattle steady to 50 cents down.

Fewer hogs arrived at southwest and midwest markets last week than the week before. Butcher hogs lost 25 cents for the week at San Antonio, 50 cents at Fort Worth, and around \$1 at Oklahoma and Denver. Sows held unchanged from last Monday at Texas markets, but lost 50 cents to \$1.50 at Oklahoma City and Denver. Stocker and feeder pigs declined about \$1 at Texas and Oklahoma terminals.

Sheep sales doubled the week before at Texas and Oklahoma markets but fell off slightly at other markets. Price trends were fairly firm most of the week, with narrow net changes. San Antonio's goat market showed only minor changes.

Small lots of 12-months wools sold in Texas, and a good volume of territory wool moved in Boston. A large volume of mohair sold in Texas at 47 1/2 and 67 1/2 cents.

Cotton closed Monday unchanged from a week ago at Houston and Galveston, 10 points higher at Dallas and New Orleans, and 30 points up at Little Rock. Spot middling 15/16 inch ranged from 29.15 cents at Dallas to 29.45 at Little Rock.

F.H. A. Activities

As a climax to National F.H.A. Week, ten members of the Sterling chapter attended the district meeting in Big Spring Saturday, November 6.

The program for the day was based on the Future Homemakers of America organization and its activities. Several of the chapters contributed songs, skits, etc to the program. As their contribution the Sterling group modelled old clothes, dating from 1860-1925.

Darlene McEntire, local chapter president, was elected reporter for the district.

Members attending the meeting were Elizabeth Hildebrand, Darlene McEntire, Kay McEntire, Helen Lawson, Mary Davis, Charlene Drennan, Marion Keel, Shirley Aikens and Ginger Lane.

Accompanying the girls were Mrs. H. L. Hildebrand, club mother and Miss Katherine Nelson, club sponsor.

Job Printing Done. News-Record.

Irion Ranchers Employ Vern Davis As Ranger

Vern E. Davis, former Sterling County sheriff, was hired as special ranger for the Irion County Livestock Protective Association Tuesday night at a meeting at the Meitson courthouse.

Davis held the position of sheriff in Sterling for 24 years prior to his retirement in 1946.

His selection as special ranger came after a series of cattle and sheep slaughters were reported to the association in past weeks.

The protective service is furnished the Irion ranchmen on a one-year basis through an agreement with the Texas & Southwestern Cattle Raisers Association.

Notice—Dear Friends: I am at home again, and it's grand to be back with you. I am making a slow come back. I want to thank each one of you for all the nice things you did for me while I was sick. I am not able to work, but am trying to sell cards and would appreciate your patronage. Have a nice line of stationery, napkins, cards, etc. Thanking you. Mrs. L. F. Wallace.

RED CROSS HAS RECORD NUMBER SERVING U. S. MILITARY FORCES

With U. S. military forces at five times their prewar strength, a record number of American Red Cross workers are serving them throughout the world.

More than 2,000 Red Cross representatives today are stationed at 1,300 military installations and 123 hospitals here and overseas. About 1,400 staff workers are serving troops in this country. The others are working at occupation and defense posts abroad. Only during the peak years of World War II were a larger number on duty.

The duties of these Red Cross workers are as varied as the locale in which they work, involving a wide range of welfare services that contribute to military morale. They may include tiding over a soldier's wife with grocery and rent money until her family allowance check comes through, or getting a welfare report on an Eskimo serviceman's mother via weather bureau radio. Sometimes it means getting word of a family emergency to a sailor with the fleet in the Mediterranean.

Service of the Red Cross worker in a military hospital may be helping a man through the difficult hour when he learns that he will never be well again or removing the worry that often stands in the way of his recovery.

Under federal statute and regulations of the Army, the Navy, and the Air Force, the American Red Cross furnishes volunteer aid to the sick and wounded of the armed forces and acts in matters of voluntary relief and as a medium of communication between the people of the United States and their armed forces.

In the last year Red Cross staff members handled more than 102,000 welfare cases in military hospitals. More than 500 professional Red Cross workers are stationed at 40 army hospitals, 26 navy hospitals, and 14 air force hospitals.

For the able-bodied, too, whatever the problem or wherever the serviceman is stationed, the chances are that

The Red Cross man at Hickam Air Force Base, Hawaii, lends a helping hand to a young marine, enroute from Kwajalein to his Maine home on emergency leave.

The Red Cross has a field worker on the spot or nearby who can help try to solve it.

In this country 361 field directors and their assistants cover 148 base stations, 31 substations, and 923 itinerant stations. During the last year field directors at camps handled more than 672,000 cases. Health and welfare reports requested by servicemen or their families were the most common type of help asked for. More than 179,000 such cases were recorded. The next most frequent type of request was that involving leave or extension of leave. The Red Cross cannot grant leave, but military authorities depend upon the organization for reports of conditions underlying leave requests. These cases run into many thousands each year.

Abroad, Red Cross coverage is almost as complete as in this country. In Japan alone, 159 men and women are serving occupation troops at 31 military installations and 14 hospitals. Other parts of the Far East are equally well staffed.

In Europe, 248 Red Cross workers serve military personnel and their dependents at 51 military installations and 15 hospitals, most of them in occupied Germany. Coverage is also given in England and to miscellaneous units still in France.

From where I sit... by Joe Marsh

Clam Chowder Can Be Dynamite!

If Smiley Roberts is a friend of yours, like he is mine, and if you want to keep his friendship, like I do, don't ever let him hear you say that good clam chowder can be made without cream.

In New England, where Smiley comes from, friendships have been broken over tomatoes versus cream in clam chowder. Experts say that south of Boston the tomato reigns supreme, but north of Boston it's cream—or else!

From where I sit, whether it should have cream or tomatoes is simply a matter of taste. This is

plain to anyone who doesn't come from clam chowder country.

What a great world this would be if we could all see that most prejudices are matters of taste only. Some like hot coffee. Some like it iced. Some people like a temperate glass of beer. Others prefer ice-cold lemonade. My grandmother used to say, "Prejudice that sees only what it pleases, cannot see very plain."

"Covering the County"

By Garlyn Hoffman, Co. Agent.

CORRECTION: Leave it to a lawyer, especially our County Attorney, to find all the mistakes in the poop the county agent puts out. The statement about bott eggs last week should have read, "The bott eggs can be killed by rubbing a kerosene rag over the hair where the eggs are attached. So go ahead and do this to your horses so the number of botts will be reduced to a minimum. The bott eggs are more numerous this year than the past few years. In January and February the horses should be doped with carbon bisulfide or carbon disulfide to rid them of botts in the stomach."

Fred Hodges and Ben Brooks report that they expect a large ram crop next year. At present they have tattooed 65 lambs, and the majority of these are buck lambs. They were 16 sets of twins. If Hodges percentage of buck lambs continues, he can start booking orders right now. He has good grass for the lambs to winter on. There is lots of green feed mixed with the cured.

The winter weeds and grasses are making good growth on the David Glass ranch. In the draws and moist places the Texas speargrass is ankle high to a tall man. Texas speargrass is a good grass even if it does make needles in the spring. Canada wild rye is also doing well, and is a good grass which does not produce needles. Its head resembles wheat.

The Range Management Contest sponsored by the North Concho River S.C.S. District will close December 3. You will recall that this is the first S.C.S. district in the state to sponsor a contest of this type. It requires lots of work for the contestant, but his work will pay more dividends in the future. The contestant gets a sample of

practical range management, knows the condition of his range, and knows what type and number of stock it will support. October work is completed, and bringing records books to date and summarization are all remaining to be done.

Barbara Garrett did well in the Wool Style Show at San Angelo Monday night, winning second with a wool suit. We were proud of the placing, as they tell me the competition was plenty stiff. Fourteen F.H.A. girls attended the show, accompanied by their instructor, Miss Katherine Nelson.

All 4-H Club boys be sure to attend the first annual achievement barbecue Saturday night at 7:30 p. m. in the community center. Three boys will receive special awards, and other members who have completed a project will get membership pins.

Rubber Stamps at News-Record.

Mrs. Claude Collins returned to her home Tuesday night from a Big Spring hospital. She underwent a minor operation there last week.

Rev. B. B. Hestir, Presbyterian pastor here, will be returned to his home Saturday, it is reported. He had suffered a heart attack two weeks ago.

You can have personal calling cards, informal notes, and personal stationery printed at the local News-Record shop.

Announcement

To our Sterling City patients

We now have a complete lens-grinding laboratory service so that we can make your glasses and fit them to you the same day that we examine your eyes.

It will help us if you will come as early in the day as possible so that we may make your glasses while you shop or visit in Big Spring.
